Chapter 25 Heavenly Demon Assessment!

Opening of the Blood Prison Secret Realm.

It needs to be joined by several strong people from the water overflow.

The elder of the Confucian Academy flew into the air.

Working together with several other water overflowing powerhouses, suddenly, the world showed blood at this moment!

In the endless crack in front of him, a blood-colored earth appeared!

At the same time, at the end of the **** land, there seems to be a series of prisons suppressing it!

In each prison, there is a dead bone sitting.

Among the countless dry bones, there is a burst of extremely powerful coercion, even if it is not fully opened, it can be felt by everyone!

The elder of Confucianism explained in the air: "The secret realm can only accommodate people who are in the Zifu realm and below. Once they exceed the Zifu realm, they will be attacked by the coercion in the secret realm."

"Next, you can enter, but after a month, you must come out, otherwise the secret realm will be closed and you will be left inside."

"Once you are locked in it, you can only wait for a year to open it again. Of course, you may not be able to live until that time."

"Okay, you can go in."

Suddenly, countless disciples broke into it.

Tianming, the sixth prince of the Tianyuan Dynasty, glanced at Ye Qiubai inexplicably, and said, "I can do it myself..."

Before the people from the Sunset Dynasty went in, they also took a deep look at Ye Qiubai.

The Chou Chou set up a monument, and walked in with the Chou Chou. Before going in, he glanced at Ye Qiubai, the murderous intent in his eyes was undisguised!

Standing beside Ye Qiubai, Hongying couldn't help laughing and said, "Senior Brother, it seems that you have many enemies."

Ye Qiubai spread his hands helplessly, and said, "I can't help it. I didn't take the initiative to provoke others. They provoked me."

Hongying nodded, "It's a mediocrity not to attract envy, but just cut off the person who provokes you."

My junior sister's character is really decisive.

Ye Qiubai also agreed, nodded with a smile and said: "Okay, let's go in too, we must bring some opportunities out, and help the master to look up."

Heard the words.

Hongying thought of her master's character that a dead pig is not afraid of boiling water, she couldn't help twitching the corners of her mouth, and said helplessly: "I'm afraid our master won't care about this."

Ye Qiubai couldn't help being amused.

"Too."

Meanwhile, the other side.

Lu Changsheng was basking in the sun on the deck chair.

Suddenly, he opened his eyes and turned to the east.

There is the direction of the Blood Prison Secret Realm.

"Huh? How can there be a feeling of heart palpitations?"

This palpitation is not about you.

It's about people close to you!

Lu Changsheng may not be aware of it, but with his current strength, he can predict some crises in advance.

In the secret realm of Blood Prison, Ye Qiubai and Hongying are over there.

There are only these two apprentices who have a relationship with him.

Could something happen to them?

Lu Changsheng is not a cold-blooded and heartless person.

After all, he is his own disciple.

Not to mention they can cook...

Thinking of this, Lu Changsheng turned around and disappeared in place.

The secret territory of Blood Prison.

Hongying said to Ye Qiubai: "I really don't need you to solve it for me? The opponent's strength is still quite difficult for you."

Ye Qiubai said helplessly: "It's okay, junior sister, you have other things to do, go quickly, besides, I want to solve this matter by myself."

Hongying saw the firmness in Ye Qiubai's eyes, so she stopped trying to persuade her.

Throw out a jade pendant engraved with a picture of a phoenix spreading its wings.

Ye Qiubai took it, only to hear Hongying say: "When you encounter danger, remember to crush the jade pendant, there will be a defensive formation, which can prevent the blow of the strong fighters from the four domains."

Ye Qiubai was taken aback.

Four Regions Martial Arts List, isn't that a full-strength blow like the dean of the Tibetan Taoist Academy and the king of the Sunset Dynasty?

Ye Qiubai did not refuse any more, and nodded.

Seeing this, Hongying said, "Senior brother, take care", and flew towards the distance.

Ye Qiubai took a deep breath.

Look around.

A desert!

The soil on the ground was full of blood.

It seemed to be soaked in a sea of blood.

The smell of blood was so strong that it even made Ye Qiubai feel a little pungent.

I'm afraid this is not just a prison.

It is a battlefield!

Ye Qiubai walked aimlessly on this **** land.

Suddenly, a dark sword energy began to burst out of my heart!

Ye Qiubai was taken aback.

This is the unique sword energy of cultivating the Heavenly Demon Nine Swords!

The black sword energy extended towards one direction at this moment.

It seemed to be calling Ye Qiubai to go over!

Could it be that something is calling for the Heavenly Demon Nine Swords?

Thinking of this, Ye Qiubai walked towards the place where the sword energy extended.

The call of the black sword energy in the body became stronger and stronger.

At the same time, the blood on the ground began to fade.

is replaced by black.

The earth began to slowly transition into pitch black.

Gradually.

Not far away, a huge black prison appeared in front of Ye Qiubai.

This cage seems to communicate with the whole world, it is huge.

The black iron pillars soared into the sky like they were holding up the sky.

At the same time, on the periphery of the black iron pillar, circle after circle of golden chains surrounded.

After so many years, this golden chain still hasn't faded, but it still carries a terrifying sealing power!

What kind of strong people are going to be imprisoned, and the cage is made like this.

What is the strength of the detainees?

The end of the black sword energy is in this cage.

Ye Qiubai looked along the sword energy, and there was a bone sitting cross-legged in the center of the cage.

The bone was surrounded by black aura.

That aura is like sword aura.

It seems weak, but Ye Qiubai can feel it.

This black breath is extremely dangerous!

But the aura contained in it made Ye Qiubai feel friendly again!

Thinking of this, Ye Qiubai was already sure.

This corpse must have something to do with the Heavenly Demon Nine Swords.

Ye Qiubai stepped forward.

Suddenly, the black aura on that corpse skyrocketed!

Wrap the entire corpse in it!

Immediately, Ye Qiubai's eyes froze.

After the black aura dissipated, the corpse had disappeared.

It was replaced by a young man in a white robe with long black hair blowing in the wind.

However, in contrast, the sword in the man's hand was pitch black!

The man spoke.

"You? Have you practiced the Demonic Nine Swords?"

Ye Qiubai was taken aback for a moment, then clasped his fists together and said, "This junior has indeed practiced the Demonic Nine Swords."

The man nodded, and said: "Then you can be regarded as the successor of this seat, but if the inheritance of this seat is not passed on to people with uncertain temperament, you still need to accept the assessment."

"If the assessment fails, then stay here forever."

After finishing speaking, the man pointed out lightly with his finger.

Suddenly, the world in front of Ye Qiubai completely changed.

The cage surrounded by golden chains disappeared.

The man did not know where he went.

The scene changes again!

A large crowd suddenly appeared in front of Ye Qiubai.

Those people have no face, and hold a tattered sword in their hands.

Like a black cloud, it swept towards Ye Qiubai!

"There is only one assessment, and that is to kill all these people."
