

Medicine 552

"Wait?"

Zhu Laoer was stunned.

In this case, Xiao Chen can still say this word so leisurely. Is the poisonous dragon sect really a hooligan?

"Doctor Xiao, what's this?"

Xiao Chen smiled.

"Don't worry, I want to see what he said about the gale sword sect. What else is the fire sword sect?"

Right now.

Two resounding arrows flew outside the hospital.

One red and one white.

"Open the door!"

Seeing the arrow, Liu Xiang smiled and asked his disciples to open the gate.

"What a big breath!"

I saw a man in a red robe walking into the front door. He was holding a steel knife with bright red silk tied on the handle.

Behind him, followed by his entourage. Each one also holds the same steel knife, and the red silk is particularly eye-catching under the moonlight.

"Zuo Zongchang, you're here!" Liu Xiang laughed and waved to the visitor.

Zhu Laoer went to Xiao Chen and whispered, "this man is the master of the fire knife door."

Zuo Zongchang took a few steps to Liu Xiang's side.

"Lao Liu, you're in such a hurry. What's the urgency of releasing several resounding arrows?"

He said and looked into the crowd.

"Eh, isn't this Zhu Laoer?"

Liu Xiang said coldly, "he is no longer the leader of our five factions. Do you see the man sitting there?"

"Yes."

"This man is the fool uncle of the Xia family. His name is Xiao Chen. Second master Zhu now recognizes this man as the Lord."

"Ah?"

Zuo Zongchang looked at Zhu Laoer in wonder and said, "I said Zhu Laoer, what's the situation with you? How do you recognize a fool as the master?"

"Fart!"

Zhu Laoer stared at Zuo Zongchang and said, "you don't know the reason. Don't listen to others. He collaborated with Liu Xiang to betray the country. My friend, doctor Xiao, is here to expose his evil deeds."

Zuo Zongchang smiled coldly and said, "Zhu Laoer, don't pretend to be lofty here. Don't you know what's going on in our five faction alliance?"

"I don't know." Zhu Laoer waved his hand and interrupted him.

"Hum. Why, when you took the money, I didn't see you say these high sounding words?" Liu Xiang asked, pointing to Zhu Laoer.

"Money? That's what I should take, but if I get through the enemy country, I Zhu Laoer can't do it."

"Bah! Take the money and you take it. Now you've got rid of the relationship. Are you really smart?"

A man walked in again at the front door.

The man's leather armor is on his back. Carrying a long sword.

As he walked, he pointed to Zhu Laoer and asked.

"Qin Suo?"

Zhu Laoer whispered to Xiao Chen, "he is the leader of the wind sword sect."

Qin Suo also walked to Liu Xiang.

"Two brothers, what's the situation?"

Liu Xiang pointed to Xiao Chen and said, "he's from the Xia family."

"Oh? Have you got it?"

"It's not this man who obstructed us. He not only beat our people, but also tracked down our poisonous dragon sect and wanted to report us."

Qin Suo's eyes were cold.

"Die!"

"Qin Suo, have you also taken refuge in southern Chu?" Zhu Laoer pointed to him and asked.

"Hum, I Qin Suo will help whoever gives more money. Is there anything wrong with this?"

Zhu Laoer snorted coldly.

"We're all here, aren't we?"

Right now.

Xiao Chen stood up slowly.

He glanced at the three of Liu Xiang.

"Xiao Chen, what else do you want to say now? Tonight, this is your burial place!" Liu Xiang said and put his hand into the skin bag around his waist.

Then he took a black pill in his hand.

"Hundred poison Saint pill!"

Zuo Zongchang's face was also frozen when he saw the pills in Liu Xiang's hand. He looked at Liu Xiang in surprise and said, "do you want to use this?"

"I said Lao Liu, do you want to spend so much money?" Qin Suo asked in a puzzled way.

"Hum, he killed my poisonous dragon. I will avenge him."

Xiao Chen looked at the pill.

"What is this?"

He asked Zhu Laoer beside him.

"This... This is the secret medicine of poisonous dragon sect. It is said that it can activate the potential in the body and improve the cultivation of martial arts. Moreover, it can also enable people who eat this pill to obtain 100 poison bodies."

"Hundred poisons?"

"Yes, there is nothing on the body that can not release highly toxic. As long as you touch a little, you will die!"

"Poison?"

Xiao Chen smiled and shook his head.

If you improve your martial arts cultivation, there may be some threats. As for poison? What's difference between that and providing energy for your own pulse.

"Doctor Xiao. I'll deal with Qin and Zuo. This Liu Xiang..."

"Yes."

Xiao Chen had already planned to attack Liu Xiang. This person is directly related to the South Chu people. As long as he is caught, he can control which two South Chu people.

Liu Xiang put the pill into his mouth at this time.

His face suddenly turned blue and black.

Soon.

His complexion turned black.

In a twinkling of an eye.

Liu Xiang seems to have been poisoned.

"Ah!"

He gave a roar.

One arm.

I don't know when the nails on the palm grow a lot.

He shouted and rushed to Xiao Chen.

At the same time.

Qin and Zuo, each armed, attacked Xiao Chen and Zhu Laoer.

For a while.

The small yard was in a mess.

Scream.

Shout kill.

I can't see who is who.

Just less than half a minute.

On Xiao Chen's side, only three of the people brought by Zhu Laoer have been killed and injured.

Zhu Laoer is entangled with Qin and Zuo.

Up and down at the same time.

And Liu Xiang and Xiao Chen have already seen it.

Liu Xiang, who was originally dominated by poison. Now after taking the hundred poison Saint pill, you can only play the attack in the martial arts. Poison is of no use to Xiao Chen.

Liu Xiang, who was not as good as Xiao Chen in boxing, can't take advantage of it now.

Although the martial arts ability has been improved, Xiao Chen has hidden his strength before.

I haven't played a few rounds yet.

Pop!

Xiao Chen slapped Liu Xiang on the chest and only heard Liu Xiang scream. People were knocked to the ground.

Wait for him to stand up.

Xiao Chen came forward and grabbed his neck.

"Don't move, just be honest if you want to live, okay?"

Seeing that he was caught, Liu Xiang could only nod.

"Let them stop."

"Stop!"

When Qin and Zuo saw that Liu Xiang was caught, they all withdrew to one side.

"Liu Xiang, do you remember the request I just made?"

"Forget!"

Liu Xiang still looked disdainful, squinted and grabbed his Xiao Chen beside him and said, "listen to me. Don't think you can leave here alive if you catch me. Don't think about it today..."

His voice didn't fall.

Only a broken sound was heard.

Xiao Chen's face changed.

But it's still a little late.

Liu Xiang in his hand was stabbed into the middle of his eyebrow by a steel needle. His body shook slightly and softened.

"The door master is dead!"

"He killed the sect leader."

"Avenge the sect leader!"

In the dark.

Those poisonous dragon sect disciples standing in the distance could not see the steel needle stabbing into the center of their eyebrows. They thought it was Xiao Chen's hand.

For a while.

Hundreds of poisonous dragon sect disciples rushed to Xiao Chen and Zhu Laoer.
