

Medicine 535

"This...?"

Although Xia Guowei also hates Xiao Chen, he doesn't really want him to die.

Zhao Youcai has already moved to kill Nian.

Of course, there is another purpose for him to do so.

The Zhao family's business has gone from bad to worse in recent years. Now his aunt is such a woman. If his friend Chen Gongqiu really takes Xia Yunshang, he can cooperate with Xia family medical school at that time.

You know, Xiajia medical center has a good reputation in Binjiang.

"Uncle, don't be afraid. You can't do this. I'll come!"

Xia Guowei was slightly shocked by Zhao Youcai's words.

"This, this is not good?"

"What's the matter? This fool's life is a burden to all of us. Now kill him and my sister can find a good family."

With that, Zhao Youcai quietly walked to Xiao Chen.

Xiao Chen at this time. In fact, I have heard the dialogue between Zhao Youcai and Xia Guowei for a long time.

He did not expect that his father-in-law would acquiesce in such a thing.

However, what made it more difficult for him to accept was that Zhao Youcai was cruel and ruthless. It was simply heinous.

Killing is like stepping on an ant.

Zhao Youcai thought Xiao Chen was in a daze. He crept to behind Xiao Chen. He had some Kung Fu and had already planned to start somewhere in Xiao Chen.

Even if the pond was not in front of him, Zhao Youcai was sure that Xiao Chen would be seriously injured on the spot.

Hoo!

Worthy of some Kung Fu, the palm wind sounded instantly, and Xiao Chen's eyes narrowed.

I already know in my heart that Zhao Youcai is determined to kill.

Without turning around, he suddenly turned his body. Zhao Youcai instantly hit the air with his palm. When he lost his center of gravity, he rose up in the air.

Poop!

Zhao Youcai fell into the pond.

Xia Guowei screamed with fear behind him.

"Talented, talented, are you okay?"

Xia Guowei ran to Xiao Chen and looked at Zhao Youcai who had drilled out of the water. Zhao Youcai touched the water on his face, pointed to Xiao Chen and scolded, "you fool, why are you avoiding?"

Xiao Chen pretended to be innocent and asked, "I didn't know you came from behind. By the way, brother, did you just want to push me?"

At this time, Zhao Youcai had arrived at the shore. Angrily, he stretched out his hand and said, "give me a hand."

Xiao Chen came forward and grabbed his hand and said, "brother, you haven't said what you were just going to do?"

Zhao Youcai stared at him and said, "I see insects on you. I'll help you..."

"Ah!"

Xiao Chen exclaimed. I let go of my hand again.

Zhao Youcai suddenly lost his support and fell into the water again.

When he got out of the water again, he pointed to Xiao Chen and said, "you, you, are you stupid? What hand do you lose?"

At this time, Xiao Chen looked surprised and said, "you say insects. What I'm most afraid of is insects."

Zhao Youcai was so angry that he just made up a reason. Unexpectedly, he cheated himself again.

"All right. Come and pull me. I killed the bug."

Xiao Chen walked to the shore with a smile.

"Brother, are the insects really gone?"

"No! No!"

Xiao Chen pulled him out of the water.

At this time, Zhao Youcai trembled all over. At this time, the water temperature is not high, and the outdoor temperature is not high.

He just soaked in the water for a while. Naturally, I was shivering with cold.

"Uncle, look at this fool, he, he... Ah sneeze!"

Xiao Chen looked at Zhao Youcai's virtue and smiled in her heart, but her face was worried and said, "are you brother-in-law?"

"Something's wrong. I'm going to catch a cold, you. Go and get my clothes!"

Xiao Chen was about to turn around and get it.

"Wait, you, you come back..."

Zhao Youcai's heart to kill Xiao Chen is not dead at this time. He stopped Xiao Chen and said, "you, you don't have to go. I'll find it myself."

Xiao Chen nodded.

"Uncle, you stay here with Xiao Chen. I'll come as soon as I go..."

Xia Guowei didn't know what he thought. He was a little embarrassed and said, "well, I'd better go with you?"

Zhao Youcai shook his head slightly and said, "no, no, just wait for me here."

Xia Guowei could only remain silent.

Xiao Chen turned and looked at the pond.

Before Zhao Youcai could take a few steps, he suddenly turned around. This time, he ran directly to Xiao Chen and kicked the other party's back heart.

This kick, if you hit it. I'm afraid he can kick Xiao Chen directly to the middle of the pond.

At that time, even Xiao Chen's struggle will not be of any use. There is the deepest place in the whole pond.

But although Zhao Youcai calculated thousands of calculations, he didn't make it clear. All his calculations were carried out with Xiao Chen's knowledge.

His feet can't wait to touch Xiao Chen.

Xiao Chen suddenly turned around.

Just avoided the other party's foot.

Zhao Youcai's original complacent face. Instantly turned into a painful expression.

"Ah!"

Zhao Youcai screamed and fell into the position where he expected Xiao Chen to fall.

"Help, help me!"

At this time, he was exhausted. As soon as he fell into the water, Zhao Youcai directly cramped his legs.

Seeing this, Xia Guowei hurriedly pointed to Zhao Youcai and said, "save, save your brother-in-law?"

"I can't water?"

That's true.

Xiao Chen really can't drink water.

Xia Guowei turned and ran to the house.

At this time.

Zhao Youcai struggled and showed signs of sinking.

"Why did you kill me?"

Xiao Chen's face sank and squatted by the pond.

Zhao Youcai was so frightened that his eyes opened suddenly.

"You, you know?!"

"What do you think? Otherwise, how could I escape your sneak attack so skillfully?"

"Xiao Chen, aren't you stupid?"

"Silly? I think you're a fool?"

Zhao Youcai had no strength at this time. Coupled with Xiao Chen's sudden change of face, he was frightened and lost his strength to struggle.

The man sank.

Xiao Chen looked at Zhao Youcai who disappeared on the water and just snorted coldly. This kind of person deserved it.

Right now.

"Talented!"

Both Zhao Youzhen and Chen Gongqiu ran out of the house.

Chen Gongqiu deserved to be back from abroad and jumped into the water with one arrow step.

Before long, he pulled Zhao Youcai up from the water.

"How's it going?"

Chen Gongqiu had a meal.

Compression plus artificial respiration.

But Zhao Youcai just drank less water.

At this time, there was no movement at all.

"Talented, my talented, you, you can't die!"

Zhao Youzhen rushed up and cried a few times. Suddenly she looked at Xiao Chen and said, "you, why didn't you save the talented person who just fell into the water?"

"Mom, Xiao Chen, he can't water. Don't you know?" Xia Yunshang explained for Xiao Chen.

Xiao Chen looked at his wife.

His heart was warmed.

If there is anyone in the Xia family who is worthy of his stay, it is Xia Yunshang.
