

Medicine 562

"Wang Shao!"

Several strong men ran out of the room at the end of the corridor.

These people have suits all over their bodies, but it is difficult to cover up their strong body shape. People with clear eyes can see that these people are all practicing family members.

When they ran to Wang Ye's room.

Seeing that Wang also looked like a frightened bird, one of the beards pointed to Xiao Chen and scolded, "fuck your mother, who are you? Dare to make trouble here."

The voice didn't fall.

Pop!

Chen Xuening slapped big beard on his face.

"You?"

He glanced at Chen Xuening, but the next second, he was like an eggplant beaten by frost.

"Miss Chen?!"

"Why do you mind your own business? Get out!"

The beard looked at the king with some embarrassment.

"Miss Chen. This, Wang Shao, is a VIP of our boss. Our boss has something to say. He wants us to treat him well, but you see, now..."

The beard pointed to the king who was shrinking on the wall.

At this point.

Wang also had a pitiful look on his face.

How miserable it is.

"Just him, he is also a VIP of Uncle sun. What's the matter with Uncle sun? Such a person is also worthy!"

Chen Xuening stared at her beard.

"This miracle doctor Xiao is my benefactor, and this Miss Xia is his wife. This man was just going to invade Miss Xia. How do you calculate it?"

Chen Xuening also has a certain identity in Lijiang.

Her uncle sun is also a family friend of the Chen family.

Beard certainly knows the relationship.

"Ha ha..."

He smiled and bowed in front of Chen Xuening.

"My Miss Chen, this..."

"Come on, don't do this. Get out of here. We'll solve the things here by ourselves."

Chen Xuening said and waved her hand impatiently.

Beard is in a dilemma.

When I don't know what to do.

"Who is this? With such a big tone, we will deal with the matter in Lijiang, of course."

At the corner of the stairs.

Then a woman came down.

The man was wearing a green brocade cheongsam.

A shawl of hair.

With her twisting posture, her long hair swings left and right in the back.

She saw a pair of Phoenix eyes and glared at her beard.

"Waste!"

Beard hurried forward and bowed.

"Three aunts are too."

Chen Xuening's face was also frozen when she saw this man.

"Wang Xue?"

"Chen Xuening. Do you dare to call our people around in Lijiang now?"

The two women stood at each other.

A murderous spirit suddenly appeared around them.

"Wang Xue, this man is from your Wang family. Why, do you want to protect your weaknesses?"

Chen Xuening is right.

Wang Xue is from the Wang family.

It's just that.

Wang is also the direct son of the Wang family.

And Wang Xue is just a concubine of the Wang family.

If you talk about it.

Wang Xue is also Wang Ye's sister.

"Sister? Sister, help me!"

Wang also saw that she came forward and hurried forward, but he didn't wait for him to take a few steps.

Xiao Chen swept his eyes.

Wang was so frightened that he quickly withdrew his body.

"Third brother, don't be afraid."

Wang Xue slanted her eyes to Xiao Chen.

"A fool of Xia family, what's the matter? Are you going to dominate Lijiang? Do you really take where Lijiang is?"

Xiao Chen said faintly, "he was just rude to my wife. I don't care what you Lijiang want to do, but he must go to see the official with me today."

"See the official?"

Wang Xue's face sank.

"Don't you ask me if I let you?"

"Yo Yo..."

Chen Xuening sneered: "what do you think you are, an aunt of my uncle sun? Why, when can you be the Lord of Lijiang?"

"You!"

Wang Xue's identity, in fact, is most afraid of others. She talks about things with her identity.

"Chen Xuening. Are you looking for something?"

"What's wrong with me?"

Chen Xuening didn't see Wang Xue at all.

"Someone!"

Wang Xue said hello.

The beard is refreshed again.

"Three aunts are too."

"You heard that. She said I was looking for something. An outsider in Lijiang talked to me like this. Are you really farting?"

Beard looked at Chen Xuening.

In fact, he has long been dissatisfied with the eldest lady of the Chen family.

Since the third aunt said so.

"Ha ha..."

The beard waved his hand.

"The third aunt said too much. Are we farting? Brothers, what do you say?"

Those men.

They all follow him. Chen Xuening, in their eyes, eats Lijiang food. Whatever you do, Chen family and Zhao family. There is only one family in this place, that is the sun family.

Several people rushed up like tigers and wolves. Surround Chen Xuening and Xia yunshang.

Wang also saw it.

With confidence.

"Catch them and see what else this fool can do?"

That's what big beard thought.

But when he was ready to do it.

He only felt a flower in front of him.

"What?!"

Before beard could react, he felt his feet were empty. He has flown out sideways.

Bang!

Two hundred pounds of body, like a boulder, was heavily thrown several meters away.

"Fuck!"

He was thrown with four hooves in the air. The beard struggled to get up from the ground.

When he saw it clearly, he realized that the one who had just shot was Xiao Chen standing in the room.

I wanted to scold those men.

But I found out.

These were also thrown out by Xiao Chen.

Just a face-to-face.

A few big men were put down directly.

Wang Xue is also a little silly.

"You, how dare you beat someone in Lijiang?"

But she didn't wait for the attack.

Chen Xuening has stepped forward.

Pop!

She slapped Wang Xue in the face.

"It's a villain like you!"

Wang Xue, who was beaten by Chen Xuening, was beaten and sat on the ground because she was not prepared.

"Ah, sir, are you still watching? I've been beaten by others. Don't you come forward?"

Wang Xue cried on the ground.

Only a cold hum came from the stairs.

"Xuening, what are you doing?"

With a vigorous voice.

I saw a man wearing a white satin blouse from the place where Wang Xue had just walked out. He came out with two steel balls in his hands.

The two steel balls, in the man's hand, made a crash sound.

"Uncle sun?"

Chen Xuening frowned.

This person is sun Lijiang, the boss of Lijiang.

"I dare not be your Uncle Chen Xuening."

Sun Lijiang went to Wang Xue and reached out to help her up.

"Sir, look at her, I. My face is swollen by her?"

Wang Xue pointed to Chen Xuening as she sprinkled Jiao in front of sun Lijiang. The resentment in her eyes had reached the point of ejection.

"Bah!"

Chen Xuening stared at Wang Xue.

"What are you? It's polite to hit you."

"Chen Xuening!"

Sun Lijiang shouted in a deep voice.

"Don't you know what's good or bad? In your father's face, I've just tolerated you, but you don't know how to restrain at all?"

"Uncle sun? Obviously she didn't reason first and let them do it. I'll help you teach this bitch a lesson. Is there anything wrong?"

"Shut up!"

Sun Lijiang yelled at Chen Xuening.
