

The Mightiest Little Peasant Chapter 3303

“Hiss! Hiss! Hiss!”

The hall was filled with gasps.

All the demonic Immortals were horrified.

That was an old golden immortal demon!

Just like that, without any resistance, he was suppressed and then his body was crushed!

Such a divine power was truly terrifying to the extreme!

The eyes of the few golden Immortals who were trying to capture him earlier rolled back and they almost fainted.

They had actually captured a celestial venerable, and such a terrifying figure at that!

To think that they had thought that he was really just a little human immortal, a hothead.

“Empyrean ... Empyrean, have ... Have mercy!”

The heavenly Snake King said in a trembling voice.

His heart was filled with despair.

If he had advanced, he would definitely be able to escape with his strength at the zenith heaven realm. But now, he was only at the half-step, and there was no chance of escaping from this terrifying monster.

“I, the heavenly Snake King, am willing to submit and follow the celestial venerable!”

He knelt down and kowtowed a few times.

“Submit? You don’t have the qualifications!”

Tang Hao chuckled.

“Your fate will be the same as this group of true dragons. You will be suppressed in my gods Palace for all eternity!”

He raised his hand, and a dazzling immortal Palace flew out.

With the immortal’s Hall as the center, circles of golden ripples spread out continuously, pressing the demonic Immortals in the hall to kneel and prostrate on the ground.

Their bodies trembled violently, and they were extremely terrified.

“Go in!”

“Go!” Tang Hao shouted and activated the immortal’s Hall.

Whoosh! Whoosh! Whoosh!

One by one, the demonic Immortals were pulled by an invisible force and flew into the immortal Palace. Their bodies began to distort and shed their human forms, turning into silver pythons with horns on their heads, somewhat like dragons.

At the same time, golden talismans flew out of the hall and entered their bodies, suppressing them.

Soon, the heavenly Snake King was also captured and brought into the immortal Palace.

His body was huge, tens of millions of feet long, even bigger than some true dragons when they were fully extended.

Fortunately, the gods Palace was vast, so it could accommodate so many giant beasts.

After subduing all the demon Immortals in the hall, he stepped out of the hall and subdued all the snake demons in the four directions, subduing them into the hall.

After he was done, he took out all the items of these demonic Immortals.

The immortals and Saint realm cultivators that they had taken in earlier were all released and sent out.

“Let’s go!”

After doing all of this, he raised his hand and formed a hand seal. The mountain range exploded and was completely razed to the ground.

“Time to find the next one!”

He narrowed his eyes and looked around.

Soon, he had a new target and rushed over.

Now, many demonic Immortals had appeared in various places in the immortal world, and they were all his targets.

The more demons he suppressed, the stronger his gods Palace would be!

Furthermore, his incarnations were scattered all over the immortal world, so it was not difficult to find the traces of these demon Immortals.

“No more! It’s all gone!”

“What is this guy doing?”

Not long after he left, two figures appeared in the void. They were the Silver Fox scholar and you Moji.

Looking at the razed mountain range below, the two of them were in a daze.

The silver snake Clan was probably gone!

“This kid is too terrifying!”

You Moji’s body trembled as she recalled what had just happened, and her face paled once more.

She felt that if she had been a step slower, she might have been trapped in that Hall as well.

“I have to be more careful in the future. I can’t run into this demon again!”

The fear on Silver Fox scholar’s face still hadn’t disappeared.

The two of them sighed a few times before leaving.

A few days later, Tang Hao appeared in another continent and suppressed a nest of Wolf demons.

Then, he went to another continent, tracked them down, and caught a group of Tiger demons.

Dens after dens of demons were caught by him and stuffed into the gods Palace.

As the number of demons in the hall increased, the power of the gods Palace also continued to increase, becoming more and more powerful.

“Did you hear? the silver snake tribe has disappeared. Not only them, but the sky Wolf tribe and many other demon tribes have also disappeared.”

“There’s a terrifying mighty figure capturing demons everywhere! We have to quickly hide!”

Soon, such a rumor spread among the demon Immortals, causing everyone to panic.

They didn’t dare to show up like before, nor did they dare to commit crimes and wreak havoc in all directions. All of them tucked their tails between their legs and went into hiding. They only dared to show their faces when snatching immortal opportunities.

Tang Hao stopped when he noticed that.

He had caught quite a few demons this time, and he was quite satisfied.

As for the rest, it would not be too late to slowly capture them after they let down their guard.

He went around the various continents, took the Dao bead from his clone, and returned to the Saint spirit dynasty.

“Young master, you’re back!”

As soon as they entered the bright moon Palace, Ji chunxuan came up to them and greeted them respectfully.

“I’m back!”

Tang Hao smiled at her.

“Where’s Qiu CI?”

“She’s with Ming Yue!” Ji chunxuan said with a smile.

“Oh!”

Tang Hao nodded. He was not surprised.

The two of them had similar temperaments and got along well.

“Should I call her back?”

Ji Chunyuan said.

“No need! Let her play!” Tang Hao waved his hand and smiled.

“Young master, should we go back to the Pingtian sect to take a look? I haven’t been back for a long time. I wonder how sister ru Yin is doing!” Ji chunxuan followed behind him and walked into the hall.

“I’m not going back for the time being!”

Tang Hao shook his head. “The situation is complicated now. There are many people watching us from the outside. If we go back now, it’ll definitely expose our relationship with the peaceful heaven sect.”

As he spoke, he raised his head and looked up.

At this moment, there were still many people using spells and treasures to spy on the city.

This was something he could sense. He was afraid that there was something among the old monsters that he couldn’t sense, like the night Immortal King, who could track him.

Ji chunxuan raised her head as well, and her expression changed.

He didn’t say anything else.

“Oh right, take these Dao beads! And this one is for Qiu Ci. ” Tang Hao took out two heaven-earth bags and handed them over.

“Many thanks, young master!”

Ji chunxuan did not decline and continued.

After she left, Tang Hao went back to his room and sat down.

He looked left and right, and for a moment, he didn't know what to do.

He had finished refining the pills, and there was nothing much to refine for the artifacts. There was no need to capture demons for the time being. As for the Dao beads, he had swallowed most of them on the way back and had completely refined them into his Dao star.

He was not used to suddenly becoming so free.

“Go out for a walk? There doesn't seem to be anything to take a stroll about!”

He touched his chin, feeling a little vexed.

He couldn't go to Fei Wan's place either, as he was afraid of being discovered by some old monsters.

“Hmph! Don't these old monsters spy on me every day and search for my traces? I'll return the favor, and it's my turn to see them!”

Tang Hao's heart skipped a beat when he looked up.

He snorted and raised his hand. The spiritual eye flew out and hung in front of him.
