

My Disciples 41

Chapter 41 Yinlongtan

This four-legged monster is in the middle stage of the Purple Mansion Realm, but its strength is comparable to that of the ordinary late Purple Mansion Realm.

Even so, there are only 10 points.

According to the normal situation, the higher the level of monsters, the higher the points.

Ye Qiubai raised his eyebrows slightly. If he wanted to advance, he might not be enough to kill monsters of this level.

Take out the map, this map was given to him by Xin Hongyi.

And the location where I am now is the outermost edge of the Qingyan Mountain Range.

The deeper you go, the stronger the devilish energy.

At the same time, the strength of Warcraft will become stronger.

The monster inside is the start of Qi Sea Realm.

And in the deepest part, there is a water overflow environment, as well as the powerful monsters above the water overflow environment.

Reached above the water overflow, the spirit of the monster will be completely opened.

Without even thinking about it, Ye Qiubai sped towards the inside!

Along the way, there are monsters everywhere.

Killed those monsters with one sword, and the point stones also came to 230.

At the same time, there are also some "natural treasures".

Of course, these so-called treasures of heaven and earth are not as good as one ten thousandth of the quality in Master's vegetable garden...

Even if it is used for cooking, I am afraid it will be rejected by the master.

You know, his master's mouth is stuck...

Thinking of this, Ye Qiubai couldn't help shaking his head and laughing, and continued to gallop towards the interior.

Suddenly, Ye Qiubai stopped.

There are strands of aura surrounding him in these four directions!

Array!

"Oh? Finally a guest?"

Suddenly, a man in a red robe came out from the side.

Ye Qiubai looked over lightly.

"It's just that this fish doesn't seem too fat, a barbarian from the southern region."

"How about this, you hand over the point stone in your hand, and I will let you go, how about it?"

The three of them, Ye Qiubai, met once outside, and they seemed to be from the Tibetan Taoist Academy in the Eastern Region.

According to Ding Lun's cognition, except for the leader of the team, the strength of the Southern Region Tibetan Taoist Academy is much behind the others.

So, in the case of being trapped by the formation, the opponent is definitely not your opponent!

Fish is small, but it is also meat!

Ye Qiubai looked at Ding Lun, and said with a half-smile: "That's why you're so sure you can eat me?"

Hearing this, Ding Lun sneered: "Why, even a person at the peak of the Purple Mansion can be trapped in my predicament.

Do you think you can escape from being trapped in my trap? "

"run?"

Why run.

Ye Qiubai took out the wooden sword, and under Ding Lun's mocking gaze, he swung it out!

The wooden sword landed on the formation barrier.

Boom!

Just a moment!

The formation shattered instantly!

The array flags scattered all over the place were directly reduced to dust.

Looking at this scene, Ding Lun's eyes were terrified!

Under his observation, the other party was just a southern barbarian in the middle stage of Zifu Realm.

How strong can it be?

But.

Now this southern barbarian whom he looked down upon cut through the formation he was so proud of with a single sword!

This formation, even a person at the peak of the Zifu Realm, cannot break it in one blow!

How could Ye Qiubai break through with a single sword?

Ding Lun was full of doubts and fears.

"how did you do it?"

Ye Qiubai didn't answer his question, put a sword on Ding Lun's forehead, and said, "Hand over the points stone."

Ding Lun's throat rolled, and he said, "I exchange a message for point stones, is that okay?"

After all, if the point stone is captured, it will be eliminated!

Ye Qiubai raised his eyebrows slightly, and said, "Then it depends on whether your news is worth it."

Hearing that there is still a chance, Ding Lun hurriedly said: "In front, there is a Yinlong pool, and in the Yinlong pool, there is a half-step Yinlong overflowing with water!"

It is not a simple existence that can be related to the word Longzhi.

Although Yinlong has a trace of dragon blood, he still has the opportunity to transform into a dragon!

It's just that the chances are slim.

Because of this, Yinlong's blood can be used to refine medicine, and it can also be used to refine body!

is extremely valuable!

"Besides that Yinlong, there is also a Yinguduo guarding it."

Yin Guduo is also a product for refining elixir, which can be encountered but not sought.

Although Ye Qiubai is not interested in these.

asked: "Since you know everything, don't others know?"

Ding Lun saw that he was exposed, scratched his head in embarrassment, and said: "Some people have already passed, such as my brother Shi Sheng from the Eastern Region, Liao Meisheng from the Northern Region, and you Nanban... people from the Southern Region."

Ye Qiubai nodded upon hearing this.

Although he is not interested in these things, Yinlong is a half-step water overflowing existence. If he is killed, he will probably get a lot of points.

"Can... can you let me go?"

Ye Qiubai looked at Ding Lun and said, "Take out the scoring stone."

Ding Lun's eyes froze.

"Didn't you say you would let me go if you gave me the news?"

"But your news is not secret, so many people know it."

Ye Qiubai said coldly: "So, do you take it out yourself or let me do it?"

Ding Lun looked at Ye Qiubai's unwavering, stagnant eyes, and couldn't help trembling, and took the point stone out of the ring.

Ye Qiubai took it, and there are 470 points on this point stone.

Obviously, Ding Lun has gained quite a lot.

The point stone was taken away, and Ding Lun was also teleported away from Qingyan Mountain.

also means that Ding Lun is eliminated.

Ye Qiubai didn't stop, and flew directly in the direction Ding Lun pointed!

...

At a mountainside.

There is a waterfall pouring down here!

Beside the waterfall, there is a hole.

Before the entrance of the cave, there is a pool of water.

This pool of water is full of Yin Qi, so that there is no grass or tree around!

Here is Yinlongtan!

Around Yinlongtan, there are already several people here.

Among them, Xin Hongyi from the Southern Region was included.

Among them was an extremely tall man with his arms folded and said: "Everyone, since this Yinlong Lake has been discovered, how about we join hands?"

Xin Hongyi looked over coldly, and said, "Shi Sheng, you really are shameless. I was the first to discover this place, but you said to join forces?"

Shi Sheng looked at Xin Hongyi, with a look of fire in his eyes, and said, "Xin Hongyi, do you think you can eat this Yinlong Lake by yourself?"

Xin Hongyi's tone froze.

With her current strength, let alone whether she can deal with the group of people around her.

Shi Sheng's strength is higher than hers.

What's more, there is a Yinlong that is half a step overflowing in the Yinlongtan hidden in this Yinlongtan!

Xin Hongyi couldn't solve it at all.

Shi Sheng saw that Xin Hongyi's face was ugly and did not respond, he sneered and said, "Xin Hongyi, you have to be clear, you are the only one here in the Southern Region, and it would be great to give you a chance to cooperate."

Liao Meisheng also looked at this scene jokingly, and then said: "I agree to cooperate, this Yinlong is not easy to deal with."

Shi Sheng nodded, and said: "Okay, let's distribute it. I want the Yin Dragon Blood."

Liao Meisheng was not surprised. After all, Shi Sheng was a body refiner, and Yinlong's blood was a good thing for him.

"Then I want the pubis."

"As for the remaining points, let's distribute them to others. Xin Hongyi, if you contribute at that time, the points will also be shared with you."

Obviously, they didn't intend to distribute the things to Xin Hongyi!

Chapter 42 Yinlong Out!

In the southern region, there is only Xin Hongyi.

Moreover, in this, her strength can only compete with Liao Meisheng.

Also not Shi Sheng's opponent.

This also led to Xin Hongyi being unable to get more things.

Xin Hongyi naturally understood this.

It's just that she alone can't change anything.

He could only stare blankly.

At this time.

A figure galloped from the jungle behind.

Xin Hongyi turned her head, immediately changed her previous sad expression, and said happily, "Ye Qiubai?!"

The person who came was Ye Qiubai.

Liao Meisheng looked over, with murderous intent in his eyes!

Shi Sheng also glanced over and said, "Oh? People from the Southern Region?"

Ye Qiubai didn't look at the two of them, but looked at Xin Hongyi, and said, "Where's Yinlong?"

Xin Hongyi shook his head and said: "The Yinlong hasn't come out yet, Shi Sheng and the others have already set up a formation, draw it out, and then attack and kill it with all their strength."

Ye Qiubai nodded slightly.

Shi Sheng looked over, and said loudly: "People from the Southern Region, right? Do you want a share too?"

Ye Qiubai looked at Shi Sheng and said, "A share? I only want points."

"Points?"

Shi Sheng was also taken aback.

In his opinion, Yin Dragon Blood and the Yin Guduo are more important than points.

Points?

can be seized.

But Yinlongxue and Yinguduo are things that can be encountered but not sought after.

"Are you sure you only need points?"

Xin Hongyi also hurriedly said from the side: "Ye Qiubai, the other two are more valuable!"

These two things are extremely rare even among the secret tribe she belongs to.

It's just that she doesn't know.

Ye Qiubai's body had already been refined by the Pure Yang Chixue Pill refined by his master.

Using the Yin Dragon Blood again has no effect at all.

As for the pubis?

Master's vegetable garden is much more advanced than this one, even if you use it for cooking, you will dislike it, why do you want to come here...

Thinking of this, Ye Qiubai shook his head and said, "I only need points, but what I need are all points."

all!

Liao Meisheng narrowed his eyes slightly and said, "You have a big appetite. There are so many people here, what can they get?"

Ye Qiubai shook his head and said, "What does it have to do with me?"

Liao Meisheng wanted to say something else, but Shi Sheng stopped him and jokingly said, "It's okay, I'll give you all the points."

"I will give other juniors compensation for them."

"However, if you do not show the corresponding strength, I am afraid that some people will not accept you if you get all the points."

While saying these words, Shi Sheng and Liao Meisheng looked at each other.

They all seemed to understand the other party's intentions, but they didn't say anything.

"Okay, everyone, get ready, when the formation is activated, Yinlong will appear!"

After finishing speaking, Shi Sheng and all the disciples of the Eastern Region are seals!

The formation flags scattered around began to emit a faint halo!

Above the Yinlongtan, a force of suppression began to be continuously generated, pressing into the pool!

Liao Meisheng took out his long sword, and waves of sword energy surrounded him, ready to strike at any time.

Xin Hongyi stopped persuading her, but also took out her long sword, and flames wrapped around the blade!

Ye Qiubai now replaced the wooden sword with a dark demon.

After all, the opponent is half-stepped, and there is a big gap with his realm.

Puff puff puff...

As the force of repression continues to strengthen, the water in Yinlongtan is also boiling like water!
Sudden!

A strange roar sounded suddenly!

The weaker people around took a step back!

Even Xin Hongyi had to treat it seriously!

Ye Qiubai held the sword in both hands, and the robe on his body was constantly blown by the wind, watching this scene lightly.

Boom!

The pool water exploded!

A huge strange beast broke out of its shell from the pool of water!

The strange beast has a snake body and a triangular crown!

A pair of eyes were full of anger, and he yelled at everyone!

Shi Sheng said solemnly at this moment: "Sleepy Dragon Formation, get up!"

With the infusion of aura, the suppressive power in the formation is like Mount Tai pressing down on the top, pressing down on the Yinlong with a bang!

Yinlong's body was suddenly bent down!

Shi Sheng roared: "Now is the time!"

As soon as the voice fell, everyone attacked Yinlong!

With a wave of Liao Mei's long sword, three sword beams cut towards the Yinlong at the same time!

Xin Hongyi swung out that long sword covered in flames!

The flame is like a fire whip, flinging towards Yinlong!

All of a sudden, one attack after another fell on Yinlong!

However, those attacks only landed on the scales, leaving no traces!

Shi Sheng snorted coldly, handed over the formation to others, and shot directly at Yinlong!

There seems to be no aura fluctuations.

Punch at Yinlong's crown!

boom!

The fist hit the crown of the head, and the head of the Yinlong smashed towards the water in an instant!

Yinlong also let out a cry of pain!

There are streaks of black blood flowing from the crown!

This is the first time Yinlong has been hurt!

Liao Meisheng watched this scene with fixed eyes.

Shi Sheng's natural power is really terrifying!

People from the Eastern Territory are also cheering.

"As expected of Senior Brother Shi!"

"With Brother Shi's strength, why do you need to cooperate with other people?"

"That's right, look at other people's attacks, falling on Yinlong's body is like scratching an itch, nothing happened at all, Senior Brother Shi wounded this beast with one punch!"

Shi Sheng returned to the original place, looked at the crowd, frowned and said: "Everyone, don't hide your strength, go all out!"

Obviously, Shi Sheng was dissatisfied with the attack of Liao Meisheng and others just now.

"There is also Ye Qiubai, why don't you take action?"

Liao Meisheng and the others all looked at Ye Qiubai who held his sword in both hands.

We are all working hard, but you are the only one paddling?

Ye Qiubai said indifferently: "I want to wait for you to make a move before making a move. If you make a move together, if it is my credit, some people will also say that it is someone else's credit."

Xin Hongyi couldn't help laughing.

Liao Meisheng and the people from the Eastern Territory looked even more ugly.

Shi Sheng frowned slightly, and said: "We are all from the Academy, how can we be so dirty?"

Ye Qiubai shrugged his shoulders, and stopped talking, holding the dark demon in his hand, the monstrous demon energy began to erupt from Ye Qiubai's body!

At this time, the Yinlong in the Yinlongtan got up again and roared!

Half-step Shui Yi's breath erupted wantonly!

The trapped dragon formation was shattered in just an instant!

Shi Sheng was not surprised by this, after all, the trapped dragon formation can only be trapped for a while.

Then he said: "Back off and reorganize the attack."

Everyone retreated towards the rear.

However, there was one person who walked towards Yinlong!

It's Ye Qiubai!

Shi Sheng shouted in a deep voice: "Ye Qiubai, come back quickly!"

Yinlong broke through the suppression of the trapped dragon formation at this moment, and recovered his strength. How can a person in the middle of the Purple Mansion Realm be able to fight against it?

Liao Meisheng sneered.

"Since you want to die, let him go."

Xin Hongyi watched this scene without any worries.

She knew Ye Qiubai well.

How could he do something he was not sure about?

Chapter 43 Slaying the Yin Dragon Alone!

Yin Dragon is constantly exuding breath at this moment.

The yin energy spread to the surroundings, and the flowers and plants in the distance seemed to be affected and quickly withered!

On the crown dripping with black blood, two slanted eyes stared at Ye Qiubai, eyes full of anger, and even more sarcasm!

How could a person from the Little Purple Mansion be its opponent?

Ye Qiubai held a dark demon in his hand.

For a moment, the demonic energy was overwhelming!

Facing the half-step water overflow, Ye Qiubai did not back down.

He wanted to see, with his current strength, whether he could seriously injure or kill Yinlong!

The dark demon was raised in his hand, and the jet-black sword was covered with wisps of magic energy.

For a moment, Ye Qiubai descended like a demon god!

Immediately, with slight footsteps, he rushed towards the Yinlong!

Seeing this, Yinlong roared at Ye Qiubai!

The roar seemed to turn into sound waves, squeezed the space, and pressed towards Ye Qiubai!

Ye Qiubai's face froze slightly, and the dark magic in his hand swung out!

Heavenly Demon Nine Swords, the first sword!

One side bursts of sound waves, and the other side bursts with black sword energy!

Crash with a bang!

Those sound waves were chopped off by the black sword energy!

Yin Long's eyes showed surprise.

As far as the strength of this sound wave is concerned, people in the Zifu realm must not be able to resist it.

But Ye Qiubai killed it with a single strike!

Just when I thought so.

Ye Qiubai's figure has come in front of Yinlong!

The second sword is swung!

The magic energy skyrocketed again!

The wanton sword energy criss-crossed the world, constantly sweeping across the scales of Yinlong!

Yin Dragon swung its giant tail and drew towards Ye Qiubai!

Liao Meisheng sneered at the side: "How can Ye Qiubai resist this blow?"

Shi Sheng watched this scene without speaking.

He could see that Ye Qiubai was not such a reckless person.

This blow from the giant tail, even if it was him, he had to protect it with all his strength to ensure that he would not be seriously injured!

And why did Ye Qiubai?

The physical body is not strong enough.

The realm is not high enough.

Could it be that there are other cards?

However, the scene at the next moment shocked everyone!

Ye Qiubai slashed at the tail of the snake with his sword.

He was not seriously injured and flew out as everyone thought.

On the contrary, the scales of the snake tail were about to shatter!

Yinlong roared in pain!

Ye Qiubai stepped back!

Half-step Shui Yi's strength is really strong.

Xin Hongyi on the side breathed a sigh of relief.

But at the same time, he secretly said in his heart that he must work harder to practice after returning home.

After all, the current Ye Qiubai has gone further and further away.

If this continues, I'm afraid I won't even be able to see Ye Qiubai's back...

Liao Meisheng's face was ugly.

Ye Qiubai's current strength is stronger than when he confronted him at the banquet before...

Shi Sheng was even more surprised.

The ability to achieve this level with the sword alone shows how deep his swordsmanship is.

I just don't know how it compares to Jian Chaomian...

Thinking of this, Shi Sheng couldn't help shaking his head, and murmured softly: "Jian Chaomian is still better..."

At this moment, Yinlong was completely furious.

Roared, breath burst!

Immediately, he escaped from the Yinlongtan and slammed fiercely at Ye Qiubai!

Ye Qiubai's eyes were fixed, and he didn't dodge!

Go forward!

The dark demon in the hand suddenly cut out!

The Fifth Sword of the Heavenly Demon Nine Swords!

The demon energy in Qingyan Mountain Range is extremely strong, and it is even stronger in the Yinlongtan area.

This also led to Ye Qiubai being able to cut out this sword!

This sword comes out.

The devilish energy nearby seemed to be summoned, rushing towards the Dark Demon Sword!

For a while, the devilish energy surged wildly!

Feel the power.

Liao Meisheng and Shi Sheng's expressions changed.

Under this sword, Shi Sheng asked himself, can he take it?

The answer is no, I am afraid that even if you accept it, you will have to pay a huge price!

This price is unbearable for him.

Yin Long's eyes froze as he rushed towards Ye Qiubai.

This sword actually made him feel in danger!

An ant in the small purple mansion can make him feel a sense of crisis?

What a humiliation!

With a roar, the speed skyrocketed again!

Ye Qiubai came face to face!

The sword covered with monstrous devilish energy slashed towards the crown of Yinlong's head!

Just a moment!

Both intersect!

Yinlong roared, and the crown began to shatter at this moment!

Black blood spurted out!

Ye Qiubai let out a muffled snort, the opponent's strength was extremely great.

The realm is so much higher than that, such a head-on encounter, naturally it will not be unscathed!

Yinlong retreated violently at this moment!

Returned to Yinlongtan!

Ye Qiubai snorted coldly, and stomped on the ground!

The ground instantly shattered!

Ye Qiubai also used this to rush towards Yinlong!

Reaching out and slashing, the sword energy shot towards the Yinlong!

The scales on Yinlong's body kept breaking at this moment.

"Roar!"

Under the terrified eyes of everyone.

The long sword in Ye Qiubai's hand slammed down!

A sword cut into Yinlong's head!

At this moment, the breath of Yinlong passed away quickly until it disappeared.

Ye Qiubai, in the middle stage of the Zifu Realm, killed the Yinlong who was half a step away from the Water Overflow Realm by himself!

"This...how is this possible?"

Some people can't believe it.

"Is he really from the Purple Mansion?"

"When did the Southern Barbarians have such a character?"

Liao Meisheng's face was ugly.

At that banquet, I tried my best, but now it seems that Ye Qiubai didn't try my best!

Once he used this trick at that time, it is estimated that he would not have any power to parry!

Watching this scene, Shi Sheng felt a storm in his heart.

He can barely compete with Yinlong!

However, if he wants to beheaded, then Shi Sheng asked himself that he couldn't do it.

After all, half-step Shui Yijing has a trace of dragon blood.

This kind of monster can be ranked high even in the Qingyan Mountain Range.

As a person at the early stage of Qi Sea Realm, how could he kill him?

But Ye Qiubai did it.

And achieved this with the cultivation base in the middle stage of Zifu Realm.

Fully crossed a big realm!

Thinking of this, Shi Sheng's previous thoughts have completely disappeared.

At this moment, Xin Hongyi walked up to Ye Qiubai and asked, "How are you doing, are you okay?"

Ye Qiubai turned slightly pale, shook his head and said, "It's not a big problem, it's just that the consumption is too much, just take a pill."

Xin Hongyi: "..."

How can there be so many high-level pills here, it feels like eating jelly beans.

not to mention.

Even I don't have this elixir.

Could it be that it was refined by Senior Lu?

If it was put in the past, Ye Qiubai might be reluctant to use it up like this.

After all, this elixir for restoring aura would be looted if left outside.

The grade and quality are extremely high.

However, since the master said to himself.

"Save? Why save? It's not enough to go to my place, and there is another furnace."

Since that day, Ye Qiubai will never save money when using pills...

Chapter 44 It's useless to give you a chance!

At this time, Shi Sheng walked over from the side.

I saw him laugh loudly and said: "Brother Ye, you are hiding something!"

Ye Qiubai glanced at the past and ignored it.

This made Shi Sheng stagnate, but he still said: "Don't worry, Brother Ye, everything here is yours, whether it is this Yin Dragon Blood or Yin Guduo."

This made Xin Hongyi stunned.

Originally, Shi Sheng wanted the blood of Yin dragon to temper his body.

Now, let it go like this?

But it's normal to think about it. After all, Ye Qiubai's strength, I'm afraid even Shi Sheng knows consciously that he can't compete with it.

Simply, just give up the Yin Dragon Blood, and restore Ye Qiubai's favor.

At this time, Liao Meisheng said angrily: "Shi Sheng, we also did our best. If we hadn't discovered this place and used the enchantment to draw the Yinlong out, how could he kill the Yinlong?"

Xin Hongyi on the side heard the words and scolded angrily: "Are you still shameless? It's not Ye Qiubai, you have the ability to kill Yinlong?"

Liao Meisheng flicked out a cold finger, and a finger-strengthening sword shot towards Xin Hongyi!

Xin Hongyi didn't expect that he would shoot directly, and there was no reaction for a while!

I had to watch helplessly as the Daozhi Jinhua sword pierced through!

Once it falls on Xin Hongyi, it is estimated that if she does not die, she will be seriously injured!

At this time, Ye Qiubai stepped out with one step, and also pointed out with one finger!

Stopped the finger-strengthening sword.

"Have you passed?"

Liao Meisheng sneered and said, "She's a barbarian, so if she doesn't have the strength, she will be beaten."

"you!"

Xin Hongyi was about to step forward, but was stopped by Ye Qiubai.

I just heard Ye Qiubai say coldly: "Don't you just want Yin Guduo? I'll give it to you."

Hearing this, everyone present was taken aback.

Xin Hongyi was even more anxious: "Why did you give him Yin Guduo? Even if it's useless and sell it, you can get a lot of resources!"

Ye Qiubai ignored it, but walked to the side of the Yinlong Lake on his own. In the center, there was a piece of soil floating.

Above the soil, there is a bone flower that has not bloomed.

Gu Duo is surrounded by endless Yin Qi!

This is the pubis.

People from the outside world all use it as medicine, to set up formations, or...to refine corpses!

Its value is self-evident.

Ye Qiubai stretched out his hand and took out the pubic bone.

Immediately, under the astonished eyes of everyone, he threw the Yin Guduo to Liao Meisheng.

Liao Meisheng seemed a little unbelievable, and said, "You really gave it to me?"

Ye Qiubai nodded.

Liao Meisheng was about to say something more, but found that Ye Qiubai had already slashed over with a sword!

Liao Meisheng's face changed in shock, and he immediately backed away, narrowly avoiding the vital point, but the hand holding Yin Guduo was also chopped off!

Ye Qiubai walked forward, and took the Yin Guduo back into his hand.

"what are you doing?!"

Ye Qiubai put away Yin Guduo, looked at Liao Meisheng who was full of fright and anger, and said indifferently: "As you can see, there is nothing wrong with killing people for profit, right?"

Liao Meisheng: "..."

Shi Sheng: "..."

Liao Meisheng's face was ashen, and he covered the place where his broken arm was, and said, "Are you really going to do everything right?"

Ye Qiubai did not answer.

In his heart, since Liao Meisheng has a relationship with the Sunset Dynasty, there is no such thing as whether to do it or not.

Ben is the enemy of life and death.

Either you die or I die!

Liao Meisheng saw that Ye Qiubai had no intention of letting go of himself at all, and couldn't help shouting: "You are not allowed to kill people during communication. You violated the regulations by doing this, and you will be punished by the academy at that time!"

"so what."

People live for a lifetime, so why worry about this and fear that.

He is a swordsman. If he thinks too much about things, he will lose the purity of a swordsman.

will lose that spirit.

That's not far away.

Thinking of this, Ye Qiubai ***** violently!

The long sword in his hand suddenly cut out!

Directly resorted to the Demonic Nine Swords!

He didn't intend to give Liao Meisheng any chance to resist!

Seeing the sword coming, Liao Meisheng's face changed in shock.

Under this sword, he has no chance to resist!

If it is hard-wired, it will definitely not be able to catch it. As for running away?

The gas machine has been locked long ago, so how could it escape!

Thinking of this, Liao Meisheng gritted his teeth, took out the scoring stone from his bosom, and threw it at Ye Qiubai!

Suddenly, Liao Meisheng's body disappeared in place and was teleported out!

Leave something blank.

"Ye Qiubai, if you don't avenge this revenge, you will never be a human being!"

Ye Qiubai didn't care about this, put away his sword, and absorbed Liao Meisheng's point stone.

Yinlong's points are 1000, while Liao Meisheng has 400 point stones.

Add Ye Qiubai's original 470.

Points up to 1870!

Xin Hongyi stepped forward and said, "I thought you would really give it to him."

Ye Qiubai shook his head and said: "It's not for him, it's just that I can't grasp it."

Shi Sheng also stepped forward at this moment, and said with a smile: "Brother Ye, do you want to use the Yin Dragon Blood yourself or sell it when you go out?"

Hearing this, Ye Qiubai looked at Shi Sheng, and said: "This thing is useless to me, I don't need it if I sell it."

Ellips, once refined by the master, it is a furnace.

Weapons, with a Dark Demon and Qingyun Sword in his hand.

Gongfa and martial arts, there are the Nine Swords of Heavenly Demon and the Sword Sutra of Absolute Beginning given by the master.

There is nothing missing at all...

Hearing these words, Shi Sheng was overjoyed, and said: "Since that's the case, why don't you sell it to me? I will not only give you a satisfactory price, Brother Ye, but also owe you a favor!"

Many people would rather spend a lot of money to buy something.

After all, the things that can be solved with money are the simplest.

But human feelings are different.

The most difficult debt in the world is the debt of favor.

The disciples of the Eastern Region Academy next to them were also shocked when they heard this.

"Brother Shi actually paid such a price?"

"You know, Senior Brother Shi seldom asks other people on weekdays, in order not to owe favors!"

"It can be seen how important this Yin dragon blood is to him..."

"Ye Qiubai probably will gladly give the Yin Dragon Blood to Senior Brother Shi."

But who would have known that this was just finished.

Ye Qiubai shook his head and said, "I don't need anything. As for your favor? I don't even need it."

After finishing speaking, he walked to Yinlong's corpse, extracted the blood essence, and threw it to Xin Hongyi casually.

Shi Sheng's expression froze, rather ugly.

Immediately snorted coldly, said: "Since that's the case, then Shi will not bother, let's go!"

Leaving this place with the people of the Eastern Region.

Xin Hongyi smiled and said: "Shi Sheng's talent is extremely high, are you wasting it like this?"

Ye Qiubai shrugged his shoulders and said, "What's the use of his favors? They can't beat me."

"Too."

Xin Hongyi looked at the Yin Dragon Blood in his eyes, and said: "This Yin Dragon Blood is extremely precious, and it is extremely important for body training. Are you really giving it to me like this?"

"I don't need it."

After finishing speaking, Ye Qiubai said: "Okay, I will protect the law for you, you absorb it quickly, and then go to earn some points."

For Ye Qiubai, this kind of thing is useless to him, so give it away if you give it away.

What's more, Xin Hongyi is her own.

Chapter 45 The Sunset Dynasty is here!

after one day.

Xin Hongyi successfully broke through to the late stage of Zifu Realm.

At the same time, even the physical body has become much stronger.

This made Xin Hongyi look happy, patted Ye Qiubai on the shoulder, and said with a smile, "I owe you a favor."

Xin Hongyi is a member of the secret tribe in the southern region, and this favor is no less valuable than Shi Sheng.

It's just that Ye Qiubai didn't care, and said, "Okay, time is running out, let's go deeper and get some points."

Xin Hongyi nodded.

...

In the next time.

Ye Qiubai and Xin Hongyi kept hunting monsters.

Points also rose very fast!

During the process, Ye Qiubai also successfully broke through to the late stage of Zifu Realm.

At the same time, with the help of the magic energy contained in the Qingyan Mountain Range, the understanding of the Heavenly Demon Nine Swords is also deeper.

At the end, Ye Qiubai's points reached 4700.

Xin Hongyi's points also reached 2200.

Everyone was teleported out and returned to the Beiyu Tibetan Taoist Academy.

Arrived in the square.

Huo Qingming and Lin Ce walked over.

Huo Qingming asked curiously: "Ye Qiubai, how many points do you have?"

The tone was smug.

Lin Ce rolled his eyes and said, "Huo Qingming accidentally encountered a dying Qihai Realm peak monster, plus others, he has 2100 points. This is to show off."

Huo Qingming chuckled, after all, he is not Ye Qiubai's opponent, and he would be very satisfied if he can beat him in other places.

Xin Hongyi looked at Lin Ce and asked, "What about you?"

Lin Ce spread his hands and said, "1800."

At this time, Huang Yuan and the others also came over. Just as they were about to ask questions, an elder stepped forward and said, "Everyone, please hand in your point stones. There will be a ranking here, and some people will be eliminated."

Hearing this, everyone handed in the scoring stones.

Huangyuan asked: "It should be all right?"

When he said this, Huang Yuan mainly looked at Ye Qiubai.

Ye Qiubai shrugged, but did not speak.

Xin Hongyi nodded.

Huo Qingming said: "It's not a big problem."

Soon, the elders also calculated the ranking.

began to announce the results, with some surprise in his eyes, he said: "Beiyu Tibetan Taoist Academy, one person will be eliminated, and the first place in points will be Jian Chaomian, with 4500 points."

As soon as the result came out, everyone couldn't help but burst out in an uproar.

4500!

You must know that a monster in the middle stage of the Purple Mansion Realm only has 10 points, and it reaches the peak of the Purple Mansion Realm, but only 30 points.

4500 points, how many were killed, or how many higher-level monsters were killed!

With the strength of the sword, it must be possible!

After all, he is the number one sword repairer of the younger generation in the Northern Territory!

"Should no one be able to surpass the score of Jian Chaomian?"

"Surely no one can surpass."

"I heard from my fellow disciples that Brother Jian seems to have killed three mid-Qi Sea-level monsters and one late-Qi Sea-level monster alone!"

"Brother Jian seems to be only in the mid-stage Qi Sea Realm, right? What's more, a monster in the mid-stage Qi Sea Realm can be equivalent to a strong man in the late Qi Sea Realm!"

"As expected of being called the number one swordsman of the younger generation."

Countless people looked at Jian Chaomian with awe!

The wilderness is also dignified.

Zhong Wu said from the side: "He is a strong enemy."

Huang Yuan nodded, "If I face him, I guess I only have a 30% chance of winning."

Next, the elder announced again.

"Eastern Territory, one person is eliminated, and Shi Sheng ranks first in points, with a total of 3900 points."

3900 points!

Although it is not as good as Jian Chaomian's score, it is still a very high score!

The leader of the Eastern Territory also smiled.

This result has also exceeded his expectations.

However, Shi Sheng didn't smile, instead his face was solemn, no one knew what he was thinking.

"Western Region, one person is eliminated, Zhang He ranks first in points, with a total of 3860 points."

There is not much difference from Shi Sheng.

It can be said that it is extremely close.

is also an extremely brilliant result.

Now, everyone's eyes are on the Southern Region.

"Among them, the one with the highest score should be the wasteland, right?"

"Heh, it is estimated that Huangyuan is the only person in the Southern Region who can handle it. After all, he is the apprentice of the Headmaster of the Southern Region."

"However, compared to Jian Chaomian, Shi Sheng and others, it is probably a little worse."

The voice fell.

The voice of the elder announcing the result also came over.

"Southern Region, two people eliminated, first in points...Ye Qiubai, 4700 points!"

Suddenly, Huang Yuan and the others looked at Ye Qiubai with disbelief.

Someone also asked: "Who is this Ye Qiubai?"

Jian Chaomian also reacted, turned his head and looked at Ye Qiubai, his eyes showed fighting intent!

Shi Sheng looked complicated.

Zhang He still had a smile on his face, not knowing what he was thinking.

"4700 points? 200 points higher than Jian Chaomian?"

"How did he do it? This person doesn't look like a purple mansion, how could he reach 4700 points?"

"Could it be a mistake?"

In the eyes of everyone, it is impossible for Ye Qiubai to reach this score.

But Ye Qiubai didn't care too much.

What does other people's opinions and opinions have to do with him?

Huangyuan looked at Ye Qiubai with a complicated expression, and said, "Good job."

Huo Qingming also smiled wryly: "I thought I could surpass you this time, but I didn't expect you to surpass me by so much."

Lin Ce also said helplessly: "This guy is a guy who cannot be judged by common sense."

Huo Qingming was happy, "That's right, but I didn't expect that the two of us would be eliminated just like that..."

That's right, the two eliminated from Southern Region are Huo Qingming and Lin Ce.

On the other hand, the elder Wutang also came over, patted Ye Qiubai, and said with a smile: "Good boy, you have done a good job, this time you have won honor for our Southern Region Tibetan Taoist Academy."

Elder Confucianism also smiled and said: "The next competition will continue, and our goal this time must be in the top two."

Ye Qiubai nodded.

In front, the elder of the Northern Territory Tibetan Taoist Academy said: "Okay, let's move on to the next game, the Four Territory Tibetan Taoist Academy, the players can be assigned by themselves to exchange martial arts,

In the end, whichever side has more winners left wins. "

Waved his hand, and a box appeared in front of the elder.

The elder randomly draws two lots.

"In the first game, the Eastern Region is facing the Southern Region. The two sides can discuss how to send people to fight."

The voice fell.

Wood Shi, the dean of the Beiyu Tibetan Taoist Academy, came to the sky and waved his palm.

Suddenly, in the very center of the square, a competition platform rose from the ground!

In front of the competition stage, there are ten seats!

Wood sat down with the other deans of the three domains.

After a while, several figures in the sky came stepping forward!

sits on other seats!

But this time, Wood did not sit in the first place, the first place was still vacant, and there was also an vacant seat next to the first place!

This made everyone puzzled.

Who is it, whose status is higher than that of Wood?

Suddenly, in the sky, there are two roars of dragons!

A huge ship appeared in the sight of everyone, and in front of the ship, there were two golden armored dragons pulling the ship forward!

is the ship of the Sunset Dynasty!

Chapter 46 is already a stranger...

Sunset Dynasty!

His position in the Northern Territory can be described as the hegemonic level.

Even Tibetan Taoist Academy is not as good.

Of course, this is also the result of Tibetan Taoist Academy's unwillingness to fight.

After all, the headquarters of the Tibetan Taoist Academy is a giant.

Everyone looked up and looked at the ship pulled by the two golden-armored dragons, and couldn't help but marvel.

"The big man from the Sunset Dynasty is here?"

"But I don't know who was able to get the dean to give up his seat, and he still gave up two seats."

No one would think that the head of the Sunset Dynasty would come in person.

After all, it is just an exchange between colleges, and for the Lord of the Sunset, this is not a big deal.

in other words.

A competition of this scale is not worthy of the Lord Sunset coming in person.

"Then who is here?"

Ye Qiubai also looked up, his eyes slightly focused.

Jiaolong pulls the boat, which shows its profound heritage.

However, why do you feel that these two dragons are not as good as the little bird raised by Master?

At this time, the ship slowly stayed in the sky above.

At the rear of the ship, there are countless figures in heavy armor, holding spears, and riding war horses standing around!

Everyone has the cultivation base of Zifu Realm.

Just standing there, these figures were swept away by a murderous intent!

Like **** Shura!

The leader of the team is the general!

Someone exclaimed, "It's Shura cavalry!"

Shura Iron Cavalry, the strongest army in the Sunset Dynasty!

"Who the hell?"

Soon, under the curious and awe-inspiring eyes of everyone, two figures slowly descended from the ship.

The man is dressed in a luxurious brocade robe, which looks extremely dignified.

Women dressed in plain snow silk skirts look elegant and noble.

When everyone saw the two, they couldn't help exclaiming: "It's the eldest prince!"

"Why did His Royal Highness come here in person?"

"You know, the First Prince is the next ruler of the Sunset Dynasty!"

"The one next to him should be the future queen. I've heard that she looks like a fish and a wild goose, but seeing her now, it's as expected."

Everyone in the southern region looked at Ye Qiubai at this time.

After all, they too had heard of something.

I saw that now Ye Qiubai looked at the man and woman above, with no yearning or nostalgia in his eyes.

Some are just indifferent.

Cold to the extreme.

And those who are familiar with Ye Qiubai know that Ye Qiubai has already moved to kill at this moment!

That's right, the woman above is Jiang Chan.

What Ye Qiubai said.

Today's Jiang Chan is no longer the childhood sweetheart who always followed behind him and shouted "Brother Qiubai" in everything he did.

Now, Jiang Chan is just a passerby for him.

Jiang Chan, who was in mid-air, seemed to feel it, and also looked at Ye Qiubai.

There was surprise in his eyes, but when he saw the calmness and indifference in Ye Qiubai's eyes, he felt sad again.

Huang Tianming seemed to sense Jiang Chan's emotions, and held her hand.

Naturally, he had already discovered Ye Qiubai's location.

Below, Xin Hongyi looked at Ye Qiubai, and comforted her, "Ye Qiubai, with your current talent and strength, she will regret her choice at that time."

Hearing this, Ye Qiubai shrugged with a smile.

He doesn't care about it now.

He is now.

It's just a life-and-death enmity with the Sunset Dynasty.

That's all.

At that time, Ye Qiubai said it.

In the future, hold the sword and set foot on the sunset dynasty!

Seeing this, Huo Qingming and Lin Ce couldn't help but breathe a sigh of relief.

There are only three players on their side, once Ye Qiubai loses energy, it will really be over.

At this time, Huang Tianming led Jiang Chan to the seat, clasped his fists at Wood and said, "I've seen the dean."

Wood is a senior after all, and he is also a high-ranking figure in the Four Regions Martial Arts List, and he is also the dean of the Tibetan Taoist Academy that has the support of countless forces.

Huang Tianming naturally had to behave like a junior.

Wood nodded with a smile, and said, "Tianming, sit down."

Hearing this, Huang Tianming sat down with Jiang Chan.

After everyone arrived, the elder received Wood's instruction, and said loudly: "Now, the second round of communication begins, and both sides send one person to fight!"

This match is a contest between the Southern Territory and the Eastern Territory.

On the side of the Eastern Region, a not-so-famous person stood up.

However, its revealed strength has also reached the late stage of Zifu Realm.

Huang Yuan looked at Xin Hongyi and Ye Qiubai, and said, "Ye Qiubai, take a rest for now, let Xin Hongyi go."

Obviously, Huang Yuan was concerned about whether Ye Qiubai's emotions would be affected.

Ye Qiubai didn't care about this.

There is no rebuttal either.

Seeing this, Xin Hongyi took the stage with a sword.

Seeing this, the man on the other side sneered and said: "It really is the land of the Southern Barbarians, and there are only three people left in the second round."

Looking back at the Eastern Region, there are still four people left.

"Why don't you just surrender? Anyway, every exchange between the Four Domains Academy is the bottom of the ranking, so it's not a shame."

Xin Hongyi held a sword in one hand, looked at the man coldly, and said, "There's so much nonsense."

As soon as the voice fell, the sword was entwined with flames!

The other party also snorted coldly, took out a double-sided axe, and immediately rushed towards Xin Hongyi.

Xin Hongyi was not afraid at all, and also went forward to meet her!

On the side of the Eastern Region, someone looked at Shi Sheng and said, "Senior Brother Shi, we are lucky. In the first round, we met the last one in the Southern Region."

"Hehe, there are only three people left in this group of southern barbarians. I guess we can just use three people at will?"

Shi Sheng listened, but he didn't relax in the slightest. Instead, his eyes were filled with seriousness, and he said: "You guys must not be careless when you go up to the meeting. This time, the Southern Territory may not be so easy to swallow..."

Speaking of this, Shi Sheng remembered the scene where Ye Qiubai killed Yinlong alone.

Secretly said: "I'm afraid, this time the Southern Region will surprise everyone..."

On the other side, Huo Qingming asked from below: "Do you think Xin Hongyi can win?"

Lin Ce shook his head and said: "The two are in the same realm, and there should be no winner for a while."

The wasteland thinks so too.

At this moment, Zhong Wu looked at Ye Qiubai and asked, "Brother Ye, what do you think?"

Ye Qiubai shook his head and proposed a different idea.

"Xin Hongyi is sure to win."

Huo Qingming said in amazement: "Both of them are in the same realm, and their strength seems to be about the same. How could they possibly win?"

Huang Yuan was also quite puzzled, looked at Ye Qiubai, and waited for his explanation.

Ye Qiubai didn't say anything more.

If it is said that Xin Hongyi broke through to the late stage of the Purple Mansion Realm normally, then it is hard to say.

However, Xin Hongyi used Yin Dragon Blood to quench her body before.

The strength is naturally much stronger than that of the general Purple Mansion Realm late stage.
soon.

The scene in front of him confirmed Ye Qiubai's statement.

Within just 20 moves, the winner was decided!

Xin Hongyi defeated the opponent with overwhelming momentum!

Huo Qingming couldn't help but asked in surprise: "Is Xin Hongyi so strong?"

Huang Yuan glanced at Ye Qiubai, his eyes were deep...

Chapter 47 Dangerous!

This scene at the moment.

It surprised everyone!

Southern Region, known as the Land of the Southern Barbarians by the other three regions.

The inheritance of martial arts is backward, resources are scarce, and aura is even more lacking.

Therefore, there are very few strong people who can come out of the southern region.

In the four-field academy exchanges every ten years, Nanyu has been in the last place every time these few times!

This also led to the other three domains looking down on people from the southern domain.

Now, Xin Hongyi defeated the opponent with a crushing posture.

And still under the same realm.

It can be described as surprising.

The people of the Eastern Territory also looked incredible.

"This... Junior Brother Li was crushed by a barbarian?"

"Although Junior Brother Li's strength is not top-notch, he won't be crushed, right?"

Shi Sheng was not surprised at all.

He knew that Ye Qiubai gave the Yin dragon blood to the woman on the stage without hesitation.

Yin dragon blood is a good thing for quenching the body, it is extremely precious!

If it is obtained by him, the body training technique will break through again.

Shi Sheng is even sure to fight Jian Chaomian!

At this time, the elder announced the result, "In this battle, Xin Hongyi from the Southern Region will win! If the Eastern Region sends people up again, Xin Hongyi can choose to go on or continue."

Hearing this, Xin Hongyi hesitated for a moment, then remembered Ye Qiubai's figure of Zhan Yinlong, nodded and said, "I want to continue."

Firm tone!

The elder saw this, nodded and said: "Xin Hongyi from the Southern Region continues to fight."

After finishing speaking, he withdrew from the competition stage.

On the other side, the Eastern Territory also sent people up again.

"I know that person!"

"Well, in Dongyu Academy, he belongs to the second only to Shi Sheng."

"It seems to be called Zheng Huai, who looks like the peak of Zifu."

Zheng Huai looked at Xin Hongyi and said with a relaxed smile, "I allow you to recover first, I don't want to be said to be bullying the small."

Xin Hongyi said coldly, "No need."

After finishing speaking, he raised his sword and rushed towards Zheng Huai!

Seeing this, Zheng Huai didn't say much, he went up to Xin Hongyi and slapped her out!

Suddenly, the palm prints covered the entire competition stage!

Xin Hongyi was overwhelmed and was injured soon.

After all, he is a person at the peak of the Zifu Realm, and the other party is not an ordinary person, but also the arrogance of the academy.

If he hadn't absorbed the blood of the Yin Dragon, he would have been defeated long ago!

Xin Hongyi bit her lip, then bit her finger, blood flew out of it!

This is the secret art of the secret race!

Sacrifice the sword with blood!

Back then, he used this trick when fighting Ye Qiubai.

Now, the strength is stronger, and the power of the blood sacrificial sword is even more terrifying!

"oh?"

Zheng Huai's face was slightly solemn, he felt the danger from this sword.

Immediately, Xin Hongyi slashed at Zheng Huai with a sword!

Zheng Huai's face was serious, and he slapped it out with a palm!

With this palm, he showed no mercy!

Just moments!

The sword energy shattered, and the palm prints dissipated!

Xin Hongyi flew upside down!

Zheng Huai also took a few steps back, with blood spilling from the corner of his mouth, apparently also slightly injured.

The elder came to the stage and said: "This battle, Zheng Huai of the Eastern Region will win."

Huo Qingming and others stepped forward and asked, "How is the injury?"

Xin Hongyi shook her head and said, "It's okay."

Huang principle frowned and said: "If you know you can't fight, you should back down. If you do this, even if we enter the next round, we won't be able to fight!"

Xin Hongyi bit her lip.

Lin Ce frowned and said, "Hey, your words are too harsh, right?"

Huang Yuan gave him a sideways glance, and said, "I'm just thinking about the academy!"

Ye Qiubai handed Xin Hongyi a pill, and then said, "I'll do it next time."

But he didn't think about it, Huang Yuan shook his head and said: "I'm going, your current state is not suitable for fighting, not to mention, you are only in the late stage of the purple mansion."

Ye Qiubai shrugged when he heard the words, but didn't say anything.

The opponent, Zheng Huai, was still standing on the stage.

Wasteland came up.

"Oh? Did the person who led the team come up in person?" Zheng Huai said with a smile: "Don't lose to me again, or there will be no one in your Tibetan Taoist Academy..."

As soon as the words fell, Zheng Huai's expression froze.

The breath of the wasteland exploded!

The breath of the early stage of Qi Sea Realm is undoubtedly revealed!

Obviously, Huang Yuan's strength is at the same level as Shi Sheng's!

Huangyuan looked at Zheng Huai coldly, then stepped slightly and disappeared in place.

In the blink of an eye, he appeared in front of Zheng Huai. Before he could react, his palm was already on Zheng Huai's chest.

Poof!

In an instant, Zheng Huai's chest seemed to collapse!

Blood spurted out wildly, flew out backwards, and landed heavily under the competition arena!

One blow seriously injured Zheng Huai!

Shi Sheng looked at the wasteland coldly, and said, "Is it necessary to hit such a heavy hand?"

Huang Yuan retorted: "Then why did he hold back when he knocked down Xin Hongyi?"

Although Huang Yuan spoke harshly, it was also out of impatience.

After all, if the current Nanyu Tibetan Taoism Academy is ranked last again, his master will lose his status as the dean!

Shi Sheng let out a cold snort, and walked onto the competition stage himself.

"Have the leaders of the two sides started a duel?"

"The realm of the two is equal, and I don't know who is better."

"Is there any need to think about it? Of course it is Shi Sheng. Shi Sheng is born with supernatural power and physique. How can that Southern barbarian resist it?"

"Then there seems to be only one person left on the southern side, and that is Ye Qiubai who ranks first in points?"

"I don't know his real strength."

At this moment, on the competition stage, Huang Yuan and Shi Sheng broke out in power.

The breaths of the Qi Sea Realm keep colliding!

Immediately, Huang Yuan snorted coldly and slapped out with a palm!

A palm print with a little bit of green light slapped towards Shi Sheng!

And Shi Sheng was also happy and unafraid, his footsteps stomped on the ground so hard that the martial arts stage seemed to shake a lot!

Raised his fist and threw it at the green palm print!

Suddenly, where the fist passed, there were sonic booms!

The space seems to be squeezed!

Boom!

There was a loud noise!

The fist slammed on the palm print.

A huge wave of aftermath swept towards the surroundings!

The palm print is broken!

Shi Sheng also retreated a few steps one after another!

For a while, neither side could do anything to the other!

On the high platform.

Wood said with a smile: "Dean Qin, you are a good disciple. It seems that this time Nanyu may have a chance to make a breakthrough."

Qin Tiannan took a sip of tea, his expression didn't change, and he said flatly, "Thank you."

The dean of the Eastern Region Academy smiled and said: "However, Dean Qin, this is the only person in your Southern Region Academy, and I'm afraid you can only go so far."

"Yeah?"

Qin Tiannan chuckled.

How did they know that Qin Tiannan's trump card was not his disciple Huang Yuan.

It is impossible to go up by relying on the wasteland alone.

He is optimistic about... Ye Qiubai.

On the other side, Jiang Chan looked at the stage, but his eyes drifted vaguely to the place where the students of the Southern Region Academy were.

"Why, you still miss him?"

Besides, Huang Tianming smiled and said: "Then why don't you go find him?"

Although he said these words with a smile, his tone was full of coldness!

And, do you think I'll let him leave the North Territory alive?

Of course, Huang Tianming didn't say this.

Chapter 48 Crushed!

On the competition stage.

The aftermath of the air wave continues to spread towards the surroundings!

The roaring sound continued on the stage!

The aura is extremely violent!

The battle between Shisheng and the wilderness continues.

The realm of the two is equal.

Shi Sheng possesses natural supernatural power.

The wasteland's palm technique is also extremely ingenious.

Neither of them can do anything to each other!

For a while, there was no winner.

At this moment, Shi Sheng stomped on the ground with his feet, and roared like a beast!

Sound waves burst!

The muscles on his body swelled wildly at this moment, and his entire body doubled in size!

At this moment, Shi Sheng felt a sense of space being squeezed all over his body!

Just the power of the physical body can affect the surrounding environment!

It can be seen how powerful Shi Sheng's physical strength is.

Seeing this, Huang Yuan's eyes froze.

Turning his hands over, those green glows covered his hands like armor!

In the green light, there seems to be the artistic conception of wood!

That's right, the wilderness has already touched the threshold of the artistic conception of wood!

It is precisely because of this that the palm prints of the wasteland are continuous, and the aura is endless!

Seeing this, Shi Sheng grinned and said, "One blow will determine the outcome?"

Huang Yuan didn't speak, but the seriousness in his eyes and the aura that quickly condensed in his palms all represented Huang Yuan's thoughts!

The power gathered at this moment, Shi Sheng stepped on suddenly, and shot towards the wilderness!

Huangyuan let out a cold snort, and clapped his palms out!

The palm prints of green wood swept towards Shi Sheng like a sea of water!

Boom!

Shi Sheng's fists kept hitting those palm prints!

The palm prints kept breaking, and Shi Sheng's body kept getting in!

However, Shi Sheng's power is also dissipating rapidly!

Obviously, both sides are constantly consuming aura!

Whoever exhausts his aura first will fail!

Everyone stared closely at the two people on the stage.

It is estimated that only Jian Chaomian and others can participate in this kind of battle!

A long while.

The violent aura on the stage gradually dissipated.

The figures of the two backed away at the same time.

If you look carefully, you can find it.

The faces of both of them are slightly pale now!

Obviously, such a high-intensity fight consumes a lot of aura for the two of them!

"So who wins?"

When this question was asked.

Huang Yuan said: "Is this the end?"

Shi Sheng nodded in agreement and said, "Then it's a tie?"

"A draw."

Seeing this, the elders on the side also came to the stage to announce the result: "The wilderness of the southern region, the battle against Shisheng of the eastern region, a tie!"

Everyone was in an uproar!

This result obviously exceeded their expectations.

Southern Region is too backward after all.

According to the usual situation, in the battle between the leaders of the two sides, the Southern Region will be crushed every time.

But now it's a tie!

The elder came to the stage and said: "Now, there is only one person left from each party, let's go to the stage."

In the Eastern Region, there is only one man left at the peak of the Zifu Realm.

In the southern region, only Ye Qiubai was left.

Under the eyes of everyone, the two stepped onto the competition stage.

Immediately, whispers sounded.

"Finally it's Ye Qiubai's turn. I really want to see how Ye Qiubai managed to score higher points than Senior Brother Jian with his late stage Zifu Realm strength."

"The gap in realm is difficult to make up for with other things, not to mention, both sides are the arrogance of the academy."

"Whether it's a donkey or a horse, you'll know when you finish hunting."

On stage.

The man in the Eastern Region held his sword and said, "It's not bad that you in the Southern Region have made it this far, you can stop now."

Ye Qiubai did not answer.

After all, it is useless to say so much, it is better to prove it with strength.

Seeing this, the man from the Eastern Region frowned slightly, followed the elder's "start" and swung his sword towards Ye Qiubai!

The man's swordsmanship was extremely exquisite, and the sword energy blocked all Ye Qiubai's escape routes, making Ye Qiubai have to face the enemy head-on.

However, Ye Qiubai didn't intend to retreat, the wooden sword slipped into his hand, facing the sword energy, and kept cutting!

"Wooden sword?"

"It's too much, isn't it? The other party is at the peak of the Purple Mansion."

"Pretentious, that wooden sword will soon be crushed!"

The facts are not as these people say.

The wooden sword, like the strongest sword in the world, was not damaged in the slightest by the sword energy, not even sawdust!

On the other hand, the sword qi kept breaking under the wooden sword!

This surprised the Eastern Region man, although he didn't use his full strength.

But it's not something a person in the late stage of Zifu Realm can resist so easily.

Just about to swing the sword again.

But Ye Qiubai had disappeared in place.

The man's face was shocked!

Under the horrified eyes of everyone, Ye Qiubai appeared in front of the man in the blink of an eye, and the wooden sword had already landed on his neck!

No fancy sword skills!

There is no such overwhelming sword energy!

This is pure strength suppression!

Whether it is the speed or the timing of the shot, the Eastern Region man has no power to parry!

The man in the Eastern Region had an ugly face.

How could he be dealt with so simply and neatly by a barbarian from the Southern Region?

And the opponent's realm is lower than him!

Looking at Ye Qiubai's ancient and calm eyes, there was no surprise, nor any pleasure.

As if all this is taken for granted.

This made the Eastern Region men look even more decadent.

It turns out that people who I look down on are not regarded by the other party!

The elder came to the stage and announced: "Southern Region Ye Qiubai, win!"

"For this exchange, there are only two people left in the southern region, namely Huangyuan and Ye Qiubai.

There is only one person left in the Eastern Region, Shi Sheng.

To sum up, the Southern Region advanced. "

Shi Sheng's face was slightly ugly.

Everyone finds it incredible.

Not only will they lose to the Eastern Region.

What was even more surprising was Ye Qiubai's strength!

A person at the peak of the Purple Mansion Realm is crushed by Ye Qiubai who is at the late stage of the Purple Mansion Realm.

Didn't even test out the hole cards!

This shows what?

It shows that Ye Qiubai's strength is far more than that!

People from the Western Regions looked at this scene, some were calm, and some were slightly surprised.

"This year, the strength of the South Region seems to be stronger than the previous ones."

"And it's still a lot stronger. Although the Eastern Region is third, its overall strength may not be much weaker than ours."

"Actually, it's also blamed on Dongyu for underestimating the enemy."

On the side of the northern region, someone said in surprise: "This time the southern region seems to be different."

Jian Chaomian looked at Ye Qiubai on the stage indifferently, thoughtfully.

On the stage, Qin Tiannan showed a smile.

As for the dean of Dongyu Academy, there was no expression on his face.

reached their level and status.

I no longer express what I think in my heart on my face.

"Congratulations to Dean Qin."

Dean Qin cupped his fists and said, "It's just a fluke."

Wood also laughed and said: "It seems that the Southern Territory has received a lot of good seedlings this time. As far as your apprentice Huang Yuan is concerned, he has already touched the threshold of the artistic conception of wood, which is quite good."

talked about the wilderness, but never mentioned Ye Qiubai!

Obviously, Ye Qiubai's performance was not amazing enough!

Can't get into the eyes of these people.

Qin Tiannan smiled and didn't speak.

First place, Jiang Chan watched this scene, slightly relieved.

Chapter 49 I want to fight!

Southern Region advances.

Next, there will be a competition between the Northern Region and the Western Region.

In the last session.

Western Region Academy ranked second.

Beiyu Academy ranked first.

Although there is only one difference, the gap in strength is still quite large.

On the high platform.

Huang Tianming said with a smile: "This year I have the sword court crown in the Northern Territory, I am afraid I can win the championship again?"

Everyone was not surprised to see that Huang Tianming was leaning towards the northern region.

After all, the Sunset Dynasty is located in the Northern Territory.

Wood said with a smile: "Chaomian has already touched the threshold of sword intent, but others are not weak, for example, the disciple of Dean Qin has touched the threshold of the artistic conception of wood,

Zhang He's Buddhist Vajra Body has also been cultivated to a very high level.

So, everything is still variable. "

It sounds very humble, but in fact, I still think Jian Chaomian is better.

Hearing this, Huang Tianming looked down and said with a smile: "Then I am looking forward to the performance of the Southern Region Sword Cultivator."

Southern Region Sword Cultivator?

Isn't that Ye Qiubai?

Qin Tiannan looked over and frowned slightly.

As the dean of the Nanyu Tibetan Taoist Academy, he naturally understands some things about Ye Qiubai.

Now listen to what Huang Tianming said.

I'm afraid, the purpose of his coming this time is for Ye Qiubai!

This gave Qin Tiannan a bad premonition.

"To be able to crush people of a higher realm than him with the strength of the middle stage of the Zifu realm, the talent must be good, and I don't know how it will be compared with Jian Chaomian."

"Let's take a look at the competition with the Western Regions first."

the other side.

On the competition stage.

The battle between the Northern Territory and the Western Territory has begun.

There are four people on both sides.

The strength of the three of them is not very different.

After Zhang He played and eliminated one person, there was only one person left in both the Western Region and the Northern Region.

is also the leader of both parties.

The battle between Jian Chaomian and Zhang He!

The realm of the two is the same.

are all in the early stage of Qihai state.

Zhang He has cultivated the Buddhist Vajra Body, making him physically invincible!

And Jian Chaomian has reached the threshold of sword intent, invincible!

This battle is also extremely exciting!

However, Jian Chaomian is more favored by people.

After all, Jian Chaomian's name is extremely famous not only in the Northern Region, but also in the other three regions!

The younger generation, the number one swordsman!

Is expected to become a Juggernaut!

All kinds of halos make Jian Chaomian's reputation extremely prominent!

Ye Qiubai also looked up curiously.

He also wanted to know, among his peers, how strong was this so-called No. 1 swordsman.

The elder stepped back, and the competition began.

Zhang He clenched his fists with both hands, his whole body seemed to be surrounded by the Buddha light, his footsteps shook, and he rushed towards the sword and crown!

Jian Chaomian held the sword in one hand and held it in the other hand. He watched Zhang He bullying him, but did not move.

Wait until Zhang He gets close.

Only one sword stabbed out!

This sword is extremely ordinary, without any gaudy sword light.

There are only meanings covered on the sword body!

The slightest traces of sword intent!

But it was this sword intent that made everyone present frowned.

Extremely sharp!

Even Zhang He's face changed drastically.

Immediately shouted loudly, and the Buddha's light flourished all over his body!

There is a golden light covering itself, like a golden armor!

Buddhist Diamond Body!

The body training technique of Buddhism in the Western Regions!

Cultivated to the highest level can be invincible!

It's just that there is no indestructible law in this world?

Facing the sword intent of Jian Chaomian.

Zhang He's fists were directly poked out of blood holes!

The Buddhist vajra body was so vulnerable in front of Jian Chaomian's sword!

This surprised everyone!

Zhang He's complexion changed in shock, and he backed away clutching his fist.

Jian Chaomian's expression remained unchanged.

"The realm is equal, but can't let the sword move toward the crown?"

"Just one sword, broke Zhang He's Buddhist Vajra Body."

"This has just touched the threshold. If Jian Chaomian can truly comprehend the sword intent, what level of strength should he reach?"

Huang Yuan looked at this scene with a dignified expression.

Ask yourself, although he has touched the threshold of the artistic conception of wood, the level of artistic conception of wood is far lower than the artistic conception of sword.

If it is done by yourself, I am afraid it will not be much better than Zhang He!

Moreover, Zhang He's exercises should also be extremely restrained against the wilderness.

Calculated in this way, I am afraid that Nanyu can only get the third place.

Third, it is still not enough to change the fact that Qin Tiannan will be replaced!

This made Huang Yuan's face extremely ugly!

Xin Hongyi walked up to Ye Qiubai, her face still pale, and asked aloud, "Ye Qiubai, if you fight with this sword, who will win?"

Ye Qiubai said lightly: "I will win."

Jianxiu, straight to the point, speaks the same way.

Will not lie, will not beat around the bush.

Be what you are!

It was like Ye Qiubai felt that Jian Chaomian was not his opponent.

At this time, the battle on the martial arts arena was also decided.

Several blood holes have appeared on Zhang Hena's body, which is like wearing golden armor!

Breath is extremely sluggish!

And the sword faces the crown, still standing in place!

His face remained unchanged.

Who wins and who loses can be seen at a glance.

The elder stepped onto the stage at this moment, looked at Jian Chaomian appreciatively, and then said, "Jian Chaomian wins this battle!"

"At the same time, there is only one person left in the Northern Territory, and the Northern Territory will advance."

The promotion of the Northern Territory.

It was not as unexpected as Nanyu's advancement.

It seems to be expected, and it should be normal.

But of course, the Northern Territory has maintained the host position for the past few sessions.

It is strange not to take the first place.

Jang Hyuk stepped down.

However, Jian Chaomian did not go down, but still stood there.

Everyone was puzzled.

Even Wood looked over.

Just when everyone is in doubt.

Jian Chaomian looked in the direction of the Nanyu Academy team.

His eyes fell on Ye Qiubai.

The language is amazing!

"There's nothing interesting in the future, just the two of us will decide the outcome."

Everyone was shocked!

"who?"

"With the people in the Southern Region Academy, directly decide the outcome?"

"Could it be the wasteland? But the strength of the wasteland is almost the same as that of Zhang He, how could it be possible for Brother Jian to raise his fighting spirit?"

However, Huangyuan didn't think so, because Jian Chaomian's eyes obviously didn't fall on him.

Instead, he looked at Ye Qiubai behind him!

In Jian Chaomian's eyes, Huangyuan didn't see him!

This surprised Huang Yuan, why would Jian Chaomian want to challenge Ye Qiubai who has such a huge gap in realm?

On the high platform, the four principals watched this scene with great interest and did not stop it.

Ye Qiubai met Jian Chaomian's gaze, smiled lightly and said, "Is this in compliance?"

Jian Chaomian was expressionless, "Why is it against the rules? No one else is my opponent, only you, I can't see through."

Arrogance!

Extremely arrogant!

However, no one refuted Jian Chaomian!

Judging from Jian Chaomian's calm defeat of Zhang He just now, what he said was true.

It's just that everyone wondered why Jian Chaomian said he couldn't see through Ye Qiubai?

The other party is obviously only in the late stage of Zifu Realm.

There is a big difference between Jian Chaomian and Jian Chaomian!

Leaf autumn white.

How is he worthy?

Chapter 50 Sword Intent, Killing Heart!

The sword faces the crown.

Practiced sword at the age of three.

Six-year-old can release sword light.

Twelve years old possesses sword energy!

Now, I have touched the threshold of kendo.

A Supreme Elder of the Tibetan Taoist Academy in the Northern Territory, who is also a sword cultivator.

It is also the strongest swordsman in the Northern Territory today.

He once said that when the opportunity comes, Jian Chaomian can be called the Sword Master!

And what does Ye Qiubai have?

The name is unknown.

The realm is only in the late Zifu realm.

Although the actual strength can leapfrog battles, Jian Chaomian is a strong man in the Qi Sea Realm.

What's more, Jian Chaomian can also fight at higher levels.

And it's rolling over steps.

Under the suppression of layers of halos, how likely is Ye Qiubai to win?

Leaving a person with layers of aura regardless.

Instead of thinking that a little-known person with such a big gap in realm can win?

Nobody thinks that way.

At the same time, the deans on the high platform thought the same way.

Except Qin Tiannan!

Huang Tianming looked at this scene, let out a hush, and said with a smile, "What does Jian Chaomian mean?"

Wood also shook his head and said: "This kid Chaomian is dedicated to the sword, and sometimes I can't figure out his thoughts."

"Could it be that Jian Chaomian thinks Ye Qiubai is his opponent?"

Qin Tiannan smiled lightly at this time: "Why can't it be like this?"

"Oh?" Wood smiled slightly, and said, "It seems that Dean Qin is very optimistic about your disciple, it seems to be more than your own disciple?"

Hearing this, Qin Tiannan just smiled and didn't speak any more.

At this time, Jian Chaomian looked up at the high platform, and said loudly: "Masters, do you agree to Chaomian's request? If not, I can defeat the leaders of the other two domains first."

There is a naturalness in the tone!

It seems that this is a very easy and common thing!

Huang Yuan and Shi Sheng had ugly faces when they heard this, but they couldn't refute.

Because Jian Chaomian does have this strength!

After a long while, Wood stood up and said, "Allowed."

At this moment, everyone looked at Ye Qiubai on the competition stage.

Huang Yuan looked at Ye Qiubai with a complicated expression and puzzled expression.

Qin Tiannan looked at Ye Qiubai with expectation.

Huang Tianming also stared at Ye Qiubai, wondering what he was thinking.

Beside Huang Tianming, Jiang Chan rubbed his hands tightly.

Jian Chaomian also looked at Ye Qiubai, and said, "Come up."

Hearing this, Ye Qiubai raised his eyebrows, clasped his sword in both hands, and said, "Why do you want to fight me?"

Jian Chaomian replied: "I can feel that you have an aura similar to mine..."

"That's it?"

"Isn't that enough?"

Jianxiu's sense is very accurate, whether it is for crisis, opportunity, or breath.

Ye Qiubai nodded and said, "That's as you wish."

The competition stage is not high.

There are nine steps.

Ye Qiubai stepped forward, stepping on the first step.

The sword energy suddenly exploded wantonly!

The entire space is filled with sharp sword energy!

This sword energy changed everyone's face!

It seems to be able to cut everything!

Hu Yuan, Shi Sheng and Zhang He all changed their expressions.

Because they felt a threat from this sword energy!

Could this be Ye Qiubai's true strength?

At this time, Ye Qiubai took the second step.

Step up to the second level!

At this moment, a monstrous demonic energy emerged from the sky!

Blending with the wanton sword energy between heaven and earth!

The hearts and minds of all the people present have been affected to a certain extent. People with low cultivation bases want to kneel down and surrender!

And people with high cultivation bases are actually trembling!

The same goes for Wasteland and others!

Jian Chaomian on the stage saw this scene with a look of interest in his eyes.

A sword energy also swept out, as if it was resisting Ye Qiubai's extremely corrosive black sword energy!

On the high platform, Huang Tianming also leaned forward slightly. Looking at this scene, he couldn't help but wonder: "Is there really an adventure?"

Xin Hongyi looked at Ye Qiubai's back, slightly lost in thought.

This aura has far surpassed her.

Sure enough, is it hard to catch up...

Every step up.

Ye Qiubai's sword energy will become stronger!

The breath on the body will continue to rise!

Everyone's horrifying discovery.

Now Ye Qiubai's aura is no longer comparable to that of an ordinary person in the late stage of Zifu Realm!

The breath was so close to the sea of Qi!

At this time, on the high platform, Wood Shi also smiled in surprise: "Oh? Dean Qin, this student of yours is still hiding quite deeply."

The dean of Dongyu Academy also smiled, saying: "No wonder you can defeat Zhou Xing with a single sword."

Zhou Xing was the person at the peak of the Zifu Realm who was crushed by Ye Qiubai.

Qin Tiannan said with a light smile: "I don't know about the students themselves."

Old fox!

The deans of the other three academies couldn't help cursing inwardly!

In the first place, Jiang Chan clasped his hands together and put them between his knees, watching this scene with surprise in his eyes.

He really recovered his talent.

And stronger than before!

Huang Tianming frowned.

He had heard about the disappearance of Ye Qiubai's talent.

Nowadays, talent is not only recovered, but also the progress of cultivation is so fast.

I'm afraid, I have to let Yingsha speed up the action.

But, the next moment.

When Ye Qiubai stepped out of the ninth step and came to the competition stage.

A sword cry soared into the sky!

In this space, except for the monstrous sword intent and wanton magic energy!

Another thing is criss-crossing the competition arena!

Everyone was stunned when they saw this scene!

Huang Yuan, Shi Sheng, and Zhang He all changed their expressions in shock!

On the high platform, the dean of Siyu has a dignified face!

Qin Tiannan was even more surprised!

On the martial arts arena, Jian Chaomian was stunned for a moment, then his face showed ecstasy, laughed three times, and took out the long sword, and the sword intent covered it!

"Sure enough, my feeling is not wrong!"

If we say that the scene just now only made Huang Tianming murderous.

Now, Ye Qiubai's strength has made Huang Tianming stand up suddenly!

The killing intent in the eyes is overflowing!

How can this be? !

How could it be sword intent!

That's right, Ye Qiubai released his sword intent without reservation!

It is different from Jian Chaomian's sword intent just touching the threshold.

Ye Qiubai's sword intent has reached the level of a great sword master!

Ye Qiubai, how long have you only practiced swords!

Can comprehend the sword intent to this level?

What kind of talent is this?

If this person is not killed immediately, Huang Tianming will feel uneasy!

Immediately, Huang Tianming said to the general behind him: "The match is over, immediately dispatch the Shura cavalry to kill Ye Qiubai!

Also, immediately send a voice transmission to the palace to enshrine, and to Eunuch Ming, let him come in person! "

The general listened, with a serious face, nodded and immediately flew to the ship, wanting to contact the people in the palace!

He knew that Huang Tianming had murderous intentions!

Aside, Jiang Chan was not surprised. Seeing this scene, he felt anxious!

At this moment, Ye Qiubai held the wooden sword in one hand, looked at Jian Chaomian, and said calmly, "Let's do it."
