Meet My Brothers by Red Thirteen in Chinese chapter 33-After Zhao Xixi came back from registration, he began to seriously prepare for the design of the competition In the evening, the six brothers and sister-in-law came over for dinner and mentioned her participation in the Hundred Flowers International Competition The eldest brother Lin Dongye's eyes lit up: "Xixi, do you like the first place?"

Zhao Xixi was stunned: "There shouldn't be anyone who doesn't like the first place, right?"

But who can say for sure about the game, I can only do my best After Lin Dongye finished speaking, he was stepped on by his wife, and his sister-in-law Qin Jingjing explained: "Xixi, what your eldest brother means is that you are so good, you will definitely win the first place." " Lin Dongye nodded hard, he will definitely let his sister win the first place, even if there is no first place, he will create a first place!

As for what the principle is, it's a fart compared to my sister Zhao Xixi didn't think much about it, she returned to the room and worked hard to draw the design drawings for the competition, and after many years, she was finally able to participate in the competition again Three years ago, if it weren't for the uncle's sudden accident and urgent need for life-saving money, she would not have chosen to marry in the end This time, she's starting over For her and for the baby in her belly —— A week later, Zhao Xixi received a notice that he had been shortlisted for the Hundred Flowers International Competition Best friend Guoguo immediately sent a message to her: [Xixi, I said that you will definitely be able to do it, congratulations on being shortlisted for the finals, is this Jitai here. Sure enough, when I left the dog man, luck came.] Zhao Xixi replied: [Recently, my luck has been quite good.] Soon, Zhao Xixi saw the circle of friends sent by his best friend Guoguo: [Extra: Our idol announced his official comeback early, successfully reached the finals, and the championship is just around the corner.] She took a deep breath and hoped to get the first place, because she needed the prize money anyway Soon, sister-in-law Qin Jing received the news and immediately said to Lin Dongye: "Husband, that great god also participated in this competition early, Xixi is probably a little hanging." " Lin Dongye said that it was a trivial matter: "Then set two first places." " Anyway, his sister has to be number one!

At the same time, the headquarters of the Huo Group Secretary Li knocked on the door and walked into the office: “Boss, this Hundred Flowers International Competition, the finalists are out.” ” Huo Hanhui raised his head and pretended to be an understatement: “Who are they?”

“I heard that the great god who disappeared three years ago also participated in the competition early. ” Huo Hanhui’s slender fingers tapped on the table: “Let people get in touch and see if the other party is willing to come to Huo’s work.” ” “No problem, I’ll arrange it right away. ” “Stop. ” Huo Hanhui furrowed his brows: “Give me the shortlist.” ” Secretary Li handed over the list and said tentatively: “Boss, do you want to ask the young grandmother if she has been shortlisted?”

“Who said I care if she’s shortlisted? ” Huo Hanhui took a look at the list, and sure enough, he found Zhao Xixi’s name, and a flash of surprise flashed in his eyes, he didn’t expect this woman to really be shortlisted The woman who usually only promised for three years suddenly seemed to be a different person Secretary Li said seriously: “The design of the young grandmother is also quite novel, do you want to dig her up too?”

Huo Hanhui’s eyes were gloomy: “Did you let you do superfluous things?”

He lowered his eyes and stared at the names on the list, and his eyes deepened a lot: “Tell the jury that I am going to be a judge for the finals.” ” “Is that superfluous?”

Meet My Brothers by Red Thirteen in Chinese chapter 34-Secretary Li stubbornly said: “Boss, you asked me to check the back of the competition registration site, the other party was wearing a mask and hat, and I couldn’t find out who it was.” ” When Huo Hanhui heard the news, he directly crumpled the list into a ball, and there was a touch of irritability between his eyebrows Why can’t I find it again!

—— After Zhao Xixi knew that he had been shortlisted for the finals, he breathed a sigh of relief, and then devoted himself to preparing the design drawings for the finals She must win first place this time When she was almost finished drawing her design, she received a call from the hospital: “Ms. Zhao Xixi, it’s time for you to go to the hospital for a prenatal checkup.” ” Zhao Xixi touched his lower abdomen and almost forgot that he still had a baby in his belly But she didn’t even say anything about the child, because the aunt would definitely not agree to her keeping the child She decided to secretly go to the prenatal check-up alone Zhao Xixi came out of the room and saw the sixth cousin talking on the balcony, and it seemed that something was wrong After Lin

Wusheng saw his sister come out, he hurriedly hung up the phone: “Xixi, where are you going, I’ll accompany you.” ” “Sixth brother, is there something wrong with your crew?”

“The little thing is that a drama wants to start promoting and let the past show its face. Anyway, I’m a supporting role, so it doesn’t matter if I go or not, but this time the actor himself can’t come, and he needs me as a stand-in to play. ” Zhao Xixi thought for a while and said, “Sixth brother, I made an appointment with a friend, so you can go and get busy with yours.” I’m an adult now, and I don’t need you to watch over me every day!”

In the past few days, her brothers have taken turns to accompany her at home to draw design drawings, and she is very touched in her heart However, her brothers were originally from Nancheng, and their work and life circles were all in Nancheng, so she asked her brothers to go back At present, only the stuntman sixth cousin is still here to accompany her Lin Wusheng touched his sister’s head: “I attended the event in the xx mall, and I can call me at any time if I have something.” ” Although he really wanted to follow his sister, he was also worried about being bored by his sister, and his sister-in-law said that he couldn’t be too enthusiastic, which seemed a bit false “Okay, goodbye, sixth brother. ” After Zhao Xixi separated from her sixth cousin, she took a taxi and went directly to the hospital During the prenatal examination, the doctor smiled and said: “At present, the indicators are normal, the baby is very healthy, and you should remember to eat folic acid and vitamins.” ” “Thank you, doctor. ” Zhao Xixi came out with folic acid, and the piece of paper in her hand represented her baby “Zhao Xixi, why are you here?”

Hearing the voice, she looked up and saw a well-dressed middle-aged lady – her ex-mother-in-law Li Rulan. Xiu Shu When Zhao Xixi saw her mother-in-law, her heart instantly lifted She quickly put down her hand, she didn’t expect to meet her mother-in-law in a public hospital, after all, a wealthy lady like her mother-in-law usually goes to a private hospital It seems that I didn’t look at the yellow calendar when I went out today Mother-in-law Li Rulan strode over, and her eyes were scrutinizing: “Zhao Xixi, what are you doing in the hospital, and you also came to the obstetrics and gynecology department, are you pregnant?”

“No, the eldest aunt is not adjusted, come and see the doctor to recuperate. ” Zhao Xixi will definitely not admit that she is pregnant, otherwise she will definitely not be able to leave Huo Hanhui Besides, Huo Hanhui will not have this child, her mother-in-

law Li Rulan only likes Miss Lin as her daughter-in-law, and the child in her belly is destined not to be treated, so she will definitely protect the mouse “Hehe, Zhao Xixi, do you think I’ll believe your words?”

Zhao Xixi pretended to be calm, and his heart was in his throat.

Meet My Brothers by Red Thirteen in Chinese chapter 35-Mother-in-law Li Rulan looked at her for a long time and snorted coldly: “Let’s tell you the truth, did you come to see the doctor to treat infertility?”

Zhao Xixi breathed a sigh of relief, it seems that her mother-in-law has no suspicions. She pretended to reply calmly: “If you don’t believe it, forget it.” “Stop, Zhao Xixi, are you being hit by me, your heart is weak? Let me tell you, don’t come to the hospital to treat infertility. Anyway, after my son marries Miss Lin, he will definitely have a child, don’t try to bind my son with a child.” Zhao Xixi’s eyes were full of mockery: “I never thought of using children to do such a despicable thing.” She touched her lower abdomen, after all, what she had always planned was to take the child and leave the Huo family. Mother-in-law Li Rulan’s tone was condescending: “It’s best to be so, after all, Lin Xi is the eldest lady of the Lin family, with a good family environment, Bai Fumei, who has been pampered since childhood, only such a woman and my son are the right people.” Only those born to Miss Lin are considered heirs, and some women born in slums should not vainly think that their mothers and children are expensive.” After the cruel words, Li Rulan stepped on her high heels and left. Zhao Xixi’s hand squeezed the child’s checklist tightly, and there was a bitterness in her heart, the reason why her mother-in-law didn’t like her over the years was that she was born ordinary and was not worthy of the Huo family. But when she married Huo Hanhui, it was never because the Huo family was rich. Zhao Xixi looked at the back of her ex-mother-in-law leaving, and then looked down at her lower abdomen: “Baby, don’t take those words just now, Mommy won’t think so.” You will have six uncles after you are born, and they will protect you from harm.” She’s not alone now. Zhao Xixi also put folic acid into a vitamin bottle on the road, so as not to be discovered when he ate it. In the evening, when she returned to the room to rest, her best friend Xu Guoguo sent a WeChat message: [Bao’er, didn’t I post a circle of friends that day?

【Which one?】 Zhao Xixi was a little moved, she was really short of money now [Huo’s Group, isn’t there a school recruitment in the second half of the year?] Huo’s Group’s recruitment has many people who have signed up, although the treatment is

very good, but the requirements are also very high. Everyone wants to go, but you are different, and the other party will come to dig you personally. 】 Huo's Group?

It was actually Huo Hanhui's company, Zhao Xixi hesitated: [I'll think about it] She didn't really want to have anything to do with Huo Hanhui, besides, she would soon go back to school to retake her courses, and going to work would delay the time of class, and she wanted to get a college diploma Zhao Xixi never thought that one day Huo Hanhui would actually send her an olive branch, if Huo Hanhui hadn't given her a look before, sure enough, it would be a joke for a woman to sacrifice her career for a man After she submitted the blueprints for the finals, she began to wait for the results of the competition However, when it was time to announce the results of the competition, the results were never available Zhao Xixi was a little puzzled: "What's wrong this year, it doesn't seem to have been postponed before." " Liutang Gelin silently immediately asked in the crowd of people who loved each other: [Big brother, why hasn't the result of the game come out yet?] Lin Dongye was aggrieved: [I wanted to hold a grand award ceremony for Xixi, and by the way, I would disclose my sister's identity, but your sister-in-law disagreed and scolded me for ten minutes. Xiu Shu Qin Jingjing: [The award ceremony is okay, but Xixi's identity can't be disclosed, that kid looks very aggressive, but he is actually delicate. It was not easy for my sister to accept us, and we had to go to the end. 】 Liutang Gelin had a silent and serious face: [I agree, if you get along without identity, your sister will have no burden. 】 The eldest brother Lin Dongye finally compromised Not long after, Zhao Xixi found that the results of the competition were announced on the official website, but the ranking of the competition was not announced The 11 shortlisted designers were invited to participate in the award banquet and the competition rankings were announced on the spot.
