

Meet My Brothers by Red Thirteen in Chinese chapter 36

Meet My Brothers by Red Thirteen in Chinese chapter 36-Zhao Xixi received an official invitation to attend the awards banquet next week. She sent a screenshot to her best friend Guoguo: [I was shortlisted, but I don't know the ranking.] The girlfriend replied excitedly: [It must be the first place, it must be you. But this year, the rules suddenly changed, and it felt a little strange.] Zhao Xixi also felt strange, but this competition is held once every three years, and many designers are waiting for this opportunity to win the award, after all, this is a competition recognized by the industry, and it is very golden [Xixi, the people from the Huo Group contacted me again and asked if you were shortlisted, and put forward very generous conditions, wanting to poach you to go to work. I think this opportunity is very rare, Sissy, do you really have to consider it?] Zhao Xixi couldn't say that she was bitter, although her best friend knew that she was married, but she didn't know that the person she married was Huo Hanhui. She thought for a moment and replied: [I want to go back to school to finish my studies, and I don't want to officially go to work for the time being. It's a bit of a delay, and I want to get my diploma.] My best friend replied: [I understand, no matter what decision you make, I support you.]] After Zhao Xixi saw the invitation to the finals, she posted a circle of friends: [Three years and three years, this time I won't give up halfway.] Not long after, Huo Hanhui also received the announcement of the shortlist. He glanced at the list and found Zhao Xixi's name, he didn't expect this woman to be able to break into the finals!

He took out his mobile phone and opened WeChat, and found that there was an update reminder in the circle of friends, and the ghost god almost went in and saw Zhao Xixi's circle of friends. Huo Hanhui's fine eyes narrowed slightly: Three years and three years?

Three years ago happened to be the day she married herself, and it was also the time when the last Hundred Flowers International Competition was held!

As for why she gave up the race, he probably guessed it. The man stared at this sentence for a long time, feeling a little irritable. At this time, Secretary Li walked into the office: "Boss, that great god was shortlisted for the finals a long time ago, but the other party refused the company's invitation." "Huo Hanhui frowned: "Is there someone competing with us?"

"I guess there is, but the treatment of our group is definitely the best, and no one can refuse the olive branch of our company. It is estimated that the other

party has a personal reason, after all, the great god suddenly disappeared three years ago, and no one knows why. ” “Disappeared three years ago?”

Huo Hanhui looked at Zhao Xixi’s circle of friends for three years and three years, is it so coincidental?

—— The next day, Zhao Xixi saw his eldest brother and sister-in-law coming over, and they were holding a lot of gifts Sister-in-law Qin Jing said: “Xixi, these are all specialties of Nancheng, congratulations on your successful finalization.” ” Lin Dongye said cautiously: “Xixi, your circle of friends said that three years and three years, did you still participate in this competition three years ago?”

Zhao Xixi nodded: “Yes, but there were too many things happening at home at that time, and in the end, I didn’t have time to prepare the blueprints for the finals, so I abandoned the game halfway.” ” I didn’t expect to be so close to my sister three years ago, but unfortunately I couldn’t find my sister’s whereabouts at that time The eldest aunt wiped her tears: “We are the ones who dragged Xixi down.” If it weren’t for us three years ago, you wouldn’t have been.”

Zhao Xixi hurriedly interrupted the eldest aunt’s words: “It’s all over.” ” Lin Dongye’s face changed slightly: “What happened three years ago?”

Meet My Brothers by Red Thirteen in Chinese chapter 37

Meet My Brothers by Red Thirteen in Chinese chapter 37-“Three years ago, my uncle was hospitalized in a car accident and needed a lot of money, so I gave up racing to earn money as a nurse for a wealthy family. ” Zhao Xixi didn’t want to tell his eldest brother about marrying Huo Hanhui Liutang Colin silently suggested: “Next week is the award feast, Sissy, let’s go buy a set of clothes to wear at the banquet.” ” In terms of experience on the red carpet and attending banquets, no one present is more experienced than him Zhao Xixi nodded Lin Dongye sighed slightly in his heart, because this competition was held by the Lin family, so he couldn’t show up for the time being, so as not to expose his identity in advance and arouse his sister’s disgust, so he could only let his sixth cousin accompany him However, the next day, the sixth cousin and the eldest brother had urgent work matters, so she could only be accompanied by her sister-in-law to the mall After arriving at the mall When Zhao Xixi saw the brands here, she saw that all of them were very expensive clothes, and she pulled her sister-in-law’s sleeves: “Sister-in-law, the brands

in this shopping mall are very expensive, why don't we change them." "Sissy, don't worry, I have a sister who works here, and when the time comes, let her choose you a discounted and affordable evening dress. Rest assured, you will definitely dress well for your first time attending a banquet." Zhao Xixi originally wanted to leave, but was still pulled in by her sister-in-law and walked straight towards a certain big-name Xianglaier "Zhao Xixi, you actually came here. Any piece of clothing here is tens of thousands, or even hundreds of thousands, Zhao Xixi, do you think you can afford to buy clothes here based on your family background?"

Huo Shanshan had just done a perfect look, but when she saw Zhao Xixi walking into the mall, she deliberately followed She walked in with a designer bag, looking proud Sister-in-law Qin quietly snorted coldly and said, "It's just a piece of clothing, what can't you afford it." "Qin Jing has never looked at today's consumption, when he was in Nancheng before, he never looked at the price when he went to the mall, and he wanted to buy anything Today, I specially brought my sister to buy an evening dress, and I had already said hello to the store, and now an uneducated dead girl came out of nowhere, and she dared to mock Xixi for not being able to buy a dress If it weren't for the low-key in front of Xixi, according to the character of the six sisters controlling the man, today's shopping mall would be directly chartered Huo Shanshan laughed so hard that her stomach hurt: "I said eldest sister, this is not your rural wholesale market, a piece of clothing is dozens of yuan." This is a high-end shopping mall, a place for the rich to buy clothes, and you poor people should not come here, after all, you can't afford to spend it. "Zhao Xixi stood up with a brush: "Huo Shanshan, you'd better keep your mouth clean." "Said she could, but said that the sister-in-law couldn't After Qin Jing heard Huo Shanshan's three words, he immediately knew who this uneducated little girl in front of him was, the people of the Huo family were really so annoying!

At this time, the young lady of the clerk came over with a few evening dresses: "Two ladies, the small dresses for the dinner have been chosen." "When Huo Shanshan saw the small dress, she immediately disdained to speak: "Zhao Xixi, what are you buying a small dress? Could it be that you are going to attend the award banquet next week?"

Zhao Xixi's expression was calm: "What, do you have an opinion?"

"Zhao Xixi, you don't know yet, those who are not finalists will not be able to attend the awards dinner. Unless it's a guest from the past, a wealthy person like me, you can't go to that dinner." Huo Shanshan didn't have to guess to know that Zhao Xixi would not be able to enter the finals Sister-in-law Qin

stood up quietly: “Who said that Xixi didn’t make it to the finals? ” As the proprietress of the group, she must know these insider stories Huo Shanshan was a little weak-hearted: “What nonsense are you talking about.” ” How did this woman know?
