

The Mightiest Little Peasant Chapter 2155

In the ancient city of the Qin clan, streams of light could be seen everywhere. It was a busy scene.

Clamoring sounds could be heard from the four corners of the ancient city, and it gradually became lively.

“What’s going on?”

At this time, on a mountain peak in a corner of the ancient city, a young man stepped out of his cave and looked around with a surprised expression.

The appearance of this young man was somewhat ordinary. He also had an ordinary aura, just like any ordinary disciple of the Qin clan.

He swept forward and encountered many disciples.

The disciples were originally discussing intensely, but when they saw him, they all stopped talking and their expressions became strange.

“What happened? Why are there so many elders?”

The young man asked.

“This ...”

The group of disciples looked at him and hesitated.

“What’s wrong? Is there anything you can’t say?” The young man asked, puzzled.

“It’s that Tang guy!”

A disciple hesitated for a moment and said in a low voice.

“Surnamed Tang? It’s him!”

The young man was stunned, and his expression changed. There was some bitterness and some hatred.

He was Qin Shijie!

He was once the Holy Son of the Qin clan!

But now, he was no longer the Saint, but a successor disciple!

All of this was because of that Tang guy. If he had not destroyed his physical body, he would not have fallen from the position of the Saint and become a mere core disciple.

Because of this incident, he became a laughingstock among the disciples. All these years, he was depressed all day long and had no heart to cultivate. He was almost reduced to a cripple, and even the elders in the clan lost confidence in him.

All of this was thanks to that Tang fellow!

Because of this, he had resented him and wanted nothing more than to kill him. However, as that fellow's cultivation level grew higher and higher, the gap between the two of them grew wider and wider. He gradually lost the thought of revenge and became much more open-minded.

After a while, he came back to his senses, took a deep breath, and said, "What's wrong with him? Didn't we just receive news a few days ago that he had appeared in the southern wasteland?"

"He ..." The disciple hesitated again. He lowered his voice and said, "he's already at the seventh tribulation!"

"What ... What did you say?"

Hearing this, Qin Shijie was stunned again. He doubted his own ears.

"He's at the seventh tribulation!"

The disciple repeated.

Qin Shijie was dumbfounded and stupefied.

He stood there for a long time, speechless.

"Hahaha! The seventh tribulation! He's at the 7th tribulation!"

Suddenly, he laughed out loud. His laughter was somewhat desolate and helpless.

That guy had actually passed the seventh tribulation! He had become a magnate, standing at the peak of Pangu's cultivation world!

As for him! But he was still a fifth tribulation, living a life like a cripple!

He laughed loudly, and the more he laughed, the louder he laughed, and he was a little crazy.

"What happened to him?"

"Hey! I think he's probably going crazy from the shock!"

"If it were me, I'd probably go crazy too! The seventh tribulation! This realm was too terrifying! I won't be able to catch up in this lifetime! There's no hope at all!"

The group of disciples discussed in low voices.

They looked at this person who was once the Saint child of the Qin clan and shook their heads, revealing a look of pity.

The him of the past was in high spirits and was in high spirits. He was the idol of all the disciples of the Qin clan. But now, he was in a state of madness, like a cripple. He was truly miserable!

“Let’s go!”

They watched for a long time, sighed, and turned to leave.

They knew that this person was completely crippled!

From now on, the clan would no longer pay attention to him. Instead, they would treat him coldly because he had a grudge against the newly-promoted divine Lord Tang.

In order to appease divine Lord Tang’s anger and resolve the grudges, the Qin clan had even abandoned an important figure like elder Qin hai. The clan head had personally escorted him to the ice prison and suppressed him for 200 years. How could a Holy Son who had been crippled a long time ago be any better?

“Clan leader is doing this for the sake of the Qin clan. It is said that the Holy maiden that was snatched away is the cultivation partner of divine Lord Tang. With this relationship, the Qin clan can still repair our relationship with him.”

“With this person, our Qin clan’s future days will be much better.”

The disciples began to discuss again with excitement on their faces.

Not long later, a huge ship sailed out from the ancient city of the Qin clan. It was filled with treasures and was heading towards the desolate north.

At this time, in a distant wasteland.

There was an ancient city that was located in the middle of a vast mountain.

This ancient city was quite strange. There was a vast ocean inside, and it rained all day long.

This place was where the rain master clan was located.

The Yushi clan was an ancient race with a trace of God’s bloodline. They were on par with the wind god clan and the Thunder clan.

In Pangu, the Yushi clan was famous for having several seven tribulations and was extremely prosperous.

At this moment, on an island in the middle of this vast ocean, a young girl stepped out of a Pavilion and reached out to catch a stream of light that swept over from outside the island. She then entered the hall and presented it to a woman.

“Holy ancestor! There’s a voice transmission jade talisman!”

The young girl bowed.

Yu Shixuan’s eyes trembled as he opened them and said, “What is it?”

“It’s an Emergency communication jade talisman. I don’t dare to look at it, but I ask the divine ancestor to take a look at it personally!”

“What’s the matter! Why are you in such a hurry?”

Yushi min smiled.

As she spoke, she took the Jade talisman and opened it.

Her expression changed immediately, revealing a look of shock.

“Divine ancestor, what’s wrong?”

The young girl was stunned. She had followed the divine ancestor for so many years, but she had rarely seen the divine ancestor react like this.

“It’s him!”

Yushi Yan said in a daze.

“Him?”

The young girl was stunned for a moment before she pursed her lips and smiled.

Of course, she knew who the ‘him’ that the divine ancestor was talking about was!

Who else could it be other than that world-shaking monster!

She knew that he had a close relationship with the divine ancestor. The divine ancestor had even specifically told her to pay attention to any news about this person. She had never seen the divine ancestor so concerned about anyone else.

“You little girl, what are you laughing at!”

Yu Shiyan noticed the mischievous look on her face and scolded.

“This disciple doesn’t dare!”

The young girl giggled and asked, “divine ancestor, what’s wrong with him?”

“You can see for yourself!”

Yushi min reached out and tossed the Jade talisman to her.

“Heavens! He ... Is at the seventh tribulation?”

When the young girl opened it, her eyes immediately widened, and she was left speechless.

“Yup! He was at the seventh tribulation! I really didn’t expect this! He was actually so fast! I thought that he would need at least a few more years to advance to the seventh tribulation!” Yushi min said.

“Isn’t that a good thing? He’s advanced to the seventh tribulation, so he’s of the same generation as you, divine ancestor!”

The young girl laughed again, her tone somewhat mischievous.

“You little girl, what are you thinking!” Yushi Yan chided with a smile.

“Divine ancestor, your disciple can tell that you treat him differently. This is normal. Only such an outstanding man can enter your eyes, divine ancestor! Besides him, who else is worthy of you, divine ancestor?”

The young girl giggled.

“You little girl!”

Yu Shiyan glared at her.

However, there was an inexplicable throbbing in her heart.

When she saw the news just now, other than shock, she was also happy and excited. She was happy that he had advanced to the seventh calamity.

“Maybe this girl is right!”

She muttered in her heart.

She didn’t know when it had started, but she did have a different feeling for him. In her eyes, he was different from everyone else. He was an extremely special existence.

“Don’t tell me ... I’m really in love?”

She thought to herself, feeling a little lost.

To her, the word ‘feelings’ had always been unfamiliar. This was also the first time she had such complicated feelings.

“Divine ancestor, I really think that he’s a good match for you! You see, he’s so powerful and has already passed seven tribulations at such a young age. Countless women in the world will fall for him, but are they worthy of him? only someone as outstanding as you, divine ancestor, is worthy of him!”

The young girl laughed.

“You! Stop talking!” Yu Shiyan said, “there’s still Master Li! Their relationship was not ordinary either! Also, that Holy maiden of the Qin clan ...”

“Divine ancestor, are you jealous?”

The young girl smiled when she heard this.

Yu Shiyan was stunned.

Then, her pretty face turned slightly red, and she lost her usual dignity as a seven tribulations Saint ancestor.

“Alright, let’s not talk about this anymore. Let’s go. This time, we have to make some preparations. When the time comes, who knows how many clans and sects will gather at the creation sect. Our Yushi clan can not lose to them!”

A moment later, she put on a stern face, got up, and walked toward the center of the ancient city.
