

My Woman 211

[You Cannot Afford To Offend My Woman](#)

Chapter 211: The two finally meet

Donghuang Baizhi closed her eyes and silently waited.

Suddenly! The sounds of footsteps rang out from the staircase.

I won't ever forget this sound. Back then during that night, he came down like this too, and straightforwardly walked over to me and invited me to spend a night with him. And during then, I must have drunk too much to have actually fallen for this bastard's trick!

However, he came down! He really came down!

Donghuang Baizhi indescribably began feeling nervous.

What does this damned man actually mean by this! If you have the capabilities, then don't come down! Be as heartless as you were back then!

Ye Hua's gaze was deep as he gazed at the back of the woman that was sitting not far away from him.

She still looks the same as she did back then!

Ye Hua took out a stick of cigarette and ignited it. He wasn't urgent to meet with Donghuang Baizhi, and right now, he was feeling worried about Qing Ya.

When have I ever actually have to have misgivings when doing things? It's at the point where I have almost become not like my own self. In any case, they are going to meet with each other sooner or later.

Since this woman has such a good fortune of being able to conceive my descendant, I should reluctantly accept and take her in as my woman. As for Qing Ya's side, I will properly talk it out with her when the time comes.

Wei Chang, Lie Gu, and the green and red brothers hid at one side and watched secretly. Right now, they were also feeling nervous to death.

Green and red brothers thought to themselves, "So, just who is the third party?"

While smoking, Ye Hua slowly walked over to Donghuang Baizhi, then sat down on a seat and looked at the woman that was in front of him.

She changed, she has become much more mature, and also much haughtier compared to three years ago. It is fortunate that she is the type that I like, if not, it would really be difficult to accept her.

Donghuang Baizhi was also seizing up this man who she had not met for three years.

He hasn't changed, there isn't any expression on his face, and no matter who he looks at, he looks at them like he is looking at an insect. Also, he is still this fond of smoking.

It is this man who took me for an entire night. During the entire night, I did not have the chance to rest at all, after I fainted, he would wake me up, and the cycle would repeat one cycle after another. And yet,

when morning arrived, he did not show any concern to me and even said to not meet anymore in the future. Even more, he didn't even tell me his name afterward.

"Ye Hua, I trust you have been well since we last met!" Donghuang Baizhi said coldly.

Ye Hua slightly wrinkled his brows, "How did you know my name?"

Suddenly, Ye Hua recalled of the hotpot store. Could it be that, she is the one who is monitoring after me? Thinking about it, it could be possible. Ah Li arrived at Long'an City just yesterday, and in just a day, she came to the bar to look for Ah Li.

However, why did she go to the trouble of selling the hotpot store away and withdrawing all of the employees from the hotpot store? It's a little redundant for her to do that.

Donghuang Baizhi snorted, "In actuality, I didn't want to know your name, just listening to your name is making me feel uncomfortable."

Look, look, would it do if I don't educate this woman? We have only just met, and she is already retorting against me. Qing Ya during back then wasn't even as haughty as she is!

However, after thinking about it, she is still the child's mom. Furthermore, she has been wandering outside by herself for three years, no matter what, it has been hard on her. Right now, I won't bother with lecturing her, there will be many chances in the future to educate her.

"I know your purpose for coming to the bar." Ye Hua said faintly.

Donghuang Baizhi laughed lightly, immediately appearing extremely beautiful, "Then, tell me, what's my purpose for coming to the bar?"

"I know that it has been hard on you, but since you came to the bar, it shows that you still haven't forgotten about me. Since that's the case, I will let bygones be bygones. From now on, you can just obediently be my woman."

The mouths of the four who were hiding behind at one corner turned into O shape.

There isn't anything wrong to pick in what His Honor just said. What His Honor just said is so domineering, especially that last sentence!

From now on, you can just obediently be my woman!

His Honor is too domineering! His Honor is too manly! Any woman that heard those words would be conquered by those words!

Wei Chang and Big Brother Green immediately took out their notebooks and wrote it down on their notebooks. This sentence will definitely be useful in the future.

"Ha! Hahaha!"

Donghuang Baizhi laughed at the top of her voice, seemingly as if she had just heard the funniest joke in this world.

He is actually even thinking of letting bygones be bygones! And even said that I came to the bar because of him! And even more, he wants me to be his woman obediently! I didn't expect that he is still as narcissistic as he was back then, he thinks as if that he is the only man left in this entire world.

But, why didn't you say what you just said during back then! If you did, perhaps, our family of three wouldn't have split apart!

"What are you laughing about!" Ye Hua asked coldly.

Donghuang Baizhi kept away her smile and said coldly, "I'm laughing at you for being foolish!"

Immediately, an austere aura burst out from Ye Hua's body, "Don't think that just because you are my woman, you can retort against me!"

There was a difference between Donghuang Baizhi and Qing Ya. Qing Ya could not fight back against Ye Hua, but Donghuang Baizhi could.

An austere aura burst out from Donghuang Baizhi's body too, and immediately, the two auras fiercely struck against each other, causing all the surrounding chairs and tables to fly around the bar.

Upon seeing that, Wei Chang felt a pain in his heart. Later on, when all is done, I would be the one that has to clean up the bar.

"Your woman? Ye Hua! Your tone is still as big as it used to be in the past!" Donghuang Baizhi shouted out.

At the same time, Donghuang Baizhi was very shocked about Ye Hua's strength. His strength is actually equally matched against my strength!

Ye Hua was also rather astonished. This woman's strength is not bad, it is no wonder that she is so rude and unreasonable. Unfortunately, you are completely ignorant of my strength!

"You are still as haughty as you were back then!"

"What are you all doing?"

A voice rang out from the staircase.

This caused Ye Hua's heart to sink, and Donghuang Baizhi to turn her head around to take a look.

As expected, that woman's appearance conforms with this man's taste. However, what I'm feeling the most in my heart right now is indignant!

Just a while ago, Qing Ya heard some voices that were coming from downstairs, and without caring about Ye Zizi's obstruction, she came downstairs. And upon coming downstairs, she saw Ye Hua speaking to a woman.

That woman who turned her head around to look at me, why is there indignant within her gaze? Why is she feeling indignant?

Qing Ya sort of didn't understand why the woman was feeling indignant.

However, this woman is indeed very beautiful, Ye Hua this fellow couldn't have gone and hit on that woman, right!

Scoundrel!

When the four who were hiding at a corner saw Qing Ya came downstairs, they immediately held their breath.

Lie Gu was nervous to the point that he pinched onto Little Brother Red's ear, while Little Brother Red was feeling pain to the point that he pinched onto Big Brother Green's thigh, and Big Brother Green was feeling pain to the point that he covered onto his own mouth.

Wei Chang looked at the scene in front of him and thought to himself, "The boss is done for... The two madams finally met with each other, this is disastrous..."

Qing Ya took a glare at her husband. You are already someone who has a wife, and yet you are still here hitting on a young lady! Do you not want to live anymore! You better be careful when we head back upstairs!

With a smile on her face, Qing Ya walked to the side and sat down, then said towards Donghuang Baizhi, "I'm sorry, he just loves messing around, please don't mind him."

Donghuang Baizhi looked towards Ye Hua, seemingly like she was asking, does she not know about my existence?

Right now, the situation was very clear. Donghuang Baizhi laughed. This laugh was her laughing at herself, laughing at herself for being foolish.

Donghuang Baizhi said towards Qing Ya, "Have you been deceived by him before?"

Qing Ya was a bit dazed as she looked towards Ye Hua. Seeing that Ye Hua's complexion didn't seem really good, she felt extremely puzzled.

"He is my husband, may I ask if there is anything I can help you with?" Qing Ya was currently still very courteous. I feel that there is something fishy between the two of them, and the situation isn't what I had expected.

Donghuang Baizhi shook her head while smiling, "Are you two married with each other?"

"Yes, we are." Right now, Qing Ya was starting to feel a bit hostile towards Donghuang Baizhi. This woman is coming at me with a strong aura, I must not cower before her.

Donghuang Baizhi felt severely imbalanced.

Personally, I feel that I am not lacking in any way when compared to this woman, so, why did you abandon me and choose her instead!

"Let me guess about just how you two met."

"Enough!" Ye Hua shouted out gravely.

Qing Ya gradually became solemn. There is something wrong here, Ye Hua's expression looks fishy!

“Ye Hua, I want to listen to what she has to say.” Qing Ya said gravely.

Ye Hua knew that it would turn out like this. After taking out a stick of cigarette and lighting it up, Ye Hua thought to himself, “I am actually in such a sorry state right now because of two women, if words of this were to spread out, where would my face be!”

Donghuang Baizhi said, “If I didn’t guess wrongly, you two met each other right here in this bar.”

[You Cannot Afford To Offend My Woman](#)

Chapter 212: This is unfair!

“How did you know that?” Qing Ya’s expression was grave. This woman is not simple!

“Let me finish speaking first.”

After pausing for a moment, Donghuang Baizhi continued and said, “On that day where you came to the bar, you must have been in a very bad mood, am I correct?”

Qing Ya’s expression changed slightly, and soon after, she nodded her head.

“Afterward, he appeared, and said some fallacious reasonings to you, and after that, you followed him upstairs muddleheadedly. As for what happened after you followed him upstairs, I trust that there isn’t a need for me to say it, right?”

Listening up to here, Qing Ya’s expression changed greatly, and she immediately looked towards Ye Hua. Qing Ya’s expression when looking at Ye Hua was as if she was saying, how did she know about that!!!

Ye Hua smoked onto the cigarette that was within his mouth and did not reply. Ye Hua’s expression wasn’t really good right now.

I want to retort, but I can’t, because everything that she said is true, except the line where she said that I said some fallacious reasonings to Qing Ya, the reasonings that I said to Qing Ya were evidently all proper reasonings. Moreover! The two of you came upstairs with me voluntarily, did I ever force you two to come upstairs with me? Did I held a knife on your neck, or did I threatened to exterminate your entire family...

However, no matter how I quibble, what she said did happen.

Seeing that Ye Hua did not speak, Qing Ya asked with a calm and collected expression on her face, “How did you know that?”

“Because... I am the same as you, I was also tricked by him and went upstairs with him!” Donghuang Baizhi said coldly, and her gaze was staring dead-on at Ye Hua this heartless fellow.

Qing Ya gasped, and her head began buzzing continuously. Immediately, she felt that the world around her was spinning around.

After a long while, Qing Ya mumbled towards Ye Hua, “Is what she said true?”

Ye Hua took in a deep puff of the cigarette, then nodded his head and said, “She is that woman who I told you about back then, the first woman who I slept with!”

Qing Ya was in disbelief. Back then, I did indeed hear Ye Hua said that I wasn't his first woman, and that there was a woman before me. I didn't expect that the woman before me would be this woman in front of me right now, and even more, this woman actually came to the bar to look for Ye Hua!

However, I am the one who is Ye Hua's legal wife! And you are just someone who had a one-night stand with my man!

Although that was what Qing Ya was thinking in her mind, Qing Ya still felt very uncomfortable in her heart.

"What is your intention for coming here!" Qing Ya questioned Donghuang Baizhi.

Since she is Ye Hua's past love affair, I will just get rid of her.

Donghuang Baizhi appeared to be much calmer compared to Qing Ya. After all, Donghuang Baizhi had already finished feeling angry during back then when she heard of the news that Ye Hua had gotten himself a wife.

"Wait a moment, I still haven't finished speaking."

This was the battle between two smart women. Although Qing Ya did not possess outstanding strength, her aura right now wasn't losing out to Donghuang Baizhi's aura, and the aura that she was emitting out from her was pretty much like she was saying, no one can think of stealing my husband away from me!

"You continue!" I want to see just what kind of nonsense you have to say!

Donghuang Baizhi said faintly, "Qing Ya, don't be nervous, the reason that I came here today is not to target you. And in actuality, if it was possible, I would have chosen to not come over to the bar."

Qing Ya was feeling much more puzzled right now. This woman is really not making moves that are in accordance with the norm, she is causing me to not know how I should start dealing with her. Also! How did she know my name!

"Alright, returning back to the topic! After that night, you two did not contact with each other, all the way until you discovered that you were pregnant, then did you come to the bar to look for him, right?"

Donghuang Baizhi's words caused Qing Ya to become shocked once again. Qing Ya's face was filled with disbelief. How does she know everything? Could it be that, I was being monitored by her!

"In actuality, what I want to know is that, how many days did you waited for him before he came downstairs to meet you!" Donghuang Baizhi asked the question that she was most concerned about.

Recently when my daughter went missing, asides from being worried about my daughter's safety, I was feeling very perplexed about this question. If I don't get to the end of this question, my mind won't be able to be in peace.

Qing Ya didn't understand why Donghuang Baizhi asked this question, but she still answered, "Three days."

After hearing Qing Ya's answer, Donghuang Baizhi suddenly laughed miserably. Three days! She actually only waited for three days!

Ye Hua! Why are you so heartless towards me, and yet, you are so doting towards her! I, Donghuang Baizhi, feel indignant!

“Have you laughed enough!” Ye Hua shouted out gravely. This woman really needs to be educated. Look at just how improper she is acting right now!

Donghuang Baizhi did not pay attention to Ye Hua and continued speaking, “Qing Ya, do you know how many days I waited for him?”

Qing Ya shook her head dazedly. There is actually still more story between the two of them!

“I waited for him for a total of half a month! Half a month! And even more, I was chased out of the bar every night, while he just stayed upstairs and didn’t show any interest towards me! Do you know just how I felt during back then! I felt like dying!!!”

Donghuang Baizhi couldn’t suppress the torment within her heart anymore and shouted out at the top of her lungs. At this moment, she wasn’t an empress, she wasn’t a mother, she was just a woman that was dumped by a heartless man!

This kind of situation was something that Qing Ya did not expect, because Qing Ya had never heard Ye Hua saying that this woman had come to the bar to look for him after that night.

And Ye Hua himself also just recently knew about this matter from Wei Chang.

Back then when this woman came to the bar to look for me, because my emotion was very unstable during then, I did not go and meet her.

Suddenly, Donghuang Baizhi stood up, then pointed at Ye Hua and shouted out, “Ye Hua! I ask you, why did you come downstairs to meet her in just three days when she is pregnant! And yet, you chose to turn a blind eye to me when I’m pregnant! Why!”

Ye Hua didn’t expect that this woman would have such a huge grievance.

This is unexpected, however, as my woman! Is this the attitude that you should have! Can’t you speak nicely!

Ye Hua’s bad temper was starting to get a little triggered.

“Can you speak nicely?” Ye Hua said coldly.

“No!” Donghuang Baizhi was an empress who received others’ worship every day, the aura that she possessed was not ordinary at all.

On the other hand, Qing Ya was stupefied.

She is the same as me? She became pregnant? During three years ago? If that’s the case, her child should be at least three years old right now, right?!

Qing Ya currently had completely no idea of just what she should do.

The four who were hiding at the corner and secretly watching the show all had a complicated expression on their faces.

Little Brother Red took a napkin and wiped onto his snot, "So pitiful, so pitiful, it is not easy being a single mother. The boss is too heartless, not willing to meet her even when she was pregnant with his child."

Big Brother Green sighed. This little brother of mine is raised by his mother alone and has never seen how his father looks like at all. This little brother of mine is also a child who has it hard.

"Hey, why didn't you tell His Honor about this matter earlier?" With an extremely curious look on his face, Lie Gu pulled onto Wei Chang and asked.

Wei Chang said helplessly, "Back then, His Honor's emotion was very unstable during those few days. It's not like you don't know what it is like when His Honor is unstable. Before I even reported to His Honor about the matter, I was chased out of the room by His Honor."

"Now that you say it, during that period of time, His Honor did indeed seem unstable... Ah, I remember!"

Wei Chang asked gravely, "What did you remember?"

"His Honor was watching Calabash Brothers: Save the Grandpa during those few days! And during then, it seems that the internet cut off for half a day. Because of that, His Honor couldn't control his own emotion, and it was very easy for him to become angry." Lie Gu recalled to back then. During that day where the internet cut off, I was lying down right beside His Honor, and I even had a dream where there were many delicious foods...

Wei Chang held onto his forehead. I didn't expect that the cause of today's disaster was all because the internet cut off, which caused His Honor to not be able to watch Calabash Brothers: Save the Grandpa. My god...

Meanwhile, at the staircase, Qing Yutong and Ye Zizi were eavesdropping on the three's conversation.

Ye Zizi had a worried look on her face. I hope that His Honor will be able to get through this crisis.

Qing Yutong was greatly startled by this matter. Just as I thought, brother-in-law has a woman outside! If that's the case, could Little Ah Li be!!!

"Aunt Qing, what are you all doing?" Donghuang Li changed into a new set of clothes just a while ago. Because the dress was hard to wear, it took Donghuang Li a bit longer to change.

Seeing that Aunt Qing didn't respond to her, Donghuang Li hopped down the stairs.

At this moment, then did Qing Yutong and Ye Zizi finally came back to their senses. However, it was already too late!

"Mother~"

[You Cannot Afford To Offend My Woman](#)

Chapter 213.1: Domestic violence! 1/2

The voice which said 'mother' caused everyone's heart to suspend within midair.

Wei Chang and Lie Gu were currently sweating profusely, while green and red brothers had a look on their faces that seemed like they were saying, it is indeed as what I had thought.

Qing Yutong lost her balance with her body and rolled down from the stairs. When Qing Yutong lost her balance and was about to roll down the stairs, Qing Yutong pulled onto Ye Zizi, and as a result, the two rolled down together from the stairs.

Soon after landing on the first floor, Qing Yutong and Ye Zizi both had a stupefied look on their faces.

This is so awkward, we have been discovered that we were eavesdropping on them. Should we go back to hiding and continue eavesdropping on them?

When Donghuang Baizhi heard that familiar voice, her tears immediately began flowing down her eyes, "Ah Li..."

"Mother~"

Although Donghuang Li was angry at her mother, after not seeing her mother for 10+ days, she rather missed her mother. After all, no matter what, Donghuang Baizhi was still Donghuang Li's mother.

Donghuang Li could be seen throwing herself into her mother's embrace at lightning speed, then said with her tender voice, "Mother, Ah Li miss you."

Hugging onto her daughter, Donghuang Baizhi felt extremely heart-pained for her daughter, "Ah Li, mother had let you down."

"Ah Li doesn't blame mother~ Mother, don't cry anymore." Donghuang Li shouted out sweetly as she stretched out her small hand and wiped onto her mother's tears. However, no matter how she wiped, the tears just wouldn't stop.

Right now, Qing Ya's complexion was pale, seemingly like she had lost her soul.

Ah Li's mother is actually her!

Then, Ye Hua... Ye Hua is Ah Li's father!!!

No wonder he wanted to hurry back home so quickly! No wonder he was so protective towards Ah Li!

So, he had already long known that Ah Li was his child.

Qing Ya's heart was trampled and crushed into pieces by Ye Hua's lie, and right now, she felt that it was extremely difficult to even breathe.

Looking at Ye Hua who was sitting right beside her right now, Qing Ya felt that Ye Hua actually seemed so unfamiliar to her!

Just a few hours ago, I even asked him whether if he had something that he was keeping a secret from me, and he even told me no!

Then, what does this matter right now count as!

Ye Hua! I am a human, I have my own pride too, why did you lie to me!

Donghuang Li didn't know what the situation was right now. Pulling onto her mother's hand, Donghuang Li said with a smile, "Mother, this is Aunt Qing, Aunt Qing treats Ah Li very well. And this is Uncle Ye, Uncle Ye even treated Ah Li, Uncle Green, and Uncle Red to eat a big meal today."

Big Brother Green and Little Brother Red who were hiding at one corner immediately retracted back their heads.

Little ancestor, now is not the time to talk about that, don't you see that your father is currently losing his head?

"Ah Li, let's go back home with mother." Right now, Donghuang Baizhi didn't want to think of anything else, and just wanted to go back home with her daughter.

Donghuang Li seemed to be a little afraid as she said in a low voice, "Mother, Ah Li wants to play with Uncle Ye."

"This Uncle Ye of yours is not a good person. Ah Li, don't be deceived by him." Upon hearing that her daughter was actually so intimate with Ye Hua, Donghuang Baizhi's anger began soaring again.

Donghuang Baizhi's words pushed onto Ye Hua's buttons, and Ye Hua could be seen slamming onto the table with the palm of his hand, and the entire table immediately turned into dust, "You... What is your name..."

Ye Hua did not know how to begin scolding. The child is already this big, and yet, I actually don't even know what this woman's name is.

Donghuang Li said hurriedly, "Uncle Ye, mother didn't mean it. Also, mother's name is Baizhi, mother has the same surname as Ah Li."

"Ah Li, don't speak." Donghuang Baizhi said gravely, and Little Ah Li immediately retracted back her head.

Right now, Ye Hua finally knew the other party's name.

"Donghuang Baizhi, right! Ah Li is my descendant! You do not have the right to bring her away!" Ye Hua's tone was filled with indisputability. This caused Qing Ya who was being silent at the side to become even more heartbroken.

I didn't expect that the man that I found is actually the same as my father!

Donghuang Baizhi was stupefied as she asked curiously, "Ye Hua, you now finally know to want the child! If that's the case, what were you even doing back then! Are you even qualified to be Ah Li's father!"

"If I am not f**king qualified, who would be qualified!" Ye Hua couldn't help but uttered vulgarity. The loudness of Ye Hua's voice even caused the entire bar to tremble slightly. This shows that Ye Hua was currently a bit unstable.

[You Cannot Afford To Offend My Woman](#)

Chapter 213.2: Domestic violence! 2/2

Donghuang Li who was being carried by Donghuang Baizhi was currently very confused. Uncle Ye seems to have become my father.

“Mother, didn’t you say that father died? Why is he alive now?” Donghuang Li asked curiously while with her eyes opened wide.

Upon thinking that Donghuang Baizhi said that he was dead, Ye Hua immediately became angry, “Donghuang Baizhi, you actually cursed me to be dead!”

“During the moment that you abandoned me, you were already dead to me!” Donghuang Baizhi shouted out coldly.

“Daddy, hug hug~” Donghuang Li did not feel sad, and instead, she even appeared to be very happy. Originally, I already really like Uncle Ye, and right now, it is great, Uncle Ye has become my daddy. With that, he will be able to dote me for the entire rest of my life.

However, when Donghuang Baizhi heard what Donghuang Li said, she felt very uncomfortable and said lightly to Donghuang Li, “Ah Li, be obedient, listen to mother’s words, and let’s leave this place. Mother will always be together with Ah Li, all right?”

“No... I want daddy.” Upon hearing that she was going to leave her daddy, Donghuang Li became anxious. Although she was being carried by Donghuang Baizhi, her hands were stretched out towards Ye Hua.

The strength of lineage wasn’t comparable.

I have raised Ah Li for almost three years, and yet, I’m actually losing towards Ye Hua who had only accompanied her for a few days!

Donghuang Baizhi couldn’t imagine that her daughter would be so disobedient.

Raising her hand, Donghuang Baizhi slapped onto Donghuang Li’s little butt.

Immediately, Donghuang Li cried.

Ye Hua was angered. How can you beat my daughter! Even I myself also wouldn’t be willing to beat her!

An overwhelming aura struck towards Donghuang Baizhi, and Donghuang Baizhi’s expression changed immediately as she slightly moved her slender hand, and a gold color barrier appeared in front of her.

However, Donghuang Li disappeared from Donghuang Baizhi’s embrace, and Ye Hua who was not far away from Donghuang Baizhi could be seen carrying onto Donghuang Li.

This caused Donghuang Baizhi to become greatly astonished.

How would the golden color barrier be able to resist Ye Hua’s aura? In an instant, the barrier broke into pieces, and the aura continued and struck towards Donghuang Baizhi.

Donghuang Baizhi was greatly astonished, she didn’t expect that this man would be this formidable.

Donghuang Baizhi quickly formed a seal with both of her hands.

Bang!

However, Donghuang Baizhi still wasn’t able to ward off Ye Hua’s aura.

Donghuang Baizhi's entire body could be seen flying out, then landed onto the bar counter, and causing a groove to appear on the bar counter.

Everyone right now was stupefied.

His Honor actually beat a woman! And even more, the woman is his child's mom! If words of this matter were to spread out, it would definitely become His Honor's dark past!

"His Honor is too formidable, even I also wouldn't dare to beat my wives like this." Lie Gu sighed. In the future, I have to learn this move from His Honor, if my wives aren't obedient, I will beat them till they are obedient.

Big Brother Green said in a low voice, "That's right, the men in my village are all afraid of their wives. The boss is truly too formidable, he is my idol!"

"That's right, big brother! I have decided! In the future, I am going to follow the boss's examples! When I get myself a wife, I will strive to beat her as soon as possible!"

"Not bad, you are very quick in comprehending things." Big Brother Green patted onto his little brother's shoulder.

Qing Yutong and Ye Zizi who were at the side were incomparably shocked, especially Qing Yutong.

Qing Yutong covered onto her mouth with both of her hands and said, "My god, brother-in-law actually beat his wife, this is so frightening..."

"My god, big brother is so inhuman."

Ye Hua looked coldly towards Donghuang Baizhi, then soon after, comforted Donghuang Li who was within his embrace, "Ah Li, don't cry anymore."

"Boohoo, daddy, don't beat mommy anymore~"

Domestic violence! Has been proven!

Seeing that the little fellow was feeling so sad, Ye Hua hurriedly coaxed, "Alright, alright, alright, daddy won't beat mommy anymore, Ah Li, don't cry, okay?"

Donghuang Baizhi's expression was extremely gloomy as she slowly walked over.

Donghuang Baizhi was completely fine and she did not suffer even the slightest bit of injury.

In actuality, Ye Hua was very careful when he struck his aura towards Donghuang Baizhi. What Ye Hua wanted to do was to only give her a lesson, if not, how would the aura that Donghuang Baizhi faced against be so weak?

"Return Ah Li back to me!" Donghuang Baizhi shouted out. Donghuang Baizhi's pink cheeks turned frost cold, hatred shot out from her eyes, and majestic spiritual energy revolved around her surroundings.

Immediately, the entire Leisure Bar began trembling acutely.

[You Cannot Afford To Offend My Woman](#)

Chapter 214.1: Properly reflect upon yourself! 1/2

“Mommy, don’t beat daddy, if not, Ah Li is going to not have a daddy again.”

Before Donghuang Baizhi even attacked at Ye Hua, Donghuang Li wept loudly, and no matter how Ye Hua tried to coax Donghuang Li, it was useless.

“Ah Li is a jinx, no matter where she goes, she would cause others to become angry, no matter where she goes, she would bring harm to people... Boohoo, boohoo...”

Ah Li could be seen raising her head upwards and weeping loudly, seemingly as if everyone in the world hates her. The crying voice of Ah Li’s made others felt heartbroken for her endlessly.

Donghuang Baizhi gradually recovered back to normal. Nothing was more important to her than her child.

Right when Donghuang Baizhi was preparing to go and coax her daughter.

An astonishing lineage fluctuation emerged out from Donghuang Li’s small figure, and the lineage fluctuation was about to erupt out completely along with Donghuang Li’s weeping.

Ye Hua was greatly startled.

I didn’t expect that the lineage power within my daughter’s body would go out of control. I have to immediately suppress the lineage power, if not, once the lineage power erupts, I reckon that the entire Long’an City would be razed to the ground.

In the future, I have to teach Ah Li on how to control her lineage power.

While carrying his daughter who had fallen asleep, Ye Hua lightly wiped away the tears on his daughter’s face.

“What did you do to my daughter!” Donghuang Baizhi thought that Ye Hua did something bad to her daughter, and a sharp sword immediately appeared within her hand.

This woman actually dares to point a sword at me!

Ye Hua placed his left palm towards Donghuang Baizhi, and Donghuang Baizhi was contained within the air by an incorporeal power. Soon after, Ye Hua held his palm into a fist!

Donghuang Baizhi’s complexion was deathly pale as she landed lightly onto the ground.

The spiritual energy within my body is actually sealed up!

How did he do it!

While carrying onto Donghuang Li who was fast asleep, Ye Hua said coldly, “Looking at the sake that you are Ah Li’s mother, I will let you off just this one time! However, from now on, you should act like how a wife should act, if not, don’t blame me if I were to give you a lesson again!”

“You scoundrel!” Donghuang Baizhi who was currently pale and feeble stretched out her fist and punched towards Ye Hua.

Ye Hua slightly dodged to the side, and Donghuang Baizhi’s body collided with a table.

Donghuang Baizhi tightly wrinkled her brows. It hurts!

Qing Ya stood up from her seat. She did not cry and did not make a scene, and instead quietly walked towards the upstairs.

Qing Yutong hurriedly followed along with her big sister.

I have to follow along with big sister in case she does something stupid.

Looking at how Qing Ya was acting, Ye Hua was helpless too.

Soon after, Ye Hua said, "Wei Chang! Stop Leisure Bar's business during this period of time!"

After finish speaking, Ye Hua waved his hand, and a blue color light enveloped the entire Leisure Bar. This was the same move that Ye Hua used last time when he was dealing with Qing Ya.

Wei Chang said gravely, "Yes, boss!"

Seeing that her daughter was being carried upstairs by Ye Hua, Donghuang Baizhi ignored the pain on her body and rushed towards Ye Hua, "You scoundrel, return my daughter back to me!"

Just that, before Donghuang Baizhi even touched until Ye Hua's body, she bumped into the air wall and fell onto the ground.

Ye Hua turned his head around and said faintly, "Donghuang Baizhi! Tonight, you will rest right here in the bar and properly reflect upon yourself. Reflect upon on how to be a good mother and reflect upon on how to be a gentle and virtuous wife. Look back at your attitude and just how you acted tonight, you have practically thrown all my face away!"

Wei Chang and Big Brother Green began jotting down in their notebooks.

There isn't anything wrong with what His Honor just said, and what His Honor just said could be described with one word, domineering! As a man, one should indeed act like His Honor!

Big Brother Green had never seen before such a formidable man. That woman is so beautiful, and yet the boss is still willing to chide at her like this. As expected of the boss!

While with a smile on her face, Ye Zizi looked at Madam Donghuang Baizhi and thought to herself, "Madam, this marvelous life of yours has only just begun~"

[You Cannot Afford To Offend My Woman](#)

Chapter 214.2: Properly reflect upon yourself! 2/2

"Ye Hua! You coward bastard, return Ah Li back to me!" Donghuang Baizhi stood her body up and chased after Ye Hua again. However, she was once again blocked by an air wall.

With the bar temporarily closed for business, Ye Hua personally gave Donghuang Baizhi a small prison cell, locking Donghuang Baizhi up in the main hall of Leisure Bar.

While hitting on the incorporeal wall, Donghuang Baizhi sobbed endlessly. Slowly, she slid down and sat powerlessly on the floor, then mumbled, "Return Ah Li back to me... return Ah Li back to me..."

Wei Chang and Lie Gu both let out a sigh. Madam, His Honor's anger button isn't something that you should go and press onto. To anger His Honor, aren't you basically looking for trouble?

"It's great that everything turned out well. Well, I will be heading back first then." Lie Gu let out a breath of relief. It is fortunate that Madam Qing Ya didn't become angry, if not, it would have been harder for the situation to conclude.

Wei Chang was a bit worried about Madam Qing Ya's situation.

Just now, Madam Qing Ya didn't say anything, but it is also because of that that it is scary. Madam Qing Ya wasn't willing to even say anything. From this, it could be seen that His Honor has thoroughly broken the madam's heart.

However, looking from His Honor's point of view, His Honor didn't do anything wrong.

If something has to be blamed on, it is all humanity's fault. Humanity is the one that is responsible for all of this.

"What are you two still standing there for, do you two intend on participating in the boss's household matters!"

Green and red brothers hurriedly shook their heads. How would we even dare?

"Follow me back to my apartment then."

Wei Chang paused for a moment as he took a look at Donghuang Baizhi who was sitting on the floor. Seems like His Honor intends to start educating Madam Donghuang Baizhi for quite a period of time. For such a thing like this, as subordinates, it would be best for us to not see it.

While thinking to himself, Wei Chang brought along the two brothers and headed back to his rented apartment.

When Tang Wei saw Wei Chang brought the two brothers back to the apartment, she almost flew into a rage.

Originally, we already have very little chance to be alone with each other, and yet, Uncle Wei, you actually brought two lightbulbs along with you, one lightbulb which is green, and another which is red!

Uncle Wei, do you even want to do that with me! Ah, this is angering me to death!

At the other side.

Ye Hua stood outside of the bedroom while carrying onto Donghuang Li. Ye Hua was currently thinking about what he should say to Qing Ya and just how he should deal with Qing Ya.

I reckon that Qing Ya is currently tidying up her clothes. After all, I don't hear any sound of things being smashed coming out from the bedroom.

"Brother-in-law, you are done for." Qing Yutong walked over quietly and said petulantly.

"How is your big sister?" Ye Hua asked in a low voice.

Qing Yutong shook her head, "Very abnormal, I have never seen big sister acting like this before."

“Brother-in-law, you’re on your own, all the best to you, I am going to go and play with my computer game.”

“.....”

You are still thinking of playing your computer game at such a time like this?! Aren’t you going to help me think of a plan?!

After taking in a deep breath, Ye Hua opened the door and entered into the bedroom.

Immediately, Ye Hua froze.

The bedroom is clean, I don’t see any suitcase here, and only the bathroom’s light is turned on.

If Qing Ya still has the mood to shower right now, it seems like everything is fine.

Qing Ya is the one who is the most sensible, to know to think over things from my point of view, unlike that Donghuang Baizhi who does not have any deportment at all!

Well, at that time, Donghuang Baizhi’s daughter was being snatched away from her by Ye Hua, so, what deportment did she even need at that time?

If Ye Hua were to see how Donghuang Baizhi looked when she wore her dragon purple gown, he would forget that he had ever said that Donghuang Baizhi does not have any deportment at all.

Lightly placing his daughter onto the bed, Ye Hua revealed out a smile that a father would have.

This little fellow’s nose sure is adorable.

Thump!

The bathroom door was opened.

Ye Hua turned his head around and said with a light smile on his face, “Qing Ya, your performance today made me felt rather astonished.”

While speaking, Ye Hua walked up and tried to hug onto Qing Ya. Ye Hua’s mouth was craving for Qing Ya’s lips.

“Ye Hua.” Qing Ya said lightly as she slightly dodged to the side.

“En?”

“You can be at ease, I won’t leave.” Qing Ya’s tone was very indifferent, this caused Ye Hua to sense that the situation didn’t seem to be looking good.

Ye Hua held onto Qing Ya’s hands and said slowly, “Of course you won’t leave.”

Qing Ya did not avoid Ye Hua from holding her hands, but she said, “Ye Hua, do you still remember our agreement from back then?”

Ye Hua paused for a moment, then slowly raised his head and looked at Qing Ya, “What do you mean by that?”

“You helped me broke free from my engagement, thus, I will also fulfill my promise. This way, I won’t owe you anything, and you won’t owe me anything too.”

Ye Hua suddenly stood up and shouted out gravely, “What kind of nonsense are you spouting! What do you even mean you won’t owe me anything, and I won’t owe you anything! Don’t tell me that you are still thinking of that rubbish agreement from back then? All I want right now is you!”

“But, I don’t want you anymore.”

[You Cannot Afford To Offend My Woman](#)

Chapter 215: – The night during three years ago

Ye Hua’s chest heaved acutely as he let go of Qing Ya’s hands. Soon after, Ye Hua said coldly, “Even if you don’t want me, you do not have the choice to not want me!”

“From now on, I will rest at your office. I won’t disturb the reunion of your family of three.”

“Qing Ya! Can you be a bit rational!”

With a fierce expression on her face, Qing Ya could be seen turning her head around and shouting out gravely, “I am very rational right now. If I am not rational, I would have already gone crazy right now!”

Ye Hua remained silent and did not speak as he watched Qing Ya picked up the quilt and walked to the office.

Bang!

You are using quite a lot of strength when closing the door, huh? If the door were to become broken, you won’t be able to compensate for it in this entire life of yours!

These two women! Not a single one of them is able to not give me a hard time. One is more formidable than the other!

You two asked for it. If it comes to it, I will have no choice but to use tough measures and lock you two up in the bar for the entire rest of your lives! The two of you can forget about going anywhere else!

Looking at his daughter who was lying down on the bed, Ye Hua stretched out his hand and caressed onto Donghuang Li’s forehead.

My daughter is the one who is the most obedient.

Bang!

Bang!

Bang!

Sounds of things being smashed rang out from the downstairs.

Ye Hua’s expression froze, this woman is also starting to go crazy!

Taking two pieces of paper napkins, Ye Hua rolled the two pieces of paper napkins into two balls and stuffed the two balls into her daughter’s ears.

I have to do this in case she gets waken up by that mother of hers who is currently going crazy downstairs.

Walking out of the bedroom, Ye Hua lighted up a stick of cigarette, then slowly walked towards downstairs.

Donghuang Baizhi could be seen holding onto a chair and smashing around the bar with the chair. The entire main hall was currently in a complete mess. If Donghuang Baizhi were to be given a lighter right now, she would be able to burn down the entire Leisure Bar.

While smoking, Ye Hua silently watched as Donghuang Baizhi smashed the bar.

She must be feeling terrible right now, thus, it is a good thing to let her vent.

“You bastard!” When Donghuang Baizhi saw that Ye Hua was here, she swung the chair ruthlessly towards Ye Hua.

Unfortunately, the chair that Donghuang Baizhi swung towards Ye Hua was blocked by the air wall.

Meanwhile, Ye Hua knew that she would do that, and thus he stood right at the other side of the air wall, seemingly like he was paying a visit to a prisoner.

“You have been locked up here for a few minutes, but it seems like your temper hasn’t changed a single bit.” Ye Hua said faintly as he walked to the side of the broken-down bar counter and poured himself a glass of alcohol.

“Continue, I’m watching.” Ye Hua said lightly after taking a sip of the alcohol.

Donghuang Baizhi placed the chair that she was holding with her hands down onto the floor and asked gravely, “Just what do you want!”

“I have already said it just now, I don’t want to repeat myself for a second time.”

Donghuang Baizhi shouted out coldly, “I’m not able to do it!”

“I’m not hoping for you to be able to do it right now. You can take your time, I have plenty of time to wait.” Ye Hua said faintly while playing around with the wine glass that was in his hand.

Donghuang Baizhi was angered to the point that her face was completely red.

Looking at that face of his makes me want to scratch onto his face. That look on his face that seemed like it is saying he is the number one in this world is pissing me off.

“Where is my Ah Li!”

“Be at ease, she is sleeping upstairs.”

Donghuang Baizhi let out a breath of relief. It’s fine as long as my child is alright.

Donghuang Baizhi picked up the chair, placed it in front of Ye Hua, then sat down on the chair. The two were separated by the air wall, but looking at them, they looked as if they were discussing a deal with each other.

“Just what do you want, then would you let go of me and my child!” Donghuang Baizhi asked gravely. Ye Hua did not answer this question, and instead asked, “Why did Ah Li go outside alone by herself?” Donghuang Baizhi remained silent.

“I’m asking you a question!” Ye Hua slammed onto the table and shouted out.

Donghuang Baizhi pouted her mouth, “What does it matter to you!”

Ye Hua was angered to the point that he laughed. I have never seen such an irresponsible woman.

“Is this how you should act as a mother! If Ah Li had met with any unexpected accidents while she was outside, I would have whipped you to death! If not for the green and red brothers, Ah Li would have been sold away by a child trafficker, do you know that!” Ye Hua began educating Donghuang Baizhi.

It won’t do if I don’t educate her. Look at that look on her face that’s practically saying she’s the number one in this world.

Donghuang Baizhi was going to retort back at Ye Hua, but upon hearing that her daughter was almost sold away by a child trafficker, she asked hurriedly, “What happened? What did Ah Li encounter?”

“Everything’s fine now, I have already dealt with the child trafficker. However, have you ever thought of the consequences! It’s fine for you to bear grudges against me, but how can you vent on the child! Have you ever acted as a good mother for even a single day!”

Faced with Ye Hua’s questioning, Donghuang Baizhi was unable to retort back at all, because what Ye Hua said was right.

I have indeed not been a good mother, and even more, I even passed on the grudges onto my child. Just thinking about it is truly making me feel ashamed.

“Then, have you ever acted as a good father for even a single day!”

“At the least, for today, I did indeed manage to act as a good father.” Ye Hua said faintly.

“Then, have you ever acted as a good man!”

Ye Hua extinguished the cigarette bud, then asked, “You are still blaming me for not coming down to meet you during back then?”

Donghuang Baizhi could be seen snorting, then said, “Back then, you kept on saying, I, Ye Hua, won’t touch the same woman for a second time!”

“You are basically a liar!”

Ye Hua’s face was being slapped right now.

Seeing that Ye Hua was remaining silent, Donghuang Baizhi shouted out coldly, “Why aren’t you speaking anymore, huh? Weren’t you very talkative just a while ago? Weren’t you having a great time chiding me?”

“I, Ye Hua, can bluff whoever that I want to. Even more, I can also take back whatever that I said, take for example, the line where I said that I won’t touch the same woman for a second time!”

I have long wanted to take back that line which I said, just that, I haven’t been able to find the chance to do it ever since I wanted to do it.

“You! I have never seen such a scoundrel like you before, to actually take back the words that you said yourself!” Donghuang Baizhi was angered to the point that she laughed.

Ye Hua said coldly, “I’m a scoundrel? Then, why did you even come and look for me? Isn’t it because you can’t forget about me? What is there embarrassing about in admitting that? After all, I am indeed very outstanding. I am able to understand you for not being able to forget about me.”

After listening to what Ye Hua said, Donghuang Baizhi was stupefied. Soon after, she picked up the chair and swung the chair towards Ye Hua, “Go to hell! Just who isn’t able to forget about you! The reason I came to the bar was to look for my daughter, you this shameless thing!”

Ye Hua ignited another stick of cigarette, then asked faintly, “Do you still remember what you called me during that night three years ago?”

Donghuang Baizhi went into a daze. During that night...

“Ye Hua! I am going to kill you, you bastard!” Donghuang Baizhi’s tone sounded even more ferocious than before.

Ye Hua stood up, then walked towards the second floor while smoking onto his cigarette, “You can take your time smashing the bar. When the time comes where you finally thought it through, I will let you go.”

“You can go to hell!”

Listening to Donghuang Baizhi’s various kinds of curses, Ye Hua felt that the path of educating Donghuang Baizhi was a long path.

Arriving at the front of the office, Ye Hua tried to turn the doorknob, and as expected, the door was locked.

Qing Ya, you are looking down too much on me.

Thump.

The lock was unlocked, and Ye Hua opened the door and entered into the office.

Qing Ya could be seen curling up on the sofa, and her tender shoulders were slightly trembling. Qing Ya was evidently crying.

Seeing Qing Ya like this, Ye Hua felt very uncomfortable in his heart.

Just last night, she was still acting coquettishly towards me while in my embrace, and yet, today...

Walking to the side of the sofa, Ye Hua said faintly, “Qing Ya, I know that you feel terrible, but I have my difficulties too.”

Qing Ya did not speak, and her back was faced towards Ye Hua.

“Alright, don’t be angry anymore, let’s go back and sleep. Aren’t you unable to sleep if you don’t hug onto something?” Ye Hua tried to sound out Qing Ya as he poked onto Qing Ya’s shoulder and asked.

Qing Ya could be heard whimpering, “Ye Hua, I only have one request.”

What Qing Ya just said is comfortable to my ears.

Ye Hua hurriedly said, “Don’t say one request, even if there are a hundred requests, I will agree to it all.”

“After the child is born, let me meet with the child once every month, can you promise me that?” Qing Ya still did not turn her head around, seemingly that she didn’t want to look at Ye Hua. Right now, Qing Ya’s tone was very weak.

Ye Hua remained silent and slowly stood his body up, then asked, “Qing Ya, just what do you want! Ah Li is my child, so, that Donghuang Baizhi can only be my woman!”

“Then, your family of three can just go ahead and reunite with each other, I won’t disturb you all.”

[You Cannot Afford To Offend My Woman](#)

Chapter 216: Lock all of them up

Upon hearing that, Ye Hua immediately became angry.

In order to try and persuade you, I have already lower down my status by so much, and yet!

“You look at those men within those big families! Xiao Yi! Tang Wushuang! Which one of them doesn’t have a bunch of wives and concubines, and yet, I only have two!” Ye Hua immediately became indignant. Why can those people have so many wives and concubines, and yet, I only have two wives, and the situation is already in such a mess!

Qing Ya snorted, “Only two? Seems like you still intend on expanding your harem chamber.”

“Nonsense! When did I say such a thing! If not for Ah Li, you would be the only woman in this entire life of mine!”

Qing Ya still did not turn her head around, “Ye Hua, I won’t believe your words anymore. It’s already very late, I want to rest, so please leave the office.”

Ye Hua was very angry, he didn’t expect that Qing Ya would be like this too.

Alright, the two of you forced me!

“Alright, but Qing Ya, let me tell you, you can forget about leaving me for the rest of your entire life!” After finish speaking, Ye Hua left the room while feeling angry.

“Ye Hua! You are a scoundrel! Liar!”

The sound of Qing Ya cursing out at Ye Hua rang out from the office, and the sounds of various things being smashed rang out from the downstairs.

Ye Hua let out a deep sigh.

Should I go and look for that Xiao Yi and ask him for advice on what I should do to be able to get my wives to get along with each other?

After thinking about it, I should pass on that idea. For such an outstanding man like me to go and ask someone else for advice, if words of it were to spread out, where would my face be? Right now, all I can do is see how things go as time pass by.

Arriving at Qing Yutong's room, Ye Hua opened the door and took a look inside.

Two figures, one small and one big could be seen ardently playing with their computer games.

I really have to give it to this sister-in-law of mine, she would rather play with her computer game instead of comforting her big sister.

"Brother-in-law, want to play one round together?" Qing Yutong turned her head around and shouted out.

Ye Hua who was currently in a bad mood walked into the room and turned on one of the computers in the room.

Qing Yutong laughed, "Brother-in-law, my big sister is not easy to deal with, right?"

"Sigh, this time, not only does she want to divorce, she even thought out on who the child should stay with after the child is born." Ye Hua said faintly.

Ye Zizi laughed, "Big brother, sister-in-law is basically just feeling jealous right now, you just have to coax her, and everything will be fine."

"What Zizi just said makes sense. My big sister is basically just feeling jealous. Right now, the more you coax her, the more pleased she would feel."

Qing Yutong began on the path of selling away her big sister.

"En? Is that the case? Qing Yutong, continue speaking, if what you said is effective, your brother-in-law will reward you!"

Upon hearing that there would be a reward, Qing Yutong immediately became full of zeal.

"Brother-in-law, this is what you should do. You should start by tantalizing my big sister's appetite by ignoring my big sister for a few days. After that, all you have to do is find an opportunity to beat my big sister's butt. I guarantee that this would work for sure."

From the looks of it, Qing Yutong was intending on dragging her big sister down the pit with her. Because her own butt had been beaten quite a few times by Ye Hua, right now, she wants her big sister's butt to get beaten too.

"Zizi agrees with what Big Sister Qing just said. Big brother, you have to believe in us, we are women, and woman knows woman~"

Ye Hua nodded his head, "Let's play one round first."

Although Ye Hua was playing with the computer game, he was pondering about what Qing Yutong just said.

I will try out my sister-in-law's method. Perhaps, her method might really work?

After playing one round, Ye Hua went back to his bedroom.

Looking at her daughter who was fast asleep on the bed, Ye Hua thought to himself, "Ah Li is the only one who is my little cotton-padded jacket. As for the other two, not a single one of them doesn't give me a headache."

After taking a shower, Ye Hua held his daughter into his embrace and went to sleep.

Upon being hugged, Ah Li who was within her dream tightly hugged onto her father, and a trace of a smile appeared on the corner of Ah Li's mouth. Ah Li even extended out her small tongue and licked onto the corner of her mouth, seemingly like she had eaten something delicious.

It would be perfect if Qing Ya were right beside me right now. As for that Donghuang Baizhi, if she is able to learn to be at least half as good as how Qing Ya acts as a wife, I don't mind giving her a spot on this bed.

If not, that Donghuang Baizhi can forget about me letting her onto the bed! It would be useless even if she begs me!

Next morning.

Sunlight passed through the window and lighted up the bedroom.

"Daddy~ Daddy~ Time to wake up~"

Ye Hua who was within his sleep woke up upon hearing his daughter calling out to him. A trace of a smile appeared on the corner of Ye Hua's mouth as he asked, "Why don't you sleep a bit more?"

"Ah Li usually wakes up very early. After all, Ah Li has to study. Daddy, do you not need to study?"

Ye Hua laughed, "In the future, daddy will teach Ah Li some techniques."

"Oh yay~ Ah Li likes daddy the most." After finish speaking, Ah Li kissed onto Ye Hua's cheek, causing Ye Hua to laugh out heartily.

So, this is how it feels to have a descendant, it feels so delightful!

"Let's go, daddy will bring Ah Li to go and eat Chinese crepe!" Ye Hua carried his daughter and got off the bed.

Donghuang Li was completely puzzled, "Daddy, what is a Chinese crepe?"

"Haha, Ah Li will know later on after Ah Li sees it. However, we have to first go and wash our faces and brush our teeth."

"En, Ah Li knows how to brush her teeth and wash her face. Daddy, I will help you squeeze out toothpaste."

At this moment, Ye Hua's heart was almost melted by Little Ah Li.

After the father and daughter finished washing up and changing their clothes, they walked out of the bedroom.

"Aiyo, daddy, I forgot to ask you, where did mommy go to?" Donghuang Li was a bit embarrassed, after having a daddy, she almost forgot about her mommy.

Ye Hua said faintly, "Your mommy isn't willing to sleep with us, so she went downstairs to sleep."

"Ah, how can mommy be like that, mommy should sleep together with daddy."

My daughter is really the one who is the most sensible.

When Ye Hua and Donghuang Li arrived downstairs, they looked dazedly at the main hall.

In the main hall, it could be seen that there wasn't a single chair or table that was intact, and the paintings that were hung on the wall have all been torn into pieces and left on the floor.

If this scene were to be seen by Wei Chang, he would most probably go crazy. After all, Wei Chang spent five years collecting all those paintings.

Donghuang Baizhi could be seen sleeping on the floor.

Donghuang Li ran over and pushed onto her mother, "Mommy~ Time to wake up~"

Donghuang Baizhi opened her eyes muddleheadedly, and upon seeing her daughter, she immediately hugged her daughter tightly into her embrace, "Ah Li..."

"Mommy, why are you sleeping here, why don't you sleep with daddy?" Donghuang Li asked curiously.

Donghuang Baizhi looked at her daughter and said tenderly, "Because mommy doesn't like daddy, therefore mommy can't sleep with daddy."

"If you two don't sleep together, how did you two give birth to Ah Li?"

There wasn't anything wrong with what Ah Li said, and what Ah Li said caused Ye Hua to laugh, and Donghuang Baizhi's expression to sink.

"Ah Li, you have to call me mother, you can't call me mommy."

"Ah Li doesn't want to~ Ah Li just want to call you mommy, mommy sounds nicer than mother~"

Donghuang Li acted coquettishly towards Donghuang Baizhi, causing Donghuang Baizhi to have no way to deal with Donghuang Li.

Ye Hua felt that it was more or less enough as he shouted out lightly, "Ah Li, let's go, daddy will bring you to go eat breakfast."

Donghuang Li could be seen dashing into Ye Hua's embrace. This caused Donghuang Baizhi to become stupefied.

Even my daughter has defected over to the enemy...

"Mommy, let's go eat breakfast together~" Donghuang Li shouted out to her mother.

Donghuang Baizhi did not respond, because she knew that Ye Hua wouldn't let her go.

"Let's go together then." Ye Hua said faintly.

While speaking, Ye Hua brought along Ah Li and walked towards the entrance.

Donghuang Baizhi touched onto the empty space, and the air wall had disappeared.

With the wall gone now, later on, I will carry my daughter and run away...

However... how many steps would I be able to even run away from before I get captured again by that guy...

After letting out a sigh, Donghuang Baizhi followed after Ye Hua and Ah Li.

At this time, within the office that was on the second floor, Qing Ya haven't slept for an entire night, and currently, she was standing at the window and looking at the blue sky.

Suddenly, Qing Ya saw three figures appeared within the small alley. Immediately, tears began flowing out from Qing Ya's eyes.

This liar, big liar! I won't ever forgive him in this entire life of mine!

Ye Hua knew that Qing Ya was watching him from the office.

This is what my sister-in-law told me to do, to make her big sister become jealous.

I'm only doing this because my sister-in-law told me that it would definitely work.

If not, why would I allow this Donghuang Baizhi to tag along with us? To act cool?

Ye Hua was indeed suspected to be trying to act cool when he allowed Donghuang Baizhi to tag along with him. After all, Donghuang Baizhi's appearance was not paling compared to Qing Ya's appearance. Donghuang Baizhi's deportment was far above Qing Ya's deportment, but that tenderness that Qing Ya possessed was something that Donghuang Baizhi did not possess.

[You Cannot Afford To Offend My Woman](#)

Chapter 217: Donghuang Baizhi is very hurt

The big aunt's business was very good today, there was actually a long queue of 10+ people.

And when those 10+ people saw Ye Hua who was carrying onto a child, and the woman who was cold as ice that was following behind Ye Hua, their eyes almost popped out of their eye sockets.

This woman gives off the air of an empress, she has a bright future ahead of her!

Donghuang Li was very shy towards everyone looking at her and she buried her head within Ye Hua's embrace.

Donghuang Li's action caused everyone to reveal out a smile on their faces. What an adorable child this child is.

While carrying onto his daughter, Ye Hua stood behind the end of the queue and began queueing up patiently.

Donghuang Baizhi wrinkled her willow brows. As an empress, when has Donghuang Baizhi ever needed to queue up, everyone had to make a path for her when she arrived!

Donghuang Baizhi could be seen to intend to walk towards the front of the queue. However, right after she took a few steps forward, Ye Hua said gravely, "What are you doing!"

Donghuang Baizhi turned her head around and took a look at Ye Hua, seemingly like she was asking, for such a mere thing like buying breakfast, you are intending on queueing up?

"Come back!" Ye Hua said faintly.

This woman really does not have the slightest bit of etiquette at all, she actually intends to cut the queue! If words of it were to spread out, my face would be thrown away by her!

In actuality, during the beginning, Ye Hua also tried to cut the queue. After all, as a Supreme Overlord, how could he wait in the queue together with some mere humans?

In the end, the big aunt didn't give any face to Ye Hua at all and wasn't willing to sell the Chinese crepe to Ye Hua no matter what.

If the Chinese crepes that the big aunt made didn't taste so delicious, Ye Hua would have long flipped out.

Donghuang Li shouted out secretly to her mother, "Mommy, quickly come back, don't cut in line~"

Donghuang Baizhi seemed as if she was struck by ten thousand points of damage.

Forget it that I was chided by Ye Hua, after all, my strength is inferior to his strength, but now, even my daughter has defected over to the enemy side.

Most of the people that were queueing up were males, and furthermore, they were males that were rushing to go to work. However, upon seeing such a beautiful woman like this, forget about cutting the queue, in their mind, she could do whatever she wants to.

"Beautiful woman, I know that you are in a rush, I will let my spot over to you."

"That's right, that's right, all of us doesn't have it easy."

"Those men, upon seeing a beautiful woman, they are not able to move their eyes away from the beautiful woman." Some of the females that were queueing up disdained men that were like this.

If it were an ugly woman, I would dare to confirm that they wouldn't act like this.

Donghuang Li felt that it was embarrassing, "Mommy, quickly come back~ We have to abide by the rules."

"Look, even Ah Li also knows to abide by the rules. What are you still standing there foolishly for, quickly come over." Ye Hua shook his head. Even Qing Ya also wouldn't do such a thing like this.

Donghuang Baizhi was angered to the point that her face turned thoroughly red, and immediately, she appeared incredibly beautiful.

However, even if that was the case, Donghuang Baizhi did not reveal out an embarrassed expression on her face. Like an empress, she turned her body around and walked back to Ye Hua while with an unordinary presence emitting out from her.

Upon seeing that Donghuang Baizhi was still able to act like this after doing something so embarrassing, Ye Hua really had to give it to Donghuang Baizhi.

“Look at your department from just a while ago, don’t you feel embarrassed!” Ye Hua began educating Donghuang Baizhi once again.

I have to teach this Donghuang Baizhi starting from the most fundamental thing, which is, how to conduct herself with integrity!

Donghuang Li helped her mom to speak, “Daddy, don’t blame mommy~ Mommy has always been living alone and rarely goes out, therefore, it is inevitable for mommy to not know about some things.”

Donghuang Baizhi, “.....”

Ye Hua rubbed onto his daughter’s cheek, “Ah Li is much sensible compared to mommy, Ah Li sure is clever.”

“Hehe~”

Donghuang Baizhi was about to not be able to hold herself back anymore.

These two are teaming up to bully me, you tell me, isn’t it infuriating!

If not for us being outside currently, I would have definitely begun cursing out at this Ye Hua.

Endure! Maintain your empress aura!

After waiting for 10+ minutes, it was finally Ye Hua’s turn.

The big aunt long saw Ye Hua, and she was curious as to why this time, there was a little girl with Ye Hua, and also a different beautiful woman.

Just that, why does this beautiful woman seems so familiar to me?

“6 Chinese crepes, add additional ham and egg for one of them.” While carrying his daughter, Ye Hua said faintly.

“Daddy, Ah Li wants to add additional ham and egg too.” Right now, whenever Donghuang Li saw whatever that her father wanted, she would also want it too. Donghuang Li was basically a little fan of Ye Hua right now.

Ye Hua said faintly, “Would Ah Li be able to finish eating it?”

Donghuang Li rubbed onto her small stomach, “En, Ah Li’s small stomach is able to handle it.”

“Add additional ham and egg for two of them then.” Ye Hua said towards the big aunt.

The big aunt who was making the Chinese crepes suddenly cried out in surprise, “I remember now! You were the one who stood here every morning for quite a number of days three years ago!”

Donghuang Baizhi wrinkled her brows and did not respond.

Ye Hua and Donghuang Li immediately looked towards Donghuang Baizhi.

“Mommy, were you secretly looking at daddy?” Donghuang Li asked naively.

Stab~

A small blade was stabbed into Donghuang Baizhi’s chest.

“Back then, she stood here for at least 10+ days.” The big aunt added.

Donghuang Li’s face was filled with astonishment as she said, “Wow, so mommy actually secretly likes daddy.”

Stab~

Another small blade stabbed into Donghuang Baizhi’s chest.

Right now, Donghuang Baizhi wasn’t feeling good at all.

Back then, when I, the empress, stood here, I was feeling indignant! I wasn’t secretly in love with Ye Hua!

Ye Hua rubbed onto his child’s head, then said faintly, “Ah Li, it’s normal for mommy to have such a reaction like this. After all, your daddy is indeed very outstanding.”

“En, daddy is the most handsome, even mommy is smitten by daddy.”

Stab~

Stab~

Donghuang Baizhi’s heart was stabbed continuously by an incorporeal blade, and what’s worse was that Donghuang Baizhi didn’t know how to explain herself.

“Young fellow, this is your daughter?” The big aunt asked curiously.

Without waiting for Ye Hua to speak, Donghuang Li said with a smile on her face, “Hello granny, I am called Donghuang Li, he is my daddy, and she is my mommy.”

“Eh... Young fellow, being fickle is not a good thing.” The big aunt began lecturing Ye Hua once again.

The big aunt was probably the only person who Ye Hua could withstand being lectured by, and it was most probably because Ye Hua was used to the big aunt lecturing at him.

Of course, Ye Hua would also retort back at the big aunt, take for example right now, “Fickle? That doesn’t exist. This is my new wife, and as for my other wife, she is currently at home sleeping.”

Young fellow, if this is not fickle, then what is...

“Who is your new wife! Pay attention to your wording!” Donghuang Baizhi couldn’t endure it anymore as she spoke and denied what Ye Hua just said.

Donghuang Li was much formidable, Donghuang Li clapped onto her hands and said with a smile, "Is mommy going to become a bride? Ah Li is so happy."

"Ah Li, don't speak." Donghuang Baizhi stopped Ah Li from speaking anymore.

"Oh." Donghuang Li pouted her little mouth and responded. Afterward, she buried her head within her daddy's embrace, making herself seem pitiful.

The big aunt sighed, "You young fellows, don't let the child undertake your mistakes, after all, the child is innocent."

What the big aunt just said makes sense. Ye Hua and Donghuang Baizhi did not retort, and Little Ah Li smiled towards the big aunt, then buried her head in her daddy's embrace once again.

After waiting for a while, Ye Hua held onto the bag of hot Chinese crepes and headed back to the bar. On the other hand, Ah Li held onto her Chinese crepe and began eating it.

"Hold it." Ye Hua stretched out the bag towards the front of Donghuang Baizhi.

"I'm not holding it!"

"As my woman, do you not even understand the basic established standards that you should have!" Ye Hua said gravely. This Donghuang Baizhi is really too unruly!

"Sorry, I am not your woman."

Donghuang Li asked curiously, "If mommy is not daddy's woman, then who does mommy belong to?"

"Ah Li, don't speak!"

Right now, Ye Hua was much more cool-headed than before, "Donghuang Baizhi, you best start being obedient soon."

Donghuang Li who was within Ye Hua's embrace nodded her head while remaining silent.

"You are in delusion!"

Ye Hua did not pay attention to what Donghuang Baizhi just said. Upon returning back to Leisure Bar, Ye Hua locked up Donghuang Baizhi once again, then headed to the second floor while carrying onto the breakfast. Two of the Chinese crepes were for the two that played with their computer games for an entire night. Right now, the two still haven't wake up.

Standing at the outside of the office door, Ye Hua opened the door and entered into the office.

Qing Ya could be seen curling up in the sofa just like she did last night. Qing Ya seemed so pitiful right now.

And when Ye Hua saw Qing Ya like this, he was also feeling very heart pained.

"Time to wake up and eat breakfast." Ye Hua shouted out lightly.

Qing Ya said while with whimpering in her tone, "I don't have the appetite, you can leave now."

"Why even do this, to use your body to go against me?" Ye Hua asked coldly.

You Cannot Afford To Offend My Woman

Chapter 218.1: Little Ah Li's manipulation 1/2

"Leave!" Qing Ya yelled. Qing Ya's state was enough to make one feel very worried for her, and also at the same time, feel very heart pained for her.

Without choice, Ye Hua wrinkled his brows and left the office. Within his hand, a Chinese crepe that was still piping hot was being held.

Walking downstairs, Ye Hua saw Donghuang Baizhi and Donghuang Li sitting together. The two were chatting merrily while feeding each other food one bite after another.

"Ah Li, you come over for a while." Ye Hua shouted out faintly.

Donghuang Li was like a small bird as she rushed into Ye Hua's embrace. This caused Donghuang Baizhi to become very jealous.

Why is my daughter so clingy to her daddy, in the past, she wasn't like this at all.

"Report to daddy, Ah Li has arrived in position~"

Ye Hua was very happy and he said tenderly, "Ah Li, can you help daddy do something?"

"En~"

"Go and give this Chinese crepe to Aunt Qing. Aunt Qing is currently angry and doesn't want to eat. So, Ah Li's mission is to think of a way to get Aunt Qing to eat the Chinese crepe." Towards Qing Ya, Ye Hua himself felt that he had really let Qing Ya down.

Sigh, I will slowly make it up to Qing Ya in the future.

Donghuang Li patted onto her chest and said, "Daddy, you can be at ease, Ah Li will definitely get Aunt Qing to eat the Chinese crepe."

"En."

Donghuang Li held onto the Chinese crepe, then ran towards the second floor.

Ye Hua let out a breath. I hope that seeing on the child's sake, Qing Ya would stop being obstinate.

"It is very normal for her to be angry. Back then, I also felt very angry, and wasn't able to eat anything for a few days." Donghuang Baizhi said faintly while sitting haughtily on the chair with her legs crossed.

Ye Hua walked to Donghuang Baizhi's side and sat down beside her. After lighting up a stick of cigarette, Ye Hua said, "Seems like you still constantly keep me in your mind. If that's the case, why didn't you come and look for me after you gave birth to Ah Li?"

Donghuang Baizhi said coldly, "I have my own dignity too. I can raise Ah Li by myself, so there is no need for you to worry about us!"

"It is fortunate that my Ah Li found me, if not, you would have got it from me!"

"Humph! Shameless man!"

Ye Hua said gravely, "If you want to be locked up here for the entire rest of your life, you can scold me however you want to."

"You are practically a scoundrel! Bastard!"

Ye Hua's expression turned cold as he dragged Donghuang Baizhi over to him and placed Donghuang Baizhi onto his own thigh.

Donghuang Baizhi's expression changed greatly.

Because my spiritual energy is currently sealed up, I am practically just like an ordinary human right now. Therefore, how would I be a match for this man right now!

"What are you trying to do!"

Pa!

"Ah!"

Ye Hua slapped onto Donghuang Baizhi's butt with the palm of his hand and said gravely, "Don't think that I won't dare to give you a lesson! I heard that you even made my daughter kneel on a keyboard! During one of the days in the future, I am also going to make you kneel on a keyboard!"

"Bastard, let go of me!" Donghuang Baizhi shouted out.

A burning pain is coming from my butt, this bastard, to actually slap so hard onto my butt!

While smoking onto his cigarette, Ye Hua's palm landed onto Donghuang Baizhi's butt once again, "Donghuang Baizhi, you best recognize the current situation. Since you have come to the bar, you can just properly be my woman and stop thinking about whatever useless stuff that you are still thinking of right now."

"Scram! I won't ever be your woman in this entire life of mine!" Donghuang Baizhi was not afraid of being threatened at all as she shouted out coldly.

However, Ye Hua just likes women like this who wouldn't give up no matter what.

Immediately, the symphony of slapping sounds rang out within the main hall, and from the beginning till the end, Donghuang Baizhi had never cried out in pain, and had constantly been enduring the burning sensation that was coming from her butt!

After quite a while, Ye Hua gave up on this move.

Seems like this move is useless towards her.

"We will stop here for today. In the future, if you dare to be disrespectful towards me again, I won't let you off this easily!"

"Ye Hua! I hate you!" With her eyes red, Donghuang Baizhi shouted out coldly.

Back then, you were the one that was being heartless, and yet right now, you are acting like this, wanting me to be your woman! Do you think that I, Donghuang Baizhi, is the kind of woman that you can order around however you like!

While looking at Ye Hua walk up the stairs, Donghuang Baizhi tightly wrinkled her brows, then rubbed onto her butt. It hurts~

[You Cannot Afford To Offend My Woman](#)

Chapter 218.2: Little Ah Li's manipulation 2/2

While holding onto the Chinese crepe, Donghuang Li secretly opened the door. When Donghuang Li saw her Aunt Qing who was lying down on the sofa, Donghuang Li felt very sad in her heart.

It is all my fault, if not for me, daddy wouldn't have had a falling out with Aunt Qing.

"Go out!" Qing Ya shouted out coldly.

"Aunt Qing, it's me, Ah Li." Donghuang Li said with grievance after being startled by Qing Ya's shout.

Qing Ya went into a daze for a moment, then turned her head around and looked towards the door. And as expected, Qing Ya saw Little Ah Li who was standing by the door.

Qing Ya said embarrassedly, "Ah Li, Aunt Qing didn't mean to shout at you just now."

Towards Donghuang Li, Qing Ya did not harbor any grudges against her.

No matter what, the child is innocent. And moreover, I really like Ah Li too, Ah Li is a very sensible little girl.

"Aunt Qing, I'm sorry, Ah Li's appearance caused you and daddy to get into a fight." The clever Donghuang Li began setting up the prerequisite build-up that would be required for her to get her Aunt Qing to eat the Chinese crepe.

Donghuang Li was definitely an expert with her expressions, that pitiful expression on her face seemed as if she was shouldering all the blame on herself.

Qing Ya tenderly hugged Donghuang Li and said faintly, "Ah Li, this is not your fault, no matter what, it is all your daddy's fault."

Donghuang Li stretched out her small hands and wiped onto the tear stains that were on the corners of Qing Ya's eyes, "Aunt Qing, Ah Li still wants to apologize to you."

"Foolish child, you didn't do anything wrong, it is merely just Aunt Qing's own problem." Qing Ya squeezed out a smile on her face and said.

Donghuang Li pursed her small mouth, then said, "Aunt Qing, last night, mommy was punished by daddy to sleep in the main hall."

This manipulation of Ah Li's was pretty good.

In actuality, Donghuang Li knew everything. Do not ever think that small children would be that easy to bluff.

Upon hearing that, Qing Ya went into a daze for a moment.

Originally, I thought that they would sleep together, I didn't expect that they didn't.

“Last night, when daddy was sleeping with Ah Li, when daddy was in his dream, he kept on calling out for Aunt Qing’s name.”

If Ye Hua heard what his daughter just said, he would definitely shout 666 and think to himself, “As expected of my own child, to know to help out daddy.”

Qing Ya did not say anything, but there was evidently a slight trace of improvement in Qing Ya’s expression, Qing Ya’s expression had become a bit more relaxed.

“Aunt Qing, quickly eat the Chinese crepe, if not, you will become hungry.” When Donghuang Li saw that she was more or less done with the prerequisite build-up to get her Aunt Qing to eat the Chinese crepe, Donghuang Li held the Chinese crepe that she was holding in her hand towards Qing Ya and said.

“How about Ah Li feed Aunt Qing to eat? This Chinese crepe is super delicious, Ah Li had her fill from eating a Chinese crepe just now.”

“Ah Li sure is clever. Ah Li doesn’t have to feed Aunt Qing, Aunt Qing can eat it on her own.” In the end, Qing Ya was persuaded by Little Ah Li.

Originally, Qing Ya was planning on starving herself to protest against Ye Hua’s conduct.

Fortunately, with Donghuang Li showing up to persuade Qing Ya to eat, it made Qing Ya felt a little bit better and became willing to eat.

Seeing that Qing Ya finally began eating, Donghuang Li was very curious as she rubbed onto Qing Ya’s stomach and asked, “Aunt Qing, is Ah Li going to become a big sister?”

Qing Ya laughed bitterly, then said, “En, in eight more months, Ah Li is going to become a big sister.”

“That’s great, Ah Li will finally not be lonely anymore.”

Seeing Donghuang Li clapping with her hands happily, Qing Ya remained silent.

If it wasn’t because of the child, I wouldn’t have had any further interactions with Ye Hua after that night, and the feelings between me and Ye Hua were also cultivated on the basis of the child.

Right now, Qing Ya did not know just what she should do, and she was feeling very indecisive.

How about I go and ask Yutong for her opinion and see if she has any ideas or not?

What Qing Ya did not know was that Qing Yutong had long defected over to Ye Hua’s side. Qing Yutong was practically a little traitor.

Watching her Aunt Qing eat the Chinese crepe, Donghuang Li felt that she had completed the mission that was given to her by her daddy with flying colors. Feeling happy and immensely pleased with herself, Donghuang Li left the room and went to report the news to her daddy.

When Ye Hua heard what Ah Li reported to him, Ye Hua finally let out a breath of relief.

Towards Qing Ya, Ye Hua didn’t want to use tough and forceful measures on her, because he knew that Qing Ya was the kind of person that was amendable to coaxing but not to coercion.

This family conflict requires time to solve. Right now, all I can do is hope that my daughter would be able to act as the bridge for me to properly communicate with the two of them.

And while a family conflict was happening at Ye Hua's side, a big matter that concerned Xiao Family's life and death was currently happening at Xiao Family Mansion.

[You Cannot Afford To Offend My Woman](#)

Chapter 219.1: Sound out others' feelings 1/2

Zijin City.

Location: Xiao Family Mansion's main hall.

Right now, with a pale complexion on his face, Xiao Yi could be seen sitting in a wheelchair and being attached to an iv drip. Xiao Yi's current state was very weak.

Standing behind Xiao Yi were his two wives, Shu Nan, and Yu Qi who was currently pregnant with his child. While accompanying Xiao Yi, Shu Nan and Yu Qi's beautiful eyes could be seen to be filled with worries.

Sitting on the redwood chair that was at the opposite of Xiao Yi was Tang Wushuang, who was currently taking a sip of his tea. There was a slight trace of peculiarity within Tang Wushuang's expression, and if one didn't observe closely at Tang Wushuang's expression, they wouldn't be able to discover it.

"Big Brother Xiao, the situation right now is extremely grim. I feel that it would be better for you to retreat for the moment right now." Tang Wushuang was currently struggling in his heart.

Xiao Yi had done a favor for me in the past, and I owe him for it, but for the entire family's interest, and for my own personal reason...

If Xiao Yi hands the Xuan Yuan Sword over to me, it would be the best, because, with that, a show of brothers having a fall out with each other and becoming enemies would be prevented.

Right now, I just hope that Xiao Yi is able to clearly see the current situation.

"How did those Aristocratic Families decide?" Xiao Yi asked weakly, however, deep within Xiao Yi's eyes, there were shrewdness, and also sadness.

For this good brother of mine to come over to my place at a time like this, I know why without even having to think too much.

Tang Wushuang let out a breath, then placed the teacup down onto the table and said, "This time, three different powers from the north went to the south to snatch the ancient godly item away from the south, and with this as the reason, the south's Aristocratic Families raised a complaint against the north. Furthermore, the south's two big powers are supportive of the south's Aristocratic Families' action. The north's big power did not respond, so from the looks of it, the north's big power most likely tacitly agreed that the north was in the wrong this time."

"Therefore, in order to prevent a large-scale death from happening, both sides reached an agreement."

"What agreement?" Xiao Yi asked gravely.

Tang Wushuang found it hard to open his mouth to speak. After quite a while, Tang Wushuang said, "The south's families will pick three family heads to come over to the north to try and snatch an ancient godly item away from the north! However, the three family heads cannot bring anyone along with them! Whether if the three family heads will be able to snatch an ancient godly item away from the north or not, it will all depend on their own capabilities."

"Then, within the agreement, is there anything that is required for the north's families to do?"

Tang Wushuang shook his head. If there was something that was required for the north's families to do, I wouldn't be sitting here right now.

In actuality, to the Aristocratic Families, this matter was of no importance at all. For the purpose of getting back the face that they lost, the south won over a chance for them to openly go to the north and try to snatch an ancient godly item away from the north.

And because the north's Aristocratic Families did not give any restrictions to the north's families, it meant that the north's Aristocratic Families were allowing the north's families to guard against the south.

Of course, the north's Aristocratic Families weren't trying to protect Xiao Family, and instead, they were trying to protect the ancient godly item from falling into the hands of the south. After all, if the ancient godly item was to get snatched away by the south, the north would lose their face.

As for whose ancient godly item the south's three family heads were going to come and try to snatch away from.

It goes without saying, it was definitely going to be Xiao Yi's Xuan Yuan Sword. After all, everyone knew that Xiao Yi had sustain grave injuries from the fight against the black-robed, and the idea of getting someone while they were down was a very simple one.

Also, it would be very irrational to attempt to try and snatch away Bai Family's ancient godly item. After all, that Bai Cixin was a very strange one, and that Wang Dabao was someone who possessed immeasurable luck.

[You Cannot Afford To Offend My Woman](#)

Chapter 219.2: Sound out others' feelings 2/2

Xiao Yi slowly closed his eyes, then said, "Seems like they intend on massacring my Xiao Family!"

"Big Brother Xiao, Xuan Yuan Sword is basically a problematic item to have right now, and as long as the Xuan Yuan Sword is not in your hands, they won't be able to do anything towards you, after all, their target is the ancient godly item, and not you, Big Brother Xiao."

Xiao Yi opened his eyes, and gloominess was leaking out from his eyes, "Wushuang, what do you think big brother should do?"

This question of yours is basically what I wanted!

Tang Wushuang slightly leaned his body forward. From this, it could be seen just how much he was yearning for the Xuan Yuan Sword.

And this slight action of Tang Wushuang's was seen clearly by Xiao Yi.

"Big Brother Xiao, right now, the situation is looking very grim for you, all of the small families and rich merchants have claimed that they have distanced themselves away from you. If Big Brother Xiao believes in me, Big Brother Xiao can hand over the Xuan Yuan Sword to me and let me temporarily safe keep the Xuan Yuan Sword for you."

In actuality, Tang Wushuang had thought of lots of methods where he would be able to obtain the Xuan Yuan Sword, and at the same time, wouldn't spoil the friendship between him and Xiao Yi.

After thinking of all kinds of methods, this is the only method that I can try. However, I am definitely going to get chide at by my master once he found out what I did.

If it was 10+ days ago, Xiao Yi would have most probably handed the Xuan Yuan Sword over to Tang Wushuang. But, right now...

It was impossible. And even more, Xiao Yi was able to perceive the intention of this close brother of his.

Xuan Yuan Sword was an ancient godly item, and regarding its might, there wasn't a need to say too much about it. To be able to go against Death Mage's Sickle of Death, and even cause a groove to appear on the Sickle of Death, it could be seen just how formidable the Xuan Yuan Sword was.

For such an ancient godly item like this, who wouldn't want to possess it? If there wasn't any restriction on the number of ancient godly items that each Aristocratic Family was allowed to possess, the Aristocratic Families would have long come over to Xiao Family and snatch the Xuan Yuan Sword away from Xiao Yi!

Amongst swords, Xuan Yuan Sword was the king. Therefore, it was no surprise that Xuan Yuan Sword would be something that even the Aristocratic Families would want to possess.

What Tang Wushuang just said was indeed pleasant to the ears, especially the words, temporarily safe keep the Xuan Yuan Sword for you.

If Xiao Yi had handed over the Xuan Yuan Sword to Tang Wushuang, it was reckoned that there wouldn't be a possibility for Xiao Yi to get back the Xuan Yuan Sword from Tang Wushuang.

Xiao Yi sighed, "Wushuang, back then when I fought over this Xuan Yuan Sword, it was fortunate that you were there to help me hold back the enemies!"

Upon hearing what Xiao Yi said, Tang Wushuang became exulted.

"However! Xuan Yuan Sword is what that symbolizes my Xiao Family! Without the sword, Xiao Family wouldn't be Xiao Family anymore! Wushuang, you should understand what I am trying to say, right?"

Xiao Yi did not want to bluntly point out what Tang Wushuang was trying to do and wanted to get Tang Wushuang to give up on the idea of trying to obtain the Xuan Yuan Sword. This way, he and Tang Wushuang would still be able to continue on being brothers.

However, Tang Wushuang didn't think the same way as Xiao Yi did.

Back then, if not for me helping you, would you have been able to obtain the Xuan Yuan Sword for yourself!

You are already in such a dire situation, and yet you still want to keep the Xuan Yuan Sword to yourself! Do you really not believe in me at all!

The more Tang Wushuang thought about it, the more indignant he felt.

Originally, Xiao Family and Tang Family were on the same starting line. However, because Xiao Family managed to obtain the Xuan Yuan Sword, Xiao Family's position immediately surpassed Tang Family's position.

Everyone all thinks that I am Xiao Yi's underling, Xiao Yi's henchman.

Such bitterness like that, I am fine with bearing with it. After all, back then when I was still weak, it was Big Brother Xiao who extended out a hand to me and helped me.

However, at such a time like this, he is still trying to protect his Xuan Yuan Sword!

Tang Wushuang was very indignant as he thought to himself, "What master said is right, on the path towards power and wealth, only benefits matter!"

"Big Brother Xiao, if you still don't make a decision right now, once those people arrive, Wushuang wouldn't be able to help you anymore!" Tang Wushuang said while with his brows tightly wrinkled. And hearing from Tang Wushuang's tone, there was actually threatening within his tone!

This caused Xiao Yi to become very hurt.

This world is filled with various kinds of benefits and enticements, and originally, I thought that Tang Wushuang would be able to walk to the end of the journey with me. However, from the looks of it, Tang Wushuang isn't able to endure the enticement of the Xuan Yuan Sword.

"Wushuang, I appreciate your offer to help, but I am going to have to reject your offer. Later on, whatever that you should do, you can go ahead and do it!" Xiao Yi sighed. From the looks of it, today is going to be the day where us brothers are going to have a fall out with each other!

"Oh~ Isn't this Young Master Tang? I didn't expect Young Master Tang to come so early."

A young man could be seen walking into the main hall from the outside. The young man wore a white color tank top, exposing out those explosive muscles of his. Those muscles of his were very sexy.

The sideburns on the young man's face added an extra manliness to the young man, and the young man's features were pretty good looking.

This young man was called Ling Tian, and he was Ling Family's family head. Ling Family was a family that was located in the northeast.

Ling Tian's goal for coming over here was very obvious.

Obtain the Xuan Yuan Sword!

So that he could then obtain the qualification to rise to the ranks of the Aristocratic Families!

It has to be mentioned that, Ling Tian had come into contact with Xiao Yi and Tang Wushuang before. Back then, they helped each other out. Just that, because they weren't situated in the same city, they didn't come into contact with each other that much. However, their relationship could still be counted as pretty good.

"Ah, it's Ling Tian. Come, have a seat. Shu Nan, pour a cup of tea for Ling Tian." Although Xiao Yi was wearing a smile on his face, he wasn't feeling comfortable in his heart. After all, besides from Tang Wushuang, Ling Tian could also be counted as his friend.

However, Xiao Yi didn't expect that, because of a crisis, forget that his normal friends left him, right now, even his good brother and good friend are turning against him.

Right now, what Xiao Yi was doing was to sound out others' true feelings.

"Brother Xiao, sisters-in-law." Ling Tian cupped his hand and did not bluntly point out his reason for coming here.

Shu Nan smiled tenderly and said, "Ling Tian, have a seat."

"Alright, sister-in-law." Ling Tian appeared to be very forthright, and Ling Tian's bright expression formed a great contrast when compared to Tang Wushuang's current gloomy expression.

After drinking up the cup of tea Shu Nan poured for him, Ling Tian laughed, "Good tea, this tea is much better compared to the teas in my house."

Shu Qi laughed, "If you think that the tea is good, I will prepare a few bags of tea leaves for you to bring back later on."

"Sister-in-law, don't, I am simply a rough person, I was only pretending just now. In actuality, the tea was very bitter... It would be a waste to give me the tea leaves." Ling Tian laughed heartily, causing the tense atmosphere to ease up for a bit.

After pausing for a moment, Ling Tian asked curiously, "Brother Xiao, is this injury of yours serious?"

In the end, Ling Tian headed straight to the main topic...

[You Cannot Afford To Offend My Woman](#)

Chapter 220.1: Confirmed through expression 1/2

Xiao Yi who was on the main seat deeply let out a sigh, then squeezed out a smile and said, "Brother Ling, thank you for your concern. This injury of mine, it's not able to recover in such a short time."

Ling Tian could be seen letting out a heavy sigh, "Brother Xiao, if that's the case, it really won't do. I just received news that Yun Sect, South Alliance, and Guang Family, are already on their way here!"

After hearing that, Xiao Yi said lightly, "Yun Sect's Sect Master Xun Fang, South Alliance's Hai Daisi, Guang Family's Guang Tianlu, they sure think highly of my Xiao Family!"

Ling Tian grinned and laughed. Right now, because Xiao Yi doesn't have any information sources, he doesn't even know of the latest news.

Ling Tian said, "Brother Xiao, Yun Sect's sect master has already been changed, the current sect master is Xun Yi."

"Xun Yi?" Xiao Yi indeed did not know about that. During this period of time, where would Xiao Yi even have the mood to go and investigate on matters that were happening in the south?

Ling Tian nodded his head, "This matter started from the ancient godly item that appeared within the north. The previous Yun Sect's Sect Master Xun Fang has an affair with the black-robed."

"Has an affair with the black-robed!" Xiao Yi was very astonished.

That black-robed is a skeleton, and that Xun Fang is a human. Even more, that Xun Fang is the noble south's prideful woman. How could she possibly have an affair with a skeleton...

Does this skeleton have a special technique or something?

"This information has already been proven to be true. During the day where everyone was fighting for the ancient godly item, the black-robed brought along Xun Fang and appeared at the scene. And at that time, how do I say this... the two were rather touchy with each other. This black-robed is truly an expert too, to actually be able to get with south's prideful woman, Xun Fang." Speaking up to here, Ling Tian felt rather envious of black-robed.

It is a pity, that Xun Fang's appearance could be considered as top-notch.

However, I heard that the black-robed is extremely frightening and that Xun Fang's mind has already gone crazy.

This Ling Tian was thinking too much. Xun Fang was very happy right now, playing with her games, poking onto the skeleton from time to time, and has Ying Family on the side who has to listen to her orders. This was much more interesting compared to being a sect master.

And of course, to be able to receive her current position, it was all thanks to Ye Hua giving it to her.

However, for Ye Hua to be able to give the position to Xun Fang, it meant that he could also take it back whenever he wants. This was what people meant by deciding one's fate within a moment of thought.

Take Xiao Yi for example, the reason Ye Hua gave Xiao Yi another life was because Ye Hua hoped that Xiao Yi wouldn't die so quickly. Don't think that what Ye Hua was doing was donating to the poor.

Alright, Ye Hua was indeed donating to the poor.

Xiao Yi's life was given by Ye Hua, thus, naturally, Ye Hua was also able to take it back anytime he wants. Right now, it all depends on how strong Xiao Yi's perception was, and whether if he will be able to achieve Ye Hua's goal during this upcoming crisis.

Shu Nan and Yu Qi were also rather astonished. During that time, all of them were present, and they all had an innate fear towards that black-robed. Right now, upon hearing that the black-robed has an affair with the south's prideful woman, they felt that their entire world view was changing.

Skeleton and human?

Human and animal?

Tang Wushuang did not speak.

Although the black-robed is formidable, master said that he is able to defeat the black-robed. Therefore, there is nothing to worry about.

However, there were many things that Tang Wushuang was unaware of.

How did that one sentence go?

You do not know anything about your enemies at all.

However, not only do those people not know anything about their enemies, they do not even know who their true enemies were.

Xuan Yuan Sword?

Xuan Yuan Sword was merely a bait.

Nine Demons Pagoda?

In Ye Hua's eyes, the Nine Demons Pagoda was just merely a black iron, and the reason he tossed the Nine Demons Pagoda to Wang Dabao was that he felt that Wang Dabao possessed some credibility. However, the biggest reason was that Ye Hua wanted to impute the blame onto Wang Dabao.

And Wang Dabao who was oblivious to all of that, right after he obtained the Nine Demons Pagoda, he happily ran back to fawn upon his wife and present the Nine Demons Pagoda to his wife.

Everything was being controlled within the palm of Ye Hua's hand, and if there wasn't a family dispute, he would definitely be enjoying the show that was happening right now.

In any case, everything was personally directed by me, if I don't appreciate my work for a bit, how would that do?

Chapter 220.2: Confirmed through expression 2/2

Xiao Yi who was sitting on the main seat remained silent.

Three people from the south are on their way here! And two people that are from the north are here!

Furthermore, those are just the ones that are out in the open, and who knows how many are still hiding in the dark? Seems like there is going to be a bloody battle today!

Right at this moment, three figures appeared within the sky, and the three figures were flying at high speed towards Xiao Family Mansion.

Phew!

Phew!

Phew!

The three figures were precisely the three that came from the south! Xun Yi, Hai Daisi, and Guang Tianlu!

The three were secure in the knowledge that they were being backed up. After all, the upper ups had already announced that, besides from the possessor of the ancient godly item, the three that came from the south cannot be harmed.

However, although the north's Aristocratic Families promised that the three that came from the south wouldn't be harmed, who really knows if everyone within the north wouldn't harm the three that came from the south?

Because of that, some of the powers within the south didn't dare to carelessly decide if they should fight for the chance to come to the north or not. However, there were still people who like taking risks. After all, riches come from taking risks!

When the three landed in Xiao Family Mansion, the three were still rather courteous as they cupped their hands towards Xiao Yi, "Xiao Family Head, I trust you have been well since we last met!"

Xiao Yi replied with a light smile on his face, "The visitors are guests, Shu Nan, serve them tea."

The three pondered for a bit, then decided to take a seat and observe the situation first. However, they didn't drink the teas that were served to them, after all, who knows if the teas had been spiked or not.

Hai Daisi did not want to drag on the matter and headed straight to the main topic, "Xiao Family Head, I'm afraid that you already know our reason for coming here this time, right? Hand over the Xuan Yuan Sword and a battle can be avoided."

"What you said is right. Handing over the Xuan Yuan Sword is indeed a choice for me, but, I still want to try and fight it out." Xiao Yi waved his hand and signaled to his two wives. Shu Nan and Yu Qi both left the main hall, however, they seemed very worried about Xiao Yi.

Xun Yi snorted as she looked at Xiao Yi who was attached to an iv drip and said, "Since Xiao Family Head insists on doing so, then, don't blame us!"

Xiao Yi plucked out the iv drip and slowly stood his body up.

Everyone here was all big shots. Looking at Xiao Yi, they could see that Xiao Yi's body was weak and Xiao Yi was lacking spiritual energy. With Xiao Yi's current state, they could stab him to death with just one of their fingers.

Everyone followed behind Xiao Yi and did not make things difficult for Xiao Yi. After all, they were here to snatch the ancient godly item, and not exterminate Xiao Family.

Xiao Yi could be seen bringing everyone to a spacious and empty space. The space seemed as if it had gone through the baptism of an atom bomb, this space was evidently a part of the mountain forest, and yet, within the radius of a few kilometers, there was not even a single grass at all, the space was completely barren.

"This is the place where I fought the black-robed on that night."

Xiao Yi's words caused everyone to gasp. Hearing about the battle was one thing, but the feeling of seeing the scene where the battle took place with their own eyes was a completely different kind of feeling.

It's not that the people that were here weren't able to create such a landscape, just that, it was very difficult for them to do it. Unless they were faced with a life and death moment, the might that they released wouldn't be able to create such a landscape.

Seems like during that night, this Xiao Yi was really faced with a life and death moment, and looking at this landscape, it shows just how strong the Xuan Yuan Sword is!

The three were glad that Xiao Yi was currently gravely injured, if not, they would really have quite a bit of trouble in dealing with Xiao Yi right now.

Xiao Yi could be seen holding his hand into a fist, and the gold color Xuan Yuan Sword which was emitting out a dense aura immediately appeared within his hand.

Upon seeing the Xuan Yuan Sword, the three's breathing became urgent.

Compared to the Nine Demons Pagoda, this Xuan Yuan Sword is much more attractive!

Tang Wushuang took in a deep breath, then silently walked to the side, in thus expressing his attitude towards this matter.

Xiao Yi took a look at Tang Wushuang. Xiao Yi did not feel disappointed, and instead, he felt heartbroken.

Ling Tian hesitated. Ling Tian appeared to be in a dilemma and seemed like he was fighting with the demon within his heart.

"Ling Tian, I, Xiao Yi, do not regret being friends with you, it's time for you to make your decision." Xiao Yi used the Xuan Yuan Sword to prop his body, and adding on with Xiao Yi's feeble tone, it seemed as if Xiao Yi was trying to lure others into snatching his Xuan Yuan Sword.

However, right at this moment!

Xun Yi's delicate hand moved, and a sharp sword appeared within her hand. With a fierce sword aura and astonishing speed, the sword stabbed towards Xiao Yi.

To be able to become Cloud Sect's sect master, Xun Yi was not one that was easy to deal with.

The strong wind that was emitted out from the sword aura caused Xiao Yi's clothing to flap crazily. Furthermore, when the strong wind blew onto Xiao Yi's face, it caused Xiao Yi's face to feel painful.

With a grave expression on his face, Xiao Yi tightly held onto the Xuan Yuan Sword.

You have come at the right time! I, Xiao Yi, have been enduring for far too long already!

The pain of losing my wife and the bitterness of pleading others for favors have been tormenting me for every second of my life.

I, the emperor, had shaken the entire heaven and earth for a millennium, but I didn't expect that, after rebirthing, I would meet with such a setback.

Right now, I will let you all witness just what kinds of consequences and pain one would have to endure when they angered an immortal emperor!

However, right when Xiao Yi was about to brandish his sword, a big hand suddenly grabbed onto the sword that was attacking towards Xiao Yi!

Gale wind suddenly began blowing around everywhere.

Ling Tian's weapon was each and every single part of his entire body!

Xiao Yi looked towards Ling Tian who was at the side, and with a smile on his face, Ling Tian looked at Xiao Yi.
