# Chapter 2018 The Monster Is Josue

"Cut the crap! There is no ultimate secret! You clearly just made it up!" Trevor said mockingly.

Hearing what Trevor said, Kenny burst out laughing. "Trevor, I really don't know what to reply to that. Guess what, the monster chasing you right now is actually Josue! Not only does he have incredible strength now, but his body is also almost invulnerable. He has enough energy to chase you for days. Unless you can run for days, you'll be dead soon enough. Josue has always wanted to inject himself with the Wright family's secret medicine. Today, his dream has finally come true. I wonder if he's happy about it!"

Trevor was shocked by what Kenny just said.

It turned out the monster chasing him was actually Josue!

No wonder the monster kept calling his name.

As for Henrik, he was furious after hearing Kenny's words. Moreover, even though Henrik didn't like Josue, he still felt a little sad seeing what Kenny had done to Josue.

Henrik shouted angrily, "Kenny! What the hell do you want? Do you have any idea how many people you have hurt so far?"

Kenny was totally unfazed by Henrik's anger and he sneered. "You and your sister are good for nothing. You don't deserve to inherit the family's property. If you need to blame someone for all this, blame your grandfather. If he didn't show so much love to your father, all this wouldn't have happened.

Damn it! Your grandfather had written a will in which he transferred the largest family business to your father. What on earth did your father do to make your grandfather think he deserved to run the family business? I couldn't sit by and watch that happen, so I made sure to take your father out of the picture.

But your grandfather is so stubborn. Even with his favorite son death, he still didn't give up his initial plan and decided to hand over the family

business to you and your sister. From that moment, I have made up my mind to take all the Wright family assets by force. I..."

Kenny suddenly stopped talking about his plot and changed the subject. He shouted, "Josue! Why did you stop? Get Trevor!"

As soon as Kenny gave the order, the monster rolled his eyes and let out a roar. Then he went back to hunting Trevor.

After hearing Kenny explain his motivation, Henrik's eyes were bloodshot and he roared angrily.

It wasn't until then that he suddenly realized that Cecelia had disappeared.

"Where is my sister? Kenny! Where did you take my sister?" Henrik roared, his eyes burning with anger. He looked around the manor anxiously, trying to find out where Kenny was hiding.

"My dear nephew, you will never find me. Know that your sister's life is in my hands. I can kill her without hesitation. It all depends on my mood. Hahaha!"

Kenny said this on purpose to destabilize Henrik. Unable to do anything at this point, Henrik clenched his fists to contain his rage.

On the other side, Trevor was still running away from the monster. The distance between Trevor and Josue was quickly reducing.

Seeing that Josue was catching up with him, Trevor quickly came up with a plan.

He led Josue to the side of the manor where the banquet was held. There were many decorations and a few thick stone pillars.

Trevor easily squeezed through the decorations of the banquet site. Since there were so many things in the way, Josue's speed significantly reduced.

However, that was not Trevor's purpose.

Trevor quickly ran towards where the car accident happened earlier that evening. Without slowing down, he grabbed something from the ground.

At the same time, he heard a loud bang behind him and looked back. Josue had just smashed a huge stone pillar.

The 16.4 ft. high stone pillar fell down with a loud bang. Josue was

about to get out of the way when he saw Trevor pointinga gun at him.

Although Josue's consciousness was now blurred due to the drug, he was still subconsciously afraid of a gun. This second of fear and hesitation had grave consequencesas a heavy stone pillar soon crushed Josue to the ground.

He remained trapped under the stone pillar for a while and was unable to get it off him.

Kenny wasn't far away, and when he saw Trevor pointinga gun at Josue, a look of shock appeared on his face.

"Trevor, it seems that you were already suspecting me long ago. That's the only explanation as to why you would attend Henrik's birthday party wearing a bullet-proof vest and a gun!"

Trevor sneered. "This pistol isn't mine. Dashawn dropped it when he was hit by the car earlier. I didn't expect it to save my life in the end."

Hearing what Trevor said, Kenny remembered the scene from earlier in the evening. He muttered sullenly, "Damn! Dashawn is really an idiot! What a brainless bastard! He deserved to be run over!"

Trevor walked over to Josue, who was still trapped under the stone pillar, and pressed the pistol against his head.

"Once I am done with Josue, you are the next one!" Trevor said coldly to Kenny.

However, Kenny didn't seem worried at all. He replied coldly, "Okay! I'll wait!"

Then, a gunshot rang out.
