

175 Chapter 175 Epilog 2

“Hey, dickhead!” someone yelled in the middle of the training room; **1**

“Holy shit!” Kan, the sexiest wolf ever in the royal pack, growled.

“I am going to kill her!” Elias said and turning around he sees Theo blinking at him and he almost falls from his own feet.

Every time he is trying to woo a girl, miraculously Theo and Bella appear and ruin everything. He loves Bella with all his heart, being his twin, but Theo brooked her head.

Yes, that’s what he is saying daily. If she wouldn’t be such a good friend with Theodora Cruz, he is sure that she would have been a perfect little girl. But no, she had to have as bestie the one and only: the princess of the werewolves, the absolute perv and scoundrel girl that ever existed.

“She’s just like that great grandfather of hers, man!” Kan said, gritting his teeth.

“No wonder she didn’t find her mate, and who’ll be able to stand her?” and he looks at the sky and raises a prayer.

“Thank you Goddess, because you protected our

race and left her mateless!" and looking ahead he sees her coming to him.

"Elias Samuel!" Theo said and put her hands on her hips "You are fooling around again?"

"Fuck off, spoiled brat!" Elias said and putting and arm around that werewolf girl that he is trying to woo , he starts to walk away from Theo.

"Elias, this is not what mom and dad told you to do. When a girl is talking to you, you must be chivalrous and charmante. Acting like this, tonight when you will find your fated mate, she will run and hide. Who would like to love a brute like you?"

"You better shut up, Bells" Elias said. "Besides you and this beauty" he said and kissed the girl who is blinking at him like a stupid "I see no other girl here. And regarding the part with the fated mate, whoever will be, that girl will eat from my palm. I am the best of the best , only this bitch brothers are better than me, but I am older so yeah...I am every woman's dream."

"Oh my goddess..." Theo said "Are you disillusioned?"

"I want to beat her!" Kan said. "I really, really want to break her legs. I hope that our mate will be from another pack, and we will have a chance to leave this place an never she her again!"

"But I like this royal pack," Elias said sincerely.
"Only Theodora Cruz is the one that disturbs my existence"

And he looked at her again .

"Too bad about that beautiful face of hers..." and without looking back he takes that girl with him and starts to kiss her.

"You brother is a piece of shit" Theo said.

"Neah... He got too much attention when he was little ,and now the thinks that he is the center of the universe, but from this night he will need to find a way to let his pride and start to love for real, not just to fuck every single girl in this pack."

"Cara and Sam are so sweet and you are too, so are your little brothers, how the hell did he become a jerk?" and she exist the training room but when she turns her head, Theo sees Elias with that girl suffocating each other in a monstrous kiss.

"You could say that they are eating each other, not kissing. Look at them" Samara, Theo's wolf said. "Horrible!"

But something in her triggered and being deeply annoyed by Elias, just when he was ready for more action she shouted.

"Elias Samuel!"

"Oh, shit!" he cried falling in his knees and holding his "friend " while he tries to zip his trousers back, because right now a lot of people saw him and he can't do anything.

"Make you daddy, proud, Elias! He and Cara made four fantastic kids, and he failed only with you, but you can show him that you can do better!"

"Oh my goddess!" Bella said "he will kill you this time!"

Theo just turns her head and starts to walk away from there, while Elias starts to curse her and swear that this is the last time he will let her mock him.

He pushed the girl away from him , leaving her half naked and started to walk directly to the royal packhouse, full of jitters.

"Hey sweetheart!" Cara said from the living room. "What's wrong?"

"I hate her mom, I really hate her!"

"What are you talking about ?" she asked and looked at Meredith.

"I am sorry, Auntie Mer. But she is too much, keep her away from me tonight or I will strangle her."

"I hope you didn't fight with Theo again"

Meredith said and she didn't even finish when Max and Sam came in with their younger boys.

"I can't even fuck a girl without being disturbed by her and Bells. I can't stand it anymore!"

"But you shouldn't even do that, you fool!" and Cara looks at him with some killing eyes, and then looking at Sam she whispers. "He is just like you" and she is almost crying.

Sam came to her and took her to his chest.

"I will talk to him until it is not too late. I will explain to him how much it will cost him later all these stupid fooling around. I promise, he will never do the same mistakes I did, losing so much time with you."

But as soon as he said that Theo and Bella came in.

"Ha!" Elias shouted and ran to his room.

"Sweetie" Meredith said "I asked you to leave him alone."

"I can't mom. He is a manwhore and I can't stand it to see him like this. He should be a model like dad and uncle Sam but he is just a jerk. We were best friends when we were kids, but since he discovered that he has a teeny weenie, that's all he knows. He-s a dickhead!"

"Theodora Cruz!" Meredith said in a very

warning way. "You are a princess!"

"Let my sweetie alone!" Grandpa Cruz said. "She can mock whoever she wants!" and the old man signaled to her to come closer to him.

"Are you ready for tonight?" he asked her. "We will have a big party here to celebrate Elias and Bella's birthday and a lot of young men will come from other packs, maybe it will be a lucky night and you will find your mate too."

"Or noooooot!" Max said. "She is just fine without a mate. She can stay here, she doesn't need a mate!"

"Dad is right!" Theo said. "I don't need a mate" but she is damned annoyed saying that.

Of course she wants her mate, it's been two months since she turned eighteen and her mate is nowhere to be seen.

So she went to her room, sulking and pouting and she just says:

"I hope that his mate will be the stupidest girl in this pack. Just as he is, The goddess was so good to him and made him so perfect but his brain is broken. He doesn't deserve a fine mate. Please, goddess, give him the meanest girl possible!"

"That would be you!" Samara laughed. "For him there's nothing worse than us."

Theo stops and looking in the mirror she asks:

"Us? Are you crazy?" and she starts to laugh. "He would rather kill me, than accept me as his mate. We are not a option for him"

And looking in her closet she took out a dress for the party.

"We have two hours to prepare," Samara said. "Let's rock, girl!"

The truth is that in this pack and anywhere in this world, everyone loves Theo. Maybe because she is the oldest child of Max and Meredith, but she was always in everyone's hearts. She is sassy as her mother, strong and direct as her father , sometimes perverted as Grandpa Cruz but at the same time she is the sweetest and behind all this ,she has a big, big heart who longs for love.

She took her charmeuse deep v-neck a-line dress, in a marigold color. The dress is simple yet sexy, from satin-like , very glamor with a plunging neckline, spaghetti straps, and an envelope skirt featuring pockets.

Her long dark brown hair is caught in a messy bun and she has only a thin necklace at her neck and some simplistic earrings, because she likes to be simple, she is just like her mother. Less is more as she always told her.

She exits her room and in the lobby she came

face to face with Elias who stopped in his track and looked at her mesmerized, but remembering how she mocked him just a few hours ago, he ignores the pull he feels and said a simple but also killing for Theo's heart word:

"Bitch!"

And he turned his back and left, leaving Samara howling.

"What's happening?" Theo asked putting a hand on her chest because she felt a deep pain in her heart.

"I don't know, but I think we are doomed, Theo." Samara said. "I think that he is our mate"

"Are you nuts?" Theo looks after Elias and thinks about all the fights they had in the last three years, since he started to change into a jerk.

"It can't be" and she simply walked after him , watching him from a distance, as he is kissing girl after girl , without carrying that in just a few minutes he will face his mate.

"If he is our mate, he will reject us for sure" Theo whispered "And I can't stand it, not tonight. I will ruin Bella's party and ...I need to go away from here" she said and she feels a pull to Eliase that makes he realize that her wolf is right, he is her mate. Just a few moments and he will know it too.

"But where should we go?" Samara asked.

"Dad?" Theo said through their mindlink 'can I go to your nest, please?'

"What happened?" and Max turns his look and sees her in the door of the ball room so perfect and beautiful.

"I just want to be alone. They will find their mates and this is making me feel strange. Just tonight, I need to be alone"

"Go" he whispered and looked after his beautiful angel, how she was leaving the party.

But Max was not the only one who saw her, and the sadness in her eye made Elias feel so uncomfortable that he almost went after her, pulled by Kan, but he ended up kissing another girl.

Bella found her mate and her joy was so big seeing that it was Luke's son, Paul. The boy is one month younger than her but his wolf appeared last year, even if it is not something normal and all the gang wants to see what destiny he will have, because let me tell you. He is just brilliant. He is a lot like Luke. He was the perfect child.

Elias just looked around.

"She is not here," he whispers." Our mate is not here"

"She is' ' Kan said "I feel her fragrance. Sniff the air, Elias and you will feel it too"

"So?" Sam asked, coming closer to his son.

"She is here? Did you find her?" and his eyes are glowing in happiness for his son.

"I feel her here but I can't see where she is. Her smell is everywhere, it's confusing."

"Eli" Sam said "It doesn't matter who she is, don't make the mistake I did rejecting your mother when I met her. Look at me." and he lifted his chin " It doesn't matter who she is. Am I clear? Let your wolf find her. Don't fight with the mate bond. " and he placed a hand on his son's shoulder.

"What if she will reject me?" he asks, still looking around.

"Don't let her do something like that." and Sam smiled, because he already knows what is happening. Here is only one girl who is missing. If Elias's mate would have been here she would have jumped on him until now.

"What if.. I made some mistakes and she hates me?" Elias said and he starts to think that maybe...

"Oh, my goddess," Kan shouted. "Find her, I need to know...I need to eliminate this possibility. She

will cut my balls if she is our mate. She will boil them and cut them into pieces and force us to eat them. We are doomed if she is our mate" and Kan now is almost peeing on himself.

"I need to go," Elias said, looking at Sam.

"Go, but remember what I told you." and he gives his son an embrace.

"Where is he going?" Max and Meredith asked .

"To find his mate. She left the party earlier" he said, smiling at them.

"Impossible, only Theo left the party earlier because she was not feeling well."

"WHAT?" Meredith said and looked at him. "Max, are you nuts? Where is she?"

"She just arrived at our nest" and pulling her to his chest, he whispered.

"This is so perfect, darling . If they weren't mates, I would have asked Grandpa to find a way to force her mate. They are just perfect!"

"There is no need for that, Max. The goddess plans are better".
