

## 26 Chapter 26 It's twenty thousand dollars

Author's POV 1

"What are we looking for on Alberni Street?"  
Cara asks, looking around.

"A dress for you? What else?" Sam says stopping the car and getting down quickly to open Cara's door,

She is looking at his outstretched hand and doesn't know what to do. To refuse his help would be a naughty thing on her part, to let him take her hand will make her feel sad because of the mate bond.

"Let him help you," Cici said. "You are too short and this car is too large. You're going to fall on your nose trying to get out of it. "

"Shit, you're right!" Cara said and immediately sat her hand in Sam's hand feeling all the tingles that come with the mate bond.

As soon as she is out of the car she pulls her hand out of Sam's hand but in a second, Sam inserts his fingers between her fingers shocking her.

"What are you doing?" she asks, looking at their hands together.

"It's crowded and I don't want to lose you," Sam told her without looking at her. "But if you don't want to, I can handcuff you to me."

"Are you nuts?" Cara asked, looking at him.

"No. I am serious "said Sam and stops and looks in her eyes.

"Shit!" Leo said. "I want to kiss her!"

"If she slapped Max, do you know what she's going to do to us?" Sam asks panicked and looking around he sees a luxury fashion shop and drags Cara after him.

"I know the owner and she has a lot of clothes for what we are looking for. She will help us to find a dress ".

"I can buy my own dress," Cara said looking at him.

"No, I will buy it. Max told me to get you a dress and I'll take it. We are in this together, have we understood? "He asks harshly but in reality he is very happy to be here.

He opens the door and as soon as he enters a very beautiful woman begins to jump for joy and jumps into his arms forcing him to let go of Cara's hand.

"Sam! You came back! I missed you so much! " and she takes him in her arms and kisses him

directly.

Sam doesn't even know what hit him and until he can react, Cara immediately leaves the store, refraining from crying.

"Shit!" What the fuck are you doing? "He asks, looking at the woman. and pushing her after him.

"How could I forget that I slept with the assistant of the store owner?!?!?" he asks himself.

And even though the woman is screaming for him, Sam runs out of the store and looks for Cara in all directions.

"Where the fuck did she run in just two minutes?" he asks himself.

Leo starts to sniff the air and feeling a trace he starts looking for her and even when he thought that his heart would explode with fear he lost Cara sees her, on a bench in a nearby park.

Sam looks at her and he is sure that she is crying. He approaches her easily and, sitting on the bench next to her, whispers to her:

"I am just sorry. I forget about that woman. "

"Why are you sorry?" Cara asks, looking at him and wiping away her tears. "Anyway, there's nothing between us, you're free to do whatever you want."

"But the fact is that there is something between us. "Sam said, looking straight into her eyes.

"You are right!" and looking at him Cara said.

"Let's end this bond. It gets tiring and I'm sure you want to be able to find someone strong to spend your life with. I'm just a burden for you and I don't want you to think I'm selfish. "

And Sam's heart stops and he puts his hands over her mouth stopping her from speaking.

"Don't you dare!" he says, gritting his teeth.

"Let me speak!" Cara says, muttering the words while Sam still holds his hand to her mouth.

"I Samuel Jackson" he said "I changed my mind! I take back my rejection! " he yells, shocking her and taking his hands from her mouth.

"But you can't take back the rejection," Cara said.

"I do what I want and I take back the rejection. I changed my mind and I want you. " he said.

"Are you drunk?" Cara asks.

"I want you!" Sam repeats.

"If you're not drunk, you probably hit your head somewhere" and immediately Cara went up the bench with her feet and grabbing Sam by the ear she pulled him towards her and started looking for wounds in his head.

"Do you want to stop !?!" Sam yells "I didn't hit my head! I want you! "

"Holy guacamole!" she said. "You are serious!"

"Of course I'm serious," he said and he tries to take her in his arms, but immediately Cara signals to him not to touch her.

"I can't trust you. Just twenty minutes ago a woman was kissing you. You are a manwhore. "

And Sam's face starts to frown.

"Leo, if she tries to reject me again I will beat her ass in the middle of the street."

"Is that so?" he asks and takes her hand and dragging her back in that luxury shop he looks around and when he sees the owner's assistant again he said.

"She is Cara Lewis, my fiancé. Please help her find a proper dress for Mr. Vincenzo Castellano party "

And suddenly the woman's face hardened.

"Now!" he said in a sour tone and with a growl, making the assistant take a step back and Cara to look at them with her mouth open.

"You know what?" he asks. "You can go, I don't trust you with my fiancé" and he mindlinks the owner, who is a member of his pack and in a minute she comes.

But seeing Cara, her face froze.

"What is she doing here?" Asks the owner.

"She is my mate, Sephora, so you better watch what you are talking about her."

"I am not, he is kidding" Cara said but immediately Sam looked at her and pulled her closer to him.

"I need a dress for her" and looking around he sees an emerald green long dress. "That one!" he said pointing to it.

And looking at him in shock, the owner asks.

"Are you sure that an omega deserves such a dress?"

But in that instant Cara's eyes filled with tears, no matter what happened she will always be the omega.

But surprisingly, until the first tear falls, Sam puts his hand in the owner's throat.

"She is my mate!" Sam said and he told her growling.

"She is the future beta female of our pack, and you will show her respect!" and growling once more he says angrily.

"Bring that fucking dress!"

And the owner runs and takes the dress and without saying another word she starts to help Cara to probe it.

But when she sees her wearing the dress, even the owner freezes and putting her hands to her mouth says:

"Oh my goddess, this dress was made for you." And looking at Cara she continues.

"I'm sorry, I exaggerated earlier. I didn't mean to offend you."

But Cara said nothing, she just looks in the mirror and doesn't know what's going on with her.

This gorgeous emerald dress is from Herve L. Leroux and is a draped fishtail gown. The dress has a ruched bodice with a draped design and a plunging U-neck. Is a long length and also has a fishtail train

"Can I see her?" Sam asks and the owner opens the door . In front of him appears the most beautiful angel he has ever seen. How could he not want her? How could he reject her?

"You're perfect!" Sam said and coming near Cara he caressed her naked shoulder feeling millions of tingles.

"We take it," he said.

"It's twenty thousand dollars," the owner said. "I need your card."

"What?" Cara said. "No, we're not taking it!" she yelled in panic. If she will collect all the money she had in her life and will not reach even a quarter of what this dress is worth.

But Sam reaches out his hand and hands the card to the owner.

"You are mine! Let me give you this dress!" he said, whispering in her ear and making her shiver.

And she just looks at him.

"He will come at your feet crying," Meredith said to her not long ago and now he says he changed his mind.

"Why isn't he crying?" Cara asked Cici.

"Because he has not yet learned his lesson" Cici tells her.

Squeezing her eyes Cara said:

"Fine! I will take the dress. Is gorgeous and I really like it, but you and me....We are not there yet!" and she turned her back to him and closed the door of the changing room.

"What the fuck are you talking about?" Sam asked.
