The news that Nian Xi had woken up spread.

Many people came to congratulate him. For a moment, the ward was about to collapse.

Nian lie couldn't be bothered to play along with them, so he let ning Qing send the rest away.

After that, he spent two months recuperating. During that time, ning Qing and the two children accompanied him and discussed many things.

It wasn't until mother ning mentioned, " the two children are already so big. When are you two planning to have a wedding? " that they suddenly realized something.

At first, ning Qing didn't want to do it again. After all, he hadn't fully recovered yet. But Nian lie was stubborn.

Thus, in the Golden autumn of September, the news of their grand wedding finally spread.

In the resplendent Hall, flowers bloomed and the room was filled with the fragrance of roses.

"I'm willing to."

"I'm willing to."

With tears in her eyes, ning Qing glanced at the crowd below. Father ning, mother ning, Nian che, Lu Zhui, Yu Shu, and even Shen Yao were there.

The people closest to her were all here.

He had no regrets in this life.

She turned around and looked at him with her most beautiful smile.

Dressed in a white suit, Nian lie was elegant and Noble, with a threatening temperament. His black eyes were filled with unparalleled affection and love.

This wedding was the answer to the love of their lives.

During the ceremony, it was time to hand over the wedding ring. Mo Han was wearing a black tuxedo. His expression was serious and a little nervous. He held youzi's hand, who was wearing a white gauze dress. She held the wedding ring in her hand and walked towards the two of them step by step.

Ning Qing's smile was warm when she stood in front of the two of them.

Mo Han raised his head and looked at the two of them. He said his best wishes. dad, mom, sister and I hope that you can always love each other and be happy forever.

Ning Qing burst into tears. She was touched and happy.

"Alright," he said.

Youzi handed the ring box over and presented the ring.

“.....”

Nian lie was speechless. He took off the ring and put it on ning Qing.

Ning Qing repeated the same action.

“Kiss me, kiss me!” Someone shouted from below.

Gradually, more and more people began to make a fuss.

Ning Qing was a little embarrassed. After all, she was in front of so many people and two children.

Nian Xun’s eyes flickered as he reached out his hand.

A disappointed voice came from below.

“Ah ning, don’t cry: : he said as he wiped her tears away with his fingers:

“.....”

“I’ll be good to you for the rest of your life,”

Ning Qing laughed out loud, but before she could say anything, his warm lips covered hers.

“Wow ...”

Cries of alarm rang out.

Ning Qing’s eyes widened in surprise, and her heart softened as she looked at his face that was so close to hers.

She wrapped her arms around his neck.

In the midst of the screams, Mo Han blushed and turned around. He suddenly found that youzi was looking at the two of them curiously. He quickly pulled her over and covered her eyes with both hands.

“.....”

The wedding took three full days. After it was over, ning Qing received a call.

It was Gu nanzhi, whom he had not seen for a long time.

She laughed. Hello.

“Happy wedding, baby.”

On the other end of the line was the man, who was as carefree as before. Ning Qing subconsciously glanced at Nian lie, who was beside her. He used his eyes to ask who it was, and she covered the silencer and said three words.

Nian lie didn’t say anything, but his eyes flickered.

Seeing that he did not stop her, ning Qing got up and walked to the window.

"I see that you've been very busy recently. Is it because you've become the head of the family, so you don't like an old friend Like Me?" she teased.

"How is that possible?" The man denied it immediately and then said in frustration, " you know that I just took office. There are a lot of things waiting for me to deal with. I'm so annoyed.

"....."

besides, you're the head of the Lou family. I'm still hoping that you'll help me more in the future. How could I dare to offend you? "

These words were a little sour.

Ning Qing's smile deepened. but even if you're busy, you should still come to the wedding with our relationship, right? "

There was a moment of silence on the other end of the line. Gu nanzhi suddenly asked, " are you sure you want me to come? "

...

of course, " ning Qing replied without hesitation.

Gu nanzhi let out a bitter laugh. She said helplessly, " I've pursued you for a few years. Aren't you afraid that you'll break my heart by saying such things? "
