"Brother Xiao, I'm sorry. Really, you know, my father is a businessman. Sometimes people like him focus on interests."

Xiao Chen can understand Zhang Min's words. Naturally, people like Zhang Dasheng always put the most appropriate ideas at the front.

Only to their own advantage. That's what he's after.

"Zhu Laoer just now, in fact, I think people are pretty good."

Zhang Min said and looked at Xiao Chen beside her.

"Birds of a feather."

Xiao Chen only said these four words.

Seeing that he said so, Zhang Min changed the subject and said, "let's go. I'll drive you back."

She said and ran to her car, but she didn't wait for her to open the door.

I saw a black face in the distance, and the jeep flew in front of Xiao Chen.

"Xiao Chen, get in the car!"

Xiao Chen was surprised to see the people in the car.

"Why are you here?"

Xia yunshang said solemnly, "why, don't you want me to come?"

Xiao Chen saw that she had a thorn in her words, so she had to get on the bus obediently.

Zhang Min then walked to the front of the car and Xiao Chen rolled down the window.

"Sorry, my wife and I went back. Thank you for your dinner."

Zhang Min smiled and nodded at Xia yunshang.

"Sister in law."

Xia yunshang squeezed out a smile and said, "hello."

Then he slammed on the accelerator.

The car roared out.

Zhang Min looked at the back of the car in the distance, but she secretly worried about Xiao Chen.

Here, Xiao Chen looked at the car, which was not going to the hospital. His eyebrows wrinkled slightly.

"Where are we going?"

"Go home."

"What!"

Xiao Chen hasn't been invited home once since his rebirth. In fact, in the memory of his predecessor, it seems that he hasn't been brought home.

"What are you doing home?"

Xia yunshang stopped the car with one foot.

She looked at Xiao Chen beside her and said, "don't you want to go back?"

Xiao Chen shook his head slightly.

Pop!

"You, why did you hit me?" Xiao Chen looked at Xia yunshang in front of him in surprise and asked.

"Hit you. Shouldn't you?"

"What's the matter with me?"

"You are the redundant son-in-law of my Xia family. It's not normal if you don't go home. Isn't it normal to take you back now?"

"But, but my mother-in-law. She doesn't seem to welcome."

Xia yunshang started the car again and said, "you and I live in our own house. Whatever she likes or doesn't like?"

The car rushed out again.

At this time.

Zhao Youzhen is in front of the flower bed in the yard, and the gardener is under her guidance. Pruning the flowers in the flower bed.

Xia Guowei was in a rocking chair and looked at tonight's Binjiang evening news.

The car came in from the outside.

Zhao Youzhen looked and saw Xiao Chen sitting in the car.

Her face suddenly looked ugly.

"Why did this fool come back with yunshanghu?"

Xia Guowei also put down his newspaper and looked at Xiao Chen who came down from the car, but he smiled at the corners of his mouth.

"It's good to come back. Our family can be more lively."

"Lively?"

Zhao Youzhen stared directly at her husband.

"Are your father and daughter against me? I said to this fool that we must try to get rid of him. If we keep him, we will only make our mother and the other two rooms look down on us."

"What qualifications do they have?"

Xia Guowei whispered.

"Are you trying to piss me off?"

Zhao Youzhen said and went to Xia yunshang.

"Mom, did you cook?"

Xia yunshang asked.

"No!"

Zhao Youzhen looked directly at Xiao Chen beside her.

"What are you doing back? Who's watching the hospital?"

"It was yunshang who asked me to follow back..."

"Will you come back when she asks you to come back?"

Zhao Youzhen pointed to Xiao Chen's nose and said, "don't you know your identity? If you really don't know, I'll tell you that you are a redundant son-in-law. Your identity is the same as that of a servant. You are not qualified to live in our house!"

"Mom!"

Xia Yunchang interrupted her mother.

"Xiao Chen will officially stay with us from today."

"What?!"

Seeing Xia yunshang say so, Zhao Youzhen knows that her daughter is a man who does what she says.

"Xiao Chen, what did you say to yunshang?"

Xiao Chen shook his head.

"OK. He can come, but he can only live in the basement."

But Xia yunshang grabbed Xiao Chen and said, "he wants to live upstairs with me."

"Xia yunshang. Listen to me. I'm still your mother. There's no need to discuss this matter."

Zhao Youzhen shouted to the housekeeper.

"Take him to the basement."

Xia yunshang still wants to stop.

Xiao Chen made a voice to stop it and said, "forget the cloud clothes, just listen to her mother's arrangement."

Xia yunshang was so angry that he had to turn and walk upstairs.

Here, Xiao Chen was led by the housekeeper and Zhao Youzhen into the only basement of the building.

Overcast tide.

There are some drops of water hanging on the wall.

The air here seems to condense water at any time.

It is about ten square meters in size. There is a single bed in the corner and a desk in the other corner.

Out of this, it's no different from a prison cell.

"Well, you're right here. If you don't like it, you can go back to the hospital now." Zhao Youzhen seems to want Xiao Chen to choose to go back.

"Sorry, yunshang asked me to come, so I can't go yet."

"Good!"

Zhao Youzhen was so angry that she was about to run away. She had to go to the door and fiercely said to Xiao Chen, "you're moldy here."

Then he closed the door with the first sound.

Xiao Chen went to the bedside and sat on it. Although the environment was a little bitter, it could not be overcome at all.

He has a sick pulse, but the Qi inside can resist the severe cold and heat.

So a little bit of humidity is not a problem.

Dong Dong

The knock on the door interrupted Xiao Chen's thoughts.

He went to the door.

It turned out to be Xia yunshang.

"Why are you here?"

"Come and see you. I'm sorry. I might as well not bring it back if I know she did so."

Xiao Chen actually knows the purpose of Xia yunshang's bringing himself back.

So she can see herself.

Women.

It seems that Aunt Wang told her about her being taken away by Zhang min.

Unexpectedly, the woman in front of me was jealous for herself.

Xia yunshang saw that Xiao Chen didn't mean to go back. She nodded and said, "don't forget to cook dinner later."

Then she turned and left.

Xiao Chen could not laugh or cry.

what?

Dinner?

Didn't you say you could follow her to the second floor and go home?

What's the matter now? Let yourself cook dinner?

Women's words.

Especially for beautiful women.

It's really unreliable.

"Xiao Chen, have you cooked your meal?"

Zhao Youzhen's voice came from upstairs.

Xiao Chen could only go out of the basement. When he got to the kitchen, the ingredients for cooking tonight had already been arranged here.

It seems that my first night at Xia's house will start with a dinner.
