Chapter 521 Wicked Cuisine

Hearing these words, Jingyan Ye smiled and shook his head.

Indeed, as Chuxue Ye said, considering the relationship between them, it would be too soon to talk about love. Maybe Yuqi Xiao would not have made such a hasty decision if no accident happened.

Squinting at Jingyan Ye, Yuqi Xiao said, "What, why did you look like that, don't you believe me?"

"No, I believe you."

Although Jingyan didn't say anything, Yuqi felt that Jingyan was perfunctory, he said with his jaw held high, "The more you look down on our relationship, the more I will stick to it, I will show you that I, Yuqi, am a serious man."

"Relationship is for yourself to experience and digest, not for others to see, don't push yourself."

"From what you're saying, you also think that Qiqi and I are not going to work out?"

Jingyan smiled and said, "It's just, so far, it's all about you, did the girl say yes to you?"

This question made Yuqi speechless.

That's right, now it's all Yuqi's illusion, Qiqi still didn't know anything about his intention. When she came to her senses, would she agree to be his girlfriend? What if she refused him

Thinking of this possibility, Yuqi immediately raised his voice as if someone poked his flaw, he said, "Of course she will agree, who am I, it won't take me a second to let her fall in love with me, she's just a little girl."

Hearing Yuqi's brag, Jingyan's lips curved in a smile, he said, "I'll remember what you've said, I hope that when the day comes, it wouldn't be a slap on your face."

"Don't worry, as long as I, Yuqi, decide to do something, I won't miss my target."

Then, they talked about the company and Yulin Xiao. After a while, they saw Chuxue Ye walking over with Yiyao Duan.

Yuqi put out his cigarette immediately and said, "Yiyao and Chuxue are coming."

Jingyan didn't want Yiyao to smell the smoke, so he took a few steps forward and reached out to put his arm around Yiyao's waist.

He was a little worried, afraid that Yiyao would get emotional when she saw Qiqi's condition.

But so far, Yiyao was calmer than he expected. Although her face was a bit grim, she still looked calm.

Yuqi asked Chuxue, "Is Qiqi okay?"

"The same as always. I'll go get some clothes for Anna first."

Yiyao asked, "Whose clothes are you going to bring?"

"Qiqi's. I'm going to send her to stay with Yuqi for two days after she's discharged from the hospital, so I'm heading to her school to pack some things that she needs."

Yiyao and Jingyan looked at Yuqi with subtle expressions and said, "So that's how it is."

"By the way, Yuqi promised me that he wouldn't touch Qiqi. Today you all be the witnesses, we must not let him deny it."

"Good." Yiyao smile subtly, then she looked at Chuxue and said, "Since you are going to Qiqi's school, I'll give you a ride, we are going the same way anyway."

Chuxue nodded and said, "Good, then Yuqi, remember to arrange for Qiqi's matter in the hospital, let's all split up."

Everyone went their own way, Yuqi returned to the ward alone.

The nurse had just help Qiqi take the medicine, and when she looked up, she saw Yuqi's figure.

The nurse was fascinated by Yuqi's handsome face, she stared at him without speaking for a long time.

Although Yuqi has been already used to women's gaze, but now he's really not in the mood to flirt with others, so he asked coldly, "What?"

The look in Yuqi's eyes was so domineering that the nurse was frightened and chilled all over her body, so she turned her head, not daring to look at Yuqi again.

This was really strange, such a horrible person, how did she feel he's friendly just now?

The nurse shook her head and said with a shivering voice, "No, nothing."

“Go out if you’re done here, don’t disturb the patient’s rest.”

“Yes yes!”

The nurse finished speaking and walked out hurriedly, as if she was hiding from some plague.

The room became quiet, Yuqi walked to Qiqi’s bed. He took out a diet that he had just bought.

Open the lid, the fragrance filled the ward immediately.

If Qiqi was awake, she would have yelled to taste it.

But now

Bitterness curled Yuqi’s mouth, he shook his head and murmured, “I know you are a meat-eating person, but the doctor said, you need to eat something bland now. This time, just fill your stomach first, next time I will cook for you personally, I promise you’ll like it.”

Yuqi opened the lunch box and waved it in front of Qiqi’s nose deliberately to make sure she could smell it.

But Qiqi didn’t show any reaction, she still looked blank.

When Yuqi brought the rice to her mouth, she took a bite. She wouldn’t say anything if she’s still hungry, and she wouldn’t speak when she felt full.

Seeing her acting like this, Yuqi was heartbroken. He told himself to take his time, but he couldn’t help become impatient in his heart.

He didn’t want to see such a good girl ending up like this, he must help Qiqi recover as soon as possible.

.....

Looking at those suitcases in front of him, Yuqi looked at Chuxue speechlessly and said, “Can you explain to me what this means?”

Chuxue sat there, drinking her tea slowly, while Zhao Nangong looked helpless beside her.

“I’m here to take care of Qiqi.”

“You can take care of her as you like, but why do you bring all your luggages here?”

Putting down the cup of tea, Chuxue put on a serious look, she said, “I’ve been thinking, it’s too tiring for me to go back and forth between my home and here, so I thought, why not live here? It’s convenient for me, and I can accompany Qiqi.”

Yuqi folded his arms, raised his eyebrows and asked, “Is that so?”

“If you have to ask, I’ll admit it. Let’s say, I am not at ease to send a beautiful girl to the embrace of a cunning fox. What if one day the fox gets hungry and swallows her at night?”

“I’m not that hungry.”

Chuxue looked incredulous, she said, “Yeah, you are not hungry now, whatever you like to say.”

Yuqi was speechless, he looked at Chuxue and asked, “Zhao Nangong, what’s wrong with Chuxue lately, what’s in her little brain?”

Zhao Nangong shrugged his shoulders, indicating that there was nothing he could do.

“Don’t ask Zhao Nangong, he supports my decision. If you’re afraid that I won’t be able to take care of Qiqi, I can have Zhao Nangong

When Yuqi heard this, he interrupted Chuxue’s words hastily and said, “Okay, stop it, I agree.”

Raising her eyebrows proudly, Chuxue said, “Why don’t you just agree with me earlier, you’re wasting my time. Then I’ll go pack my luggage.”

After saying that, Chuxue carried her suitcase and went to the room.

Yuqi scratched his forehead with his fingers, frowned at Zhao Nangong and asked, “Hey, do you often match wits with her, it feels like she has been smarter lately.”

“She is a member of the Ye family, she is not stupid at all.”

When Yuqi heard this, he smiled and said, “Why do I feel that you are insinuating something by saying that?”

“Don’t make a wild guess, I just say it thoughtlessly. I’m going to go see if there’s anything I can help with Chuxue.”

Yuqi’s sight followed Zhao Nangong, he squinted his eyes and suddenly sighed.

It seemed that the days ahead would be hard for him to bear.

The next day.

Yuqi had not yet awakened when he was woken up by the sound of clanking.

He took the clock to see, it was still early, what the hell was she doing?

He sat up when he's so sleepy with his eyes half closed, then he walked out of his room to check on where the sound was clanking. Yet he saw Chuxue was messing with something in front of a pot with flour on her face.

Yuqi leaned against the door, he said in a helpless voice, "Miss, what are you doing here?"

"Can't you see? I'm making the breakfast."

Yuqi looked around at the disfigured kitchen and asked with a frown, "Are you making a breakfast, or tearing down the kitchen?"

Chuxue looked impatient and said, "Gee, don't be so calculating about the details, breakfast will be ready soon, and it will definitely amaze you."

"I don't expect your breakfast to be stunning, just please don't make it a shock."

Yuqi walked out of the kitchen, he's totally awake now, so he made himself a cup of coffee, sitting outside the kitchen to watch Chuxue, lest something happen to his kitchen.

About a quarter of an hour later, Chuxue beckoned to Yuqi and said with a smile, "It's time to eat."

At this moment, Chuxue's face was covered by stains, yet she smiled brightly and her eyes shone like a crystal gem.

Yuqi took a deep breath and suddenly, he had a feeling of being executed soon.

And his serious expression made Chuxue unsatisfied.

"I worked so hard to prepare the breakfast, why do you act like you're going to get yourself killed?"

"My reaction? I feel like I'm a lab rat now."

"Ridiculous, which lab rat can win such a good treat, with me, Miss Ye, cooking for you to eat, just chuckle in your heart!"

Yuqi couldn't win the squabble with Chuxue, so he didn't pick up the fight again. He walked to the table, wanting to experience Chef Chuxue's craft.

But after seeing the food on the table, Yuqi suddenly fell silent.

But Chuxue spoke like she's presenting her treasure, "How about it, is it appealing in taste, aroma and appearance?"

Taste and aroma? Appealing? Why didn't Yuqi see any of them?

He used chopsticks to pick up a piece of dark stuff, Yuqi resisted his desire to vomit and asked, "This is what you called amazing?"

"Don't look at this scrambled egg of bad presence, I added sea cucumber, beef, raisins, cereals, oh, and carrots in it, comprehensive nutrition!"

Just listening to Chuxue's description, Yuqi felt he would get poisoned. If anyone dared to eat this, he must be a warrior.

Seeing that Yuqi was about to roll his eyes, Chuxue said hurriedly, "Hey, you don't have the right to speak without tasting it first, just try it."

Saying that, Chuxue handed the plate to Yuqi, indicating that Yuqi should eat it now.

Yuqi took a step back immediately and kept a certain distance from that thing and said, "I refuse to eat it."

The food that she prepared carefully was rejected, Chuxue snorted coldly, "Gee, you are so stupid that you don't know to enjoy good stuff. Alright then, I'll go to feed Qiqi."

When Yuqi heard this, he grabbed Chuxue's collar immediately and warned her, "Don't you poison Qiqi with this kind of shitty stuff!"

"Hey, watch your language, you don't know how to appreciate delicious food, and you don't let me find like-minded people? Get out of my way, maybe Qiqi likes my cooking!"

"I said no!"

"You"

Chuxue was about to say something when the phone in Yuqi's room suddenly rang.

"Hey, your phone is ringing."

Yuqi reached out and pointed at Chuxue, warning, "Remember what I said, don't feed it to Qiqi!"

After saying that, Yuqi walked back to the room hastily.

Looking at Yuqi's back, Chuxue made a face at him and said, "Humph, why can't I feed her when you say no, who needs to listen to you!"

After she said that, Chuxue turned around and went to Qiqi's room.

"Qiqi, this is my special breakfast for you, it's nutritious, come and try it!"

After the phone call, Yuqi returned to the dining room, but he found that the wicked cuisine was not at the table, then his face sank and he walked towards Qiqi's room quickly.

This stupid girl, he had told her not to feed Qiqi, but she didn't listen. If Qiqi got poisoned, he would definitely be mad at Chuxue!

The more he thought about it, the more impatient he became, Yuqi walked to Qiqi's room and opened the door.

Seeing the scene in front of him, Yuqi felt his heart tensed up.

He saw Qiqi sitting at the table with her head down, it's unable to see her face, while Chuxue was standing aside in shock, some food on the plate had been spilled on the floor.

He walked over quickly and asked, "What's going on?"

Chuxue raised her head to look at Yuqi, her lips moved but she didn't say anything.

Her reaction made Yuqi become more anxious, he frowned and raised his voice, asking, "What's going on, tell me!"

"Just now, Qiqi cried."

"She cried?!"

Yuqi lifted Qiqi's chin immediately, and sure enough, there were still teardrops on her face.

Yuqi wiped her tears heartbrokenly, he asked, "Nothing happened, how come she's crying?"

Chuxue was incredulous too, she said, "I fed her for only once, then she cried, so I didn't dare to feed her again."

"Such a terrible food, you should know who eat it will cry. I've told you not to feed Qiqi, why don't you listen!"

Yuqi was anxious and got up to dump the plate of wicked cuisine into the trash bin.

Chuxue looked very aggrieved and said, "I I just want to help her gain some nutrition."

After Chuxue said that, she seemed to have suddenly thought of something, she looked at Yuqi, shouted, "Wait a minute!"

"What did you come up with again?"

Chuxue snatched the plate over and said seriously, "I remember the psychologist said that being able to make Qiqi cry out is also a way to help her recover."

Yuqi slanted his eyes at Chuxue, asked, "What do you mean?"

"Maybe if you continue to feed her, Qiqi will feel that she can't take it anymore and cry it out loud, then she will be fine!"

Chuxue's suggestion made Yuqi speechless.

"Chuxue, are you out of your mind! Feed her some more, what if Qiqi hasn't been cured but also been poisoned by your cooking!"

Chuxue got mad, she said angrily, "Yuqi, watch your language, I did it for Qiqi's own good, why are you shouting at me!"

Yuqi, on the other hand, said, "This is not helping her, it is obviously harming her!"

"I really don't want to talk with you, dark-hearted man!"

Since she's unable to communicate with Yuqi, Chuxue wanted to pack her things and left here.

But when Chuxue was packing her bags, she found something wrong.

Chapter 522 Keep Going

Eh, where was my steamed bread?

She remembered that she had brought steamed bread, but she couldn't find it now. Could she have lost it somewhere?

Chuxue Ye looked around, and then saw an amazing thing just happen.

Qiqi was eating that steamed bread!!

Yuqi Mu and Chuxue looked at each other, with their eyes full of excitement.

Qiqi was willing to eat thing by herself, which was definitely a good thing!

Chuxue couldn't hide her excitement, so she leaned over Qiqi and said in a low voice, "Qiqi, this steamed bread is not delicious. You'd better eat the food I made."

With that, Chuxue took a wired food to Qiqi like presenting a gift, and Qiqi turned her head to another side.

Although she could still not respond, obviously she was resisting.

Chuxue's food was despised, but she was still quite delighted. She looked up at Yuqi and said, "Qiqi has responded!"

"Thanks to you for making such a terrible food. Fighting poison with poison. It's all your credit!"

Yuqi's compliments made Chuxue twitch her mouth, "When you praise others, can you put it another way?"

Yuqi was not in the mood to think about his words choices. At the moment, he stared at Qiqi with a bright emotion, "Anyway, it's a good thing."

"Well, then I'll keep up my efforts and make food that Qiqi doesn't like!"

Chuxue clenched her fist and cheered herself up.

But Yuqi could not agree with her decision.

He frowned and said, "This time, it's an accident. How can you continue to hurt Qiqi? Anyway, I don't want she gets hurt in any aspect."

Since Yuqi said so, Chuxue shouldn't refute anything. She pursed her red lips and said, "I didn't say I wanted to hurt her. However, after a while, the psychologist will come to treat Qiqi and we should talk about it with her. Maybe she will have better suggestions. "

After hearing so, the light shining in Yuqi's eyes were more glorious.

Two hours later, the psychologist appeared in Yuqi's apartment as scheduled.

Yuqi couldn't wait to tell the situation to the psychologist. After hearing what had happened, the psychologist pondered for a moment and gave her own opinion.

"Qiqi now is like hiding in her own small room. She doesn't care what we say or do outside her room. But miss Chuxue, with the food Qiqi didn't like, forced her to open a window and push out the food she didn't like. In the same way, we can continue to stimulate her with things that Qiqi doesn't like, and let her get bored, and finally come out and fight against us. "

"Of course, this kind of stimulation must be mild and can't use things she once cared about very much, otherwise, it will only make her protect herself more closely, which will be counterproductive. As Qiqi's friends, you should know what Qiqi doesn't like, right?"

Chuxue nodded confidently and said, "Yes, of course I know."

"Well, then you should think about it carefully. If you have any good suggestions, you can discuss with me, and then let's make the best choice to help Qiqi fight against the demons."

"Okay!"

Chuxue didn't expect that things could make progress so soon, so she was full of confidence and energy.

After the psychologist left, she began to discuss with Yuqi.

"What do you think Qiqi doesn't like?"

After hearing this question, Yuqi was stunned and said, "You said you know what Qiqi doesn't like before. Why do you ask me now?"

"I....I'm just responding to the psychologist casually, but I'm sure you know it. I'm sure it's right to ask you. "

Yuqi shook his head and said, "I don't know."

After hearing his answer, Chuxue stared at him with her eyes widening roundly, and said, "You told me that Qiqi is your girlfriend. How don't you even know this?"

Yuqi showed a helpless expression and said, "Qiqi and I haven't known each other for a long time. It's normal that I don't know such things."

His words made Chuxue frown and murmured "Oh, yes, the time you two meet is even not as long as Qiqi and I do."

Although this was the fact, it did hurt Yuqi to some extent.

“Can we just talk about the matter and stop emphasizing the time?”

Chuxue had no time to pay attention to Yuqi’s glass heart. She twists her eyebrows to meditate.

Suddenly, she looked at Yuqi with bright eyes and said, “Hey, if we want to know what Qiqi doesn’t like, we should ask Anna Xie.”

But Yuqi immediately rejected Chuxue’s suggestion.

“No, Anna doesn’t know what happened to Qiqi yet. If she knows, she will finish her honeymoon ahead of time and come back as soon as possible.”

Sure enough, with the relationship between Qiqi and Anna, Anna could possibly come back immediately.

Chuxue thought for a while again and said, “Then let’s think of a way to not let Anna know the situation of Qiqi, but still get her words out.”

Yuqi also knew that this was a good idea, but he was not that optimistic. He said: “It’s too subtle. If you can’t manage it well, Anna will find out.”

Chuxue patted her chest and said, “Maybe there’s a way. Let me try it.”

Since Chuxue made a promise, she went back to the room, thought hard for a while, and then decided to call Anna.

After a deep breath, Chuxue dialed Anna’s number and made the phone call.

“Du.....” It beeped several times, the phone was picked up.

“Hello, Anna, am I bothering you to call you at this time?”

After receiving the call from Chuxue, Anna was quite surprised and said, “Not at all. I haven’t slept yet. It should be early in the morning where you are.”

As her eyeballs turned a circle, Chuxue said with a smile, “Ah, I’m baking cakes so I can’t get up late and I want to chat with you. How are you doing over there? “

“It’s nice, but I’ve been out for so long. I miss you all.”

Chuxue was afraid that Anna would change her itinerary and came back ahead of time, so she said, "This is your honeymoon trip. It's only once in your life time. You must have fun. Don't think about coming back early because of missing us too much."

Chuxue's attitude was a little strange, but Anna didn't say much about it. She just answered with an "Oh".

"By the way, I have something to ask you."

Anna smiled and said, "No need to be so polite with me. Just ask what you want to know."

Chuxue pretended that she was very distressed and asked, "Qiqi has been doing very well in the store recently. Seeing her working so hard, I want to buy a gift and reward her. But I don't know what Qiqi likes or dislikes. So I want to ask you about that. "

"Well, as for the thing Qiqi likes, it is very simple, that is to eat."

"But it's not memorable. I want to know something special. For example, what setbacks did Qiqi suffer before, what flavor she hated, what little animals she didn't like, or which star she wasn't into... "

The more Anna listened, the more strange she felt. She asked, "Chuxue, what does this have to do with your gift?"

"Of course, it has. I should understand these clearly, so as not to waste my kindness by giving something she doesn't like."

Chuxue answered rightfully, Which made Anna some speechless.

But Chuxue's intention was good. Even though Anna felt strange, she could only answer truthfully.

"Qiqi is a very optimistic person and has no setbacks."

Yes, it was precisely because Qiqi had no setback that she was hurt so deeply when she was isolated and framed this time.

"As for the taste she doesn't like, well, she doesn't like the taste of coriander."

This one needed to be written down in a notebook.

"She doesn't like crocodiles, animals with hard shells. I don't like rock music, I hate other people smoking, I can't stand other people picking their feet in front of her... "

Anna said a lot randomly. When she finished, she found that Chuxue was silent in the phone.

Anna asked with an embarrassing smile “Am I talking too much?”

Writing down the last word in the notebook, Chuxue bit her pen cap and said, “Not at all. Well, my cakes are ready. I’m going to have a look. Let’s talk next time. “

“Anna, does Qiqi.....”

Before Anna finished her words, Chuxue had already hanged up the phone.

Holding her cell phone, Anna frowned slightly.

What’s going on over there? How did she feel that everyone had become so weird?

Anna stared at her mobile phone in a daze. She didn’t even notice Yulin Xiao walking to her.

Yulin leaned over and kissed Anna on her lips. Anna was surprised, looked up and fell into his dotting eyes.

“What are you thinking so seriously?”

Anna pursed her lower lip, rubbed her mobile phone and said, “Chuxue acted so strangely.”

“Did she just call you?”

“Yes, Chuxue asked a lot about Qiqi, and they were all old and strange questions. In addition when I think about the reaction of Qiqi two days ago, I feel very worried and I always feel something bad may happen. Otherwise, I’d better call Qiqi. “

“Not now. Qiqi should be sleeping soundly. If you call her suddenly, you can’t solve any problem, but disturb Qiqi’s beautiful dream. “

“Well, you’re right.”

Seeing that Anna was worried, Yulin rubbed her hair and said, “Don’t worry, Yuqi and Chuxue are with Qiqi over there. They will protect Qiqi. It’s you. You’re too nervous. Relax a bit. We come out on holiday, but you are always depressed, which makes me feel like I’m an unsuccessful husband. “

Trying to raise a smile, Anna said, “Well, I will not worry too much anymore.”

Although she said so, Yulin knew that she would still keep thinking about Qiqi.

And the best way to get Anna to divert her attention was to attract her mind with another message.

“By the way, I heard that Yiyao is pregnant.”

As soon as he told this to Anna, she immediately widened her eyes and said with a smile, “Oh, really, it’s a good thing.”

“Then we have to work hard on it.”

At the beginning, Anna didn’t understand what the relations between Yiyao’s pregnancy and their hard working.

Until Anna realized the lure and desire in Yulin’s eyes, she just turned around her head with red face.

The shy look made Yulin’s eyes darken. He bent over and kissed Anna. Then he tried his best to make Anna’s brain blank, and her body seemed to be lying on a white cloud, floating and sinking.

.....

When Yuqi was dealing with the mail in the room, Chuxue came in with a small notebook. She lifted it up, and shook it in front of him, full of pride.

“Look what it is!”

Yuqi looked at Chuxue calmly, waiting for her to tell him the answer.

Seeing Yuqi didn’t want to cooperate with her, Chuxue angrily lowered her arm and said, “Boring. You’re so boring.”

Yuqi was speechless. He leaned back on his chair and said, “My time is very tight. Please tell me the main point.”

After sitting down at will, Chuxue turned over the notebook and said, “it records all the weaknesses of Qiqi. With it, we can definitely help Qiqi to get out of her room and return to normal.”

After saying so, Chuxue felt the missing of that notebook in her hand. In the next moment it was in the hands of others.

Looking back at Yuqi, Chuxue said discontentedly, “Ah, how did you take it?”

Yuqi answered rightfully, “I will decide what we will do, to avoid you doing too much to stimulate Qiqi.”

“Ha, are you kidding me? That’s what I’ve been trying to get. Why should I give it to you? Moreover, my concern for Qiqi is no less than yours. I have a sense of propriety. Give me back quickly!”

Chuxue reached out her hand, but Yuqi patted her hand away.

“I don’t believe you.”

“Then I don’t believe you, either. Hand over the stuff quickly. It’s the fruit of my labor!”

“Anyway, I’ve taken it. You can’t take it back. I’ll pay you back when it’s done. “

“Who wants your payback? I only want my own stuff. Give it to me quickly!”

“No way!”

“Asshole, sc.um!”

“Whatever you say, I will never give it to you.”

With that, Yuqi got up and left.

Looking at Yuqi’s back, Chuxue reluctantly murmured, “You don’t believe me? Will I harm Qiqi? You even want to take actions behind my back. You must have forgotten who organized the data. I have already recorded the content in my mind! Now, we’ll see who can really help Qiqi! “

.....

Yuqi had business in the company today, so he went out early.

As soon as he left, Chuxue mysteriously went to Qiqi’s room with a basket in her hand.

There was a pair of coriander, scissors, and scallions in the basket.

This was also the theme of Chuxue today – olfactory stimulation.

Qiqi didn’t like these flavors. Maybe under the double stimulation, Qiqi could make some more reactions, which might also make Yuqi shut up and stop to look down upon Chuxue’s ability all the time.

Thinking of Yuqi’s admired face, Chuxue smiled delightfully.

Windows in Qiqi’s room was widely opened. In order to have good effect, Chuxue specially closed all the windows, then sat beside Qiqi and took out all the things in the basket.

The pungent smell permeated the whole room instantly.

Chuxue stared at Qiqi nervously to see her reaction.

But Qiqi didn't look any different, just sitting there obediently and motionlessly.

Was the taste not strong enough?

Chuxue pursed her lower lip, then took out the scissors and began to cut the scallions in front of Qiqi.

The pungent taste made Chuxue start to shed tears. Since her eyes were full of tears, Chuxue couldn't observe Qiqi clearly.

Raising a hand to wipe down tears, Chuxue began to suffer from fiery pain in her eyes all of a sudden before she was about to say something.

Chapter 523: My Mysterious Husband - Tips

0 7 minutes read

Chapter 523 A Suprising Result

Damn, the scallion sauce was splashed in her eyes.

Chuxue thought she was really stupid and then quickly went to the bathroom to wash her eyes. However, the next moment, she was str!pped over by the basket and fell, thus she could only held herself by her hands. Unfortunately, the scissors were putting down there and she was hurt.

"It hurts!"

Since she couldn't see clearly and her hand was bleeding, she could only yell loudly.

At this moment, Yuqi Mu was about to take some documents from the apartment, as soon as he walked in, he heard the yell and quickly narrowed his eyes and rushed in.

At first, he smelled the pungent odor and then saw Chuxue who was in a mess, immediately he knew what had happened.

She was really a stupid woman.

After taking a look of her hand, Yuqi Mu went to find the medicine c.hest. However, Chuxue just held him and sobbed, "My eyes hurt, deal this first."

At this moment, Chuxue's eyes were already red and swollen, she couldn't even open her eyes.

Yuqi Mu was really speechless, so he took Chuxue to the bathroom and help her clean her eyes, and then fetch the medicine box and wrapped her hands.

“It’s painful!”

Yuqi Mu acted rudely which made Chuxue very painful.

After disinfection, Yuqi Mu wanted to patched up her hands. However, he didn’t know how to do that and the wound was larger.

Chuxue suppressed the pain and asked, “Do you know how to do that? It’s bleeding!”

Yuqi Mu frowned and said seriously, “I haven’t learned either, just give me some time.”

“Even if you’re not professional, you can’t do this. You just want to drive me away and stay with Qiqi alone.”

He was nervous and didn’t wrap it well. Sweats could be seen all over his forehead, then he said, “The gauze is not enough, I’ll go get some more.”

Obviously, he didn’t know how to wrap at all. By the time he understood, she had already died.

Chuxue was pessimistic, she felt that she was likely to die here.

Just at this moment, someone sat opposite her and quickly patched up her hands skillfully.

Such decisive and fluent process really shocked Chuxue.

“Qiqi

After doing this, Qiqi sat on the chair with her head lowered, like a statue.

Seeing this, Chuxue thought she had a illusion.

Just when Chuxue was stunned, Yuqi Mu came in.

Seeing that the hands were wrapped up, Yuqi Mu frowned and said, “Since you can bandage yourself, why do you ask me? Are you teasing me?”

Hearing this, Chuxue turned to look at him and said, “Are you stupid? If I really know how to bandage, why do I ask you to do that? It’s painful.”

Then Yuqi Mu felt stunned and asked, “What do you mean?”

Then Chuxue hinted him to look at Qiqi.

Yuqi Mu immediately got it and held Qiqi's hands, "Can you see me? Have you recovered? Just tell me please."

"Don't talking nonsense, I guess it's because I was too noisy, she just wanted me to keep quiet."

Yuqi Mu didn't trust Chuxue, so he waved his hand in front of Qiqi, however, there was response.

Alas!

Yuqi Mu sighed in desperation.

Chuxue held his head with the uninjured hand, and after pondering for a while, she said, "I think Qiqi acts better when you are not here."

Yuqi Mu was already in a bad mood, after hearing Chuxue's words, he was more furious.

"This is a coincidence and means nothing!"

Yuqi Mu was frustrated, however, Chuxue didn't change her mind.

She stared at Yuqi Mu and asked with her eyebrows raised, "Could it be that you are the one that she cares most. If so, perhaps you can be the medicine to stimulate Qiqi. Maybe there's a good result."

"What do you mean?"

"Well, I just want you to get injured and then she will be worried and walked out the room."

The more Chuxue thought about it, the happier she became, she thought it was a feasible idea and took the scissors and stared at Yuqi Mu.

Seeing this, Yuqi Mu frown and asked, "What are you doing?"

Chuxue shook the scissors and smiled badly, "Come on, I won't hurt you."

This time, Yuqi Mu finally figured out Chuxue's intention, and he frowned and yelled, "You must be crazy!" Then he ran away.

Chuxue followed him and said, "Don't say that, I just want you to have a small wound, and then it's your turn to convince Qiqi."

"It's not what you said."

"You say you like Qiqi, but you don't dare to do this. You are a hypocrite."

"Just put the scissors down, I'll figure out the ways."

"So you don't trust me? Don't worry, since I had experienced that, I won't hurt you."

Then she smiled evilly and waved the scissors in her hands.

"You are noisy!"

Just when they were quarreling, a faint voice was heard and really shocked them.

Then Yuqi Mu turned to look at Qiqi with amazement in his eyes.

Chuxue rushed to Qiqi said excitedly, "We really worry about you. You finally want to talk to us."

Chuxue wanted to say more, but Yuqi Mu immediately drove her aside and said, "Qiqi, look at me, do you still know who I am?"

Then Qiqi moved a bit. She seemed to look at Yuqi Mu, but she had blank stares.

"Do you know how much I hate you?"

Since she hadn't spoken for too long, her voice was hoarse, which made people feel hurt.

Yuqi Mu wanted to say something, but Chuxue stopped him and gestured him to keep silent.

It seemed that Qiqi was struck in her own memory. So they could do nothing but to listen.

"I did nothing, but I was misunderstood. They humiliated me and took my honor. It's not fair!"

"I studied hard and worked hard to make my future bright, why should I endure this for such a ridiculous reason?"

"And those who mocked me, they knew nothing about the truth, why do they act like that?"

"I'm so tired, I can't bear this, what can I do?"

Then Qiqi stared crying sadly, even her voice was hoarse.

Hearing this, Yuqi Mu felt painful, he held her into his arms and wanted to comfort her.

Chuxue was also very sad, Qiqi was really very brave, how could she endure those abuses and scold?

After a while, Qiqi stopped crying and wiped her tears as before. Feeling that she calmed down, Yuqi Mu started to help her wipe the tears as well.

Such soft movement made Qiqi relaxed and slowly open her eyes.

She was like a pure baby. Then she stared at Yuqi Mu and said, "Yuqi Mu?"

Hearing his name, Yuqi Mu felt very fortunate, he was really happy at this moment.

He held Qiqi's hands carefully, as if he was afraid to scare her, then he said, "It's me."

Then Qiqi looked up at Chuxue, seeing that her eyes were red, she asked, "Chuxue why are you crying, is someone bullying you?"

Hearing this, Chuxue quickly shook her head and smiled, "No, it's because the smell here is too smoky."

Qiqi took a deep breath, and then immediately frowned, "You are right, I don't like the smell."

Hearing this, Yuqi Mu hugged Qiqi tightly. It was until this moment that he knew Qiqi was back.

But Qiqi felt shy and quickly pushed him away.

"What are you doing? This will scare Qiqi!"

Even if Yuqi Mu missed her, he shouldn't do this, what if Qiqi was scared again?

Qiqi felt a bit embarrassed, she thought Yuqi Mu and Chuxue act weird today.

After looking around, she was surprised, "Why am I here?"

Chuxue stared at Qiqi and asked, "Qiqi, don't you remember the things happened before?"

"Well, I feel like dreaming and I don't know whether it's true or not."

"Then just tell me."

Qiqi tried to recall and said, "A notice was placed in the school's bulletin board, which said I was disqualified to get the award, and I was blamed in public....."

The more Qiqi said, the clearer her brain became, and the paler her face was.

She looked at Chuxue and asked sadly, "It's true and not a dream, right?"

Chuxue quickly explained, "I know you are very aggrieved. But everything is fine now, we've already find the mastermind, those who slandered you had already been arrested."

Hearing this, Qiqi was stunned and asked, "You mean monitor and the man in glasses are detained?"

Yuqi Mu was very furious about that and he said angrily, "Of course, they have to pay a huge price."

"Well, don't be a wet blanket, since Qiqi has recovered, what about eating some delicious food to celebrate!"

Qiqi thought she should have say something. But actually, since she felt very depressed, she didn't want to speak for them. They deserved this.

Since someone was willing to handle this trouble, she was happy and wanted to relax. All she enjoyed was tranquility now.

Chuxue poured a glass of water for Qiqi, after taking a sip, Qiqi thought about something and asked, "So how did I get here?"

Then Chuxue and Yuqi Mu stared at each other, Chuxue thought they should tell her the truth.

"You were shaken up and struck into your own world, which really worried us. Fortunately, you are fine now, or we don't know what to do."

"Huh?"

Qiqi didn't expect herself to act this that, she was a bit embarrassed.

"Well, you are taking care of me these days right?"

"Of course."

Qiqi scratched her head and said, "Thanks a lot."

"Don't be polite, since you are fine now, it means nothing. In order to take good care of you, I learned many things including cooking."

Hearing this, Yuqi Mu rolled up his eyes, how dare she to say that? It was funny.

Of course Chuxue didn't think like that, it was not dark cuisine! If wasn't for those dishes, they wouldn't find ways to stimulate Qiqi.

She really done something good.

While Chuxue was boasting, Qiqi said, "I remember, when I was unconscious, someone fed me strange and weird things."

Hearing this, Chuxue stopped smiling.

"Strange things?"

"Could it be that someone had fed me sh!t?"

Hearing this, Chuxue was really very embarrassed. However, Yuqi Mu couldn't help but laughed loudly.

Chapter 524: My Mysterious Husband - Tips

0 7 minutes read

Chapter 524 I'm Here to Help You

Seeing this, Qiqi felt weird.

Chuxue was very embarrassed, she patted Qiqi's shoulder and gritted her teeth, then she said, "Since you are not fully recovered, I'll just forgive you."

Yuqi Mu didn't want to continue the topic, so he said, "Well, let's get down to business, I'll ask the psychologist to come now and do a full examination to Qiqi."

After the examination, the psychologist smiled relieved.

"All indicators are good, Qiqi, you are really a brave girl."

Such praise made Qiqi blush slightly and said, "Brave? I thought you would think I am weak."

"How could it be? Everyone encounters their difficulties, you just need time to break it. Now, you do a great job. Not every one can do that."

Hearing this, Qiqi smiled coyly, she was a bit embarrassed and proud.

"Besides, you are so lucky to have such good friends, they've helped you a lot. A friend in need is a friend indeed."

After looking at Chuxue and Yuqi Mu, Qiqi suddenly felt that the world had become warmer.

Chuxue held Qiqi's hands with her moist eyes, however, she smiled brightly.

Then Qiqi stared at Yuqi Mu, she felt that something was different, she was nervous and quickly withdrew her sight.

"Well, since you're fine, I'm relieved. But remember to take the medicine for another two weeks, communicate with your friends if anything happens."

Qiqi smiled and nodded, "Got it."

"Then take a good rest, I'll go back first."

Yuqi Mu personally sent the psychologist to the door.

Qiqi felt relaxed when Yuqi Mu was not here.

She didn't know what had happened, a sense of oppression made her very nervous, as if something had changed.

Chuxue sat beside Qiqi and helped her peel oranges, at the same time, she told Qiqi all the things happened recently.

After hearing this, Qiqi said sincerely, "Thank you."

However, this made Chuxue even more guilty, so she quickly said, "Don't say that, it's all our fault, if we could know this earlier, you wouldn't act like that. Anna doesn't know this yet, she would blame us if she know."

"No, it's because I'm weak, I'm already grateful to have you to help me."

Then Yuqi Mu walked back, seeing that they were chatting, he asked, "What are you talking about?"

"Qiqi is expressing her thanks." Chuxue ate an orange and suddenly narrowed her eyes, then she said in a playful manner, "Seriously, if you really want to thank us, just marry Yuqi Mu."

When hearing this, Yuqi Mu quickly stared at Qiqi.

However, Qiqi just ignored this and said, "Don't tease me, since I'm fine now, it's time to go back to school, I'll go back to pack my luggage later."

Hearing this, Chuxue raised her eyebrows and looked at Yuqi Mu, wanting to see his reactions.

Yuqi Mu was silent for a moment and asked, "You don't seem to have many classes the next semester, right?"

Qiqi nodded and said, "Well, I have to focus more on the post-graduate exam."

"Actually, you can just live here so that you don't need to go to the library."

The implication of these words was already obvious, Chuxue wanted to know Qiqi's answer.

However, Qiqi didn't get it and waved her hand and then said politely, "No, it's fine for me to study in the school. That's more suitable for me."

"But people will interrupt you, just like your monitor."

Hearing this, Qiqi thought in her heart, "You will also affect me here."

Yuqi Mu's invitation made Qiqi a bit annoyed.

Chuxue should suppose to help her for she didn't like Yuqi Mu, why did she keep quiet?

Qiqi was confused and pursed her lips, then she said in a shy manner, "It's not convenient, I can live with Yuqi Mu."

Hearing this, Chuxue smiled playfully and said, "Then you mean you can live her alone, right?"

Then Chuxue turned to look at Yuqi Mu and said, "Leave here to Qiqi."

Hearing this, Yuqi Mu glared at Chuxue with a fierce expression. Then Chuxue spit out her tongue and thought that Yuqi Mu was really annoyed.

Feeling that the atmosphere was even more embarrassed, Qiqi wanted to leave here now.

"Well, I'll pack my luggage first."

Just at this moment, Yuqi Mu suddenly asked her, "Qiqi!"

Qiqi looked back in a shy manner, which made people want to protect her.

“Although no one dares to spread gossip again, but since you’ve just recovered, you’d better rest more. Our efforts are all in vain if something happens again. Then your study will be affected, what do you think, Chuxue?”

Chuxue was just watching beside, she was a bit confused when hearing her name and quickly smiled, “Yuqi Mu is right, just stay here for a few more days, I’ll accompany you.”

However, hearing this, Yuqi Mu was dissatisfied.

“Why do you stay? She’s already recovered.”

However, Chuxue rebutted, “You said she has to rest for more days, of course, someone need to take care of her. Do you have other meaning?”

Yuqi Mu looked at her and gritted his teeth, “No, just do as what you said.”

“Good.”

Chuxue raised her eyebrows, and then held Qiqi’s arms and walked out together.

Looking at their backs, Yuqi Mu felt Chuxue was not his friend.

He was really stupid! How could ask Chuxue to live here at first. She had been interrupted his plan, when could Qiqi be his girlfriend?

He should talk to Chuxue and stopped her. Thus he narrowed his eyes and followed them.

After taking the medicine, Qiqi went back to rest.

Chuxue was about to continue her dark cuisine, then Yuqi Mu stopped her.

Seeing that he looked unfriendly, Chuxue teased, “I thought you were going to express you love to her.”

“And then you can tease me. I’m not that stupid.”

Chuxue quickly shook her head and said, “Don’t think like that, I just want to witness your love. Things shouldn’t be that boring, if there is someone who can share your joy, that’s meaningful.”

Of course, Yuqi Mu wouldn’t be fooled, “Thanks, I don’t need that.”

“Qiqi needs it, trust me, girls really care about that.”

"Trust you? Don't talking nonsense!" Yuqi Mu said bluntly, "She must be my girlfriend, don't play tricks."

Chuxue continued to play dumb and said, "What are you talking about? I wish her happy, but the premise is that you are the one that can make her happy, or I'll definitely drive you away."

"Please remember one thing, this is my home, I'm the owner."

"Well, that's fine, I can go with Qiqi."

Chuxue wanted to bring Qiqi away, which really made Yuqi Mu confused, so he asked, "Why can't you just bless us?"

"I want but I think you can't be together."

"Why do think like this? I don't even tell her my feeling."

After putting down the recipe, Chuxue said mysteriously, "Don't you notice that she is avoiding you? She acts like this before you express your love, so how will she act if she know? She would have dug a hole and buried herself."

Yuqi Mu didn't agree with what she said, "She is shy."

"Nothing would change even if I leave."

"No, you are interrupting us."

Chuxue shook her head and pretended to be hurt, "You are really indifferent. How can you say that since we are relatives?"

Yuqi Mu still acted indifferent and said, "This is the truth. I've already called Zhao, he will drive you home, go and pack your luggage."

However, Chuxue snorted coldly and didn't care at all, then she reb.uttetd, "Sorry, I just called him to bring his luggage here as well."

Yuqi Mu was helpless, he didn't know how to do with her. He treated her nice enough, but she wasn't satisfied.

Yuqi Mu sighed helplessly and begged her, "Chuxue, just leave space for us please."

However, Chuxue still acted innocent and said, "You misunderstand me, I just want to help you."

"Well, I don't think so."

“Be careful and you’ll know one day.” Chuxue smiled sweetly and Yuqi Mu and then asked, “By the way, what would you like to eat tonight, stewed seaweed with walnuts or roasted pig’s feet with dragon fruit?”

The names made Yuqi Mu felt disgusted and he asked with a frown, “Can we eat that?”

“Of course, it’s good. That’s the essence I learned from dozens of recipes!”

“Well, then I’d rather abandon them.”

“You don’t understand. I know Qiqi will like this.”

Yuqi Mu felt painful when thinking that she wanted Qiqi to eat her dark cuisine, the next moment, he thought maybe it was a good idea to drive her away.

Thus, he pursed and said to Chuxue, “Since you are confident, just try and show us your skill.” Then he left.

Chuxue looked at his back and murmured with her eye brows raised, “He acts strange.”

At dinner.

Faced with a table of “delicacies”, Qiqi suddenly had no appetite.

She liked each of the ingredients, however, when they cooked together, they were like poisons.

However, Chuxue was very enthusiastic and invited her to have a try, “Qiqi, since you have to rest more and study, eat more.”

“That, I’ll eat this cucumber.” While saying, she took a bite, however the next moment, she felt disgusted and said, “That’s not a cucumber

She quickly spit out the things in her mouth, it was really a torture to her, so she asked, “What is this? It’s bitter, sweet and salty.”

“This is fried apple with mangosteen, don’t you like it?”

Seeing that Chuxue looked at her sincerely, she didn’t want her to feel frustrated.

However, she couldn’t eat that as well.

Just when she was thinking a method, someone dumped the dish into the trash without hesitation.

“Yuqi Mu, are you crazy? I’ve cooked so hard!”

Chuxue was frantic, she roared at Yuqi Mu and wanted to tear him apart.

However, Yuqi Mu was calm and said, “Since we are tired today, we should eat some delicious food and not your dark cuisine. Qiqi, let’s go, I’ll take you to the restaurant.” Then he took Qiqi away, and Qiqi just follow him obediently.

Obviously, she didn’t want to eat those disgusted food made by Chuxue.

But Qiqi was worried about Chuxue, so she said to, “We shouldn’t leave her there, just bring her with us.”

Yuqi Mu refused directly and said, “She must be angry now, let her calm down alone first.”

“But

Before Qiqi could finish her words, she was shoved into the car, then Yuqi Mu helped her fasten the seat belt and then he drove away.

Chuxue, who was still up there, watched the whole process.

Chapter 525: My Mysterious Husband - Tips

0 7 minutes read

Chapter 525 A Failed Confession of Love

They left in a hurry and could only eat in a simple restaurant.

Although the dishes were normal, they were much more delicious than those dark cuisine made by Chuxue. Qiqi was satisfied and ate all the food quickly, then she leaned on the seat in a relaxing manner, just like a cat.

Seeing this, Yuqi Mu thought she was cute and he enjoyed such warm atmosphere.

Those past experiences made current time more precious.

After feeling Yuqi Mu’s gaze, Qiqi felt a bit embarrassed and quickly sat straight and touched her face, “Is my face dirty?”

“No.”

“Then why do you look at me like that?”

“Because you look more delicious.”

“What?”

Yuqi Mu didn't expect himself to say this, he felt annoyed and embarrassed. However, since he was good at hiding his emotions, nobody could feel his weirdness.

He smiled casually and looked at Qiqi, then he said in a playful manner, “Sorry, Chuxue's dark cuisine is really horrible, everything looks delicious to me now.”

Hearing this, Qiqi was relieved. Then she felt confused and said, “Chuxue is good at making desserts, why can't she cook well?”

“That's normal, she is a quirky girl. Unfortunately, we have to endure that, she will be angry if we have any questions. She must be very furious now since we've left her there alone.”

This was also Qiqi worried most, she didn't know how to explain to her and comforted her.

Looking at Qiqi's expression, Yuqi Mu knew what she was thinking.

Since she had already believed him, he started to continue his plan, “Seriously, we don't need her to help us, maybe she makes dark cuisine for she has spare time, just ask her to go home and we'd feel better.”

After saying this, Yuqi Mu stared at Qiqi, wanting to know her answer.

As long as she agreed, he had the excuse to drive Chuxue away.

However, after pondering for a while, Qiqi didn't answer him directly but said, “It's up to Chuxue, we can't intervene her choice, she must be very angry now for we had left her alone. We'd better bring some food back and apologize to her.”

Qiqi called the waiter and ordered something that Chuxue loved, and then packed them away.

Yuqi Mu knew that instead of pleasing herself, she wanted Chuxue to be happy.

He felt very upset and made up his mind that he would never give Chuxue another chance to cook again.

When they returned to the apartment, Chuxue hid herself in the room, Qiqi knocked the door and kept comforting her.

“Chuxue, we bring your favorite food, come out to have a try please.”

“I was wrong, please forgive me, don't be upset.”

“How can you forgive me?”

Although, Qiqi said a lot, there was no response. Then she looked at Yuqi Mu and acted very anxious. She didn't know what to do.

However, Yuqi Mu held her hands and said, “Just let her stay, I have something to talk to you. Come with me please.”

“Can you say it later?”

“No, it's very important, I have to say now.”

However, all Qiqi cared now was Chuxue, other things meant nothing to her now.

Since Yuqi Mu looked so serious, she could only listen to him first.

However, as soon as she turned around, Chuxue opened the door. Hearing this voice, Yuqi Mu snorted.

She was really good at performing, as long as there was gossip, she stopped acting.

Seeing this, Qiqi was happy.

She quickly held Chuxue's arms and said with a smile, “Chuxue, are you hungry? I've brought some delicious food to you.”

However, Chuxue still acted unhappy and said indifferently, “I have no appetite since you don't like my food.”

“Well, just stay in your room then.”

Before Qiqi could say anything, Yuqi Mu said first.

Hearing this, Qiqi frowned and gestured him to keep quiet.

Qiqi was very anxious, Yuqi Mu thought she was cute and then directly caressed her face.

Such ambiguous and intimate behavior made Qiqi stunned, then she blushed.

Seeing this, Chuxue was very angry. Yuqi Mu didn't think of her at all! Since he acted like this, she wouldn't help him.

Thus, Chuxue just held Qiqi's hands and said with a smile, “I'm afraid to let you feel disappointed, Yuqi Mu. Come with me to have a try of the food you brought Qiqi, I have something to talk to you.”

Saying this, Chuxue took Qiqi away.

Qiqi smiled apologetically at Yuqi Mu and said, "Sorry, I'll come back to talk to you later."

Seeing this, Yuqi Mu looked angry and then followed them to the dining hall.

Chuxue didn't feel surprised to see Yuqi Mu. However, she said directly, "What are you doing here, do you want to join us?"

"I'm here to protect Qiqi, lest you poison her."

"Humph, I won't do those food anymore."

Hearing this, Qiqi sighed with relief and smiled brightly. Then she opened the lunchbox and said, "Of course we can't let you do those dirty works, just wait here for the delicious food."

Chuxue took a bite and pretended to be dissatisfied and said, "It's normal."

Qiqi wanted to eat such so-called normal food as well. However, since she was comforting Chuxue, she just echoed her.

Chuxue took a glimpse of Yuqi Mu and felt his anger. It was the time for him to be angry.

Chuxue smiled playfully and asked, "Qiqi, is there anyone you like in the school?"

The sudden change made Qiqi a bit stunned and she shook her head and said, "No."

"Why? There are many handsome boys in your school, we all know that. Besides, there are so many types of them, none of them can attract you?"

Under Yuqi Mu's stare, Qiqi laughed and said, "There are indeed many handsome boys, but they have nothing to do with me."

However, it was not what Chuxue wanted to hear, so she continued, "We can just enjoy their handsome faces."

Hearing this, Qiqi thought a while and nodded, "In that case, there are really a few boys who attract me."

Then the atmosphere was suddenly frozen.

"A few?"

Yuqi Mu asked with a smirk, then the atmosphere became even more weird.

Qiqi was very nervous, however, Chuxue rolled up her eyes and continued, "It's only a few, don't say that okay? Compared with me, this means nothing, keep saying Qiqi. Which type attracts you more?"

"Well, I like those who can play a musical instrument, especially the guitar. It's awesome."

"Really?"

"Yes, and those who can sing as well."

Hearing this, Yuqi Mu said weakly, "Actually, I can play the piano."

However, since Chuxue and Qiqi had a excited chat now, they just ignored Yuqi Mu's words.

"I know, you mean that the singer in the school right? Those who look depressed and make you want to protect them."

"Yes! Do you like them?"

"Of course, I think no girl can refuse them."

Seeing that they didn't care about him, Yuqi Mu was furious and left.

Qiqi felt weird and asked, "What's wrong with him?"

"Just don't care about him, he's quirky, let's continue our topic."

Before Chuxue could finish her words, she heard the slap of the door.

Qiqi felt a bit anxious and said, "I think, it's better to go and see him."

"He must be angry now, do you really think so?"

"It's not good to let him sulk like this."

"Well, maybe he's just dealing his works in the room. Don't disturb him."

Chuxue's words convinced Qiqi and she said, "Fine."

Then they kept talking, which made Yuqi Mu even more furious.

Why did she treat Chuxue so nice, but treat him like this? How could she do that?

Yuqi Mu had been waiting for Qiqi in his room. But no one came even if the lights were turned off outside.

Yuqi Mu couldn't bear that. Thus, he stood up and walked to Qiqi's room.

He didn't want to hid his feelings anymore, and he would tell her now!

Then he knocked Qiqi's door and after a while, the door opened, Qiqi looked sleepy and asked, "It's late, is there something wrong?"

Yuqi Mu said seriously, "I have something to say to you."

"How about tomorrow, I'm sleepy now."

"No, I want to say it now."

Seeing this, Qiqi had to compromise and said, "Okay then, just you say it."

Yuqi Mu took a deep breath and lowered his head, he was thinking about how to say that, while Qiqi was considering whether to go back and put on a dress first.

"Qiqi, I like you."

The sudden voice made Qiqi stunned.

She looked up at him and thought he must be crazy.

"Qiqi, please be my girlfriend!"

After looking at Yuqi Mu for a while, Qiqi knew he was serious, he really confessed his love to her.

"Are you drunk?"

"No."

"Then do you get fever?"

"Neither."

"Well, it must be sleepwalking, go back to sleep quickly." Then she was about to close the door.

But Yuqi Mu quickly stopped her and said, "I am serious, can you be my girlfriend?"

Yuqi Mu looked at Qiqi with affections in his eyes.

“No.”

Qiqi refused him directly, which made Yuqi Mu stunned.

“What?”

“Hah!”

Just at the same moment, a laughter burst out.

After seeing Chuxue, Yuqi Mu frowned, he was very annoyed.

However, Chuxue just ignored him and mocked, “You are failed!”

“Why are you here?”

“Qiqi and I had a night talk, so naturally we have to sleep together. Why do you confess to her at this moment? It’s r0mantic.”

Yuqi Mu was very depressed, he intentionally avoided Chuxue but it was all in vain.

Besides, Qiqi really refused him.

He was rich and smart, many women liked him! Why did Qiqi refuse him?

Yuqi Mu couldn’t accept this result, he frowned, hoping Qiqi could give him a reasonable explanation.

Under Yuqi Mu’s sight, Qiqi just lowered her head.

Seeing this, Yuqi Mu was angry and also helpless.

“It is you who refuse me, why do you act like that? You seem to be sadder than me.”

“I just feel sorry.”

The cute and soft voice quickly eased Yuqi Mu’s anger, he just wanted to know the reason now.

“Just give me a reason.”

Chapter 526: My Mysterious Husband - Tips

0 7 minutes read

Chapter 526 I Don’t Like Playboys

Hearing this, Qiqi's head became lower and she said, "I don't like playboys."

The words made the atmosphere freeze again.

However, hearing this, Chuxue laughed loudly and said, "Qiqi, don't be so straightforward."

She not only refused Yuqi Mu, but also embarrassed him. Yuqi Mu must be very upset now.

The laughter made Yuqi Mu very furious.

"Chuxue, shut up!" Yuqi Mu roared, then he turned to look at Qiqi and questioned, "Who told you that I am a playboy? Chuxue?"

Qiqi waved her hand and said, "No, you are a celebrity, it's easy for me to know something about you."

Well, she was telling the truth, everyone knew this.

But Yuqi Mu felt it was unfair, so he said, "How can you trust those rumors? You had once been hurt by that."

"This is truth, you had been with those stars."

Yuqi Mu hesitated for a while and said, "You are right, but....."

"Besides, you even had affairs with other models at the same time."

Yuqi Mu was nervous, sweats could be seen all over his forehead, so he quickly explained, "I just had a dinner with them, that was not true!"

"But you had more than twenty girlfriends right?"

Hearing this, Yuqi Mu turned to look at Chuxue and asked, "Why does she know this? Do you tell her?"

Chuxue quickly denied, "It's not me, I promise."

Then Qiqi continued, "Don't say that to Chuxue, I find those news myself. You can rebut me if I'm wrong."

Although Yuqi Mu wanted, these were all the facts, he was really regretful now, why did he do such stupid things when he was bored.

Thus, he rubbed his hair and said, "That's the past, it has nothing to do with our relationship. We have to move on."

Qiqi just lowered her head and said: "But, this means that you are a playboy, I just want a true love that can last forever. It's better for us to be friends."

"How can you say this without having a try?"

"I've already knew the result, why should I do that?"

Then Yuqi Mu just looked at Qiqi and smiled sadly, "Well, I know, just keep sleeping. Sorry for disturbing you."

Then he left and looked very depressed.

Seeing this, Qiqi was also very sad. She lied on the bed quietly and wrapped herself with the quilt, she couldn't sleep at all.

Chuxue was lying beside her, after staring at the ceiling for a while, she asked, "Are you awake?"

"Yes."

"Let's talk for a few minutes."

"What do you want to say?"

"I thought you like Yuqi Mu."

Then Qiqi quickly answered, "I do like him."

Chuxue didn't expect to hear this, so she turned to look at Qiqi with her face full of confusion.

"Then why do you refuse him? Many women want to be with him."

"That's not the same, how can I be with him after I know that we are destined to be apart? We'd better keep distance."

It was until this moment, Chuxue thought she didn't know Qiqi well.

She thought that Qiqi was a frank girl, but now she knew that Qiqi had her own thoughts.

Yuqi Mu had used the wrong way, he was so confident that Qiqi would agree.

But this was good, Qiqi was a good girl, how could Yuqi Mu get what he wanted so easily? She wouldn't agree that either before making sure that Yuqi Mu was reliable.

Then Chuxue sighed and said with a smile, "You are a wise girl, that's out of my expectation."

"Well, let's sleep now." Then Qiqi turned to the other side and pretended to be sleepy.

However, she couldn't sleep at all.

Chuxue understood she was avoiding the thing, so she just listened to Qiqi's words and prepared to sleep.

After a while, Chuxue asked another question, "Qiqi, will you regret later?"

"I've regretted now, but it has nothing to do with my decision."

"What a stubborn girl."

Chuxue sighed lightly and then said nothing more. Finally, she fell in sleep.

As for Qiqi, it was a sleepless night.

The next day.

Chuxue went back to her room to change her clothes and washed up, while Qiqi was packing her luggage in the room.

After packing up all the things that belonged to her, Qiqi clapped her palms and planned to leave here after breakfast.

If nothing had happened yesterday, Qiqi could still stay here for a few more days.

But she didn't want Yuqi Mu to feel embarrassed, so she wanted to go back to school.

Meanwhile, Chuxue had dressed up and ate breakfast with Yuqi Mu downstairs.

Actually, compared with eating breakfast, they were more like chatting.

Chuxue looked at Yuqi Mu calmly and said, "You mustn't sleep well since you have dark circles."

Yuqi Mu held his arms and replied indifferently, "It's none of your business."

Hearing this, Chuxue shrugged her shoulders and pretended to be sad and said, "Really? I want to tell you something about Qiqi, but now it seems that you don't need that."

Hearing this, Yuqi Mu frowned and said, "What did she say?"

Obviously, he still cared Qiqi.

Chuxue raised her eyebrows and said, "Your attitude is bad."

"I've already treated you nice since I'm in bad mood now."

Chuxue knew that he was really upset and furious now, so she said, "Okay, since you're so pitiful now, I'll tell you."

Then she looked at Yuqi Mu seriously and said, "Just give up."

Yuqi Mu was expecting that he could hear some good news. But she just denied him, which made him very angry, so he yelled, "Impossible!"

Chuxue knew he would act like this, she just answered quietly and said, "Why? Since you're not fall in love, this is the best way."

"We can be happy, she is just too cautious to have a try."

However, Chuxue didn't agree his words and said, "Although Qiqi is young, she knows what she wants and won't fall in your traps. Your status and money means nothing to her."

"Can't I just attract her by my charm?"

"Well, it's hard."

Chuxue's words made him very depressed and he said with dissatisfaction, "Chuxue, if you are here to irritate me, then you can go now. Qiqi must be my girlfriend."

"Do you really like her or just want to have a sense of gain?"

Hearing this, Yuqi Mu was stunned at first, then he answered loudly, "Of course I like her."

His words didn't convince Chuxue, she narrowed her eyes and said, "I hope so."

Yuqi Mu was a bit nervous, he thought it was incredible, so he just said, "You are really not good at chatting, I have no appetite now." After saying this, he left.

But just as he turned back, he saw Qiqi and the luggage beside her.

Originally, he was considering what to say to her, as soon as he noticed the suitcase, he was very angry and said, "What are you doing?"

Qiqi lowered her head and said, "I've already recovered, I want to go back to school."

Hearing this, Yuqi Mu snorted, "Do you think that I'll drive you away for you didn't accept me? It seems that in your heart I'm not just a playboy, but also a shameless person."

"No."

"Then stay here if you don't think so, I'll go to work now."

Yuqi Mu didn't give Qiqi a chance to explain and then left.

Looking at his back, Qiqi felt helpless, she didn't know what to do.

Then, Chuxue walked to her and patted her shoulder, then she said, "Just stay here, you can study here since I've already helped you ask for leave. No one will bother you."

"But"

"You've already seen it, Yuqi Mu is quirky, he will be very furious if you leave."

However, Qiqi looked embarrassed and said, "I can only make the atmosphere more embarrassed if I stay here."

"Don't worry, I'm here to company you. He will feel better when he calms down."

Hearing this, Qiqi didn't know whether to be happy or sad.

"Well, just come and eat breakfast first. You can enjoy it for I'm not the cook."

Hearing this, Qiqi smiled awkwardly. Then she struck in sadness again.

No one could believe what happened yesterday. How could Yuqi Mu express his love to her? It was incredible.

Qiqi thought she had no merits at all. Why did Yuqi Mu love her?

While Qiqi was pondering, Chuxue set the bowls and said with a smile, "It's all made by Yuqi Mu, I thought he was just a playboy, now it seems that everyone had his own secret."

Although, she always mocked Yuqi Mu, she wanted him to be happy. So she would help him sometimes.

However, Qiqi was in bad mood now, so she just answered, "Maybe, it's none of my business."

So Chuxue couldn't continue this topic and she just smiled awkwardly and said, "Well, then let's eat first."

The following days, they never talked about this topic again, as if nothing had happened before.

Since Yuqi Mu didn't mention it, Qiqi just kept quiet, they lived as normal.

However, Qiqi didn't know how long she would live in such a life.

One day.

After finishing all the tasks, Qiqi walked to the balcony and exercised.

Perhaps she sat too long, she felt her body stiffened. She could even hear the sounds when she moved her body.

"Are you tired?"

Hearing the voice, Qiqi turned back and smiled, "A little."

Chuxue raised her eyebrows and suggested, "Then let's go out for a stroll, just relax yourself."

Qiqi hadn't been out since she moved here, thus she wanted to walk as well.

"Where should we go?"

After thinking a moment, Chuxue said, "How about the cafe? we can eat some snacks there. Besides, if we are lucky enough, we can watch the guitar performance."

Instead of smart boys, Qiqi was more interested in desserts.

After making the decision, they left.

They stopped at a cafe, the decorations was different from other cafes, which really attracted them.

Thus, they walked in, after looking around, Chuxue took Qiqi to a seat beside the window, "There is an empty seat over there, let's go and sit there."

For Qiqi, everywhere was fine. However, she smelled the fragrance once she entered.

Originally she didn't like coffee, however, after knowing more about coffee in the dessert shop, she gradually loved it. Now it was a necessity for her.

Chapter 527 Just Forgive Her

A waiter sent the menu, and Chuxue handed it to Qiqi and said, "what do you want?"

Without reading the menu, Qiqi said, "latte."

"Well," Chuxue smiled and shook her head, then said to the waiter, "then please, latte and Blue Mountain, and dessert package."

"Package A or package B?"

"A, please."

But the waiter asked again, "there are a lot of things in Package A. I'm afraid it's too much for you two ladies."

"Don't worry. We can eat a lot. It's just good for us."

Hearing Chuxue's explanation, the waiter nodded gently and said, "okay then, please wait."

After heard the conversation between the two, she got curious about what was included in this package.

Taking a look at the menu, Qiqi was surprised by the picture on it.

Qiqi counted it, and found in this package, there were ten cakes.

Looking up at Chuxue, Qiqi said, "even we can eat a lot, it's still too much for us and it will be wasted. Chuxue, let's change a package, OK?"

Blinking, Chuxue said with a smile, "take your time. Anyway, I suggest to take you out and what you need to do is to enjoy."

Qiqi, however, looked not good, "but no matter how hard I try, I can't eat so much."

"Hey, I believe in you."

Hearing this, Qiqi didn't say anything more.

Chuxue was playing on her phone, while Qiqi was looking out the window.

Turning around, Qiqi was surprised to see someone.

Wasn't the waitress over there the president?

Qiqi thought that the president was taking part-time job to earn some money.

But then Qiqi realized that she had been required to withdraw from school, so she was no longer a student.

Encountering the president in this way made Qiqi felt messy.

When Chuxue found Qiqi staring at somewhere, she asked, "Qiqi, what's going on?"

Qiqi lowered her head and said, "nothing, I see a familiar face."

"Then should I go over and say hello?"

"No, I don't think she wants to see me."

Seeing Qiqi didn't want to say more, Chuxue didn't continue asking.

At this time, the desserts were brought over, so Chuxue began to taste them.

Because she was a professional dessert maker, she had strict requirements.

Looking at her satisfied expression, it was clear that today's desserts were not bad.

Looking at these, Qiqi thought of Chuxue's dessert place and asked, "Is it really okay for you not to go to your place for so many days?"

"Don't worry. Zhao Nangong is helping me and I trust him."

Chuxue spent all her time on Qiqi, instead caring much about her business, which made Qiqi feel bad.

"Actually, I'm fine. You'd better go back."

Chuxue, of course, wouldn't agree so, "what, you don't need me anymore?"

Qiqi waved her hand and said, "I don't mean that. I just think that it's bad to keep you and your boyfriend apart from each other."

"Hey, that's not a big deal. I can find other time to see him. And he will come soon. Maybe I can call it a date."

It turned out that Chuxue had such a plan. Oh wonder she ordered so many desserts.

Taking a sip of coffee, Qiqi said, "here is very close to the library and I will go there later to read some books. Enjoy your time with your boyfriend."

"What are you talking about? I asked you out, so how can I leave you alone?"

"But..."

"Gee, I'm happy to spend some time with you. And Zhao Nangong admires you a lot, for you to be able to reject Yuqi. Very brave."

This made Qiqi blush, "it's not something about brave. I just don't like him."

"You really underestimate yourself. You know what? You're like a heroine."

Chuxue got more and more excited, embarrassing Qiqi.

Luckily, Zhao Nangong soon arrived, which rescued Qiqi.

They talked about the dessert place and then looked at Qiqi with a wired look.

This made Qiqi feel wired, so she complained, "please, can you not look at me like I'm an alien?"

"You're indeed. I never expect that Yuqi will be rejected one day."

"Although I am the first one, I'm not the last one. You guys will get used to it."

"Of course, I won't be used to it. Every time a woman rejects him, he will ask me to drink and use it to drown his sorrow. It's a scary thing."

Hearing this, Qiqi looked stunned.

She didn't expect that Yuqi would do this because of her. Did she really hurt him?

Qiqi looked down, pursing her lips and fell silent.

Seeing her like this, Chuxue then pushed Zhao Nangong and said, "it's obvious you men love booze and enjoy the feeling of getting drunk. Don't use us as an excuse."

Zhao Nangong quickly understood what Chuxue meant, so he nodded and said, "yes, yes, that's true. I chose the wrong words. Qiqi, please forget it."

His explanation made Qiqi feel even more uncomfortable, so had to force a smile to let it go.

These three people chatting was focused by the president.

She hated Qiqi so much. It was Qiqi who cheated on others and even made acquaintances with rich people for money. Why should she be punished for her? Her life was all ruined!

Now, she just got out from the lock-up and it took her a lot of effort to find a job as a waitress, working hard for a little money.

And Qiqi could still sit there in an elegant gesture, waiting for her to serve her.

Why?

Because she did whatever she could to reach her goal? What a slut.

Squinting, the president walked aggressively to Qiqi and shouted.

"Qiqi!"

Seeing her coming over, Qiqi thought she was going to throw hot coffee on her face or something.

But she unexpectedly kneeled down and started to cry.

Qiqi was shocked.

Although they had a grudge, the president had already been punished, and after this, they got even.

In fact, the president was reluctant to apologize to Qiqi, but now, Yuqi wanted her to die. So, if this continued, she might lose the job.

In order to survive, she was willing to do this to Qiqi. As for other things, she didn't have time to think too much.

Looking at Qiqi, the president begged, "Qiqi, I beg you, please ask Yuqi to let me go. I know I'm wrong and I won't look for your trouble. I've been expelled from school now and I don't ask for anything else, but a job that can support myself. Please, forgive me."

Qiqi frowned and asked, "what are you talking about?"

"After I was released, I thought the punishment I got was enough. But Yuqi still refused to let me go and threatened to kick me out of the city."

Qiqi frowned and muttered, "I don't know about it..."

Seeing Qiqi got soft, Chuxue said something harsh, "is there anything wrong to kick you out of here? Look at the thing you did to her. You deserve this."

"It's just a prank. Jealousy is often to see between girls and anyone have it. I know I went a little bit too far. You see, now I lost everything and I was even kicked out of the house by my mom and dad. I am living a hard life alone. Who do you think is more pitiful?"

"A little bit too much?" Chuxue sneered and said, "do you know that Qiqi was having some psychological problems because of your so-called prank. If she didn't have us accompany and support her, her life would be ruined. As for you, you made all this and how dare you ask for her forgiveness?"

Chuxue's words made the president look up. At the same time, she looked like a dead body, and her last hope was gone.

The president originally thought that she could make Qiqi let her go by begging.

But she didn't expect that Qiqi was doing psychotherapy during the time she disappeared, so that even if she begged, Qiqi might not forgive her.

Thinking about this, the president felt desperate. Sitting down on the floor, she began to whimper.

Seeing this, the manager immediately came over and apologized to Qiqi while reprimanding the president, telling her to get up and stop disturbing the guests.

The president, who was so despondent, didn't care about this, but felt that she was fvcked. She had to live in disgrace for the rest of her life, which was worse than death.

The other guests in the store also looked over and whispered.

A good date was disrupted, so Chuxue was annoyed and was ready to say something.

"I will talk to Yuqi for you. Stop crying."

Before Chuxue could say anything, Qiqi promised her.

Looking up at Qiqi, the president, with teardrops on her face, asked incredulously, "really?"

"It's up to you to believe it or not."

"Then I'll believe you. Qiqi, please keep your word."

After saying that, the president wiped away her tears, got up and left.

Looking at the president's back, Chuxue frowned, "Qiqi, why do you help her? Just let Yuqi do it."

Qiqi looked down and took a sip of her coffee, "she already got her due punishment, so I think she doesn't have to suffer more. Besides, don't you feel upset when you saw she cried just now?"

Chuxue was extremely angry and shook her head and said, "you, you are just soft-hearted. She should suffer until she doubts her life, in order to truly realize her mistake."

Qiqi smiled at Chuxue, then patted the back of her hand, "okay, let's not talk about her. We are out for a break. Don't let her ruin our day."

"But I'm already in a foul mood, so I don't want to stay here any longer. Let's go somewhere else. The air here is so stuffy."

Chuxue walked out with anger, while Zhao Nangong shrugged to Qiqi, then also followed them out.

Qiqi knew that Chuxue was angry with her. But she didn't feel that she did anything wrong, and Chuxue wasn't wrong either. It was just that their values were different, so it was normal that they would have some conflicts.

In such a case, it's better to leave the president alone. Being happy was the most important thing for her.

Sighing, Qiqi walked out of the coffee shop.

Outside, the sun was shining, but Qiqi was heavy inside.

Not wanting to be a third wheel, she found an excuse and went back to her apartment earlier. Chuxue and Zhao Nangong should have some private time.

Qiqi originally wanted to have stay alone in the apartment, but she didn't expect Yuqi was also there.

There were only two of them in the room, so it was awkward.

Wasn't it work time, so why was he here?

Yuqi also did not expect to meet Qiqi, for Chuxue clearly said that they went out shopping together. How could Qiqi come back alone?

The two was all in silence and no one said anything. This was too awkward.

Finally, Yuqi broke the silence and asked in an easy tone, "where's Chuxue?"

"Oh, she went to the exhibition with Zhao Nangong."

Frowning, Yuqi asked, "and then you were left? Oh, how can she do this to you?"

Qiqi waved her hand and explained, "no, I've relaxed a lot and wanted to come back to read some books. Chuxue has been with me day in and day out lately, and it's not bad for her to go out with her boyfriend for a break."

"No one asked her to stay here. It's her own fault. She chose to suffer."

Hearing this, Qiqi looked even more embarrassed.

Just when Qiqi didn't know what to say, Yuqi changed his tone, and asked, "have you eaten yet?"

Qiqi nodded, though she hadn't and said, "yes."

"Then go back to your room."

"Oh."

Turning around to leave, Qiqi sighed in relief.

Phew, finally. It was so weird.

Qiqi felt that there was no way she could get along well with Yuqi. Facing Yuqi, she would always think of the things happened before, and then it would affect her mood. When she saw him again, she would feel weird.

Qiqi felt that it's not good, but she couldn't change anything. She could only hope that with time, she would have a better relation with him.

Back in her room, Qiqi sat at the table and read a book.

Opening the book, Qiqi didn't read much into it. She was thinking about what had just happened.

The arrogant president was now working as a waitress, so this was a crushing blow.

Qiqi was not sympathetic to her or the things she had done and she did think she should pay for it.

But things should have a beginning and an end. It was a relief for her, as well as for others.

Qiqi thought endlessly for a long time, until, she smelled something.

Who was cooking? Why it smelled so good?

Chapter 528 Going Back

Actually, Qiqi lied when Yuqi Mu asked her before, she ate nothing and felt hungry now.

After pursing her lips, Qiqi walked out to find the source of the smell. Then, she walked to the kitchen and saw Yuqi Mu who was cooking seriously.

Yuqi Mu turned back and saw Qiqi, then he said, "It's fried rice with eggs, have a try."

Although Qiqi was hungry, she pretended to be calm and pursed her mouth, "Since I am full, I'll just eat some."

Seeing this, Yuqi Mu smiled, he knew that she was lying, but he just acted normal and listened her words. Then he sat opposite her.

It seemed that they had forgotten the previous embarrassing thing and enjoyed the current moment.

Although it was a simple dish, Qiqi ate well, which made Yuqi Mu very happy, he had a sense of gain.

Then he stared at Qiqi and asked, "How does it tastes?"

Qiqi was busy eating, so she only nodded her head to show her satisfaction.

Yuqi Mu was very pleased by seeing this. Then he started eating as well.

After a while, Qiqi asked, "Yuqi Mu, can I discuss a thing with you?"

"What?"

Qiqi hesitated for a moment, and then said, "I met the monitor today, she looked very depressed, I think they've paid enough, can you let them go?"

Hearing this, Yuqi Mu was stunned and then he looked at Qiqi and said with a complex expression, "So you do this for that reason?"

"I didn't want to eat at first, but the rice smelled really good, it's just an accident and has nothing to do with this."

Hearing this, Yuqi Mu felt better.

Then Qiqi took a glimpse of him and said, "What's your idea?"

"I said that I would drive them out of the capital, I'll definitely do that."

"But what if they don't want to leave?"

"I have ways."

"Why can't you give them a chance? It's enough."

"I don't think so, they are not qualified to stay here."

Yuqi Mu didn't allow them to hurt Qiqi anymore.

However, Qiqi thought he was ridiculous and retorted, "There are many bad guys here, can you drive them all? Are you a businessman or a policeman?"

Hearing this, Yuqi Mu was angry and said, "What did you say?"

Qiqi was a bit nervous and quickly explained, "I mean don't waste your time, you can do many other things, such as stay with me."

As soon as Qiqi said this, she regretted.

God, this was really a bad excuse, how could she say that!

Qiqi felt ashamed of herself and she wanted to leave.

However, Yuqi Mu suddenly became calmer and then looked at Qiqi warmly, "Really?"

Since she had already said this, she had no other choices, so Qiqi only nodded her head.

Yuqi Mu was satisfied to hear this, thus he looked very pleased now.

"Just say to me, you don't need to use such a way."

Qiqi could only smile dryly and said nothing.

“Since you don’t want me to interfere, then I’ll listen to you and let them go.”

Although, Yuqi Mu agreed, Qiqi felt things get more complicated. It seemed that he had misunderstood something.

It was really annoying.

Then Qiqi suddenly noticed Yuqi Mu’s finger and she asked, “What happened to your hand, are you injured?”

Hearing this, Yuqi Mu quickly hid his hand and said nervously, “No, it’s just an incident.”

“Did you apply the medicine?”

“Of course, don’t worry.”

Hearing this, Qiqi nodded and said nothing more. The atmosphere became weird again. Yuqi Mu looked at Qiqi sincerely, as if he was expecting something.

After drinking some water, Qiqi looked at Yuqi Mu and said with a smile, “I’m full, I’ll go back to my room, just enjoy your time.” Then Qiqi left quickly.

Looking at Qiqi’s back, Yuqi Mu narrowed his eyes.

Obviously, Qiqi still avoided his feeling. But he would let her accept him one day. Yuqi Mu just held his hands and thought firmly.

.....

On the other side, Anna held the phone and looked serious.

After taking a shower, Yulin Xiao noticed Anna’s behavior and slightly asked, “What are you thinking about?”

“Neither Qiqi or Chuxue answered my call these days.”

Hearing this, Yulin Xiao just wiped his hair and answered casually, “Maybe they are busy.”

“But at least they should pick my phone.”

“Maybe, I can call Zhao or Yuqi Mu, they might know something.”

“Then just call them, I’m a little worried.”

“Fine.”

Under Anna’s gaze, Yulin Xiao called Zhao and Yuqi Mu.

Obviously, Yuqi Mu did that on purpose, or why couldn’t Anna contact them.

And at this moment, Yulin Xiao hinted Yuqi Mu that Anna was sitting beside him, obviously, he was Yuqi Mu’s helper.

Yuqi Mu knew this and then fabricated some reasons and hung up the phone.

“Well, I know.” Yulin Xiao looked at Anna seriously and said, “Qiqi is studying these days, she didn’t notice her phone, while Chuxue is playing happily, since Zhao is with her, don’t worry.”

Of course she was worried.

Anna narrowed her eyes and muttered, “It’s weird.”

“Do you trust me?”

“No, it sounds weird.”

Anna’s suspicion made Yulin Xiao very nervous.

“I think it’s quite reasonable.”

“Not at all, I know Qiqi well, she won’t turn off her phone, as for Chuxue, although she likes playing, she won’t let me worried.”

Anna’s analysis was reasonable and justified, so that Yulin Xiao couldn’t rebut her.

After thinking for a while, Yulin Xiao said, “But there is no reason for Zhao and Yuqi Mu to lie to us.”

Then Yulin Xiao held Anna’s shoulders and said, “Well, don’t worry, we’ll go back soon, just enjoy these days.”

Anna frowned, she shook her head and said, “No, something must be wrong and you don’t want me to know.”

Anna was really smart.

Seeing that Anna was getting closer to the truth, Yulin Xiao was a little anxious.

Just when he was thinking about the ways, Anna suddenly sat in front of the computer.

“Honey, what are you doing?”

“I’m booking a flight, I’m going back tomorrow!”

Hearing this, Yulin Xiao was stunned, then he wanted to stop her, but it was late. Anna simply pressed the button and said to him, “It’s done! We’ll go back tomorrow.”

Hearing this, Yulin Xiao depressed and said, “No, I still want to visit Florence! How can our honeymoon be so short!”

“We’ve been playing for a month, it’s enough. We can go to Florence the next time, and I can’t play well if I keep thinking about them.”

“But

“I’ve already booked the tickets, let’s rest early and set up early tomorrow.”

Yulin Xiao felt grieved and then he sighed, “Yuqi Mu, I’ve already tried my best to help you.”

“Kerchoo.”

Yuqi Mu sneezed when changing his clothes. He rubbed his nose and sped up, then he prepared to go to the company.

Seeing Chuxue was wandering out, he frowned and asked, “What are you doing?”

Chuxue complained and said, “There’s no signal here, no one can contact me.”

Yuqi Mu was a bit nervous and said, “No one wants to contact you.”

Hearing this, Chuxue glared at Yuqi Mu and snorted, “Many people wants to date with me okay? Don’t talking nonsense.”

“Just date then, don’t stay here.”

“Don’t try to irritate me, of course I’ll stay and keep an eye on you.”

Such straightforward words made Yuqi Mu rolled his eyes, “Chuxue, you’re really the most gossip woman I’ve ever seen.”

“That’s fine, I don’t care that.” Chuxue acted casually and continued searching the signal.

Then Yuqi Mu drove to the company.

While he was listening to the report shared by his assistant, the phone suddenly rang.

He asked the assistant to stop and picked up the phone, "Why do you call me at this moment? You should be sleeping."

Yulin Xiao sighed and said, "I'm sleepless for I worry about you."

"What's happening?"

"Be cautious, we are going back tomorrow."

Hearing this, Yuqi Mu was stunned and asked, "Why?"

Obviously, Yuqi Mu didn't welcome them.

"Why do you still act like this since Qiqi has already recovered."

Yuqi Mu frowned and said, "She is recovered, but once Anna comes back, she will definitely ask Qiqi move out, then I will have less time to stay with her."

Hearing this, Yulin Xiao raised his eyebrows and asked, "So she doesn't accept you now? You have to hurry up."

Although Yuqi Mu didn't tell him, Yulin Xiao knew this clearly. Yuqi Mu was very furious.

"How do you know? Who told you? Oh, I know, it must be Chuxue!"

Yulin Xiao didn't deny it but said, "It's just a matter of time, I can help you if I know earlier."

Yuqi Mu felt embarrassed, so he directly refused Yulin Xiao and said, "No, I can handle it myself."

"If you can handle it, Qiqi is already your girlfriends now."

Hearing this, Yuqi Mu was very furious and clenched his fist, "I know why she insists to stay here, it turns out that she is a middleman. How could she do that?"

Yulin Xiao knew he was really angry and quickly comforted him, "That's what she like, just forgive her."

"Humph, that's not easy!"

"Well, we are all your relatives, we won't mock you. With our help, maybe you can succeed earlier."

Yuqi Mu was a bit annoyed and said, "I've said that I can do it myself."

After sensing that Yuqi Mu was annoyed, Yulin Xiao only said, "Anyway, I just tell you about this matter, tell me if you need any help."

"I hope you to stop Anna, can you do that?"

Yulin Xiao smiled bitterly and said, "No, if I speak more, she will definitely suspect me. Then, both of us will suffer."

Yuqi Mu rubbed his head and said a bit annoyed, "Okay, I get it."

Then he hung up the phone and looked depressed.

He didn't convince Qiqi even though they lived together, if she moved out, when could she accept him?

Although, as an experienced man, Yuqi Mu felt helpless this time.

Chapter 529: My Mysterious Husband - Tips

0 7 minutes read

Chapter 529 The Truth

In order to give Qiqi a surprise, Anna didn't tell Qiqi the news, she directly went to her dorm and knocked with a smile.

As soon as the door opened, Anna immediately said, "It's me! Surprise!"

"Anna, you're back?"

Then Anna heard an unfamiliar voice.

Anna was a bit embarrassed and asked politely, "Where is Qiqi?"

"She moved out, it's been a long time."

Hearing this, Anna was stunned and she asked, "What? Where did she go?"

"Well, I heard that she has lived with her boyfriend now."

Boyfriend? Lived together?

Anna was really shocked, the next moment, she thought that Qiqi must be cheated by those playboys. Since her phone had turned off, Anna was really worried, sweats could be seen all over her forehead.

Could it be that she was tricked into the pyramid scheme? If that was the case, it was hard to find her.

Seeing that Anna look frightened, the girl asked, "Anna, are you all right?"

It was until then did Anna regain her thought and replied, "I'm fine."

"Well, since Qiqi had experienced such a bad thing, you shouldn't be that unlucky."

Hearing this, Anna quickly held the girl's hands and asked anxiously, "What's going on? Tell me quickly!"

Anna's reaction scared the girl, thus she trembled and asked, "Are you fine?"

However, Anna was very anxious now, so she just kept questioning, "Is Qiqi fine now? Please!"

"Well, she has a very rich boyfriend, of course she is fine now."

"A rich boyfriend?"

Anna didn't expect to hear this.

Since Qiqi was so innocent, she wouldn't know those playboys, the man must be their acquaintance. Anna knew all her friends, so after thinking for a while, Anna knew the result, she asked the girl in a serious manner, "Yuqi Mu?"

"Yes."

It turned out to be like this, Anna suddenly knew the whole thing. All the traces proved that Yuqi Mu lured Qiqi to his home and then they lived together.

In order to help Yuqi Mu, Yulin Xiao stopped her to contact Qiqi, as for Chuxue, she must has her own reasons.

She must find Qiqi now and asked her about it. How could she be with a playboy?

At the same time.

Seeing that Yulin Xiao appeared in his office, Yuqi Mu looked calm. He just sat in front of him and asked, "Why don't you go home?"

However, Yulin Xiao just looked at those ornaments and said firmly, "No, I have to stay here for a few days, I'm not safe now."

Yuqi Mu raised his eyebrows and asked, "What? You are a careful man, what have you done to irritate your enemies?"

"Don't talk nonsense, it's all your fault! You are already an adult but still make me worry."

"Well, you mean Anna." Yuqi Mu said casually, "You can ask her here if you feel scared."

"Are you sure? She will definitely take Qiqi away if she comes here."

However, Yuqi Mu looked at Yulin Xiao and said seriously, "I can also convince her."

Then Yulin Xiao replied sincerely, "Believe me, it's impossible."

Yuqi Mu felt depressed and asked, "Why, am I bad?"

"You are shrewd as a businessman, righteous as a friend and fine as my brother. However, as a lover....."

Yulin Xiao paused for a while, Yuqi Mu asked anxiously, "What's the problem?"

"You are a playboy."

Seeing that Yuqi Mu was about to get mad, Yulin Xiao quickly explained, "I'm just talking about this matter, you have no other excuses."

"I didn't meet my love before. I will definitely impress you this time!"

Then Yulin Xiao became serious and asked, "Do you really love her?"

"Yes."

"Good, just remember what you've said."

Yuqi Mu frowned at Yulin Xiao and said, "It seems that you don't believe me."

Yulin Xiao shrugged his shoulders and said, "Well, you just don't convince me."

"How can I convince you?" Yuqi Mu was very dissatisfied and complained, "You all have your lovers, why should I be alone? That's not fair."

"I don't say that, besides, Mom and Dad would not agree you to be single. You just can't convince me about your love toward Qiqi."

Yuqi Mu stared at Yulin Xiao and said, "Can't you feel that?"

"What can I feel?"

Yuqi Mu was just about to say something, but then he stopped and said arrogantly, "I can't say to you. Only Qiqi can hear this."

Hearing this, Yulin Xiao was stunned and said, "You look like an inexperienced man."

"Are you praising me or...."

"Whatever you think." Yulin Xiao looked around and asked, "I'm hungry, do you have anything to eat here?"

Yuqi Mu was annoyed and said, "No, just go out and find food."

"You are so indifferent, I helped you a lot, how can you treat me like this?"

"There's indeed no food here, you can drink coffee. All right, I'm going to the meeting." Then Yuqi Mu left.

This guy

Yulin Xiao got up and walked to the door, and then he saw Yuqi Mu's assistant and said, "I remember you always prepare food for Yuqi Mu, give me some, I'm hungry."

However, the assistant replied politely, "Unfortunately, there's nothing more, I'm going out to buy some now. What do you want to eat? I'll buy for you."

"When will you come back?"

"Probably in the afternoon."

Hearing this, Yulin Xiao smiled a bit colder and said, "Well, you can just send me to the hospital then, I will have fainted from hunger."

"You"

Yulin Xiao waved his hand and said, "All right, I know you don't want me to stay here, just tell Yuqi Mu that he'd better be more careful."

Then he walked into the elevator and smiled playfully.

.....

Qiqi was waiting for the pizza, as soon as she heard the ringing bell, she quickly opened the door, however, she thought she had an illusion.

“Anna! Why are you back? Is your honey moon finished?”

However, Anna said nothing, she just observed Qiqi carefully.

Seeing this, Qiqi felt nervous and asked, “Anna, what’s wrong with you? I feel weird.”

Instead of replying Qiqi’s question, Anna asked, “Does Yuqi Mu treat you nice?”

Qiqi was confused and said, “We are fine. He treats me politely.”

But Anna felt suspicious and asked, “Really? Is he so pure?”

Hearing this, Qiqi felt embarrassed and said, “What are you talking about? I know you are married but don’t be so straightforward.”

“Just answer me first.”

Seeing that Anna looked serious, Qiqi could only answer, “There’s nothing between us.”

“Even if there is nothing now, he must has a plan, you have to leave here. It’s very dangerous.”

The Anna prepared to take Qiqi away.

Qiqi was a bit speechless, she quickly comforted Anna and said, “Don’t be so anxious, just tell me about the interesting things you had met in your trip. Study is really boring, just tell me something new.”

Then she asked Anna to sit down and acted very kind and sweet.

Obviously, Anna couldn’t refuse her, besides, Qiqi looked prettier since she lost some weight.

Just when Anna was thinking, Qiqi held her hand and asked with a smile, “Why did you come back so quickly? Where is my gift?”

“I come here after landing, and just forget about the gifts.”

“Why are you in such a hurry?”

“Since you lived here, of course I’m worried.”

The more Anna said, the angrier she was, Qiqi quickly comforted, "Don't worry, I just live here for a while."

"If he didn't do anything to you, why you look so weak and thin?" While saying, Anna even pinched Qiqi's face.

Hearing this, Qiqi felt more hungry. Where was her pizza?

"Why don't you say anything, am I right?"

Qiqi smiled casually and said, "Don't say that, Yuqi Mu helped me a lot."

Qiqi felt a bit depressed when thinking about the previous things. Anna knew that Qiqi must experienced something, so she asked, "What had happened in these days?"

Qiqi breathed lightly, instead of answering, she asked, "Don't you go back to school?"

"I did, but since you are not there, I left." Hearing this Anna knew her meaning and asked, "What happened at school?"

Qiqi nodded her head and said somewhat depressed, "Something unpleasant happened recently. A man confessed his love to me but I refused him, then he set traps for me. Besides, my monitor also helped him, my reputation was stained and I was punished by school."

Once Qiqi thought about this, she felt sad.

She was much stronger now, those who framed her were punished and she had experienced many new and wonderful things.

Thus Qiqi smiled and said, "Fortunately, they were punished and I learned a lot from this experience and become stronger."

Anna didn't expect Qiqi to encounter such a thing, she frowned and asked, "Why didn't you tell me?"

"It's not a big deal, besides you're still enjoy your honeymoon, how can I bother you?"

Then Anna walked to the bed and picked up one bottle of medicine. Seeing this, Qiqi was nervous.

She was careless and hoped that Anna wouldn't find that they were medicines for mental illness.

Qiqi prayed in her heart, but after seeing Anna's expression, she knew that Anna knew it.

Anna held the medicine and turned to look at Qiqi, "Is this a small thing? Am I your friend or not?"

Anna knew how rumors hurt a person for she had experienced that before.

Qiqi even endured this alone, Anna felt very sad.

Seeing that Anna looked sad, Qiqi pursed her lips and said, "I don't want to bother you since you are my friend."

"It's just a trip! Compared with you, it means nothing!"

Although Anna was said angrily, Qiqi was moved. Anna's worry made her feel good.

Qiqi lowered her head and said in a hoarse manner, "It's not serious, I'm fine now. Besides, they were all punished and they won't bother me anymore."

Chapter 530: My Mysterious Husband - Tips

Chapter 530 I Really Care About Her

Speaking of the monitor, Anna Xie frowned. "She is narrow-minded and has often found trouble with me. Now she set you up. If I were to meet her, I would definitely settle the score with her."

"She is already miserable. I ran into her at the coffee shop the other day. She was working as a cleaner in the coffee shop. I believe it was a devastating blow to her."

When Qiqi talked about her, she was very sad for the monitor. But Anna felt she deserved it.

"She vilified you. This is the punishment she deserves." Anna said angrily.

"After you became a noblewoman, you have a different aura. I bet it feels good to have your husband to back you up." Qiqi said.

"I'm so worried for you. And you're making fun of me."

"All this is already in the past. Just don't waste time. Although I somehow went through an ordeal, but didn't I succeed in losing weight? You see I can now wear a smaller size." said Qiqi.

Then Qiqi even spun around in front of Anna to show off her body.

Qiqi thought Anna would say she was crazy again. But Anna didn't say anything and just looked at her until her eyes were moist.

Her reaction frightened Qiqi. She sat by Anna's side. "Anna, why are you crying?" She said cautiously.

Anna took a deep breath, and then turned her head sideways.

"Looking at you like this, I'm really heartbreaking."

"Anna, I'm not as weak as you think," Qiqi said.

"Yes, you are indeed very strong. But you even need to rely on drugs to regulate your mood. what a horrible memory that should be."

Anna's words left Qiqi speechless.

Indeed, she was having a painful experience. She felt like she was about to sink into the dream forever and couldn't get out. Luckily, Chuxue's cooking made Qiqi want to break through the nightmare and return to reality to tell her how bad the cooking was.

Thinking about Chuxue's terrible cooking, Qiqi suddenly laughed. "I'm not alone in facing this. Yuqi helped me a lot. Chuxue has also been with me and cooked all kinds of food for me."

Speaking of Chuxue, Qiqi then realized that she hadn't seen her since she got up in the morning.

Looking around, Qiqi didn't find her either. "Where did Chuxue go?" She mumbled.

Although Anna also missed Chuxue, now she had to settle Qiqi's matter first.

"Since things have passed, why don't you leave here?"

Seeing Qiqi's hesitant look, Anna frowned. "Is it that Yuqi doesn't allow you to leave here?"

Qiqi thought for a moment and nodded.

Suddenly Anna was angry. "I told you he was not a good person. He must have an ulterior motive. He isn't looking for women outside, but he always keeps an eye on you." said she angrily.

Anna's words left Qiqi speechless.

Suddenly the doorbell rang again.

At this moment, Qiqi suddenly had the urge to shed tears. "It must be my pizza that has arrived!" She said excitedly.

Qiqi went to open the door. But in the moment of opening the door, her smile fixed.

Chuxue forgot her keys, so she rang the doorbell.

Walking past Qiqi, Chuxue teased. "Qiqi, what's this look on your face? You're so disappointed."

Not waiting for the pizza, Qiqi was very unhappy.

"Chuxue, did you go out to buy food?" She asked.

"I'm sorry I didn't buy it. I went to my store."

"Then did you bring back any snacks?"

"No."

"Then do you have any food on you?"

"No."

These answers made Qiqi sad.

"Why are you so hungry? No food in the refrigerator?" said Chuxue.

"No, I've eaten everything. Only beer and milk left."

"Then let's go shopping for food later."

"Where are you going shopping? I want to go with you." Anna said suddenly.

Hearing the voice, Chuxue realized that there was another person in the living room.

"Anna?" Chuxue called happily.

With a light smile on her face, Anna said. "Chuxue, you're here. I didn't expect you to be here too."

"I've been living here recently."

Such a reply made Anna slightly surprised.

"You live here?" She asked.

Chuxue nodded her head. "Yes. In order to take care of Qiqi, I'm staying here for a while."

Before Chuxue said this, Qiqi kept hinting at her not to say too much. But Chuxue had already finished what she needed to say.

"Why does Qiqi need you to take care of her?"

Chuxue realized that she had said something she shouldn't have said and began to think of a way to explain.

"There is nothing to worry about. I just told her everything." Qiqi said.

Hearing Qiqi's words, Chuxue breathed a sigh of relief. Anna appeared suddenly. They wanted to hide something from her, but they were not prepared for it.

Just as Chuxue relaxed, Anna said in a cold tone. "So you know all about it."

Anna wore a light smile, but it made people feel that she was angry.

"Qiqi was afraid that it would affect my honeymoon, so she didn't tell me her matter. What about you? What is your reason?"

"Me too. Neither of us wanted to affect your good mood." Chuxue explained.

Anna nodded with a smile on her face, but there was a bit of anger in her voice. "Could it be that in your hearts I am the person who would rather play outside than care about my friends?"

Chuxue waved her hand repeatedly. "Anna, that's not what I meant."

"I know you guys care about me, but if I didn't help my friends when they needed me the most, I can't forgive myself for the rest of my life."

"I'm sorry it's our fault. Please don't be angry. You just came back from your honeymoon, you should be cheerful." said Chuxue on one side, while hinting Qiqi to say something quickly.

But Qiqi was so hungry now, and her brain was not working.

"We know we're wrong. We'll never hide it from you next time." Qiqi said.

Anna frowned and looked at Qiqi. "There is still a next time?"

"Qiqi means that no matter what happens in the future, she will definitely confess to you honestly and never hide anything." Chuxue hurried to explain.

"Fine, then I forgive you this time." said Anna, and then she went to her room with Qiqi and began to pack her luggage.

"Anna, what are you doing?" Chuxue asked, puzzled.

"Qiqi can't go back to school now. But it's inappropriate to let her stay here. I decided to find a place for her to live." Anna said.

"I'm afraid Yuqi won't agree." Chuxue suddenly said.

"I don't need his permission." said Anna. "But what does Qiqi have to do with him?"

"Uh, they have nothing to do with each other." Chuxue explained.

"Qiqi, pack your things and let's get out of here." said Anna.

Qiqi leaned against the wall and didn't move at all. This caused Anna to frown in dissatisfaction.

"Qiqi, you don't want to leave here, do you?"

Qiqi slowly raised her head. "I want to go, but I'm so hungry now that I don't have any strength." said she weakly.

"You"

The doorbell rang again and Qiqi's eyes lit up. With all the strength, she walked to the door. "This time it must be my pizza that has arrived!"

However, when Qiqi opened the door, she didn't see the delivery boy who delivered the pizza. It was Yuqi who was standing outside.

As soon as he entered the door, he saw Anna staring coldly at him.

"Anna, you're back." Yuqi said politely.

"Yeah. But I guess some people probably wish that I would never come back for the rest of my life." Anna said coldly.

Yuqi did not pay attention to Anna's terrible attitude and still smiled. "I've already met with Yulin. It looks like you guys are having a good time out there."

Sensing that the atmosphere was weird, Chuxue hurriedly said. "I'll go pour tea for you."

As soon as Chuxue left, Anna ordered Qiqi behind her. "Qiqi, I'll go help you pack."

Before Qiqi could respond, Yuqi asked first. "Pack what?"

"I'm going to find a new place for Qiqi. Of course I have to unpack her bags."

"You're taking her away?" Yuqi asked.

"You helped Qiqi before, and I'm grateful to you. But she can't live here all the time."

"Why can't she live here?"

"As her friend, you've helped her enough. Then other things related to her are none of your business."

Anna didn't want to waste any more time with Yuqi. She tugged Qiqi's hand and walked towards the door.

But Yuqi blocked their way. "You are Qiqi's friend and can help her, why can't I?"

Since Yuqi had asked, Anna wanted to talk to him clearly. "Then what exactly are you helping her for? And what are you planning?" Anna questioned.

"I didn't plan anything. Why do you think I'm going to get something from Qiqi?"

"You want her. Don't you expect Qiqi to give you something in return?"

Faced with Anna's blunt words, Yuqi was speechless.

"If you don't say anything, I'll take it that you admit it. So now, can I take Qiqi away?" Anna sneered.

"I really care about Qiqi."

"Whether you care about her or not is not based on your words, but on what you actually do. You need to make us believe you with your actions."

Yuqi had been gentle, but Anna was assertive, which made Yuqi lost patience. He frowned. "Why don't you ask Qiqi's opinion?"

Looking back at Qiqi, Anna raised her eyebrows. "Qiqi, are you leaving or staying?"

"I I"

Under the eager gaze of Yuqi and Anna, she actually fainted.

The people were shocked and hurriedly sent her to the hospital.

After various tests, the results came out. She just fainted from hunger.

When she got this result, Anna was glad and angry at the same time. She couldn't believe that Qiqi had fainted because she was hungry. Yuqi said he was good to Qiqi, but she didn't see him being good to her.

When Qiqi woke up, she saw Anna and Yuqi standing beside her left and right, looking at her. Then she closed her eyes again, but Anna had already found her awake.

"Qiqi, I've already found a place for you. Let's go now."

"She can't go with you!" Yuqi said.

But Anna didn't even take his words into consideration.

"You have no right to stop her from moving out of your house."

"I have the right. Uh, I am her" Yuqi suddenly paused.

"You are what? Boyfriend?" Anna sneered.
