

## The Mightiest Little Peasant Chapter 2363

"I think so too. Fellow Daoists are so kind, how could you harm me?"

Tang Hao smiled. His expression was simple and honest.

"Fellow Daoists, come, since we're going the same way, let's go together!" Tang Hao waved at them enthusiastically.

"Ah?"

The four people who were about to attack were all stunned.

Their eyes were wide open, and their faces were full of question marks.

What the hell was going on?

Was this guy really an idiot? he couldn't even tell that they were trying to harm him?

They looked at each other and were at a loss.

They were used to seeing all kinds of old monsters with deep schemes. They were not used to seeing such a silly and naive guy.

They didn't doubt that this guy was lying to them because his reaction was very natural. They could see that it didn't seem fake. Besides, a newbie with 1500 hp, why would he lie to them?

"This guy is really a fool!"

"I think so too, he's too stupid! I really don't know how he's still alive. He even managed to heal up to 1500 hp. This is a miracle!"

The four of them discussed in secret.

This foolish newcomer made them feel a little amazed.

"That's good. Don't alarm him. Follow him to the end and find out the location of his star. Then we'll kill our way in and take the treasures. We'll split the treasures we get!"

"Good idea!"

The four of them discussed and revealed a warm smile as they swept forward.

"As the saying goes, it's fate that we meet. To be able to walk this path in the vast void, we're all fated!"

"Let's go together! Let's go together!"

They laughed as they approached Tang Hao.

“Let’s go!”

Tang Hao laughed heartily. He was even happier than the other four.

“You’re so silly!”

He muttered in his heart.

Coincidentally, the four of them were also muttering in their hearts, “You’re so silly!”

The two sides had a tacit understanding.

In the distance, old devil mu stopped and watched this scene from afar. His face couldn’t help but Twitch.

What the hell was this situation?

How did that idiot newbie get together with those four guys, and they were even talking and laughing?

Couldn’t this fool tell that those four were all trying to harm him?

“You’re so silly!”

He couldn’t help but curse in a low voice.

“If the four of them make a move later, I’ll follow behind them and make a move. It’ll be like the Mantis stalking the cicada, unaware of the Oriole behind. If they want to follow to constellation, I won’t be able to restrain myself and will keep following.”

He secretly calculated.

At that moment, the four people in front of them exchanged pleasantries with Tang Hao and were about to move forward.

Daoist Wutian, let’s go!”He said. One of them shouted at Tang Hao.

“Wait!”

Tang Hao did not move.

“What’s wrong?” The four of them were a little surprised.

“Look, there’s someone going the same way!” Tang Hao raised his hand and pointed at old devil mu.

The four of them looked in the direction he was pointing, and their expressions changed.

“It’s old devil mu!”

“He’s definitely here for this fool!”

The expressions of the four of them were not too good.

This old devil mu was very strong. He was an old antique with more than nine thousand HP. Furthermore, he was ruthless, cunning, and extremely difficult to deal with. With this old Devil’s interference, it would be very difficult for them to take down this fool.

“Hey! Daoist Wutian, you’re wrong. We’re not going in the same direction as him!”

“Yeah! It’s not in the same direction, let’s go! Daoist Wu Tian, have you not heard who this person is? He’s a famous devil and has killed many people. It’s dangerous to be with him. ”

The four of them quickly advised.

“No way! I don’t think he’s that kind of person!” Tang Hao said.

The four people’s faces twitched, and they really wanted to curse.

F \* ck! Is this fool blind? The old monster’s killing intent was so heavy. Could he not see the demonic Qi?

They really wanted to make a move right now and kill this fool.

However, now was clearly not a good time. Firstly, they were not 100% confident that they could keep this fool here. Secondly, there was still old demon mu watching from behind. If they made a move, that old demon would also make a move.

The cultivation of the four of them was around five to six thousand HP. How could they be a match for an old antique with more than nine thousand HP?

“Daoist Wutian, you don’t know how dangerous this old monster is. Let’s go!”

“Yeah! This old devil must have his eyes on you, Daoist Wu Tian. Let’s go!”

The four of them advised.

They looked at old demon MU’s side and were a little anxious. They were so anxious that they wanted to carry this foolish newcomer and run away.

“No way! Why is he targeting me? I don’t have anything good on me! It’s just some plants!” Tang Hao still did not move.

F \* ck! What did he mean by just some plants?

Don’t you know how precious your plants are?

The four of them almost vomited blood.

This fool, how could he not even have this bit of common sense!

“Daoist Wu Tian, it seems like you don’t know how precious your plants are. Any Hua Xing old monster would drool over them!”

They suppressed the urge to vomit blood and said.

“I see! What about you guys?”

Tang Hao said as he looked at them.

“We ... Hey! How could we! We’re not that kind of people, we’re just envious at most!”

The four of them shook their heads guiltily when Tang Hao looked at them.

“You see, all of you are just envious, and this fellow Daoist mu must be the same. Besides, even if he wants to attack me, don’t you four kind-hearted people still have me? He can’t beat the four of you, so he’ll be fine. ”

Tang Hao said.

The four of them were dumbfounded. This fool’s logic was too weird!

Before they could react, Tang Hao waved his hand and shouted,““Al! Fellow Daoist mu, do you want to come with us?”

The faces of the four people instantly turned green.

In the distance, old devil MU’s expression was dazed.

He didn’t quite understand the situation. Why would this guy take the initiative to call him over?

Wasn’t this courting death?

He had a vague feeling that something was wrong, but he couldn’t put his finger on it.

He stared at the newbie for a while, then shook his head.

There’s nothing wrong with this guy! He was indeed a newbie, and his cultivation was over a thousand. This was very normal! The seven tribulations at the beginning of star transformation all had this cultivation.

He pondered for a moment, then moved and flew forward.

Since this guy was looking for death, then don’t blame him!

The only problem was the four old monsters. They wouldn’t just watch him eat the newbie.

“Why don’t we just follow them and find an opportunity to attack along the way? I’ll quickly kill the newcomer and then escape. It’s not difficult for me to do this with my strength!”

He had already come up with a plan as he flew over.

“This idiot!”

He looked at the newcomer who was getting closer and closer, and the corners of his mouth curled up into a cold smile.

This newbie was already in his bag.
