

The Mightiest Little Peasant Chapter 3408

“I was the one who refined it!”

Tang Hao nodded.

His eyes were smiling as he enjoyed the beautiful scenery in front of him.

In terms of looks, this divine general Fei Feng could be ranked in the top five of all the stunning beauties he had seen.

Of course, he couldn't say which rank he was in. He could only say that they each had their own merits.

Sister Xiangyi had an unshakeable position in his heart, and she was naturally the first. Next was the two celestial Kings, bi and ye, who were the world's most beautiful women. They had different looks, but there was no distinction between them. Compared to this person, there was not much difference.

“You ... How could you ...”

Mu hanyan's eyes swept across her surroundings, and she became even more shocked.

Even Grandmaster Tian He couldn't have created such a Grand formation!

Grandmaster Tian He was known as the number one array master in the East continent.

Could it be that this guy's talent in the Dao of formations was so high that it was heaven-defying? he had only studied for a few months, and he had already surpassed someone like master Tian He?

She looked at Tang Hao again as if he was a monster.

“General mu, at least in this Manor, you can’t touch me.”

Tang Hao flicked his sleeve, and the void around him changed again. He returned to the lakeside.

“Sit down!”

He pointed to the position in front of him.

“I admit that your talent in the Dao of formations is indeed high. Given time, your name might be able to shake the entire divine realm. However, this is not enough to convince me.” Mu hanyan walked over and sat down in front of him.

Her pretty face was still covered in a layer of frost.

“General mu, you should know the degree of desire Jade Dragon Mountain has for you. They will not give up and will use various means to force you. Since you don’t want to marry there, you can only find a way out.”

Tang Hao poured her a cup of tea and chuckled.

“Of course I know that, but even if I have to find someone, I can’t find someone like you ... Who is frivolous!” Mu hanyan said coldly.

“General mu is truly a cold-blooded and heartless person!”

Tang Hao sighed.

“What do you mean by that?”

Her pretty face changed, and her tone suddenly rose a few degrees.

“If I want to be your shield, I will definitely die. Look at all the great clans and Dukes in the divine martial Kingdom, which one of them dares to do so? If you find a good person to be your shield, you’ll be harming him. Can you bear to do that?”

Tang Hao said playfully.

“I ... I will protect him!” There was a hint of hesitation in her tone.

“That’s just your own wishful thinking! Who can you protect? Do you think that you can defeat the entire Jade Dragon Mountain by yourself?” Tang Hao said disdainfully.

“You ...”

She was instantly infuriated. Her phoenix-like eyes widened and flames of anger spewed out.

How detestable!

A puny sky god dared to look down on her, a yang God powerhouse!

“You can only find a bad person like me to be at ease. His Majesty also thought the same way, which is why he came to me!”

“You’re not afraid of death?” She sneered, “even if I accept the marriage, I won’t let you touch me. Do you think it’s a good deal?”

“Why should I touch you? There are so many beautiful women in this world, and there are a lot of them in the Jade Lake Pavilion. ” Tang Hao chuckled.

“You ...”

She was furious again and stood up, her chest rising and falling rapidly.

No matter what, she was still a famous beauty in the East continent. Which man in the divine martial Kingdom didn’t love her? but in this guy’s mouth, she was nothing and even worse than a group of prostitutes?

After a long while, she took a deep breath and sat back down.

“These are from His Majesty. There are five yang spirit pills. I have five for you too!” Tang Hao took out a small box and placed it on the table.

“Yang spirit pill? Five?”

She was shocked.

“No wonder you dared to take this risk!” She was a little enlightened.

Five yang God pills were definitely worth this guy’s life.

“General mu, please consider it carefully. If you agree, you can take these five yang spirit pills and wait for His Majesty to bestow you with a marriage.” Tang Hao pushed the box over to her.

She didn’t take it and sat there, deep in thought.

She was hesitating.

What this guy said made sense. She couldn’t just find someone to use as a shield. People would die. If that really happened, she would feel guilty for the rest of her life.

However, if it was this guy, she would not care at all.

“I can agree to it, but we have to make a pact.”

A few minutes later, she seemed to have made a decision and said,”

“Speak!”

“We’re only married in name. We won’t have sex. You can’t touch me!” She raised her head and said proudly.

She looked down on such a person and would not let him touch her pure body.

“No problem!”

Tang Hao nodded.

Seeing that he had agreed so readily, she frowned slightly and for some reason, she felt a little upset.

Wasn't it said that this guy was a pervert? the first time he left the residence, he went to the Jade pool pavilion to fool around. His battle achievements were so amazing that they caused a sensation in the entire fairy's capital. How could such a person not have any feelings for a stunning beauty like her?

Did he like those coquettish B * tches from the Jade Lake Pavilion?

"Forget it! What does it have to do with me what kind of woman he likes!!

She snorted in her heart.

"Second, after we get married, you can continue to have fun, but you can't be as brazen as before." She said.

"This ... I'm afraid it'll be a little difficult!"

Tang Hao's expression was strange.

"Why? Was this very difficult? It's not like I won't let you go!" Mu Hanyan's phoenix-like eyes glared, a little angry.

It wasn't a glorious thing to go to that kind of place. Did he have to make it known to everyone?

She, the great divine general flying Phoenix, also wanted face!

“I also want to keep a low profile! But I’m too strong. If I go, I’ll definitely cause some trouble.” Tang Hao said helplessly.

“You ...”

Mu hanyan raised her hand and almost smashed the table into pieces.

This bastard was too shameless!

How could he even say such words!

However, on second thought, he seemed to be telling the truth. There were rumors that he had been entangled with Lotus Moon Fairy for three days and three nights. Damn it, how could they do that for three days and three nights?

Was he still human?

“You ... Try to restrain yourself, okay?”

She took a deep breath and tried to suppress the anger in her heart.

“Alright! I’ll try my best!”

Tang Hao smiled.

“That’s good!” Mu hanyan heaved a sigh of relief and finally calmed down a little.

“Third, if I need your array Dao attainments in the future, you must help me for free.” She paused and said.

“Alright!”

Tang Hao agreed readily.

“Then ... Do you have any requests? I’m very magnanimous, I can let you mention one, as long as it’s not too much. ” Mu hanyan said.

“No, I didn ‘t!”

Tang Hao shook his head.

He didn’t have any requests to make.

“Then it’s like this! I’m leaving!”

Mu hanyan picked up the teacup in front of her and finished it in one gulp. Then, she stood up and rushed into the sky.

“It’s going to be lively next!”

Tang Hao put away his teacup and chuckled.

Then, he took out a jade talisman and sent it out.

The Jade talisman entered the void and headed toward the Imperial Palace.
