

My Disciples 861

Chapter 861 Luring the snake out of its hole!

At the moment.

The main city of Haotian Divine Realm, Haotian City.

This city is the closest to Haotian Shenzong.

And stay in one place.

Everyone in Thunder Hall of Hunyuan God is here.

Great Elder Deng Qiu's face was still pale.

Obviously, under the attack of Huangqian's Divine Phoenix Fire, the fire poison had eroded into the body, and it hadn't been exhausted yet.

I only heard Deng Qiu grimly say: "Originally, our goal was to search for clues to the heart of space, but now it seems that we will add another one."

The other three elders and He Lian naturally understood the meaning of Deng Qiu's words.

The humiliation brought to them at the Haotian Banquet.

Must be liquidated!

He Lian even said with an extremely gloomy face: "In three days, we must eradicate it."

Deng Qiu nodded and said: "As for the location, I don't think I need to look for it deliberately. I just need to wait for the next occurrence of the space change, and the other party will definitely go there."

Immediately, he took out a prismatic stone, which seemed to have nothing special except its shape.

But if you perceive it.

You can find that there is a lot of space power in it!

...

Space changes are irregular.

but.

If you are proficient in space, then.

For example, it has reached the level of Lu Changsheng.

Then after a space change, you can see the rhythm in it.

Immediately, before the next space change, you can perceive the place where it will happen.

When the space change does not occur.

Lu Changsheng and the others did not deliberately search for it.

After all, with Lu Changsheng's control over the principles of space, as long as there is any abnormality, he can be found immediately.

In a remote city in Haotian Divine Realm.

Originally, Lu Changsheng wanted to find a place to sleep, but Huang Qian forcibly pulled him out.

It's a beautiful name, look at the strength of the top boundary of the high-latitude boundary.

Where is Liu Ziru?

Oh, he hasn't healed yet.

on the street.

Although it is only a remote city and the city is not big, it is still crowded with people.

Here, no mortal exists.

Everyone has more or less aura in their body.

Most people have a very high realm.

Of course, it is relative to the mid-latitude boundary and the low-latitude boundary.

While the two of them were shopping... oh no, when they were inspecting.

A tall man suddenly appeared in front of Lu Changsheng.

The man smiled and said, "Aren't you two from Haotian Shenyu?"

Hearing this, Huang Qian was a little puzzled.

Lu Changsheng frowned slightly, then nodded and smiled, "How did you know?"

The man laughed loudly and said: "Almost all of Haotian God Realm are body refiners, and the two don't look like body refiners."

It seems so though.

But the man made a mistake.

As a divine phoenix, Huangqian has the blood of the five-clawed golden dragon and the blood essence of Lu Changsheng. Her physical body is not comparable to that of ordinary physical training.

The Divine Phoenix and the Five-Clawed Golden Dragon can be called a family of divine beasts.

As for the orc race, the physical body is naturally the most basic.

Let's not talk about Lu Changsheng.

Not to mention cultivation, with so much physique, and under the blessing of primordial purple qi and holy qi, the physical body is even more tyrannical.

certainly.

With the strength of two people.

Even if it is Haotian Shenyu, no one will be able to see through it.

Of course, Huang Qian was also covered by Lu Changsheng's breath.

The purpose is to prevent being detected by the perception of the Haotian God Lord.

At this time, the man continued: "Since they are outsiders, the three of you must have come here for the space change?"

Lu Changsheng said: "You know quite a lot."

The man smiled: "I have someone in Haotian Shenzong, so I naturally know a little more."

Having said that, the man changed the subject, narrowed his eyes slightly, and said with a smile: "I don't think you two are ordinary people, do you want me to take you to find space changes? After all, I may know more than you."

Since the men know that they came from Haotian Banquet.

Then, he naturally knows who attended the Haotian Banquet.

Knowing that Lu Changsheng's level is also normal.

But Lu Changsheng waved his hand and said, "No."

After finishing speaking, the two bypassed the man and continued walking forward.

The man was slightly taken aback when he heard the words, and looked at the backs of the two with a sneer: "It's more cautious."

After finishing speaking, he walked into a corner, turned into a plume of black smoke, and left the place.

Front, Huang Qian said calmly: "Half-step God Master Realm, it seems that other God Master-level forces have infiltrated?"

Lu Changsheng shrugged his shoulders, and said indifferently: "Since the God Lord force is the strongest force in the high-latitude realm, it is normal to have means."

This is like in the previous life, when the two countries were at war, both sides were very strong, but among the forces of the two sides, there must be undercover agents of the other side.

This is normal and unavoidable.

"What's more, according to what the old man in Mortal Village said, the Heart of Space is so attractive to these forces, it's impossible for them to take no action at all."

Huang Qian nodded.

When the two returned to the inn.

Under Lu Changsheng's treatment and the effect of the elixir, Liu Ziru's injuries have fully recovered.

And this time.

Lu Changsheng suddenly looked towards the west, and said, "Follow me, no, you two are too slow."

After finishing speaking, without waiting for Huang Qian and Liu Ziru to react, he directly pulled the two of them and galloped towards the extreme west of Haotian God Territory!

...

the other side.

Hunyuan God Thunder Hall, Golden Winged Roc Clan, Necromancer Palace, and Yaochi Immortal Palace.

Although they can't use their own strength like Lu Changsheng, they can instantly discover the location of the space change.

But as a first-class force, it is natural to be prepared.

With the help of external force.

can also be found.

All rushed towards the Far West!

At this time.

Among the Haotian Shenzong.

God Lord Haotian also looked at the land of the extreme west, showed an intriguing smile, and said in a low voice: "I hope they can lure those people out..."

...

The extreme west of Haotian Divine Domain is a continuous mountain range.

There are many mountains and mountains.

If you are in it, you will definitely be able to experience the feeling of covering the sky and blocking the sun.

And the space changes, just above this criss-crossing mountain range.

Lu Changsheng, Huang Qian, and Liu Ziru were naturally the first to come here.

Where it comes into view, the space is being distorted on a huge scale!

Like a reflection in water.

It's hard to imagine the power of the law of space revealed in it, and this degree of distortion.

It didn't cause even a single dimensional fragmentation!

This is not because the space of Haotian God Realm is stable.

If it is stable, how can it cause this level of distortion?

Liu Ziruo looked at Lu Changsheng, and asked solemnly, "Senior, did you find anything?"

Lu Changsheng did not speak, but stared at this distortion.

I want to know if this has anything to do with the Heart of Space.

It is necessary to find the cause of the space distortion first.

And at this moment.

In the distance, there are also dozens of auras, which are coming quickly...

[Chapter 862: one person is enough](#)

Space Warp.

There must be a reason.

As long as this reason is found out, it will be possible to find out whether the movement caused by the abnormal movement of the space is related to the heart of space.

Simple and rude method.

Lu Changsheng actually has many.

For example, tear the space directly, enter the place where the space distortion occurs, track the traces, and go directly to the place where the source occurred.

Another example is to directly explode the power of the space law and connect this space with itself.

That is to say, to control this space, so as to feel the originality in it.

only.

These methods will definitely be discovered by the Haotian God Lord, or other God Master Realm powers who set their sights here.

certainly.

Lu Changsheng now understands that these high-latitude realm powerhouses will not be his opponents.

The peak of Huangqian God Master Realm is not his opponent.

How could it be other gods?

Nothing more.

Among the high-latitude boundaries, is there no other stronger person?

Follow the development of the plot of the novel.

Standing on the bright side, those so-called top powerhouses are actually not the most powerful.

The most powerful ones are often hidden in the dark, and when the time comes, they will stand up in a swarm.

What's more, in addition to their mortal world, there is a fairy world next door...

So it's better to be cautious.

Huang Qian glanced at Lu Changsheng, then turned her head, looking in the direction she came from, there were more than a dozen auras approaching at a high speed.

It seems.

The four forces have also discovered the space changes here.

Huangqian asked: "Do you want to stop them?"

Lu Changsheng shook his head and said: "No need, the space fluctuation has almost disappeared."

Following Lu Changsheng pinched two fingers, in the distorted space, a wisp of space breath was pulled out by Lu Changsheng.

And at this time.

Five men with huge golden wings on their backs have arrived here first.

It is a family of golden-winged rocs!

The speed of the Golden Winged Rocs naturally has an advantage.

Jin Wuxiu saw Lu Changsheng's figure, and his eyes widened slightly, but he was not that surprised.

As expected.

Then there is the Necromancer Palace, the Thunder Palace of Hunyuan God.

Gu Jing and his group glanced at Lu Changsheng with slightly wrinkled eyes, but didn't say much.

He Lian and Deng Qiu looked at Lu Changsheng with gloomy faces.

Killing Yayoi!

Finally, there is the Yaochi Fairy Palace where Ji Qian Yao is.

Ji Qian Yao smiled when she saw Lu Changsheng.

This scene happened to be seen by He Lian, and he was even more furious!

The jealousy in my heart can no longer be suppressed.

And at this very moment.

The space distortion slowly dissipated, and the space movement disappeared.

Everyone who saw this scene frowned.

Then all eyes were on Lu Changsheng.

The Golden Winged Roc clan and the Necromancer Palace where Jin Wuxian belongs to didn't say anything.

And Deng Qiu, the Great Elder of Hunyuan God Thunder Hall, seized this point, took the opportunity to make trouble, and said darkly: "Have you got a clue?"

But how could Lu Changsheng not know about this set?

Before Deng Qiu could say another word.

Lu Changsheng interrupted: "Come on, hit if you want, find so many reasons."

"Even if I say no clues have been found, you won't believe me."

Ji Qian Yao immediately said weakly from the side: "I believe it."

Lu Changsheng: "..."

Oh my god, dog licking is terrible!

Seeing this scene, He Lian's expression was terribly gloomy.

"How did the space change disappear so quickly?"

Speaking of this, He Lian looked at the elders beside him and said, "Let's fight together, the Haotian Divine Sect won't care about it, it's just a normal resource competition."

Finished speaking.

Deng Qiu also gestured to the three late-stage elders of the God Emperor Realm with his eyes.

The four of them came to the four directions of Lu Changsheng, Huang Qian, and Liu Ziru in a blink of an eye.

Surrounded Lu Changsheng and the three of them.

Immediately.

Four people print at the same time!

A low shout.

Suddenly, thunder surged!

Lightning kept falling.

The continuous mountain range below, under the attack of lightning, ignited a raging fire, and countless ancient trees fell down!

The four Fudo Myokos rose from the sky amidst this sea of thunder!

Surrounded Lu Changsheng and the three of them.

See this scene.

Ji Qian Yao yelled lightly: "He Lian, what are you going to do!"

Hearing this, He Lian said with a gloomy face: "Qian Yao, you'd better not make a move. Presumably the elders around you don't want to see Yaochi Immortal Palace and Hunyuan God Thunder Palace fighting against each other at this time."

Ji Qian Yao: "You!"

Just about to step forward.

But he was held back by the elders beside him.

"Saint, calm down."

"Since you like that man, we must also know whether the other party has this ability."

"If you can't even pass this level, then you are not good enough for you."

For them.

The talent of the saint is extremely high, and with the blessing of the primordial purple energy, it is only a matter of time before she breaks through to the realm of the gods.

Ji Qian Yao was held back by the elders and couldn't break free for a while.

But after being impatient for a while, he calmed down.

After thinking about it, the other party is not Lu Changsheng's opponent either!

And Jin Wuwu heard these words from the sidelines.

Can't help smiling wryly and shaking his head.

If Ji Qian Yao is really allowed to follow Lu Changsheng, then you Yaochi Xiangong will ascend to heaven alone...

...

See Fudo Akio around.

Lu Changsheng glanced at Liu Ziru beside him, and said, "I'll leave it to you, No. 2 tool man, um... no, you can't solve it, your strength is too low."

Liu Ziru: "???"

Liu Ziru, who was originally Mr. Qianqian, wanted to scold him at this moment.

**** it!

So insulting!

But if he wants to refute anything, he can't refute it, after all, he really can't beat it!

"Okay, Huangqian, you go."

Huangqian rolled her eyes: "I am the number one tool man?"

Lu Changsheng praised: "It's rare that you have such a good self-awareness."

Huangqian suddenly wanted to hit someone too, this pile of dead steel...

But let's make trouble.

Huangqian still took a step forward.

The fire of the Divine Phoenix began to circle around Huangqian!

Deng Qiu looked at this scene, sneered and said, "Only one person? Could it be that you underestimated me and waited too much?"

Huang Qian said lightly: "One person is enough."

Say it.

Huang Qian's whole body, the strength of the late God Emperor Realm burst out!

Well, although it is suppressing strength.

The fire of the Divine Phoenix gathers behind Huang Qian at this moment.

A pair of huge flaming wings, burning through the space!

For a moment, the fiery red color overwhelmed the surrounding purple thunder!

Perceived the monstrous fire of the Divine Phoenix.

Deng Qiu and other elders were shocked.

This fire of the Divine Phoenix.

It was a bit more intense than the flames at the Haotian Banquet!

Sure enough.

Did you not use your full strength at that time?

Think here.

Deng Qiuning said: "Don't delay, let's do it together."

The voice just fell.

The four elders printed with one hand at the same time!

at the same time.

The four Fudo Myokos also slammed their palms suddenly at this moment.

Four thunderous giant palms suddenly suppressed Huang Qian!

Chapter 867 The Power of the Divine Master Realm

Outside the domain of Haotian God.

Follow Lu Changsheng's instructions.

Huangqian and Liu Ziru have already left the domain of God.

At first, the two had some doubts.

Until Lu Changsheng revealed that this spatial change was man-made, and there was no clue about the heart of space.

And when they left Haotian Divine Realm.

There are more than a dozen people following them.

The two of them seemed to gradually understand the beginning of this matter.

Huangqian is a descendant of Shenhua.

Liu Ziru is a five-star deacon in the dark domain.

Contact the end of the matter.

also know.

Haotian Shenzong wants to use their hands to eliminate the undercover agents of other forces in Haotian Divine Domain!

Although I don't know why Lu Changsheng still wants to be this **** after knowing this matter.

However, since Lu Changsheng said so, he would naturally have his reasons.

To know.

The Lu Changsheng they are familiar with will not suffer at all...

Even, if the benefits are not satisfied.

No one will take over this!

At this time.

Huangqian and Liu Ziru stopped.

around them.

More than a dozen people have surrounded here!

And these people, without exception, are all powerhouses at the peak of the God Emperor Realm.

It's impossible for a strong person in the Divine Master Realm to come undercover in person, right?

The corners of Huangqian's mouth lifted slightly, and she looked at Liu Ziru.

Liu Ziruo shrugged, knowing what Huang Qian meant.

Take out five or six scrolls and a talisman in his hand.

Immediately.

Throw it into the air.

In a short time, dozens of people including Huangqian Liu Ziruo were surrounded by barriers!

Besides this formation, even the strongest in the Divine Master Realm cannot detect it.

And in it, the message cannot be passed on.

When the dozen or so people saw this scene, they were all slightly taken aback.

Isolation array?

But.

What is the effect of this isolation formation?

"One of you is in the middle stage of the God Emperor Realm, and the other is in the early stage of the God Emperor Realm."

"At best, it can only kill the four powerhouses in the God Emperor Realm in the Thunder Palace of the Hunyuan God."

One of them sneered even more: "Since you are waiting for me here, it is natural to know that we are all from various god-level powers, right? How can the god-king realm of those general powers be compared?"

"Alright, this will also prevent you from passing out the message."

"Hand over the information about space changes, maybe it will make your death easier."

Liu Ziruo couldn't help but sighed helplessly seeing the faces of these people who didn't know what to do.

They may not know how much strength the woman standing in front of them has concealed.

Huang Qian was even more straightforward: "Is it finished?"

Everyone was taken aback, "It's over."

Huang Qian nodded slightly, "Then you'd better not resist, or you may not be able to bear the pain of burning the soul and body with the fire of the Divine Phoenix."

Hearing Huang Qian's extremely arrogant words.

These dozens of people are all furious!

They don't understand.

A person in the middle of the God Emperor Realm can only fight across the border. How can he be so arrogant in the face of dozens of them!

But.

Wait until Huang Qian spreads her hands.

Beware!

With the sound of Fengming.

Behind Huang Qian, a pair of huge wings, burning with the fire of the Divine Phoenix, seemed to fill the entire space!

this moment.

Huangqian no longer suppresses the realm of strength.

Terrifying aura is constantly floating in this formation.

The dozen or so people who were originally looking angry, at this moment, their expressions were frozen as if frozen.

The pupils began to shrink slowly, shaking constantly.

An emotion called fear, horror, disbelief, and despair began to spread in their hearts and eyes!

How can it be?

How can this be? !

According to the observations of the past few days, isn't the other party a mid-stage **** emperor who can fight across the border?

How could it be a strong man in the God Master Realm!

Moreover, the aura on the opponent's body is not even weaker than their **** master, on the contrary, it is probably a little bit stronger!

How can this be? !

Huang Qian ignored their fear.

The wings on the back kept flapping.

Lifting her arms slightly, she pointed her slender fingers towards one of them.

In an instant.

The person targeted was covered by a ball of Divine Phoenix fire.

Didn't even make a scream.

At the moment when the fire of the Divine Phoenix was extinguished and disappeared, there was no trace of this person's physical body or soul!

The step of clearing traces and clues is omitted.

The rest of the people saw this scene.

Can't move at all.

Under the oppression of the aura of the peak of the Huangqian Divine Master Realm, he couldn't even move his fingers!

Although the God Emperor and the God Lord are adjacent to each other, there is only one difference between them.

But it is very different!

Like a sky and an earth.

otherwise.

Why are there tens of thousands of God Emperor Realm powerhouses in the high-latitude realm, and among these tens of thousands of God Emperor Realm powerhouses, only a few God Master Realm powerhouses have emerged in these hundreds of thousands of years, or even millions of years? ?

Under the God Lord, everyone is an ant.

This sentence is not wrong.

Because only in the Divine Master Realm, the spiritual energy in their bodies has been completely transformed into fairy energy.

...

At the moment.

the other side.

Under the powerful recovery ability of God Lord Haotian.

Already started to temper the heart chamber for the second time.

This time, it lasted longer than the last time.

Holy Lord Haotian could clearly feel the beating of the heart in the heart cavity more powerfully.

With every beat of the heart.

Blood energy will also continue to gush out!

God Lord Haotian looked at Lu Changsheng while healing his wounds, and asked curiously: "Senior, the strength of those two people should not be enough to deal with those undercover agents, right?"

"After all, the opponent is also a person of the God Lord level, and his strength must be higher than that of the Hunyuan God Thunder Hall."

Lu Changsheng glanced at the direction Huangqian and the others were in, as if he had penetrated the space with a single glance.

Then he smiled lightly, looked away, and said, "Don't worry, but you are not allowed to say anything about what we did, do you understand?"

Holy Lord Haotian immediately said with a serious expression: "Don't worry senior, I, Haotian, will never break my promise!"

Immediately afterwards, he made an oath of heaven!

The oath of heaven made by the strong in the Divine Master Realm.

It even aroused the movement of the entire Haotian God Realm!

Countless people looked up in the direction of Haotian Shenzong, their faces shocked.

They were thinking, why did God Lord Haotian make the oath of heaven?

In the end what happened?

Seeing this, Lu Changsheng nodded in satisfaction, patted God Lord Haotian's bald head, and said, "You're pretty good at being a man."

God Lord Haotian frowned, but he was not angry either.

This is someone else.

I'm afraid he was blown out by the fist of God Lord Haotian long ago...

And at this moment.

Huang Qian and Liu Zirui also came to the place where Lu Changsheng was.

God Lord Haotian looked at them with a surprised expression on his face.

Really solved?

But the realm is still only in the middle stage of the God Emperor Realm?

The only explanation is that she also hides her strength...

Lu Changsheng also said at this time: "Okay, this time, it should be able to completely temper successfully."

Chapter 868 God Emperor Realm

With the rising sun.

Everyone in Haotian Divine Realm can feel that this world is vibrating regularly!

Every tremor, the earth and the sky are shaken by it.

There was a sound of thump, thump, thump.

It's like a heartbeat.

People with powerful realms, or people from Haotian Shenzong all looked towards the center.

they know.

This is the one, the master of Haotian God Realm is practicing!

For a strong person in the Divine Master Realm, even the beating of the heart will affect this world.

And it is in the center of Haotian Shenzong.

This place is already in a mess, the earth is sunken in, and it is torn apart!

It was as if a devastating war had taken place.

By the silver pool.

The place where the beating of heaven and earth takes place is here.

Huangqian and Liu Ziru stood aside, looking at Lu Changsheng and God Lord Haotian with his eyes closed.

Liu Ziru couldn't help but exclaimed: "God Lord Haotian was also listed in the dark list, but he couldn't win over."

"I didn't expect, but now I am a member of Senior Lu."

Huangqian kept staring at Lu Changsheng and Lu Changsheng, and said without squinting: "It's normal, his strength is much stronger than that of God Lord Haotian."

"What's more, they are sitting on a god-level power, why should they join your dark domain?"

Liu Ziru said weakly: "It seems that the Dark Realm has not won over the powerhouse of the God Master Realm..."

However, Liu Ziru did not go on to say who this person is.

Huang Qian didn't bother to ask.

First.

This is naturally a secret of the Dark Realm, forcing her to ask will only embarrass Liu Ziru.

second.

is also the most important point.

Huangqian really doesn't have the slightest interest in this matter.

Seeing Huang Qian's expressionless face.

Liu Ziru couldn't help rolling his eyes.

It has been said to this point, but the result is still not pretending to be forceful.

It's too shocking.

At this time.

There was a sudden tremor between heaven and earth!

This time the tremors were larger than the regular tremors before!

The sound of a huge beating heart resounded through this world!

The mountain collapsed, and the ocean tsunami.

At this moment, the entire Haotian God Realm was affected!

Countless people raised their heads in horror, looking at the crumbling sky.

But the insiders in Haotian Shenzong were pleasantly surprised.

Has God made a breakthrough?

If the strength of the Divine Master is further enhanced, it will be a huge threat to the entire Haotian Divine Sect, and even the Haotian Divine Domain!

All have immeasurable benefits.

Even a small improvement can widen the gap between the strong in the God Master Realm.

At the moment.

The place in the center, beside the Yintan.

God Lord Haotian suddenly opened his eyes, and at the moment when he opened his eyes, a huge heartbeat roared in this world!

Lu Changsheng also withdrew his fingers at this moment, and turned away.

This technique is not bad.

After tempering the heart cavity.

Divine Master Haotian, who had stayed for a long time in the late stage of the Divine Master Realm, has reached its peak!

God Lord Haotian can naturally feel the changes in his body.

His face was filled with surprise.

Then he looked at Lu Changsheng with a serious face, and knelt on the ground with one knee, lowered his proud head slightly, and raised his fists with both hands above his head.

Said in a deep voice: "Senior, Haotian will remember the great kindness in his heart."

"I need help in the future, Haotian Shenzong, I will be sent by the senior!"

If other people hear the words of God Lord Haotian, they may be surprised that his promise is too heavy.

But in fact, it is not an exaggeration!

You know, God Lord Haotian is already very powerful in actual combat!

Even if it is someone stronger than him, he is not willing to confront him head-on.

And now.

Haotian God Lord opened his heart, and after the tempering of the heart veins was completed, he stepped into the peak of the God Master Realm.

The strength has gone up several levels!

At that time.

The strength of God Lord Haotian will also be able to rank among the top three.

Let's talk about heads-up.

In the entire high-latitude boundary, no one has won the Haotian God Lord.

This also directly leads to.

The status of Haotian Divine Realm has been further improved.

This is extremely important for a god-level force.

The increase in strength means more resources.

It will also attract more fresh blood into Haotian Shenzong, continuously improving the background and overall strength.

Several years later.

How could Haotian Shenzong not improve to the next level?

so.

Lu Changsheng's help to God Lord Haotian is not insignificant.

There is one more important point.

In the eyes of God Lord Haotian.

Since the senior Lu in front of him can help him rise to the peak of the God Master Realm.

That means the other party is at least above the peak of the Divine Master Realm!

otherwise.

Your own strength is not enough, so how can you help others improve?

not to mention.

Lu Changsheng has mastered the way of life!

This is a power beyond the Three Thousand Ways!

With this kind of character, how could God Lord Haotian not take the initiative to curry favor?

Lu Changsheng waved his hands and said, "Just remember what you said."

Holy Lord Haotian nodded and said with a smile: "You can rest assured about this, senior, after all, you have already made the oath of heaven."

Lu Changsheng nodded slightly.

I wanted to leave directly, but it seemed that I had thought of something. I looked at God Lord Haotian and asked, "Where is the Thunder Palace of Hunyuan God?"

"Hunyuan God Thunder Palace?"

God Lord Haotian asked: "Could it be that senior is going to seek revenge?"

God Lord Haotian naturally knew about the matter of Hunyuan God Thunder Hall targeting Lu Changsheng and the others.

Lu Changsheng nodded.

Immediately, God Master Haotian chuckled and said: "They have already paid the price, even if the seniors go, they won't get any compensation, right?"

Lu Changsheng looked at God Lord Haotian with a strange expression on his face, and said, "Who told you that I was going to ask for compensation?"

"???"

"Since they bullied me, I beheaded several elders and a junior Tianjiao of the other party."

"The other party will naturally bear a grudge against me. Instead of letting them lie dormant like poisonous snakes, it is better to kill them first."

Hearing Lu Changsheng's words.

God Lord Haotian was a little speechless.

At the same time, there was a trace of fear in my heart.

These words.

Maybe beating him too.

Warning him not to think otherwise...

So.

God Lord Haotian told Lu Changsheng the location of the Hunyuan God Thunder Hall.

Lu Changsheng took Huang Qian and Liu Ziru towards the Thunder Hall of Hunyuan God.

Wait until Lu Changsheng completely leaves Haotian God Realm.

God Lord Haotian summoned Ding Wei, and said solemnly: "Tell the whole family, if you meet Senior Lu and the others, remember not to provoke them."

When Ding Wei heard the words, he didn't ask why, but was horrified in his heart. Why was the God Lord so afraid of Lu Changsheng and the others?

Then he nodded and went to announce the order of the God Lord.

Holy Lord Haotian raised his head, looked in the direction where Lu Changsheng left, and sighed slightly.

"I don't know what kind of realm Senior Lu has reached... Perhaps, he has already stepped in front of us and stepped into the legendary realm?"

The realm of legends.

That is above the God Master Realm, known as the God Emperor.

Chapter 869 Fudo King Formation!

Hunyuan God Thunder Hall.

It is between a mountain depression.

Surrounded by giant mountains.

Originally, this mountain depression was high enough to be surrounded by a sea of clouds.

But.

But there are no clouds around.

Some are just endless thunder slurry covering the mountain depressions, like a sea of thunder!

Thickened to the extreme power of thunder.

Crackling, constantly exuding a destructive atmosphere.

And in this place that is like a restricted area of life.

But above the thunderbolt, there is a huge palace floating!

here.

is where the Hunyuan God Thunder Hall is located.

Without the special protective gear of the Thunder Palace of Hunyuan God, one would not even have the qualifications to step into this place under the God King Realm!

As long as you step into it, you will be instantly blown away by the endless thunderous liquid filled with destructive aura, and your body will be annihilated!

Because of this, there are not many guards around the Hunyuan God Thunder Hall.

At the moment.

In the huge palace in the Thunder Sea.

One of them looked extremely rough, a man with a beard standing up in all directions, looked at an elder in front of him with a gloomy expression.

"Deng Qiu He Lian's soul card is shattered, haven't you found out who made it?"

The current Thunder Palace of Hunyuan God is hidden in a layer of haze.

Like a ferocious thunder beast dormant in a sea of thunder.

As long as you find the target, you will open your **** mouth and tear the target into pieces as if you are out of a cage!

The elder's face was also terribly gloomy. After hearing what the suzerain He Lei said, he shook his head and said, "After the soul card was shattered, there wasn't even a trace of aura spreading over, as if it disappeared out of thin air."

"Even if it is the location of the death, there is no trace of any clues."

listened to the words of the elders.

He Lei gritted his teeth, his beards suddenly stood on end at this moment, and every hair was surrounded by purple thunder!

Then suddenly stomped on the ground!

Boom!

Just moments.

The entire Thunder Hall of the Hunyuan God shook tremendously!

The endless sea of thunder around was splashed with turbulent waves.

Slapping on the surrounding towering mountain walls.

These towering mountains are also constantly shaking!

If it weren't for these mountains, they would have been hardened by the endless lightning.

I'm afraid they have all collapsed!

The disciples and elders of Hunyuan God Thunder Hall noticed this scene, and they were all terrified.

What is it that makes the suzerain so angry?

Half-step gods are exposed, especially He Lei, who has cultivated the way of thunder to an extremely high level.

Emotional fluctuations can cause huge changes in the world!

He Lei's eyes were fierce, and thunder surged in his eyes, as if it was the end of the world.

"Check it out for me! At all costs, find out whoever killed He Lian Dengqiu and the others!"

"Otherwise, how can I gain a foothold in this high-latitude realm? How can I have prestige!"

Heard the words.

The elder looked solemn, nodded and said, "Understood, I'll go right away."

The voice just fell.

Sudden.

A voice resounded through the entire valley!

"Don't look for it, I'm already here."

Between speaking.

Outside the Thunder Palace of Hunyuan God, flames have surrounded this endless sea of thunder!

No matter how much Lei Hai rioted, he couldn't break out of this flame cage.

heard this voice.

The elder's expression changed.

Just wanted to talk.

But he saw that He Lei's figure had disappeared in place.

There was only one scream, which spread throughout the Hunyuan God Thunder Hall!

"All the combat power of Hunyuan God Thunder Hall have finished their retreat and are ready to meet the enemy!"

In an instant.

He Lei has already arrived outside the Hunyuan God Thunder Hall.

And all the Tianjiao disciples, elders, and Supreme Elders in the hall appeared outside the Hunyuan God Thunder Hall at this moment!

I saw their suzerain, He Lei, standing in the sky above the Divine Thunder Hall.

He stared solemnly at a woman in red in front of him.

The whole body of the woman is covered by monstrous fire, just like the flame goddess descending to the mortal world to punish all evils in the mortal world!

Why did He Lei's originally furious mood suddenly change to solemn?

The answer is simple.

He Lei can take the position of Lord of the Hunyuan God Thunder Hall.

Naturally, he is not a brainless person.

Since the other party dared to come to the Thunder Hall of Hunyuan God alone, she naturally had her confidence.

If you don't have a little confidence to deal with it, isn't it just to die?
not to mention.

With He Lei's half-step divine master's realm, he couldn't see through the realm of the red-clothed woman in front of him!
only.

This flame terrified him.

"The fire of Nirvana... No, it is stronger than the fire of Nirvana... Who are you?"

The one who came was naturally Huang Qian.

Seeing Huang Qian's expression was flat, she looked at He Lei and said, "Didn't I say that I killed those people in the Thunder Palace of the Hunyuan God."

After listening.

He Lei's face was even more ugly.

In front of his face, he still said such words.

How much does the other party disregard themselves, or their entire Thunder Palace of Hunyuan God?

Think here.

He Lei stopped talking nonsense.

"If that's the case, then stay here forever, trapped in the endless sea of thunder, and suffer the torture of the sea of thunder forever and ever!"

Speaking of this, He Lei changed the subject.

"The elders obey orders!"

"Lead all the disciples and form the Ming King Formation!"

Finished speaking.

He Lei took the lead and jumped to a higher place!

Both hands suddenly seal.

Thunderbolts poured down from the sky like a galaxy falling!

Just for a moment.

A huge silhouette of Fudo Mingo has descended into the world!

at the same time.

All the disciples stood under Fudo Myoko.

All the elders and the Supreme Elder came to Fudo Mingwang's chest.

Print at the same time.

The endless thunder sea below is also at this moment.

Suddenly turbulent and monstrous!

A large expanse of lightning pulp drew a bright arc in mid-air, continuously pouring into the silhouette of King Fudo!

Like a container.

Rainjack is constantly filling Fudo Myoko's body!

gradually.

Together, they are full of destructive power.

With every gesture, the thunder falls, and the phantom of Thor comes in the last days.

Fudo Ming Wang stepped on the endless sea of thunder, with the top of the mountain above his head, the king is here!

Huangqian felt this destructive aura.

Nodding slightly: "It does have some skills."

This Fudo King Formation has already reached the strength of the early stage of the God Master Realm.

Hunyuan God Thunder Palace is also worthy of being the top existence among the first-class forces.

He Lei listened to Huang Qian's tone, and sneered: "Now I can be crazy."

Say it.

He Lei stood between Fudo Mingwang's eyebrows.

A punch was thrown towards Huangqian Void!

at the same time.

The gigantic Fudo Mingo also waved his mountain-like fist, carrying the power of endless destructive thunder, and smashed heavily towards Huang Qian!

space around.

The power of thunder crisscrosses!

Like a sharp sword, split this space!

Huangqian's face remained unchanged, and she pointed out...

Chapter 870 Hunyuan God Thunder Hall Destroyed

The area where the Thunder Palace of Hunyuan God is located.

Between the cols.

The endless sea of thunder set off turbulent waves, constantly hitting the surrounding towering rock walls.

Let out bursts of roar!

At the same time, in the sky above the main hall, a huge figure of Fudo Myoko appeared, like the **** of thunder destroying the world.

The whole body was surrounded by the extremely thick thunder beam.

A series of destructive breaths swayed out of it, filling this space!

He Lei, the master of Hunyuan God's Thunder Palace, made a seal, then shouted loudly, and punched Huang Qian with his fist!

at the same time.

Fudo Ming Wang also waved his mountain-like fist, entwined with strands of purple lightning, and threw it at Huang Qian!

Seeing this scene, Huang Qian did not retreat.

There is no need to back off either.

Looking calmly at the huge fist that was approaching.

The punch has not arrived.

Strands of thunder have already entangled towards Huang Qian.

Huangqian seemed to ignore all of this.

Just point out with a light finger.

In an instant!

The fire of the Divine Phoenix condensed crazily at Huang Qian's fingertips!

It turned into a divine fire spear, not a single trace of the divine phoenix fire leaked out, and all of it was contained in the spear.

At the moment when the fist is approaching.

Huangqian snapped her fingers.

Beware!

Accompanied by a divine phoenix scream.

The Shenhua spear pierced straight towards Fudo Mingo's fist!
across space.

There is no spear, but the space is constantly being cut!

He Lei looked at this scene with a sudden change of expression.

It was too late to react.

I saw that Fudo Mingwang's fist was pierced by a spear in an instant!

Immediately.

Huang Qian clenched her fist.

ton time.

The Shenhua spear exploded in Fudo Myoko's fist!

Endless Divine Phoenix Fire.

Bloom in Fudo Myo's fist!

Boom!

The endless flames are constantly eroding Thunder's body.

Finally exploded in it!

A storm of divine phoenix fire swept across this space...

Fudo Ming Wang's half body also dissipated at this moment.

at the same time.

Countless disciples and elders in Fudo Mingwang formation.

also disappeared at this moment...

He Lei looked at this scene with a horrified expression, his pupils narrowed sharply, and he stared at Huang Qian firmly.

"I have seen the power of a high-latitude God Lord, but you, the God Lord who casts the fire of Nirvana, have never heard of it. Who are you?!"

Huangqian's face was flat, and she said: "There's so much nonsense, since the enmity can't be solved, just fight."

Immediately, he raised a finger again.

He Lei looked at this scene with an extremely ugly expression.

He knew that even if he used the Fudo Ming King Formation, he would definitely not be the opponent of the real God Master Realm powerhouse!

Think here.

He Lei actually took out a token, and then threw the token into the air!

shouted loudly: "Please ancestor!"

The Patriarch of Hunyuan God Thunder Palace is the God Master Realm powerhouse who founded Fudo Mingwang.

The Hunyuan God Thunder Palace at that time was also a god-level power.

It's a pity that the descendants are so young and yellow, and the strong man in the God Master Realm also fell early, which led to the reduction of the Hunyuan God Thunder Palace to this point.

But.

When the token burst into endless thunder in the air.

But there was no other slightest movement.

No powerful soul body appeared.

He Lei was taken aback when he saw this.

Why didn't the ancestor appear?

When the Hunyuan God Lei Temple was in a life-and-death crisis.

You can use this token to awaken the ray of spirit left by the ancestors, so as to tide over the crisis.

But there was no movement!

Huang Qian was not at all surprised by this.

When pointing out.

The fire of the Divine Phoenix burns up the sky!

The entire Hunyuan God Thunder Hall was swept into it.

Countless screams continued to be emitted in the flames of the Divine Phoenix.

Among them, He Lei's...

He Lei, perplexed and unwilling, fell here...

The Hunyuan God Thunder Palace also destroyed the sect...

Seeing this, Huang Qian withdrew the Divine Phoenix Fire.

Liu Ziru also came to Huang Qian from a dark place, and asked, "Huh? Has Senior Lu come out yet?"

Huang Qian shook her head, looking at the endless sea of thunder below.

Liu Ziruo also had a strange expression on his face.

"Theoretically speaking, with Senior Lu's strength, but a remnant soul in the God Master Realm, it can be solved soon?"

...

At the moment.

Below Lei Hai.

Before diving five hundred feet, it was covered by the substance-like thunder plasma.

But.

After five hundred feet.

But there is this cemetery...

In the cemetery, there was only one coffin.

The coffin is made of Hunyuan lightning strike wood.

Even a small piece can arouse the envy of those who practice the Dao of Thunder!

On top of the coffin, a remnant old man looked at the white-robed man in front of him with a solemn face.

"Why do you want to do things so badly?"

The man in the white robe is naturally Lu Changsheng.

After arriving at the Thunder Palace of Hunyuan God.

Lu Changsheng and the others did not directly enter it.

Instead, he played his old skills.

Isn't the Hunyuan God's Thunder Palace a former god-level power?

Isn't this kind of power usually very powerful and has many cards?

In order to prevent the ship from capsizing in the gutter, or causing too much movement, it will be targeted by other forces.

So Lu Changsheng decided to explore it first.

Then I found here.

Lu Changsheng chuckled softly: "There is no way, the hatred has already occurred and cannot be mediated, so we can only act first and destroy your god-thunder palace."

The Patriarch of Hunyuan God Thunder Palace also froze when he heard Lu Changsheng's words.

Immediately said in a deep voice: "If they know your strength, even if they have hatred, they will bury it in their hearts."

Lu Changsheng retorted: "It's not okay to bury it in the bottom of my heart. Just in case, I mean just in case... One day we are in a desperate situation, then this hatred may become the last straw that breaks the camel's back."

"So it's better to cut the weeds and get rid of the roots, then there won't be so many places to be afraid of."

After listening to Lu Changsheng's words.

Patriarch sighed slightly.

"If the old man had been as cautious as you at that time, he wouldn't have ended up in the current situation."

"Since the Hunyuan God Thunder Palace has been destroyed by you, there is no need for the old man to exist."

"However... Hunyuan God Thunder Hall is my life's painstaking effort, even if it is not your opponent..."

The voice did not fall.

Lu Changsheng's finger was lightning fast, and before the ancestor could react, he tapped on the soul body of the ancestor.

In an instant.

Sword Qi surging!

Strand this remnant soul directly!

Immediately, he manipulated the endless thunder liquid in the sea of thunder with another hand, and directly annihilated all the surrounding soul breaths!

Do it all.

Lu Changsheng clapped his hands, and said with satisfaction: "Take advantage of the unpreparedness and kill this old thing directly. It's wonderful and wonderful, as expected of me."

Immediately, Lu Changsheng looked at the coffin, thought for a while, and put it away.

That kid Mu Fusheng should be useful.

When the coffin was put away.

Lu Changsheng took a closer look, and found a jade box on the ground below the coffin?
