

Mr Nian 701

[Chapter 701](#)

701 I've forgotten about my sister after getting a wife (1:

"I didn't do it on purpose. You were the one who hugged me first!" Ning Qing blurted out as her face heated up:

Nian lie's face darkened. if you want me dead, you don't have to find an excuse.

Ning Qing wanted to explain, but the man closed his eyes. His pale face seemed to be complaining about her rudeness.

"....."

She gritted her teeth and swallowed her grievances.

Just then, Ruan Yi returned.

Feeling the tense atmosphere between the two, she almost subconsciously asked, " you bullied her again. fortunately, she controlled herself in time.

She pretended to be aloof as she glanced at ning Qing. Then, she rushed to Nian lie and asked worriedly, " what's wrong? why do you look so pale? should I call the doctor? "

"There's no need," Nian lie said weakly, not opening his eyes.

Ruan Yi cursed him in her heart, " your acting is really good. she looked at ning Qing with an unfriendly gaze.

"Did you make him angry?" she asked.

"I didn't," ning Qing said.

"Without him, how would things have turned out like this?"

Ruan Yi glared at ning Qing. miss ning, my fiancé is a generous man, but he's not that generous to everyone. Don't bully him just because he's sick.

Who was bullying who?

He was the one who had hugged her just now. That was why she had such a big reaction.

Ning Qing knew that if she said this, it would only make the two of them feel that she was trying to drive a wedge between them.

Her heart turned cold, and she gave up the idea of explaining.

"I'm sorry, I didn't hold back."

Nian lie's heart trembled for some reason when he heard her words.

Ruan Yi didn't know why, but she continued to put on airs. you didn't know the severity of your actions this time. Be more careful next time. Not everyone is so kind to you.

“.....”

The corners of ning Qing’s lips twitched, but she did not smile at all.

“That’s enough,” “Let her go back,” Nian lie ordered.

Ruan Yi paused and turned to ning Qing. that’s all for today. You can go now.

“Hello, Yueyue.”

After ning Qing squeezed out these words, she turned around, pulled the doorknob, and left after hesitating for a few seconds.

On the bed, the man slowly opened his eyes.

why are you asking her to leave now?” Ruan Yi asked, confused.

It only started today, shouldn’t he have kept her until night?

Nian lie didn’t want to explain what had happened to her, nor did he want to admit that he was afraid that she would be angry.

“What are you doing back here?” he asked.

Ruan Yi didn’t hide anything.

“I was just at the door. I heard you scream so miserably and was afraid that she would bully you, so I came in immediately.”

“.....”

“Who knows what you’re doing in there?” she muttered:

Nian lie’s head ached. He chased her away mercilessly: go and do your own things. Don’t come to the hospital so often.

Ruan Yi’s almond-shaped eyes widened as she shrieked in disbelief. you’re good, Nian lie. Are you telling me to leave after you’re done using me and making me the bad guy?” Aren’t you too heartless!”

Nian lie was unmoved. I didn’t ask anyone to throw you out just now.

Anyone else who dared to treat ning Qing like this in front of him would have been half-dead by now.

‘You’re good!’ Ruan Yi was so angry that she called him ‘you’ a few times before finally saying, ‘you’re good! I’ve finally seen through you. You’ve forgotten about your sister after you have a wife! You’re heartless!’

She was so angry that she was pacing back and forth. She pointed at The Thin Man on the bed and said, “ if I care about you again, I’ll change my surname to yours!

She angrily walked to the door and pulled it open. The figure at the door made her expression crack.

Ning Qing stood there with her hand raised, as if she was about to knock on the door.

“Sister-in-law, sister-in-law, sister-in-law,” you ... Ruan Yi stammered. Realizing that she had been exposed, she quickly put on a cold face and rebuked, “ what are you doing back here? ” Eavesdrop on our conversation?”

[Chapter 702](#)

702 Don't you let her down (1:

Ning Qing did not say anything.

Ruan Yi's heart was in her mouth, especially when she sensed the man's deadly gaze. She was even more anxious.

“What, you're happy to hear me quarrel with him, right? Ning Qing, I advise you to look at the situation carefully, you won't have a chance to slip away.”

“I heard everything.”

The ward suddenly became quiet.

Nian lie's nervous gaze was right behind her. Ruan Yi suddenly had an idea. um, I still have something to do. I need to talk to my assistant. You guys can talk first.

After that, she turned sideways to avoid ning Qing and ran away.

Ning Qing slowly walked into the ward and met Nian lie's gaze.

He was flustered and propped up his upper body. ning Qing, listen to me.

“I'm here to get my bag,”

She had left in a hurry just now and had forgotten.

She walked to the table in two or three steps, took her bag, and turned to leave.

Seeing this, Nian lie called out, “ ning Qing!

He was so anxious that he wanted to jump out of bed, but his feet were hanging, his upper body was tilted, and his head was about to fall to the ground ...

Ning Qing was startled. be careful!

Without hesitation, she rushed up, grabbed his sliding body, and then lifted him up.

She gritted her teeth and moved him back to the bed. She wanted to leave again, but Nian lie grabbed her arm and said, “ listen to me!

“Hiss!”

Ning Qing sucked in a breath of cold air in pain. He quickly let go of her hand, only to remember that her arm was injured.

“Let me see Yingluo.”

He was so anxious that he wanted to pull her again, but Ning Qing dodged it deftly and held her injured arm with one hand.

“Ning Qing! Come here, let me see your injuries!”

Ruan Yi ... she endured the pain. Her eyes were blurry. After a while, she finally said, “did you do that to Ruan Yi on purpose?”

Nian lie’s expression froze on his face.

She thought about it and felt that it was ridiculous.

In the beginning, Ruan Yi had been very friendly to her. However, she had changed so much after that. She had always thought that Ruan Yi was bothered by her relationship with Nian lie. She didn’t expect that to be the case.

Ning Qing looked at him with difficulty. Nian lie, I can understand how you’ve treated me because you hate me for not treating you well in the past. However, you know Ruan Yi better than I do. She’s innocent and kind, and she’s true to you and me. How could you use her?”

“.....”

Hearing her question, Nian lie wanted to explain, but he realized that something was amiss.

Nian lie suppressed his panic and stared at the woman without blinking.

Ning Qing was a little resentful and dissatisfied, but she also felt an unspeakable bitterness and sadness.

“You don’t have to be so concerned about my relationship with her, and don’t treat her badly because of me.”

“.....”

“Ruan Yimo is a good person. She’s good to you too.” She looked at the man who didn’t know what was going on. There was something in her chest, but she didn’t have the time to care.

“So, don’t let her down.”

After saying that, she picked up her bag from the ground and turned to leave.

This time, he did not stop her.

On the hospital bed, the man was stunned for a long time.

Ruan Yi quietly opened the door and stuck her head out. how’s Huahua?” she asked carefully.

Nian lie’s thoughts were cut off by her, and his expression didn’t look too good.

“What happened? did you tell her the truth?” she asked.

He was finished.

Was she really angry with her?

Did he think that she was a bad girl and would not be willing to be friends with her in the future?

Ruan Yi was on the verge of tears. it's all your fault. If it weren't for you, I wouldn't have to put on an act with her. Now, she doesn't like me anymore. Are you happy? You!!!"

"Shut up," he said. Nian lie's head hurt from the noise, but his mind was completely clear.

"I refuse! It's all your fault, the idol that I finally managed to catch up with just flew away like that!"

Chapter 703

703 I'm not serving you anymore (1:

Nian lie couldn't take it anymore. He was a little annoyed. stop arguing!

Ruan Yi was so frightened that she kept quiet and looked at the man in fear.

Nian Yu pursed his dry lips, his eyes dark and gloomy.

"She didn't finish listening."

really? " Ruan Yi was surprised.

"Yes."

If she knew that Ruan Yi was his sister, she would never ask him to treat her well.

The only possibility was that ning Qing had only heard the second half of the story and thought that he had used Ruan Yi to anger her for nothing.

Ruan Yi patted her chest and heaved a sigh of relief. that's good.

If her image was completely ruined, this man wouldn't be able to compensate her even if he died ten times!

She naturally did not dare to say this out loud.

hey, " Ruan Yi said after some thought, " when are you going to tell her the truth about our relationship?
"

Nian lie snapped out of his reverie and didn't reply immediately.

it's not a good thing for her to misunderstand you, " Ruan Yi reminded him. she might think that you're pursuing her while taking advantage of me, your fiancée. You're a typical scumbag.

The veins on Nian Xi's forehead twitched, and he shot her a cold look. no one will think you're mute if you don't speak.

Ruan Yi spat on the ground. I don't care. Don't blame me for not warning you when we're done playing.

After that, she also walked out of the ward.

Before he left, he said, "

you're really something. Let her take care of you. I'm not going to serve you anymore.

His footsteps were getting further and further away.

Nian lie sat on the hospital bed and pondered for a moment before slowly leaning against the pillow. His dark eyes emitted a faint light.

Ning Qing did not go to the hospital the next day.

Ruan Yi also returned to youran residence on the day of the delivery.

Gu nanzhi followed ning Qing. The three of them and uncle Wu went to the hall where they had signed the contract.

Uncle Wu didn't beat around the bush. dear guests, the time is up. The products you requested have been completed. You can inspect the goods now.

Ning Qing and Ruan Yi nodded, both feeling a little uneasy.

Two servants brought out two wooden boxes, exquisitely carved, medium-sized.

"Please pass me the tokens," uncle Wu said solemnly.

Ruan Yi took it out first and handed it to the old man. The old man checked the flower shape of the hairpin and verified it before asking the servant on his left to give him the wooden box.

miss ruan, please check and accept.

Ruan Yi accepted it with both hands and thanked him. Then, she looked at the people present and opened it nervously.

Ning Qing averted her gaze in order to avoid the topic. uncle Wu.

The old man understood and took the hairpin from her hand. He raised his hand and asked the servant on the right to present it to her.

Ning Qing took it and exchanged a look with Gu nanzhi. She was also in an indescribable mood.

For this design, she, Gu nanzhi, and even her parents had put in too much effort. They had also experienced many accidents during this trip to youran residence. Finally, the finished product was here.

Gu nanzhi knew that she was nervous. She patted her back. open it and take a look.

Ning Qing's fingers pressed on the lock of the wooden box, and with a little force, she opened the lid.

A leaf-shaped silk brooch was placed on the red velvet, shining.

The brooch was silver in color, about ten centimeters long and four centimeters wide. Its unique feature was that it was made with traditional silk.

It was shaped like a net-shaped leaf, the veins of the leaves were extremely clear, and it was embellished with green diamonds of different sizes. It was eye-catching and bright, simple and fresh, with just one look, it made people's eyes light up.

Gu nanzhi laughed. She could also see the surprise on ning Qing's face.

Ning Qing gently stroked the outline of the brooch with her fingertips, then reluctantly withdrew her hand. She raised her head and sincerely thanked him. thank you, uncle Wu. The real thing has completely exceeded my expectations. I like it very much.

[Chapter 704](#)

704 They actually abandoned him and left?

Uncle Wu nodded and looked at Ruan Yi with a warm smile. what do you think, miss ruan? ”

Ruan Yi raised her head and smiled brightly. I’m very satisfied too!

“If that’s the case, I can rest assured.”

Uncle Wu nodded repeatedly. He stroked his long beard and said solemnly, ” thank you for your love and trust in youran residence.

Ning Qing and Gu Nanyan nodded at the old man.

it’s getting late. Tomorrow is the deadline for you to submit your works. Everyone, please hurry up. Uncle Wu reminded.

Ning Qing nodded. yes, the deadline is ten in the morning tomorrow.

Gu nanzhi’s expression darkened. She looked at her. okay. We should go back.

At the mention of going back, ning Qing looked at uncle Wu.

The old lady looked back at her with a gentle gaze. thank you for choosing youran residence. I’m also very sorry for the trouble and inconvenience caused to our distinguished guests these few days due to negligence. If you need our youran residence in the future, please feel free to ask.

uncle Wu, don’t say that, ” ning Qing said. we’ve troubled you a lot these past few days.

No. the old man shook his head. He suddenly thought of something and turned to Ruan Yi. miss ruan, are you going back to the capital too? ”

Ruan Yi was called out. yeah, I’m going back to the competition too.

Uncle Wu frowned. then, what will Mr. Nian do? ”

The few of them then remembered the man in the hospital and did not know how to respond.

Uncle Wu made the decision first. Mr. Nian was injured in our youran residence, so naturally, he needs us to take care of him. You can all go back first. When Mr. Nian is better, I will send someone to send him back to the capital.

“.....”

The old man looked at ning Qing. what do you think? ”

Ning Qing was a little helpless. Gu nanzhi stood in front of her and said, ” we don’t have anyone to take care of him now. Let him stay here. It’s not too late to go back when he’s better.

Ning Qing had lost the right to speak, but she knew that she had no right to make a decision, so she looked at Ruan Yi, who could make the decision.

Ruan Yi didn't care about Nian lie. She nodded and said, "that's right. I'm busy with the competition too. I can't take care of him. Let him stay here.

"....."

"Uncle Wu, I'll have to trouble you to look after him."

Thus, Ruan Yi, ning Qing, and Gu nanzhi left youran residence that afternoon and took a flight back to the capital.

In the hospital, Nian lie's expression couldn't get any darker when he found out that he had been abandoned.

They actually abandoned him and left?

Nian Yu was so angry that his chest hurt. didn't they say anything? "

Uncle Wu seemed to see his anger and comforted him. no, miss ruan said that she was in a hurry to participate in the competition. She was afraid that you'd be on the move and that it would be detrimental to your recovery. So, she asked you to rest here for a while.

Good job, Ruan Yi!

Did she run over so quickly because she was afraid that he would settle scores with her?

miss ruan is right. Mr. Nian, just focus on your recovery. When you're better, I'll get someone to send you back.

"No!"

Uncle Wu was stunned.

"I'm going back now!" Nian lie stared at a certain spot with a dark expression and said through gritted teeth.

Uncle Wu didn't quite agree. but your injuries ...

"It doesn't matter!"

The injury was not important. What was important was that he had to stay by ning Qing's side and watch over her!

He was worried about that Gu brat!

Nian lie's dark eyes darkened. please help me arrange a time.

Uncle Wu hesitated for a moment before nodding in agreement.

After saying a few more decent words, the old man asked him to take care of his health, and then he got up and prepared to return to youran residence.

Stepping out of the ward, the old man's face was no longer peaceful and loving.

"Tell the young lady that he's also returning to the capital and ask if we should make a move."

The subordinate nodded and contacted the woman without delay.

The woman hesitated for a moment. She thought of Lou qingyue and said, "ask him to go back. With him around, the danger around her will be less."

Although they were all codenames, uncle Wu understood. understood.

He turned around and got someone to tell Nian lie, "your flight will be at eight o'clock in the evening. Please get ready. then, he left the hospital.

[Chapter 705](#)

705 Do you still remember me: who was left in the hospital?

When ning Qing and the others arrived in the capital, Ruan Yi left on her own.

When she and Gu nanzhi went back, ning Qing's parents asked about what had happened in the past few days. Ning Qing only mentioned it verbally and didn't go into detail. She didn't mention the fire either.

After dinner, her parents told her to go back to her room to rest.

After taking a bath, ning Qing climbed into bed.

However, not long after she laid down, her phone, which was charging at the side, rang.

She picked up the phone in a daze. Hello, who's this? "

Nian lie could tell that she was sleeping. He was so angry that he laughed. you're sleeping? "

Ning Qing hummed in agreement. it's so late. Why are you looking for me? "

Nian lie gritted his teeth in anger. it's already so late. Do you still remember me when I was left in the hospital? "

Ning Qing struggled to open her eyes and looked into the dark room. you should rest well.

The whistling wind came from the other side, mixed with the man's breath.

"You're all gone, why did you ask me to rest?"

"....."

"Why didn't you tell me when you went back?"

Ning Qing turned around. the competition ends tomorrow, and Ruan Yi is back. I thought she'd tell you.

In fact, not only did Ruan Yi not tell Nian lie, but she also lied and ran away.

Of course, he knew that they would go back early, but he didn't expect that no one would think of him.

Nian lie was both frustrated and annoyed. it's her business whether she tells me or not. But what about you? " Ning Qing, why did you forget me?"

Ning Qing felt that his words were a little unreasonable. He didn't blame Ruan Yi for her mistake, but she was wrong for not telling him?

Because she was sleeping, she had been very tired recently. Her mind was empty, as if she had forgotten a lot of things.

"Why should I remember you?" she asked in return.

"....."

where I go is my business. It has nothing to do with you. Also, don't talk to me in that commanding tone. I'm annoyed.

Nian lie's dark eyes narrowed, and he couldn't help but raise his voice. what did you say? "

"I said, don't disturb me if there's nothing important."

After that, ning Qing hung up the phone.

Outside the airport, the man was sitting in a wheelchair, and behind him were bodyguards who had come to pick him up.

Nian lie clutched his phone. He was so angry that he laughed in the end.

Her soft tone just now was also a little fierce, as if she was very different from her usual self.

He was probably really exhausted.

As Nian lie thought of this, his anger slowly faded, leaving behind a little relief.

"Sir, do we still have to wait?"

The subordinate took the initiative to ask. After all, the winter weather was too cold.

"Let's go back,"

At Nian lie's command, his subordinates respectfully opened the car door for him. Then, the two of them worked together to move him and his wheelchair into the car.

The night was getting quieter and quieter.

The car disappeared at the other end of the road.

.....

The next morning.

After ning Qing woke up, she had completely forgotten about what had happened last night.

She washed up in an orderly manner, picked a beige fur dress, matched it with a khaki coat, flung her long, curly chestnut hair behind her back, put on high heels, and brought the design drawings and physical items needed for the competition. She went to the Yongye building with Gu nanzhi.

The two of them met Ruan Yi on the ground floor of the building.

Ruan Yi didn't know what kind of expression she should make when facing ning Qing.

Ning Qing was stunned for a moment before she nodded.

"Hurry up, it's going to be too late." Gu nanzhi reminded him.

The two of them were caught in a traffic jam just now, and the time to rush over was already up. Now, there were still ten minutes left before the deadline.

"Alright," he said.

yes," ning Qing replied. The three of them entered the gate one after another and got into the elevator.

Ning Qing was a little uneasy and uneasy, but she couldn't tell why.

They reached the eighth floor very quickly.

The door opened, and Ruan Yi walked out first without seeing her.

Ning Qing stood still. Gu nanzhi called her. Ning, what are you thinking about? we're here.

She suddenly came back to her senses and nodded. She took the bag containing the design drawings and the real objects, took a deep breath, and stepped out of the elevator.

However, he had only taken two steps when he ran into a black shadow.

"What's wrong with you?"

[Chapter 706](#)

706 You want to leave after bumping into my miss?

Ning Qing had just steadied herself when she was pushed again.

She twisted her ankle. Gu nanzhi did not manage to stop her in time and she fell to the ground.

The bag in her hand flew out.

Gu nanzhi was furious. what are you guys doing?!

He bent down to help ning Qing up, but she quickly stood up and went straight to pick up the bag that had fallen.

"Ning, are you okay?"

Gu nanzhi was concerned, but ning Qing shook her head. She couldn't care less about the situation. She took out the wooden box hidden inside and opened it to take a look.

After the inspection, there was no damage.

Ning Qing heaved a sigh of relief, closed the wooden box, and put it back in her bag. She looked up at the group of people.

In the crowd, the woman held her head high and crossed her arms in front of her chest. The mask covered half of her face, revealing her sneering eyes. A tall bodyguard stood in front of her. He was the one who had pushed ning Qing just now.

Seeing that ning Qing was fine, Gu nanzhi's sharp eyes returned to those people. you didn't watch where you were going. Who told you to push her? "

His subordinate was expressionless. she was the one who bumped into me.

this is a blind spot. No one knows if we crashed into you or if you crashed into us!

He didn't understand what they meant by attacking.

It really made him angry.

However, when ning Qing saw Lou qingyue, she didn't feel too good.

She lowered her head to look at the time and frowned. Tiny, forget it. We're running out of time.

Gu nanzhi slowly suppressed her anger and glared at the man. She grabbed ning Qing and wanted to walk around them.

"You want to leave after bumping into my family's young miss?"

The man's tone was sharp, and he blocked their way.

Gu nanzhi sneered, losing her usual friendliness. what else do you want? You want us to kneel down and apologize to your lady?"

In fact, if one listened carefully, there was some resentment and dissatisfaction in his words.

But no one present thought much about it, including ning Qing.

She tugged at Gu Nanyan's sleeve. She was about to say something when the bodyguard raised his chin and threatened her with a superior attitude. you have to apologize. Otherwise, don't even think about leaving.

Local ruffians!

Gu nanzhi cursed in her heart. Before she could say 'don't even think about it', she heard a' sorry 'beside her.

He was stunned and looked at ning Qing in surprise.

Ning Qing pursed her lips and looked serious. She repeated, " it's indeed a blind spot. We were in a hurry and accidentally bumped into you. I'm sorry.

"You're too polite," Lou qingyue, who was surrounded by a myriad of stars, smiled and said in a leisurely manner.

"....."

The bodyguard stretched out his neck and did not give up. He seemed to be doing it on purpose. show me your sincerity. Do you think you can dismiss me with just two words? do you know who my young miss is? ”

Lou qingyue and ning Qing looked at each other. Only the two of them could feel the turbulent undercurrent.

Although she was smiling, there was no trace of a smile in her eyes. enough.

“But young lady Wanwan”

A slap landed on his face, stunning everyone present.

“I don’t like to repeat what I said a second time.”

It was still the same tone, but it made people feel the fickleness of her emotions.

The subordinate covered his face and bowed in apology. I’m sorry, miss.

Lou qingyue glanced at her and then walked away.

The subordinate also followed.

Ning Qing and Gu nanzhi stopped in their tracks. The man was furious. why are you apologizing to her? It’s not your fault!”

Ning Qing had been holding her breath, and now she was panting heavily.

“They’re not to be trifled with. If we don’t apologize, this matter might not be resolved.”

“But Yingluo”

“It’s too late. Nan Yue, let’s go.” Ning Qing didn’t want to discuss this accident with him anymore, so she turned and walked in the opposite direction.

[Chapter 707](#)

707 You’re going to see him again (1:

Ruan Yi had just finished handing in the materials when she saw ning Qing and Gu nanzhi rush past her.

huh? ” she was confused.

“Why are you so slow?”

She said in a low voice and slowly walked to the stairs.

Fortunately, ning Qing managed to submit the materials and works a minute before the deadline.

She went downstairs with Gu nanzhi and walked out of the main entrance of the Yongye building. After doing all this, her heart finally settled down.

Gu nanzhi was in a dilemma, wondering if she should tell her something.

Ning Qing did not notice him. Instead, she saw a black luxury car parked on the side of the road.

Although it wasn't eye-catching, she seemed to be able to feel that someone was looking at her from inside.

Moreover, if she remembered correctly, it had also stopped there before she entered the door.

Ning Qing frowned, and the phone in her pocket rang.

She took it out and saw that it was a message.

There were only two words on it-come here.

Ning Qing froze for a moment, then knew who the man in the car was.

Gu nanzhi was about to say something when she noticed her dazed expression. Ning, What are you looking at? "

He followed her line of sight and saw that the smooth, dark car had concealed the person inside.

Ning Qing's lips moved. Gu nanzhi, you can go back first.

The man was stunned and turned to look at her.

Ning Qing braced herself. I have something to do, ran ran.

Gu nanzhi was silent for a moment before she snorted. you're going to see him again? "

Ning Qing lowered her eyes in silent agreement.

Gu nanzhi was not angry this time. Her tone was terrifyingly calm. ning Qing, tell me, why are you doing this, huh? "

She knew that the man would only hurt her, but she still ran to him.

He didn't understand. How bad was he that she didn't want to stay by his side?

Ning Qing was a little flustered when she saw him like this. it's not what you think, Tiny. He saved me at The Fire Last Time. I made a promise with him that I have to take care of him for two months.

"Two months?"

Gu nanzhi couldn't help but sneer. Her sharp eyes fell on the car, as if she wanted to look through the window and meet the calm and Noble man's eyes.

"He has a fiancée, how can he lack people to take care of him? Ning, wake up, he did it on purpose."

How could ning Qing not know that he was doing it on purpose? but how could she refuse the 20 billion compensation?

Gu nanzhi thought that she had been persuaded and continued, " come back with me. Ignore him. He knows your choice. He won't come to find you again.

Ning Qing blinked. sorry, Tiny.

Another apology.

She had nothing else to say to him except to apologize.

Powerlessness instantly invaded his entire body, and he had no strength left.

“Yingluo, are you really going to leave with him?” Gu nanzhi asked in a deep voice.

At that moment, ning Qing wanted to tell him about the 20 billion Yuan, but she thought about the consequences if she told him. He would just have to pay for her.

She already owed Nian lie. How could she owe Gu nanzhi too?

Ning Qing laughed bitterly and shook her head.

Gu nanzhi understood. She was dejected. Okay, okay.

“.....”

“You should go with him.”

After he said this, he turned around and left without looking back.

Ning Qing’s hand stopped in mid-air, and she did not chase after him.

After Gu nanzhi had gone far away, the car on the side of the road honked its horn to remind ning Qing of its presence.

“.....”

Ning Qing took a few deep breaths and walked over with an ugly expression.

The car window rolled down, and the man’s pale face came into view.

Nian lie cast her a sideways glance. get in the car.

[Chapter 708](#)

708 I’m your creditor _1

“What are you doing back here?: ning Qing asked expressionlessly:

The questioning and grumbling in her words were deep, and Nian Yu furrowed his brows.

Especially when he found out that she had quarreled with Gu nanzhi just now and was obviously venting her anger on him, he felt terrible.

He suppressed his temper and said in a neutral tone, “ I don’t need to report to you where I am.

Ning Qing’s face was cold. I told you to stay there and recuperate. Why did you come back? no one has time to care about you.

“You do.”

“I need to prepare for the competition.”

“You have time.”

“I’m not free!”

“You do.”

Ning Qing’s face turned red with anger. you’re a Rascal? I said I’m busy.”

“If you can take out 20 billion, you can leave,” Nian Ying reminded him.

Ning Qing glared at him, her hands clenched in anger.

He thought about what had just happened and could not help but feel a little sour in his heart. let me remind you, you don’t have to pay me back. You can find someone to pay me on your behalf.

Even a fool would know who he was referring to.

However, she had just parted with Gu nanzhi on bad terms, so ning Qing felt that these words were particularly harsh.

He was mocking her!

Ning Qing gritted her teeth, her eyes burning with rage. Nian lie, what do you want? ”

Was he sick in the head?

The fire didn’t burn him, but his brain?

The man knew that she was really angry. He coughed and looked away. get in the car.

Ning Qing did not move.

“Ruan Yi doesn’t know I’m back,” he added.

She was stunned and her anger was at a loss.

He didn’t tell Ruan Yi that he was back and came to find her instead?

Ning Qing’s eyes were fixed on the side of his face. The man raised his hand to cover his mouth unnaturally and deliberately said in a cold voice, ” hurry up and get in the car. Don’t waste my time.

“.....”

For some reason, ning Qing could not vent her anger. A ball of pent-up anger was stuck in her chest, and she did not know where to go.

She calmed down and compromised.

He went around the back of the car and got into the car from the other side.

After getting in the car, the car started again.

Ning Qing saw that the man was sitting in a wheelchair, and his legs were covered with a thick blanket that covered his cast, so she could not see anything.

Her anger dissipated a little.

“Did it go smoothly?” Nian lie sensed her gaze and pulled the blanket over him.

It was as if he wanted to chat.

Ning Qing didn't want to talk to him. it's okay.

“.....”

Nian lie could feel her distance from him. After saying that, he kept quiet.

The carriage quieted down, and a slight emotion flowed in it.

About ten minutes later, the car entered the underground parking lot and stopped.

“Where are we?” ning Qing asked as she got out of the car.

“One of my properties.” Nian Xi's words were concise.

Of course, ning Qing would not have thought that this was a real estate that he had just bought for the convenience of his future visits to the capital.

She didn't say anything and picked up her bag to look for the elevator.

“Wait,”

Nian lie said. She turned around.

He was sitting in a wheelchair. He was in a disadvantageous position, but it made him look inviolable and Noble.

“Come here and push me: ” he said:

Ning Qing glanced at the men behind him. why? ”

“I'm your creditor.”

Ning Qing gritted her teeth.

He was really reminding her all the time that she owed him money!

Why didn't she realize before that this man was so vengeful and stingy!

After taking a deep breath, ning Qing returned.

The subordinate sensibly made way for her. Ning Qing's face was cold as she held the wheelchair.

sit tight, Mr. Nian. I don't have any experience. Be careful of any accidents.

Her indignant curses, to Nian lie's ears, somehow sounded more adorable.

The corners of his lips curled up, but he suppressed it.

“Let's go,” he said.

709 Do I still have an influence on you?

Her subordinate led the way as Ning Qing pushed Nian lie into the elevator and into the apartment.

The journey was smooth and there were no accidents.

Nian lie knew that she had a tough mouth but a soft heart, so he was in a better mood.

The three of them stopped in the middle of the living room.

Ning Qing looked around. The simple and plain decoration style was something that Nian lie would like.

“There’s nothing else for you,” the man said to his subordinate.

The subordinate nodded and turned to leave.

Ning Qing sighed and looked at Nian lie in confusion.

“From today onwards, you’ll take care of me,” the man said in his usual cold tone:

Ning Qing was shocked. why? ”

Nian lie raised his eyes. why do you think I should? ”

20 billion!

Ning Qing knew he would say something like this, and she was immediately annoyed.

Ning Qing didn’t know what kind of expression she should put on. can you not talk about 20 billion? ”

that’s my money, ” Nian lie replied coldly.

Ning Qing turned around and closed her eyes.

She was afraid that she would not be able to control herself and slap him in the face.

After a few struggles, she suppressed her anger and turned around, her face expressionless.

“You mean, you want me to stay here and take care of you until your leg recovers?”

Her focus was on one person.

Nian lie’s dark eyes darkened. yes.

“.....”

Seeing that Ning Qing was about to explode, he slowed down his tone and said, ” Nian che and Lu Zhui are busy with company matters, and Ruan Yi has a competition to attend. I don’t want them to worry. I asked you to come because we used to know each other.

The mention of the past made Nian lie feel a little down.

“What I’m asking you to do is what a nurse should do,” he said.

“You can hire a nurse!: Ning Qing retorted. Or I can help you hire someone to take care of you, it’ll be better than me taking care of Yingluo.”

“No,” Nian lie rejected her firmly once again.

Ning Qing turned around in anger. why not? She’s a professional nurse, and she’s better at everything than I am!”

Nian lie knew that she had been trying to get rid of him. He felt uncomfortable, but he couldn’t show it on his face.

If he didn’t let her give up, she would keep thinking about it, and who knew what she would do in the future.

With this thought in mind, he had to firmly break this thought from her.

Nian lie’s face turned cold, and his gaze turned cold as well.

two months? even the best nurse wouldn’t be able to spend 20 billion.

“.....”

in your dreams,” he said sarcastically and indifferently. you think you can cheat me of 20 billion by just hiring a random person.

Ning Qing had no other choice. Her face and ears were red. taking care of you will affect my competition!

“Who am I? how could I affect your competition?” Nian Xi didn’t give her any time to think. or do I still have some influence on you? ”

“.....”

The room fell silent.

Ning Qing stood in front of him, her chest heaving slightly. I need enough private time, ” she said after a long while.

Nian lie’s heart was clenched tightly, but he only relaxed a little when he heard this.

“You can do anything related to the competition.”

Ning Qing thought about it for a long time. In the end, her mind went blank. She agreed weakly. Hello, Zhenzhen.

Just treat him as a dead man.

She would endure for two months.

Finally, he managed to convince her. Nian Yu secretly let his guard down.

He looked at the sofa and ordered,”help me to the sofa.”

Ning Qing’s face was stern. Yes, sir.

The word ‘Sir’ was a little harsh.

Nian lie furrowed his brows slightly. Seeing her walk over and push him to the sofa, he suppressed his unhappiness.

Ning Qing supported him with both hands, and he glared at her. what are you doing? ”

“Didn’t you want to go to the sofa?”

Was there something wrong with her helping him?

Nian lie’s eyes darkened. I can’t move.

[Chapter 710](#)

710 You want my Yingluo to carry you?

Ning Qing was confused.

He lifted his eyes. The angle was really sharp.

Ning Qing understood. you want my ran ran to carry you? ”

“What do you think?” Nian lie asked ambiguously, as if he had just heard a funny joke.

Ning Qing told herself to be patient and did not want to be entangled with him.

She put her hands under his armpits and turned her head away from him. cooperate with me.

The man raised his hands lazily. She held her breath and pulled him to the side.

Who knew that she would trip and fall uncontrollably onto him?

“.....”

Ning Qing’s mind went blank.

His warm breath fell on her ear and his soft lips pressed against the side of her face. Like an ant, he burrowed into her heart.

She didn’t dare to move, and she didn’t know how to react.

“How long are you going to lie on my body?” The man’s warm voice sounded with a trace of pain that she had been holding back, and it vibrated her eardrums.

Ning Qing jumped up from his body like a Frightened Rabbit. I’m sorry. I Can’t Stand Still.

Nian lie’s face was slightly pale, but he didn’t reply.

She turned her head carefully. why? ”

Nian lie glanced at her and said, ” you’re pressing on my leg.

“Does it hurt? Do you want to call a doctor over?”

Ning Qing’s face was still red, and the man’s pain eased a little when he saw her at a loss.

He took a deep breath and pressed his leg with one hand. no need.

Ning Qing was afraid that something might happen to his leg. She said sternly, "I'll get you a doctor. Your leg can't be injured again.

"No need,"

However, ning Qing was insistent. Nian lie could not convince her. She said helplessly, "tell the people at the door. They'll bring the doctor over.

Ning Qing nodded and walked to the door to explain the situation before returning.

The doctor arrived very quickly. After examining Nian lie's leg, he said that there were no major problems.

your condition is complicated," ning Qing suggested. it's best to let the doctor stay here in case of emergency.

"I don't need: doctor to be by my side all the time," Nian lie said indifferently:

Ning Qing suspected that he had done it on purpose. He just didn't want to hurry up and continue to torment her.

The doctor said, "there's no need to argue. Sir's condition is not bad. He can remove the cast in a few days. After that, he just needs to rest and recuperate. He needs to be especially careful these few days and not get injured again.

"In that case, you can stay here for a few days. It'll be easier for you to deal with any special circumstances."

The doctor didn't reply immediately. He looked at Nian lie.

Nian lie's expression was neither good nor bad. you go next door.

The apartment next door was the same one that he had asked someone to buy together.

Ning Qing did not expect that the apartment next door was also under his name, and she was a little surprised.

The doctor nodded and left with the bodyguard.

Only ning Qing and Nian lie were left.

I'm hungry," Nian lie said. you go and cook.

His commanding tone made ning Qing very unhappy.

He knew that she was unwilling to give up, so he softened his attitude. it's late. I'm a patient and I can't go hungry. You too.

Ning Qing put on a fake smile. yes, I'll do it now.

With that, she stomped off in one direction.

"You're going the wrong way."

Ning Qing's footsteps were stuck in the air.

Nian Xi kept a straight face and pointed to the other side. the kitchen is over there.

Ning Qing's face was burning. She tried her best to control her emotions, turned around, and went to the kitchen.

He looked at her angry face and a casual smile appeared on his cold lips.
