

## The Mightiest Little Peasant Chapter 1625

In the square, the noise was deafening.

The crowd couldn't help but exclaim in shock, unable to hide their excitement.

They had thought that the gathering would be over the day before, but they didn't expect that there would be a shocking turn of events on the last day. Alchemist Tang had displayed his Supreme alchemy skills and refined a Supreme spiritual pill in one day. He had beaten Marquis Wutian and won first place with a two-point lead.

"This level of alchemy technique is truly a divine skill!"

When they recalled that shocking pill refinement technique, everyone was still full of praise.

"I ... I'm convinced!"

Many old monsters leaped onto the stage and took the Dragon-tiger golden pill. After carefully examining it for a moment, they smiled bitterly and revealed a sad look.

This pill was indeed impeccable. It had surpassed them by too much, and they were completely convinced of their defeat.

The small pill Saint took the pill and looked at it. He cursed in a low voice, "F \* ck! Where did this old monster come from? with this level of skill, he can almost be called a Saint!"

Marquis Wutian took the pill and looked at it. He snorted in anger and his face turned red.

He had to admit that this guy's skill level was indeed impressive, much higher than his.

With his current level, he was still far from being able to refine such a pill.

"Where did this Alchemist Tang come from?"

"That's strange. How could such an awesome person not even have a pill token? furthermore, I've never heard of such an awesome person in the pill world before. "

Soon, the crowd began to guess Alchemist Tang's identity.

There were too many suspicious points about this person's identity. It was as if he had appeared out of thin air, and his age and name were all wrong.

"Over forty years old? how is that possible?!"

"Li Huo? I'm from the Martian colony, but I've never heard of such a person! It's all made up!"

The crowd discussed spiritedly, all feeling that this was an old monster who had hidden himself from the world.

“Could this be ... Venerable Tang?”

There were also some alchemists from Donglin who could vaguely guess Tang Hao’s identity.

In Donglin, who hadn’t heard of venerable Tang? he was the number one in Donglin, and that wasn’t just for show. It was said that venerable Tang had astonishing talent in the Dao of alchemy. When he first entered the equal heaven courtyard, he had broken through the herb and wood list, shaking the entire alchemy world of Donglin.

He didn’t expect that his alchemy skills were already so terrifying.

However, they were all very tactful and didn’t make it public.

Venerable Tang had used a fake name and identity to keep a low profile and not expose himself. How could they expose him?

At the same time, they were excited and proud.

Venerable Tang was a member of Donglin. If he won first place, it would be the victory of Donglin’s alchemy world.

“Hahaha! First place! My good disciple has avenged us!”

“Look, that old man yunguang’s face has turned black. Hahaha! If he knew that this is our dear disciple, he would be so angry that he would vomit blood. ”

In the crowd, Wang Liang’s master and the others were secretly smug.

They felt extremely comfortable. They had finally gotten their revenge for so many years.

Tang Hao lowered his body and landed on the ground.

“Congratulations, master immortal Tang!”

Everyone stepped forward and congratulated him enthusiastically.

“You’re amazing, venerable Tang! This lowly one’s horizons have been broadened today, and I’m ashamed of my inferiority! I’m ashamed of my inferiority!” The palace Master also came forward, cupped his hands, and sighed.

As he spoke, he took the pill, put it in a Jade box, and handed it back.

After a moment, he seemed to have thought of something. With a cry, he turned around and looked at an elder. He waved and said,“Hurry up and return the money to venerable Tang.”

That elder was the one who had registered earlier.

He looked at Tang Hao in a daze. He had been a prodigal just a moment ago. How did he suddenly become a venerated immortal and the champion of the elixir gathering?

When he came back to his senses, he was drenched in cold sweat.

“Mother! I dare to take money from an immortal reverent, I’m tired of living!”

He quickly stepped forward to return the money.

“No need! This small amount of money is nothing!”

Tang Hao stopped him with a wave of his hand. “Just take it as a small gift for your pill Palace!”

“Well ...” The temple master hesitated. Seeing Tang Hao’s determination, he could only say, “thank you, master immortal Tang.”

“Venerable Tang, I am guru cloud light, the sect master of pill wave sect! If master immortal doesn’t mind, please come visit my pill wave sect when you’re free!”

“Celestial venerable Tang, I’m from the great Qin divine dynasty. If you have time, please come to my great Qin divine dynasty as a guest.”

It wasn’t just the alchemists. Even the representatives of many forces in the audience rushed forward and fought to send out invitations.

Who wouldn’t want to befriend a Saint with such amazing alchemy skills?

“Hmph!”

Marquis Wutian could not help but snort in anger and jealousy.

A day ago, he was the one who was the center of attention, but now, it had become this guy.

If it had been someone else, he would have attacked long ago. But this person was different. He was also a Saint, so he wasn’t sure if he could win.

“Hmph! You’re just an old monster, and I’ll surpass you sooner or later. At that time, I’ll settle this debt!” He sneered in his heart.

“I hereby announce that the test of this elixir gathering ... Has come to an end!”

A moment later, the elder of the pill Hall announced in a loud voice amidst the enthusiastic cheers.

With that, he threw the Golden board in his hand. It unfurled in the air and turned into a huge picture scroll, on which lines of golden words flashed.

The name at the top of the list was especially dazzling.

“First place, Tang Dali!”

Everyone shouted this name in unison.

The new number one in the starry sky was born!

This name would spread throughout the starry sky in the next 100 years and become a legend in the world of alchemy.

“Don’t you think that the name is very strange?” There were also people who had strange expressions, thinking that this name was really strange.

“Hey! Who cares, a name is just a code name. Whether it’s Tang San or Tang si, they both represent this immortal venerable Tang, a synonym for the number one in the starry sky.”

“That’s right, why are you so calculative! Even venerable Tang himself doesn’t care!”

Someone immediately retorted.

Then, they started to cheer again.

“Next, it’s time to present the awards! Please come up to the stage and present the rewards. The first place will receive a divine medicine. Please keep it well, immortal venerable Tang!”

The temple master walked up to Tang Hao, took out a Golden Jade box, and handed it to him.

Tang Hao was excited when he received the jade box.

This was a godly medicine! A rare divine item!

Marquis Wutian’s eyes were spewing fire when he saw the box. The divine herb should have been his.

“Many thanks, Hall Master!”

Tang Hao quickly put the box away and cupped his hands at the hall Master.

“Hahaha! Don’t thank me, you deserve it, immortal venerable Tang ... Next, the second place is a six tribulation pill cauldron. Please keep it well, immortal venerable Wu Tian.” The temple master smiled and walked to Marquis Wutian. He took out a cauldron and handed it to Marquis Wutian.

Marquis Wutian frowned in disdain.

He already had an 8th tribulation divine cauldron, so why would he be interested in a 6th tribulation divine cauldron?

He put away the cauldron and snorted angrily. He jumped onto the dragon’s back and soared into the sky.

“I’ll remember this, Tang kid!”

His cold voice could be heard from afar.
