Chapter 28: Siege!

Chapter 28 Siege!

Beyond the blood prison secret realm.

In the past, various forces would fear each other.

Now, there is an arrogant and domineering outsider, and they condense together to guard against the people of the Sunset Dynasty.

The leader of the Sunset Dynasty is a general.

His name is also called General, and he is the leader of the Shura Iron Cavalry of the Sunset Dynasty!

Passed on.

The Shura Iron Cavalry is the ace army of the Sunset Empire!

There are a thousand people in the army, and each of them has reached the Purple Mansion Realm. Although they can't make further progress with pills, the Purple Mansion Realm is the Purple Mansion Realm after all!

At the same time, everyone in the Shura cavalry is brave and fearless, and they are all equipped with mysterious treasures.

This made it impossible for Shura's iron cavalry to grow any grass!

Even if it is at the air sea level, it will be swallowed instantly!

The water is overflowing, I am afraid it will not be able to compete head-on!

As for the general, he commanded the entire Shura cavalry, so one can imagine how high his status is in the Sunset Dynasty.

At the same time, the strength is beyond doubt.

is the peak powerhouse of Shui Yi Jing!

Consistent with the realm of the elders of Confucianism.

The general looked around, and found that everyone's aura was locked on him.

It seems that as long as the general makes any moves, everyone will be bombarded and killed with all their strength!

Seeing this, the general couldn't help but smiled contemptuously, and said arrogantly: "Are you trying to keep me here? But, when the Shura cavalry sets foot in the southern region, can you resist it?"

Besides, the people of Tianyuan Dynasty smiled flatteringly: "The Sunset Dynasty and our Tianyuan Dynasty have been on good terms all year round. Everyone, there is no need to be so defensive."

Seeing this scene, the elders of the Jiantang cast a contemptuous glance, then withdrew their eyes.

The Elder Confucian President didn't seem to hear, he just looked at the book in his hand.

From time to time, he will fall into deep thought, and sometimes he will show a smile enjoying the solution of the mystery.

Zang Dao Academy will not participate in power struggles in the world after all, so what is the relationship between the Tianyuan Dynasty and the Sunset Dynasty.

Or the Tianyuan Dynasty wanted to hug the thigh of the Sunset Dynasty.

Has nothing to do with Tibetan Taoist Academy.

The others glared.

But he was angry and dared not speak.

After all, they are afraid of the strength of the Sunset Dynasty.

Here, only Tibetan Taoist Academy has the qualifications to contend with it.

However, Tibetan Taoist Academy has no idea of making a move.

Without the early birds, they naturally dare not move easily.

Seeing this, the general couldn't help but sneered.

To be honest, he still wished that this group of people would attack him.

Then the Sunset Dynasty will be able to become famous and set foot in the Southern Region!

...

On the other side, Ye Qiubai encountered a group of unexpected guests.

"Ye Qiubai, are you finally willing to show up? I don't know where you've been hiding these past few days, but let us find it easily."

Ye Qiubai looked at the man in front of him, and said calmly: "Qiu Libei, I'm afraid you still can't kill me."

Speaking of this, Qiu Libei didn't even object.

Instead, he nodded in agreement and said, "Indeed, if you want to escape, I'm afraid I won't be able to keep you, but..."

Before he finished speaking, several people surrounded Ye Qiubai and surrounded him!

The four of them were wearing armor, with **** murderous intent all over their bodies!

It's like stepping out of a mountain of corpses and a sea of blood!

"People from the Sunset Dynasty?"

Ye Qiubai frowned slightly.

He knew why Qiu Libei was so confident in beheading himself.

However, this is not enough to make Ye Qiubai afraid.

What he was afraid of was the figure in black behind the four people before.

Those people have disappeared since they entered the blood prison secret realm.

I haven't seen it yet.

It is precisely because of this that Ye Qiubai feels uneasy in his heart!

Jianxiu's perception of danger is very accurate.

The armored man sneered: "Although we Sunset Dynasty disdain to cooperate with other people, we must ensure that the success rate of the mission reaches 100%."

Hearing this, Qiu Libei snorted coldly, but didn't say anything.

After all, he is not the opponent of these people.

Ye Qiubai took out the wooden sword, with a calm face, without showing any panic, and said, "Okay, if you want to make a move, do it."

Chou Libei snorted coldly, "Extremely arrogant!"

As soon as the voice fell, Qiu Libei stepped on the ground suddenly, and the dark red ground kicked up bursts of dust, shooting towards Ye Qiubai!

Seeing this, Ye Qiubai pierced out with the wooden sword in his hand, and a sharp sword qi slashed towards Qiu Libei with a terrifying momentum!

Chou Libei let out an angry roar, and the fist in his hand actually produced streams of air pressure, moving towards Ye Qiubai's sword energy to meet him!

Boom!

The sword energy shattered!

The figure of Qiu Libei also retreated violently!

The fist in his hand was stabbed with a blood hole!

Chou Libei covered his fists, and blood flowed from between his fingers!

How can this be!

I am the pinnacle of the Purple Mansion Realm!

Ye Qiubai in front of him is only in the middle stage of Zifu Realm!

A realm was interrupted in the middle, but he was able to injure himself so easily?

"What a waste!"

The armored man from the Sunset Dynasty shouted coldly and said, "No wonder you want to cooperate with us."

After finishing speaking, the square armored man unleashed his power at the same time!

A **** killing intent swept towards Ye Qiubai like a sea of blood!

It's like a **** tsunami!

only.

The current Ye Qiubai has passed the assessment of the demon.

Killed for days and nights in that situation.

It didn't crush him even then.

How could this **** killing intent affect his mind?

Ye Qiubai held a wooden sword and soared into the sky!

One sword after another slashed out, turning into a net of sword energy, slashing to all directions!

The monstrous sea of blood was cut into countless cracks!

However, there was another round of blood to make up for it!

With the joint efforts of the four of them, the power has already surpassed the Zifu Realm!

This kind of attack method can even kill people in the Qi Sea Realm!

Seeing this, Ye Qiubai put away the wooden sword, and picked up a pitch black long sword without a front!

Dark Demon!

When the dark demon was sacrificed, waves of monstrous demonic energy swept across the world!

It turned out to be a confrontation with the monstrous sea of blood!

The expressions of the four people on the periphery couldn't help but change.

"Treasure of Heaven!"

"A mere southern barbarian, how could there be a heavenly treasure!"

"However, so what, as long as we kill it, this heavenly treasure will be ours!"

As soon as the voice fell, the four people's hands changed again!

The monstrous sea of blood turned into a giant **** fist, blasting towards Ye Qiubai!

Ye Qiubai snorted coldly: "Nine Demon Swords, the third sword!"

Immediately!

Dark Demon Sword has a monstrous demonic energy!

A huge black sword energy slashed towards the **** giant fist!

Boom boom boom!

The aftermath swept around!

Qiu Libei looked at this scene with disbelief in his eyes!

He has no right to intervene in this kind of power struggle!

Any attack can kill him!

How could Ye Qiubai possess such strength!

Could it be that there was a chance in the blood prison?

However, even if this is the case, they shouldn't be the opponents of the four members of the Sunset Dynasty... right?

The next moment, that **** giant fist was cut in half!
