

Mr. Kane Got Blacklisted

Mr. Kane Got Blacklisted Chapter 2156-Jaylene paused, lifted her gaze, and saw Grace and Darcie standing in front of her with a suspicious expression. She was bewildered, not knowing why they would be at Cotton Rose Restaurant. 'Aren't they supposed to be at The Deli?' she wondered.

Grace wore a mocking expression as she glanced at the stern-faced Darcie with a smirk. "Your daughter said she's sick, but instead of going to the hospital, she looked for a man to take care of her. It seems like she can't live without throwing herself at a man, huh? 1 "If she's not interested in marrying into the Depp family, you can just say so. There's no need to lie to Aaron and make him foolishly wait for nothing!"

Grace's demeaning words immediately made Darcie's expression sour, but she suppressed her anger. Just as she was about to speak, Keegan, who was standing next to Jaylene, beat her to it.

"Madam, please show some respect in your words. Jaylene only came here to bring me some tea. Please do not say such things about her," Keegan said.

Jaylene was taken aback as she felt a surge of sweetness in her heart.' Keegan is speaking up for me. It means that he cares about me.' 1 However, Darcie's heart skipped a beat upon hearing that.

If she had spoken first, she could have found an excuse to cover for Jaylene.

But Keegan's words directly confirmed that Jaylene was pretending to be sick.

Sure enough, when Grace heard what Keegan said, the mockery in her expression intensified. "Oh, so we're just sitting here waiting while she pretends to be sick to take care of her boyfriend, huh? Mrs. Saun, is this how you define sincerity?" 1 Darcie suppressed her anger and said in a low voice, 'Mrs. Esper, Jaylene did go to the hospital earlier for treatment. I'm sure it is because Keegan is not feeling well and asks her to bring some tea that she is here.

“The Saun and Kane families have been close for a long time, and Jaylene and Keegan always treat each other like siblings. She could not possibly just ignore him, right?”

Keegan did not expose Darcie’s lie by saying that Jaylene came on her own as he needed to maintain his persona in front of Jaylene. If he were to expose them outright, Darcie might see through his act.

So, he simply frowned and massaged his temples, looking very uncomfortable.

However, when Jaylene heard Darcie saying that she and Keegan treated each other like siblings, she felt upset. However, Darcie shot her a glance, so she bit her lip and kept quiet.

When Grace heard Darcie’s explanation, she said sarcastically, “She’s sick, yet she’s bringing him tea? Their sibling relationship is unbelievably strong. If you didn’t tell me, I’d think she’s deliberately putting on a show for US because she doesn’t want to marry Aaron.”

However, Darcie acted as if she did not pick up on the sarcasm. “Keegan had an accident before and hasn’t fully recovered yet. Jaylene knows the doctor who’s treating him, so she sometimes helps to take care of him,” Darcie said calmly.

Jaylene was taken aback as she looked very confused upon hearing what Grace said.

Darcie had only mentioned apologizing to Grace. There was no talk about marriage.

When Grace saw the puzzled expression on Jaylene’s face, she immediately understood everything.

It was all just an act, a guise Darcie had used to meet her. Darcie had never genuinely wanted Jaylene to marry into the Depp family!

Grace chuckled. “Didn’t your mom tell you? She actually came here today to discuss your marriage with Aaron.”

Jaylene’s expression changed. She abruptly shifted her gaze to Darcie and asked, “Mom, is that true?”

“I never shared a good relationship with him. Why would I want to be with him?”

He’s fat and ugly. I’ve got to be blind to be interested in someone like him!”

Mr. Kane Got Blacklisted Chapter 2157-When Jessie and Aaron heard the commotion on the walkway, they thought something bad had happened. So, they stood up and walked outside. But as soon as they opened the door, they heard what Jaylene had just said, and Jessie’s expression immediately darkened.

When Darcie saw Jessie and Aaron appearing at the walkway, she suddenly felt the urge to disown Jaylene right there and then.

‘I can’t believe how stupid my daughter is!’ Darcie thought to herself.

Then, Jaylene heard someone shouting angrily from behind. “You little wretch!

Who are you calling fat and ugly?!”

Jaylene paused, turned around, and saw Jessie with an angry expression and Aaron looking pale.

Aaron was not really fat, but his face was somewhat round. His build was sturdy but did not look bloated. His features were very delicate; if Stella had been there, she would have immediately noticed that his eyes looked very much like Keegan’s.

Keegan was a very attractive man. Jackson, who looked just a bit like him, attracted many women with just his looks. On the other hand, Aaron’s eyes were about seventy percent similar to Keegan’s. So, if he were a little skinnier, he would undoubtedly capture many women’s hearts with his appearance alone.

Aaron had been spoiled since childhood, getting whatever he wanted at home.

Because of that, he became a little chubby from a young age and had been made fun of by classmates.

He tried losing weight several times and succeeded, too. However, whenever he got busy and stopped exercising, his body would return to its previous state.

He felt insecure and did not dare to like anyone before going to university. Only when he went abroad to study and met Jaylene, who treated him extremely well, did he start feeling better about himself.

Even though people showed interest in him when he was studying abroad, he never dated anyone because Jaylene did not like it.

He thought that Jaylene liked him, especially because she treated him so well and even kissed him. So, he could not figure out why she would call him “fat” and “ugly.”

Aaron’s heart broke as he looked at Jaylene with reddened eyes. “Jaylene, do you not like me?”

Jaylene felt a slight discomfort in her chest. Although Aaron treated her very well, he could never “him.”

Besides, Keegan was right beside her. She could not afford to let him misunderstand anything.

So, she took a deep breath and said through gritted teeth, “Don’t you ever look in the mirror? I was just messing with you because I was bored. Did you really take it seriously? I’d never like someone who looks like a pig!”

As soon as Jaylene finished speaking, Jessie stepped forward and slapped her.

“You bitch! Who do you think you are?”

It happened so fast that even Darcie could not react in time. When she realized what just happened, she quickly stood in front of Jaylene to protect her.

Jessie continued to shout and wanted to hit Jaylene again, but Aaron held her back. “Mom, Mom. Am I not embarrassed enough already?”

Jessie's fingers trembled, and her heart broke as she looked at her son, who was betrayed yet still had a soft spot for Jaylene.

"Also, you can delete my number now. I'll only speak to Ms. Hall if there's anything."

Mr. Kane Got Blacklisted Chapter 2158-After saying that, Grace went back to the private room, grabbed her handbag, and left.

Jaylene held her face as her eyes turned red.

Keegan handed a tissue to her and whispered, "Are you okay?"

She felt a lump in her throat, and tears welled up in her eyes.

Darcie, who stood next to them, lost control of her emotions and pushed Keegan away.

Keegan lost his balance, stumbled, and hit himself against the wall. Then, his face turned pale as he winced in pain.

Jaylene became anxious. "Mom! What are you doing?"

Aldor, who had just "coincidentally" settled the bill, saw what happened and rushed over to help Keegan. ' Mrs. Saun, what is this all about?" he spoke in a slightly angry tone.

Jaylene looked distressed and wanted to check on Keegan. However, before she could get any closer, Darcie slapped her in the same spot where Jessie had just hit her. "If you dare to walk over there, I'll disown you and never want to see your face ever again!"

Darcie slapped her hard. She had slapped Jaylene before for not doing well in her academics or for saying the wrong things in public, but never as harshly as now.

As the slap landed, Jaylene's ears buzzed. She looked at Darcie in disbelief as more tears welled up in her eyes.

Keegan seemed like he could not bear seeing Jaylene being slapped and softly explained while Aldor held him up, "Darcie, Jaylene is an adult now and has the right to be with whoever she wants. You shouldn't force her like this."

Darcie refuted with a cold face, "Mr. Kane, how I educate my daughter is none of your concern. Please stay away from my daughter from now on! Stop bothering her with everything. If you don't like her, don't give her hope!" Aldor frowned. "Mrs. Saun, please do not speak recklessly and twist the facts.

Ms. Saun called Mr. Kane and offered to bring some tea over. Mr. Kane was drunk and unaware-

Keegan stopped Aldor from speaking any further, stood upright, and said, "I'm sorry, Darcie. I didn't mean to cause you any trouble. I'll keep my distance from Jaylene from now on."

Upon hearing that, Jaylene immediately forgot about the pain on her face and anxiously said, "Mom! Keegan didn't bother me at all. It was me-" "Shut up!"

Darcie felt like her head was pounding. "Get into the car right now! If you say another word, I'll kick you out of Hustuabourg!"

Jaylene fell silent and looked at Keegan with tearful eyes. He seemed like he wanted to say something but ultimately kept quiet.

Jaylene's heart sank. When she glanced back at Darcie, her eyes carried a hint of resentment.

However, Keegan was rubbing his temples with his head lowered, not meeting her gaze.

Aldor said, "Then let me carry you downstairs."

Keegan's eyelid twitched. He said with a stern expression, "Get lost."

Keegan replied in a deep voice, "Let's go downstairs. Take me to the hospital."

After Stella had the meal with Wenham, she was still waiting for Keegan's call.
