[Chapter 791](#)

791 All kinds of accidents during the competition (1:

“Bang!”

The car lost control and hit the tail light in front.

Ning Qing fell forward. She wanted to pull her mother, but she found that she could not.

Her body slammed into the car next to her, and then she bounced back and fell to the ground.

“Qing Qing!”

“Ning!”

Ning Qing felt dizzy and pressed her hands on the ground.

The car next to her, intentionally or unintentionally, slowly moved its wheels and was about to crush the back of her hand!

Ning Qing quickly retracted her hand and pressed it against her chest. Her eyes were filled with panic and fear.

Mother ning steadied herself and quickly went to help her up. Qingqing, how are you? Are you alright? Where are you hurt?”

Ning Qing’s eyes did not dare to blink as she looked at the car in front of her in shock.

Inside was a bald man with a fat head and big ears. When he saw that she was looking at him, he lowered the window and asked, “ what happened? do you need help? ”

Ning Qing did not miss the coldness in his eyes, and her heart was extremely cold.

She held her right hand and shook her head.

Gu nanzhi leaned out from the driver’s seat. She was so worried that her expression had changed.

“How are you?”

“I’m fine,” ning Qing said.

“Mom, are you okay?” she asked mother ning as she shifted her seat further away from the car.

Mother ning sized her up. I just tripped. What about you? ” Where are you hurt?”

“No, I didn’t,”

Mr. Ning heaved a sigh of relief when he saw that the two of them were unharmed. He turned around to face the car behind them. how do you drive? ”

It was a female driver. She got out of the car in a panic and wanted to check on him. I'm sorry, I'm sorry! I just got my driver's license and mistook the accelerator for the brake. Is anyone hurt? Do you need to go to the hospital?"

Ning Qing walked past the man just now, and she was also guarded against the woman in front of her.

"No need,"

She turned to Gu nanzhi. I'll leave everything to you. Let's go over first.

Gu nanzhi nodded. sure, I'll take care of it. You should go now.

Ning Qing's mother helped ning Qing to the sidewalk, and her father followed closely.

Gu nanzhi watched as the few of them walked away safely. She unbuckled her seat belt and got out of the car. She scolded the woman. why did you come here if you don't know how to drive? don't you know that the road is blocked? " What if she was injured? Can't you be a little more responsible for yourself and others?"

I'm sorry, " the woman apologized profusely. I really didn't mean to.

Gu nanzhi saw that she wasn't that old. She put her hands on her waist and glanced at the broken car. She held her forehead and cursed.

alright, stop crying. Quickly get someone to handle this.

The woman trembled as she took out her phone to inform her men to come over.

On the sidewalk, ning Qing and the others were hurrying along.

After walking for a few minutes, father ning noticed that ning Qing's face was pale, and the sweat on her forehead was obvious.

He stepped forward and held her arm. Qingqing, where are you hurt? "

Ning Qing pursed her lips. I'm fine.

There were still 20 minutes left. He would not be able to make it in time.

Mr. Ning pulled her back and said with a serious expression, " you're in so much pain that your face is pale. Where did you get hurt? "

Mother ning had also noticed that something was wrong with her and began to examine her from head to toe.

The woman's shoulders stepped on the ground, looking steady, but her left foot was slightly on tiptoe, and her knee was bent.

Mrs ning squatted down and asked, " Qingqing, did you sprain your ankle? "

Ning Qing retracted her foot. mother, it's not ...

Mother ning was angry and her heart ached. She stood up abruptly. where is it not? My ankle is swollen!"

“You have to be treated,” father ning said.

[Chapter 792](#)

792 Do you want to be the champion, or do you want the man you care about?

father: mother: ” ning Qing refused: we’re running out of time. I can’t miss the competition.

but you’re so seriously injured. It’ll affect your performance later! Mrs ning said anxiously.

Ning Qing shook her head and insisted. it wasn’t easy for my daughter to get to where she is today. I’ll go even if I have to break my leg, let alone sprain my ankle.

Mother ning’s heart ached for her, and she was so anxious that tears came out.

Father ning furrowed his brows and pursed his lips.

He walked in front of ning Qing and bowed slightly.

Ning Qing and mother ning were both stunned.

“Father, what are you doing?” ning Qing asked.

Mr. Ning turned around. didn’t you say that you’re going to the competition even if your legs are broken? Your leg is seriously injured, so you can’t walk very fast. Come on up, I’ll carry you.”

Ning Qing was surprised. no need, father. I can walk on my own.

“At this point, what are you still so stubborn for? Get on. ”

Father ning insisted. Ning Qing looked at her father’s back, and her eyes were filled with tears.

Mother ning was also touched. For so many years, this was the first time she had seen ning chengfeng bend his knees for her daughter, except when the two sisters were young.

“Listen to your father,” she comforted ning Qing as she held her.

Ning Qing bit her lip. but, Zhenzhen.

“Qing Qing, be obedient!”

Father ning shouted and she stopped hesitating.

“Alright,” he said.

With mother ning’s help, she climbed onto her father’s broad back, and a burst of tears welled up in her eyes.

I will work hard!

He would definitely win even if he went all out!

Ning Qing looked at father ning’s slightly aged face and his frosty white hair. She was touched and turned it into strength and determination.

Soon, the three of them arrived at the competition entrance.

Ning Qing quickly handed in the information and passed the check.

She looked at her panting parents and said with determination, "dad, mom, you should rest well. We'll go home after I win the competition.

Father ning and mother ning looked at her and smiled. She turned sideways and walked into the entrance with the help of the staff.

When they arrived at the rest area where the contestants were waiting, Lou qingyue was already there.

She was slightly surprised to see ning Qing limping in.

Ning Qing sat on the chair next to her. She turned around and said to the staff, "please help me find some ointment to reduce swelling. Thank you.

The staff member nodded, opened the door, and went out.

Ning Qingyi turned around, picked up a wet tissue on the table, and wiped the dirt off her hands.

"You still came," Lou qingyue said.

She raised her cold eyes. otherwise, do you think I would have been stopped by an accident on the road? "

I've told you, " the woman said slowly. it's best if you don't show up.

Ning Qing looked at her. I'm here at the competition venue. Miss Lou qingyue, are you going to attack me in this lounge? "

Lou qingyue's lips curved into a smile. how could that be? I'm not that bold.

"That's good."

Ning Qing obviously didn't want to talk to her.

She was filled with resentment. The man came back and handed the ointment to ning Qing.

Ning Qing thanked him again, then took off her high heels and applied it to her injured area.

"Ning Qing, do you really dare to go on stage: : Lou qingyue's voice turned cold as she heard the announcement:

Ning Qing lowered her head and paused for a moment.

She smiled and said with ill intentions, " I don't have time to talk nonsense with you. Let me ask you, do you want to be the champion of this competition or do you want the man you care about? "

Ning Qing straightened up and her face turned cold.

Lou qingyue leaned against her seat. She had always been dressed in cool clothes. Today, she wore a thick, wide-sleeved coat that wrapped her whole body tightly.

[Chapter 793](#)

793 His life and death are in your hands (1:

She moved her red lips. if you choose to be the champion, walk out now and I'll give you the championship. However, the man you love will suffer because of this.

"....."

Ning Qing looked at her face, which was filled with anticipation for a good show, and slowly remembered that Nian lie had not appeared until now!

He had said that he would rush over on the day of her finals.

Lou qingyue saw through her thoughts. you're wondering why he didn't take the initiative to contact you, right? "

"....."

I'll tell you, because he's waiting for you to make your choice.

Ning Qing couldn't hold it in anymore. what are you trying to say? "

A light flashed in Lou qingyue's eyes, and the faint blue made her look even more strange.

it's simple, " she said. you either withdraw from the competition and he lives, or you win and he dies.

Ning Qing clenched her fists tightly. Her eyes were sharp and piercing.

"You think I'll believe you?"

What kind of person was Nian lie? how could he die just because she said so?

Lou qingyue didn't show any displeasure after being rebutted by her. Instead, her face was filled with satisfaction. you can try.

"....."

"His life and death are in your hands."

Ning Qing did not speak for a long time.

Lou qingyue could see that she was nervous. She suggested in a " friendly " manner. or, you can give him a call while there's still time.

Without a word, ning Qing took out her phone and made a call.

The mechanical female voice repeated the words, " the number you have dialed is not available. it was like a blunt knife, grinding her tense nerves.

Lou qingyue had already seen through everything from her expression. Her smile became even more gorgeous.

"No one picked up, as expected."

"....."

Ning Qing put down her phone and looked over. She turned her head, her eyes full of provocation and arrogance. "Do You Believe Me Now?"

"If you believe me, then make a choice."

I don't think you're willing to do that. After all, the title of champion is just a title for you. You don't need one more. But if you die, you can't come back to life.

"....."

Ning Qing fell into a deathly silence. Her body exuded an aura that no one could understand, and her expression was so deep that there were no fluctuations.

Lou qingyue enjoyed this moment very much. She could clearly see the struggle in her heart. Over and over again, her heart was being dismembered.

Because no matter what she chose, she would lose one side.

She didn't have much patience. ning Qing, time is limited.

However, the woman suddenly stood up after she reminded her.

Lou qingyue opened her eyes and saw that she was awake. "how is it? do you want to go on stage to compete?"

Ning Qing held her breath, her face as cold as ice.

"I won't give up on the competition."

She successfully saw the woman's expression change. She became more determined. Lou qingyue, I don't know what reason you have for targeting me. I've already come this far. In my life, there's no way out.

"....."

"I can lose to you fair and square, but I can't cower in fear."

Lou qingyue couldn't hold it in any longer. "you have to remember that if you don't back down, Nian lie must die!"

Ning Qing tidied her clothes and looked at herself in the mirror.

It was no different from three years ago.

"Then you can try and see if he will be at your mercy." She said.

After that, she turned around and walked out of the lounge without looking at her again.

The door behind her closed slowly, cutting off the woman's hysterical scolding and the sound of things being thrown.

Ning Qing adjusted her breathing and calmed herself down. She followed the staff's instructions and walked to the front of the stage.

let's have contestant 0251, the most popular designer in this competition, the famous designer in the design industry, miss ning Qing!

[Chapter 794](#)

794 The news said that Nian lie's Xuanji is dead (1)

Ning Qing bowed to the camera. Hello, everyone. I'm ning Qing.

Then, she followed the host's instructions and sat at the table on the left.

The emcee said a few polite words and asked her a few questions. Then, he invited Lou qingyue up.

However, just as he was about to say something, a person ran to his side and whispered a few words in his ear.

The host's expression changed again and again. He confirmed with the person several times and finally returned to the camera awkwardly.

"I'm sorry, except for some unexpected situations, this competition may end in a very special way."

The end?

Ning Qing didn't understand. The host faced the camera and said, "I'm sorry, Lou qingyue can't participate in the final due to physical reasons. Therefore, the contestant ning Qing in the final is a combination of strength and luck to become the champion of our National jewelry design competition! Let's congratulate our ning Qing!"

"....."

Applause rang out. Ning Qing felt like she was dreaming as she was pushed onto the stage and accepted the congratulations of the crowd.

She couldn't understand.

Lou qingyue had really left? Did she just let her win so easily?

Could it really be like what she said, that she let her choose, and she won the championship that year?

Ning Qing's heart ached, and she hurriedly pushed away the bouquet handed to her by someone else. She limped and rushed backstage.

However, it was too late.

Gu nanzhi rushed over and grabbed her wrist. Her face was so dark that it was scary.

Her mind was in a daze and she couldn't speak.

"Ning, something happened in li city," Gu nanzhi said with difficulty.

"What's the matter?" she heard herself ask.

His voice couldn't be any softer, for fear of disturbing someone.

The man lowered his eyes and said, "the news said that Nian lie's Xuxu is dead.

There was a boom in his ear, and something exploded.

Together with her, she was shattered into pieces.

She trembled. what did you say? ”

the news said that he was driving alone. On the way to the airport, the brakes of the car failed, and he rolled down the cliff with the car. The car suddenly exploded after entering the valley, and he died without an intact body!

Ning Qing’s ears buzzed, and her face was drained of blood.

Her lips trembled. how is that possible? how could he have died? ” He said that he would come and watch me compete. I’ve already won against Gu nanzhi. He’ll appear, right?”

The woman was smiling, but her eyes were red.

Her tears flowed down like a broken string of pearls.

She grabbed onto the corner of Gu nanzhi’s shirt tightly. there must be something wrong with the news. He won’t die. He won’t die.

Gu nanzhi gritted her teeth. the car exploded. He’s in the car and his leg hasn’t recovered yet. There’s no way he can escape.

“No!”

Ning Qing pushed him away. She didn’t know why she was so sad, as if her heart had been broken thousands of times.

“I want to go back, I want to see him!”

“Ning, wake up!” Gu nanzhi hurriedly hugged her from behind. there’s no way he’s still alive!

The woman could no longer listen to him. Her heart was repeatedly tortured and destroyed, and she had no strength left in her body.

In the end, she cried in his arms. Gu nanzhi, ” she begged, ” I want to go back to Lin city. Please.

His blue eyes were filled with sorrow, and he could not refuse her request.

“Alright,” he said.

Hence, he carried her out and rushed straight to the airport.

In the corner, Lou qingyue watched all of this with cold eyes. The corners of her lips curled up into a mocking smile.

“He’s really dead?”

Lou Chi was in a darker corner behind her. we’ll definitely die.

The woman laughed coldly, her eyes vicious.

“I didn’t expect that compared to winning the championship, making her suffer makes me happier.”

The man boldly put his arm around her shoulder. you're so bad.

The woman looked askance at him. don't you like me like this? "

"Of course," Lou Chi replied as he buried his head in her short hair.

She smacked his hand away. be careful. We're outside.

The disdain was obvious.

Lou Chi froze and his expression suddenly darkened.

The woman said, " get someone to watch her. I want to see how she's in so much pain that she wants to die. then, she twisted her slender waist and left from another exit.

...

[Chapter 795](#)

795 It was her fault (1:

Taking the nearest flight, ning Qing flew to Ying city almost without any preparation.

In the cabin, most of the passengers were in a light sleep, and she was the only one who was staring blankly at the dark clouds outside the window.

Everything was her fault.

She shouldn't have not believed Lou qingyue's words, which was why things had come to this.

If Nian lie was really dead, how was she going to explain it to Nian che and Lu Zhui? And Ruan Yi and ran ran's former self?

Ning Qing's eyes hurt as if she was about to cry again.

She did not know why her heart ached.

However, that feeling was too real and too strong. She could not ignore it, nor could she restrain it.

He couldn't die.

How could he die so easily?

Ning Qing tried to persuade herself. She quickly wiped away the tears at the corner of her eyes and adjusted her breathing.

Four hours later, the plane landed smoothly on bamboo city's land.

Ning Qing met Lu Zhui, who had come to pick her up at the entrance of the airport. She had not seen him for a long time, and she had not expected to meet him again because of this.

Lu Zhui still looked the same as before, but there was an obvious fatigue on his face.

"What's wrong with your leg?" he asked, looking at her limping leg.

Ning Qing shook her head and said, "it's fine."

He knew how stubborn she was, so he didn't ask.

"What's going on?" she asked anxiously after getting into the car. "Why did the brakes suddenly fail?"

Lu Zhui's face was solemn. You probably guessed it. Young master went to the airport because he was preparing to go to the capital city to watch your competition. Because of some problems at the company recently, he didn't have enough time and refused to let us send him. In the end, Qianqian got into an accident on the way.

Ning Qing felt as if the sky had collapsed. "How could he really be?"

Lu Zhui glanced at her through the rearview mirror. "There's indeed a problem with the brakes, but our car is regularly checked and repaired. If there's a problem, we'll find it early on."

Ning Qing's eyes were filled with tears. "So, someone did it on purpose to take his life?"

When she said this, she was trembling.

Lu Zhui seemed to be overly sad and was afraid of agitating her, so he stopped talking.

He was tacitly agreeing.

So, he was really dead?

Just because she chose to win the competition, Lou Qingyue got someone to attack him?

Guilt was like a big hand, squeezing her heart tightly. It was so painful that she could not breathe.

"Let me go see him."

Her lips were pale and she said these words weakly.

Lu Zhui was a little hesitant. "There are many people there. I'm afraid you won't be able to take it."

Ning Qing was persistent. "Yes, I must go!"

Lu Zhui looked at her red eyes and stepped on the accelerator. He turned and drove toward the cliff where Nian lie had gotten into an accident.

"....."

Standing at the edge of the cliff, the guardrails were broken, and the entire mountain was in a terrible state after slipping and rubbing, including the road.

Ning Qing looked at the big gap and didn't dare to stand to the side.

"Did she fall from here?" she mumbled.

"Yes," Lu Zhui replied.

In the dark, she walked to the side step by step.

He couldn't see the scenery below because it was too high.

And he fell from such a height from the roof with his car.

When ning Qing thought of that scene, her heart was filled with heartache.

Her lips moved, and she was unusually calm.

“Aren’t there surveillance cameras here? Can’t you find out how it happened?”

She looked at the surveillance camera. Lu Zhui said, “the surveillance camera here is broken. We can’t see the exact situation. I’ve sent someone to investigate.

“There aren’t so many coincidences,” ning Qing said.

Lu Zhui was stunned. young Madam, what do you know? ”

She closed her eyes and shook her head.

“It’s my fault.”

[Chapter 796](#)

796 The person who wants his life is you (1:

Lu Zhui frowned. young Madam, I know you’re upset, but you were still far away in the capital city when the accident happened. This has nothing to do with you, Qianqian.

Ning Qing still shook her head, her heart filled with sorrow.

I was blindly confident. I thought that she didn’t have such great control and that she couldn’t decide his life and death. I thought that Hanhan could protect himself.

She had to win the championship.

It wasn’t just because of his parents and future.

It was not just because of the bet Gu nanzhi had placed on her.

Or was it because Yingluo wanted to stand higher and be by his side one day?

He also wanted her to win, so she could not lose.

However, if Hanhan knew that she chose to win and not take his life before he lost consciousness, would he hate her?

Ning Qing’s heart ached so much that her vision turned black, and she hurriedly grabbed the guardrail on the side.

Lu Zhui was worried. young Madam, stop looking. Let’s go back first.

She clutched her clothes tightly, and the cold wind blew through her chest.

That pitch-black Bottom of the valley was roaring coldly, as if there was an invisible hand pulling her and him into hell.

“I’m sorry, I’m sorry.”

She could no longer stop her tears, and they flowed freely with the bone-piercing cold wind.

Just then, the phone in his coat pocket rang.

Lu Zhui hesitated. young Madam.

She trembled as she took out her phone. The moment she saw the screen clearly, her mournful eyes instantly changed.

Lou qingyue!

This main culprit actually dared to look for her!

She wished she could rush to that woman and yell at her.

The hatred in her heart rapidly expanded, causing her usual gentleness and coldness to completely disappear.

She picked up the phone and said in a cold voice, " what else do you want? "

Lou qingyue could feel her hatred and laughed.

"You cried? Are you feeling heartache, or are you regretting and feeling guilty?"

This was obviously a silent agreement.

Ning Qing gave Lu Zhui a look. Seeing him take out his phone, he immediately turned on the loudspeaker.

She suppressed her hatred. isn't this your goal? Now that you've achieved it, are you happy?"

Lou qingyue had a mask on her face as she fiddled with her fingers. it's alright. Seeing how you blame yourself and regret it, I have to admit that a championship can't give me such a happy feeling.

Ning Qing gritted her teeth in hatred. you're so vicious! What good does it do you to target me like this?"

"There are no benefits."

The woman's voice was melodious, and it could not hide her satisfaction and joy, nor did she want to hide it.

"I just want to see you in pain."

Ning Qing clenched her phone so tightly that her nails broke and blood flowed from her fingertips.

Lu Zhui was surprised, but her expression didn't change at all.

"You saw it. Are you satisfied?"

Lou qingyue raised her eyebrows and pretended to be regretful. I heard that he fell off the cliff and his car exploded. His flesh and blood flew everywhere. The ground was covered in minced meat and blood. Hehe, such a successful man, died so miserably because he met you. I don't know if he regrets it.

Ning Qing's blood was boiling. She was in pain and hatred. Lou qingyue, that's enough!

Why was she able to describe a human life so easily?

The woman appreciated her loss of control. She said slowly, "Ning Qing, don't blame me. If you want to blame someone, blame yourself. I've given you two choices. You've made the wrong choice.

"....."

"The person who wants his life is you."

Ning Qing panted heavily. The cold air entered her lungs and stirred her internal organs. There was no part of her that did not hurt.

[Chapter 797](#)

797 I don't want you to die (1:

since you're so pitiful, I'll give you a kind suggestion. Now, you can take your champion and go back to America with that Gu guy. Forget about everything and live a peaceful life. Don't ever come back.

Her words were like a witch's curse, with an irreverent bewitchment and irrepressible ridicule.

"....."

Ning Qing's ears were filled with her ear-piercing laughter and the sound of the wind howling like a beast.

She didn't know when the phone was hung up, but she suddenly felt the taste of blood in her throat.

His mind went blank, and he completely lost consciousness.

Lu Zhui saw her sway, but before he could react, she fell down.

He cursed in a low voice. He couldn't care about anything else and immediately pulled her back. young Madam, young Madam! What's wrong?"

The woman did not answer.

Aiya! he exclaimed and carried her into the car. He made a phone call in advance and then drove all the way back to Yunxi No. 1.

Ning Qing felt a jolt and an unfamiliar voice, but she could not open her eyes.

When the voices disappeared, the tip of her nose twitched twice. I'm sorry," she said softly. I didn't expect this to happen. I'm sorry.

On the large, soft bed, the woman was mumbling softly with a sobbing tone, which made one's heart ache.

A figure slowly approached and looked at his hand that was exposed under the blanket. He hesitated for a moment and reached out to hold it.

"Don't be afraid."

I'm the one who harmed you. Nian lie, I'm sorry. Don't die. I don't want you to die.

In her daze, she seemed to hear his voice.

His figure was so close to her that her tears flowed freely.

Was it a dream?

She did not know.

She only held his hand tightly, as if holding onto the last straw.

"I didn't do it on purpose. I didn't have to win. Yingluo, don't die. I can't pay you back. Nian lie, you can't die."

The man's large palm was broad, and the warm breath made her tears fall more and more fiercely.

He was a little tired, but he seemed to be enduring something. He comforted her and told her to be at ease.

"I won't die,"

She was still crying hard and her hands were holding onto him tightly.

"I don't want you to die!"

"Alright," he said.

I won't leave you," he said gently, patting her arm with his other hand. I won't leave you.

"....."

Slowly, her cries became softer.

He coaxed her patiently, afraid that she would open her eyes, and even more afraid that she would cry.

His heart ached slightly, and his deep black eyes stared unblinkingly at the woman who was crying.

He raised his hand and wiped it gently.

There was some noise at the door.

The light shone into the dark room through the gap in the door.

"Young master, you should go back now," the man reminded him in a low voice.

The dark yellow light fell on the man's pale face. The wheelchair under him was still the same, but his body was slightly hunched, and his waist was extremely disharmonious.

Nian lie looked at the woman longingly and muttered, " mm.

She held his hand tightly, as if she knew that he was leaving. She pleaded weakly. don't go.

He pursed his lips, and his pale green lips looked sickly.

Lu Zhui could see his hesitation. Ning Qing seemed to be waking up again. She hurriedly urged him, " young master, you're injured. For the safety of young Madam, you can't expose yourself so early.

He had hit his soft spot.

Nian lie's eyes were dark, and he did not say a word.

"Young master!"

He shot a look at Lu Zhui, and Lu Zhui stopped talking.

"Yingluo, I've spoken too much."

With that, he slowly left the room.

The room darkened once more, and it was quiet and peaceful.

Nian lie looked at ning Qing with a gentle and loving gaze, as if he had a thousand words to say.

[Chapter 798](#)

798 He was here _1

In the end, he held onto the edge of the bed with difficulty and planted a deep kiss on the side of her face.

"I'll be back to you soon. Wait patiently, ning Qing," he said as if he was coaxing a child, stroking her hair.

The woman frowned and kept shaking her head in her sleep.

He was reluctant to leave, but he knew that he could not stay.

"....."

The man covered his left abdomen slightly and sat back in the wheelchair with great difficulty.

A thin layer of sweat seeped out of his forehead and the veins on the back of his hands popped out.

He tightened his grip on her hand, pulled it down, and drove away in his wheelchair.

On the big bed, the woman's hand fell empty, and her brows were full of disappointment and sadness.

*

The next day, ning Qing woke up in bed.

She looked at the familiar surroundings and then at her hand.

The touch on it seemed to be very clear.

There was a familiar smell in the air, and it seemed to be mixed with an unknown medicinal smell.

She touched the side of her face again, baffled.

That kiss, was she dreaming?

The maid knocked on the door and entered. young Madam, you're awake.

Ning Qing's head hurt a little.

the doctor said that you've been too agitated. You've fainted because you're upset and anxious.

"Where's Lu Zhui?" ning Qing nodded to show that she understood.

The man outside the door heard her voice and walked in. He lowered his head and said, " young Madam, I'm here.

"You can leave first: : ning Qing said to the maid:

"Yes."

After she left, ning Qing anxiously rolled out of bed and walked to Lu Zhui. what happened last night? "

"You fainted. I brought you back and asked the doctor to check on you."

Ning Qing's eyes sparkled. no one else? "

Lu Zhui was stunned. no, I didn't.

"Wasn't there someone by my bedside last night?"

That familiar feeling ... Who else could it be but Nian lie?

Lu Zhui immediately revealed a strange expression. young Madam, you're too sad. Young master has already slipped away.

"Impossible!" Ning Qing denied loudly, " I clearly feel that he's right beside me!

She pointed to the other side of the bed and said with certainty,"he's here. He talked to me before."
&Nbsp;

But what did he say?

Ning Qing held her forehead in pain.

Damn it!

She couldn't remember at all.

Lu Zhui was put in a difficult position. young Madam, I know that you're very sad about what happened. Everyone is sad. The company is in a mess. Even if he's sad, second young master has no choice but to return to the company to take charge. There's no one else in the Nian family.

"....."

Ning Qing was in a daze, and her chest was gradually frozen.

Lu Zhui lowered his head and touched the corners of his eyes. if it's possible, I also hope that the person who got into trouble is me. I'm willing to exchange my life for young master's. However, an accident is an accident. Once it has happened, there's no way to change it.

His eyes were red. please pull yourself together. If young master was still around, he wouldn't want you to become like this because of him.

"....."

In an instant, the light of hope in ning Qing's mind shattered.

"Do you think I'm hallucinating?" ning Qing said in a low voice.

Lu Zhui didn't look her in the eye. He just repeated, " young master is no longer around.

"....."

Sorrow spread throughout the room, as if it wanted to take one's life.

Ning Qing clenched her hands. I know.

Lu Zhui wanted to say something, but she waved her hand. you want to take a look at the Nian Corporation later. You can go out first.

The man kept quiet and left with his body slightly lowered.

She stood in the same spot for a long time, trying to find any traces of Nian lie's visit.

However, when the last wisp of familiar smell disappeared from the air, all her imagination shattered.

"....."

...

Ning Qing smiled bitterly and slowly walked to the bathroom.

799 Everything is so familiar _1

After washing up, ning Qing saw her clothes in the closet.

Some of them were old clothes, some were new, and even their tags were still there.

She looked at the familiar size, and her eyes were hot.

Was he waiting for her to turn around?

But now that she's back, why isn't he here?

Tears gushed out of her eyes. She hugged her clothes and cried until she slid to the ground.

"....."

Half an hour later.

Lu Zhui was waiting downstairs, but he saw that the person had not come down yet.

"Don't tell me that young Madam has taken things too hard and did something stupid?"

Lu zhuihun was scared out of his wits when he thought of this.

He rushed up the stairs in a hurry, and as he ran, he ordered the people below,"call the doctor and ambulance!" &Nbsp;

She turned around and was about to knock into the master bedroom door.

The door opened at this moment.

He maintained his stiff posture and looked at the woman in front of him, who looked like a new person.

Ning Qing was stunningly beautiful after her makeup was done. She wore a long woolen dress with a black coat and long boots that made her legs look slimmer and longer. She had light makeup on her face, and she looked well.

“What are you trying to do?” she asked.

Lu Zhui stood up awkwardly. no, I just wanted to call you because you didn’t come out after such a long time.

Ning Qing saw through his expression and did not expose him.

She walked past him and said, “ let’s go, Mrs. Nian.

“Alright,” he said.

Lu Zhui followed closely behind.

It was already a mess downstairs. Everyone was a little surprised to see ning Qing alive and well.

Lu Zhui stood in front of ning Qing and coughed. young Madam and I have to go to the company. You guys go ahead with your work.

“Yes,” the crowd replied in unison.

Outside the gate, Lu Zhui had already arranged for a car.

Ning Qing got in the car and headed for the Nian family.

Twenty minutes later, they arrived at the Nian family.

They took the secret passage and successfully got into the elevator, all the way to the president’s office.

Because of Nian lie’s matter, the entire Nian family was extremely busy, and people were walking around everywhere.

Ning Qing’s mood grew heavier. Lu Zhui said, “ second young master is in a meeting to discuss the financing. Please wait here for a while. I’ll be back soon.

“Alright,” he said.

After Lu Zhui left, ning Qing looked around.

Everything was so familiar, yet so strange.

On the huge desk, documents piled up like a mountain, three coffee cups were piled in the corner, and the crystal ashtray was full of cigarette butts.

Ning Qing hesitated and walked over.

At this moment, the door opened. Nian che walked in, holding his phone and talking to the people inside.

chief editor li, what are you talking about? it's just a rumor. My brother is slightly injured, but it's not to the extent that you're saying.

"....."

"It's really nothing serious. I'm still here. Don't talk nonsense. Help me tell your colleagues not to spread false information again."

"....."

"Thank you. I'll treat you to a meal when I have time. Goodbye."

Nian che hung up the phone and placed the documents on the table. He reached for the coffee cup subconsciously.

After realizing that it was empty, he called the internal line. bring two cups of coffee in.

He straightened his clothes and looked up at the woman. sister-in-law.

Ning Qing had never seen him so dejected. He was clearly alive, but he seemed to have grown many years in an instant.

She wanted to say something, but she couldn't.

Nian che pointed at the sofa. go sit over there.

She nodded, and the two of them moved to the sofa area.

After Lu Zhui brought in the coffee, he left in a hurry.

Ning Qing's emotions were complicated. She looked at Nian che, who was taking a sip of coffee, with difficulty. how's the situation with the Nian Corporation? "

[Chapter 800](#)

800 I won't have the chance to see him again (1:

"Not very good," Nian che replied.

"....."

the news of my brother's accident has spread, and the Nian corporation's share price has hit rock bottom. The shareholders are all preparing to withdraw their capital. I'm trying my best to stabilize the situation and use all kinds of methods to retain the shareholders, but the current situation doesn't look ideal.

Ning Qing felt like she was in a dream as she watched him analyze the situation.

The man in front of her was slowly becoming another person in her memory.

He was calm, steady, wise, and never anxious, as if he would be able to deal with the sky even if it collapsed.

“.....”

As she thought about it, tears started to well up in ning Qing’s eyes.

She was afraid of being discovered and looked away. so you’ve been busy with company matters for the past two days.

“Yes.”

Ning Qing looked at him, and her eyes were dark. you didn’t rest? ”

Nian Xi paused. I don’t have time. I have a lot of things to deal with.

An extreme sense of guilt welled up in ning Qing’s heart, and she felt extremely guilty.

Nian che suddenly thought of something. Oh, I heard you won the competition. Congratulations.

Ning Qing’s body stiffened, and she lowered her head even more.

It was extremely quiet between the two of them.

After a while, ning Qing mustered up her courage and asked, ” have you investigated your brother’s accident in private? ”

At the mention of Nian lie, Nian Che’s expression darkened.

“I’ve checked, but there’s nothing.”

Ning Qing clenched her fists.

Nian che was frighteningly calm. but I think there’s something fishy about this. My brother is a meticulous person. He would never let anything happen to himself.

Ning Qing’s eyes darkened. he came to the capital to see me.

“I know,” Nian che took another sip of his coffee and rubbed his temples. it’s exactly because he’s going to see you that I don’t think he’ll let anything happen to himself.

Ning Qing was stunned. why? ”

Nian che looked at her closely and gave her an understanding smile.

you’ve suffered so much, and it wasn’t easy for you to get to where you are today. With my brother’s feelings for you, how could he bear to leave you when he sees that you’ll have a bright and happy future after you chase your dream? ”

Ning Qing’s heart was stabbed, and tears rolled down her face from the pain.

She smiled faintly and bitterly.

“Why would he be reluctant? He’s no longer by my side.”

Nian che was shaken by her words. He seemed to have figured something out. that's right, " he said with a bitter smile. I didn't expect that such a cautious person like him would one day encounter such a thing.

"....."

"Sister-in-law, my brother really loves you."

Ning Qing looked at him in a daze. Her eyes were misty, and she could not see anything clearly.

Nian che said, " he broke up with our parents for you and bore all the pressure for you. Back then, when he found out that Bai Qingqing belonged to our parents, he wanted to use her to control them. However, he was afraid that she would bully you. That's why he had no choice but to use divorce to drive you away.

Those past events appeared in his mind.

In a way that ning Qing had never seen before.

but he was afraid that you would really give up on him, so he could only use the most despicable method to keep you, and that was to make you pregnant with his child.

"....."

he always thought that everything was within his expectations, but you are not.

Nian che stared at the woman with a serious expression.

"You have always been an accident in his life."

He was in the past, he was now, and he would be in the future.

What could ning Qing say?

Her face was already covered in tears, and her heart was in so much pain that she had lost consciousness.

Nian Che's chest throbbed with pain as he watched her cry.

He laughed at himself, but the corners of his eyes were wet.

sister-in-law, if you haven't forgiven him yet, then this time, you should take this opportunity to forgive him. Because you won't have the chance to see him again in the future.
