

30 Chapter 30 Landon Quinn has only one daughter!

Author's POV 1

"Did you see Meredith?" Cara asks Sam, looking around already panicking.

"No, she was with Max." Sam said searching for Max in the crowd.

"She is not. That jerk offended her again and went somewhere, probably he is seducing someone to make Meredith suffer."

"Impossible, he cares about her. He will never hurt his mate." Sam tells her very convinced of what he says.

"What is so impossible?" Cara asks nervously.
"Didn't you do the same thing with me?"

And Sam's heart stops.

"Did I Hurt You?" he asks.

"No Sam, you gave me the greatest joy of my life when you rejected me." and beginning to erupt, she bursts out:

"That's it ! I am going after her in the bathroom. She should have come out by now!"

"Wait for me, I'm coming with you." Sam said

placing the glass from his hand on a table and following Cara, but when they came in front of the bathroom instantly Sam sniffed the air.

"I smell blood, and chloroform," he said looking at Cara.

"Shit, it's her smell, Sam " and Cara immediately enters the bathroom and starts shouting at her.

"Mer! Are you here? " she asked in pure panic.

"Meredith!" but no matter how much she shouts, she is nowhere.

Sam takes out his phone and calls Max. He asks him directly.

"Tell me that Meredith is with you!"

"No, that bitch is not with me. I left the party half an hour ago. " but he didn't get to say more that Sam immediately hung up, but not before hearing him say,

"Shit, she's not with him!"

"Stop the fucking care!" Stark yelled growling, causing Max to suddenly step on the brakes and turn the car on the spot, avoiding an accident at the limit.

"Go back," Stark said in a panic "Something happened."

"I don't want to go, just let her ..."

But Starks takes control for the first time in Max's life, making him unable to react in any way and drive back to the party in place of Max.

Just as he arrived, he saw Sam and Cara coming out of the restaurant where the party was taking place.

"Did you find her?" Stark asks, forcing Max to sit back as a spectator for the first time in his life.

"No, someone kidnapped her. I found blood in the bathroom and I felt some chloroform, but that's all. She is nowhere to be found, man!"

And Max felt that someone stabbed him in the heart.

Someone took her? Someone hurt Meredith ?

"Stark, let me back," he asks. "I am just fine. "But Stark ignores him.

"Please Stark," and Stark hardly retreats growling at Max.

Immediately Max enters the party room and seeing Vincenzo, he goes straight to him and almost grips his hand on his collar.

"My mate disappeared. If I find out that you have anything to do with it, I will take everything from you. Even your life!"

"What are you talking about? asks Vincenzo

trying to get upset. "I was here all night. You can ask anyone "

But Max doesn't even want to hear it.

"Let me see the surveillance cameras," he said. "If you haven't done anything, let me see what happened."

Vincenzo takes him to the guard room, where Cara and Sam appear immediately but surprise! The cameras from the hallway leading to the bathroom did not work.

"How convenient isn't that?" Max asks Vincenzo.

"It's a private restaurant," he said. "It's not my fault that their cameras aren't working" when in fact he was the one that put his man to break them.

"What about the cameras from the parking lot?" Cara suddenly asks.

"What's about them?" Sam asks.

"They didn't go out on the main exit with Meredith, and the door from the hallway connects to the stairs that are leading to the roof and the underground parking lot." but she doesn't have time to say anything else so Sam immediately grabs her face in his hands and kisses her happily.

"You are a genius, little mate!" he said, shocking

her. Did he just kiss her? What the fuck is wrong with him?

"Play the footage from the parking lot!" Max orders the guard and after just a few clicks he sees what interests him. Four men, most likely looking like rogues, drag Meredith to a black van without numbers and leave with her, while Meredith is unconscious. "

"Oh my goddess!" Vincenzo said "In shock".

"She was kidnapped at a party. Is that how you guard your guests? " Max starts screaming angrily. "Four fucking rogues entered your party as if they were at home and no one knew? "

Max! Calm down," Sam said.

"I need to find her," and trying to focus he takes his phone out and calls James, who is not answering him.

Why is he not answering? James avoided him in the last two days.

So he texts him "Meredith was kidnapped. I need your help ASAP "

And he was astonished when in two seconds James called him and furious he asks:

"Where are you now?"

"Vincenzo Castellano party, I was ..." but Max

can't say anything anymore as James shuts his phone in his nose.

"Castellano" suddenly Max asks, looking at him. "Where is your mate?" And at that moment Sam's face turns white.

"Shit! Max, she wouldn't dare!" and he is almost trembling, but right then Veronica appears and looking around she says laughing.

"Here you were, my love!" and she goes to Vincenzo and kisses him, making him stop breath.

"What are you looking at?" she asks with a happy face. "Are you watching a any new movie?"

"Meredith Quinn was kidnapped," Vincenzo tells her.

"Oh my!" and going to Max she takes his hand in her hand and says in a very painful voice.

"Oh, Max, I am so sorry. She is just a human and she is so weak. "

But Max pushes her hand and goes outside the building. He needs air. A lot of air because he will suffocate inside.

"Why the fuck did I let her alone?" he asks himself and starts to punch the walls.

This is the view he offered when James came

with Lori and Landon Quinn after him.

"What did you do to her?" James asks, catching Max on his collar.

"I didn't do anything!" he yells "I wasn't even here when she was kidnapped, I was already gone!"

And he doesn't have time to finish what he has to say. Carter Cruz also parks his car and opens the door and leaving the keys in contact, he gets out of the car running to Max.

"London!" he says "I came as soon as I heard. Olivia called us. "

What is with all these people? How the hell do the Quinn's know Meredith?

But when he thought nothing could be worse, he saw Landon Quinn coming in front of him and punching him with force, he is slamming Max in the ass.

"I'm sorry Carter, but I can't stand it anymore!" he said and looking in Max's eyes he threatened him .

"If my daughter suffers even a bit, if even a nail breaks because of you, YOU ARE DEAD! "

And turns his back and enters the building to inspect the place.

"His daughter!?!?!" Max asks in shock. "Landon
