### Chapter 461 Incessant Grievances

With no work to do, Anna Xie had much free time again.

But she was a person who did not like being idle, so she started to inquire about where she could work part-time and act in a play.

Maybe because she was not lucky lately, the shops she asked around were not in need of staff recently, and the few film crews she asked about were all full and no suitable roles were available.

Just as a saying goes: When one is unlucky, nothing is going well.

When Anna was struggling to find a way out, Qiaoqiao Su found her and took the initiative to offer her a chance.

“I know a elder sister, who has been working on a film crew recently. She said there is a new drama that needs actors, do you want to have a try?”

Looking at Qiaoqiao suspiciously, Anna asked, “Why are you so good to me?”

“Don’t say that, we are at least classmates, if you need help, I am still willing to help you.” Then she handed Anna a note and said with a smile, “Here, this is the number of the director’s assistant, you can find him and have a try tomorrow.”

Taking the note with suspicion, Anna said, “Thanks a lot.”

After going back to her dormitory, Anna kept staring at the note.

She thought: Should I call him or not?

When Qiqi returned to her dormitory, she saw Anna staring at the note motionless, as if she were a statue.

“Hey, what are you thinking about?”

Anna frowned and said, “Qiaoqiao gave me a phone number and advised me to go for an audition.”

“Then just go, even if it’s a trick, you won’t lose anything.”

“That’s true.”

"If you're worried, I'll go with you. We'll bring our pepper spray, and if he harasses you, we will teach him a lesson!"

Anna then hurriedly waved her hand and said, "Forget it, I'll just go there by myself."

"No, take me with you. I've never seen an audition before. Please, let me accompany you."

Qiqi said, who was quite delighted, as if she was really interested in the audition.

But Anna had her concerns, who was worried that if there was any troubles that would involve Qiqi.

When she saw that Anna was hesitant, Qiqi shook her arm and said, "Oh, please Anna, just agree. Or I wait for you at the door, and I'm sure I won't disturb your normal work."

With her arms being shaken by Qiqi, Anna almost became dizzy.

She had no choice but to agree.

"That's fine. However, don't talk nonsense and don't walk around when you're there."

With a big smile on her face, Qiqi said, "Don't worry, I'll behave myself."

Being gazed by Qiqi, Anna called the director's assistant.

The person on the phone was very kind, and once he heard Anna's name, he knew that she was introduced by Qiaoqiao.

The assistant didn't say anything and directly told Anna to come to audition tomorrow.

After getting some information, Anna hung up the phone and started to prepare for the audition tomorrow.

Before the audition, Anna was still a little bit worried about meeting any strange people.

But when she saw the director at work, she was so happy that she forgot to be wary.

That was a famous director in China, who had just recently won an international award.

It would be a really good opportunity to learn if she could film in his crew.

Then Anna thought: It seems that I have misunderstood Qiaoqiao before. I will thank her properly when we meet next time.

"Hey, stop gawking. This way."

Coming back to her senses, Anna smiled apologetically before following the assistant in front of her.

They went to the director's lounge.

At this moment, the assistant director was discussing the script with someone inside, and when he saw Anna, he nodded to her.

"Here for the audition?"

"Yes."

"Here are your lines for the audition, recite them."

Accepting the lines with both hands, Anna began to prepare nervously.

After looking at Qiqi, who was wandering, the assistant director laughed, "Good for you, you already have an assistant before you become famous."

An assistant?

Looking at Qiqi, Anna busily explained, "She's not ....."

"That's right, I'm her assistant."

Before Anna finished her words, Qiqi nudged her, signalling for her to let her pretend to be an assistant this time.

This girl!

Anna had no time to care about Qiqi anymore, then she lowered her head and continued to memorize the lines.

After the audition, the assistant director was satisfied with Anna and said, "You are quite good at acting. If you have time, you can come to my crew and start to film tomorrow."

This made Anna be in a dilemma, then she said, "But I'm still at school."

"I know, but you're only playing a small role, and it'll only take a week to finish filming. And if you don't even have a week to film, it will be quite hard for us."

This.....

Just as Anna was hesitating, Qiqi said:

"Anna, agree now. It's only a week, I can ask for leave for you."

Seeing that Qiqi was more anxious than Anna, the assistant director smiled and said, "Your assistant is really good, she thinks carefully for you."

When she was praised, Qiqi was even more delighted and said with a smile, "Our Anna is a newcomer, so please bear with her if she offends you accidentally."

"You're welcome. So, are you going to accept to film this play or not?"

"Of course she'll take it, I'll decide this thing for Anna."

"Good, someone will be looking for you later to sign the contract, look carefully before you sign."

"You can rest assured."

Qiqi nodded and then led Anna out of the room.

Outside the door, Qiqi said, "Anna, just sign it, it's such a good opportunity to learn."

"I know that too, but ....."

"I know what you're worried about, leave it to me about taking time off, and I guarantee that nothing will be wrong!"

With her arms wrapping around her chest, Anna smiled and asked Qiqi, "Are you addicted to being the assistant?"

"Well, I want to be a big star too. Unfortunately, I'm not as pretty as you, and I don't have the good temperament of Qiaoqiao, so I can only be an assistant who help you do things." Qiqi propped her hands on her jaw and said with a smile, "But being an assistant is also quite interesting. Next time if you need one, come find me."

"Come on, how much do you love to have fun!" Anna was in a good mood, who put her hand on Qiqi's shoulder and said, "Okay, when the contract is signed, I will treat you with dinner and take you to eat delicious food."

"So you agreed? Haha, now that you are treating me with dinner, I will ask to eat something good and expensive. So be prepared."

The next day—

Arriving at the film crew at the agreed time, Anna began to wait to film.

When it was time for her to film, she straightened her clothes and walked over to the camera.

At that moment, someone was doing the make-up for the leading lady.

The woman froze when she saw Anna, and then sneered.

“Wow, I see clearly, right? Isn’t this Mr. Xiao’s girlfriend?”

Hearing her words, Anna was froze.

And the people around were looking at Anna quite curiously.

Hearing the leading lady’s words, the dresser asked, “Who are you saying she is? Mr. Xiao’s girlfriend? That’s impossible!”

“What, you all don’t know? She is Mr. Xiao’s little girlfriend. Last time, I even saw her at the auction.”

When she thought of the eye-catching Anna that night, the leading lady was so jealous that she was about to go mad.

The leading lady thought: How could a woman who is unknown to anyone stood by Yulin Xiao’s side that night? I have filmed so many plays and I am so famous, but I could only take an old man’s arm and walk to the venue at that night. So what qualification does this little girl have to stand by Yulin’s side!

The leading actress had long been displeased with Anna, but she never had the chance to teach Anna a lesson.

So today, she would definitely teach her a good lesson!

The woman in front of her said she had met Anna, but Anna had no memory of her at all.

Maybe she was so nervous that day that she didn’t have time to notice who was around her.

But there was one thing that Anna knew very clearly.

The woman in front of her was hostile to her.

Sneering at Anna, the leading lady said, “I really didn’t expect that our crew could hire such a big star.”

Not wanting to cause trouble, Anna smiled and said, "Don't say that, I'm just a newcomer and I still have to learn a lot from you."

"I wouldn't dare to ask you to learn from me. But I just feel strange that why do you want to play a supporting role in this play? Now that with your good relationship with Mr. Xiao, you can be the leading actress in any plays which are invested by him."

"With my ability, I am far from enough to be a leading actress, unlike you, who are quite good at acting. I still have a lot to learn."

Anna lowered her posture and had a humble attitude.

But what she said made the leading actress dislike her even more, instead of being happy, who secretly clenched her fists.

The leading actress thought that Anna was mocking her, so she hated Anna even more.

At that moment, the director came over and talked to them about the play.

Anna listened attentively, but the leading actress kept thinking about something.

Then she suddenly smiled as she looked at the script.

"Do you understand?"

Anna nodded hurriedly and said, "Yes."

"What about you?"

The leading actress held her arms and said, frowning her eyebrows slightly: "There's a scene, which needs me to slap the character to express my anger. Am I going to really slap her face, or just pretend to?"

"You can just pretend to slap her. This scene is a distant shot, it won't be discovered by the audience."

"But the next shot will film my face after I slap her. So if I do not slap her for real, I can not be that angry, and it doesn't feel real."

"This ....."

Anna understood that she was waiting for her to say yes.

Therefore, although she was very reluctant, Anna still had to agree, since she just played a supporting role. Then Anna said in a sincere manner, "That's fine, you can slap me for real."

“Ah, you won’t mind, will you?”

“No, as an actress, I still have this professionalism.”

“Then I’ll slap you for real, and we’ll try to finish filming this scene in one take.”

“Okay.”

Although the leading actress had said that she would try to finish filming this scene in one take, she actually had slapped Anna many times. And she could find an excuse every time, saying that she did not perform well and she wanted to film this scene again.

By the time they filmed the sixth time, the corners of Anna’s mouth had stiffened and was even flushed with purple, which could not be covered by the make-up.

Anyone could see that this woman was looking for trouble deliberately with Anna.

But because Anna didn’t have a big reputation and a rich backer, no one dared to say anything.

While Anna did not want to take advantage of Mr. Xiao’s reputation, so she could only grin and bear her.

By the end, the corners of Anna’s mouth had swollen, and the director didn’t want to waste any more time, so before the leading actress wanted to slap Anna again, he clapped his hands and said, “This one’s good, we can finish filming this scene. The staff of the scene group, get ready!”

Then the staff started to work. Anna raised her hand to cover the corner of her lips, thinking that today was a really unlucky day.

And the leading actress came over and said, pretending to be sympathetic: “I’m sorry, I have no other way for the sake of the film. But you also said that it’s okay that I slap you for real, so it’s not my fault.”

Then Anna tried to smile, but she felt a sharp pain in the corner of her mouth.

Seeing Anna’s painful expression, the leading actress said, “Oops, it looks like you are hurt badly. I don’t think you will be able to shoot today, why don’t you take a break?”

After saying that, the leading actress left to watch the scene with the director.

In this state, there was indeed no way for Anna to continue filming, so she could only take time off and go back to apply ice to reduce the swelling.

As she walked past the director, she heard the leading actress said, "Newcomers nowadays really can't bear any hardship. After only shooting half of the scene, they want to take time off to go back to have a break. They are really pretentious."

Anna stopped walking after hearing her words, and after she took a look at the leading actress' arrogant face, she left in silence.

In the room, she grinned in the mirror as she rubbed some medicine on the wound.

Thinking about this kind of thing on her first day of filming, Anna felt that she was in bad luck.

But since she was already here, she still had to do her best.

From tomorrow, Anna's part in the play had nothing to do with the leading actress, so she wouldn't have the chance to get into trouble with her again.

Clang clang—

Anna then opened the door, and she saw that it was the dresser.

She smiled and said, "I saw that the corner of your mouth was badly hurt today, so I brought you a tube of ointment. Those substitute actors always get hurt, and this ointment works well on small cuts."

"Thank you."

"You are welcome. You're not the first to get into trouble, and though we can't say anything, we can still help you with something."

"I see, I'm grateful enough for you to send me the ointment."

"Then get some rest, tomorrow you have to film the scenes you missed today."

"Okay."

Holding the ointment, Anna felt warm inside.

But slowly, she began to feel something wrong again.

Wasn't this dresser the one who fixed the leading actress's makeup today?

Anna then remembered that when the dresser and the leading actress were quite familiar with each other when they were chatting, so it was really suspicious that she secretly gave her the ointment.

She then thought: My face is already battered, if I smear this ointment, then I might even be disfigured and can not shoot for this week.....

Anna seemed to have suddenly thought of something, who narrowed her eyes at once.

Turning around and walking over to the bin, Anna threw the ointment in directly.

The next day—

Anna got up very early to get ready and started to film with makeup.

When it was her turn, she immediately began to concentrate on acting.

And all the shots that involved Anna basically was finished in one take.

The assistant director was impressed with Anna and sat in front of the camera, often nodding.

Anna also felt more and more confident when she filmed the play. And although she only played a small role, she still felt very happy.

But at ten o'clock in the morning, the leading actress wandered over.

When she saw Anna, she became slightly surprised.

But she quickly calmed herself down and walked over to the assistant director, smiling and greeting him.

The leading actress' scene today was not filmed in this studio, so the reason she came to this studio was definitely not simply looking at the play at this time.

It was obvious that she had come for Anna.

Anna felt quite anxious about her coming.

She thought: She just hates me that much? Does she have to drive me to death?

Chapter 462 Pretending To Be Powerful

Anna Xie sighed helplessly and began to think of ways to deal with it.

Just at this moment, her cell phone vibrated.

When Anna was filming, she usually did not answer the phone.

But when she saw the phone number, she hesitated.

After thinking for a while, Anna picked up the phone.

“Hello, what’s wrong?”

Anna’s tone was not good so Yulin Xiao was stunned and asked, “What’s wrong with you in the morning.”

And Anna seemed like a rich lady with a bad temper. She said brutally, “I’m just willing to yell at you, mind your business.”

“Why did you lose your temper, did someone bully you?”

Of course she was bullied. Otherwise, Anna would not mention Yulin to intimidate others.

She slightly raised her head and looked arrogant. But in reality, she was nervous.

“You said last time that you would come the set to see me, when will you come?”

“The set? Are you filming a movie?”

“Yes, I’m working with a famous director. The people here are very nice, especially a well-known actor who helped me a lot. When you come, remember to bring gifts for everyone.”

“Anna, you’re not making a movie, are you?”

No matter what Yulin said, Anna was still performing.

“Well, handbag or perfume, you choose one of the two. I do not need to say the rest, right? Well, that’s all, bye.”

“Hey, you .....

After she hung up the phone, she was a little confused but she had to pretend as if nothing was wrong.

Just now, when Anna was on the phone, the heroine was eavesdropping.

When she found that Anna hung up the phone, she asked, “Who was calling you?”

“Who else could it be, it’s Yulin. He’s just likes a child. If I answer the phone a little later, he will throw a tantrum.”

“You guys have a good relationship.” The heroine smiled reluctantly and asked, “I heard you say that Yulin will come later?”

Anna was nervous and said, “Maybe, if there’s nothing important to be busy with, he may come over to see me.”

Anna did not want Yulin to come. She mentioned Yulin because she wanted heroine to shut up and not to always give her a hard time.

But she took it seriously, reaching out and touching her face. She thought that if she had known that Yulin would come, she would have dressed up properly.

But on second thought, she hit Yulin’s girlfriend so will Yulin give her a hard time?

It seemed that she needed to befriend with Anna so she would not be nonsense.

Next, as long as Anna was free, the heroine would come to her, take the initiative to chat with her and share filming experiences.

The heroine waited for a long time but Yulin did not come. She began to get impatient.

“Anna.”

The heroine’s noisy voice made Anna feel headache.

But the voice behind her made her even more annoyed.

She turned around a little and looked at beaming Yulin and then she immediately became annoyed.

Why was he so idle, didn’t he have anything to do?

Seeing Anna look at him complainingly, Yulin was confused.

What kind of look was she giving him?

Since the heroine saw Yulin, she began to seduce him.

But Yulin only looked at Anna, directly ignoring her.

But she was not willing to be lonely, took the initiative to approach Yulin and introduced herself: “Hi, Yulin, do you remember me, we were in ..... “

Before the heroine finished her words, Yulin walked past her, leaving her awkwardly standing there.

People around were laughing at the heroine, who turned her head angrily and saw Yulin walking to Anna and looking at her with love.

What was he thinking? She was so beautiful but he didn't care about her. He just looked at that skinny girl. He was handsome for nothing!

Because of her gaze, Anna shivered a little, thinking that she really asked trouble for herself.

She just wanted to use Yulin to deter others.

She had no idea it would turn out this way.

The heroine who was humiliated would treat Anna worse in the future.....

She closed her eyes feebly and sighed.

"What's wrong with you, aren't you feeling well? Why don't you take off work and go to hospital."

"No, it's not necessary."

"But I see you don't look too well."

"I am just.....too excited to see you." Anna gritted her teeth and laughed, "I was just saying it casually and then you really came."

"You have asked me to come, how dare I not come?"

Yulin smiled and showed his teeth to please her.

They were like a quarreling young couple and Yulin tried his best to coax her.

"This is the gift you asked for," Yulin asked an unknown actor, "You hand out the stuff to everyone."

Anna casually glanced at these gifts and then glared at him.

That could also be considered a simple gift? Each one was worth thousands.....

The corners of her mouth twitched as she looked at Yulin and said, "You .....are really generous."

"You asked me to do that. Of course I need to do that."

He looked at Anna with a smile and he wanted to see her all the time.

The heroine received the gift but she only wanted to throw it far away.

Why should an ordinary girl be able to get Yulin's favor? Anna was not as beautiful and se.xy and famous as she was. She should play a support for the rest of her life!

The more she looked at this gift, the angrier she became so she just turned around and left.

When she left, her eyes were full of hate.

Yulin was still staying with Anna who could only tell herself over and over again that she had to pretend she was happy, no matter how unwilling she was.

Finally Yulin left and Anna was relieved.

Seeing Yulin come here, the people here had completely changed their attitude towards Anna. Almost all of them talked to her with compliments and even dressers began to serve her alone.

Anna, however, could not enjoy such treatment.

She refused the kindness of them, pretending to smile all the time.

When she turned around, Anna found that the heroine had not shown up.

Anna thought she should have been sad.

But this was good for Anna because the heroine would not give her a hard time and she finally could quietly shoot the scene.

That night.

After shooting the last scene, Anna went back to her room and prepared to rest.

After taking a shower, Anna lied on her bed and looked at her phone.

Ding ding ding.....

The phone kept ringing and Anna's head started to ache again when she heard it.

It was Yulin.

Why did he keep looking for her?

Anna really wanted to throw the phone into the water basin and then it wouldn't ring any more.

Of course, she was just thinking about it. If she didn't answer the phone, it was very likely that he would come here.

Anna picked up the phone and said with a bad attitude, "Hello".

"Anna, are you asleep?"

She looked at her fingernails and said, "Yeah."

"Oh, that's a pity. I still want to treat you to a midnight snack."

"Yulin, why are you so idle? Don't you even have anything serious to do?"

"Now you dislike me for being idle? When I helped you before, how come you didn't mind me?"

She tensed up for a moment and immediately said something else. Anna said, "I remember you said I was shameless last time. What, you're willing to talk to me now?"

Yulin was also nervous, rubbed his head and said with a smile, "What happened before was a misunderstanding."

"I do not think it was a misunderstanding. You did say that. I remember it."

"Then you also misunderstood me. You said so many hurtful words to me, which should offset what I said before."

They fought like children. After he said, she retorted. They always thought they were right.

"That's not certain whether it's a misunderstanding or not. It's too early to say all this. Well, I'm going to bed, good night."

Anna hung up the phone and took a breath. She decided not to look at the phone and sleep early.

But just as she turned around, her phone rang again.

Why was he still calling her?

Anna was very angry, picked up the phone and yelled: "What's going on? Will you let me sleep?"

"What, am I disturbing you? Sorry, sorry."

As soon as she heard the soft voice, Anna was stunned and apologized: "Sorry, I didn't know it is you. I'm being rude."

The one who spoke was the heroine.

"It's okay. It's just a pity that you're going to sleep. I still want to talk to you about the script. I've suggested to the assistant director to give you more scenes."

Once she heard this, Anna couldn't sleep and hurriedly said: "Actually I'm not sleepy, can I go over now?"

"Sure, just come to my room."

"Well. No problem."

Hanging up the phone, the heroine turned around and smiled to a fat man behind her.

"Today I introduce you to a different girl."

The man grinned and asked, "How different is she?"

"You'll see."

Anna prepared a little and knocked at the door of the heroine's room.

The heroine wore a red silk nightgown that accentuated her se.xy figure.

She smiled at Anna, turned sideways and said, "Come in."

"I'm not late, am I?"

"No, you come just in time." Turning around, she picked up a script and tossed it to Anna, saying, "Here, this is the new script I get. The green words are your lines. We have to do all this. You memorize them and then let's try it."

"Sure."

Anna read it very carefully and the heroine opened a bottle of water and put it by Anna's side.

“Drink some water first. This is a very important scene that requires an emotional outburst.”

“Well.”

Anna didn't think too much of it, picked it up and drank.

Watching Anna drink the water, she gently smiled.

She read the script very carefully and did not notice when the heroine disappeared.

On the contrary, she was more and more sleepy and she was about to fall asleep.

She wondered if she was too tired today, she only looked at it for a while, why did she feel so sleepy?

She was a bit dizzy when she read the script so she was wondering whether she should have a rest.

Anna really couldn't hold on, leaning on the sofa and falling asleep.

Hearing Anna let out an even breathing sound, the heroine came over again.

And this time, she was accompanied by the fat man.

Walking up to Anna, the heroine asked with a smile, “How is she, do you like?”

“Although she was a little thin, she is beautiful. I knew she is great when I see her.”

“Don't just look at it. Good or not, you still give it a try. Enjoy yourself.”

Hearing the heroine's words, the man couldn't resist any more and took off his jacket and was about to pounce on Anna.

But just as he was about to touch Anna, the window was suddenly kicked broken from the outside.

“You are .....

Before the heroine could finish her words, someone behind her hit her and she was knocked unconscious.

As for the fat man, although he was fat, he even less courageous. Before he was not hit, he was already fainted.

But Yulin was still very angry, dragged him to the ground and beat him!

“All right, we still have things to do.”

If they did not stop Yulin, maybe he would have killed the fat man.

Although the fat man’s life was not worth much, he was still useful to them so they couldn’t kill him at this time.

Pushing Yulin behind him, Zhao Nangong walked to the door and opened the door.

Chuxue Ye walked in unhurriedly and looked at them inside and she was surprised.

“So this is their purpose.”

Yulin really didn’t dare to imagine what would have happened to Anna if he had come a little later.

Now, since he had discovered this, he would show no mercy!

Noticing the anger in Yulin’s eyes, Chuxue immediately stopped him and advised, “Don’t kill them now.”

“What? Did you actually let them take naked pictures of Anna?”

“We still don’t know who arranges all this. If we just give up like this, aren’t all our previous efforts in vain?”

What she said was right but Yulin couldn’t accept it and even he resisted it.

“You don’t really want to take pictures, right?”

Chuxue smiled and nodded, saying, “That’s right, it seems that you are getting to know me better and better.”

Compared to Chuxue who was relaxed, Yulin was so mad that he wanted to curse.

“Chuxue, are you crazy?”

“What are you yelling at? I didn’t ask you to take pictures of Anna.”

Yulin was stunned and asked, “What do you mean?”

“They want pictures, so let’s take some. It’s just that the model is not Anna anymore.”

Chuxue smiled sweetly, but her eyes were full of malice.

.....

With big sunglasses on her face, the heroine sat in the corner of the coffee with a gloomy expression.

She thought that last night was really strange. Somehow a few people entered the room and did not rob the money or rape her but they just knocked her out and ran.

The only one who was injured was the fat man who was beaten up.

After this happened, the fat man did not dare to touch Anna, when he woke up, he ran away.

It seemed that these people should be the fat man's enemies.

Since the fat man was gone, there was no use to keep Anna. After Anna woke up, the heroine let her go.

The heroine only told Anna that she read the script too late and slept in her room.

This looked like everything had been resolved. But the heroine's plan was disrupted and the whole thing was strange and made her nervous.

### Chapter 463 The Mastermind

The actress sipped the coffee and frowned.

At this moment, a girl came next to her and asked with a smile, "I'm a fan of yours, can we talk alone?"

However, the actress was impatient and said, "This is my private time, please get out of here!"

"Don't be so rude, I just want to talk to you for a few seconds."

"Can't you understand my words? Get out of here."

The actress ran out of patience and acted very rude, as if she was driving something disgusted.

The girl sighed and said, "I didn't expect you to be so impatient for you're so pretty."

"Leave now!"

"Well, since you are not interested in this, I can only give them to the newspaper."

While saying, the girl deliberately waved the photos in front of the actress.

When seeing the salacious photos, the actress was shocked.

“Stop!” The actress was anxious and asked the girl with a tremble voice, “What’s in your hand?”

“Can’t you see? It’s your photos. Of course, if you want, you can also sign on this.”

Although the actress just took a glimpse of the photos, she knew it was her. The man was exactly the fat guy she found last night.

Damn, how can such things be shot, she would be over if such photos were published.

Thus she stared at the girl gloomily and asked, “Damn, where did you get these?”

The girl said arrogantly, “Since you’ve done this, there must be a loophole.”

“Don’t talking nonsense, just tell me where did you get these photos? The paparazzo?”

“I’m not that bored, I want to make a deal with you.”

“What kind of deal?”

The girl became serious and then said, “I can send these photos to you if you tell me who ask you to frame Anna.”

Hearing this, the actress was a bit nervous and replied, “Don’t talking nonsense, I haven’t done such things.”

“It seems that you don’t want to make the deal.” After saying this, the girl was about to leave.

“Wait.” The actress quickly dragged the girl and asked anxiously, “Will you keep your words?”

“Of course.”

“Then how am I trust you?”

The girl snorted and said, “You have no other ways but to trust me. I still have many choices to know the fact, however, if you miss the opportunity, then there’s no chance for you to continue the performing career.”

What the girl said was right, she couldn’t let this happen, so she decided to tell the truth.

“A young girl asked me to make trouble for Anna, I didn’t want to do that, however, since Anna is a bit arrogant recently, I did it.”

“A young girl?” The girl stopped for a moment, and then asked, “What’s her job? How old is she? What does she look like?”

After thinking for a while, the actress murmured, “She seems to be a student who is very young, maybe around her twenties. As for the appearance, just so so.”

“What you said is too general, don’t play tricks.”

Hearing this, the actress got anxious and said, “How dare I to do that since you’ve already gotten my secret.”

“Is there anything else you remember?” The girl smiled at the actress and warned, “Tell me the truth okay, or I won’t make the deal with you.”

The actress was silent for a while and said, “I suddenly remembered that girl seems to be a middleman, there’s still another mastermind.”

“A nother one?”

“Yes, I feel that there must be someone more powerful, or she couldn’t be qualified to discuss with me.”

Hearing this, the girl held her arms and said, “It seems that they pay you well so that you agree.”

The actress didn’t rebut her. It was a truth.

“Well, it’s getting more and more interesting.”

Then the actress stared at the photo in the girl’s hand and asked carefully, “That’s all I know, give me the photo please.”

“Well, here you are. But do remember, keep it a secret or I’ll come to you again.”

After saying this, the girl put the photos on the table and then left.

Then the actress felt relieved. She glared at the girl and cursed, “Damn, I’ll definitely give you a lesson sooner or later.”

But anyway, since she got the photos, life continued as well. She should act more carefully and didn’t let this happen again. She couldn’t bear it anymore.

After walking out of the cafe, the girl got into a black business car where two men were sitting in it. Both of them looked at girl, one was concerned about her, the other was concerned about the girl's words.

The girl took off her hat and she was exactly Chuxue.

She was very excited and said, "This detective game is funny."

"What have you inquired about?"

Seeing that Yulin Xiao was anxious, Chuxue wanted to tease him and deliberately said slowly, "Don't be anxious or I may forget about something."

Zhao laughed next to him and said, "Well, don't tease him. He was so anxious when you were inside."

"Well, since you care about Anna so much, I'll just say it." Chuxue shrugged and said, "That woman said that a young girl instructed her to do this. Moreover, that young girl is just a middleman, there's a more powerful mastermind."

Yulin Xiao narrowed his eyes and said, "Then let's first find the young girl and then ask about the mastermind."

Hearing this, Chuxue was a bit confused, "Do you still want to work with that woman, but I've already given her all the photos."

"Don't you keep the copies?"

"No, why do I keep that?"

Chuxue said casually, however, Yulin Xiao lowered his head in frustration. Chuxue was really a stupid teammate.

Seeing that Yulin Xiao was depressed, Zhaoge quickly said, "Well, there is no need to cooperate with this woman. Since we know that a girl had contacted her, it's better for us to find ourselves."

Yulin Xiao frowned, as if he had thought of something, then he muttered, "A girl? The fire in the shop was also set by a girl." Then he turned to looked at Zhao and asked, "What do you think about these two things?"

"Anna is their aim, I'm wondering whether the things were planned by the same person."

Chuxue felt it reasonable, and thought that Anna was dangerous now. Thus she said, "We have to find her, or Anna is dangerous."

“You are right, besides, we have to protect Anna.”

Hearing this, Yulin Xiao straightened his back and volunteered, “I’ll protect her.”

Hearing this, Chuxue watched Yulin Xiao with an askance look and then said, “Why are you so confident? Anna tries her best to avoid you now, how can you protect her?”

“Don’t talking nonsense, we’re fine.”

Chuxue just shook her head and said, “Well, you don’t aware the situation.”

“You .....

Zhaoge knew Chuxue well, after hearing her words, he got an idea and said, “Let’s listen to Chuxue’s suggestion first.”

Yulin Xiao raised his eyebrows and muttered in a low voice, “She won’t have any good idea.”

Although he said this, he wanted to hear a useful suggestion.

Then Chuxue said with a smile, “I’ll protect her.”

Don’t talking nonsense!

Yulin Xiao grunted and said, “I can’t trust you, you can’t even protect yourself.”

Hearing this, Chuxue felt a bit embarrassed and quickly explained, “That was an incident. I have a powerful background, nobody dares to make trouble for me.”

What she said was truth, nobody dared to challenge Chuxue in the Capital City.

But there was an exceptions, the Sixth Brother.

That man acted very weird and fearless, Yulin Xiao thought he must be a stubborn enemy, so he directly refused her suggestion.

“No, you can’t do this.”

Hearing this, Chuxue was dissatisfied and asked, “Why?”

“There is no reason.”

“You are such an arrogant man!”

“Whatever you say.”

“Damn.”

Zhao was helpless and stopped Chuxue, then he said, “Since he insists, just let him do it. It’s also his responsibility.”

Chuxue was still angry and said, “Who said Anna is his woman? Anna doesn’t admit it.”

“Fine, don’t stimulate him. He must be very upset since Anna misunderstands him. I had experienced this before.”

Zhao had no other choice but to distract Chuxue’s attention. However, he succeed, hearing his words, Chuxue calmed down.

After considering for an while, Chuxue said, “Fine, I agree, but once Anna refuses you, I’ll do it okay?”

“Don’t worry, I won’t let this happen.” Then Yulin Xiao left.

Looking at Yulin Xiao’s back, Chuxue spat out her tongue and murmured, “He is really very arrogant.”

Zhaoge also looked at Yulin Xiao’s back and sighed, “It is hard to seek true love.”

Hearing this, Chuxue looked at Zhao askance and asked, “Are you complaining?”

“No, I think I’m lucky for I find you.” The he hugged Chuxue with his eyes full of affection.

Chuxue felt sweet and pinched Zhao’s checks, then she said, “Why are you so sweet, I haven’t made desserts for you recently.”

“It’s you who make me sweet.”

Of course, Chuxue couldn’t bear this, she was so happy that she hugged Zhao tightly and then they cuddled for a while.

.....

After finishing the filming, Anna went back to school. She was just a walk-on who was not important, she nobody cared about her. However, due to the appearance of Yulin Xiao, she had gained many attentions. She had received many gifts and even made a acceptance speech.

She felt very unpleasant.

After the complicated process, she was about to leave. Suddenly, a black car stopped by her side, Yulin Xiao lowered the window and said, "Get on."

Anna just took a glimpse of him and then ignored him, as if she didn't hear his words.

Anna wanted to take a taxi, however, since there was a sports car, no taxi dared to park there. So Anna could only standing in the sun.

Seeing that Anna was tanned, Yulin Xiao reminded, "Get on the car, or you'll be sunburned."

"No."

"But you can't get a car, let me drive you back."

"It turns out you know this, can you keep distance from me?"

"No way."

Anna was angry to hear this.

All right, since he insisted to stay, then she would leave. Then she lifted the suitcase and left.

However, Yulin Xiao just followed her, in this way, she couldn't get the taxi.

It was a hot day, the high temperature made Anna feel very uncomfortable. Sweats could be seen all over her body.

The murmur of Yulin Xiao really annoyed her. So she stopped and glared at Yulin Xiao, "Can you stop following me?"

"Just let me drive you back."

"What if I don't agree?"

"Then I'll just follow you."

Chapter 464 A Playboy

He was really a bastard!

Anna was really hot, if she continued walking, then she would have a heatstroke. Thus, she'd better get on the car first.

Anna narrowed her eyes and decided to put her luggage on the car.

Seeing thus, Yulin Xiao quickly helped her open the trunk.

The cool air inside the car made Anna feel more comfortable. However, the next moment, she grew sullen. How could he enjoy the cool air? How dared he to say those words?

Seeing that Anna was unhappy, Yulin Xiao asked deliberately, "What's going on?"

"I don't want to see you."

"I don't seem to have offended you."

Anna frowned and blamed, "I would be at home now if you didn't follow me."

Yulin Xiao felt innocent and said, "You can get on the car, but you refused me."

"You mean it's my fault?"

"Well, it depends on you."

"You ....."

Anna pointed at Yulin Xiao, she was extremely angry now. However, he just held her hands and said softly, "You must have earned a lot, treat me to dinner tonight."

Anna snorted, "Why?"

"You are on my car now."

Anna was exasperated and asked, "You are really shameless, I didn't ask you to do so."

"Well, no matter what you say, it's the truth."

"You are such a jerk."

"I'm a businessman, and I only care about the results."

Although, Anna was right, she didn't know how to rebut, she was so angry that her face turned red.

Yulin Xiao pretended to be innocent and asked, "Where are we going to eat?"

“Shut up!”

“What about me picking up a place? You only need to pay for the bill.”

He was talking nonsense, of course she couldn't afford the restaurant that he chose.

Anna directly refused him and then she got an idea.

“I know a snack shop, you can come with me if you don't mind.”

“Well.”

Yulin Xiao was full of expectation.

But when he saw the food in the bowl, he felt sick.

After stirring it with a spoon, Yulin Xiao asked, “What is this?”

“Haggis, don't you know it?”

He never heard about such things, not to mention others. He didn't like it and thought that one must be brave enough to eat it.

Noticing Yulin Xiao's expression, Anna snickered. Then she took a pair of chopsticks and started eating. It seemed that she was very satisfied.

“Well, it's delicious!”

Seeing this, Yulin Xiao swallowed his saliva and asked, “Really?”

“Of course, have a try! You'll like it.” However, Yulin Xiao still sat there quietly.

“Eat right now, this is what I treat you.” So, Yulin Xiao had no other choices but to eat.

Although, it was not bad, he felt uncomfortable when chewing it.

He tried his best to have a bite and then put down the chopsticks.

However, Anna wouldn't agree and said, “I won't eat with you in the future if you eat so little.”

Of course, Yulin Xiao knew this was Anna's prank. However, he wanted to make her happy, so he did as she wanted.

“I'll eat them all, don't be upset.” Then he started eating.

Yulin Xiao almost swallowed the haggis, he felt very disgusted.

Seeing this, Anna felt happier. He owned this for he teased her!

After wiping his mouth, Yulin Xiao noticed Anna's smile, which was like a moon in night that smoothed his heart.

Anna was originally very happy for she had teased Yulin Xiao, however, since he looked at her like this, she felt a bit weird and embarrassed, as if she was his prey.

It seemed that he was thinking something salacious.

"Well, let's go."

Anna paid the bill and quickly walked out of the store, her face was totally red.

After arriving at school, she was about to leave. However, Yulin Xiao called her and said, "Don't you say anything to me?"

Then Anna stopped and replied, "Please keep distance from me in the future."

Yulin Xiao was speechless.

"Say something good okay? That's not what I want."

"That's what I want to say."

"Well, then I'll say what I want to say." Then Yulin Xiao walked to Anna and said softly, "Remember to call me frequently." He acted very gentle that even passerby were moved.

"Wow, it's so sweet."

"How lucky Anna is! Her boyfriend is not only rich, but also smart and kind!"

"I wish I could find such a boyfriend!"

People who didn't know the truth just discussed about them, which made Anna feel sullen.

He was not sweet at all, didn't they see that she was reluctant?

Anna didn't want to stay with him anymore, so she quickly left.

However, Yulin Xiao said with a smile, "Don't be shy."

Hearing this, Anna was speechless and almost slipped, he was really a bastard.

Seeing that Anna left even faster, Yulin Xiao was in a very good mood.

Well, it was nice to tease her. Then he left with satisfaction.

As soon as Yulin Xiao left, a woman walked out behind a tree.

It was Qiaoqiao, she looked at Yulin Xiao's figure in a complicated expression.

.....

After the shower, Anna wiped her hair with a towel, she looked quite casual.

"Anna, your phone had rang when you were taking the shower."

Anna was stunned and then had a check. It was from Chuxue. So Anna quickly called back.

After waiting for a while, a soft voice answered, "Anna, are you busy?"

"No, what's wrong?"

"I want your help." Chuxue smiled and said, "Well, I still need some equipment for the reopening of the dessert shop."

"Since you've worked here, I think you can help me."

Hearing this, Anna quickly said, "I am still an employee of the dessert store, and this is my duty, of course I'll help."

"You are such a nice girl." Chuxue nodded and said with a smile, "The things are heavy, I'll ask someone to help you then."

"Well, that's fine."

"Then it's settled, let's start in the weekend when you are free."

"No problem."

"Then, I'll hung up the phone."

"..... Okay."

After hanging up the phone, Anna was felt weird. She wanted to ask whether the helper was Yulin Xiao.

However, since he was a playboy, Anna stopped thinking like this. When she saw Yulin Xiao on the weekend, she thought how stupid she was!

Yulin Xiao drove a very eye-catching car today. Then he looked at Anna and said, "Are you ready? Let's go, we have a heavy task today." However, seeing that Anna still stood there, he asked, "What are you doing?"

"How can you be the helper?"

Anna asked in confusion, but Yulin Xiao understood her and answered with a smile, "Is there a problem?"

After hearing this, Anna pursed her lips and warned, "I know what you are thinking about, so be quiet today."

Yulin Xiao smiled helplessly and said, "Don't worry, we have a task today."

"I hope you can promise your words." Then Anna sat on the car.

When they fastened their seat belts, Yulin Xiao prepared to drive.

After taking a glimpse of the car, Anna asked with a frown, "Your car is too small to hold anything."

Yulin Xiao was helpless and reminded, "You are stupid, there's home delivery service."

It was then did Anna realize it. She didn't need a helper at all! She felt that she was teased again.

Since she was already on the car, she would consider him as the driver.

Then she ignored Yulin Xiao and took a sheet from the bag. All they needed to buy were written on the list.

The next few hours, they didn't communicate much and focused on purchasing.

After finishing the shopping, Anna felt relieved. It was done! However, when she turned back, Yulin Xiao was gone. Where was he?

Then she found him in the jewelry store. How dared him to act so lazy?

Anna walked to him and snorted, "Yulin Xiao, what are you doing?"

Then, Yulin Xiao held a necklace in his hand and asked, "How about this necklace?"

"Ugly!" Anna slapped his hands and said, "If you have something to do, please don't disturb me, just leave me alone."

However, Yulin Xiao didn't answered her but asked, "I want send it to a girl, will she like it?"

Hearing this, Anna felt a bit disappointed and said, "How could I know for I'm not that girl."

"Just give me a suggestion."

"Well, I'm busy!" After saying this, Anna left.

Yulin Xiao asked the waiter to wrap the necklace and then started to chase Anna, however, she was already on the bus.

Thus, Yulin Xiao could only watch she leave helplessly.

She ran so fast! However, Yulin Xiao had the confidence that Anna would like him. Then he smiled.

.....

After a week of hard work, the dessert store was cleaned up and ready to reopen.

But Chuxue was not in a hurry, she chose a breezy day and prepared some desserts and drinks, then she called all the stuff to the store.

Chuxue stood at the front desk and cleared her throat, then she said, "Today is the reopening day of the dessert store, just have fun, this is what I prepared for you." Then she stopped, as if was waiting for the applause.

The crowd understood her meaning and applauded.

Chuxue nodded in satisfaction and then she walked to Anna, "You helped a lot Anna. Come on, let's propose a toast for Anna."

Then she handed a glass of red wine to Anna.

Anna quickly waved her hands and said, "No, that's my duty, don't be polite."

"No, this is what you deserve, just drink it."

"This ....."

Just when Anna was a bit embarrassed, someone took the wine away. It was Yulin Xiao. He smiled gently and said, "I'll drink this for her."

However, Chuxue was unhappy and frowned, "Yulin Xiao, it's none of your business."

Then people all stared at them, which made Anna feel embarrassed, she wanted to keep distance from him right now.

### Chapter 465 Get Drunk

So Anna directly grabbed the glass and said, "I'll drink it myself." Then she drank it.

Seeing this, Chuxue clapped and said to Yulin Xiao arrogantly, "She behaves well."

Yulin Xiao was helpless and said, "Don't urging her."

Anna drank a little fast, so she was a bit dizzy now. Then she looked at Yulin Xiao and yelled, "Don't talking nonsense, it's none of your business."

"Are you stupid? She said this on purpose."

"Just a few glasses of wine, I won't get drunk."

"You are so innocent."

Hearing this, Chuxue was dissatisfied and blamed, "Don't hinder us!"

Since whatever he said was wrong, Yulin Xiao could only stayed quiet. Then stretched his hands and said, "Well, juts drink as you want."

"That's right." Chuxue spat her tongue at Yulin Xiao, then raised her cup and said with a smile, "Come on, have fun today, just ignore them."

"I think this is a good proposal."

Yiyao agreed with a smile.

"Come on, cheers!"

The crystal wine glasses clashed with a crisp sound. The girls were extremely happy.

Anna hadn't been so happy for a long time, although Chuxue and Yiyao were from rich families, she felt comfortable to be with them. They were all nice girls that treated people equally.

Under the effect of alcohol, Anna became more casual.

Seeing Anna drank one after another, Yulin Xiao wanted to stop her. However, since Anna was happy, he didn't want to disturb her.

After a while, Yiyao walked to Yulin Xiao and handed him a photo, "I know what happened, it was planned by a student who had a strong background, the mastermind is called the Sixth Brother."

Yulin Xiao narrowed his eyes and murmured: "I know it's him."

"Do you know him?"

"Yes, he is a powerful man."

Yiyao nodded and said, "Indeed, he is ruthless and bad, you'd better not offend him."

However, Yulin Xiao acted casually and said, "It is he who makes trouble for me, I scare nobody."

After pausing for a moment, Yiyao said, "I'm just giving you a suggestion, the final choice is up to you."

"Thanks."

"Don't be polite, I'm not helping you anyway."

Whiling talking, Yiyao kept staring at Anna, who was talking to Chuxue happily.

Yulin Xiao knew that Yiyao liked Anna, that was why she helped him. He couldn't understand and said, "Women are strange creatures."

"Don't waste your time if you don't understand."

Yiyao was really a plain and talktive woman.

After noticing that they were talking, Chuxue slipped here to listen. However, as soon as she got close, she was found. So she asked directly, " what are you talking about?"

"It's none of your business."

Chuxue was dissatisfied to hear this, so she held Yiyao's neck and said, "Let's continue drinking!"

"No way!" Jingyan held Yiyao and said firmly.

Chuxue frowned and said, "Don't be such a killjoy."

Seeing that Chuxue was slightly drunk, Jingyan didn't want to say more. Then he said to Zhao, "She is drunk, take care of her."

"But we've just started!"

"It's already over."

"No!"

"Are you trying to challenge me?"

Seeing Jingyan's facial expression, Chuxue didn't dare to say more. It was not wise for her to do that.

So she swallowed her saliva and said, "Well, we can just enjoy the food."

"All right, put away all the wines."

How could he do that!

Seeing that Chuxue still wanted to drink, Zhao persuaded, "It's enough, over-drinking would make you embarrassed."

"I won't!"

"Can you stand aside when others get drunk?" This time, Chuxue kept quite.

Seeing this, Zhao immediately collected all the wines.

Anna was sitting alone at the bar, when she wanted to drink more, her glass was taken away.

Looking at her empty palm, Anna murmured, "Where's my glass? I want to drink more."

Yulin Xiao sat beside Anna and said softly, "Drink some juice, you'll look puffy if you drink more. What if the director asks you to have a shot?"

"Well, you're right." Anna acted very kind and quiet, like a small cat.

Seeing this, Yulin Xiao really wanted to hug her. When he was about to touch her, Anna quickly straightened her back and said excitedly, "How about dancing together?"

Then she wanted to find the stereo.

Yulin Xiao dragged Anna back and said helplessly, "Do you know what you are doing?"

"Yes, I want to dance. I dance well!"

Then she started waving her hands like a penguin.

Chuxue was amused by Anna's movement, she pointed at her and said, "I finally meet someone who is even less talented than me in dancing."

Anna wouldn't do such funny things when she was awake, however, since she was drunk, she just ignored this and even smiled.

Seeing this, Yulin Xiao was helpless and said, "You shouldn't drink so much."

Hearing this, Chuxue laughed and said, "It turns that you are drunk, you are not good at drinking."

Anna stroked her hot cheeks and said, "It's okay, I think I can drink more."

Although Chuxue wanted Anna to drink more, since there was no wine, she could only give up and said, "Well, just have a good rest, you still have to work tomorrow."

Hearing Chuxue's words, Anna only nodded and said, "Fine."

Then Chuxue patted her forehead and looked somewhat tired, she said, "I'm supposed to send you back, but I'm so sleepy now. Then, Yulin Xiao will take my part."

After saying that, Chuxue winked at Yulin Xiao. The next moment Yulin Xiao held Anna's arms and was about to leave.

Anna felt nothing when sitting on the chair, when she walked, she felt like walking on the cotton. It seemed that she really drank too much.

Anna didn't refuse Yulin Xiao and got on the car to have a rest.

When they were about to leave, Yulin Xiao suddenly remembered that his phone was left on the bar, so he turned back to have a store.

"It's here."

As soon as he walked a few steps, he found Chuxue, who was smiling at him.

He just took his phone and said faintly, "Thanks a lot."

"Well, you are not sincere at all. I've done you such a big favor. Besides, I'm not satisfied with your behavior today."

Although, Chuxue said this, she had her plan.

Yulin Xiao took a glance of Chuxue and said, "Just come to me when you've decided what you want."

"Well, that's the deal, remember to keep your promise."

Then Yulin Xiao ignored Chuxue and turned to left.

Seeing his back, Chuxue sighed, "I'm really a kind girl, I have to help them."

Zhao walked to Chuxue and asked, "What do you want him to do?"

"Well, it's a secret now."

Seeing that Chuxue acted so mysterious, Zhao knew she had a trick again.

Well, since she was happy today, he wouldn't ask more for she would tell him sooner or later.

The other side.

Anna quickly fell asleep in the car.

Yulin Xiao drove her back to his apartment and carried her to his room.

"Let's drink more!"

Anna still waved her arms on the bed, which looked really funny.

Yulin Xiao was amused by Anna's expression, he didn't expect her to be so fond of drinking.

He would accompany her the next time. But now there was a problem.

Anna needed to take a shower or she would be uncomfortable. However, Mrs. Chang was left, so nobody except him could help her.

He was fine, but he was afraid that Anna would feel embarrassed.

Just as Yulin Xiao was hesitating, Anna turned around and threw up.

Well, she should have a shower now.

Although Yulin Xiao seemed to be reluctant, only he knew how much he longed to touch her.

He wanted to hug her for he missed her so much. He was really shocked by his feeling, he didn't know how this happened.

However, he was not regret at all. It was not embarrassed, he just didn't know what made him so indulged in her?

Even Wei Yu didn't bring such feelings to him.

Yulin Xiao just sighed and looked at Anna. She must come here to torture him.

He unbuttoned Anna's clothes, and carried her to the bathroom.

Yulin Xiao's hands made Anna feel uncomfortable, so she changed a gesture and kept sleeping.

However, this made Yulin Xiao feel tormented. He could feel Anna's breasts. Besides, her breathe and touches almost drove him crazy.

Thus, he quickly put Anna into the bathtub and helped her take the shower in the fastest speed. It was more like a torture than a plum job.

He suppressed his desire the whole process. After the shower, he directly throw her on the bed. However, since Anna was wearing his pajamas, she looked even more sexy for it was too large.

Yulin Xiao couldn't hide his desire and kissed her on the lips. He told himself that a kiss was enough, however, gradually, he wanted more.

When he finally realized it, Anna was naked again. Red marks could be seen all over her body which looked very salacious.

Yulin Xiao was a bit annoyed, it seemed that he couldn't control himself when facing Anna. He couldn't continue.

So he helped Anna put the clothes with his head turned aside, then he quickly left the room.

Once the door was closed, Yulin Xiao took a long breath. He finally controlled himself.

It was a sleepless night for Yulin Xiao.

Every time he thought of Anna's body, he felt hot and would take a cold shower.

But after a short time, the thing happened again, which really annoyed him.

Then it was dawn.

Chapter 466 I'm Waiting for Your Apology

Anna Xie slept very well at night. She didn't wake up until the sun came up the next day.

Only she was surprised that she was lying in Yulin Xiao's bed and was wearing his clothes. What exactly happened last night? Anna thought.

She pushed the door and walked towards Yulin.

Yulin was sitting at the dining table reading the newspaper. Hearing footsteps, he looked up.

Anna was angry, but after seeing his very deep dark circles under his eyes, she was surprised again. "Why are your dark circles under your eyes so deep? Didn't you sleep yesterday?"

He glanced at Anna and didn't answer.

"Why am I here?" Anna continued.

"You were drunk."

"Why didn't you take me back to school?"

"Because I have to wait for you to apologize to me." Yulin wrapped his hands around his chest and stared at her.

But Anna didn't understand what he meant. She frowned. "What are you talking about? I don't get it."

Then Yulin put a few photos on the table. "This is the evidence. Last time you let me to find evidence to prove my innocence. Now I've found it. The person who accused you of being a mistress is the woman in the photos."

Looking at the person in the photo, Anna was surprised. "She is Jing Wu ....."

"You know her?" Yulin asked.

Anna nodded her head. "Yeah, but why would she use such tactics to frame me?"

"I will punish the person who set you up." Yulin said viciously.

"What will you do to her?"

"To teach her a lesson and tell her what happens when she messes with my woman."

"I'm not your woman." Anna corrected.

"That's not the point. Aren't you sorry for misunderstanding me? Did you forget you have to apologize to me?"

"I ....." Anna stammered.

"Well, I'm waiting for your apology." Yulin deliberately urged.

Anna took a deep breath and lowered her head. "I'm very sorry for what happened last time."

However, Yulin was not satisfied when he heard Anna's apology.

"That's all?" He asked.

"Then how do you want me to apologize to you?"

"Just give me a k!ss." Yulin said.

"You.....you're asking too much." Anna turned red with anger and yelled.

"All right, all right, I'm just joking with you." Yulin said playfully. "The Breakfast is ready. Do you want to have it now?"

"You still haven't said what exactly you're going to do with Jing Wu?" She asked.

After taking a sip of coffee, Yulin said coldly. "This woman is very bad. She won't be grateful to your kindness. I will make her disappear in front of you."

"You won't k!!! her, will you?"

"What are you thinking? I didn't say I would k!!! her. I wouldn't dare k!!! anyone."

Anna froze. "What did you just mean by making her disappear?"

"I'm just trying to intimidate her so she wouldn't dare to bother you again."

Anna glared at Yulin. "Can't you just say it clearly at once?" said she discontentedly.

"Don't you think it's funny?"

Anna made a face at him.

"Well, have some porridge. It's good for you."

Yulin put the porridge in front of Anna. She picked up the spoon and tasted a bite of it.

"It tastes good. Did you make this?" asked she.

"Yes."

"It seems that you're not that useless." Anna teased.

"As long as you stay with me for a few more days, you will find out that I have many advantages." said Yulin gently, which made Anna almost choke on the porridge.

"I don't want to stay with you. I'm going back to school now." said she.

"I'll drive you back to school." Yulin said.

Anna originally wanted to refuse him. When she thought that Yulin would definitely think of another reason to drive her back to school, she agreed without wanting to waste time on it.

Before leaving the apartment, Anna saw a jewelry box. It was the jewelry she saw in the mall with Yulin a few days ago.

At that moment Anna inexplicably felt sad. She thought that Yulin being nice to him meant he liked her. But through this jewelry box, she thought there were other women in Yulin's heart.

.....

Back at school, Anna was a little tired.

Qiqi was about to ask her why she didn't come back last night when she saw the mark on Anna's neck.

"Anna, you were with Yulin last night?" asked she.

"How do you know that?"

“I also know that you had intimacy last night.”

Anna blushed. “We... We didn't.”

“The hickey on your neck says it all. You'd better change into a turtleneck or someone outside will gossip about you again.”

Anna walked into the bathroom and looked at the hickey on her neck. She blushed again.

There was no class in the afternoon, so Anna was ready to return the library books. When she passed by the library, she saw Jing Wu.

In the past, when Anna saw her, she always avoided her so that she wouldn't have to upset herself. Today, Jing did not see her, but she took the initiative to stop her.

“Jing Wu...” Anna called out.

Hearing the voice, Jing turned back. Seeing Anna, she was unhappy.

“Don't you have anything to say?” Anna stared at her.

Jing laughed coldly. “I know you're Yulin's girlfriend, but you don't have to be so arrogant.”

“You know what I'm talking about.” Anna said seriously.

“What if I say I don't know?”

“There are only two of us here. You don't have to play dumb. I already know that you framed me and deliberately damaged my reputation.”

Jing was obviously nervous, but she wasn't going to bow down to Anna. “I don't know what you're talking about.”

“Since I knew it, it means I have proof. I think I haven't offended you, but why do you have to ruin my reputation?”

Jing leered at Anna. “I just hate you.”

“Your status is lowly. You are not qualified for what you have now.” Jing said with hatred and resentment.

“Everyone has the right to pursue happiness. You have no right to look down on others.” She frowned at Jing.

“Shut up. It’s all nonsense.” Jing said impatiently.

“Someone is ready to find trouble with you.” said Anna.

“What do you mean?”

“Lately, you’d better take a leave of absence and leave this place for a few days.” Anna said.

“Are you trying to intimidate me?”

“I’m just giving you a little advice.”

Jing didn’t listen to her advice at all. Instead of admitting her mistake, she was condescending. “You’re just bluffing. I am not afraid.”

Seeing this woman’s obstinacy, Anna felt that she had nothing more to say to her.

“I’ve finished. What you want to do has nothing to do with me, bye.” said Anna, and then she turned around and left.

Looking at Anna’s back, Jing frowned. “She must be out of her mind.” she muttered.

Walking past the corner, Jing saw Qiaoqiao Su standing there. She was seemingly waiting for her.

“What were you two just talking about?” Qiaoqiao asked.

Jing shrugged lightly. “That woman was threatening me.”

“Why was she intimidating you?”

“She said she had the evidence that I had set her up. Even if she has evidence I’m not afraid. I’m just the one who passed on the word.”

Jing looked like she wasn’t afraid of anything, while Qiaoqiao pondered for a moment. “You don’t have to be afraid of Anna. But if Yulin Xiao helps her, you have to be careful.”

“Yulin Xiao will be against me?”

“Maybe. As long as Anna begs him, he will be willing to be used by Anna.”

Jing gritted her teeth. “What an abominable b!tch! So what should I do now?”

“You should take a leave of absence and go back home for a few days.”

Her advice made Jing a little frustrated. She muttered, "Why did you say the same thing?"

"Who else has said that?"

"Anna Xie."

Just at this instant, Qiaoqiao changed her mind. "You just stay in the school. We can't be afraid of her. With me helping you, we won't let her schemes succeed."

"Thank you." Jing said gratefully.

"If you need any help, just tell me and I'll be sure to help you."

Then they talked and laughed on the way to the canteen as if nothing had happened.

.....

The weather was getting hotter and hotter. When there was nothing to do, Anna stayed in her dorm room.

Just when Anna was drowsy from reading, Qiqi suddenly ran in and yelled, "Anna, Anna, go look at the school's bulletin board."

Anna didn't bother to read those things and shook her head. "It's too hot outside and I don't want to go out. What's so important?"

"Big news. And it has something to do with you. Come on."

Anna didn't want to go, but she was still pulled by Qiqi in front of the bulletin board.

Looking at the bulletin board, Anna rubbed her eyes to make sure she didn't read it wrong.

The bulletin board read, "Jing Wu cheated in the exam, causing a bad impact. Now the school leaders unanimously decided to expel her from the school."

If it weren't in public, Qiqi would have wanted to laugh out loud.

"She deserved it." Qiqi coldly snorted.

Hearing Qiqi's words, Anna was busy elbowing Qiqi's arm. "Qiqi, don't gloat. Jing doesn't seem to have a grudge against you."

"She's always picking on you, and that's working against me." Qiqi said.

“Just how did she get caught cheating when there were no exams recently either? Could it be that she was cheating on a previous exam? Then why is she just now being expelled?” Qiqi muttered, while Anna fell into deep thought.

She thought of Yulin’s words that day. Could it be that it was all Yulin’s doing? Anna thought.

“Anna, why don’t you say anything?” asked Qiqi.

“What am I supposed to say?” said Anna, puzzled.

“Let the gloating begin.” Qiqi said with a smile.

Looking at Qiqi’s gloating look, Anna was speechless.

Chapter 467 Qiqi Was Injured

Qiqi put her arm around Anna Xie’s shoulder and said, “Let’s go and have something delicious. Congratulations to us.”

“Well, seriously?”

“I mean it. Isn’t it a happy thing that fewer people come to look for trouble in the future?”

“But Jing Wu, who has been fired, will have a smirch in her life.”

Qiqi shrugged her shoulders and said indifferently, “That’s for what she did. She will not be punished if she didn’t cheat. No one can set her up for that. Let’s stop thinking about her and go for food.”

Qiqi wanted to eat spicy kebabs, so she dragged Anna to the snack street outside the school.

It was noon now. There were many people in the small restaurant, where was bustling and rustling.

After searching around, Qiqi pointed to the front and said, “There are unoccupied seats. Come on. Let’s take them first.”

Qiqi, taking advantage of her figure, managed to take the last unoccupied table in the restaurant.

Picking up the menu, Qiqi said with a smile, "I'm happy today, and therefore I have a good appetite, so I want to order a bit more."

Calling the waiter, Qiqi ordered a lot including Anna's share.

Anna drank water and looked at Qiqi with a smile, who was preparing for tableware.

Every time they went out to eat in the restaurant, Anna just needed to wait and eat, since Qiqi would arrange everything well.

Soon, hot gas came out of the pot. Qiqi was leaning on her chin and still talking about the incident.

It could be seen that Qiqi was very concerned about Anna. If something bad happened to Anna, Qiqi would also suffer from the same terrible feelings.

This kind of care made Anna feel very warm.

But there was always a question in Anna's mind.

Once she had time, she would call Yulin Xiao and ask him carefully.

As Qiqi was talking and Anna was in a daze, someone went close to them slowly.

There was a deep hatred in that person's eyes, as if she had the desire to destroy everything.

Looking up at random, Qiqi suddenly saw Jing Wu, who was looking at Anna with evil intentions.

At that moment, Jing Wu raised the iron hammer in her hand and smashed it at Anna.

"Anna, go to the hell!"

"Anna, be careful!" Qiqi rushed over instinctively and bore the attack for Anna.

Before Anna realized what happened, she heard a dull noise, and then people around screamed aloud.

Blood, a lot of blood.

As the blood drops fell and hit the ground, Qiqi's forehead looked like a blood-colored rose.

And Jing Wu seemed to be crazy, no matter who he or she was, she was desperately attacking.

Also the blood drops fell on Anna's hand, which made her feel like scalded by hot iron, burning Anna's skin. This feeling brought her back to reality.

Kicking on Jing Wu's stomach, Anna protected Qiqi and yelled, "You crazy b!tch, get out of here!"

Jing Wu, who had lost her mind, couldn't listen to Anna. She raised the hammer and rushed up again.

Fortunately, people around helped to stop Jing Wu, grabbing her hammer and finally controlling the situation.

Jing Wu was still roaring in the direction of Anna, like a wild animal trying to break through the cage.

Anna had no time to pay attention to Jing Wu. She covered Qiqi's bleeding forehead tightly with her hand and shouted to people around her, "Call an ambulance quickly, please!"

In the chaos, someone finally made the phone call, and then she had to wait anxiously.

Anna's mind was blank. She cried and looked at Qiqi, whose vivid face was now pale.

"Qiqi, you must be good!"

As Anna went to the hospital with Qiqi in the ambulance, Qiqi was then sent to the emergency room. Anna anxiously waited outside.

It could be a long time, until the sound of footsteps came from behind.

"Anna, what happened? I heard someone attacked you?"

After receiving the phone call, Yulin rushed to the hospital and saw that Anna was fine, so he was slightly relieved.

Anna bowed her head and said, "True. Jing Wu attacked me."

"It's good you're OK, otherwise, I'll peel off her skin."

But Anna was very worried and she said with her eyes red, "Although I'm ok, Qiqi is still in the emergency room. It's Qiqi who protected me from Jing Wu's attack, or I'm the one lying in it now! "

Thinking of what happened, Anna couldn't help shaking with helplessness and panic.

Looking at Anna, Yulin worried her a lot. He thumped his chair and swore, "What a bltch!"

Anna had no time to blame anyone. Now she just hoped Qiqi would be fine.

But Qiqi was sent in for a long time and she didn't know what was going on, which made Anna very anxious. Anna turned around and looked at Yulin, "What should we do now? Will Qiqi be fine?"

"Don't worry, before I came here, I had already found the best experts, who could surly save Qiqi."

With tears trickling down her cheeks, Anna murmured, "Because of protecting me, Qiqi got hurt. If something happens to her, I will be a sinner. I will never forgive myself in my whole life!"

Holding Anna's shoulder worryingly, Yulin said softly "Don't cry, everything will be fine, and I will be with you all the time"

As she was leaning on Yulin's shoulder, Anna's tears soon moistened Yulin's clothes. She choked: "Why do good people always bear these bad things? It's really unfair. We didn't do any bad thing or hurt any other person. Why do we have to suffer all these? "

Quietly listening to Anna's words, Yulin said nothing, just holding around her and giving her warmth and strength to help Anna slowly calm down.

After a while, doctors came out of the emergency room.

Anne left Yulin and went to the doctor nervously, "Doctor, how's the patient?"

"The patient is out of danger. You can see her at night."

Hearing so, Anna said with a smile: "Great. Thank you so much!"

Anna became the happiest person as she heard that Qiqi was fine.

"Since we can only visit Qiqi in the night, let's have dinner first." Saying so, Yulin took Anna's hand.

Until this time, Anna seemed to be in a nightmare, where Qiqi was laying with a lot of blood, so she didn't realize who dragged her away.

She didn't realize until she smelled the food.

“You may not have much appetite now, but you should eat something. Or you may get ill. Qiqi still needs your help. You can’t let yourself get sick first.” Yulin said as he took food into Anna’s plate.

In a short time, a hill of food was gathered in front of Anna.

“If you continuously do so, I won’t be able to eat up.” Although she said so, Anna ate very fast.

Anna didn’t have lunch today. Just now, she was scared and crying for a long time, which spent her lots of energy. She was really hungry at the moment.

When she relaxed, she couldn’t stop eating.

Looking at Anna, who was, like a squirrel, eating incessantly, Yulin couldn’t help but put down his chopsticks and watched her attentively.

Anna was uncomfortable by his staring, “Yulin, you have to eat, too. There are so many things. I can’t finish them alone. “

“I had dinner before I came here. Take your time and I like to see you to eat food.” Saying so, Yulin put his hands under his chin with a warm smile.

“But if you look at me like this, I can’t eat any more.”

“Why can’t you eat? Are you fascinated by my charm?”

Anna was wondering why this guy could act like nothing happened within three seconds.

Well, she should not care too much about him. She had important things to do later, so she could not spend too much time here.

Anna speeded up her eating, because she planned to prepare things that Qiqi might need in the hospital after dinner.

Seeing Anna gobble, Yulin handed her water, and said, “Slow down! This foods are all for you.”

“I’m in a hurry.”

“Why?”

“Prepare what Qiqi may need in the hospital.”

“Don’t worry. I have asked people to prepare these things. You just need to chat with Qiqi to relieve her boredom.”

Looking up at Yulin, Anna asked, “is this what you arranged?”

“Yes, it’s very moving, isn’t it? I said, as long as I’m here, you don’t have to worry about anything. “

Yulin looked quite proud, waiting for Anna to burst into tears gratefully.

But Anna was very calm, looking at Yulin for a long time, then asked: “Well, how do you plan to deal with Jing Wu?”

As Anna mentioned Jing Wu, Yulin’s eyes were full of hatred.

“I’ve let that woman go once, but I didn’t expect that she didn’t know how to be grateful at all and even tried to hurt you, so I can’t tolerate her a second time.”

Anna murmured with her eyes darkened, “It’s you.”

Yulin didn’t listen very clearly and asked, “What?”

As Anna slightly pursed her lips and raised her head, she looked at Yulin and said seriously, “Yulin, I think you have done enough.”

“You don’t have to worry, I’ll...”

“I don’t think it’s necessary at all.” Before Yulin finished his words, Anna interrupted him and said so.

Yulin was stunned and thought he had heard wrong.

But Anna’s next words let Yulin know how wrong he was.

“If you hadn’t driven Jing Wu to a dead end, she wouldn’t have done such a crazy thing. Yulin, are you really helping me? “

After a short period of astonishment, Yulin calmed down and said, “Of course, it’s because I listened to you too much and didn’t break Jing Wu completely so that she could hurt Qiqi. If I treated her harder last time, Qiqi would not suffer from such an accident. “

“Between an enemy and a friend, can we only use the death of the enemy to exchange for the safety of the friend?”

“Then what do you want to do? Do you want to see Jing Wu cry and beg your forgiveness, so that finally everyone will be happy? It’s impossible. If Jing Wu knew how to stop, she would not be where she is today. “

Anna opened her mouth a bit, but she didn’t know what to say.

“I will deal with things, and I will not tolerate her because of your soft heart. You should also think about it. If you keep blindly compromising, you will only hurt the people around you.”

Anna silently remembered Yulin’s words and read them over and over again in her heart. She looked even more confused.

.....

Qiqi was still young, so she recovered quickly. The next day, she regained consciousness and was able to talk and eat.

Anna had a look of remorse, thinking that if it wasn’t for her, Qiqi would not be lying here.

But Qiqi thought it had nothing to do with Anna. Jing Wu was the one who hurt her and should be responsible for it.

What’s more, she didn’t have any serious problems now. She didn’t have amnesia or became stupid. There would be follow-up cosmetic surgery for the scar on her forehead to ensure that her forehead would be smooth as before.

Qiqi was a heartless optimist, so she even comforted Anna not to think too much.

But things just happened, no matter Anna thought about it or not.

For example, Jing Wu.

Anna could be sure that Yulin would give Jing Wu a predictably tragic end.

Now that she knew this, would it be cruel for her to do nothing?

But if she pleaded for Jing Wu, what about Qiqi’s injury? And Jing Wu might not appreciate her at all.

Ah, what a contradiction.

“Anna!”

Suddenly back to the reality, Anna looked at Qiqi in the bed confusingly, and asked: "what's the matter?"

Qiqi was confused and asked, "what are you thinking about? I called you several times, but you didn't respond."

"I'm sorry, I just lost my mind. Why do you call me?"

"I'm thirsty. Can you pour me a glass of water?"

"Wait a minute. I'll get you water right now." Anna went to pour the water and took it to Qiqi's lips to help her drink it.

"Well, do you feel better?"

Qiqi nodded, indicating that Anna could take the water away.

Staring at Anna's side face for a while, Qiqi asked: "Anna, what were you thinking?"

"Nothing."

Qiqi squinted and said, "I can tell you have things in your mind. Tell me! Did you quarrel with Yulin?"

"You should take good care of yourself. Do not mind these unimportant things."

"Well, it's because I'm recuperating so my brain is empty. I observe carefully in the past two days. Yulin went to the hospital when he was free. Seemingly, he was sending me fruit. In fact, he was looking for an opportunity to meet you. "

"Anna it's very rare that Yulin, a young lord, can do this for you. Anyway, you are also kind of into him. Why not date with him?"

"I'm not into him," she denied.

"Anna, if you lie, your nose will grow longer."

"I'm just not."

"Then whose eyes are always looking at Yulin's back affectionately?"

"Qiqi, can't the illness stop you from gossiping? Handsome boys don't like gossiping girls "

Seeing that Anna was a little embarrassed, Qiqi didn't continue this topic. She just said with a smile, "Oh, you are shy for what I find."

Ignoring Qiqi, Anna turned to cut the fruit, and then she took the chopped fruit to Qiqi's mouth. Anna was in a daze for a while, as Qiqi ate them joyfully.

After a while, Anna suddenly asked, "Qiqi, do you hate Jing Wu?"

Qiqi took a bite of the apple and said, "Not hate. But if it wasn't for her, I wouldn't lie here to recuperate."

"So you'll still mind what she had done to you, won't you?"

"Of course."

"What if someone begs you to forgive her?"

Qiqi immediately shook her head, "Forgive her? That's impossible! I'm not that kind!"

Chapter 468 You Have Made Progress

"That's it." Anna thought and asked, "If you have a chance, how will you punish Jing Wu?"

"Eye for eye." Putting down the fork, Qiqi asked curiously, "Anna, why do you ask these strange questions?"

Anna immediately showed a smile and said, "Nothing, I just assume."

"Don't waste time on people like that. It's meaningless."

"But since Jing Wu hurts you, she should be punished. I wonder what kind of punishment is proper for her."

"The police have to consider these problems, so you don't need to worry about them. However, it is inevitable that Jing Wu will be detained. "

She lowered her head and murmured, "I'm afraid it's more than that."

"What?"

Anna smiled at Qiqi and said, "Let's not talk about her anymore. Let me comb your hair. Your hair is going to be a bird's nest."

With that, Anna went to Qiqi's back and helped her fold her hair.

Feeling Anna's fingers through her hair, Qiqi slightly wrung her eyebrows, and she thought that Anna had something on her mind.

After Anna helped Qiqi to go to bed, she left the ward and went to the garden downstairs to get some fresh air.

After sitting on the bench for a while, someone came up to her and asked, "Excuse me, is there anyone sitting next to you?"

Hear this voice, Anna got lost for a moment. Then she turned her head and saw a smiling face.

"Miss Chuxue Ye!"

It was Chuxue who sat beside Anna.

"Oh, just call me Chuxue. Don't be so polit all the time."

Anna slightly hooked the corner of her mouth and nodded. Then, she seemed to suddenly think of something, so she asked nervously "Chuxue, why are you here? Do you fall ill?"

"No, I heard about your things, so I wanted to come and pay a visit. It's hard to take care of patient. Do you consider to find a nurse to help you?"

"There are nursing workers here. Yulin has already found them. You don't have to worry."

Hearing so, Chuxue realized something and smiled.

"Oh, I didn't know that Yulin was so considerate. I'm afraid he can only be so patient and careful to you."

Anna felt some embarrassed after hearing Chuxue's words, so she just smiled but not answered.

With her eyes turning, Anna suddenly thought of something and asked, "Ah, by the way, I've been asking for leave these days. What's going on in the dessert shop.....?"

"Don't worry, everything is ok over there. There are other workers to do your job, so you should just pay attention what you need to do here."

After listening to this, Anna felt sorry and said, "I'm sorry that this happened when I should be going to work."

“You don’t have to apologize. Everyone could have this kind of private things. It’s just that you seem to have a little more accidents recently.”

Chuxue seemed to hold other deeper meaning in her words. But Anna did not think too much. She just nodded and agreed, “yes, I’m really unlucky.”

“It’s not a matter of luck. Someone is targeting you.”

“Well, it’s Jing Wu. She’s under control and won’t bother me anymore. “

After hearing so, Chuxue wanted to add something, but she didn’t say anything in the end.

Standing up, Chuxue patted Anna’s shoulder and said, “well, take care. There’s no need to worry about the dessert shop. You can go back to work until everything is settled down.”

“Well, I see.”

“Take care of yourself, too. Don’t get too tired.”

“Don’t worry.”

Anna smiled to Chuxue, who was going away.

However, Chuxue did not drive away from the hospital, but stopped at the entrance of the parking lot.

A person was already standing there, smoking in silence.

When Chuxue came to Yulin, she sneered and said, “Yulin, when did you become such a coward? If you want to take care of Anna, you should directly show your kindness. Why do you use me as a substitute.”

“Anna has her way to go. I hope someone can help her to find her answer.”

“Exactly. Nobody can help her move forward, unless she can figure it out by herself. I’ve just seen her. She’s in a good state of mind. She was not depressed by that thing. Don’t worry. “

Yulin nodded and said, “I see. Thank you for today.”

Chuxue rubbed her nose and kindly reminded him, “Yulin, sometimes you can be more savage.”

“Savage?”

“Oh, figure it out by yourself, too.”

Chuxue drove away, but left these puzzling words to Yunlin.

“What are you talking about, girl?”

Yulin first frowned and pondered, but then he stretched his brow and laughed.

.....

In order to keep up with the progress of other students, Anna asked her classmates to take notes. She went to school every few days to get them and study with Qiqi.

This day, Anna went to take notes again. When she came back, she smelled the fragrance of lily at the door.

When Anna was in Qiqi's ward, she would not put lily here, because Qiqi didn't like the smell of this flower.

The nurse who helped to take care of Qiqi also knew this, so there was never the smell of Lily in the ward.

What happened today? Did anyone come to visit Qiqi?

Stepping into the ward, Anna really saw the lily on the table.

“Qiqi, has anyone been here today?”

“Yes.” Qiqi answered, as pouting to Anan's back.

Anna looked back and found that Qiaoqiao Su stood there, helping Qiqi to arrange her clothes.

Seeing Anna, Qiaoqiao smiled to her and said, “I heard that Qiqi was in the hospital, I come to visit her.”

But Qiqi didn't appreciate it. She turned her head to another side and hummed, “Don't you know who hurt me? You act really like a cat crying for the mice. What a fake mercy!”

Qiqi's words embarrassed Qiaoqiao.

But she didn't leave with dignity. Instead, she braced herself to stay.

“Jing Wu is quite wrong, so I hope I can help take care of Qiqi and make up for her.”

Qiaoqiao kept a low profile, but Qiqi was ungrateful and replied coldly, “It isn’t an easy thing for me to survive this time. I don’t want to die because of your care the next time!”

“I…”

Anna interrupted Qiaoqiao’s words and said, “you’d better leave. Nothing will change even though you stay here. What’s more, Qiqi needs to rest. How can she feel at ease when you are here? “

Qiaoqiao dropped her eyelids and stood up helplessly, saying, “Well, I’ll go now. But Anna, can you give me a ride? “

Anna knew that Qiaoqiao had something to tell her.

After hesitation, Anna followed Qiaoqiao, though.

When they two got to the place where there was no one, Qiaoqiao suddenly turned back and took Anna’s hands. She pleaded: “Anna, please ask Yulin for mercy. If he refuses to let go, Jing Wu will surely die!”

Anna was surprised and asked, “What happened?”

“Since Jing Wu tried to hurt you, she has been detained and was accordingly punished. But Yulin holds the injustice for you and finds someone to teach Jing Wu a lesson in the detention center. As for the means, I will not tell you here. All in all, Jing Wu had become insane now. She is mad.”

“If it goes on like this, Jing Wu will completely go crazy. Anna, for everyone’s sake, please ask Yulin to stop tormenting Jing Wu, will you? “

She was shocked the moment she heard the news.

But under Qiaoqiao’s attentive gaze, Anna slowly calmed down.

She lowered her eyes and opened her mouth slowly. “You should beg Qiqi, not me. After all, Qiqi is the victim lying in the hospital now.”

“But Yulin is standing out for you, and only you can persuade him.”

“You overestimate me. I’m not that familiar with Yulin, so he will not listen to me.”

With a slight frown, Qiaoqiao asked, “Are you giving up a life?”

“Why should I save her life?”

Qiaoqiao was stunned by Anna's strong sense of reason.

"If it wasn't for timely treatment, Qiqi would be dead. An eye for an eye. It's fair. "

Qiaoqiao did not expect that Anna would be so ruthless. She said angrily, "Now Qiqi is fine and Jing Wu will also repent in prison. Isn't it enough?"

"Not enough!"

Anna suddenly accentuated her tone. She looked like another person with cold eyes totally different from what she usually looked like.

"Because Qiqi is lucky, so she is fine now. It has nothing to do with Jing Wu. Don't come to me again. I won't change my mind. If you want to plead for Jing Wu, you can go to Yulin and try if you are lucky enough to persuade him. "

Qiaoqiao really wanted to find Yulin, but she was totally unfamiliar with Yulin, so it's humiliating to beg him by herself.

Anna certainly knew that, but she still advised Qiaoqiao to do so, which was obviously making fun of her.

Thinking of this, Qiaoqiao clenched her fist.

"The gate is in front of you. You don't need me to lead you the way out, and Qiqi doesn't need you to visit. Let's not make each other uncomfortable." After saying so, Anna turned around and left.

Looking at Anna's back, Qiaoqiao clenched her fist.

"Anna, you are cruel enough!"

With a curse, Qiaoqiao left the hospital.

As soon as Qiaoqiao arrived at the hospital, Yulin was reported.

Yulin narrowed his eyes and went outside the ward to see what tricks Qiaoqiao wanted to play.

When he saw that Anna entered the ward, he wanted to rush into the room and dragged her away immediately.

Anna was so soft hearted and easily misled by others.

The relationship between Anna and him was very rigid. If someone provoked their relationship again, it would be in danger.

But Yulin did not expect Anna reacted very calmly this time. She used a wise way to refuse Qiaoqiao's request.

Such a clever Anna should be awarded.

Yulin walked around Anna soundlessly and then stopped in front of her.

Anna lowered her head, harboring something on her mind. Without paying attention, she bumped into Yulin.

"Ah, I'm sorry, I..."

Anna apologized to him nervously. When she looked up, she saw a smiling face.

Yulin!?

"Hey, why don't you make sounds as you walk?"

"I do. It's just that you're so absorbed in your thoughts that you don't hear it." Looking at Anna, Yulin asked with a smile, "do you have anything to say as you see me?"

"What should I say?"

"I thought you would come to me and intercede for someone."

Anna's eyes darkened and she said: "Some people are bad inside. It is not worth wasting words for them."

"Wow, you've made progress."

As Yulin sighed with emotion, he also reached out his hand and patted Anna's head, as if to praise a child waiting for sugar.

This kind of feeling was very ambiguous.

Anna blushed, and then she felt something was wrong.

Looking up, Anna frowned and asked, "how do you know Qiaoqiao has looked for me?"

"I..."

"You arrange your people in the hospital!"

Yulin rubbed his nose, which meant he admitted.

"Someone's targeting you. I just want to protect you."

Anna frowned more deeply and asked, "Targeting me again? Who do I offend? Why should I have such bad lucks all the time?"

"Don't worry. I'll take care of it for you."

Yulin wanted to protect Anna, but Anna said, "I want to know the identity of that person."

Yulin shook his head and said, "Because of your character, you are unsuitable to deal with these things. Let me help you."

"Then, let me owe you one favor after another? Yulin, I'm not so stupid. "

"You are not smart when you should be. When it's time to be some stupid, you become smart. "

He flicked Anna's forehead with a spoilsman's smile.

What happened to Yulin today?

Feeling embarrassed, Anna unconsciously stepped back to leave some distance between them.

But as Anna stepped back, Yulin followed forward the same distance. The ambiguous atmosphere seemed to surround Anna.

They two repeated this movement until Anna had nowhere to move back, so she had to stop.

Holding her skirt, Anna said, "anyway, thank you for this time."

"As long as you can understand and know that I do all this for you." His soft voice made Anna's heart become soft as well.

She slightly raised her head, looking into Yulin's eyes, and asked, "Why are you so nice to me, I'm so troublesome, and I'm wasting so much of your time. You should feel very annoyed."

"Not at all, I am very idle, so I had a lot of time."

Such an answer brought Anna a trace of desolation, which showed in her eyes.

But that mood disappeared quickly, so Yulin did not notice it.

Staring at the distance, Yulin put his hands in the pockets of his trousers and said, "The doctor tells me that Qiqi's condition is very stable. You can also have a rest."

"I'm not tired, I don't want to rest."

"But I'm very tired. I've been busy for your business all the time. You should accompany with me to have a rest, OK?"

Anna chuckled, "You are the first person in the capital. The people who want to accompany you must be countless."

"But I don't want them to accompany me. I just want you. Just give me an answer. Will you accompany with me?"

Anna wanted to refuse. But on a second thought, Yulin did help a lot.

No matter what was Yulin's purpose to do all these things, the final result was that Qiqi was in a good condition now.

From this point of view, she should have a better attitude towards Yulin. She should try her best to meet Yulin's demand.

Thinking of this, she looked up and asked, "where are you going?" Anna's words meant that she had agreed.

Chapter 469 What Am I to You?

"I'll tell you when the time comes." Yulin Xiao smiled and said.

"Why don't you tell me now? You're not trying to sell me to someone else, are you?" Anna Xie joked.

"You... a stupid girl. Even if I want to sell you, no one wants to buy you." Yulin deliberately teased.

"You ....." Anna was a little angry. And Yulin thought her angry look was cute.

"Haha, I'm kidding. The night after tomorrow, can you join a party with me?"

"Is there any delicious food there?" Anna muttered.

"Sure, there's lots of delicious food there." Yulin said, and then he took out a necklace.

Before Anna could react, Yulin put the necklace around her neck. She looked down and realized it was the necklace Yulin had picked out at the mall.

“You’ve worked too hard these two days. This is a gift for you.”

“But .....

“Please accept it. I’m happy you’ll be wearing it at the party.” said Yulin earnestly.

Without saying a word, Anna turned around and walked away quickly.

“What happened? Did I say something wrong? ” Yulin was puzzled why she suddenly left.

In fact, Anna was happy to receive the necklace from him, but she didn’t want Yulin to see her shy face.

“He picked such a gift for me. Does this mean he likes me?” She thought.

.....

Wei Yu’s engagement party was held on a luxury yacht.

Leaning on the railing, Anna looked at the sea, relaxed. Yulin saw her staying there alone and walked over to her.

“There are snacks over there. Why don’t you go over and eat?” Yulin asked.

“It’s comfortable to sit here. I want to stay a little longer.” Xiana stretched and said.

“If you like the sea breeze, next time I’ll take you out on the boat.” Yulin said.

Anna was happy to hear him say he would take her out with him. They sat shoulder to shoulder, enjoying the moment of peace.

Soon, this peace was interrupted by an intruder.

“What a coincidence. I didn’t expect Mr. Xiao to come here too.” A man said.

Hearing a voice behind him, Yulin frowned. Then he got up and looked at the person behind him.

“Why can’t I come here?” He asked with an expressionless face.

“You and Wei before .....

Yulin looked impatient. “It’s in the past. She and I both need to move on.”

“Indeed, you have a point.” said the man. “Your friend is beautiful.”

He stared at Anna. Realizing that he had annoyed Yulin, the man said, "Then I'll leave you two alone." Then he quickly left.

"What did he just mean? What is this party?" Anna asked.

"Don't pay attention to his words. Let's just enjoy the view and the food." said Yulin. Then he reached out to touch the necklace around Anna's neck. "This necklace is perfect for you."

"You'd better not buy me a gift. These things are very expensive and I don't know how to pay you back in return." Anna said.

"I don't need you to do repay me. You are my girlfriend. I'm happy to buy you a gift."

Anna blushed. "I haven't agreed to be your girlfriend."

"But my friends all know you're my girlfriend."

Watching Anna blush, Yulin found it very interesting. He deliberately moved closer to her and said with a smile, "You don't want to be my girlfriend?"

"I ....." Anna hastily reached out to cover her face

Yulin knew she was shy again and looked at her with a smile. Then he wrapped her arms around her waist.

"Yulin, you're here." Wei Yu's voice came.

She was wearing a long white dress embellished with shiny gems.

But Anna didn't care how beautiful she was. She only stared at Wei's neck. The necklace Wei was wearing was exactly the same as her. At that moment, Anna's heart was racing.

Yulin also saw the necklace, puzzled. Wei also saw Anna's necklace, but she was calm.

"Does Miss Xie also like this brand of jewelry? I am a regular customer of this jewelry store, and I have a collection of limited edition necklaces of this brand."

Anna was still in a daze and did not hear Wei's words, but Yulin was a bit angry.

"Since when do you like this brand of stuff?" He asked.

Wei glanced at him. "Honey, you really don't know anything about women."

She spoke in a tone as if she was talking to her boyfriend.

Anna felt she was the other woman interposed between them, so she turned around and prepared to leave. But Yulin tugged her.

“Anna, this necklace suits you, so I bought it for you.” He explained.

“I know. I just... think I’m really stupid.” With that, Anna hurriedly ran out.

“She must have misunderstood the relationship between me and Wei!” Yulin thought. Then he glared at Wei, and was about to go after Anna. But Wei stopped him.

Yulin was already furious, and now he was even more furious.

“Wei, you did that on purpose.” Yulin asked angrily.

“What are you referring to?” Wei asked back.

“You know it.” Yulin said.

“Do you really like her?” Wei asked sadly.

“Yes.” Yulin returned without hesitation.

“You forget me for her?”

“Yes!”

His answer made Wei’s heart ache.

Holding back tears, Wei asked, “Then what am I to you?”

“Ex-girlfriend, that’s all.”

Wei smiled bitterly. “But you’re not an ex-boyfriend in my eyes.”

Yulin sneered. “You were the one who wanted to break up with me in the first place.”

“Don’t you know that I love you very much? I marry someone else because I have to.”

Obviously, Yulin didn’t believe her explanation. “If you don’t want to do, no one can force you.”

Wei shook her head, forcing back her tears. “We are all grown up. We all have our family missions. And my mission is to marry someone who is of use to the family.”

“Couldn’t my family meet your parents’ requirements?”

“Your family is not the best choice for my family. So my parents asked me to give you up. I’m just a sacrifice for my family.” Wei said sadly.

Once, she thought she could give up Yulin, but when she saw him with another girl, she would still be jealous and angry.

Looking at Wei’s crying face, Yulin’s heart softened. He handed her the handkerchief. “If your family is really in trouble, I will help you.”

She did not take the handkerchief he handed her. “You are still so naive. One day you will be like me and can only marry someone who is useful to the family.” She said stubbornly.

“Such a thing will never happen to me. My family does not need me to make such a sacrifice and I will not compromise with anyone. It was you who had no faith in our relationship, and it was you who chose to end it. Now, you might as well get ready to be a bride.”

After saying what he wanted to say, Yulin prepared to leave. But then he suddenly turned around. “And don’t interfere in my affairs again. If you piss me off, you know what the price is.”

Wei did not expect Yulin to speak to her in such a harsh tone. She could not tolerate him being so cold to her all of a sudden.

“You’re threatening me, aren’t you?” She laughed bitterly.

“Since you have made your choice, it is over between us.” said Yulin, expressionless.

Then he turned around and left.

Looking at Yulin’s back, Wei was sad. “You are really cruel. The sacrifices I made for my family are so worthless in your eyes.”

.....

Anna sat on the deck chair.

She felt a little thirsty, so she drank a glass of red wine.

When she was about to drink a third glass, Yulin stopped her.

“If you drink more, you’re going to get drunk. I don’t want to carry you back.” Yulin teased.

Anna turned her body to the side and didn't look at him.

Yulin smiled. "Why do you come here?"

"I wanted to be alone for a while." said Anna. She emphasized "alone", hoping Yulin would stay away from her. But Yulin deliberately sat in a chair with her.

Anna glared at him. "Please leave me alone. Go stay with your old lover."

Then she continued to push him hard, trying to push him away. Yulin's body was shaken by her pushing, but he seemed to enjoy her pushing him.

"She has a fiancé." Yulin said.

Hearing this, Anna became even angrier.

"Since you know she has a fiancé, why can't you forget her? If you still like her, you should try to get her back. Why are you bringing me into this?"

"You seem angry." Yulin asked.

"Of course I'm angry. Can't I be angry that you fool me?"

"Why do you think I fool you?"

"I know you still like Wei. I'm just some pale substitute dating you until you can win her back." said Anna.

Chapter 470 Anna, You lied

"In my eyes, you are never a replacement." Yulin said sincerely.

"Then how do you explain this?" Anna held the necklace up to him.

"If I say it's just a misunderstanding, can you believe me "Yulin explained.

"No, I don't believe."

"I don't know why Wei also has a necklace like this." Yulin said sincerely. "Trust me, I don't lie to you.

"I only believe in my own eyes." said she coldly.

As for why Wei Yu had a necklace just like Anna's, Yulin would definitely look into it. He was now more interested in Anna's reaction to the matter.

"Even if I gave you a necklace that is the same as Wei's, why are you so angry?"

"I ..... I just ..... don't like to be treated as a substitute." Anna stammered.

"You like me, right? Otherwise you wouldn't care who you're a substitute for." Yulin said calmly.

"No, I didn't, I just ...just..." Anna hurried to explain.

Before Anna could finish, Yulin suddenly leaned down and kissed her.

This kiss was so sudden that Anna was not prepared at all.

Then Yulin looked at Anna with affectionate eyes and said in a slightly husky voice, "Anna, you lied."

"Yes, I lied. I have a crush on you. It's just that I like someone I shouldn't have liked." Anna said. Then her tears flowed down her face. She told herself to be brave, but actually she was still afraid to confess her feelings to Yulin.

Yulin was going to tease Anna, but when he saw her cry, he was heartbroken.

He wiped away Anna's tears and became serious. "If I didn't like you, I wouldn't explain this to you. If I saw you as my toy, I wouldn't worry about you after I've used you."

Anna sniffled and held back her tears. "Maybe you're nice to me because you love toys."

Yulin, who was serious, laughed out loud at her words. "Anna, didn't my performance make you feel that I like you too?"

Anna was a little puzzled. "I ..... don't want to flatter myself."

"I.... really like you." Yulin said softly. Then he kissed Anna again.

This time Yulin kissed her tenderly, as if he was caring for a precious treasure.

Anna tried to stop Yulin from kissing her, but she couldn't push him. Then she also gradually followed her heart and became addicted to his kiss.

The guests laughed when they saw Yulin and Anna kissing. But Wei Yu watched them from the side, clenching her fists.

.....

The engagement party was held on a cruise ship, so it was impossible to leave early. Even though the party was boring, Anna could only endure it.

At this point she fidgeted a bit when she remembered that Yulin had just said he liked her. But she didn't believe that Yulin would like her. "Is he just kidding?" Anna thought.

"Miss Xie, why are you here alone? Where is Yulin?" Wei walked behind her and asked gently.

Anna turned back and saw her at a glance. When she got closer to Wei, Anna realized that she was even more beautiful. At the moment Anna had a little inferiority complex.

"He went to the bathroom." She said back.

Wei smiled. "I've known him for so long. It's the first time I've seen him care so much about someone. It seems that he really likes you."

"I don't know."

"What?" Wei asked, puzzled.

She looked up at Wei and forced a smile. "Nothing."

"I feel sorry for Yulin. I hope he can find happiness of his own. I hope Miss Xie won't let me down." Wei said deliberately.

Anna felt that her affair with Yulin had nothing to do with Wei, so what Wei said made Anna feel strange.

"I know Yulin well enough. He likes to play pranks. He is that kind of childish person."

"Does Yulin..... like pranks?" Anna was puzzled.

"Yeah, maybe you should advise him to stop pranking all the time."

"Yulin doesn't always listen to me." Anna said, looking down

"I see he treats you very differently. He even says you're his girlfriend. Does he dare not listen to what you say?"

Wei kept observing Anna as she said these words.

Anna just smiled lightly. "I'm still not quite used to people saying I'm Yulin's girlfriend. From now on, I have to slowly get used to this."

Hearing her words, Wei was a little sad. "Then I hope to hear good news from you two."

Anna was thinking about what she meant by good news when she had already turned around to leave.

At the corner, Wei met Yulin.

Yulin looked at her, then at Anna. He frowned.

"Can you stop looking at me with that expression? I'm not trying to abduct your girlfriend." Wei said to Yulin and then walked past him.

Wei knew that she and Yulin would never get together, but she was still jealous of Anna. After tonight, she was someone else's fiancée, and then she and Yulin were on two completely different worlds.

Yulin walked up to Anna and asked nervously, "What did Wei say to you?"

"She didn't say anything."

"Then why do you have such a strange expression?"

"Your ex-girlfriend is so pretty. I'm just jealous of her." Anna retorted.

"But her fiancé isn't as good as your boyfriend. On that point, you win her over." Yulin teased.

Anna laughed at his words. "Yulin, you are narcissistic."

"What I said is true. I'm serious." Yulin said.

Anna was silent. Watching the cruise ship getting closer to the shore, Anna stood up. "The ship is about to dock. We should go."

Next, there was a dance that the young people enjoyed. Some elders would leave early. It seemed a little inappropriate for Anna to leave at this time. However, Yulin didn't ask her to stay, because he didn't like the occasion either.

Some of his friends invited Yulin to join them at the ball, but Yulin declined their invitation. He explained that he had to send Anna back to school.

After Yulin left, Wei felt that the ball was boring. Although she was the main character of the party, she didn't feel happy at all. Instead, she felt that everything was so

hypocritical now. She found an excuse and went back to the lounge. And her fiancé was still out socializing.

Seeing Wei return to the lounge, Qiaoqiao immediately stood up. She was the makeup artist who did Wei's makeup today. Today, it should have been her teacher to help Wei with her makeup, but he had a temporary problem, so he let Qiaoqiao come here. She is smart and thoughtful, so she quickly gained Wei's fondness. Sometimes they would chat a bit in their free time.

Seeing that Wei was sad, Qiaoqiao asked with concern. "Miss Yu, is there anything I can help you with?"

At this moment, Wei was thinking about Yulin and Anna. She was eager to find someone to pour out her bitterness.

"Yulin really likes that girl." Wei's voice was hoarse.

"Are you referring to the girl next to Yulin? She is my classmate." Qiaoqiao said.

"Stop it. I don't want to hear anything about her." Wei shouted.

"Yeah, that kind of woman is indeed not worth our time to discuss her." Qiaoqiao said with contempt.

Looking at Wei's curious look, Qiaoqiao continued. "In fact, Anna has bad reputation in the school. There are all kinds of rumors about her. And if she doesn't tempt Mr. Xiao, Mr. Xiao will definitely always like you."
