Chapter 191.1: One second to consider 1/2

Xun Fang was feeling a bit nervous. Such a strong skeleton like this is actually only able to stand at the most back!

No, incorrect, the one who is standing at the most back is me!!!

Then, just how strong is the man who is at the most front!!!

Ye Hua flicked the cigarette bud, and the cigarette bud landed exactly onto the barrier. Immediately, the cigarette bud burned out a round hole from the barrier.

The nine of them entered into the barrier, and the ocean became completely silent once again.

Ying Family!

Ying Jingshan looked at the Heavy Dust who was at its last gasp and heavily let out a breath, "How many casualties are there?"

Ying Xiang hurriedly spoke, "A total of 711 people died, and a total of 2732 were injured."

"F**k!" Ying Jingshan couldn't help but shouted out a vulgarity. Within Ying Family, there was only a total of around ten thousand people, and within the ten thousand people, the imperial guards and maids were included too.

711 people actually died today! Our losses are disastrous!

Furthermore, there are 2000+ people that were injured. As expected of an ancient ferocious beast, its strength is indeed formidable!

While raising his head and looking at the boundless sky, Ying Jingshan said gravely, "Properly bury the deceased, and quickly treat the injured. The construction works also have to be carried out at the same time! Also, seal up Heavy Dust again!"

"Yes!" Ying Xiang responded.

Right when everyone thought that peace has returned to the island, a round shape flame actually appeared within the night sky. The round shape flame was extremely eye-catching, everyone within Ying Family raised their heads and looked towards the flame.

After becoming startled for a moment, Ying Family's relatives immediately became alert! All of them tightly held onto the ancient godly items that were within their hands.

It could be seen that, a small part of the barrier within the night sky was just like a piece of glass, falling down from the sky, and soon after, nine people entered through the hole!

The man that was at the front was actually dressed entirely in red, appearing rather festive. This guy didn't just get married, right?

The hole in the barrier slowly began to recover.

Looking at the nine people within the sky, everyone within Ying Family was astonished.

They actually broke the barrier so easily and entered into the island! How is this possible!

“Who actually dares to trespass into Ying...” A warrior who wore a full-body armor shouted out. However, before he even managed to finish speaking, his entire body turned into a puddle of blood.

Ying Family was stupefied. That warrior contributed heavily during the battle with Heavy Dust just now, and his strength was witnessed by all of them, thus, they didn’t expect that the warrior would be killed in just a flash!

And furthermore, the person who killed the warrior was someone who was standing at the back of the group, a black-robed that was holding onto a sickle!

That’s right, the person who killed the warrior was Death Mage. Death Mage’s hand was currently raised up by him.

The entire Ying Family was silent, they felt that those few people were more frightening compared to Heavy Dust!

Qing Yutong and Ye Zizi who were hiding on the island were currently looking at the sky.

“Big brother sure knows how to act cool.”

“Brother-in-law is indeed worthy of the title of act cool king~”

Ying Xiang who possessed a fiery temper rushed towards Ye Hua while holding onto the ancient godly item in his hands. Just that, Ye Hua did not even take a look at Ying Xiang and was currently silently smoking onto his cigarette.

“Eat this blade of mine!”

The ancient godly item within Ying Xiang’s hands immediately emitted out a dazzling gold light, illuminating the entire night sky, and that long blade emitted out a tiger roar that was filled with excitement, seemingly like it was going to devour everything before it.

Death Mage grasped his hand together!

Bang!

Ying Xiang who possessed an unordinary aura turned into blood fog on the spot, and the ancient godly item fell down towards the ground and pierced into the ground!

Bang!

The entire island shook. From this, it could be seen just how huge the might of an ancient godly item was.

And yet...

The nine people within the sky did not even bother to go and pick up the ancient godly item, seemingly like the ancient godly item was rubbish in their eyes!

Death Mage who was standing at the back of the group actually killed two people in a split second! This caused everyone to become stupefied! If Death Mage was merely able to kill the warrior in a split second, it would still be fine, but for Death Mage to be able to kill Ying Family's Ying Xiang who was armed with an ancient godly item in a split second, this caused everyone to not be able to accept it!

Ying Jingshan and the various relatives did not dare to rush forth abruptly like Ying Xiang anymore. If the person who is standing at the most back is able to even kill off Ying Xiang in a split second, just how strong is the person who is standing at the most front!

Chapter 191.2: One second to consider 2/2

Ye Hua lightly let out a breath of smoke, and the smoke could be seen slowly floating towards the heavily wounded Heavy Dust.

When Heavy Dust who was lying within the ruins breathed in the smoke, its four limbs that were originally unable to move anymore gradually began to wiggle, and soon after, it suddenly stood its body up.

Roar!

Heavy Dust let out a long roar, and soon after, it bent its front legs and kneeled down towards Ye Hua!

Right now, the hearts of everyone within Ying Family were crumbling. The reason that so many people died and become injured was so that we could knock down Heavy Dust. And yet, the man merely blew out a mouth of smoke, and Heavy Dust who was at its last gasp just a moment ago seemed like it was injected with a stimulant and immediately recovered back its vitality!!!

Is this man still a human!

Ye Hua could be seen lifting his hand upwards while with his palm facing towards the sky!

The entire ocean immediately began boiling, and the seawater could be seen rushing upwards, forming into legs, waist, chest, arms, and then a head!

Eight Huge Water Demon Gods surrounded the entire island and all of them were lowering their heads and gazing at everyone within Ying Family. Heavy Dust was already frightened to the point that it was trembling in fear. Before the Huge Water Demon Gods, Heavy Dust seemed just like a wild pig, only able to raise its head and look up towards the Huge Water Demons Gods. From this, it could be seen just how huge the Huge Water Demon Gods were.

Not only was Heavy Dust feeling frightened, the legs of everyone within Ying Family were currently trembling too, and the ones who possessed weaker strength have long collapsed onto the ground.

Ying Kangshi himself had already fainted from fright.

It was still not finished yet.

At the space below Ye Hua and the others, the seawater raised up towards them. However, while raising, the seawater was also rapidly freezing. Gradually, an ice platform was formed, and Ye Hua and the others stood exactly on it.

An ice throne could be seen rising up from the ice platform, and Ye Hua unhurriedly sat onto the throne. After sitting on the throne, Ye Hua flicked the cigarette bud and shouted out faintly, "The two of you, still not going to come out?!"

Everyone in Ying Family did not understand what this man meant. Who are the two people that this man is referring to?

Ye Zizi and Qing Yutong who were hiding somewhere on the island both sighed, then rubbed onto their butts at the same time...

Ying Jingshan saw two figures flew out from the side, and when he saw the appearances of the two figures, he felt a chill ran down his spine. So, it was actually the two of them!

The Ying Family's relatives who had seen before Qing Yutong and Ye Zizi were not feeling good right now, they felt like they were going to cough out blood. So, after running back and forth in circles, the two of them are the real culprits!

The entire Ying Family was actually toyed around in circles by two women!

Arriving at the ice platform, Ye Zizi lowered her head and stood together with Wei Chang and the others, seemingly just like a child who did something wrong.

On the other hand, Qing Yutong did not even know where she should stand at. If I were to jump into brother-in-law's embrace right now, I'm not sure what kind of reactions they would have.

Of course, for something like that, I can only merely think about it in my head. For such a huge spectacle like this, only an idiot would do something like that. However, where should I stand at? I guess I should better go and stand at the back.

"Yutong, come and stand beside me!" Ye Hua said faintly. No matter what, Yutong is my sister-in-law, this face must be given to Qing Ya. Yutong can treat it as standing on behalf of her big sister, I guess.

Qing Yutong became exulted. Brother-in-law even brings along his sister-in-law when he is acting cool, I really want to give brother-in-law a kiss, I love brother-in-law.

However, I cannot display out my joy on my face right now, if not, I will be throwing brother-in-law's face.

Standing at her brother-in-law's side, Qing Yutong looked at the small island that was in front of her, at the Huge Water Demon Gods that were standing around the island's surroundings, and also at the Heavy Dust who was kneeling down within the ruins. I have never felt such a feeling like this before.

Wei Chang could be seen taking a small step forward and shouting out in a deep and low voice, "Kneel down!"

The eight Huge Water Demon Gods shouted out at the same time, "Kneel down!"

The huge might straightforwardly landed onto the backs of everyone within Ying Family, and the people that were flying within the air were immediately suppressed down onto the ground.

People that belonged to Ying Family gradually kneeled down one after another, and as Ying Family's family head, Ying Jingshan was still tenaciously resisting the might. How could I kneel down!

Pfft!

Ying Jingshan spat out a mouth of blood and his knees suddenly smashed into the ground.

Upon seeing that everyone within Ying Family was kneeling down on the ground, Ye Hua said faintly, "The reason that I came today is to give you all a way out to survive!"

"Of course, something like exterminating an entire family is not something that I have never done before. I will give you all one second to consider about it!"

[You Cannot Afford To Offend My Woman](#)

Chapter 192.1: I am too outstanding 1/2

A second later.

Ye Hua said faintly, "A wise man submits to circumstances, I admire all of you!"

Ying Family, "....."

You have to at least give us time to consider about it. Others would normally give the other party one day to consider about it, and yet you only give one second? And after one second had passed, you say that we are wise men who submit to circumstances? This isn't good, right? Aren't you being too impetuous?

"No matter what identity you all possessed before, from this moment on, all of you only have to obey one person's orders!"

Ye Hua shouted out faintly, "Xun Fang, come out."

Xun Fang who was standing at the most back was startled. What is he calling me out for at this timing?

Death Mage pushed onto this foolish woman. His Honor is calling out for you, what are you still being in a daze for!

Right now, Xun Fang was still currently wearing the work clothes of a hotel attendant. When Ying Family saw Xun Fang, their heads began buzzing continuously. Could it be that, from now on, we are going to have to obey the orders of a hotel attendant?

"She is the person that all of you will have to obey from now on, and she will also be the one to pass on my orders to all of you. Of course, you all can choose to resist, but do not forget the price that you all would have to pay for afterward. There are lots of lots of families that have been exterminated by me, I wouldn't mind exterminating one more family."

After finish speaking, Ye Hua silently ignited a stick of cigarette.

Wei Chang once again shouted out in a deep and low voice, "Have all of you heard clearly what that has been said?"

Ying Family was completely silent.

A Huge Water Demon God could be seen smashing its fist towards the crowd!

Bang!

The entire small island began shaking violently, seemingly like it was going to explode and split into parts, and a huge wave was set off by the fist. All of Ying Family's buildings turned into debris under the fist's might.

"Have all of you heard clearly what that has been said!" Wei Chang shouted out once again, and the eight Huge Water Demon Gods could be seen to have already raised their fists. If their fists were to be punched towards the island, the entire Ying Family will be completely exterminated.

"We have all heard clearly!!!!" Ying Shang shouted out loudly.

And along with Ying Shang opening his mouth, more and more Ying Family members began opening their mouths too. When standing in front of absolute power, all kinds of resistances were useless, and all that could be done was to submit!

Lie Gu shouted out, "Shout out in unison, and use Honor to address His Honor!"

The entire island could be heard shouting out in unison, "We should solemnly obey His Honor's orders!"

It has been such a long time since I last experienced such a treatment like this. Ye Hua slightly closed his eyes. In the past, when I came across such a situation like this, I basically wouldn't let anyone live. However, right now, things are different. Everyone has their own uses, as long as they are utilized well!

Wei Chang, Lie Gu, and Ye Zizi who were standing behind were feeling very excited. It feels like we have returned back to back then again, I really want to kill till there's nothing left~

Towards Wei Chang and Lie Gu's girlfriends, what they have just witnessed tonight have completely changed their world outlook. So, things can actually even be done like this.

Xun Fang was still in shock right now and still hasn't come back to her senses.

In actuality, within those people, Qing Yutong was the one who was the most surprised. I knew that brother-in-law is formidable, but I didn't expect that he would be formidable to such a degree. No wonder the system wants me to hug onto brother-in-law's thigh. Big sister sure is fortunate.

With brother-in-law there to protect big sister, I can put my mind at ease about big sister.

Ye Hua stretched out his palm and condensed out a piece of token, "Xun Fang, these eight Huge Water Demon Gods will now be under your control. Also, that cat over there should be under your control too. If they are disobedient, you can just kill them off! However, Huge Water Demon Gods are only able to appear at the sea."

Death Mage immediately made a gesture towards Xun Fang. Quickly kneel down, if not once His Honor becomes angry, he will even exterminate you too, and if you were to get exterminated, where am I going to find myself a wife?

Xun Fang of course knew the rules. Xun Fang knelt down and accepted the token with both of her hands.

“You all can continue living on with your lives as usual, as long as you all obey her orders!” Ye Hua emphasized for the last time, then soon after, he snapped his fingers, and everyone disappeared!

The eight Huge Water Demon Gods turned into seawater, and the ice platform and ice throne began melting quickly. If not for Heavy Dust still kneeling down on the ground, everyone would think that it was all just a dream...

While with a somewhat dazed expression on his face, Ying Jingshan looked towards the ancient godly item that landed onto the ground that was not far away from him. The ancient godly items are indeed rubbish towards them.

Chapter 192.2: I am too outstanding 2/2

Currently, Ye Hua and the others arrived on top of the ocean. Soon after, Ye Hua said faintly, “All of you can go back and continue on with whatever you all are doing.”

Death Mage suddenly said, “Your Honor, subordinate wants to aid Xun Fang.”

“Approved.”

“Thank you, Your Honor.” Death Mage was worried that Xun Fang wouldn’t be able to suppress Ying Family. With him there along with Xun Fang, then would he be able to be at ease. I finally got myself a wife after great difficulty, I cannot allow her to die from something like not being able to suppress that Ying Family.

Xun Fang stood at the side. Although she didn’t understand what Death Mage was saying, she felt that it definitely had something to do with her.

“Your Honor, subordinate should leave first then.” Lie Gu said respectfully.

Ye Hua gestured with his hand, and Lie Gu’s three women also followed along and said respectfully, “Your Honor, subordinate should leave first.”

Afterward, Wei Chang brought along Tang Wei and left too, while Death Mage brought along Xun Fang and stepped into the black void.

Ye Zizi pulled onto Qing Yutong, the two were preparing to sneakily leave.

“What are you two trying to do!” Ye Hua shouted out gravely.

Ye Zizi pouted her mouth and immediately raised her butt.

Qing Yutong sighed. Brother-in-law giving the sister-in-law a lesson is a heavenly law. Qing Yutong imitated after Ye Zizi and raised her butt.

Ye Hua originally wanted to talk about some other things and didn’t expect that the two would be so initiative.

Pa, pa, pa...

Immediately, the sound of Ye Zizi and Qing Yutong’s butts being smacked rang out.

After a while, Qing Yutong and Ye Zizi covered onto their butts with their hands and followed behind Ye Hua. Big brother/brother-in-law smacked too heavily... My butt has become swollen...

"That's right, what kind of family is that family?" Ye Hua asked.

Qing Yutong rubbed onto her butt and said with grievance, "I do not know."

"En, en, Zizi do not know too."

Ye Hua let out a breath, "Seems like it was too casual of me to decide to subdue that family."

If Ying Family were to know about this, they would definitely cry and faint at one corner.

You used brute force to subdue us, and yet you don't even know just who is it that you have just subdued... One of the three big powers, want to come and understand about it?

"Yutong, come over." Ye Hua called over.

"Brother-in-law, my butt really can't take anymore beating, you take a look, my butt has already become swollen."

Ye Hua laughed lightly, "In the future, don't go around creating trouble anymore."

"Also, don't tell your big sister about this matter." Ye Hua said seriously. Regarding letting Qing Ya learn of my identity, I should take it slowly, I'm afraid that Qing Ya wouldn't be able to accept it if she were to learn of my identity too quickly.

"Why?" Qing Yutong was confused as to why.

Ye Hua let out a long sigh, "I'm afraid that your big sister would feel inferior... After all, I am just truly too outstanding."

Qing Yutong, "....."

"Brother-in-law, can you not act cool?"

Ye Hua immediately raised his hand and Qing Yutong became startled and hid behind Ye Zizi.

"Understand?!"

"Understand, understand, I won't tell big sister about it~ But, brother-in-law, you have to find a chance to tell my big sister about it too."

Ye Hua naturally knew about that. Back then when I tested her out by telling her that I was a cultivator, although she didn't display it out, I was still able to sense that Qing Ya still felt a bit inferior afterward.

If I were to tell her about my identity too quickly, she would feel that she is useless, then begin to produce various kinds of thoughts. This Qing Ya sure makes one worry.

Arriving at the hotel, Ye Hua suddenly recalled that his own wife was still at the wedding dress shop, and thus hurriedly headed back to the wedding dress shop.

"Big brother's skill at acting cool is truly becoming more and more formidable." Ye Zizi said with a smile. I just love seeing how His Honor looks when he acts cool.

“Zizi, have you discovered it? Every time when your big brother acts cool, he has to smoke.”

“Ah? Why is that so?”

“My big sister said that brother-in-law got a kind of sickness which is incurable, the sickness is called acting cool after smoking syndrome.”

“There is even such a sickness like that? Just the name of that sickness alone sounds formidable.”

“Zizi, you cannot learn from your big brother, girls should not smoke, and even more, they should not get into fights. Also, they should not always go to bars, and should not extinguish fire.”

“Big Sister Qing, what should we wear to the bar tonight?”

“I feel that that pink color lolita outfit suits you very much. Then, what should I wear?”

“Sailor Moon...”

“Good idea.”

You Cannot Afford To Offend My Woman

Chapter 193.1: I'm begging you 1/2

Ye Hua hurriedly returned to the wedding dress shop, and Qing Ya could be seen to have fallen asleep on the sofa. This foolish woman, to not even know to head back to the hotel by herself first.

After changing his clothes, Ye Hua lightly carried his woman up from the sofa, and furthermore, it was a princess carry.

Qing Ya pursed her lips and embraced onto Ye Hua's neck, “You are back.”

“If you are tired, why didn't you just go back and rest?” Ye Hua said lightly.

“Because I'm waiting for you, I'm scared that you wouldn't be able to find me.”

Ye Hua laughed lightly, “How would I not be able to find you?”

Qing Ya smiled tenderly and buried her head onto Ye Hua's chest. Qing Ya felt very sweet in her heart.

Within these two days, lots of things happened within Ying Family, and it could be counted as a great calamity for Ying Family. Luckily, everything was restrained in the end!

However, Xun Fang's first order was that, tonight's matter was not allowed to be spread outside, if not, Ying Family should be eliminated!

Death Mage stood behind his own woman and watched her issued one order after another order. Why do the more I look at that back, the more attractive that back gets? Especially the way she looks when she instructs others, it is truly beautiful.

Ying Family's construction works were undergoing intensely. Xun Fang had been a sect master before and thus knew how to manage others. And in actuality, all she had to do was to manage and keep those Ying Family's relatives under control.

After finish giving out all of the orders, Xun Fang and Death Mage found a spot to sit at. While leaning against each other, the two began playing with their mobile game.

In actuality, Xun Fang forgot about one matter, which was that the token within her hand could be used to control the eight Huge Water Demon Gods. The Huge Water Demon Gods were summoned out by Ye Hua, and the strength of each of those Huge Water Demon Gods was far above Death Mage's strength. So long as Xun Fang wants, she could kill off Death Mage anytime she wants.

However, not sure what reason, Xun Fang seemed to have chosen to forget about the matter regarding the Huge Water Demon Gods and still continued using her own method to try and kill off Death Mage.

Right now, at Long'an City, Leisure Bar.

Wei Chang brought along Tang Wei and appeared within the bar's toilet. Tang Wei still seemed to be very shocked about what happened. That scene from just a while ago seemed just like a scene from a science fiction movie. That super huge water human almost smashed the island into pieces with just one fist. And at the scene, there were eight of those super huge water humans...

His Honor is too formidable. Upon recalling the time where I went and gave a love letter to His Honor, I feel so embarrassed...

"Uncle Wei, since it's already so late, I will just go to your house and sleep for today." Tang Wei tapped her toes onto the floor and said shyly.

Right now, I'm still feeling very excited, I really want to do some shameful things with Uncle Wei right now.

Wei Chang rubbed onto Tang Wei's head, "Have you forgotten that Uncle Wei has a car? Uncle Wei can send you back home."

Tang Wei, "....."

Uncle Wei is the most honest man I have ever seen, there is no one more honest than Uncle Wei!

After walking out of the toilet, Tang Wei pulled onto Wei Chang, "Uncle Wei, they are still here..."

Wei Chang suddenly slapped onto his own head. I forgot to tell His Honor about this.

"Xiao Tang, you go and change your clothes first, I will go and ask them just what is it that they want."

"Alright, Uncle Wei."

Wei Chang walked to the main hall. On a booth, a pair of male and female were sitting on it. The male and female had a grave expression on their faces, seemingly like they had made an important decision.

"I'm sorry, our bar is currently closing for business." Wei Chang revealed out a professional smile.

Right beside the male, there was a guitar box, and it seemed to be very important to the male.

"I want to meet black robe." The male straightforwardly said out his motive.

That's right, this male was Xiao Yi! And the female beside him was Shu Nan!

You Cannot Afford To Offend My Woman

Chapter 193.2: I'm begging you 2/2

At his home, Xiao Yi pondered for a very long time, and the conclusion that he arrived at was that Xiao Family was done for!

However, a figure suddenly appeared within his mind, black robe! If I am able to receive the black robe's help, Xiao Family would not be done for. No matter what kind of request the black robe request of me, I can agree to all of it. Even more, I have brought along Xuan Yuan Sword. My life, adding on with Xuan Yuan Sword, in exchange for the safety of my women and child!

As Xiao Yi's wife, Shu Nan seemed to have sensed that there was something peculiar with her husband. During this day, Shu Nan blocked her husband's path and told him that if he doesn't tell her where he was heading out to, she would die in front of him!

Xiao Yi couldn't do anything about his wife, and with no choice, he told his plan to Shu Nan.

After listening to Xiao Yi's plan, Shu Nan didn't hesitate at all and chose to go to the bar with her husband.

During that time, Xiao Yi asked his wife, "Why do you want to come along with me."

Shu Nan smiled very beautifully and said, "I am also a life too."

At that moment, Xiao Yi discovered that he was the luckiest person in this world. If I am not lucky, how would I have been able to marry them!

Although Xiao Yi brought his wife along with him to the bar, Xiao Yi was definitely not going to let his wife die!

"What are you talking about? I don't understand." Wei Chang pretended and asked.

"I want to meet black robe, I have a very important matter to discuss with him." Xiao Yi's complexion was extremely bad right now, he was already at the point where he was about to die soon. If he was not able to settle everything tonight, he may perhaps not be able to see tomorrow's sun anymore.

Shu Nan tightly held onto her husband's icy-cold hand. Shu Nan's heart was bleeding.

Wei Chang did not know how His Honor was going to deal with this Xiao Yi, and thus, he decided that he might as well not trouble himself with this Xiao Yi.

"You all can go back, there is no black robe here." Wei Chang said faintly.

With the sound of a plop, Shu Nan knelt down in front of Wei Chang, "I'm begging you, let us meet black robe. My husband is about to die soon, and right before he dies, he just wants to meet black robe for once."

Wei Chang looked towards Xiao Yi and discovered that Xiao Yi's situation was indeed as what the woman has said. From the looks of it, this Xiao Yi is most probably not going to be able to live past tonight.

Let Death Mage come over to the bar? Forget about it, the way that that Death Mage converse with others is able to make one's head go big.

Forget it, I will go and ask His Honor's opinion about it.

Currently, Ye Hua had just fallen asleep while hugging onto Qing Ya. Suddenly, Wei Chang's voice appeared in his head and woke him up.

"Your Honor, Xiao Yi came to the bar."

"Xiao Yi? Instead of properly cultivating at home, what did he come all the way to my bar for?"

"I don't know, but from how he looks right now, it seems that he most probably won't be able to live past tonight."

Ye Hua asked confusedly, "He is about to die?"

"En. Your Honor, you see, do we keep him or not?"

Ye Hua thought for a bit. I subdued a power that belongs to the south just a while ago, and right now, I am still currently lacking a power that belongs to the north... He should be it then!

"Keep him to use."

"Yes!"

After finish speaking, Ye Hua continued to go back to sleep while hugging onto Qing Ya. This feels so comfortable.

Wei Chang took a look at Xiao Yi, and Shu Nan who was kneeling on the floor, "You two wait here." After finish speaking, Wei Chang turned around and left.

Shu Nan became exulted as she stood up and held onto her husband's hand, "Brother Xiao, persevere on!"

"Cough, cough, cough, Shu Nan... This family will depend on you from now... If... if you come across someone who is better than me, don't feel burdened about it." Xiao Yi was very weak right now, there was no vitality on his complexion at all. If not for the strong spiritual energy supporting onto his body, he would have already died a few days ago.

Shu Nan shouted out, "Brother Xiao! What are you even talking about! This entire lifetime of mine belongs to you! And during the next lifetime, I am still going to belong to you!"

Xiao Yi gasped heavily. Right now, he did not even have the strength to even speak anymore.

Suddenly!

A black whirlpool appeared in front of the two of them, and from the black whirlpool, a figure could be seen walking out from it. The figure's entire body was covered by black fog.

Xiao Yi and Shu Nan looked dazedly at this figure. The scene from back then is still vivid in my mind, this figure is that black robe's boss!

Wei Chang was working hard to deal with the two. Sigh, Xiao Tang is still waiting outside for me...

“What is it!” Wei Chang asked in a deep and low voice, his voice changed completely.

Xiao Yi could be seen to be very agitated. While hugging onto the guitar box, and with his entire body shivering, Xiao Yi crawled onto the floor and slowly opened the guitar box. The dazzling Xuan Yuan Sword appeared in front of everyone.

Xiao Yi could be seen kneeling in front of Wei Chang. Just moving for a bit was enough to cause Xiao Yi to gasp heavily. If not for Shu Nan holding onto him, he would have long collapsed onto the floor.

“My... my... my sword and life... I can give them both to you... Can... can you... guarantee the safety of my wives and child...” Xiao Yi spoke intermittently. After finish speaking the last word, Xiao Yi felt that his breathing became even more difficult, and his entire body even began trembling.

Shu Nan’s tears fell down like rain. While hugging tightly onto her husband, Shu Nan said towards Wei Chang, “If my husband’s life is not enough, I can give you my life too!”

Chapter 194.1: The three who are having a hard time 1/2

Wei Chang stretched out his hand, and the Xuan Yuan Sword that was within the guitar box floated onto his hand. Wei Chang said faintly, “This sword is garbage, and your life is garbage too.”

Wei Chang let his hand loose, and the Xuan Yuan Sword landed back into the guitar box. However, Wei Chang purposely left an aura of his on the sword.

Upon hearing Wei Chang’s words, and seeing the Xuan Yuan Sword landed back into the guitar box, Xiao Yi began coughing severely. Xiao Yi tried with all his might to crawl towards Wei Chang. He wanted to crawl to Wei Chang and beg him, beg him to save his wives and child.

“However, you are very lucky, I like saving garbage’s lives.”

A black fog entered into Xiao Yi’s head, and the latter immediately fainted.

“Brother Xiao! Brother Xiao!”

“Tell him, I can save him, but at the same time, I can also kill him!”

Shu Nan was very sensible as she kneeled down and said, “From now on, Xiao Family should listen to your orders!”

Wei Chang nodded his head, and his body disappeared. Soon after, he appeared at the back alley.

“Xiao Tang, let’s go.” Wei Chang said with a slight smile.

“En~” Tang Wei smiled tenderly.

Within Leisure Bar, Shu Nan was currently feeling her husband’s pulse. After feeling her husband’s pulse for a while, she finally let out a breath of relief. Brother Xiao’s pulse is very stable, and his vitality has become much surging compared to before. That person is too formidable, to actually be able to save a person who is about to die soon.

Shu Nan carried Xiao Yi onto the booth, and with her mind finally at ease, she began waiting for Xiao Yi to come to.

10 minutes later.

Hmmm, hmmm, hmmm~

Shu Nan became dazed! Why is Brother Xiao moaning... Isn't that a woman's specialty?

"Where am I at?" Xiao Yi raised his head while in a daze and asked.

Shu Nan's heart sank. It couldn't be that something went wrong, right?

"Brother Xiao! Look at me!" Shu Nan held onto Xiao Yi's face and said nervously.

Xiao Yi who had a dazed look on him suddenly smiled brightly, then hugged onto his own woman. Shu Nan was startled for a moment, and afterward, she punched onto Xiao Yi with her tender fist, "You scoundrel, you scared me to death!!! I'm going to beat you to death!!!"

Xiao Yi tightly hugged onto the woman who was within his embrace, and after a long while, he said tenderly, "Shu Nan, thank you."

"Brother Xiao..." Listening to that strong heartbeat, Shu Nan could be considered to finally be completely at ease.

"Alright, let's go back." Xiao Yi stood up. Looking at the Xuan Yuan Sword that was lying within the guitar box, there was no great change in his expression. After covering the guitar box, Xiao Yi picked up the guitar box.

"Brother Xiao, are we going to leave just like this?" Shu Nan took a look at the surroundings and asked confusedly.

Xiao Yi nodded his head. A trace of black fog flickered within his black pupils, "En, there are still a lot of things waiting for us to go and do, I am going to see just how many people are going to betray me!"

Shu Nan nodded her head. This time's narrow escape through death could be counted as a miracle. However, although that is the case, the things that are going to be happening next are going to be much more dangerous. Everyone is eyeing at Brother Xiao's Xuan Yuan Sword. Looking at Brother Xiao, he seems to be intending to continue to pretend to still be sick and lure out those enemies that are hiding within the dark.

A miraculous day passed by just like this. As one of the three big powers, Ying Family was engrossed within the ocean of pain, and on the other hand, for Xiao Family, who was an ordinary family, it was a joyful day for them.

From this matter, it could be shown that luck was truly very important.

Alright, I'm just bluffing, in actuality, everything was within a moment of Ye Hua's decisions.

On the next morning, Ye Hua was once again pulled out of bed by Qing Ya. Of course, only after pulling for an hour, then did Qing Ya finally pulled Ye Hua out of the bed. This caused Qing Ya to not know

whether to laugh or cry. This Ye Hua is such a big person already, and he is actually trying to sleep in. If I don't give him two kisses, he wouldn't even get off from the bed and would act shamelessly.

Ye Hua who was pulled out from the bed was in a very bad mood. And since Ye Hua was in a bad mood, someone else was definitely going to be out of luck.

Qing Yutong and Ye Zizi were precisely the ones that were going to be out of luck.

Today's shoot was an outdoor shoot, thus it was definitely going to be exhausting... Qing Yutong and Ye Zizi couldn't even run away even if they wanted to, their butts still hurts right now.

However, the pairing of a big bridesmaid and a small bridesmaid was indeed very interesting. With the addition of the two in the shoot, the outdoor shoot was about to catch up to a celebrity's signature signing event. Besides from the photographer who was taking photos, there were also a bunch of other people in the surroundings taking photos. After all, the people who were being shot, the man was handsome, the women were beautiful, and furthermore, there was a little loli. The combination of the four was truly great.

Chapter 194.2: The three who are having a hard time 2/2

At a location that was 2500 kilometers away from Ye Hua and the others, there were three other people who were having it harder than Ye Hua, Ye Zizi, and Qing Yutong.

"Big brother, are you really going to sell it?" Little Brother Red asked while feeling sad.

Big Brother Green took a puff of the cigarette, and after looking at Little Ah Li who was standing at the side, he said gravely, "Sell!"

"For just 3000 rmb, are you really going to sell it?"

That's right, right now, Big Brother Green had the thought of selling his car. This Wuling Hongguang car was bought by me by spending all of my savings. Although it was a second-hand, it still cost me 30k+ rmb. The car was used by me to ship goods. But right now, if I don't sell it, what am I going to eat?

"Big brother, let's just go and withdraw money at an atm."

Big Brother Green stretched out his hand and slapped onto Little Brother Red's head, "Are you stupid? If I were to go and withdraw money at an atm, wouldn't I be revealing my own location to the police!"

"They are able to track your location just from you withdrawing money out from an atm?" Little Brother Red asked confusedly.

"Of course. The moment I withdraw the money from the atm, the bank would immediately be able to know which atm I withdrew from, and afterward, we would get surrounded by the police. This is how it always goes within the television. Why do you not grow a brain?"

Little Brother Red pouted his mouth, "Who would think about that when watching television."

"Hey, are you still going to sell the car or not?" The shop's boss shouted out impatiently. This car is not bad, I would be able to earn a few thousand from reselling it.

Big Brother Green said hurriedly, "I'm selling it!"

Donghuang Li could be seen walking with small steps to Big Brother Green's side and pulled onto Big Brother Green's shirt, "Uncle Green."

Big Brother Green who had a stiff look on his face turned his head around and smiled, "Ah Li, what's the matter? We are going to have money soon. Uncle Green will treat you to eat McDonald."

"Uncle Green, Ah Li doesn't want to eat McDonald anymore, it's not delicious." Donghuang Li could naturally see that the two uncles did not have any more money, therefore, how could she request to eat something so expensive again, she was currently already feeling very guilty in her heart.

Big Brother Green carried Donghuang Li up from the ground and asked with a smile, "Then, what does Ah Li wants to eat? Uncle Green will buy it for you."

"Ah Li wants to eat buns."

The green and red brothers sighed in their hearts. What a sensible child.

Rubbing onto Ah Li's head, Big Brother Green smiled, "Alright, Uncle Red will bring you to go and buy big pork buns."

After taking a look at his little brother who was bringing Ah Li to the side to buy buns, Big Brother Green pointed to the motorbike that was at the side and asked, "Boss, how much is this motorbike?"

"1000 rmb." The boss immediately gave a huge price.

Big Brother Green used to ride motorbikes quite often during the past. This motorbike seems pretty decent, however, 1000 rmb is too expensive, the most I can do is 500 rmb.

"500 rmb for it."

"Won't do!"

"Forget about it then."

"Hey, hey, hey, little brother, wait a minute, wait a minute, the price can be discussed over." The boss immediately shouted. That motorbike has been placed here for two months already. Right now, it would be best for me to get the motorbike off my hands.

"You can take it for 800 rmb."

"Bye-bye."

"600 rmb!"

"Forget it."

"Alright, alright, alright, 500 rmb it is then." The boss didn't want to continue at it anymore. In any case, the motorbike would just be taking up space in my shop if I don't sell it.

With 2500 rmb in their pockets and a motorbike that was emitting out black smoke, the three set out towards the south. When they came across rain, they would search for a place to hide from the rain, and

when night comes, they would just casually search for a place to rest at for the night. Although the journey was rough, the journey was filled with laughter and joy.

On this night, they came across rain again. Big Brother Green hurriedly searched for a place to hide from the rain, and luckily, thanks to heaven's blessing, they found a half-collapsed house at the side of the road.

The green and red brothers' afros had long collapsed, while Little Ah Li's face was dirty. However, Little Ah Li's eyes were incomparably bright.

"The south's weather is filled with rain." Little Brother Red shook away the rainwater that was on his hair and sighed.

Big Brother Green found a few pieces of dried woods within the broken-down house and used a lighter to set the dried woods on fire. Afterward, Big Brother Green looked towards Ah Li and asked, "Ah Li, are you hungry?"

[You Cannot Afford To Offend My Woman](#)

Chapter 195.1: Arrived at their destination 1/2

Ah Li rubbed onto her stomach. In actuality, she was very hungry...

"Ah Li is not hungry." Donghuang Li said with her tender voice, then moved her body closer to the fire.

After those few days of interactions, red and green brothers understood Ah Li's character, care a lot for others, and was also very considerate.

Donghuang Li stood her body up, walked to Big Brother Green's back, and said with a smile, "Uncle Green, you have been riding the motorbike for an entire day, let Ah Li help you massage your shoulders."

"Thank you, Ah Li. Uncle is not tired, uncle is still very energetic right now!" In actuality, Big Brother Green's shoulders were aching. My shoulders feel like they are going to dislocate.

However, Ah Li still continued and helped massage Big Brother Green's shoulders.

Suddenly, Little Brother Red said indignantly, "Big brother, those people within the family are too malicious, they actually reported us, and even said that we stole chickens from the neighboring village during a year ago!"

"Sigh, you only see who are true to you during hard times, I have decided to withdraw from the family." Big Brother Green lighted up a wrinkled looking stick of cigarette.

"Good idea! Then, big brother, how about we create a new family on our own? What should we name our new family?" The little brother was very excited.

Big Brother Green let out a mouth of smoke and said faintly, "Let's call it, Buried Love Family."

"F**k, what a good name! This name is profound, artistic, and creative!"

"Ah Li wants to join the family too~" Donghuang Li said with a smile on her face, her big eyes were about to turn into crescents.

Big Brother Green smiled, "You this little brat can forget about it, wait until you grow up, then we will talk about it again."

"Humph~ Ah Li wants to join~"

"Haha, then, there are now three people within our Buried Love Family, who will be the boss?" Little Brother Red stood up, having a look on him that was saying, quickly, pick me to be the boss.

Donghuang Li immediately raised her hand, "Ah Li will be the boss~"

Big Brother Green, "....."

Little Brother Red, "....."

Little Brother Red smiled and said, "Ah Li, what good is there in being a boss? Watch, Uncle Red will perform a frantic version of Thomas flair for you."

Whew, whew, whew...

In a moment, the dust began flying everywhere, and Big Brother Green and Donghuang Li immediately covered onto their mouths and noses.

"Don't f**king spin anymore, that back mountain of ours was precisely spun flat by you." Big Brother Green couldn't stand it anymore.

Little Brother Red stood his body up and patted onto his hands, "Big brother, during last year's family contest, your Thomas flair was the one that received first place."

"Ah, Uncle Green was the one who received first place? So formidable." Donghuang Li exclaimed in surprise. She felt that Big Brother Green was very formidable for being able to receive first place.

Big Brother Green was very humble, "That is but a thing in the past, a great man doesn't mention his braveries that happened during the past."

"Big brother, give Ah Li a short performance and show her what the first place's Thomas flair looks like."

Donghuang Li followed along and said, "Uncle Green, Ah Li wants to see you spin."

"Alright, Uncle Green will perform for Ah Li then."

Big Brother Green could be seen standing up and patting onto his butt, then walked to where his little brother was standing at just a while ago.

Whew, whew, whew...

As expected of the family's first place, the scene seemed as if a smoke bomb had been thrown there, Big Brother Green's figure couldn't even be seen anymore.

Donghuang Li, "Cough, cough, cough..."

Little Brother Red, "Cough, cough, cough, cough, cough..."

Little Brother Red silently thought to himself, "And he still says that the back mountain was spun flat by me, the back mountain was evidently spun flat by him."

The joyful times always pass by very quickly. The three gradually fell asleep, and on the second day, they continued heading down south.

Ten days later...

The three stood at Long'an City's public square and looked at the huge statue in front of them.

A big aunt that was passing by took a look at them, then slowly took out five rmb and placed it on the floor.

"Big aunt! Come back, which eye of yours saw that I look like a beggar!" Little Brother Red shouted out.

The big aunt turned her head around and looked at him with a look of disdain, "Are you ill? The money isn't for you too."

The corner of Little Brother Red's mouth twitched. So, what you are trying to say is that I am even worse than a beggar!

Donghuang Li picked up the five rmb that was on the floor and said to the big aunt, "Thank you, auntie."

The big aunt walked back to Donghuang Li, then took out ten rmb and gave it to her, "Little friend, quickly go and buy something for yourself to eat."

The motorbike broke down during their journey to Long'an City, and it was the kind of broke down where the motorbike couldn't be fixed anymore. Furthermore, they have also used up all of the money that they had on them. However, Big Brother Green still insisted on not withdrawing money from the atm. Unless a situation where I have no choice but to withdraw from the atm arises, I won't withdraw money from the atm.

[You Cannot Afford To Offend My Woman](#)

Chapter 195.2: Arrived at their destination 2/2

While holding onto the money within her hand, the dirty-looking Donghuang Li smiled and said, "Uncles, Ah Li has money now, Ah Li will treat you two to eat."

Green and red brothers rubbed onto Ah Li's head and smiled, "Uncle is not hungry, Ah Li, you can just buy for yourself to eat."

"Won't do, if uncles are not eating, Ah Li won't eat too!" Donghuang Li pouted her small mouth, having a look on her that was saying, if you all are not eating, then I won't eat too.

Hearing Ah Li's words, the green and red brothers took a look at each other, with just those words alone, it is already worth it for us to send Ah Li back home!

After buying a bun, they split the bun into three pieces. However, Donghuang Li's share was at least half the size of the bun, green and red brothers didn't take too much.

After finding a park, the three sat at a long bench and began to savor the world's most delicious bun.

"Ah Li, we have arrived at Long'an City, where do your daddy and mommy stay at?" Big Brother Green asked. I feel like I have gone through thousands of difficulties to finally be able to come close to sending this little ancestor back to her home.

“Erm, Leisure Bar.” Donghuang Li said.

Green and red brothers went into a daze for a moment, what does she mean by that? Please?

(清吧, which means Leisure Bar, sounds like 请吧, which means please)

“Leisure Bar!” Donghuang Li said with clear pronunciation.

“Big brother, I have heard of bars before, but I have never heard of leisure bars.” Little Brother Red said confusedly.

Big Brother Green stretched out his hand and slapped onto Little Brother Red’s head, “Are you stupid, it is most probably some fresh amusement thing within the cities. Look it up on Baidu.”

“My phone is out of battery...”

“Then, let’s find it by visiting one bar by another bar.”

Little Brother Red let out a breath. Such a big city like this, how are we going to even find it... Seems like we still haven’t gotten through all the dangers within this ‘Journey to the South’.

After finish eating, the three began looking for the so-called Leisure Bar. However, they suddenly discovered one thing, which was that, the bars seemed to be closed during the day and were only opened during the night.

Walking on the flourishing big street, the three became the focal point. Suddenly, a fragrance blew over, and the three stopped their footsteps and looked towards their right side.

“Song Prince Mansion Hotspot Store.”

Green and red brothers pursed their lips, while Donghuang Li straightforwardly swallowed a mouth of saliva.

“So many people are queueing up.” Donghuang Li mumbled.

“Big brother, the food within this store looks very delicious.” Little Brother Red was about to start dripping saliva.

“That’s right.” Donghuang Li said while mesmerized.

Suddenly, a man who wore a western suit walked out of the store and stood outside of the store’s entrance to smoke. Looking at the three, the man wrinkled his brows and said, “The three of you, stand a bit further away, don’t affect my customers’ appetites.”

Donghuang Li pulled onto Big Brother Green’s hand and said, “Uncle, let’s leave, don’t affect them.”

Big Brother Green was very unhappy about it, “What are you making noise for, does this road belong to your family? I come from a village and even I am more cultured than you!”

“Aiyo, still dares to talk back? Scram, if not, see how I am going to take care of you!”

Donghuang Li pointed towards the manager and said with her tender voice, “Uncle, you are a bad guy!”

“Oh? Where did this little beggar come from? Even more, this little beggar’s mouth doesn’t spare others, huh? Don’t even have a bit of basic upbringing!”

When green and red brothers saw Little Ah Li’s eyes turned red, they immediately exploded and rolled up their sleeves, “I f**king dare you to say it again!”

Upon seeing that the green and red brothers seemed like they were intending to fight him with all their might, the manager immediately hid into the store, “If you all still don’t leave, I am going to report to the police!”

“F**k, if I don’t give you a lesson today, I will dye my hair green!” While speaking, Little Brother Red rushed into the store, causing the people that were queueing up to become startled and immediately stepped aside.

Big Brother Green also rushed into the store. A bunch of fighting sounds immediately rang out within the store, and before a minute had even passed, green and red brothers ran out of the store while with a flustered look on their faces. After running out of the store, one of them carried Donghuang Li up from the ground, then continued running away with all their might.

10+ chefs could be seen rushing out from the store, and every one of them was holding onto a cleaver.

“Big brother, there is an alley there, let’s run into the alley!”

Big Brother Green stretched out his hand and slapped onto Little Brother Red’s head, “What will we do if the alley leads to a dead-end, continue running!”

“You are right.”

And thus, the three of them ran past their final destination.

Chapter 196.1: She is called Aunt Qing 1/2

While carrying onto Donghuang Li, green and red brothers did not know just how long they had run for. In any case, they did not have any more energy left to run. Those fatties sure can run.

“Ah Li, are you okay?” Big Brother Green gasped heavily. It is fortunate that my physical fitness became strong from practicing Thomas flair.

Donghuang Li said with her tender voice, “Uncle Green, lower your head.”

“En?” Big Brother Green responded in confusion. However, he still listened and slowly squatted down his body.

Donghuang Li could be seen using her sleeve to wipe onto Big Brother Green’s sweat. Upon seeing that, Little Brother Red immediately squatted down too, “Ah Li, Uncle Red wants it too.”

“En, Ah Li will help Uncle Red wipe away his sweat in a while.” Donghuang Li said with a smile.

Originally, the two were feeling very indignant, however, after seeing how thoughtful Donghuang Li was, the two did not have even the slightest bit of anger left in their hearts anymore. Ah Li is too obedient, she’s obedient to the point that I don’t want her to receive any harm at all.

The three continued wandering around within this unfamiliar city. Donghuang Li stood in between the green and red brothers. While holding onto their hands, Donghuang Li would hop from time to time.

To Donghuang Li, although those few days were tough, she was very happy, much, much happier compared to when she was at Voidless Realm.

The night descended, and while bringing along Donghuang Li, the green and red brothers began searching for Leisure Bar by visiting one bar after another bar. Unfortunately, after visiting quite a few bars, they still haven't found Leisure Bar.

"Uncle Green, Uncle Red, Ah Li has something that she wants to confess to you two." Donghuang Li stopped her footsteps, lowered her head, intertwined her fingers, and said with a pitiful look on her small face.

Such an adorable look like this, no matter how huge the matter was, one wouldn't be able to bear to scold her.

The two squatted down at Donghuang Li's sides and asked curiously, "Little ancestor, what it is that you want to confess to us?"

"Actually... actually, Ah Li didn't come here to find daddy and mommy... Ah Li came here to find Aunt Qing." After finish speaking, Donghuang Li pinched onto her ears, seemingly like she was preparing to receive her punishment.

The green and red brothers became dazed. Soon after, Big Brother Green rubbed onto Donghuang Li's head, "Never mind, we will go and find Aunt Qing then."

After walking for a while, a bar that was called Hundred Crossings Bar appeared in front of the three. There was quite a lot of people in the bar, and there was even a queue outside.

Big Brother Green asked, "Ah Li, what characteristics does that Aunt Qing of yours have?"

Donghuang Li thought to herself for a while. Aunt Qing often says that she is beautiful and very wealthy, these two are most probably her characteristics, I guess.

"Beautiful, and wealthy." Donghuang Li said.

Green and red brothers were startled. As expected, Ah Li is indeed the child of a rich family. However, to be able to teach out such a sensible child like Ah Li, there must be quite a few scholars in the family.

That's right, Ah Li's dad would exterminate families at the drop of a hat, and Ah Li's mom would threaten others at the drop of a hat.

Green and red brothers walked to the bar and asked a man who was wearing a black jacket and sunglasses, "Brother, is there a person that is called Aunt Qing here?"

The man took off his sunglasses and began to size up the two brothers. Afterward, the man sized up Donghuang Li, then said gravely, "Follow me."

Green and red brothers were exulted. Heaven has eyes! After going through great difficulties, we have finally found it!

Donghuang Li was also very happy, I am finally going to be able to see Aunt Qing.

[You Cannot Afford To Offend My Woman](#)

Chapter 196.2: She is called Aunt Qing 2/2

Right after walking into the bar, Donghuang Li covered her ears. It's so noisy... I don't like this place at all.

On the other hand, green and red brothers found everything to be very peculiar. The pubs within the big cities sure are fashionable. There are so many beautiful women here, and they are dressed so sexy. However, they are still falling short when compared to me, my outfit is what that is the trendiest nowadays.

The jacketed man brought the three to the second floor, and after walking through a few dim passageways, the jacketed man pushed open a door, "Right inside."

The green and red brothers brought along Donghuang Li and entered into the small room. However, what they saw next was different from what they had imagined.

Within the room, there was a table, and on the table, there were poker cards, an ashtray that was filled with cigarette buds, melon seeds, peanuts, and beers, causing the table to seem extremely dirty and disordered.

Furthermore, a man could be seen sitting on a boss chair, and within the man's embrace, there was a woman who wore heavy makeup and dressed gaudily. The man's hand was even stretched into the woman's clothing.

Big Brother Green immediately covered onto Donghuang Li's eyes. A child cannot look at that.

"Big Sister Qing, someone is looking for you." The jacketed man stood at one side after speaking.

The man patted onto the woman's butt, and the woman even shouted out sweetly, "Brother Kun, irritating~"

"Haha."

Qing Lian walked to the front of green and red brothers and slightly took a look at them. Soon after, she squatted down her body and looked towards Donghuang Li, "Not bad, although she is a bit dirty, she can indeed be counted as a beauty."

Donghuang Li immediately hid behind Big Brother Green and looked at the woman in front of her with alert.

Her voice sounds awful... She is not Aunt Qing...

"Speak, how much are you intending to sell this girl." Qing Lian asked with a smile.

Little Brother Red wrinkled his brows, "Are you ill, we are here to find someone!"

Big Brother Green was now aware that they had come to the wrong place, and thus immediately pulled onto Donghuang Li and walked towards the door.

The jacketed man stood in the path of the door and a knife could be seen held within his hand. What the jacketed man was trying to convey couldn't be any more obvious.

"This place of mine is not a place that you can come and go whenever you want!" Qing Lian said coldly.

Kun Chong who was sitting on the boss chair stood his body up and took out a cigar. While smelling onto the cigar, Kun Chong said, "Leave the little girl here, and the two of you can leave."

Green and red brothers were not people that have never mingled within the undergrounds, just that, they have already washed their hands in a gold basin and no longer mingle within the undergrounds...

Faced against a situation like this, there is no need to say too much, just fight them head-on, then run!

The two brothers could be seen immediately kicking onto the jacketed man, then carried onto Donghuang Li and ran.

Kun Chong picked up the walkie-talkie that was on the table and said, "Two non-mainstreams ran out from my room, cripple them, then bring the little girl back to me!"

"Yes!"

Qing Lian walked with catwalk steps and smiled lovably, "If this little girl were to be fed big, I guarantee that she would be able to earn quite a lot of money."

"I will feed you full first before we talk about that!"

"Irritating~"

Outside, red and green brothers were currently surrounded. Within the narrow passageway, in front of them, there were five people, and behind them, there were five other people.

"Big brother, fight?"

"Fight!"

Who said that non-mainstreams didn't know how to fight? The two brothers fought rather ferociously. Donghuang Li wanted to go up and help them, but was immediately pulled behind by the two brothers.

"Big brother, there are too many of them!" Little Brother Red said while covering onto his arm, his arm was currently bleeding.

The more we fight, the more their numbers increases. Furthermore, those people have weapons on them too.

Big Brother Green carried onto Donghuang Li, then hinted towards the window. Little Brother Red immediately understood. Jump through the window, right?

Big Brother Green could be seen to be the one to take the lead. While carrying onto Donghuang Li, Big Brother Green used his elbow and smashed the glass window. Luckily, it was only the second floor, and adding on that it was not the first time that Big Brother Green had jumped out from a window, when Big Brother Green landed onto the first floor, Big Brother Green rolled for a bit and unloaded the impact from the jump.

“Ah Li, are you okay?” Big Brother Green asked hurriedly.

Donghuang Li was sniveling. Uncle Green and Uncle Red are too nice to me. While whimpering, Donghuang Li said, “Ah Li is fine.”

At this moment, Little Brother Red had also jumped down from the second floor and landed onto the first floor. Upon landing onto the first floor, Little Brother Red shouted out, “Big brother, let’s quickly run.”

Sure enough, 10+ youngsters that were holding onto steel pipes and fruit knives could be seen rushing out from the back door.

After running for quite a while, Little Brother Red began cursing out, “Are you all f**king training for a marathon! You all have been chasing us for a few streets, and you all are still chasing!”

“The hoodlums within the cities sure can f**king run.” Big Brother Green was also cursing out at those hoodlums.

The chase was still continuing, green and red brothers were already at the point of running out of breath, and the hoodlums that were chasing behind them were the same too. However, the hoodlums still weren’t giving up.

Little Brother Red could be seen turning around and pointing at the hoodlums, “What kind of big hatred is it that is able to make you all chase after us for a few kilometers?!”

One of the hoodlums could be seen resting on the railing and said while gasping for breath, “I... I just merely can’t stand looking at you non-mainstreams.”

“F**k! If not for me being hungry today, I would have long knocked all of you down!” Little Brother Red’s aura was very ample, however, how he looked right now was not able to match up with his aura.

“Brothers, let’s chop them to death!”

“F**k!”

Little Brother Red uttered a vulgar, then began running again!

10+ minutes later, while holding onto the wall, Little Brother Red said, “Big brother, this way, there should be lots of curved paths within the alley, we can use the curved paths to throw them off from us.”

[You Cannot Afford To Offend My Woman](#)

Chapter 197.1: Your Honor, a big matter has occurred! 1/2

The boss of the hoodlums signaled to the hoodlums, let’s outflank them!

This was the advantage of a local tyrant, having knowledge of the layout of the city.

While carrying onto Donghuang Li, the two brothers ran into the small alley. However, when they had just arrived in the middle of the alley, their front path had already been blocked by the hoodlums.

Big Brother Green stretched out his hand and slapped onto Little Brother Red’s head, “Where are the curved roads! You better open a curve road out for me!”

“Big brother, I also didn’t know that it would be like this. In the countryside, there are indeed a lot of curved roads within the alleys. I didn’t expect that the alleys within the cities would just be one straight line.” Little Brother Red was feeling very wronged. What can I do if there are no curved roads within the alley?

Donghuang Li said in a low voice, “Uncles, let’s surrender, Ah Li has a way to save us from this situation.”

Surrender? That is not possible, and it also won’t be possible in this entire life of mine.

Big Brother Green took a look at the side. There is actually a bar here? To open a bar at a place like this, is this bar not afraid of going bankrupt? Even more, the name of this bar is called Leisure Bar, what an awful name.

Big Brother Green said gravely, “Let’s go and hide inside the bar first and leave the rest of the conversation for later on!”

“Good idea!”

Without thinking too much, the two immediately entered into the bar.

Upon seeing that, the hoodlums immediately ran over. However, they did not rush into the bar.

“Big brother, what do we do?”

“What else can we do, let’s leave!”

Without long, the hoodlums left.

In actuality, within Long’an City, all of the bars wouldn’t take the initiative to provoke this bar. It was not that no one tried to provoke this bar before, it was that, no one was able to afford to provoke this bar...

Because this bar was called...

Leisure Bar!

Green and red brothers crawled down at the side of the door and looked confusedly at the outside. Why did they suddenly leave?

“Uncles, those people have left...” Donghuang Li was also confused too. Just what is going on, this is so baffling.

Suddenly, a sound rang out from behind them.

“I’m sorry, we are already closed for business.” Wei Chang said courteously, seemingly just like a gentleman.

Green and red brothers stood their bodies up and turned around, then said embarrassedly, “Alright, alright, we will leave right away.”

Donghuang Li could be seen turning around too and saying with her tender voice, “Sorry for the inconvenience...”

When Wei Chang saw Donghuang Li's small face, Wei Chang's pitch-black eyes immediately congealed. Why does this child look so much like His Honor! Furthermore, a subtle aura is actually being emitted out from her body, and the aura...

"Wait!" Wei Chang's expression changed greatly and his expression seemed very menacing right now.

The sudden shout from Wei Chang caused Tang Wei who was cleaning up the bar at the back to become startled and immediately ran over and asked, "Uncle Wei, what happened?"

Wei Chang slowly walked towards Donghuang Li.

Green and red brothers immediately stood in front of Donghuang Li and had a look on them that looked like they were going to fight it out with their all against Wei Chang. After managing to run away from the wolves, we actually entered into a tiger den next.

However, Wei Chang's emotions were very stirred up right now, and even Tang Wei wasn't able to hold Wei Chang back.

Bang!

Green and red brothers suddenly flew out, then landed onto the wall and fainted.

"Uncle Green, Uncle Red!" Donghuang Li shouted out anxiously and wanted to run over to them and check onto their injuries. However, her body was being bound by an incorporeal power.

Donghuang Li could be seen glowering at Wei Chang and saying with her tender voice, "Bad uncle, let go of me! You are a bad guy!"

"Uncle Wei..." Tang Wei shouted out worriedly.

Wei Chang did not pay attention to them. While staring dead-on at Donghuang Li, various kinds of possibilities appeared within his mind.

"Let go of me!!!" Donghuang Li suddenly shouted out furiously, and a red light immediately flickered within her eyes. A formidable aura exploded out from Donghuang Li's body and Donghuang Li actually managed to struggle free from Wei Chang's bind. Right after, Donghuang Li struck her fist towards Wei Chang.

Currently, Wei Chang was extremely excited. The same aura that His Honor possesses is actually mixed within the aura that this girl possesses! Just who is this girl!

Furthermore, a little girl is actually able to struggle free from my bind, this is too unbelievable!

Wei Chang extended out his index finger, and Donghuang Li's little fist struck onto Wei Chang's index finger.

A frantic airwave swept out from all directions. Wei Chang hurriedly eliminated the airwave, if not, he was going to have to clean up the bar again.

Donghuang Li who struck out with her little fist seemed to have overexerted herself as she slowly closed her eyes and passed out.

Upon seeing that, Wei Chang stretched out his hands and carried onto the little girl.

“Uncle Wei, she?” Tang Wei asked curiously.

“Xiao Tang, Uncle Wei won’t be sending you back home today, a big matter has occurred!” Wei Chang held onto Donghuang Li’s small hand and sensed the aura within Donghuang Li’s body. That’s right! This is His Honor’s aura! And the aura is actually this pure!

Tang Wei wrinkled her brows and said worriedly, “Uncle Wei, I will stay here and accompany you then.”

Wei Chang nodded his head, then immediately went and contact His Honor. I’m afraid that His Honor’s vacation is going to have to come to an end in advance!

Chapter 197.2: Your Honor, a big matter has occurred! 2/2

Ye Hua who was far away at Sanya was currently living rather comfortably. Ever since he was done with the outdoor photoshoot, he had continuously been lovey-dovey with Qing Ya, and even both Qing Yutong and Ye Zizi couldn’t stand looking at the two anymore.

The two would kiss at the drop of a hat, and Ye Zizi even counted, during this hour alone, the two had kissed at least up to 10 times.

Qing Yutong calculated for a bit. In a day alone, big sister has to get kissed for at the very least 240 times, this is so frightening...

And Qing Yutong’s calculation was indeed accurate. Sometimes, Ye Hua would not be the only one to take the initiative, because, right now, Qing Ya had also learned to take the initiative. This caused Ye Hua to become very happy.

In the end, the two were pretty much indulging in pleasure and forgetting about everything else, if they didn’t kiss, they would feel that something was missing. And in actuality, this shows that Ye Hua and Qing Ya’s feelings for each other have already raised to a certain degree.

In the past, Qing Ya would only passively accept Ye Hua’s advances, and sometimes, she would even want Ye Hua to admit that he was a liar. Right now, there was no need to have any misgivings, Ye Hua could just straightforwardly kiss onto Qing Ya.

Take right now, for example, Ye Hua was pressing down onto Qing Ya again and roughly kissing onto Qing Ya, while Qing Ya’s face was filled with enjoyment as she embraced onto Ye Hua’s neck with both her hands.

After a long while, then did they separate from each other.

“My lips have been sucked swollen by you.” Qing Ya pursed her lips. This annoying fellow is really becoming more and more like a child.

Ye Hua straightforwardly held Qing Ya into his embrace, then lightly caressed onto Qing Ya’s stomach and feel the little fellow’s aura. The child’s aura is very pure...

“Ye Hua, you say, what should we name our child?” Qing Ya leaned onto Ye Hua’s chest and asked curiously.

Ye Hua said faintly, “Definitely a name that would be the most resounding amongst all names.”

“Could it be that, you want to name our child as Ye Resounding?”

Ye Hua couldn’t help but knock onto Qing Ya’s forehead. I really have to give it to you, to be able to think of such a name like that.

“Aiyo, you hit onto my forehead again, what if I turned foolish because of that.” Qing Ya puffed her cheeks and looked at Ye Hua with grievance.

Looking at this woman acting coquettishly, Ye Hua couldn’t help but press down onto Qing Ya again and began another round of kissing.

So soft, so sweet.

“Your Honor! Your Honor!”

Right when Ye Hua was enjoying his wife’s lips, Wei Chang’s voice rang out within his head.

While kissing onto Qing Ya’s lips, Ye Hua replied coldly, “If there is nothing important, don’t disturb me!”

“Your Honor, a big matter has occurred!”

Ye Hua sat his body up and tightly wrinkled his brows. Wei Chang has never said the words ‘big matter’ before! Even in the past, he has never said it too! Even more, what kind of a matter is it that is able to make him become so flustered!

“Ye Hua, what’s the matter?” Qing Ya asked with concern.

Ye Hua shook his head, then walked to the balcony and lighted up a stick of cigarette.

“What’s the matter?”

“Your Honor, you better quickly come back and personally take a look! This matter really can’t be explained clearly through words.”

“Take a look at what!” Ye Hua asked coldly. The so-called big matter that this guy is talking about is looking at something?

“A person. Your Honor, this matter cannot be treated with negligence.”

Speaking up to here, Ye Hua did not bother asking any more questions. However, he was not very anxious about the matter. After walking into the room, Ye Hua said, “Qing Ya, book the earliest flight that is available for tomorrow. We will be heading back.”

“Did something happen?” Qing Ya immediately became worried.

Ye Hua laughed lightly, “Be at ease, they are all just small matters.”

“Don’t talk big, what do you mean by that they are all just small matters. Then, what is it that would be a big matter?”

Ye Hua stretched out his hand and hooked onto Qing Ya's chin, then said faintly, "To me, you are my big matter!"

"Ye Hua! You changed!" Qing Ya cried out in surprise.

"Eh....."

"You became glib-tongued! I want back my original Ye Hua, the current Ye Hua has become such a bad person~ I want to lower your level~"

"Sorry, I will only become more and more bad!" While speaking, Ye Hua pressed down onto Qing Ya again. In the past, I felt that the saying of sovereign kings does not hold morning meetings were all rubbish. However, right now, I feel that it does make a bit sense.

The next morning, the four got on the earliest flight and headed back to Long'an City. Ye Hua decided, if Wei Chang dares to bluff me, I will order him to break up with his girlfriend!

[You Cannot Afford To Offend My Woman](#)

Chapter 198.1: Who is she! 1/2

During the entire flight, Qing Yutong and Ye Zizi lied motionlessly on their seats, who knows what the two even did last night.

Half an hour later, the plane arrived at Long'an City's airport, and Qing Yutong and Ye Zizi were still exhausted.

Qing Ya took a look at her sister and shook her head. How big are you already, and yet you are still playing around with Ye Zizi.

To be more specific, Ye Zizi was the one that was bringing Qing Yutong around to play.

40 minutes later, the four arrived at Leisure Bar's doorway.

"Ye Hua, I want to eat Chinese crepe~"

"Brother-in-law, I want it too~"

"Big brother, Zizi wants it too~ And Zizi wants an extra egg and slice of ham~"

Ye Hua said faintly, "Carry the luggage into the bar by yourselves."

"Brother-in-law, do you feel no shame, to let three pretty and delicate beautiful women to carry so many stuff into the bar~"

Ye Hua turned his head around and looked towards his sister-in-law, "If you want to move to another house, it's fine with me too."

"Brother-in-law, how could I trouble you to carry such heavy stuff? Hand it all to me, my strength is big~"

Qing Ya rolled her eyes at her sister, "Where is your integrity?"

“Big Sister Qing, Zizi’s strength is small, so, I will hand it all to you~ I am going to go upstairs and sleep~”
After finish speaking, Ye Zizi held onto Qing Ya’s hand and hopped into the Leisure Bar.

Qing Yutong looked at the five big suitcases and let out a deep sigh. Why are all of you bullying me...

Within Leisure Bar.

Wei Chang and Donghuang Li were currently looking face to face at each other. The atmosphere was a bit peculiar.

Tang Wei stood behind Wei Chang and didn’t know what she should say at all. Why did Uncle Wei suddenly want to make things difficult for a child?

Meanwhile, green and red brothers were each tied onto a chair. Also, a black color cloth was stuffed within their mouths, and who knows what things these black color cloths were being used to wipe on.

Big Brother Green, “Hmmm! Hmmm! Hmmm!!!”

Imperial translation: “If you have guts, let’s have a fight!”

Little Brother Red, “Hmmm, hmmm, hmmm~”

Imperial translation: “Beauty~ Non-mainstreams, want to come and understand about it?”

Donghuang Li pouted her mouth and said while panting with rage, “Uncle, you are a bad guy!”

“Who are you!” Wei Chang asked solemnly.

“Ah Li is not going to tell you.” Donghuang Li snorted, then turned her head to the side.

Wei Chang continued and asked, “Where did you come from!”

“I’m not saying! I’m not saying! Even if you beat me to death, I’m also not going to say it!”

Veins began bulging out from Wei Chang’s forehead, evidently showing that Wei Chang was quite angered by Little Ah li. However, before His Honor comes back, Wei Chang didn’t dare to do anything else.

Grumble~

Donghuang Li’s stomach failed to live up to her expectations and grumbled. Donghuang Li who still had an imposing aura just a while ago immediately turned red, and her big eyes even took a glance at Wei Chang and Tang Wei.

Pfft.

Tang Wei was amused by Donghuang Li’s expression. This child is so adorable.

“Big sister, don’t think that just because you are pretty, you can laugh at Ah Li. Ah Li has not eaten for an entire day, thus it is normal for Ah Li’s small stomach to growl~” Donghuang Li snorted lovably, having a look on her that was saying, all of you are bad guys, to actually laugh at a child because the child’s stomach growled.

Wei Chang let out a breath, “Xiao Tang, go and bring some food over.”

“Alright, Uncle Wei.”

It was only natural for there to be snacks within Leisure Bar. When Donghuang Li saw the snacks in front of her, she couldn't help but swallow her saliva.

“Humph~ To actually try to use delicacies to entice Ah Li. It's useless, Ah Li won't ever surrender~” While pursing onto her lips, Donghuang Li vowed solemnly.

Wei Chang was also amused by Donghuang Li. Wei Chang picked up a stick of french fry, then held it in front of Donghuang Li's eyes and slowly swayed the stick of french fry. Meanwhile, Donghuang Li's big eyes began moving along with the french fry, appearing very adorable.

“Are you hungry?”

Donghuang Li said with her tender voice, “Hungry~”

“They are all yours, you can eat as you like.” Wei Chang smiled.

“Then, uncle, can you let go of uncle green and red, they have not had a full meal for a few days already.” Donghuang Li pleaded.

Wei Chang waved his hand, and the robes that were used to tie onto the green and red brothers became loose and fell onto the ground.

The two who had recovered their freedom immediately ran towards Donghuang Li.

Big Brother Green protected onto Donghuang Li.

While Little Brother Red protected onto the snacks that were on the table.

“Don't be nervous, I do not have any evil intentions towards you all. You all can eat as you please.” Wei Chang said faintly.

I would be damned if I believed you, you have tied us up for an entire night, and yet here you are saying that you do not have any evil intentions towards us...

However, those snacks are truly very delicious...

Chapter 198.2: Who is she! 2/2

Suddenly, a sound rang out from the doorway.

“Wei Chang, they are?” Qing Ya walked into the bar while holding onto Ye Zizi's hand. Behind the two was Qing Yutong who was carrying onto the suitcases.

Ye Zizi kept away the smile on her face and looked confusedly at Donghuang Li who was currently sitting on the table and eating food. When Ye Zizi saw Donghuang Li, she felt the same as what Wei Chang felt when Wei Chang saw Donghuang Li.

“Lady boss, she...” In a moment, Wei Chang did not know how to explain.

Donghuang Li who was gorging herself with the food placed down the food that was on her hand and smiled towards everyone, "I am called Donghuang Li."

"Ah Li!" Qing Ya cried out in surprise.

"Ah Li~" Qing Yutong straightforwardly flung the suitcases to the side and ran over to Donghuang Li.

The corner of Ye Zizi's mouth twitched slightly. My opponent is actually only this big!

"You... you are Aunt Qing?" Looking at the excited look on Qing Yutong's face, and hearing that voice that sounded precisely the same as the voice that she had continuously heard through her headphone, Donghuang Li mumbled and asked.

Qing Yutong pointed to herself, "That's right, I am Aunt Qing."

Green and red brothers silently stood at the side. The three that entered into the bar are so pretty, and amongst the three, there is even a loli...

They seem to be very rich, and their aura is very ample.

Donghuang Li's small face could be seen collapsing as she cried out and hugged onto Qing Yutong, "Ah Li finally found you, boohoo..."

"Ah Li, don't cry, don't cry." Qing Yutong hurriedly consoled Donghuang Li. While consoling Donghuang Li, Qing Yutong looked towards the green and red brothers that were standing at the side.

Just a look at their outfits and I know that they aren't good people, they must have definitely kidnapped Little Ah Li.

Qing Ya also walked over and said tenderly, "Ah Li, cheer up, don't cry."

"En, Ah Li won't cry, Ah Li has to be happy. Aunt Qing, you two are indeed very pretty, and you two look the same too."

Ah Li's words were very pleasant to hear, no women would dislike hearing others praising them.

However, upon hearing that, Qing Ya took a glare at her sister. Are you still not going to change that face of yours back to your own face!

"And you are Aunt Ye! You are only a bit taller than Ah Li..." Donghuang Li pointed to Ye Zizi and cried out in surprise.

The corner of Ye Zizi's mouth twitched, "Don't call me aunt, I am only a bit taller than you!"

A small little thing calling another small little thing aunt, say, wasn't it hurtful?

"Big brother, their relationships are so complicated." Little Brother Red said in a low voice.

"En, there are so many aunts."

Donghuang Li took a look around, then asked curiously, "Eh, where is uncle?"

Qing Ya pinched onto Donghuang Li's small cheek and said tenderly, "Uncle is still at outside buying things, he will be back very soon."

Why do I suddenly feel that Ah Li looks a bit like... like who again?

At this moment, Ye Hua walked into the bar, and in his hand were the Chinese crepes that he bought, "Your breakfast is here."

Just that, right after Ye Hua finished speaking, his entire body came to a froze, seemingly like his acupuncture point was tapped by someone. With his body frozen, Ye Hua looked dazedly at Donghuang Li who was currently within Qing Yutong's embrace.

Meanwhile, Donghuang Li was also dazedly looking at Ye Hua.

Qing Ya took a look at her left, then took a look at her right. No wonder I felt that Ah Li looked a lot like someone just now, Ah Li looks a lot like Ye Hua.

Qing Yutong also had the same thought as Qing Ya.

Don't see that Ah Li was still small right now, but that prideful aura that was in the middle of Ah Li's forehead was very similar to Ye Hua.

Not only does that prideful aura that is in the middle of Ah Li's forehead looks similar to brother-in-law, even Ah Li's eyes, nose, and mouth, they all look very similar to brother-in-law.

Isn't this too miraculous?! It couldn't be that, Ah Li is brother-in-law's illegitimate child, right?!

Qing Yutong immediately arrived at the truth.

On the other hand, Qing Ya did not think towards the direction of Ah Li being Ye Hua's illegitimate child. And in actuality, it was that she didn't dare to think towards that direction.

Right now, Ye Hua's breathing was a bit urgent. This little girl actually possesses my aura, how is this possible!

And the main point is that, the pureness of her lineage is actually that pure! How is this possible! Just who is she!!!

[You Cannot Afford To Offend My Woman](#)

Chapter 199.1: His Honor's danger 1/2

Ye Hua who had never felt nervous before was currently feeling very nervous and confused. Various kinds of emotions were intertwining within Ye Hua right now.

Donghuang Li did not think that much, in her heart, she just wanted to get close to this uncle that was in front of her. Stretching out her small hands, Donghuang Li shouted out to Ye Hua, "Uncle, hug hug~"

Hearing the little girl calling out to him, Ye Hua didn't think too much as he slowly walked over and carried over Donghuang Li from Qing Yutong's embrace.

When Ye Hua held Donghuang Li in his embrace, he discovered that Donghuang Li's lineage was actually linking together with his lineage. Could it be that, she is my child? Did she pop out from the crack of a rock? Or did she grow out from a vine?

Donghuang Li felt that there was a very comfortable smell coming out from Ye Hua.

I just want to keep on hugging onto uncle, because uncle smells very nice... Uncle smells even nicer than mother.

Qing Ya's expression was a bit flustered. Taking a look at them right now, I feel like they look even more alike with each other!

Especially the tenderness on Ye Hua's face, and the infatuation on Donghuang Li's face, adding those up, it's practically a scene where a father and daughter finally reunited and meet with each other.

Qing Ya hurriedly shook her head and shook away that impossible thought of hers. However, the reason that Ye Hua hurriedly came back, is so that he could meet with Ah Li?

Wei Chang and Ye Zizi took a look at each other, seemingly having made out something from how His Honor was acting right now.

Qing Yutong began letting her vivid imagination go wild.

A child went searching for her dad for a thousand miles, and finally, at last, she found her dad.

However, this also represents a scary matter, brother-in-law has a woman outside!

Immediately, Qing Yutong looked towards her big sister. As expected, big sister's expression is not really good right now, I reckon that she had thought towards the same direction as I did. Big sister hates fickle men the most, and she even dislikes daddy for having two women.

Big sister and brother-in-law had just finished shooting their wedding photos and spending their honeymoon... and yet, right now...

My god, if my guess is correct, this matter would bring rise to a family crisis, and if the matter isn't handled well, they would even divorce each other.

Ye Hua's attention was currently all placed on Donghuang Li, and he completely did not discover Qing Ya's peculiarity, and even more, did not know Qing Ya was already beginning to let her imagination run wild.

The atmosphere of the scene was a bit strange, and everyone did not dare to speak.

Even Ye Zizi who likes to mess around and create trouble was being silent too.

After a long while, Ye Hua looked towards green and red brothers. The latter immediately became startled, why is this man's expression so unfriendly?

"Wei Chang, drag them out!" While carrying onto Donghuang Li, Ye Hua said coldly.

"Yes!"

Donghuang Li who was within Ye Hua's embrace hurriedly said, "Uncle, don't chase them away."

According to Ye Hua's attitude in the past, he would definitely not pay attention to Donghuang Li's words, and even more, he would chide Donghuang Li, no one can go against my words!

However, all those changed after Qing Ya appeared. And right now, another one that could receive the same treatment as Qing Ya had appeared.

“Why?” Ye Hua’s tone was not very rigid.

“Uncle, it was green and red uncles who brought me all the way over to the bar. If not for green and red uncles, Ah Li would have starved to death...” Donghuang Li raised her head and looked at Ye Hua. I like this uncle so much, I really want to be in his embrace for my entire life and not leave from his embrace.

Ye Hua took a look at green and red brothers, then said faintly, “Wei Chang, I will hand those two over to you then.”

“Yes!”

Although it was a mere few words, it was enough to change the fate of both green and red brothers.

While, however, green and red brothers were still completely confused right now, they were completely unaware of just how strong the man in front of them was.

For having escort Ye Hua’s daughter to the bar, which thus allowed Ye Hua to reunite with his daughter, the two were practically going to be able to become an existence that was on the same level as Death Mage.

This was not something that could be compared with money.

“Big brother, in the past, we were at the least hoodlums, do we have to degrade and become security guards right now?” Little Brother Red said in a low voice.

If we were to head back right now, I am somewhat reluctant to part with Ah Li. Big Brother Green said in a low voice, “Let’s see how for now. If they don’t treat Ah Li well, we will bring Ah Li to go and find her daddy and mommy.”

“Alright. In any case, we are still wanted criminals right now, therefore we should hide for a while first.”

[You Cannot Afford To Offend My Woman](#)

Chapter 199.2: His Honor’s danger 2/2

Ye Hua carried onto Donghuang Li and walked towards the stairs. While passing by Qing Ya’s side, Ye Hua held onto Qing Ya’s delicate hand. After the three went upstairs, everyone let out a breath.

No matter what, Wei Chang felt very happy about this matter. After all, His Honor now has one more descendant to carry on his lineage. These two non-mainstreams have done a meritorious deed!

“The two of you will follow me from now on.” Wei Chang laughed out heartily. This is a happy occasion that’s worth celebrating!

Ye Zizi also revealed out a genuine smile on her face. The more descendants His Honor has, the closer the day where His Honor would be able to be like the humans and start a brand-new dynasty would come!

Of course, that was not the main point. The bloodiness within the process of building up a dynasty was what Ye Zizi really wanted. And in actuality, Wei Chang’s thought was more or less the same as Ye Zizi.

Big Brother Green patted onto his little brother’s shoulder, “Don’t be discouraged. At the least, by working as security guards, we will be able to protect Ah Li.”

“May I ask, how much is the pay of being a security guard every month? Is there 2000 rmb? Are food and shelter provided?” Little Brother Red was very worried.

Big Brother Green asked Wei Chang, “Brother, no matter what, there should at least be five insurances and one fund, right?”

Upon hearing that, everyone laughed.

Ye Zizi shouted out lovably, “There are two honest people here, everyone, quickly come and bully them~”

To be able to survive while in the presence of a group of monsters, it was reckoned that green and red brothers were the only ones that would be able to do it.

Qing Yutong laughed lovably, then looked towards the staircase with a worried look on her face. Qing Yutong couldn't help but began worrying.

“Uncle, Ah Li wants to sleep~” With her small hands hugging tightly onto Ye Hua's neck, Donghuang Li said with her tender voice.

Ye Hua said gravely, “Go and shower first before going to sleep.”

“En~”

“Qing Ya, bring Ah Li to go and shower.” Ye Hua handed over Donghuang Li to Qing Ya. Ye Hua was feeling a bit complicated right now.

“Alright, Ye Hua, you go and buy a few sets of clothes for Ah Li.” While carrying onto Donghuang Li, Qing Ya said tenderly.

Ye Hua nodded his head, then opened his phone and bought a few sets of clothes. Tongchen's delivery should be a bit faster compared to the others.

“Aunt Qing, Ah Li is able to take a shower by herself, Ah Li doesn't need to trouble Aunt Qing to help Ah Li shower.” Donghuang Li said sweetly, appearing very sensible.

Qing Ya was amused by the adorable expression on Donghuang Li's face. No matter how much suspicions I have, those are all suspicions, I believe that Ye Hua wouldn't bluff me.

“Little Ah Li, let's shower together, okay?” Qing Ya stroked onto Donghuang Li's soft hair and said with a smile.

“Then, Ah Li will help Aunt Qing scrub her back~ Is that okay?”

“Of course, it's okay.”

“En, en, Ah Li likes Aunt Qing.”

Amongst the laughter, Qing Ya entered into the bathroom while carrying onto Donghuang Li. If it was during normal times, Ye Hua this jealous king would definitely flip out. However, right now, he doesn't feel anything at all.

Taking out a stick of cigarette, Ye Hua stood at the window and lighted the cigarette.

If Ah Li isn't popped out from the crack of a rock, and isn't grown out from a vine, could it be that, she was birthed by someone!

But, how could it be, I have never touched more than two women in my life.

Upon thinking up to here, Ye Hua's gaze was filled with astonishment, and the cigarette that was within his hand was snapped into half by him.

During that night three years ago... could it be, her?!

Thinking back to those few days where we were playing the computer game together, Ah Li said that she was about to reach three years old soon, and that her mother is very beautiful, but her father is dead!

Damn it! This woman actually cursed me by saying that I died!

Ye Hua threw away the cigarette that was snapped into half.

What am I thinking that much for, I will be able to know the truth of the matter once I capture that woman and bring her over to the bar!

No, won't do!

Qing Ya!

With a grave expression on his face, Ye Hua heavily let out a breath. If this matter were to be known by Qing Ya, there is no doubt that she is definitely going to have a quarrel with me.

Take those past few days where we went out sightseeing for example. When I slightly took a look at other women, that jealousy of hers was not a matter to belittle.

And right now, it was not just a matter of looking at other women, there was even a child now.

With great difficulty, I have finally trained Qing Ya into an obedient wife. And right now, because of this matter, could it be that, things are going to go back to how it was in the past where she would quarrel with me at the drop of a hat?

Damn it, to think that I would actually be troubled by a trivial matter like this! This damned humanity, I really want to burn it into ashes and go back to the state that I was in before, where there weren't any worries at all.

For a big matter like this, I definitely have to gather my subordinates and hold a summit meeting. This matter is the most serious matter that I have ever come across!

As for the meeting's venue, old place, Leisure Bar's toilet.

[You Cannot Afford To Offend My Woman](#)

Chapter 200: A mother's position raises depending on her child 1/2

Green and red brothers who were in the main hall seemed to be very flabbergasted.

A while ago, we were listening to Uncle Wei briefing us on what to do, then all of a sudden, he suddenly said that he had a stomachache and went to the toilet, and right after, that little loli also followed along and went into the toilet...

Big Brother Green said in a low voice, "I feel that there is a problem with Uncle Wei and that little loli."

"I feel the same too. That Tang Wei seems to be Uncle Wei's girlfriend, right?" Little Brother Red felt that it was very strange. The bars within the big cities sure are messy, the people in those bars are truly too open and brazen.

Big Brother Green rubbed onto his head, "Our mindsets are too old already and are not able to keep up with the big cities' tempo."

"That's right, I feel that I have already fallen in love with the big cities' tempo." Little Brother Red laughed lightly. So this is what the big cities are like, so open and brazen~

Within the toilet.

"Subordinate pay respects to Your Honor!"

"Subordinate pay respects to Your Honor!"

"Subordinate pay respects to Your Honor!"

Wei Chang, Lie Gu, and Ye Zizi, three of the Seven Sins were currently present.

"Don't kneel anymore, the floor is dirty." Ye Hua said lightly.

"Thank you, Your Honor, for empathizing." The three shouted out at the same time.

After pausing for a moment, Ye Hua took out a cigarette and lighted the cigarette, "You all should know about today's matter, right?"

Lie Gu had already gotten news of the matter from Wei Chang and Lie Gu himself also felt incomparably shocked about the matter. His Honor's descendant has already come into this world, and here I thought that there would still need to be a few months before that would happen.

"Subordinate thinks that this is a joyous matter, for Your Honor to be able to reunite with Little Honor, this is the sign of great auspicious!" Wei Chang said with a slight smile, and the other two followed along with the flow and nodded their heads.

Ye Hua wrinkled his brows and said gravely, "Ah Li is indeed my descendant, but the person who gave birth to her..."

Speaking up to here, Ye Hua looked towards his three subordinates, "I believe that you all should know who that woman is, right?"

"I don't know." Ye Zizi raised her hand and shouted out, having a look on her that was saying, don't call me out to answer questions.

However, Wei Chang and Lie Gu knew about it.

Lie Gu said solemnly, "Your Honor, since the matter had already happened, Your Honor can just proceed to take in the other madam. With Your Honor's majestic identity, it is extremely normal to have one more woman."

"Wei Chang, what are your thoughts?" Ye Hua puffed out a mouth of smoke and asked.

Wei Chang thought for a bit, then said, "Subordinate feels that, this matter has to go through the madam first. And of course, we also have to see whether if the other madam is willing to be taken in or not."

Right now, Wei Chang knew how to think about problems from others' perspectives, and it was also because of that that he still has not pushed over Tang Wei up till now.

Ye Zizi pouted her mouth, "What does it matter if she is willing or not, just straightforwardly capture her and bring her over will do~"

Ye Hua took a glare at Ye Zizi, and Ye Zizi immediately shut her mouth. In the past, where would His Honor have so many misgivings?

"Lie Gu, how did you bring together those women of yours?" Ye Hua asked faintly. For this kind of problem, it is necessary to ask Lie Gu's advice on it. After all, he has three women, and those three women of his even seem to be able to be together in peace.

Lie Gu pondered for a bit, then said respectfully, "Your Honor, subordinate does not know too. In any case, all I did was pushed them over, then... Erm, as I continued pushing them over, all of them gradually got together."

Ye Zizi said with a face full of disdain, "Big lecherous dragon."

"I am a human, this is just the natural instinct of a human, okay?" Lie Gu disputed, not willing to accept Ye Zizi's slander.

Wei Chang said, "Your Honor, subordinate feels that, a woman who is able to be fancied by Your Honor is definitely not an ordinary woman, therefore, Your Honor can't use normal methods to deal with the two madams."

Ye Zizi clapped with her small hands, "I understand, what Gluttonous Monster is trying to say is that, Your Honor should buy new clothes for the madam, that way, the madam would be willing to accept Ah Li! Am I right?"

Ye Hua, "....."

Wei Chang, "....."

Lie Gu, "....."

Chapter 200.2: A mother's position raises depending on her child 2/2

"Wei Chang, what you are trying to say is that, I should stand still and do nothing for now?" Ye Hua asked curiously.

Wei Chang nodded his head, "That's right, Your Honor should first let the madam and Little Honor interact with each other and allow them to produce good impressions of each other. That way, when the time comes where everything comes to light, Madam Qing Ya wouldn't make things difficult for Ah Li."

“Makes sense.” Ye Hua nodded.

After remaining silent for a moment, Ye Hua continued and asked, “You all say, should I take in that woman or not?”

Lie Gu raised up his hand.

“Speak!”

Lie Gu immediately said, “Your Honor, subordinate thinks that Your Honor should definitely take in the other madam. If the Little Honor is really birthed by her, it is only reasonable that she should have a status to her. After all, the Little Honor is Your Honor’s descendant, and a mother’s position raises depending on her child.”

Wei Chang and Ye Zizi were startled. There actually isn’t any fault within Lie Gu’s words, Lie Gu has become smart.

“Lie Gu, I am very happy that you have finally started using your brain, and not just your lower body.”

Lie Gu laughed complacently. Who says that I am only able to think with my lower body? Take a look, even His Honor has praised me.

“Your Honor, then, regarding the other madam, when should we go and invite her over?” Wei Chang asked the key question.

Ye Hua extinguished his cigarette and said gravely, “Wait for my orders.”

“Yes!”

“Yes!”

“Yes!”

“Alright, you all can leave now. That’s right, Wei Chang, properly guide those two non-mainstreams.” Ye Hua reminded, then disappeared. When he appeared again, he was already in the bedroom.

Lie Gu went into a daze for a moment, then asked curiously, “What non-mainstreams?”

“Two humans who escorted His Honor’s descendant to the bar.” Wei Chang laughed.

“F**k, these two have struck it lucky, His Honor even specifically reminded you to look after them, formidable, formidable.” Lie Gu gave a thumbs-up, then disappeared from the toilet too after he finished speaking.

Ye Zizi walked out of the toilet while yawning, and the green and red brothers that were outside immediately turned their heads away.

Wei Chang walked to the front of the two and said, “Do you two want to continue protecting Ah Li?”

Green and red brothers took a look at each other, then said at the same time, “Yes!”

Wei Chang was very satisfied with the answer.

Returning back to the bedroom, Ye Hu heard the giggles that were coming out from the bathroom, and a slight arc slowly appeared on the corner of his mouth. However, the slight arc disappeared very quickly.

That woman from three years ago, and Qing Ya, how did they become pregnant with just one shot? It must be said, my bullets truly do not miss their targets.

However, that is fine, the more descendants I have, the better it is. Just that, how to get them to coexist together, that is the big problem.

Why are those humans able to have a bunch of wives and concubines, and yet when it comes to me, it isn't possible?

I will see how things go for now. If things don't work out, I will just resort to using coercive measures, would I even be afraid of two women!

Thinking back to that woman from three years ago, Ye Hua felt that she was all right and was just barely worthy enough to be his woman. Of course, that woman requires to be trained for a bit. After all, that woman is even more haughty compared to Qing Ya. From her endurance alone, I am able to see that she is the kind of woman that is not willing to admit defeat easily.

After waiting for a while, Qing Ya who was wearing her nightclothes walked out of the bathroom while carrying onto Donghuang Li. Donghuang Li had a smile on her, appearing to be very happy.

"Uncle, hug hug~"

Ye Hua laughed lightly, then carried onto Donghuang Li. Is this what having a child feels like?

This feeling of wanting to properly protect her feels so subtle.

Right now, I am finally able to experience what those humans from back then felt. The situation where after killing a small one, a big one would come, and after killing a big one, an old one would come, if I were in their position, I would have done the same.

Qing Ya silently let out a breath. Looking at Ye Hua and Ah Li, they truly look like father and daughter...

It must be said that, a woman's institution was truly very scary.

"Uncle, Ah Li doesn't want to sleep anymore, Ah Li wants to play eating chicken with Aunt Ye and Aunt Qing." Donghuang Li said in a low voice while within Ye Hua's embrace. She was a bit afraid that Uncle Ye would reprimand her, after all, her mother would reprimand her every time when she plays computer games late at night.

Ye Hua said lightly, "Alright."

Donghuang Li became exulted and she kissed onto Ye Hua's cheek, "Ah Li likes uncle."
