

My Disciples 91

Chapter 91 Lu Changsheng has arrived!

At the top of the Taibai Mountains, killing intent is everywhere!

Those killing intents seem to have turned into substance, sticking to the air like a liquid.

The killing intent emanating from the Shura iron cavalry is like a sea of blood!

As a result, the top of the Taibai Mountains turned into a blood-colored sky!

"It should be enough to kill you, right?"

Heard Huang Tianming's murderous words.

Ye Qiubai's face didn't change, and there was no surprise.

Both sides are deadly enemies.

Now that his strength is getting stronger and stronger, Huang Tianming is naturally anxious to eradicate himself.

I just didn't expect that the other party would do something here.

Isn't he afraid of the influence of Tibetan Taoist Academy?

Ye Qiubai shook his head slightly, "It seems that you have been carried away."

Hearing this, Huang Tianming laughed back angrily, "So what? As long as I kill you, what if I pay a price for the Sunset Dynasty?"

Once Ye Qiubai's wings are full, I'm afraid he won't be able to handle it later.

At that time, the Sunset Dynasty was just dying slowly.

And Huang Yitong did not make a move for a long time, which also made Huang Tianming lose his patience.

Panic!

Ye Qiubai shrugged, and took out the Dark Demon.

There is no second word.

Liang Feng asked aside: "Do you want to help?"

Ye Qiubai looked at him, smiled lightly and said, "Who can you fight with?"

Liang Feng didn't even think about it, and said: "Except for the seventh-ranked one, I can fight the other four. If it's just blocking, I can block two."

Ye Qiubai nodded and said, "I'll take care of it, Mr. Ming."

The current Ye Qiubai can crush people in the middle stage of the Qianyuan Realm.

Although Guan Zongyan's strength is not as good as those on the martial arts list.

But the difference is definitely not big!

Eunuch Ming is ranked seventh in the martial arts list, and his strength has reached the late Qianyuan stage.

Ye Qiubai wants to have a try, where is his current limit.

Liang Feng raised his eyebrows, and then said: "You can do it?"

"Then you come?"

Ye Qiubai asked back.

Liang Feng: "...Forget it, I'm not sure."

"Then the other two will be handed over to the elders?"

On the other hand, the inner dean wanted to persuade them not to do anything yet, but to return to the college and wait for the college's support.

However, Ye Qiubai and Liang Feng have already arranged who will fight whom.

What else could he say?

have to.

Even after thinking about it, I can't persuade him anymore.

It is better to send a support signal and try to delay the time.

heard what they said.

Eunuch Ming let out a sinister and shrill laugh, "You, a petty person in the sea, dare to challenge our family? I'm afraid you underestimate our family?"

Ye Qiubai pointed forward with the Dark Demon Sword, pointing at Eunuch Ming, and said, "You'll know if you try it?"

After finishing speaking, he rushed towards Eunuch Ming!

Seeing this, Liang Feng shrugged, drew out his long sword, and stepped towards the other two people in the martial arts list!

The inner dean elder sighed inwardly.

To be honest, although his strength is not much different from those in the martial arts list.

But facing two strong men in the martial arts list, the elder is still under a lot of pressure.

But now, there is no hesitation.

So bit the bullet and followed.

Eunuch Ming has now been destroyed by Hongying.

Now I found a refiner to re-cast a handle.

Although it can be used, it is definitely not as strong as before.

Ye Qiubai, holding the Dark Demon Sword, has rushed to Eunuch Ming.

Without the slightest hesitation, the Sword Field unfolded directly!

A series of sword intents soared into the sky!

Surround around Eunuch Ming!

Seeing this, Eunuch Ming looked sternly.

Feeling this sword field.

There was a sense of threat to him!

Ye Qiubai's strength is stronger than before!

In just such a short period of time, it has reached this level!

This son must not stay!

Eunuch Ming is not going to keep his hand, and making a move is the ultimate move!

The three thousand white silks on the whisk were scattered and fluttering in front of Ye Qiubai!

Immediately, the white silks turned into refined iron!

Form a cold iron spear!

The gas engine locks Ye Qiubai!

Lasing away!

Looking at the gun shadows all over the sky, Ye Qiubai had no room to dodge!

Waved his hand, the sword intent in the sword domain is like an army, waiting for Ye Qiubai to send.

Turned into a long river of sword intent, forming rolling waves, sweeping up!

Boom!

Three thousand whisks and white silk spears, piercing through this long river of sword intent!

For a while, it was impossible to tell the winner!

Eunuch Ming snorted coldly when he saw this.

Flicked the whisk in his hand.

The coercion of the three thousand cold iron spears has once again strengthened!

this moment.

The long river of sword intent couldn't bear it, it was penetrated directly!

Shoot towards Ye Qiubai!

After all.

The realm gap between the two sides is too big!

At the late stage of the Qianyuan Realm, Ye Qiubai was at the middle stage of the Qihai Realm.

The middle span is like a horizontal ditch!

Facing the three thousand cold iron spears, Ye Qiubai didn't panic, and let out a deep drink.

The dark magic sword in his hand suddenly cut out!

The Seventh Sword of the Heavenly Demon Nine Swords!

All the sword intents in the sword domain are also gathering at this moment!

It actually formed a huge dark magic sword!

Following Ye Qiubai's slash, the huge dark magic sword in midair also slashed out!

With the blessing of the Heavenly Demon Nine Swords, the attack power of the Sword Domain is even stronger!

Suddenly, the storm suddenly arose!

The huge magic sword met the three thousand cold iron spears!

At this moment, the huge Dark Demon Sword shattered!

The three thousand cold iron spears also stopped attacking at this moment.

Obviously blocked by this sword.

However, Ye Qiubai also let out a muffled snort, blood overflowing from the corner of his mouth!

Eunuch Ming's face is ugly,

He didn't expect that his blow would be blocked by a mere ants in the Qi Sea Realm?

If the opponent enters the Qianyuan Realm, I'm afraid the outcome is hard to say...

Think here.

Eunuch Ming didn't stop, and threw out the whisk again!

Three thousand white silks directly enveloped Ye Qiubai!

Like a spider web, layer upon layer!

Want to strangle him!

And at this moment.

Huang Tianming also waved his hands and ordered: "Asura Iron Cavalry, all out, kill Ye Qiubai!"

One order!

All the spears in the hands of the Shura cavalry stabbed out together!

A **** spear condensed in mid-air!

Huge!

Suddenly stabbed at Ye Qiubai!

Not far away, Liang Feng and the elders of the inner court watched this scene.

His complexion changed!

Such a powerful attack.

Even if they face it, they will be killed instantly!

Ye Qiubai is now in the sea, what can he use to stop him?

Faced with these two attacks.

Ye Qiubai's face condensed slightly.

The opponent is not a sword cultivator, and the Sword Domain cannot suppress it!

Now, he can only draw Qingyun Sword.

In order to resolve this crisis...

Think here.

A long sword with a sheath appeared in Ye Qiubai's hand.

The scabbard is simple and simple.

Surrounded by wisps of kendo rules!

Want to pull it out!

But at this moment.

A man in white robe appeared in front of Ye Qiubai.

I saw the man pop out with one finger.

Immediately!

The white silk surrounding her body was instantly annihilated!

And the giant blood-colored spear that pierced it was also shattered!

turned into dots and scattered in the space.

"I really convinced you, why are people trying to kill you everywhere? Can't you be a teacher and be more peaceful?"

Chapter 92

Lu Changsheng accepted Xiao Hei as his disciple.

was about to take him back to the thatched cottage.

However, at this moment, I felt an aura erupting above the Taibai Mountains!

Has endless killing intent!

Sword intent!

Which big boss fights each other again?

Lu Changsheng prepared to leave without even thinking about it. He didn't intend to interfere.

However, when he just passed under the battlefield, one of the breaths made Lu Changsheng feel very familiar!

Take a look subconsciously.

Good guy.

Isn't this Ye Qiubai that brat?

Xiao Hei asked from the side: "Master, what happened?"

"Why are you covering your face?"

Lu Changsheng said helplessly: "Your elder brother is causing trouble again."

Speaking of this, Lu Changsheng observed it.

"Just wait here and solve it for the teacher."

After finishing speaking, he disappeared in place and ran towards the center of the battlefield!

So, there is the present scene.

Ye Qiubai said pleasantly: "Master? Why are you here?"

Master?

Liang Feng and the elders of the inner court were taken aback.

Is this person Ye Qiubai's master?

On the other side, the faces of Huang Tianming and others sank.

Eunuch Ming was even more surprised.

Just a flick of a finger resolved his strongest blow?

What kind of strength is this?

Lu Changsheng ignored the others, looked at Ye Qiubai, and said with a dark face, "I'm here to accept disciples."

"Apprentice?"

Ye Qiubai said: "I have a younger brother and younger sister again?"

Lu Changsheng nodded, then looked at Eunuch Ming and the others, and said casually, "A member of the Sunset Dynasty again?"

Ye Qiubai nodded.

Seeing this, Lu Changsheng's face also sank.

The other party wanted his apprentice's life time and time again, it must be fake not to be angry.

At that time, when the opponent hit the door, Lu Changsheng wanted to make a move.

But Ye Qiubai said, he will come by himself.

He used the Sunset Dynasty as his whetstone.

Only by destroying it with your own hands, can you get rid of the knot in your heart.

So Lu Changsheng didn't make a move, but ran over to destroy the Shadow Killing Pavilion.

And now, the opponent scored twice.

Lu Changsheng snorted coldly, and his figure disappeared in place!

Afterwards, Lu Changsheng seemed to have torn apart the space directly, and bursts of sonic booms came from his physical body in the air!

Where Lu Changsheng passed by!

The space seems to be unable to bear it, and it keeps breaking apart!

In just a moment, he came to Eunuch Ming.

Eunuch Ming's face changed, but he didn't have time to react.

Seeing that Lu Changsheng's finger lightly tapped on the center of Eunuch Ming's eyebrows!

"Although this kid Ye Qiubai often causes trouble outside."

"It doesn't mean that my apprentice can be bullied by you."

The voice entered Eunuch Ming's ears.

It's like the king of Hades transmitting the voice!

Hades let you die in the third watch, who would dare to keep you in the third watch?

Speak.

Under the terrified eyes of Eunuch Ming, Lu Changsheng snapped his fingers slightly.

In an instant!

Eunuch Ming's body burst open!

It turned into blood mist in the air!

Huang Tianming and others looked at this scene with horror on their faces!

They never expected that Ye Qiubai's master would be so powerful!

Eunuch Ming is also ranked seventh on the Four Regions Martial Arts Ranking.

The state has reached the late Qianyuan state.

However, he was still flicked out by the man in front of him!

So how far has his realm reached?

At this moment, Liang Feng also came to Ye Qiubai's side, and asked in surprise, "Your master is so strong?"

Ye Qiubai smiled and nodded.

In his heart, Lu Changsheng is omnipotent.

Although it doesn't look normal on weekdays.

But Lu Changsheng's strength seems to have no bottom line, and he cannot be seen through!

Lu Changsheng looked at Huang Tianming in front of him again.

Huang Tianming's body trembled, and he shouted in horror: "Sura cavalry, stop him!"

The voice fell.

Sura cavalry all let out a deep shout.

Taking a step forward, a **** spear condensed again and pierced towards Lu Changsheng!

Seeing this, Lu Changsheng's face remained unchanged.

One foot slightly stepped on the void.

Immediately!

The huge **** spear dissipated in mid-air!

Immediately, Lu Changsheng disappeared.

When it reappeared, it was on top of Shura's cavalry.

Make a fist with your right hand, and punch it out!

Seems bland.

However, after the fist blasted out.

The space where the Shura cavalry was located was instantly squeezed!

Puff puff!

Where the space is squeezed, all the cavalry are blown into blood mist!

One finger, destroys Ming Gonggong.

One punch, destroy the Shura cavalry!

With just two shots, Huang Tianming's combat power was directly wiped out!

As for those dynasties enshrined?

Seeing that the situation is not right, I have already left this place!

They are just offerings after all.

Encountered a critical moment of life and death.

The life of the prince of a country?

What to do with them.

At this moment, Lu Changsheng turned his attention to Huang Tianming.

Huang Tianming was startled, cupped his hands and said, "Senior..."

Lu Changsheng ignored it, turned and left.

Not killing him, just because this son is Ye Qiubai's heart knot.

It only makes sense if he does it himself.

Then he looked at Ye Qiubai and said, "Here, take care of your own affairs."

Ye Qiubai nodded, took out the Dark Demon Sword, and walked towards Huang Tianming.

He would not have the idea of letting him go and forcing him to watch the sunset dynasty be destroyed.

Is this necessary?

The two had already had a grudge.

seized the opportunity, and naturally wanted to kill the opponent.

Can't leave future troubles.

Thinking of this, Ye Qiubai cut out the dark magic sword!

A black slash pierced the space and shot towards Huang Tianming!

That black slash is getting closer!

Because of the influence of the black devil energy, Huang Tianming's mind kept trembling!

With frightened eyes, he quickly took out a jade pendant from the ring.

Then crush it!

Instantly!

A ray of light enveloped Huang Tianming.

In an instant, it disappeared in place!

Ye Qiubai's black slash also landed in the empty space.

The inner elder on the side said with complicated eyes: "I didn't expect the Sunset Dynasty to have a teleportation jade pendant?"

Ye Qiubai looked over.

The elder explained: "This is something that can only be refined by an ancient craftsman. It can be crushed and sent out. However, it has been lost now. The teleportation jade pendant in Huang Tianming's hands is probably obtained from some ancient ruins."

Ye Qiubai suddenly realized.

Lu Changsheng didn't care so much, he looked at Ye Qiubai and said, "Do you want to go back?"

Hearing this, Ye Qiubai shook his head and said, "I still have to go to Yinjianzong."

Lu Changsheng nodded and said: "Okay, then I will take your junior brother and leave first."

After speaking, before Ye Qiubai could speak, he disappeared in place.

Ye Qiubai smiled wryly upon seeing this.

He still wanted to see his fourth junior brother, why did he leave.

have to.

I can only go back and see you again.

And after Lu Changsheng left.

Support of Zodo Academy arrived, too.

The elders of Law Enforcement Church came in person.

Seeing an empty space in front of my eyes.

There was only a little blood mist remaining in mid-air, and he couldn't help but feel a little dazed.

"What about people?"

The elder of the inner dean smiled wryly when he heard the words, and said: "It was all solved by Ye Qiubai's master."

Chapter 93 Reliance of the Sunset Dynasty?

When the Tibetan Taoist Academy received a signal of support from the inner elders.

The rescue was organized immediately.

Led by the elders of the law enforcement hall, they went to support Ye Qiubai.

And this matter, the dean also knows.

At that time, he didn't say anything, but went directly to the Sunset Dynasty.

...

At this moment, in the setting sun dynasty.

Huang Yitong looked solemnly, looked at the man in front of him, and said, "What wind brought Dean Yan here?"

Dean Yan had a faint smile on his face, and said: "Your boys have brought people to the Central Region, and they want to surround and kill my academy disciples. I can only come and sit."

Hearing this, Huang Yitong's expression turned serious.

In fact, he knew that Huang Tianming took all the troops to the central region.

Among them, Huang Yitong did not stop him.

If it is blocked, can Huang Tianming take away Eunuch Ming and Shura cavalry?

And enshrined in many dynasties?

This is of course impossible.

This is also the last chance for Huang Tianming!

"The enmity between the juniors, let them handle it themselves."

Huang Yitong smiled lightly and said, "Dean Yan, it's fine for the two of us to watch."

"Do it yourself?"

Dean Yan had a faint smile on his face, but his eyes were cold.

"There are five people on the Wu list, and one of them is ranked seventh."

"All Shura cavalry are dispatched."

"You said, handle it yourself?"

Hearing this, Huang Yi pretended to be surprised, as if he didn't know about it, and said: "Oh? Is there such a thing? Tianming never told me about it."

Dean Yan shook his head, he knew that Huang Yitong was playing dumb.

"Forget it, if something happens to Ye Qiubai, then..."

Speaking of this, Dean Yan's smile completely disappeared!

Instead, his face was cold and indifferent!

A breath burst out!

Move the tables and chairs in the hall, even the dragon chair!

Shake it into powder!

"If Ye Qiubai dies, then there is no need for the Sunset Dynasty to exist."

Huang Yitong's complexion didn't change much.

Dean Yan's strength is much higher than him.

is the third existence in the martial arts list.

Although he is not much different from Dean Yan in ranking.

But the top three in the martial arts list, the strength has undergone a qualitative change!

Because, Dean Yan's strength has already broken through the Qianyuan Realm and reached the False God Realm!

In the False God Realm, the soul has undergone a qualitative change.

It is also known as reaching the realm of the soul.

However, it is only a half-step fascination.

Huang Yitong said with a smile: "Dean Yan, are you so sure you can destroy my Sunset Dynasty?"
"oh?"

Dean Yan smiled and said, "Why don't you try?"

The atmosphere instantly became tense!

The air seemed to condense!

stopped the flow.

However, even so, Dean Yan felt dark in his heart.

Huang Yitong is not an impulsive person.

On the contrary, he is a very ambitious king.

And an ambitious man is useless if he is only fearless.

But the emperor's unification is not the case.

On the contrary, he is a very man of the city!

Saying such things is naturally not groundless!

It must be certain.

But, what is the support of the emperor's unification?

Can it compete with Tibetan Taoist Academy?

Dean Yan said: "It seems that your Sunset Dynasty hides quite deeply?"

Huang Yitong laughed and said, "Hidden? Not at all."

Old fox!

Dean Yan snorted coldly.

No more words.

Huang Yitong was also silent when he saw this, with a smile on his face.

They are all waiting for the results.

And this time, Huang Yitong obviously had a confident smile on his face.

If that kind of lineup can't kill Ye Qiubai, then it can only be said that the opponent's luck is too good.

...

A long while.

The sun is going to set.

The afterglow shines in the royal city of the Sunset Dynasty.

The entire palace is illuminated, as if it is heading for decline.

At this time, a soldier hurried in.

"Report!"

Huang Yitong looked over, seeing the anxious faces of the soldiers, his eyes couldn't help but sink.
"explain."

The soldiers didn't dare to raise their heads, they clasped their fists and raised their hands above their heads, panting, and said in panic: "The Shura iron cavalry led by His Royal Highness..."

Huang Yitong frowned, with some bad premonition in his heart.

Dean Yan also took a sip of tea slowly, without looking up.

Doesn't seem to be in a hurry.

"Say it! What's going on."

Hearing Huang Yitong's urging question, the soldiers didn't dare to hesitate any longer, lowered their heads even lower, and said: "Sura cavalry, all killed in battle..."

All killed?

Hearing the news, Huang Yitong's eyes turned cold, and he burst into anger!

You know, Shura cavalry is the ace army of his sunset dynasty!

Countless battles.

Made great contributions to the dynasty!

Now, it's all gone?

"What about Ming Gonggong and the offering?"

The soldiers felt the anger of Huang Yitong and cried out in their hearts. Under the oppression of the endless coercion, they trembled all over.

"The five priests... all escaped."

"Eunuch Ming, it is...fallen."

Hearing this, Huang Yitong trembled.

Eunuch Ming is the top strength of his Sunset Dynasty.

powerful.

If it is said that the death of the Shura Iron Cavalry caused a huge loss to the Sunset Dynasty.

Now, the fall of Eunuch Ming will definitely hurt the Sunset Dynasty.

The escape of the enshrinement made the current Sunset Dynasty even worse!

And heard these words.

Dean Yan also smiled and heaved a sigh of relief.

Put down the teacup, stood up and said with a smile: "Okay, now that you have learned about the situation, then don't bother the Lord of the Sunset to deal with your country's affairs."

"However, the lord should not be too angry. After all, in our current state, it would be a disaster if our state of mind is broken."

After finishing speaking, leave a loud laugh.

disappeared in place!

Huang Yitong's face was ugly, he took a deep breath, and his face returned to calm.

At his level, the skill of nourishing qi is naturally not bad.

Not to mention being the lord of a country.

I saw Huang Yitong calmly said: "What about the eldest prince?"

The soldiers shook their heads: "The eldest prince has not fallen, but he is also missing."

"Um."

Huang Yitong nodded and waved his hand, "Okay, you can go down."

"Here!"

The soldier stood up, bowed his head, raised his hands above his head, and retreated like this.

After going out, I was relieved, the inner armor was already soaked in sweat!

In the main hall, Huang Yitong looked at the afterglow of the setting sun.

My heart is heavy.

That lineup did not kill Ye Qiubai.

Instead, it has gained so much national power.

This son is really lucky.

However, there is no turning back when the bow is opened.

Since Ye Qiubai has been thoroughly offended, he must be killed!

Immediately, a **** came and said calmly: "Resign Huang Tianming as the lord of the country, and announce it to the world as a punishment."

"At the same time, issue a reward order to the Four Regions to take Ye Qiubai's life, and you can go to the treasury to pick up three items."

After saying that, the eunuch's mind was shocked.

Let's not talk about Huang Tianming.

The treasury can take three pieces at will?

This is bleeding!

"Aren't you going to do it soon?"

The emperor swept towards the eunuch.

The **** trembled immediately: "Here."

Chapter 94 This silly boy is not simple...

Let's talk about the dean.

has returned to the Tibetan Taoist Academy.

Now, the elder of the law enforcement hall has returned.

Came to Zhongfeng Hall to report the situation.

Dean Yan smiled and said, "Good job."

"However, how did you kill No. 7 in the Wubang?"

You know, the higher the realm, the harder it is to kill.

Let's not talk about high realm and strong strength.

Every strong man with a high realm must have means to save his life.

If you want to kill, unless you are absolutely suppressed by combat power, you want to do it.

It's as difficult as climbing the sky!

The elder was taken aback when he heard this.

"We didn't kill it."

"Not you?"

Dean Yan heard this, and asked in confusion: "Who is that? Could it be someone from the Yinjianzong?"

The elder still shook his head and said, "I heard that Ye Qiubai's master has arrived."

"It took only two moves to wipe out Eunuch Ming and Shura's iron cavalry."

Two tricks!

Dean Yan's eyes froze.

If I let him do it, I'm afraid he can do it too.

In other words, the opponent's strength is not inferior to your own!

And possibly stronger.

Who is Ye Qiubai's master?

Dean Yan couldn't think of it, but there was no need to think about it.

After all, Ye Qiubai is now a student of their Tibetan Taoist Academy, so there is no enmity.

This is enough.

...

At the same time, Lu Changsheng had brought Xiao Hei back to the thatched cottage.

Liu Shu sensed Xiao Hei's presence.

Can't help but wonder in my heart.

Why did you accept another evildoer?

Or the body of a demon?

Lu Changsheng pointed to a wooden house and said, "You will live in that one from now on."

Xiao Hei scratched his head, nodded and said, "Okay, Master, what am I doing now?"

"what?"

Lu Changsheng said speechlessly: "Of course it's cultivation. Didn't I just teach you a body training method? You just need to practice according to the exercises."

Xiao Hei scratched his head, and said: "But Master, the body training method you gave me seems a bit special..."

"special?"

"What kind of special law?"

Xiao Hei thought for a while, and said: "It seems that the first layer needs to be tempered in an extremely hot place."

Extremely hot place?

Lu Changsheng thought about it, but there seems to be no thatched cottage.

But in order for Xiao Hei to quickly increase his strength and obtain system rewards.

Lu Changsheng said: "Okay, I'll ask."

After finishing speaking, he left the thatched cottage and went to where Qin Tiannan was.

At the moment.

Qin Tiannan was practicing, when suddenly, there was a voice in front of him.

"Uncle Qin, is there an extremely hot place in our academy?"

Qin Tiannan opened his eyes immediately, and said in surprise, "When did you come?!"

Lu Changsheng said: "Just now..."

Qin Tiannan: "..."

Apart from being speechless, I was more surprised.

He didn't feel Lu Changsheng's breath at all...

And look at Lu Changsheng's appearance.

He didn't deliberately hide his breath at all.

Could it be that this guy has a magic weapon to hide his aura?

Qin Tiannan shook his head, and said helplessly: "A place of extreme heat? Let alone our academy, even in the entire southern region, there is no such place."

"But why are you looking for an extremely hot place?"

Lu Changsheng curled his lips and said, "It's okay, as long as my apprentice's skills need to be practiced in an extremely hot place."

After finishing speaking, he left this place.

Apprentice?

Qin Tiannan was taken aback, Ye Qiubai was in the central region.

Hongying and Ning Chenxin both don't know where they are.

Could it be that this kid has taken in an apprentice again?

Before he had time to ask questions, Lu Changsheng had disappeared.

Seeing this, I couldn't help feeling short of breath.

...

Lu Changsheng returned to the thatched cottage and touched his chin.

Academy does not.

North the South Region.

so what should I do now?

How about making one yourself?

But, how to do it?

After thinking for a while, Lu Changsheng looked at the little bird beside the willow tree.

"With..."

As if feeling Lu Changsheng's gaze, the bird opened his eyes and saw Lu Changsheng walking towards him.

His expression on his face.

Can't help being a little vigilant.

Lu Changsheng rubbed his hands and said with a smile: "Bird, don't you know how to breathe fire? How about you make a pool of flames?"

Little Bird: "..."

Lu Changsheng continued: "Look, I've raised you for so long, so I won't even refuse to agree to this request, right?"

Little Bird: "..."

After hesitating for a while, a sound transmission actually entered Lu Changsheng's mind.

"My flame is very domineering, I'm afraid that fool can't bear it."

Can not bear?

Lu Changsheng shook his head and said, "I should be able to bear it, it's okay, just watch it, let him try it first."

Little Bird was a little speechless and nodded.

Then.

Lu Changsheng called Xiao Hei over.

A large pit was opened in an open space.

Let Xiao Hei jump in.

Xiao Hei did not suspect him, so he did.

Seeing this, the little bird also flew above the big pit.

Long beep!

That voice did not match the bird's figure at all!

Beware!

The sound of long ringing spread throughout the academy!

Immediately, a raging flame ignited all over the bird's body!

The flames burned and distorted the surrounding space!

You know, the entire mountain in the Caotang has been reinforced with space.

At this moment, the raging flames also fell into the big pit at this moment!

Swept towards Xiao Hei!

"ah!"

For a moment, Xiao Hei let out a cry of pain!

Lu Changsheng was above, with a nervous expression on his face, his breath was completely locked on Xiao Hei, and he was paying attention to the situation inside.

If something goes wrong, Lu Changsheng will rescue Xiao Hei.

"Xiao Hei, run the exercises and temper your body!"

Xiao Hei gritted his teeth and nodded in the middle of the fire pit.

Immediately, there was no more sound.

Time passed for a while.

Little Bird looked at Xiao Hei among them, but still gritted his teeth and persisted.

Moreover, the flesh body seems to be somewhat accustomed to this flame!

Can't help being a little surprised.

Her fire of nirvana, although suppressing a lot of power, is still not something ordinary people can bear.

Thinking of this, the little bird flapped its wings.

The power of the flame has increased a bit!

In the sea of flames, Xiao Hei's body trembled!

Grit your teeth tightly!

Seeing this, Xiaoniao couldn't help thinking to himself.

This silly boy's perseverance is not bad.

After speaking, the flames around him dissipated.

However, the flames in the pit are still burning!

After a while.

Xiao Hei is still persisting.

On the body, there are lines of flames that start to spread!

Exudes a fiery red luster!

Breath is also rising steadily!

Seeing this, Lu Changsheng also felt relieved.

There should be no problem.

Lie back on the bamboo chair.

And the little bird was shocked!

Where did you get this monster?

Before there was Ye Qiubai, as if he was born with a sword.

Hongying again, the reincarnation of the ancient empress.

Although Ning Chenxin has no realm, he is quite profound in Confucianism and Taoism!

Now, another little black with a unparalleled body?

There are so many monsters in this wild land.

The little bird said it was numb...

...

the other side.

Ye Qiubai has arrived at Yinjianzong.

Chapter 95 Hidden Sword Sect

Hidden Sword Sect.

As one of the two major.

The power in Zhongyu is at its peak.

At the same time, it is also a holy place that sword cultivators in the world yearn for.

When Ye Qiubai and others arrived at Yinjianzong, they felt its essence.

Yin Jianzong is located on a mountain peak.

This mountain peak, like a sharp sword, goes straight into the sky.

Towering!

The top of the mountain is covered in the clouds!

Ye Qiubai looked at it, and he could feel the extremely sharp sword intent contained in this sword edge!

It's as if the edge of this sword is a supreme sword.

Beside Liang Feng explained: "The Hidden Sword Sect is divided into three places, and the foot of the mountain is where the disciples of the outer sect are."

"The mountainside is an inner disciple."

"The place near the top of the mountain is the direct disciple, and the top of the mountain is the place where the elders of the sect and the suzerain are."

Ye Qiubai nodded.

Liang Feng continued: "If the disciples want to climb up, not only depends on the contribution of the sect, but also depends on the strength of their swordsmanship. If any one of them fails to achieve it, they will not be able to climb up."

The level distribution of Hidden Sword Sect is very strict.

Go up to enjoy more resources.

The higher you go, the stronger the sword intent on the blade, which is also very beneficial for the disciple's understanding.

Ye Qiubai asked: "What about you?"

Liang Feng shrugged when he heard the words, and said, "Naturally he is a direct disciple."

Yipan's inner elder also said: "Liang Feng is the suzerain's direct disciple."

Ye Qiubai nodded. To be the only person who went to the Academy to seek Taoism, identity, talent and strength are naturally indispensable.

At this time, on the mountain peak, an old man came down with a sword.

came in front of Ye Qiubai and the others.

"Is this the person sent by the academy?"

The elder of the inner dean greeted him, and said with a smile, "That's right, due to some reasons, a student was changed halfway."

The elder of Yinjianzong nodded. This kind of thing has nothing to do with him. He looked at Liang Feng and said, "Liang Feng, go to the peak, the suzerain is looking for you."

Liang Feng was taken aback for a moment, then nodded, turned his head to look at Ye Qiubai, and said, "I'll go to Master first, and I'll come to you for a discussion later."

Hearing these words, the elder of Yinjianzong was also slightly surprised.

You know, Liang Feng is extremely proud in Yin Jianzong.

There are very few disciples who can be looked up to by him.

He also has this qualification.

Because Liang Feng's kendo talent is too high.

The elder couldn't help but look at Ye Qiubai more, it seems that this son is not simple.

Hearing this, Ye Qiubai nodded.

Liang Feng left.

The elder of the inner dean also said to Ye Qiubai: "Okay, you can practice here for a while with peace of mind, and then go back to the academy."

Ye Qiubai thought for a while, and said: "Elder, I will go back to the Southern Region directly."

He is going to ask Master about Mu Ziqing's physique.

I don't know if Master can solve it.

The elder nodded and said, "That's fine, but be careful about the revenge of the Sunset Dynasty."

Ye Qiubai nodded.

After the elder of the inner dean nodded towards the elder of Yinjianzong, he also left here and returned to the academy.

The elder of Yinjianzong glanced at Ye Qiubai, then stepped forward with his sword, and said, "Follow me."

Ye Qiubai looked at the elder Yu Jian, thought for a while, and also took out the wooden sword.

Wrap it in aura and let it fly.

Immediately stood up.

Just wanted to borrow a wooden sword to rise against the wind.

However, after flying five meters slowly, it became unstable and swayed from side to side.

The elder in front seemed to be aware of it, and said lightly: "Use the sword intent to block the airflow in the space."

Ye Qiubai did as he was told.

The sword intent enveloped the wooden sword, and sure enough, the sword was successfully raised once!

The elder was surprised when he saw this.

Although flying with a sword is not a profound method.

But it is very difficult to succeed once and master it!

The elder didn't say anything. He slightly increased his speed and flew towards the mountainside.

Ye Qiubai slowly followed.

The speed is also getting faster!

Gradually, I also mastered this method.

The elder was in front, nodding slightly.

This kid has a good understanding.

...

soon.

came to a cave.

"You can live here temporarily, tomorrow, you can enter the sword mound."

After speaking, the elder left.

Ye Qiubai looked around.

Here, located on the mountainside.

is the place where inner disciples live.

The surrounding sword intent is also many times stronger than that at the foot of the mountain!

No wonder the hidden sword sect is known as the Holy Land of Sword Cultivators...

When Ye Qiubai wanted to enter the cave to heal his wounds.

A few disciples walked over.

The head of the person looked stern and arrogant.

Holding a sheathed long sword in his hand.

"Are you a new disciple?"

Ye Qiubai shook his head.

"Not a disciple of Hidden Sword Sect?"

Immediately, the stern man came to his senses and said, "You are the student sent by the academy to go to Jianzhong to practice."

Ye Qiubai was noncommittal.

"It doesn't look like a powerful swordsman..."

The person behind the stern man spoke.

"Zang Dao Academy is not a place that specializes in swordsmanship, so naturally it cannot be compared with our hidden sword sect."

"Wouldn't it be a waste for such a person to enter the Sword Tomb?"

"You know, we are not qualified to enter the sword mound to practice!"

Hearing these words, the stern man also turned cold.

Ye Qiubai ignored these words and wanted to enter the cave.

But at this time, the stern man obviously didn't want to let Ye Qiubai go easily, raised the sheathed long sword in his hand, and said to Ye Qiubai, "Let's have a fight?"

Ye Qiubai ignored it.

If it is normal, he may accompany you.

But the other party was disrespectful.

And he himself wants to recuperate his physical condition.

After all, it was just a battle, so it is impossible not to get injured.

After all, the opponent is ranked seventh in the Four Regions Martial Arts List.

The realm is much higher than Ye Qiubai!

He wants to enter the Sword Tomb in the best condition.

Seeing that Ye Qiubai didn't pay attention, the stern man's expression turned cold, and he said, "Is it my generation of sword cultivators who don't even have the guts to fight?"

"Then what kind of sword repair do you deserve?"

Ye Qiubai walked into the cave without stopping.

Leave one sentence blank.

"I just don't think it's necessary."

Hear this.

Everyone was taken aback for a moment.

Immediately flew into a rage!

Obviously, Ye Qiubai didn't take them seriously!

The same is true.

The stern man shouted: "Then wait until you come out of the sword mound."

After finishing speaking, he took people away from this place.

After entering the cave, Ye Qiubai sat down cross-legged, running the Taichu Sword Meridian to repair the damaged meridians of the body.

...

It was the next day.

Ye Qiubai was interrupted by a voice outside the cave.

"Brother Ye, it's time to go to Jianzhong."

Ye Qiubai walked out of the cave, and when he saw it, it was Liang Feng.

Just listen to Liang Feng said: "I'll take you there. When the time comes, after you come out of the sword mound, remember to discuss with me."

Ye Qiubai readily agreed.

He still has a good impression of Liang Feng.

The opponent is also worthy of his sword.

After finishing speaking, the two headed towards the place where the sword mound was located!

And the news that the academy students are about to enter the sword mound to practice has also reached the ears of the disciples of the hidden sword sect!

Chapter 96 Sword Tomb!

Jianzhong, the hidden realm of Jianzong.

When the hidden sword sect masters fall, their sabers will return to the sword mound.

On top of it, there may be its inheritance!

It is rumored that there is a sword of a sword master in the sword mound!

It is also the last sword master in this continent, the founding ancestor of the hidden sword sect, and the sword of the cloud hidden sword master!

The position of the sword mound is not above the edge of the sword.

Instead, it's inside the blade!

Need to enter from the top of the blade.

Along the way, Liang Feng explained: "The reason why the sword edge surrounds the sword intent is because of the sword mound in the sword edge."

The sword intent of Jianfeng is so majestic, how many sword intents are there in the sword mound?

Ye Qiubai nodded and said, "Are there any restrictions in the sword mound?"

Liang Feng smiled and said: "There are no restrictions, you will understand after you go in."

"However, if you can't bear the sword intent in it, remember to back away, or you will be crushed by the sword intent in it!"

Ye Qiubai asked: "What about you? Have you ever been in?"

Hearing this, Liang Feng shrugged his shoulders and said: "I have gone in twice, the first time, I just walked ten steps, and I couldn't bear it."

"The second time, I advanced 80 meters, which is my limit."

Speaking of this, Liang Fengsheng was afraid that Ye Qiubai would look down on him, so he hurriedly explained: "Don't underestimate the 80 meters. After reaching 60 meters, the sword will be comparable to a master of swordsmanship!"

"Okay, you'll know when you go. For the first time, you shouldn't be able to go very far."

Ye Qiubai smiled, but did not reply.

Arrived at the peak.

At the entrance of the cave, there are two old men.

Two old men, although they can't see the realm.

But the vague sword intent is impossible to ignore!

Ye Qiubai looked at it, his heart trembled.

As far as these two old men are concerned, they must be stronger than Eunuch Naming!

It seems that the so-called Four Regions Martial Arts List cannot include all the powerful people in the world.

Liang Feng stepped forward, talked to the two old men, then turned his head to look at Ye Qiubai, and said, "Okay, it's okay."

"However, if you feel that you can't bear it, you have to back away immediately."

Ye Qiubai nodded.

Immediately, under the eyes of the three of them, they walked into the cave.

...

Wait until Ye Qiubai goes in.

Many disciples have gone to the place near the sword mound.

They want to see how far this student from the academy can go.

"The person who came last time only walked five meters for the first time?"

"That's right, and he came out injured."

"Brother Liang walked ten meters for the first time."

"That must not be compared with Senior Brother Liang. Although the Tibetan Taoist Academy is not weak, how can it compare with our hidden sword sect in terms of sword cultivation?"

Everyone nodded.

This is not arrogance.

Yin Jianzong, the first holy place of sword repair, is a true fact.

No one can question it.

Zang Dao Academy is not weak, but after all, what they learn is quite complicated.

It is incomparable with the hidden sword sect who focuses on the sword.

On the other side, Liang Feng came to the place where the master of Yinjianzong was.

The master of Yinjian Sect, Lin Hefeng, ranked second in the Four Regions Martial Arts List.

In the early days of the False God Realm, it was even the Sword Sect Realm.

is now known as the number one swordsman in the mainland!

Of course, Lin Hefeng himself never admitted this.

"Master."

Seeing Liang Feng coming, Lin Rufeng smiled lightly and said, "Go in?"

Liang Feng nodded.

"Then how far do you think Ye Qiubai can go?"

Liang Feng smiled bitterly: "To be honest, his kendo realm is very high, and he has reached the level of a great swordsman."

"And when he was seeking Taoism, he only took half a day to comprehend the inheritance on the sword wall."

"So the disciple estimates that he will at least not be weaker than me!"

Hearing this, Lin Rufeng smiled: "That is indeed a good seedling who cultivates swords, and it is rare that you can admire him so much."

Liang Feng was helpless.

Ye Qiubai is indeed very evil!

Facing Eunuch Ming who is No. 7 in the martial arts list, he was able to fight to such an extent!

Liang Feng asked himself, he still can't do it now!

Even if the realm is higher than Ye Qiubai!

"Okay, let's see how far that kid can go."

...

At this moment, Ye Qiubai has already entered the cave.

Entering the cave, it was dark all the way.

I don't know how long I walked.

Ye Qiubai could feel a sword intent gushing out from inside!

Extremely sharp!

Walking through this sword intent, Ye Qiubai didn't stop.

Here, the sword intent is so majestic, how strong is the sword intent in the sword mound?

Ye Qiubai couldn't help but look forward to it.

finally.

Ye Qiubai walked out of the cave.

The scene in front of him shocked him!

Sword Tomb.

Inside Janus!

In front of him, there was a rocky slope.

On the stone slope, there are swords stuck in it!

On those swords, there is faint sword intent revealed.

And these sword intents blend with each other, and the sword intent is extremely huge!

It seems to have turned into substance!

Ye Qiubai approached the stone slope.

Then he felt a sword intent attacking him!

However, this first sword intent couldn't hurt Ye Qiubai at all.

Seeing this, he pondered for a while.

then walked forward.

Walked on the stone slope!

The ground is full of swords inserted crookedly!

Some swords look very new, and some swords look very simple, and even have cracks!

This is Jianzhong!

Ye Qiubai bowed to Jianzhong before continuing to step forward!

Five meters.

Sword intent has reached the realm of a sword master!

But he couldn't stop Ye Qiubai!

Keep going.

Ten meters.

came to the place where Liang Feng arrived for the first time.

Here, the sword intent has reached the level of a great sword master!

Constantly washing Ye Qiubai's body!

Under the washing of the sword intent, Ye Qiubai could feel some resistance, but he had a new understanding of the way of the sword!

The sword intent emanating from this sword.

All have different kendo moods!

Ye Qiubai thought for a while and sat cross-legged.

Let go of defense.

Let the sword intent wash over your body!

Feeling the sword intent in it.

Those who enter the Sword Tomb, no one dares to do this!

Because the sword intents here are now ownerless.

There will be no holding hands at all.

If you let go of the defense, if you are not careful, you will be crushed by the sword intent all over the sky!

Ye Qiubai was able to do this entirely because of his physique!

Hunyuan sword body!

A long while.

Ye Qiubai finally opened his eyes.

At this moment, he has a new understanding of the way of the sword, and the sword intent is more powerful!

just continue to walk forward.

Here, it is far from his limit.

Fifteen meters.

Twenty meters.

Thirty meters!

When he came here, Ye Qiubai could already feel all parts of his body.

All are shrouded in sword intent!

Wanton destruction!

Here, Ye Qiubai felt resistance.

Then sit cross-legged.

Enter the perception again!

And it was at this moment.

Outside, above the sword edge, there is a sword intent soaring into the sky!

From the cave, he rushed up thirty feet!

This also means that the people in the sword mound have reached the level of thirty meters!

This shocked Yin Jianzong!

Chapter 97 Sword Intent Breaks Night!

Hunyuan sword body.

It cannot be said to be the number one physique in the ages.

But with such a sword body, it can be said that he was born for the sword.

More than just having a natural affinity for swords.

Comprehending swordsmanship and practicing swordsmanship can also achieve twice the result with half the effort!

Sword Intent is the same.

It can be said that one who possesses a Hunyuan sword body is a natural master of swordsmanship.

Plus the pill that Lu Changsheng gave Ye Qiubai before.

Even Ye Qiubai's physical body is not weak.

All these factors made Ye Qiubai able to withstand the sword attack in the sword mound.

...

Besides the Sword Tomb.

Sword intent soars thirty feet into the sky!

means that Ye Qiubai has advanced thirty meters.

This shocked the elder disciples of Yin Jianzong!

"How long has it been since you entered? Already advanced thirty meters?"

"And it's the first time, right? Brother Liang only advanced ten meters for the first time."

"Is this kid's sword talent really so high?"

Before, the few people who provoked Ye Qiubai in front of the cave also looked ugly when they saw this scene.

Ye Qiubai didn't accept the challenge at the time, not because he didn't dare, nor because he didn't have enough strength!

The other party didn't take them seriously at all!

This is the main reason!

"Look! It's moving again!"

At this moment, above the sword mound, the sword intent rushed to the night, and began to climb again!

Thirty-five feet!

Forty feet!

In the sword mound, Ye Qiubai continued to move forward.

Now, the sword intent within forty feet has turned into substance, sweeping like a long river of sword intent!

Ye Qiubai walked in the river of sword intent.

The body has been injured.

However, the sword intent surrounding his body became more and more solid!

In this sword mound, Ye Qiubai's kendo is improving at a speed visible to the naked eye!

When he reached forty-five meters, Ye Qiubai stopped again.

Here, there is an ancient broken sword, which flew out of the sword mound at this moment, standing in front of Ye Qiubai!

This is inheritance!

As long as Ye Qiubai holds the broken sword in front of him, he can gain all the swordsmanship insights of the owner of the broken sword!

See it.

Ye Qiubai pondered for a while, and instead of taking the broken sword, he sat cross-legged.

Continue to comprehend the sword intent here.

Broken Sword seemed to feel that the opponent did not accept it, and plunged into the ground again, and fell silent.

...

at the same time.

Nanyu Tibetan Taoist Academy.

Thatched cottage.

In the fire pit, the fire of Nirvana is still burning.

It's like eternal immortality.

And among them, stood a man.

The man is not naked, his body surface is covered by quaint and mysterious flame patterns!

This is the symbol of the first layer of refining the Eternal Demon Physique!

Practice the first floor, punches can crack the ground!

With the physical body alone, you can fight against the Qianyuan Realm powerhouse!

Even, if he hadn't reached the peak of Qianyuan Realm, he might not even be able to catch Xiao Hei's punch!

The fire of Nirvana in the fire pit suddenly erupted!

With Xiao Hei at the center, a vortex of flames actually formed!

Under Xiaoniao's astonished eyes, the fire of nirvana was completely absorbed by Xiao Hei at this moment!

Flow into those flame lines!

The flame patterns seemed to flow with scorching flames, imprinted on the surface of Xiao Hei's body.

Seeing this scene, Xiaoniao was even more shocked.

The fire of Nirvana is one of the top fires in the world.

Its power can burn everything in the world!

Although the strength is controlled, the power is still not small!

It is not something that ordinary people can bear.

But Xiao Hei can not only bear it, use it to practice, but also absorb it?

What's happening here?

Little Bird is a little suspicious, is there something wrong...

Immediately, he looked at Lu Changsheng who was lying not far away, and couldn't help thinking.

Where did this guy find so many monsters...

How come each has its own uniqueness...

At this time, the fire of Nirvana has been completely absorbed by Xiao Hei.

At the same time, those flame patterns were gradually buried in Xiao Hei's skin surface.

As if it had never appeared before.

Xiao Hei also opened his eyes at this moment, and walked out of the pit.

came to Lu Changsheng, scratched his head, and said honestly: "Master, it seems to be successful."

"Successful?"

Lu Changsheng raised his eyebrows and glanced at Xiao Hei, and said, "Why doesn't it look like it's changed?"

It still looks ordinary.

Xiao Hei shook his head and said, "I don't know, but I feel my body is full of strength, and I really want to find someone to fight."

Lu Changsheng: "..."

Looking into Xiao Hei's eyes, there is a fighting spirit in them!

At the same time, there is some magic in that fighting spirit!

Can't help getting up angrily, slapped Xiao Hei on the head, and scolded: "You little bastard, don't you want me to be your training partner?"

I just taught you exercises and accepted you as an apprentice.

You just want to beat up Master?

Xiao Hei touched his head and said aggrievedly: "No, no..."

"Still said no!"

At this moment, Qin Tiannan came to the thatched cottage. Seeing this scene, he couldn't help being stunned for a moment, and said, "What is this for? Changsheng, why did you beat the apprentice?"

Seeing Qin Tiannan, Lu Changsheng was taken aback for a moment, then thought of something in his mind, looked at Xiao Hei, and said with a smile: "Okay, this training partner will come to your door, Xiao Hei, let Uncle Qin compete with you !"

Hearing this, Xiao Hei looked at Qin Tiannan.

Qin Tiannan was also a little speechless, he was the head of a hospital.

However, looking at Xiao Hei's fighting eyes, he couldn't help but smiled wryly: "Okay, let's try it."

Anyway, he is still a junior, so it is good to practice with him.

It happened to be able to let Lu Changsheng's new apprentice know the strength of Qianyuan Realm experts.

This is also good for his future martial arts path.

Xiao Hei scratched his head honestly, and said: "Then I will be rude."

After finishing speaking, before Qin Tiannan could reply, he stepped on the ground with both feet and ran over!

Qin Tiannan smiled, put one hand behind his back, and immediately, he slapped out the other hand!

Still thinking in my heart, in case I hurt the other party, I saved some strength!

But.

Xiao Hei suddenly let out a roar!

The roar is deafening!

It's like the roar of a monster!

Immediately, he raised his fist, without any aura covering it!

Just punch it out with one punch!

hit Qin Tiannan!

When the fist landed on Qin Tiannan's palm!

Qin Tiannan's expression completely changed!

In the palm of my hand, a huge force that people can't resist came over!

Like a prehistoric beast breaking through the cage!

rushed towards Qin Tiannan's body!

at this moment!

Qin Tiannan flew upside down!

Was blown away by Xiao Hei's punch!

And Xiao Hei, as if he didn't enjoy himself, his eyes showed excitement!

roared again, and chased after Qin Tiannan!

See it!

Qin Tiannan immediately stabilized his figure, and didn't dare to keep his strength!

Let out a deep drink!

The strength of the late Qianyuan Realm broke out!

Before, after taking Lu Changsheng's Poyuan Pill, Qin Tiannan was also promoted to the late stage of Qianyuan Realm!

Immediately, he also greeted him with a punch!

Fist and fist!

All of a sudden, the thatched cottage was full of wind and clouds!

Chapter 98 Hidden dangers in the Southern Region!

Qin Tiannan really didn't expect it.

Lu Changsheng's new apprentice is so powerful!

Moreover, this is entirely physical strength!

There is no aura fluctuation!

It can be seen how strong its physical body is!

In the thatched cottage, the waves of air kept surging!

dusty!

Qin Tiannan's complexion also changed for a while!

Today's Xiao Hei has completely changed from his simple and honest appearance before.

Like a fighting machine!

Just this punch!

It is very difficult for him to block it!

At this time, Xiao Hei put away his fist, then raised it again, and threw it at Qin Tiannan again!

Seeing this, Qin Tiannan's expression changed again!

In a hurry, greet with both palms!

But this time, Qin Tiannan couldn't resist, with blood overflowing from his mouth, he flew upside down again!

Seeing this, Lu Changsheng came up behind Qin Tiannan in an instant, and held Qin Tiannan with his palm, preventing him from falling to the ground!

Immediately, a stream of pure spiritual energy injected into Qin Tiannan's body, repairing the meridians in his body.

A pill was also stuffed into Qin Tiannan's mouth.

Help him heal!

This made Qin Tiannan slow down!

At this moment, Xiao Hei seemed to have lost his mind, with endless fighting intent in his eyes!

The whole body is even more magical!

Like a monstrous troll!

Boom towards Qin Tiannan again!

Seeing this, Lu Changsheng stepped in front of Qin Tiannan, and immediately pointed out!

The fist landed on Lu Changsheng's finger, and he couldn't advance an inch!

At this time, Lu Changsheng also suddenly shouted: "Wake up!"

That voice fell into Xiao Hei's mind.

Gradually, that demonic nature began to converge.

The fighting spirit in his eyes dissipated at this moment.

"Huh?"

Xiao Hei's eyes regained clarity, he scratched his head, looked at the scene in front of him, and said, "What happened?"

Hearing this, Lu Changsheng asked, "Don't you remember anything?"

Xiao Hei had doubts in his eyes, shook his head and said, "I don't remember."

Lu Changsheng nodded.

It seems that Xiao Hei will lose his rationality during the battle.

I'm afraid it's also because of his physique.

Besides, Qin Tiannan looked at Xiao Hei in amazement.

Then he asked Lu Changsheng: "Where did you find your disciple? Why are you another evildoer?"

Lu Changsheng spread his hands and said, "Just go out and find it."

It can't be said to be a system task, right?

Qin Tiannan: "..."

He doesn't believe this set of rhetoric.

Going out for a while, I found Ye Qiubai, Hongying, Ning Chenxin, and now there is another little black?

However, since Lu Changsheng didn't want to talk about it, Qin Tiannan wouldn't pursue it either.

had no choice but to say: "Okay, okay, since you have accepted someone as a disciple, then teach them well, they are all good seedlings, don't waste them."

Lu Changsheng said casually: "Understood."

At this moment, Lu Changsheng was thinking in his heart.

Ye Qiubai makes fish delicious.

Red tassels make soup.

Ning Chenxin cooks vegetarian dishes.

What does Xiao Hei do?

Qin Tiannan helplessly slapped Lu Changsheng, and then said, "I came here to ask you for business."

"I am very busy."

Lu Changsheng said immediately without even thinking about it.

Qin Tiannan: "..."

"It doesn't matter if you're busy, give me time, it's very important."

Qin Tiannan had already figured out Lu Changsheng's character.

Naturally, he will not let him run away.

Then said: "This matter is related to the safety of the Southern Region."

"You should know that there is a large desert in the southern region, right?"

Lu Changsheng shook his head, his face full of confusion, "I don't know."

He has never been out of thatched cottage, so he knows a hammer.

Qin Tiannan: "...In the southern part of the Southern Territory, an extremely unstable atmosphere appeared in the desert, and even affected the surrounding space, as if it would burst at any time!"

"We speculate that it is possible that the secret realm is about to be born."

Lu Changsheng wondered: "Isn't that a good thing?"

"Not really."

Qin Tiannan's face was solemn, and he said: "If the secret land comes, then the space in the Southern Region will be destroyed, and at that time, the Southern Region will be destroyed by nearly half!"

"So, we decided to let the powerhouses of the southern region go to the desert to stabilize the space, and at the same time, tear a small crack and go in to explore."

Lu Changsheng was puzzled: "Isn't it very dangerous? Why do you want to go in?"

Hearing this, Qin Tiannan shook his head and said: "People are greedy, and it must not be easy to spread such a wide range of hiding and hiding, so this decision was made."

In the face of interests, everyone is greedy.

Same reason.

Among ascetics, it is impossible to remain indifferent in the face of this kind of hide and seek.

Qin Tiannan didn't wait for Lu Changsheng to answer, and said, "Okay, I'll call you when the time comes, don't hide."

After finishing speaking, he left this place.

Lu Changsheng: "..."

...

the other side.

Zhongyu, Hidden Sword Sect.

All the disciples looked up at the peak.

That soaring sword intent!

Now it has reached fifty feet!

"How far can this disciple from Tibetan Taoism Academy go..."

"It should be at the limit, and it has been a long time since I moved."

"No matter what, this is the first time I have reached this point, and I have already surpassed everyone..."

"You know, Brother Liang only walked ten meters for the first time..."

In the main hall of the suzerain.

Liang Feng looked at this scene with dull eyes.

this...

The difference is too much!

It was only the first time for him to make his sword intent soar!

But Ye Qiubai has already walked fifty meters.

Besides, Lin Hefeng smiled and said: "It seems that this kid's swordsmanship talent is not simple. Is it possible to let him come to our hidden sword sect?"

Hearing this, Liang Feng was taken aback.

Then he shook his head and said, "I don't know, but he already has a master."

"oh?"

Lin Rufeng chuckled, "Then I would like to see who is so strange that he can cultivate such a genius of swordsmanship."

Thinking about the scene where Lu Changsheng wiped out Eunuch Ming and the Shura cavalry with two moves.

Liang Feng smiled wryly and said, "I'm afraid I'm not under you, Master."

You know, Lin Rufeng is the second strongest in the martial arts list!

"Then I'm afraid I won't be able to win over this son..."

While the two were talking.

Sword Intent climbed again!

And this time!

Extremely fast!

In just a moment, it reached sixty feet!

Under everyone's horrified eyes, the speed didn't slow down in the slightest!

Seventy feet!

Eighty feet!

Ninety feet!

Up to a hundred feet!

just stopped!

And reaching this step means that Ye Qiubai has surpassed Liang Feng!

Today's Liang Feng can only barely reach the 80th meter!

You know, Ye Qiubai entered the Sword Tomb for the first time!

"It should be over here..."

"One hundred feet... This level can no longer be achieved by relying on strength alone..."

Lin Rufeng was also surprised, and said: "After Baizhang, you have to rely on your talent in swordsmanship."

"If you don't get the approval of those kendo will, no matter how strong you are, you won't be able to make progress!"

At the moment.

In the sword mound.

Ye Qiubai looked at the simple long swords floating in front of his eyes, with a pensive expression on his face.

is to choose one to accept the inheritance.

Or keep moving forward?

Immediately, Ye Qiubai made a decision after glancing at the sword still stuck in the ground above.

Keep going!

Chapter 99 Two hundred feet!

Sword Tomb.

After hundreds of feet, it doesn't depend on realm or strength.

Only the talent of swordsmanship is seen.

From the beginning until now, no one has climbed to the top of the Sword Tomb.

Even Lin Rufeng, the current master of Yinjian Sect, can only reach a distance of 150 meters!

Ye Qiubai looked around.

If it is said that the sword mound is 100 meters in front of the sword mound, if you step into it, you will be attacked.

Then, there is no aggressiveness in the next hundred meters.

However, this sword intent seems to form a barrier of sword intent!

If you want to pass, you can only break through with sword intent!

Ye Qiubai stepped forward and came to the first barrier.

Immediately, the sword intent erupted from Ye Qiubai's whole body!

Form a long sword with sword intent, directly cut through the first layer of barrier!

Ye Qiubai didn't stop.

The sword intent keeps gushing out!

It turned into a huge sword again, and slashed towards the second barrier!

Click!

Just moments!

The barrier shattered!

At the same time, when the barrier was shattered, the pure power of swordsmanship merged into Ye Qiubai's body!

at this moment.

In Ye Qiubai's dantian, there is actually a sword slowly forming!

In the sword mound.

Ye Qiubai is unstoppable, like a master of swordsmanship.

keep going!

On the sword mound, the sword intent soars to the sky, climbing continuously!

At this moment, it has reached one hundred and thirty feet!

And it only took ten breaths of time!

Everyone has long been numb.

Looking at this scene, his eyes were terrified!

Now, Ye Qiubai has used his strength to prove his kendo talent!

Also conquered all the disciples in the Hidden Sword School!

As for the few disciples who provoked in front of the cave before?

already lost face, and left here in despair.

Still challenging?

A person who can reach this level in the sword mound, can they challenge it?

In the main hall of the suzerain.

Liang Feng's expression was dull.

Lin Rufeng looked up at the Chongxiao Sword Intent, and said softly: "The fifth barrier will undergo a qualitative change. I don't know if this one can break it."

At this moment, Ye Qiubai has broken through the fourth barrier of sword intent!

Came to 140 meters!

Ye Qiubai waved his hand, and the sword intent swept away again!

However, this time, the barrier did not burst!

Just set off a series of ripples.

"Can't it be broken?"

Ye Qiubai froze slightly, and then turned his palm.

Sword intent erupts again!

turned into a long river of sword intent, forming a shocking wave!

Roll towards that kendo barrier!

at this moment!

The barrier couldn't bear it, it broke directly!

Destroyed!

The fragments of the barrier turned into sword intent and merged into Ye Qiubai's body again!

this moment!

A breath burst out!

At this moment, Ye Qiubai's realm has broken through to the late stage of Qi Sea Realm!

It's a matter of course!

Ye Qiubai continued to move forward.

At the sixth barrier, he used the Heavenly Demon Nine Swords!

One hundred and seventy meters.

The seventh layer of barriers, cut open with the seventh sword of the Heavenly Demon Nine Swords!

When reaching the eighth barrier.

Exercise Sword Domain!

also crashed and shattered!

And the ninth floor, one hundred and ninety meters away!

Neither the Sword Field nor the Heavenly Demon Nine Swords can break through!

At this moment, Ye Qiubai closed his eyes.

Long time!

It opened suddenly, and there was an endless meaning surrounding the wooden sword!

Ye Qiubai let out a deep drink.

The wooden sword in his hand suddenly slashed out!

Absolute Beginning Sword Sutra!

Ping Shanhe!

The ninth barrier shattered in an instant!

The outside disciples looked at this scene with horror in their eyes.

Sword intent soars one hundred and ninety feet into the sky!

This is unprecedented!

They have never heard that since the founding of the Hidden Sword Sect, someone can reach this level!

Suzerain Hall.

Looking at this scene, Lin Rufeng was silent for a while, then sighed, and said, "Liang Feng, it's your misfortune to be born in the same era as this kind of swordsman genius, and it's also your luck."

Liang Feng nodded silently.

In front of Ye Qiubai.

All kendo geniuses seem to have lost their luster.

"I'm afraid, in this era, only he has the opportunity to step into the realm of the sword master..."

Outside the sword mound.

The two old men also opened their eyes, looking at this scene solemnly.

In the back mountain of Yin Jianzong, there is a bamboo forest.

Deep in the bamboo forest, there is a bamboo house.

In the bamboo hut, a grey-haired old man opened his eyes, with a sword shining in his eyes!

"The world is about to open, it's time..."

Finish these words.

Aura burst out from the old man's body as well!

This kind of breath is much stronger than Lin Rufeng and Dean Yan!

...

The last layer of kendo barrier.

Behind the barrier.

There is only one sword stuck in it.

Jian Feng is simple and simple.

But there is no damage at all!

Ye Qiubai looked over, and it was rumored that this sword was the Juggernaut Saber.

is the relic of the founder of the Yin Sword Sect, Yunyin Sword Saint.

As long as you get this sword, you can get all the inheritance of Yunyin Sword Master!

This is very attractive to any sword repairer.

After all, since ancient times, after that extermination war.

There will be no more sword masters in the world!

Ye Qiubai stepped forward, the wooden sword in his hand gushing with sword energy.

Ping Shanhe cut out again!

But it is like a mud cow entering the sea.

The barrier didn't move at all!

"Isn't there a way to cut through the Sword Sutra of Taichu?"

Ye Qiubai did not leave because of this.

The inheritance of the Juggernaut is naturally not so easy to obtain.

I can't help but think to myself.

If you combine all the attacks together.

Make it blend with each other, will it be more powerful?

thought of this.

Ye Qiubai took action.

The sword field is expanded!

Immediately, a wisp of black magic energy began to spread in the sword field!

This is the Heavenly Demon Nine Swords!

Immediately afterwards, a sense of endless life also rose up!

Absolute Beginning Sword Sutra!

Ye Qiubai wants to combine these three exercises together!

However, when the meaning of endless life is combined with the black magic energy.

The black demonic energy seemed to be restrained by the Sword Sutra of Absolute Beginning, but it was swallowed directly!

"No, the level of the Sword Sutra of Absolute Beginning is too high, so naturally they cannot be integrated."

Next, Ye Qiubai tried to control the Sword Sutra of Absolute Beginning to reduce its power.

Try to find a balance in it.

And this attempt, one day passed.

Besides the Sword Tomb.

All the disciples watched this scene.

Secretly said it was a pity.

"I haven't moved for a day, I'm afraid I can't do it anymore."

"Well, it should be the limit, but it's enough to be proud of."

"It's probably coming out..."

In the main hall of the suzerain, Lin Rufeng watched this scene, sighed slightly, and said, "Didn't you get the inheritance from the patriarch after all?"

"etc!"

Liang Feng suddenly stared!

The soaring sword intent on the sword mound is at this moment!

Under the terrified eyes of everyone.

Climb to two hundred feet!

This also means that Ye Qiubai has walked 200 meters to the Sword Tomb!

That is to say, now Ye Qiubai has obtained the inheritance of Yunyin Sword Master!

At this moment in the sword mound.

Ye Qiubai integrated three sword skills into one.

smashed the barrier and came to the ancient long sword.

reached out.

Hold the hilt of the sword!

At this time, a phantom appeared in the sword!

"After so many years, has someone finally come here..."

Chapter 100 The Second Dantian!

"It's you, came here?"

Xu Ying looked at Ye Qiubai and said, "Are you, my disciple of the Hidden Sword Sect?"

Ye Qiubai shook his head.

Seeing this, Xu Ying didn't show any surprise, and said: "It doesn't matter if it's not, but I see that you have an acquaintance's breath."

"Is it Tianmo Nine Swords and Sword Domain?"

"You got the inheritance of the two of them?"

Ye Qiubai nodded.

"Then it is normal for you to be able to stand in front of me."

Xu Ying smiled and said: "Recognized by the two of them, there is no doubt about their temperament and talent. The inheritance of this seat can be entrusted to you with confidence."

After finishing speaking, Xu Ying raised his finger and tapped on the center of Ye Qiubai's eyebrows.

One message after another passed into Ye Qiubai's mind!

"My seat's technique may be a bit special, but it uses Dantian Yunjian."

"You should have felt the process of advancing in the Sword Tomb, right?"

Ye Qiubai looked inside his dantian. At this moment, there was indeed a small sword in his dantian!

Xu Ying explained: "My whole life of swordsmanship is all in this sword."

"With the Dantian Yunjian, the stronger your strength and the higher your realm, the stronger the sword in the dantian will be."

"If the dantian is damaged, this sword can also be turned into a second dantian."

Ye Qiubai was shocked when he heard this.

The second dantian?

"So, the senior has opened up another way of cultivation?"

Hearing the words, Xu Ying nodded: "You can also understand this way, but this seat has not yet explored this path, and you need to explore and perfect it yourself in the future."

"I hope that you can carry forward this practice."

Ye Qiubai nodded.

He felt the exercise information in his mind.

This technique will be terrifying to practice.

Possess two dantians.

If the two dantian realms have reached the Qianyuan realm, then, who else is the opponent in the Qianyuan realm?

However, it is also somewhat difficult to practice.

After all, it is not possible to practice at the same time. In Jiandan, it is not according to the usual way of cultivation.

Instead, practice with sword intent!

Use the dantian to cultivate the sword pill, and at the same time practice with the sword intent.

For others, the breakthrough of sword intent is already very difficult.

Some people can't break through in their whole life.

Then, cultivating this second dantian will have no effect.

certainly.

This is no problem for Ye Qiubai.

The current him has already achieved great sword intent, reaching the level of a great sword master.

Now, after being tempered in the sword mound in the sword mound, the sword intent is much thicker.

Breakthrough of Jianzong is just around the corner.

At this moment, Xu Ying waved his hand again.

A token appeared in Ye Qiubai's hand.

On the token, there is a word "cloud" engraved.

"This is the token of Yunhuang Secret Realm."

"Only by holding this token can you enter."

"Calculating the time, it's time for the secret realm to come. I hope you can grasp it."

After saying these words, the phantom gradually began to dissipate.

Ye Qiubai held the token and bowed respectfully to the simple long sword.

After a while, he got up and left Jianzhong.

...

Outside the sword mound.

The two old men watched Ye Qiubai come out, and said, "Go to the main hall of the suzerain, the suzerain has something to do with you."

Ye Qiubai nodded.

In the main hall of the suzerain.

Ye Qiubai came here.

Liang Feng had been waiting here for a long time. Seeing Ye Qiubai approaching, he hurriedly stepped forward and asked, "How did you do it?"

Ye Qiubai smiled: "If you want to do it, you can do it."

Hearing this, Liang Feng couldn't help but helplessly said: "I really admire you. You got the inheritance in Qiudao Mountain before, and now you have taken away the inheritance of my hidden sword sect."

"You don't give others a chance to survive at all!"

Ye Qiubai spread his hands, expressing his innocence.

He can't help it either.

Strength does not allow it!

"Okay, let's go see my master first, and then we will discuss it again. I want to see what the inheritance in the sword mound is."

Ye Qiubai nodded in agreement.

Then walked into the hall.

Lin Rufeng put his hands behind his back, saw Ye Qiubai coming in, and said with a smile, "That's right, he's much better than Liang Feng."

Liang Feng who came in behind Ye Qiubai heard it, and couldn't help but look depressed, "Master, don't bring such hurtful things."

Lin Rufeng smiled and said: "I just told the truth."

Originally, Lin Rufeng wanted to win Ye Qiubai into Yinjianzong.

But hearing from Liang Feng that Ye Qiubai has a master who is not weaker than him, he dismissed the idea.

Lin Rufeng looked at Ye Qiubai, and said with a kind smile, "Since you have obtained the inheritance from the patriarch, then the Hidden Sword Sect is also your backing. If you have any problems in the future, you can come to me directly."

In this way, Ye Qiubai was also attracted.

Ye Qiubai nodded, "Thank you, suzerain."

Seeing that Ye Qiubai accepted his kindness, Lin Rufeng couldn't help laughing and said, "As for the inheritance of the patriarch, I won't bother. Those who are capable can naturally get the inheritance, otherwise it's useless."

Liang Feng: "..."

Is this implying him again?

"What are your plans after that?"

Hearing this, Ye Qiubai said: "I think I'll go back to the teacher's school first."

Lin Rufeng nodded, then waved his hand, and a token appeared in front of Ye Qiubai.

Liang Feng was also taken aback when he saw this.

He doesn't even have this token!

"This is the order of the suzerain of the Hidden Sword Sect. If there is anything, please come to me with this order."

Ye Qiubai did not refuse, thanked him and took it.

Immediately after another conversation.

Ye Qiubai left the suzerain hall.

Liang Feng followed up, and said with a smile: "How about it, go to the sparring now? Or should you recover first?"

"Need not."

Ye Qiubai said: "Let's go now."

...

The two came to an open space.

There is no one here.

is where Liang Feng usually practiced his sword.

Liang Feng took out his sword and said, "Let's start."

Ye Qiubai nodded, and also took out the wooden sword. At this moment, the sword intention burst out unreservedly!

The realm of the great sword master is undoubtedly revealed!

Liang Feng felt the sharpness of the sword, and his face was solemn.

Now, although he has also reached the realm of a great swordsman, his sword intent is strong, but he is far behind Ye Qiubai!

Think here.

Liang Feng made a move!

With a low shout, the body burst out!

Dancing with the long sword in his hand!

The sword energy turned into a sword net, cutting towards Ye Qiubai!

Ye Qiubai remained motionless, with an expressionless expression.

Flip your palm lightly, and the sword will melt into a river!

Sweep towards that sword net!

No block!

The sword net was directly washed away by the river of sword intent!

Liang Feng's face changed, and the sword intent also spewed out!

Transformed into long swords, resisting the river of sword intent!

At the same time, a printing method was played!

Around Ye Qiubai, a sword formation actually formed!

Want to kill him!

Ye Qiubai let out a faint laugh, and stomped on the ground.

Sword field spread!

In the Sword Domain, Ye Qiubai is the absolute master!

The sword array is vulnerable to a blow under the sweeping sword intent!

Liang Feng looked at this scene, with a wry smile on his face, and stopped moving.

"I really don't know how you cultivate..."
