

Spoiled by Mr. Russell Chapter 734

Derrick heaved a heavy sigh and looked out the window over his shoulder.

"He's a grownup now, and there's no way I can keep him by my side. He has his way of thinking. Just let him be."

"No matter what, he should stay by your side now that you're sick."

Before Joseph could continue, Derrick cut him off.

"Forget it. If he doesn't return, then so be it. I just pretend I never had a son. I'm getting a bit tired, so you should leave."

Joseph wanted to say something, but Derrick had already closed his eyes, looking exhausted.

The younger brother got up to say goodbye to Derrick and his wife.

"I'll visit some other day, okay? Don't worry about the company. I'll manage it well."

He paused and saw Derrick's eyes still closed as if asleep.

Stephanie wiped her tears and said, "I'll see you off." She followed Joseph out the door and stopped at the elevator.
