Chapter 26 The shock of the Heavenly Demon Sword Master!

Kill all these people in front of you?

Although there are many people, there is no realm.

Just mortals.

Ye Qiubai was puzzled why a man would give such an assessment.

However, Ye Qiubai will not sit still and kill the crowd with a wooden sword in his hand!

The wooden sword in his hand kept swinging!

Sword Qi continued to spread wantonly around!

Those mortals will be directly strangled just by being touched by the sword energy!

For a while, flesh and blood!

However, Ye Qiubai's whole body is protected by spiritual energy, and his flesh and blood cannot be stained in the slightest.

But.

Whenever Ye Qiubai beheaded those faceless people.

There will be other faceless people to fill the vacancy immediately!

Seemingly fearless, they kept rushing forward like moths to the flame!

Ye Qiubai kept dancing the wooden sword in his hand!

Jian Qi Huahe, harvesting lives among the faceless crowd!

At this moment, Ye Qiubai seemed to have turned into a **** of death!

soon.

Half a day has passed outside.

Ye Qiubai's expression has become serious.

Because he found that these people have not decreased in the slightest.

It is still crowded with people, it is dark, and there is no end in sight!

Saw this.

Ye Qiubai couldn't help thinking to himself, wouldn't this be a test to see if he would be consumed to death?

Thinking of this, Ye Qiubai began to consciously control the spiritual energy not to leak out.

At the same time, he also removed the spiritual body protection, allowing the flesh and blood to stain himself.

In order to save the aura in the body as much as possible.

I don't know where.

The man in white robe looked at this scene, and the corners of his mouth couldn't help twitching.

Unfortunately, I guessed wrong...

After a day...

Ye Qiubai's whole body was covered in blood.

Even, under the fresh blood, there is already a layer of armor made of blood scabs.

The wooden sword in his hand also gradually became numb.

Wave.

kill.

Wave again...

Kill again...

Repeatedly, without stopping.

Like a killing machine...

However, the faceless crowd was still black and dense, showing no signs of decreasing.

Still flocking to Ye Qiubai like moths to a flame.

Ye Qiubai had no choice but to slash the wooden sword in his hand again.

Two days later.

Still the same.

Ye Qiubai's eyes have begun to become numb.

The crowd still has no end.

Four days later...

Still the same.

...

It's now.

Ye Qiubai did not know how many days had passed.

It's just that the sword energy surrounding Ye Qiubai is already full of evil spirit!

The numb eyes have also changed.

There is actually a streak of rage, and a trace of bloodthirsty!

I don't know how long it has passed!

Ye Qiubai's movements changed.

No longer as numb as before.

Instead, he began to slash with all his strength!

The sword energy was completely berserk, tearing apart the surrounding crowd!

If you look carefully.

You can see a smile on the corner of Ye Qiubai's mouth at this moment!

That's right.

Now Ye Qiubai is laughing silently!

"Kill! Kill! Kill me!"

I don't know where.

The white-robed man looked at this scene, sighed, and shook his head in disappointment: "The third person who came here still couldn't pass the examination? Forget it, let's wait a little longer."

Men are proud.

He created such sword techniques as Tianmo Nine Swords.

In ancient times, he was a well-known strong man.

Known as the Heavenly Demon Sword Master!

Therefore, he will not pass on his inheritance to those who are uncertain.

not to mention.

Those who are not determined enough will not be able to inherit his inheritance.

"Huh?"

Suddenly, the man in white robe looked in Ye Qiubai's direction, and said thoughtfully, "It seems interesting."

At the moment.

Ye Qiubai's violent sword aura did not diminish.

However, the murderous intent in his eyes began to fade away!

In turn, it began to become clear.

It is Kenshin Aura!

Swordsman, be indomitable!

There is revenge for revenge, and there is resentment for resentment.

But it cannot be a machine for murder and revenge!

Ye Qiubai remembered his own way of swordsmanship.

I remembered the teachings my master taught me.

I also thought of my own understanding of kendo during this journey!

at the same time!

The Sword Sutra of Taichu also started running at full speed!

Strains of sword energy rushed into the meridians, and began to wash away the bloodthirsty intentions!

Boom!

Breath suddenly soared!

Ye Qiubai has broken through to the middle stage of Zifu Realm!

"The heart of the sword is clear, and there is that unknown skill..."

Watching this scene, the white-robed man couldn't help but smile and said, "Yes, it seems to be a good seedling."

Ye Qiubai's eyes became clearer.

The sword in his hand was not as heavy as before, and became lighter.

Gradually, Ye Qiubai also understood the true meaning of this assessment.

Nine Swords of Heavenly Demon.

It is full of magic, a kind of sword technique of mass destruction!

If there is no practitioner, the will is not strong enough.

Then, sooner or later, you will be controlled by the devil.

Become a machine that can only kill people.

"Okay, you passed."

The voice just fell.

The faceless man beside Ye Qiubai disappeared in an instant.

The huge cage surrounded by golden chains also reappeared in front of Ye Qiubai's eyes.

The white-robed man looked at Ye Qiubai, and said with satisfaction: "I never thought that you could have the sword heart at such a young age, and that skill is also extremely mysterious."

The Sword Sutra of Taichu.

Ye Qiubai still can't comprehend it.

However, my own strength is brought about by the Sword Sutra of Absolute Beginning.

Who the **** is Master?

Can you come up with such a skill?

Thinking of this, I couldn't help but admire Lu Changsheng even more.

The man in the white robe continued: "Since you have reached the state of sword heart clarity, it means that you can maximize the power of the nine swords of the demon, and you can also hand over the last five swords to you."

Hearing this, Ye Qiubai was taken aback for a moment, then scratched his head and said, "That...Senior, I have already learned the next five swords..."

"ah?"

The man in the white robe was dumbfounded.

"The sword manual of the following five swords has always been in my hands and has never been leaked. How can you learn it?"

Ye Qiubai showed reverence on his face, and said: "It's my master, he showed the five swords behind, and then passed them on to me."

"How can it be!"

The man in white robe exclaimed: "Then quickly show the last five swords!"

"Senior, my strength is not enough to cut the last five swords..."

As soon as the words fell, the man in the white robe directly turned into a wisp of black mist, escaping into the center of Ye Qiubai's eyebrows!

Ye Qiubai's expression was shocked, and his pupils turned into pitch black.

Immediately picked up the wooden sword and cast the Demonic Nine Swords!

One time.

Black Sword Qi is vertical and horizontal!

It seems to destroy the world!

But how long.

The man in white robe escaped from between Ye Qiubai's eyebrows.

His expression was shocked.

"This...how is this possible?"

"Compared with the Demonic Nine Swords of this seat, it is more perfect and more powerful, and even the side effects are completely gone..."

"It can be said that your master's perfect Heavenly Demon Nine Swords has completely transcended, and is of a higher level than this seat's Heavenly Demon Nine Swords!"

"However, since the collapse of the heavens, how could such characters appear again in this world?"

"Could it be possible that your master was from ancient times?"

Ye Qiubai scratched his head, thought for a while and said, "Probably not, my master seems to be quite young, and... I have to eat every day, so I'm too lazy."
