

73 Chapter 73 Forever or not at all

Author's POV 1

And in the morning in the airplane when everyone is inside Max looks around and sees Luke's face red as a boiled crab.

Leia stays near him and in front of him Vivienne looks at him angrily.

"Why is Leia here?" Max mindlink Luke.

"Don't ask. She wants to watch over Vivienne and annoy her."

"In this case I wish you success!" Max laughs "If they fight and damage something in my airplane, you pay!"

Luke just looks up and looks at Vivienne looking at Leia intently.

"I am prettiest" suddenly Vivienne said making Luke drown in the water he just drank.

"In which world?" Leia asks her.

"In any world," Vivienne said confidently.

"Keep dreaming" Leia said and mindlink Luke.

"How much longer do you let her run after you?" and she laughs "She definitely like you, and to be

sincere I like her too, she is sassy and funny with her strange accent. She is so different from Sarah, you will die from blood pressure with her but at least you will feel that you are alive."

"I will play this game until she will know for sure what she wants." Luke said.

"And you know what you want?" Leia asks him seriously.

"Yes, I want her. Even if I should wait for her until old age, I want her and only her! "

"In this case let's play!" Leia said and grabbing Luke by the hand she sits closer to him and puts her head on his shoulder and says smiling sweetly:

"I love you, Luke!" and she kissed his cheek, while Luke kissed her forehead and whispers.

"I love you too, sweetie" and a lightning struck Vivienne.

"Excuse me!" she said, getting up quickly from her chair and going to the bathroom, refraining from crying in front of everyone.

"I will show you, Luke Navarro!" she said looking in the mirror. "I will show you what you lose by rejecting me!"

It's the first time in the last five years when she cries and the more she thinks the more she cries

louder, crying because she cries.

"Vivi!" Meredith knocks on the bathroom door, gently sticking her ear to the door and hearing her cry.

"Open the door please" she said . And when Vivienne opens the door and Meredith sees her so affected, she looks around and when she is sure that none is watching take Vivienne and enter the airplane private bedroom closing the door behind them.

"Why are you crying?" she asks worried.

"He doesn't want me."

She just looks at Vivienne and smile.

"Let's think different," Meredith tells her. "Why did you change your mind and now you want him? You were very categorical when you said that he is not what you are looking for "

"I don't know." Vivienne said sincerely. "I am just obsessed with him since he refused me. "

"So it's a whim?" Meredith asks slightly disappointed.

"No, it's more than that. I felt this way back then with Alain. I loved him but he stabbed me in the back to revenge Françoise by kidnapping me and doing all those horrible things to me. It is the first time when I feel those butterflies in my

stomach looking at a man. I don't know how to explain it to you, but it's not a whim. "

And looking down she said.

"Is the first time when I want a man and is not a physical need"

Meredith just looks at her and tells her.

"Leia is his twin."

And Vivienne looks at her with a gaping mouth and frowns, clenching her teeth.

"I will kill him for mocking me!"

But Meredith catch her arms and stops her.

"No, now that you know what the facts are, you are in advantage." and smiling at Vivienne said.

"Make him come back to the point where he was when you two first met but don't hurt him. As I already told you, he is a good guy and he will love you forever. "

"Forever is a lot of time" Vivienne said looking in Meredith's eyes.

"It's forever or that love is not authentic. Forever or is not at all any love, and you can call it in a different name." Meredith said and taking Vivienne's hand she exits the bedroom and signals her to return to her place.

"Forever or not at all," Vivienne said in her mind,

and sitting down in her place, she looked up slightly and saw Luke looking at her worriedly.

"Forever or not at all," she said again as if she is in front of an important choice.

And Leo appears and she sees in Luke's eyes that glow that Meredith once told her about. That glow that occurs when a werewolf loves a woman and wants her with all his soul.

His beautiful blue eyes are golden insertion in its and are just splendid.

He is looking at her, and his eyes are glowing. And his face is so beautiful that right now she would like to touch him.

"Forever," she said in her mind. "I will choose forever!"

And she can't stop looking in his eyes. For five hours she looked him in the eye mesmerized by him, while Leia just smiled at her. She called Luke a several times through mindlink but he is absent, he is in his own world, just like Vivienne.

"What is Kodi doing?" said Una, Leia's wolf.

"He is in love" Leia tells her, closing her eyes.

And looking him in the eye, now Vivienne knows that who said that the value of love is realized in separation was right.

And when in the end she looks at Leia she just smiles at her and holding out her hand to Luke's amazement she said.

"I believe I started with the left foot" and he smiles at her. "I am Vivienne Cassel."

And Leia burst in laugh.

"You know, isn't it?" and she looks at Luke who says nothing, just looks at Vivienne.

"I am Leia Navarro," she said, holding out her hand to Vivienne.

"His sister..." Vivienne said calmly, but feeling a complete happiness finding the truth about Leia.

"The one and only" And Vivi just smiles at her and closes her eyes, letting Luke to watch her as she dreams at that day in which she will find the key to Luke's heart.

He knows that it is hard to grieve and fall madly in love at the same time, but he will wait for her to clear her mind. It doesn't matter how much he wants to make her his. First she must understand all the implications of that mate bond.

How many times does a werewolf get a second chance at happiness?

His little human mate is worthy to wait.
