

Chapter 457 He Wishes To See You

"What?" Camila, seeing the nervous expression on her mother's face, felt a surge of concern. Leaving her seat, she approached her mother.

"Take a look at this!" Rowena presented her phone to Camila.

Camila accepted the device and scanned the screen.

Her brow furrowed.

The headline read, Isaac had enraged Robin to the point of unconsciousness!

The ambulance had whisked him away instantly.

Several photographs from the scene accompanied the article.

Although they were not very clear, it was evident that the individuals in the photos were indeed Isaac and Robin.

"Read the comments underneath. Not a single one is comforting. They're making my blood boil." Rowena, not adept at technology, would've engaged with these folks if she knew how.

Camila tried to calm her down.

"I'll look into it." She had a hunch that there was more to this story than met the eye.

Given Isaac's influence, it should have been a cakewalk to suppress such news, yet it made headlines. There was likely some scheming involved.

"What can you possibly do?" inquired Rowena.

"You mentioned that Robin was hospitalized? I need to assess his situation. If there's any adverse development, I'm afraid Isaac will be blamed again."

After mulling over it, Rowena advised, "You're right. You are a doctor after all. If he's faking it, you'll uncover it. Go ahead. But, stay cautious."

"Understood." As Camila prepared to leave, she remembered Annis, and discreetly pulled Rowena aside. "Mom, the girl I brought home is Annis. She was brought up by Isaac's mother. While this isn't directly related to Isaac, there's a connection. Isaac has a tense relationship with his family. I believe she's a good girl. If I don't return tonight, could you please take care of her?"

"You did well. Don't worry. I'll handle it."

Before exiting, Camila addressed Annis, "I have an errand to run. Feel at home here."

"Sure," responded Annis.

Once in her car, Camila dialed Isaac, "Where are you?"

"Hospital."

"Which one?"

He paused before revealing.

Half an hour later, Camila reached the Military Central Hospital.

Isaac, unsurprised by her presence, queried, "You caught the news?"

He was referring to the scandal.

"Yes, what's happening?" Camila asked.

Isaac proceeded to narrate the event dispassionately.

Robin and Jaylen had saved Travis and his girlfriend.

Robin planned to send them overseas, but Isaac intercepted them at the airport.

Robin pleaded with Isaac to let them escape.

Isaac refused to allow a potential danger to roam free.

Who knew when they would resurface?!

During the standoff, Robin collapsed. Initially, Isaac assumed it was a ploy to win his sympathy.

However, upon closer inspection, Robin had genuinely fainted. It wasn't a ruse.

Isaac didn't wish to jeopardize his life.

Subsequently, he summoned an ambulance.

He was uncertain if Robin had orchestrated this.

The entire incident was splashed all over the internet.

Isaac was labeled as rebellious and haughty. Moreover, he was considered responsible for why Robin fainted.

Camila speculated, "I don't think he would faint merely due to anger, even if he wasn't in good health. I suspect he's battling a severe health condition."

Isaac remained silent.

He seemed indifferent.

Robin's actions had already let him down.

Stevie approached them and informed Camila, "Robin has regained consciousness. He wishes to see you."
