

Medicine 528

"No, Miss Sun, what are you doing? We have nothing to say." Chen Bo raised his hands and slowly stepped back.

Sun muyao came in, with more than a dozen men behind her.

These people are all shot by hand.

"Sun muyao, what do you mean?"

"Long Wei, what do you mean by me?"

Sun muyao looked at Xiao Chen and said, "doctor Xiao, are you okay?"

Xiao Chen nodded.

"Sun muyao, you let Chen Bo go. It's a misunderstanding. It's really a misunderstanding."

"Long Wei, do you think I'm a fool? Who are you? Don't my sun muyao know?"

She said and pulled Xiao Chen behind her.

"Protect doctor Xiao and go!"

"Wait!"

Long Wei's face sank and said, "sun muyao, I think your Sun family and my long family belong to Dongjiang. I don't want to fall out with you, but you can't take doctor Xiao away."

"Why?"

Long Wei shook the pill in his hand.

"This is the pill that the miracle doctor just sold me. I haven't asked him how to take it?"

Huh?

Sun muyao looked at Long Wei in surprise, then turned to Xiao Chen and said, "doctor Xiao, is what he said true?"

Xiao Chen nodded.

"Put the gun down, my miss sun. My young master has just been treated by doctor Xiao."

Chen Bo said and touched the gun on his forehead.

Sun muyao looked at Uncle Chen in disbelief and put the gun away.

"Doctor Xiao, if I really take this medicine, I'll be fine?"

"Of course."

"Can't I really make the second condition you said?"

"Yes."

Long Wei smiled on his face.

"That's great."

"If you don't want to live, you can make it at any time."

Poof!

Long Wei was almost gasped by Xiao Chen and passed on the spot.

"All right."

When sun muyao saw that Long Wei really listened to Xiao Chen, she believed it. She went to Xiao Chen and whispered, "doctor Xiao, isn't he doing anything to you?"

Xiao Chen shook his head.

"Then we'd better get out of here first."

"OK."

"Long Wei, do you have anything else to ask doctor Xiao now?"

He looked at Xiao Chen. He waved his hand and said, "let's go, let's go."

Sun muyao pulled up Xiao Chen and went out.

Here comes the starry night concert hall.

Sun muyao and Xiao Chen went to Lincoln.

"Go, go to the dock."

The car sped towards the dock.

"Doctor Xiao, what's the second condition he just said?"

Xiao Chen smiled faintly and said, "I told him not to touch women."

"Ah!?"

Hearing this request, sun muyao thought about Longwei's personality.

"Doctor Xiao, you really do something bad for Dongjiang!"

"What do you say?"

Sun muyao said, "you don't know, this Longwei is almost a groom every night, a woman in Dongjiang. Whether it's a big girl or a little daughter-in-law, he has harmed not a thousand, but also 800."

"I see. No wonder this man's kidney water dried up like that. It seems that I saved him this time."

Xiao Chen shook his head in disappointment.

"But you also saved our Dongjiang woman."

"Yes."

Xiao Chen nodded.

He looked out of the window.

"What happened to the little boy after I left?"

"Does he seem to have gone back?"

"Do you know his home?"

"This... I can let the following people check."

"That's trouble."

Sun muyao was stunned. "Doctor Xiao, don't you hurry back to Binjiang?"

Xiao Chen shook her head and said, "I promised the little boy that I haven't done yet."

"You mean selling him eggs?"

"Yes."

"I can deliver it for you."

"Forget it. For children, it's better not to break the appointment."

"All right."

The car has now stopped at the dock.

Sun muyao called his men and told them to find out the boy's identity and address.

Waiting at the dock for another hour.

The news came back.

Sun muyao and Xiao Chen quickly arrived in a shanty town in Dongjiang by car.

This is a dilapidated four story building.

Xiao Chen went to a room on the third floor.

With the knock on the door. A woman's voice came from inside.

Xiao Chen frowned. The woman's voice was weak and weak. She was obviously in poor health.

Open the door.

Xiao Chen looked at the woman's face, as he expected.

"Hello, is there a little boy in your family who had a car accident tonight?"

"You, are you the great men of the dragon family?"

Xiao Chen waved his hand and said, "we are not."

"What are you looking for Xiaoyi for?"

Then the boy's voice came from the room.

When he walked behind the woman, he saw Xiao Chen. He hurried forward and said, "benefactor, why are you here?"

"Are you okay?"

The boy nodded and said to the woman, "Mom, this is what I told you, the benefactor who saved me."

When the woman saw that it was Xiao Chen, she quickly bowed and said, "thank you, sir. Without you, Xiao Yi, I wouldn't see you tonight."

Xiao Chen waved her hand and picked up the woman and boy.

"Let's go inside and talk."

"Good."

The woman here let Xiao Chen and sun muyao into the house. She asked the boy to make tea.

Wait for the boy to deliver the tea to Xiao Chen and sun muyao.

Xiao Chen asked, "I didn't buy the eggs I promised you."

The boy waved his hand and said, "benefactor, nothing. You saved me, and I don't know how to thank you."

Xiao Chen nodded and said, "but I've prepared this for you."

He took out the one hundred thousand pass and put it in the little boy's hand.

The boy didn't know how to read, so he gave the pass to his mother.

The woman looked. Scared, he hurriedly sent the through ticket to Xiao Chen's hand again.

"Benefactor, we dare not ask for such valuable things."

Sun muyao thought Xiao Chen had taken one hundred and ten silver dollars, so she said to the woman, "elder sister, this money is not much, which is also the intention of doctor Xiao. Take it."

"Not much?" The woman looked at the pass in her hand. After reconfirming it, she looked at sun muyao and said, "100000 silver dollars. How can you say not much?"

"What!?"

Sun muyao was stunned when she heard this number. She looked at Xiao Chen in surprise and said, "you, doctor Xiao?"

Xiao Chen just smiled faintly.

"Elder sister, the money is of no use to me. In fact, the money came from the man who hit Xiaoyi, so it can be regarded as his compensation to Xiaoyi."

The woman listened to him, thought for a moment and said, "it's not a benefactor?"

"No."

"Is it from the dragon family?"

"Yes."

"Then I will."

Xiao Chen smiled, then got up and said, "I won't disturb you so late. If you need anything, you can find Miss Sun and ask her to contact me for you."

The woman received 100000 silver dollars, which is really a thousand thanks.

The little boy also knelt on the ground in front of Xiao Chen.

"Get up."

Xiao Chen helped the child up.

He touched his head on this side.

"Treat your mother well in the future. By the way, elder sister, you go back to the medical school to mend your body."

"Well, with this money, I'll get better."
