Chapter 26 – 30

## Chapter 26

Amy Xia stood there and ignored it.

If in this world, care too much about other people's gaze and eyes, then it will become very hard, she only needs to believe in herself. Thinking of this, Amy Xia turned and walked out of Yuanshi Group.

And within the company.

As soon as Amy Xia returned, Coco immediately surrounded her.

"Amy, how is it? He didn't do anything to you!?" Coco asked worriedly. However, at this time, Sebastian Mu just walked into the design department, because to get to the company, he had to pass by the design department. However, at this time, the assistant blocked Sebastian Mu's way and talked with him.

Sebastian Mu listened on the surface, but actually listened to the dialogue between Amy Xia and Coco. Did she go? He believed that as soon as that case went out, she quickly learned that He was always someone, but unexpectedly, she still went. He thought she would come and beg him.

It seems interesting.

At this time, Amy Xia stood there and smiled, "In broad daylight, what can he do to me!?" Hearing this, Coco innocently raised her eyes, "That, succeeded?" Amy Xia shook her head, "No He asked me to meet in the evening to talk!" Hearing this, Coco frowned, "At night?"

"I knew that he would be like this, Amy, don't go, his purpose is too obvious, you are going, that is Send to death!" Cocoa said worriedly. Even so, she still wants to go. For Jenny, and also to stop entanglement with Sebastian Mu. She still wants to go. There is no choice.

Amy Xia smiled ridiculously, "Okay, I see, don't worry, I'll be fine!" Listening to Amy Xia's words, Coco doesn't know what she thinks, but that's the end of her story. What, "In any case, you are careful!"

“Well, I know!” Amy Xia patted Coco on the shoulder.

“Let’s work!”

“Yeah!” So, the two people dispersed.

Sebastian Mu, who was standing not far away, heard their conversation clearly. See you at night? Ha...

Listening to Amy Xia’s tone, I still have to go! At this moment, the manager looked at Sebastian Mu, “Mr. Mu, how about it!?” At this moment, Sebastian Mu came back to his senses and looked at him, “Go to my office to talk about it!” Then, he walked away. The manager stood there for a moment, then turned around and followed Sebastian Mu in.

Amy Xia sat there, watching Sebastian Mu go, then raised her eyes and looked over there... His eyes contained too much. Two years, it’s really right and wrong.

In the evening, Amy Xia appeared at the Covenant Hotel on time. 103 private rooms. Standing at the door, Amy Xia took a deep breath. No matter what, it must be successful! Thinking of this, she stepped in. Pushing the door open, there was a huge table in the eyes, and the only person on the table was Mr. He.

Of course, there was his assistant behind him, the person who gave her the address in the morning.

After Amy Xia walked in, he smiled, “Mr. He, I am very sorry, I am looking for you to talk about work, and let you make a reservation!” Seeing Amy Xia’s humble appearance, Mr. He didn’t say anything, his eyes motioned. To the place in front of him, “Sit down!”

## Chapter 27

Amy Xia looked at them, but could only muster the courage, and sat there, not too close to Mr. He, and just kept a degree.

Mr. He’s eyes swept across Amy Xia inadvertently without saying anything. He raised his eyes and looked at the assistant beside him. The assistant immediately understood, nodded, turned and walked out.

Amy Xia couldn’t understand the eyes that met between them.

Only after the assistant walked out did Amy Xia’s heart a little nervous.

After all, sitting in front of him was a well-known horny person. But despite this, she still pretended to be very calm.

At this time, Mr. He looked at her, don’t have any deep meaning.

Amy Xia tried his best to search for the opening remarks in her mind.

After thinking about it, she decided to speak directly, "Mr. He, this is about our company..."

"What is your name!?" At this moment, Amy Xia was about to speak, but Mr. He spoke.

Interrupted her.

Amy Xia froze for a moment, feeling dissatisfied but unable to break out, so she smiled slightly, "Amy Xia!"

"Amy Xia..." Mr. He muttered, and then said, "The name is good, it sounds good!" Listening to Mr. He's praise, Why didn't Amy Xia feel complimented at all, she just smiled faintly, "Then, Mr. He, let's..."

"You know? You look like a person!" Amy Xia's words were once again caught by Mr. He.

Interrupt.

Amy Xia could only sit there, embarrassed, waiting for him to finish speaking.

At this moment, Mr. He suddenly looked at her, looking straight and serious, but that kind of seriousness, to Amy Xia, seemed completely different.

Amy Xia couldn't help but stepped back and looked at him.

"You look a lot like the woman I love the most, she is my first love..."

If it wasn't a matter of age, I would mistake you for her!" He Zong looked at Amy Xia and said, his eyes were very serious.

It's just that the serious gaze seemed to Amy Xia as a means. When he heard this sentence, Amy Xia was thinking, this line has been performed many times in TV dramas, and there are still people using it.

It seems that the rumors from the outside world are true. But this total method is not very clever. Not new at all. But what Amy Xia could say, she could only sit there awkwardly, smiling, "He is still very sensible!" Subconsciously, what you want to do is irrational.

Amy Xia said the words first. Hearing this, Mr. He paused and looked at Amy Xia, while Amy Xia sat there, accepting the judgment of his sight, without fear at all. Seeing Amy Xia's appearance, President He suddenly smiled.

"You are not afraid of me!?"

"He laughed, why should I be afraid of you!?"

“About my rumor, don’t you really hear half of it!?” He asked rhetorically, if she said nothing, he Not believe it at all.

“He said it, those are just rumors, why should I believe it!” Amy Xia said lightly. Seeing Amy Xia’s appearance, Mr. He suddenly smiled. Should she be naive, or is she too courageous?

## Chapter 28 Next Design

At this time, Mr. He raised a sneer at the corner of his mouth, “Miss Xia, you are the one who has seen the most lip service today!” She thought, if she said that, he would be fine? Amy Xia listened, her heart sighed, it seemed that Mr. He was really hard to deal with. Even if it is so, there is no need to specifically say it.

Amy Xia could only sit there, seemingly calm on the surface, with a faint smile on her face, “Mr. He, let’s talk about work!”

“Miss Xia, I’m thirsty after talking so much. Come, I toast you a cup!” At this time, Mr. He raised the cup.

Amy Xia hesitated and said, “Ms. He, I don’t know how to drink!”

“Miss Xia is joking, she can’t drink when she comes out to talk about work? Isn’t it not giving me He Mou face!?” He looked at Amy Xia and threatened. , In that tone, how can I let Amy Xia drink it. That’s it, if Amy Xia really didn’t drink it, it would be a bit ugly.

“Well, if that’s the case, I’ll have a drink!” Amy Xia said, “I also hope that after I finish drinking, He always listens to me about the contract!” He didn’t respond, just looked at Amy Xia and waited. Tell her to drink the wine.

Amy Xia looked at the wine in front of him, and it seemed that he couldn’t avoid it, so he raised his head and drank it directly.

In fact, she often drank, saying no, she did pretend. Because drinking in front of a bast\*\*d was suggestive, Amy Xia refused.

Amy Xia only agreed to drink it when she refused to refuse. So Amy Xia drank it all in one fell swoop, and after drinking it, she deliberately coughed a few times, pretending to drink it for the first time. Seeing Amy Xia’s appearance, Mr. He’s eyes just kept fixed on her.

“President He, can talk now!?” Amy Xia put down the cup and looked at Mr. He and said. President He ignored this at all, looking at Amy Xia, “Miss Xia has a good drink!”

“Ms. He laughed!”

“Come on, have another drink!” He said. Hearing this, Amy Xia frowned, “Mr He, let’s talk about work first!”

“What’s the hurry, drink this cup first!” He said.

“If I drink it again, I will be drunk!” Amy Xia said with certainty.

“If you are drunk, talk about it another day!” He also said directly, always avoiding this topic. When Amy Xia heard this, Mr. He had no idea of discussing work with her.

“Mr. He, this job is very important to me...” Amy Xia looked at him and said, she could only try this way.

At this time, Mr. He looked at Amy Xia, “Then you should know, talk to me about work, what do you want to talk about first!” Hearing this, Amy Xia frowned and watched Mr. He approach her a little bit.

“You, what are you doing!?” Amy Xia frowned, looked at him and asked.

“When you come here, don’t pretend...” Mr. He said, and then slowly stretched out his hand towards her.

Amy Xia wanted to move, but suddenly realized that she was a little dizzy. Turning his head to look at Mr. He, Mr. He looked at her with a smile, “Don’t be afraid, I won’t hurt you, but you really look like my first love...” Seeing him approaching, Amy Xia There was a kind of resentment, “He, you better think about it before you do something!” Hearing this, he frowned, “What do you mean!?” At this time, Amy Xia looked at his watch, “You Only ten minutes!”

## Chapter 29

Mr. He frowned and looked at Amy Xia with a puzzled look, “What do you mean by this?”

“When I came, I took the liberty to call Mr. He’s wife anonymously.

I guess, She should be on the way here now!” Hearing this, Mr. He’s eyes suddenly widened, “What did you say? Are you crazy?” Everyone knows Mr. He is so beautiful, but few people know. He always visits his son-in-law and fears his wife most.

Although he is capable, everything he has now depends on her current wife. Thanks to the employees of their company, Amy Xia heard this when she was whispering.

“Mr. He, I don’t mean anything else, I just want to sign this contract. Seriously, this contract is good for you and Yun Rui!” Amy Xia looked at him and said.

Listening to Amy Xia’s words, Mr. He’s face changed, “You threaten me!?”

“You have been reluctant to sign the contract, I had to do it!” Amy Xia said.

“You—” At this time, Amy Xia glanced at her watch, “You have eight minutes left!” Looking at Amy Xia, Mr. He glared at her, and then sneered, “You think she will come, you will be better off with me, do you think your reputation can be preserved?” Speaking of this, Amy Xia smiled confidently, “Sorry, I have recorded the process of our chat just now.

If it is not enough, I don’t care too much. Compared with Mr. He’s, my future is insignificant!” Amy Xia said while watching him.

It seems that she is all set. That certain look made Mr. He anxious and angry, but he didn’t know what to say. Unexpectedly, she did so absolutely.

Mr. He looked straight at her, “Mr. He, you have six minutes...” Amy Xia reminded her.

“As long as you sign, I will go out immediately, and I will never bump into your wife!” Amy Xia said with certainty.

Mr. He looked, at this moment, can he hesitate? If his wife knew about it, all of this would be lost! Although he was very upset about being caught in this way, he still had to compromise on his immediate interests.

“Bring the contract!” Mr. He said coldly. Hearing this, Amy Xia knew that the matter was about to be done, and immediately handed over the contract. He didn’t even look at it, so he swiped his pen and signed it.

Amy Xia watched, with a sure smile at the corner of her mouth.

After signing, the pen was placed on the table.

Anyone who looked at that angry look knew he was angry. However, Amy Xia didn’t care, and immediately withdrew the contract.

Looking at Mr. He, he still spoke very sincerely.

“Mr. He, I’m sorry, I had to do this too!”

“Get off—” Mr. He roared in a low voice. Seeing his angry look, Amy Xia didn’t want to say anything more, turned and left...

Outside the hotel door, Sebastian Mu didn’t know why, the car still came here, and the words during the day always echoed in his mind, he I don’t know why, in short, it just came.

After hesitating again and again, I found an excuse for myself, got out of the car and walked in.

After asking about their private room, I went there, but when I walked to the door, suddenly the door was opened and a figure floated out of it. , And, directly hit him...

## Chapter 30

At this time, Amy Xia also turned her head, her face flushed, and when she saw Sebastian Mu, she was also a little surprised, "Why are you here?" When Sebastian Mu looked at Amy Xia in his arms, he also frowned, "What are you doing? !?" Amy Xia leaned against him, eyes like lacquer, fair skin, delicate features, especially the red cheeks, which looked like she was drunk. But she looks a bit intoxicating.

"Mr. He, Mr. He is coming out!" Amy Xia said nervously.

Amy Xia was very nervous, and Sebastian Mu looked at the door behind him.

At this time, the door made a noise, and Amy Xia was dizzy and didn't know what to do when the door was about to open. However, at this time, Sebastian Mu suddenly pulled her to one side, and the door of the other private room was pushed open, and the two of them hid in.

Sebastian Mu leaned on the door, while Amy Xia was leaning on him, the two of them clinging to each other closely, and neither spoke.

At this time, only the outside door was heard being opened. Then I heard a mess of footsteps.

"He, what's the matter?" At this moment, someone immediately walked up to ask.

"Dare to yin me, go find that woman for me immediately!" Mr. He shouted angrily outside. When the assistant heard what he said, he didn't dare to ask himself, so he nodded and looked for it. He stood at the door, thinking more and getting angry, just called his wife, she was still playing mahjong, it was not like she said. Therefore, he concluded that the woman said that on purpose. The more I thought about it, the more angry I got, and then I left that place angrily.

Sebastian Mu and Amy Xia breathed a sigh of relief until they heard no sound outside.

At this time, Amy Xia leaned on Sebastian Mu's body, blushing and her head dizzy.

Sebastian Mu lowered his eyes and looked at the woman in front of him, with pink lips and white muscles, white in red, and he looked very charming. Just watching, Sebastian Mu actually throbbed.

"How are you!?" At this moment, Sebastian Mu said.

At this time, Amy Xia didn't say a word, and directly pressed the contract in Sebastian Mu's body, "The contract, I signed it!" Looking at the contract pressed on her body,

Sebastian Mu frowned, it seems this woman In order to sign this contract, I am really not afraid of anything.

Inexplicably, a little angry.

“You are really not afraid of anything for the sake of the contract!” Sebastian Mu said sarcastically. But now, Amy Xia didn’t want to say anything to him at all, and slowly left him, “The contract is given to you, me, I will go now!” Go? Seeing her swaying, did she leave? Sebastian Mu stepped up and grabbed her, “How are you?” Amy Xia was so dizzy, she paused for a while to stop her dizziness, “

I’m really fine, just drank a glass of wine...” a glass of wine? Drunk like this with a glass of wine? How bad is her drinking? At this time, when Sebastian Mu wanted to say something, Amy Xia closed her eyes and fainted. Seeing her, Sebastian Mu frowned suddenly, the next second, decisively picked her up and walked out of the hotel...
