

My Woman 361

Chapter 361

‘Especially when I saw my sister’s frivolous side, my breathing became rapid, and I almost came. it was so exciting!’

Jue Tian spread his hands: “Actually, I don’t care about you peeking.”

Guan Li was shocked!

“What I care about is that you entered my house without my permission and didn’t even change your shoes!”

Jue Tian’s eyes exuded a gloomy chill, and his pupils changed like a cat. Cats love cleanliness.

The three men were startled by the scene before them and took a step back. Suddenly feeling that something had grabbed their feet!

Looking down!

There were countless ghost hands on the floor as if trying to break free from the shackles, but these ghost hands grabbed the legs of the three and dragged them down!

Guan Li’s body seemed to sink into a swamp, gradually sinking. No matter how hard the three men struggled, it was useless.

“Brother-in-law, let’s talk about it properly.” Guan Li didn’t think much, and hurriedly begged for mercy; this man’s information was wrong.

“Well? I’m listening.”

Guan Li: “...”

My TMD didn’t ask you to listen to me but to let me go! [TMD is a typical Chinese insult Tā Mā De, which literally means ‘his mother’s,’]

“Brother-in-law, let me go; I won’t take a peek next time!” Guan Li was horrified, his feet had already sunk in, and the disgusting ghost hand was touching his chin. I can feel it!

Someone is tearing their pants!

Even tore his legs!

Even...

Guan Li screamed in pain, and so did the two men behind him.

Guan Yanxin on the bed pursed her lips, turned over, and hugged Dongfang Yuer beside her; the scene was too exhaling.

Guan Li endured the pain and shouted: “I’m Yanxin’s brother! She will hate you for the rest of her life if you kill me!”

“She won’t know.”

Guan Li: “...”

Talking to this man is unavailing...

“Yanxin! Save your brother from this devil!!!!” Guan Li shouted towards Guan Yanxin on the bed.

Jue Tian sat on the edge of the bed and said indifferently: “You saw it just now; they are too tired.”

“You!!!”

“Don’t worry; I will treat your sister well.”

Guan Li stared at Jue Tian; stunned.

Are you sure you want to say something like this at a time like this? Isn’t it inappropriate?

“Curse you, I...”

The heads of the three people gradually disappeared, and the floor returned to normal.

“Hum hum~ Professor Jue, it’s so noisy; who’s calling?” Guan Yanxin shouted.

“Irrelevant person. Since you are awake, let’s start.”

“Ah!!! Don’t~”

Jue Tian was angry again, and Guan Yanxin lost the strength to move her fingers.

Dongfang Yuer on the other hand is much smarter; even if she wakes up, she pretends to be dizzy.

But who is Jue Tian? Do you think it’s okay to pretend to be dizzy?

The room suddenly sounded like Dongfang Yuer’s begging for mercy.

Does this count as just getting out of the wolf’s mouth and entering the tiger’s den?

Of course, the former is resisting; the latter is voluntary.

Jue Tian is not enjoying the process, but the dark and refreshing moment. One has to agree that these seven deadly sins have their own tastes.

In fact, the taste of Ye Zizi is also a bit heavy, but she doesn’t show it.

In the evening, Jue Tian plans to visit Guan Tong and make proof of his alibi.

This Guan Li is still useful. Although the two Madams are kind, it does not mean that they are stupid.

Guan Yanxin was driving the Ferrari, while Jue Tian was sitting on the co-pilot, holding the weak and thin Dongfang Yuer.

Dongfang Yuer was wearing a dress, and the skirt reached her waist at this time while she let out a low coquettish moan.

Guan Yanxin, who is driving, teases Dongfang Yuer from time to time and feels she is already content with this kind of life. So exciting!

What kind of life did she live before? It was really boring to think about.

The Guan Family is an ancient house located in the mountains on the outskirts of Zijin City.

At this time, the lights inside were brilliant, and it seemed that something was being held, which looked very lively.

Guan Yanxin parked the car, got out of the car, and waited for a while, then muttered, "Today is actually the family dinner at the end of the month!"

"Do families still have dinner parties?" Jue Tian supported Dongfang Yuer, who was unstable and asked curiously.

Guan Yanxin nodded: "This rule has been passed down all the time. It may be that they hope that the family will have more exchanges and stop being unfamiliar."

"But the Voidless Realm may not have thought that such gatherings failed to achieve results and even caused other disgusting issues." Guan Yanxin added another sentence.

The corner of Juetian's mouth twitched. More information came.

Some things can't be asked, so you have to talk about them yourself.

"What disgusting thing?" Jue Tian pulled Guan Yanxin to his side and caressed the delicate body with his palms. He would have already reached in if she wasn't wearing a long skirt.

Being gently stroked by Jue Tian, Guan Yanxin suddenly felt powerless. Fortunately, there were few people in the parking area, but it was very exciting.

"Too many to count; I don't usually attend such gatherings." Guan Yanxin only felt excited when she was with Jue Tian. It didn't mean that she was a slutty girl; she was relatively conservative but couldn't help when she saw Jue Tian bullying Dongfang Yuer.

Because as a woman, Guan Yanxin seems to really want to bully her. Listening to her begging for mercy is so refreshing.

Therefore, Jue Tian has found two treasures. If Lie Gu met them, he would definitely be jealous of Jue Tian's affair. When he does the job, he can get two unique women, which is very lucky!

Especially Dongfang Yuer, everyone, including Ye Hua, was envious of Jue Tian for having such a woman whose weakness radiates from her bone.

Dongfang Yuer gives the impression that...

Come on, everyone. A soft girl is here; come and bully her.

Bullying Dongfang Yuer is really cool, especially when he hears Yuer's low voice, begging for mercy; even Jue Tian is refreshed.

You know, Jue Tian has never had a good time.

Jue Tian didn't have mood swings before, but now he finds it refreshing to bully Dongfang Yuer, which is more interesting than killing people.

"Professor Jue~ Why do you always bully Yuer?" Guan Yanxin walked aside and supported Dongfang Yuer.

This made Dongfang Yuer very grateful; she was exhausted, and her whole body seemed to be floating.

Guan Yanxin added another sentence: "Even if you want to bully, call me."

Dongfang Yuer:" ..."

After speaking, she gave the soft and weak Dongfang Yuer a lengthy kiss.

Jue Tian didn't mind and said lightly, "Okay, let's go first, and play again tonight."

Play again?

This made Guan Yanxin's eyes shine, and Dongfang Yuer felt that she would be bullied again, so miserable...

Chapter 362

"Miss!"

"Miss!"

"Miss!"

The guards at the door shouted respectfully, but they thought it was a little strange.

Why is the young lady holding a red-faced, weak-looking beautiful girl in her arms? And looking at the appearance of the lady, it seems very evil.

The man next to him looked righteous and dignified.

Guan Yanxin supported Dongfang Yuer, nodded to the guards, and walked in.

Don't take Dongfang Yuer lightly. Of course, the daughter of an aristocratic family has some strength, but Dongfang Yuer doesn't have it, so she can only be at her mercy.

What a pity.

Jue Tian didn't want to take care of their "private affairs," so he looked around and was preparing a plan.

'I have a good idea. Dongfang Yuer is a family of Dongfang. If she can get a godly item, she will be able to run for it. However, I will also be suspected by two Madams. I still have to discuss this matter with Your Honor.'

"Yanxin, don't bully Yuer." Jue Tian glanced at her and said in a helpless tone.

He saw Guan Yanxin pressing Dongfang Yuer against the wall, enjoying Dongfang Yuer's cherry lips, and a pair of slender hands touching her frivolously.

Poor Dongfang Yuer, passively enjoying all this, feeling her soul has gone astray.

Hearing Jue Tian's words, Guan Yanxin stopped being frivolous, but seeing Dongfang Yuer's delicate and pitiful appearance; she wanted to bully her again.

Jue Tian protected Dongfang Yuer in his arms: "Okay, don't bully Yuer."

"Yuer, Professor Jue saved you." Guan Yanxin said with a smile; the latter buried her head deeply in Jue Tian's arms. 'This is not an ordinary tiger's den; I am worried that my body would be torn apart by them.'

Holding Dongfang Yuer, Jue Tian asked aloud, "Yuer, are you happy?"

Dongfang Yuer's face couldn't help blushing, and she couldn't help thinking about the past two days' events.

'But am I happy? Just that there seems to be a little bit of concern.'

"Professor Jue, can I make a request?" Dongfang Yuer said weakly; just because of this tone, he just wanted to bully her.

Jue Tian nodded: "Speak."

Dongfang Yuer whispered: "I...I am weak; can I stop Professor Jue..."

According to the experience of Lie Gu, women who say this are dissatisfied. A satisfied woman can't wait for you to be like this daily.

"No." Jue Tian felt that Dongfang Yuer was dissatisfied with him, and this was related to the success rate of his mission. He couldn't be sloppy, and it seemed he needed to give special care to her.

Dongfang Yuer is desperate...

But this desperate expression makes Jue Tian feel the urge to bully; this woman is suspected of bullying.

"Yuer, I will help you clear the family's grievances and make you the head of the aristocratic family." That's what Jue Tian planned.

But this is not the life Dongfang Yuer wants: "Professor Jue, thank you for what you have done for me, but I don't want to be the head of the family."

"Then what do you want to do?" Jue Tian asked.

"Let's live a stable life." Dongfang Yuer's wish is very common, study hard, find a stable job, find a man you like, and live a simple life.

But she was sold by her mother, but when she met Jue Tian, she was destined to not be normal in this life.

Jue Tian said lightly: "Yuer, you will have such a life."

Dongfang Yuer was shocked, and her heart was filled with sweetness.

In fact, she was willing to be bullied by Jue Tian like this, as he is her benefactor and the second person who treats her well.

Jue Tian can get full marks for this not-so-easy love story. If Ye Hua had such skills, Qing Ya and Baizhi would have become obedient rabbits.

It's a pity that Ye Hua wants to save face. In Ye Hua's words, "this deity will not say those disgusting love words!"

Qing Ya and Baizhi couldn't stand Ye Hua's temper if it weren't for their deep love for Ye Hua.

Soon the three of them arrived outside the banquet hall, and the guards informed them, and after being allowed to do so, the three of them walked towards the banquet hall.

The entire banquet hall was very grandly decorated. All the utensils on the table were all spiritual tools, even the red carpet on the ground. It can be concluded that the auction that day was selling things that the Ye family did not want. But for ordinary people, it can be regarded as a family treasure.

Guan Tong sat in the main seat; after all, the Guan family held this month's banquet.

Ye Xiao, Jiang Yuanzhou, Chu He, and a strange middle-aged woman!

This woman's appearance was strange because her face is not symmetrical. If such a face appears at night, it will definitely scare people to death.

She is the head of the Duan family! Her name is Duan Hou. As she cannot conceive, she has no children.

Of course, this was because of being harmed by others, so after changing her name to Duan Hou, her temperament also changed, and she likes to torture men, especially those handsome ones.

It seems that this woman is one with a story.

And when this Duan Hou saw Jue Tian, her eyes showed an interesting look.

"Father!" Guan Yanxin shouted softly, without losing face at all. Jue Tian was her heaven, a man who made her reach heaven.

Jue Tian is very arrogant; he just nodded to Guan Tong and still held other women!

The Jiang family knew the inside story; the other three families just heard about what happened last night.

Chu He said with a hearty smile: "Congratulations to Patriarch Guan, who has won this handsome son-in-law."

There is obviously a demeaning meaning in these words, a handsome son-in-law. Doesn't it mean that he has a little white face?[The literal meaning of small white face: A handsome, young, soft, somewhat feminine/metrosexual guy.]

"Isn't that someone from the Bai family?" Jiang Yuanzhou asked curiously.

Guan Yanxin added with a smile: "Sister Yuer broke away from the Bai family's control, regained her freedom."

For the noble family, this is nothing; it's just a concubine.

Guan Tong looked angry, his fat face was shaking, and his double chin looked disgusting.

Behind Chu He was naturally Chu Bo, a man who couldn't find his elder brother, and he was looking at Dongfang Yuer. At the auction that day, this girl was also there. Seeing her trembling appearance, he really wanted to bully her.

Not only Chu Bo thinks this way, but everyone here thinks this way. That delicate appearance can make people pity, but this is for ordinary people; for them, there is also an urge to bully. In the face of bullying, such a girl must be very energetic when rubbed and abused.

That's right; even Jue Tian felt this way, especially Dong Fang Yuer's low-pitched begging for mercy, that helpless expression, and the expression of biting his lips; the scene was so refreshing.

Guan Tong thought his son had already succeeded, but Jue Tian is still alive, and he even came here!

If there were not so many people around, he would have killed him directly!

Guan Yanxin and Jue Tian sat in the back seat, surrounded by the Guan family's children; they were all talking about Guan Yanxin, laughing at Guan Yanxin, saying that the Family head would no longer favor her.

Chapter 363

As the Family Head did not let his daughter sit behind him, it was enough evidence.

Guan Yanxin didn't mind; this kind of life is boring. Life with Jue Tian is full of excitement and temptation. 'I like Jue Tian conquering myself, even more; it's so manly!

Sitting in the back row, Jue Tian and Guan Yanxin did not continue to bully Dongfang Yuer; after all, there were many people.

Guan Yanxin showed her concern. Knowing that Dongfang Yuer was very delicate, she probably didn't even have enough strength to raise her hand now. She peeled the fruit and gave it to Dongfang Yuer to replenish her strength so that she could go back in the evening to continue bullying her.

Dongfang Yu'er was very grateful. She was bullied by Jue Tian four or five times today and she lost her energy.

"Hey, what is my brother secretly talking about?" Guan Yanxin saw her brother Guan Li walking up to her father and whispering, darkening her father's face.

Jue Tian silently took a sip of tea; this alibi should be okay.

Next, we will see the Bai family's reaction!

Whether something happens tonight depends on how much Bai Cixin loves her brother!

At this moment, a funeral is being held in the Bai Family Castle, and each family owner sends their sincere condolences.

Among them was a young man who was looking around.

This is Dou Fushi, who hasn't appeared for a long time. Jue Tian needs a strange face to say a few words to Bai's house today, but in the team, the two Madams seem to have not seen Dou Fushi.

Dou Fushi received the order of the black robe elder brother today and immediately came to Zijin City. He killed the younger brother who came to send his condolences on behalf of the Tang Family and took his place.

At this time, Doufushi was no longer the boy who only knew how to catch ghosts. Even giants had to surrender against him, let alone a small family. Such a task was not difficult at all, yet his sister-in-law (Xun Fang) told him to be careful.

"A guest is here!"

Dou Fushi opened the wreath in his hand and shouted in a deep voice, "Blessings from the Tang family in the north, bah, I meant condolences!"

Bai Cixin, wearing white gauze, slowly raised her head and looked at Dou Fushi, her beautiful eyes showing a murderous intent.

Wang Dabao was also staring at Dou Fushi.

This Tang family came to send their condolences. There is a deep irony.

Dou Fu Shi swallowed his saliva, 'I'm not afraid... I'm not afraid of anything... Just follow the lines...'

"Cough! Family Head Bai doesn't need to be sad; Patriarch Tang said that it is also a good thing that there is less cancer in society, which will help avoid more tragedies in the future."

"The head also said he is sorry for Bai Qi's death and hopes that Family Head Bai will mourn and give birth to a precious child. Don't teach the child to behave like that and jump off the building to commit suicide."

After finishing speaking, Dou Fushi breathed a sigh of relief, 'today's task was completed, but this woman looked at her in tears; could it be that she was moved by my charm?'

Alas, Family Head Bai is too frivolous, but if she really wants to be frivolous, he will symbolically resist and then accept his fate.

The mourning hall suddenly blew a gloomy cold wind.

Dou Fushi saw a dark tower in Bai Cixin's hand!

A ferocious black mist attacked him, and his consciousness became blurred.

'Wasn't there supposed to be no threat?'

'Why is this happening?'

'I was deceived by the black robe, big brother! It's no wonder that before leaving, my sister-in-law also asked me to be careful. It seems that my sister-in-law still loves me.'

Bai Cixin blatantly used the godly item to kill people in her younger brother's mourning hall. The people around were stunned, feeling that something big was going to happen tonight!

Bai Cixin stood up slowly and shouted in a deep voice: "The Tang family is too deceiving! My Bai family and the Tang family are at odds with each other!"

In such a fight, a typical family would dare to get involved for fear of being implicated. After all, Bai Cixin is now disregarding the order of the Voidless Realm.

Wang Dabao is not a coward; of course, he supports his wife.

"Xiao Yi! Do you dare to go to the Tang family with me!" Xiao Yi, who was sitting on the side, pondered. If Tang Wushuang took the seat of the aristocratic family, he would definitely not have had a good life!

'After destroying the Tang family tonight, Bai Cixin will also be punished by the Voidless Realm, and she wouldn't be able to escape, but at least the crime is lighter, and it can eradicate future threats, which is a good choice! And there are two godly items. Am I still afraid of his small Tang family?'

"Yes!" Xiao Yi chose to destroy the Tang family to avoid future troubles!

Bai Cixin said to the patriarchs: "After tonight, you can say whatever you want, but if someone goes to inform the Tang Family about this, they can prepare to withstand the wrath of the Bai Family.

Of course, nobody will go and inform the Tang Family about this, lest they suffer the wrath of the Bai Family. After all, this is human nature.

The Tang family went too far, and they even sent people over to ridicule them.

Bai Cixin took the Bai family to kill the Tang family, and of course, Wang Dabao and Xiao Yi came along too. A battle tonight was inevitable!

The people in the mourning hall gradually dispersed, leaving only the depressed face of Dou Fushi.

In a flash, the Death Mage suddenly appeared, took Dou Fushi away, and transmitted a little black mist of healing.

Dou Fushi woke up immediately.

"Woohoo, you scared this baby to death, brother; you said there was no danger."

The thrill of death is simply too terrifying.

Xun Fang came over with a bowl of porridge: "Drink some porridge; today's task was well done."

Dou Fushi took it with joy: "Thank you, sister-in-law." It's still his sister-in-law who treats him well. It seems that my sister-in-law is obsessed with me, but can't express herself.

In the Tang family manor, Tang Wushuang was sitting in front of the dressing table, and his two wives were helping him with makeup!

Their expression was not unusual. Although they were lost, it was better than seeing their husband slumped.

“Am I beautiful?” Tang Wushuang’s voice changed completely, and his face also changed; everything changed!

Quan Anrong looked at her husband in the mirror and took a deep breath because his appearance was getting better every day, and he was about to compare herself.

And there was a coy look between his eyebrows...

“Beautiful.” Quan Anrong couldn’t imagine her life. Mu Jieya on the side was the same; her husband had become so beautiful, and she had to keep smiling.

Tang Wushuang stretched out his slender fingers and stroked his pretty face. He was pleased. It turned out that it was such a feeling to become a woman; it was terrific!

It seems that his mentality changed.

Suddenly, Bai Cixin’s shout sounded outside the house: “Tang Wushuang! Get out of here and pay for my brother’s life!”

Tang Wushuang frowned and snorted: “Ignorant woman!”

“Wushuang...”The two wives called out worriedly.

Tang Wushuang said softly: “You stay at home and wait for me to kill that poniang!” [Poniang is a derogatory term used for women. It means ferocious old woman]

“Be careful.”

Tang Wushuang’s current strength is much higher than before. If it used to be a Santana, it is now a Porsche.

Looking at Bai Cixin, Xiao Yi, Wang Dabao, and the others in front of him, Tang Wushuang shouted: “Why are you looking for me?”

“Tell Tang Wushuang to get out of here!” Bai Ci said coldly; she didn’t even recognize that the beautiful woman in front of her was Tang Wushuang, the former soldier king who became a young lady.

Chapter 364

“I am Tang Wushuang!”

As soon as these words came out, half of the Bai family was stunned!

Looking at this beautiful woman in front of them, she... is she Tang Wushuang?

Xiao Yi stepped forward and shouted: “Don’t try to act clever and tell Tang Wushuang to come out!”

“I am Tang Wushuang!” Tang Wushuang was also very angry; no one believed him!

He can only take out his godly item Mound Pierce!

After getting confirmation from the Voidless Realm, this Mound Pierce was returned to Tang Wushuang.

Everyone looked at the godly item in Tang Wushuang's hands and rubbed their eyes. Is this really Tang Wushuang?

After all, the godly item will only appear in the hands of its master. Who would give it to others?

"Are you really Tang Wushuang?" Wang Dabao couldn't believe it; such a woman was on the same level as his wife, my God...

And how did Tang Wushuang's chest muscles become so big?

Tang Wushuang's pretty face was calm, and he suddenly released an earth-shattering aura, which stunned the Bai family!

If this is not Tang Wushuang, then who is it?

Bai Cixin said with murderous intent, "Whether you are Tang Wushuang or not, I'm going to wash the Tang family with blood today!"

"Bai Cixin, are you ill? Voidless Realm has forbidden any bloodshed!"

"So what? So what, you asked someone to come and humiliate my Bai Family, I will take my revenge today!" The Nine Demon Xingta had already appeared in Bai Cixin's hands, Wang Dabao wore a set of shining golden armor from the system, and Xiao Yi took out his Xuan Yuan sword!

Tang Wushuang thought of the people he sent out, and said in a deep voice, "Where are my people?" "Dead!"

"You dare to kill my brother-in-law!" Tang Wushuang suddenly exuded a fierce murderous aura.

"Not only did I kill your brother-in-law, but I will also kill your whole family."

The Bai family obeyed the order and slaughtered the Tang family!

Bai Cixin did all this to avenge her younger brother, which shows how much she valued him.

Tang Wushuang didn't expect it to be like this. He indeed sent someone to tease the Bai Family during the mourning today, but he didn't expect such a result.

But Tang Wushuang didn't hesitate, shouting: "The Tang family; go and slaughter these people!"

The two sides immediately started killing each other, while Tang Wushuang could fight three people at once! It can be seen that this practice is excellent!

In the villa, Gui Chengren was standing at the window, looking at the situation outside, when his phone suddenly rang.

"Ohh, it's updated."

Jue Tian received the information when he attended the banquet. The corners of his mouth rose slightly, and he felt very comfortable. His guess was correct! Bai Cixin loved her younger brother dearly, and even gave up her position in the aristocratic family to avenge her younger brother! For a woman who likes power, this choice is really admirable!

But for Jue Tian, it's just a task. He is happy that she can be fooled, but it doesn't matter if she couldn't be fooled; he naturally had other methods.

Now he only needs an opportunity; everything is so natural...

Being a little happy, Jue Tian hugged Dongfang Yu'er in his arms and audaciously started touching her.

"Professor Jue, don't~ let's go home first..." Dongfang Yuer said pitifully. That delicate appearance distressed people, but it also made them want to continue bullying.

Jue Tian nodded and said in a low voice, "Don't wear such a long skirt next time you go out."

"..."

Guan Yanxin on the side said tenderly, "Then I will not even wear panties."

"Yes." Jue Tian said seriously as if discussing a severe issue.

At the banquet, Duan Hou raised her head, drank a glass of wine, and asked, "Ye Xiao, I heard that your son disappeared along with the holy doctor."

"Young master of the Chu family does not have high social ethics. We need to investigate this matter carefully. The crime of murdering the son of an aristocratic family is not trivial." Duan Hou's remarks were meant to sow discord, but it was the truth.

Jue Tian, sitting below, caressed Dongfang Yu'er, listening to their conversation, feeling amused in his heart.

Chu He said in a deep voice: "My son will not do such a thing! Duan Hou, you should pay attention to your words."

Duan Hou said lightly: "But I heard that after the banquet, Young Master Chu took two girls away, and these two girls were very eye-catching!"

Ye Xiao and Chu He's eyes sank!

It was because there were no such women in Chu Bo's confession!

"Chu Bo! Is what Duan Hou said true!" Chu He asked angrily.

Chu Bo felt uneasy. He didn't know if anyone saw the Qing sisters getting into the car that day. Could it be that someone saw it?

If someone saw it, wouldn't it be troublesome?

After all, they would go and trouble the Qing sisters.

"Chu Bo! I'm asking you something!" Chu He shouted again.

“Yes!”

The Family Head took a deep breath!

Because this is related to robbing women, Ye Tai and the holy doctor may have suffered misfortune. This wicked Chu Bo must have killed them, but there is no proof!

However, Chu Bo still didn’t know that the two of them were already dead!

“But I didn’t kill them. They tried to force the girls, and I was injured trying to save them. Fortunately, they helped me out, and I was able to save my life! But we didn’t kill them at that time!”

Chu Bo’s current talk is not convincing at all, and it is full of loopholes. How could the two women be the opponents of Ye Tai and the holy doctor?

Ye Xiao said to Chu He: “Old Chu!”

Chu He said in a deep voice, “Maybe those two women blamed the child? Isn’t it right Chu Bo?”

Chu Bo knew his father was helping him, but those two ladies couldn’t afford to offend them.”

“No, they are strong, but they are good people.” Chu Bo hurriedly explained, telling everyone not to mess with them.

Ye Xiao said in a deep voice, “Looks like I have to invite them as guests!”

“Evil son!” Chu He shouted, pretending to be angry. His son definitely didn’t kill anyone. It was concluded that someone framed him.

Boom! Boom! Boom!

Suddenly, a bell was ringing within the entire Guan family.

Guan Tong stood up abruptly: “Guard! What happened?”

A guard hurried in and said in a panic: “Family Head! Here comes the assassin! The eldest son...”

“What happened to Guan Li?” Guan Tong’s originally small eyes suddenly widened.

“The eldest son was assassinated!”

The whole banquet fell silent!

The son of an aristocratic family was assassinated at home! This is a live slap on the face!

It’s a shame for the Guan family!

“Where is the assassin?” Guan Tong exclaimed.

“The assassin is still fleeing.” He had just finished speaking when a dark shadow quickly passed through the sky.

Guan Tong chased after him without thinking. The other four patriarchs paused and followed!

Jue Tian comforted Guan Yanxin, who was crying bitterly. 'Your brother was there to kill me. In order to keep you from getting tangled and to get an alibi for you. This is the only way.'

Chapter 365

"Yanxin, let's go and catch the murderer." Jue Tian said lightly and was immediately followed up by the two girls.

One can see a black shadow running away, followed by the five great family patriarchs!

This situation is unprecedented.

Jue Tian at the back hugged the two women and followed them unhurriedly. 'What happened tonight would make the two Madams distressed again. If the two Madams listened to Your Honor's words, they wouldn't have to worry about these things.'

Blood flowed from the Tang Family Manor like water flowing in a river.

The ground is full of corpses from both sides, littered with stumps and broken arms!

Tang Wushuang was also seriously injured; blood flowed down his arms.

Bai Cixin, Wang Dabao, and Xiao Yi all had different injuries on their bodies, but they were only superficial injuries. Nothing to be afraid of!

It seems that against all three of them joining forces, Tang Wushuang couldn't stand his ground.

"Tang Wushuang! Anrong is going to die!"

He saw several wives running out of the big villa. Quan Anrong's face was pale; despite no wounds appearing on her body, she seemed convulsed by a spell!

This is the wronged soul of the Nine Demons Xingta!

Tang Wushuang's complexion changed dramatically, and he quickly ran to his beloved wife.

The godly weapon that fell on the ground suddenly disappeared. Gui Chengren put away the ancient godly item, shook his head, and prepared to leave.

"Anrong!" Tang Wushuang shouted tenderly.

The ghost entangled Quan Anrong's delicate body, her face was painful, and she was about to die.

Tang Wushuang was in a panic. He hurriedly shouted at Bai Cixin in the air: "Bai Cixin, your hatred is against me! Don't bring my woman into this ordeal!"

"Tang Wushuang! What about you? Why did you kill my brother?" Bai Cixin has no intention of letting go. You killed my brother, and now I will kill your woman, so you can experience the pain of losing a loved one!

Xiao Yi, on the side, looked at Tang Wushuang in the distance; he recognized this helpless appearance. That night, he experienced the same pain.

What is the difference between him and the Black Robe? Irony! Great Irony!

Tang Wushuang saw that his beloved wife was getting weaker and weaker. He turned around, knelt to Bai Cixin, and said: "Bai Cixin! Take my life and let my woman go."

"Don't even think about it! I want you to watch her die.

"You!!!"

Mu Jieya cried out, "Wushuang, Anrong..."

Tang Wushuang looked back; his beloved wife was gone; those beautiful eyes looked at him...

She stretched out her hand as if she didn't want to give in!

"Anrong... Anrong..."

Tang Wushuang hugged his beloved wife, feeling the familiar smell; Tang Wushuang let out a painful wailing; the lonely voice made Xiao Yi's face gloomy; he couldn't help thinking about the day Xinyi died in his arms!

"Bai Cixin! I want your life!" Tang Wushuang suddenly burst out with a terrifying aura!

A pretty face appeared with black silk lines, which became hideous and terrifying, and the skin grew sharp teeth, making people feel goosebumps.

The spiritual pressure emanating from his body was even stronger than before. Bai Cixin and the others' faces sank; what kind of monster is this?

At this moment... a black shadow suddenly appeared in the center of the two sides and stopped!

The head of the five aristocratic families suddenly appeared on the scene, frowning at the scene in front of them; these Tang and Bai families were fighting!

The casualties were so horrific!

Bai Cixin and Xiao Yi were a little surprised when they saw the five heads who came here. They came too fast!

When Tang Wushuang saw the five aristocratic family heads coming, the hideousness on his face gradually faded, and he returned to his delicate appearance. He immediately knelt on the ground and pleaded, "Patriarchs! This Bai Cixin has a vicious heart! She killed my beloved wife, and destroyed my Tang family! Please give me justice!"

Bai Cixin hurriedly explained: "Patriarchs! This Tang Wushuang sent people to make trouble in my brother's mourning hall and insult my Bai family!"

"Then was my brother-in-law not killed by you?" Tang Wushuang shouted.

"I'm going to kill your whole family!"

The two families held their grievances.

Ye Xiao shouted, "Quiet!"

At this moment, everyone saw the man in black in the middle, who seemed very weak.

Guan Tong asked coldly, "Who sent you to kill my son?"

The Tang and Bai family were surprised. This man in black killed the son of an aristocratic family?

This is too ballsy!

The man in black seemed to know that he couldn't run away and looked deeply at the four patriarchs standing together. This look seemed to tell Guan Tong that the murderer was one of these four!

And the face of the four great family patriarchs also changed; this is blatant framing!

The man in black slapped himself sharply.

"Don't!" Guan Tong tried to stop him. But from the looks of it, the shadow man turned into a bloody mist and fell to the ground.

The air seemed to freeze; Guan Tong slowly turned his head to look at the other four patriarchs: "Who? Who is responsible?"

Jiang Yuanzhou said sincerely: "Patriarch Guan, please calm down!"

"Jiang Yuanzhou, is it you? Yesterday I caused you to lose face, and today you killed my son!"

Jiang Yuanzhou couldn't stand such a frame and shouted, "Guan Tong! Don't accuse people without evidence!"

"You all are suspicious; I will report this matter to the Voidless Realm, and let them give justice to the Guan family!" Guan Tong left after saying that!

The other four patriarchs looked at the Tang and Bai families, and Chu He said in a deep voice, "Wait for the judgment of the Voidless Realm!"

The four patriarchs left quickly.

Bai Cixin clenched her white teeth and shouted: "Withdraw!"

"Matriarch Bai!" Xiao Yi shouted; 'letting go of this Tang Wushuang?'

"Patriarch Xiao, the aristocratic family has already intervened. If we fight again, it would be a big crime worthy of Family extermination!" Bai Cixin left with Wang Dabao after saying that.

She was afraid of the former and utterly disrespectful to the latter.

Xiao Yi looked at Tang Wushuang who was hugging his wife, sighed, and turned to leave. He didn't kill him today, but he still had to wait for the punishment from the Voidless Realm. What bad luck is this?

Xiao Yi left the Tang family unwillingly.

Tang Wushuang walked into the house with the body of his beloved wife; this hatred is getting bigger and bigger!

On the other hand, Jue Tian was holding Dongfang Yuer and Guan Yanxin, who were already unconscious, as it was better not to let them see some things.

Looking at the faint rays of light emanating from the woods, Jue Tian hugged the two girls and walked towards the light source.

Gui Chengren, who was reading the novel, suddenly stopped, turned off the phone, and asked, "What's the matter with you?"

Jue Tian put down the two girls, stroked their eyes, and said lightly, "Lend me that dagger."

Gui Chengren turned around and looked at Jue Tian: "Why?"

"Because it's not yours." Jue Tian looked at Gui Chengren coldly as he didn't have a favorable impression of this person.

Gui Chengren chuckled: "I've seen arrogant people, but I rarely see someone as arrogant as you!"

"It seems my arrogance has not disappointed you. Do you want to fight?" Jue Tian asked curiously.

"As you wish!"

Chapter 366

After setting up a barrier to protect the two women, Jue Tian stroked their eyes and said lightly, "If I move one step today, I will lose!"

Crazy!

Too crazy!

Gui Chengren has never seen a man pretending to be so arrogant to say such a thing!

"Okay! You can take my life if I can't kill you today!"

"Okay."

A breeze blew, some leaves fell slowly, and the branches made a squeaking sound, which reminded Jue Tian to finish it quickly, go back and let them surrender to him.

Gui Chengren took out the godly item Mound Pierce!

Although it is just a dagger, its power should not be underestimated. Back then, Tang Wushuang used it to pierce Xiao Yi's armor; cutting iron like mud is no exaggeration!

And this Gui Chengren seems to have a more thorough understanding of Mound Pierce!

"Mound Pierce!" As Gui Chengren shouted, the spiritual energy in his body gradually dissipated, and got sucked into Mound Pierce.

Mound Pierce is like a three-year-old child, greedily sucking in the spiritual energy, making its body brighter and brighter.

“Spirit Demon!” Gui Chengren raised the godly item with both hands.

A dark cloud suddenly condensed above.

Boom! Boom! Boom!

The sound of thunder suddenly rang out, and the thunder slammed down one after another, and the thorn mausoleum was like a lightning rod, absorbing the power of the lightning.

“Death by a thousand cuts!”

A more powerful spiritual energy poured out from Gui Chengren’s body, gradually turning tangent, forming a small white ball!

Gui Chengren bit his finger, and a drop of blood slowly merged with the white aura ball!

At that moment, the white aura ball turned red and fused with Mound Pierce.

At this time, the white and red Mound Pierce, exuded an intimidating aura, like the roar of myriad beasts. It seemed that the world’s end was coming in front of Jue Tian. These godly items are even more ferocious!

Mound Pierce surpassed the godly item level, piquing Jue Tian’s curiosity.

After using these blessings, this Gui Chengren is obviously stronger: “After years of comprehension, I have applied what I have learned, developing this trick! This dagger can even kill the queen!”

After many years of comprehension, apply what you have learned; this is all learned by Gui Chengren from reading novels.

‘Initially, I was just a little curious, but I didn’t expect it to be successful. Reading novels is a good thing.’

Jue Tian nodded; this person is indeed quite powerful, especially with this trick.

“Tell me! What’s your aim? I’ll leave you with a whole corpse!” Gui Chengren asked.

Jue Tian calmly said: “To get your dagger.”

“Why do you want my dagger?” Gui Chengren asked curiously.

“My maid is a member of the Dongfang family. As her master, I naturally want to help her settle her grievances.”

“Humph! What a big tone! To wash away the grievances of the Dongfang family. I want to see if you have the ability!” Gui Chengren’s eyes squinted, the aura of his body climbed again, and madness swept the scene, making a banging noise.

Gui Chengren turned into a black afterimage, attacking Jue Tian with a death aura. The speed was astonishing, and it was matched with the godly item. Meet gods, slay gods. Meet Buddha, slay Buddha!

Unfortunately, his opponent is Jue Tian!

The brain of the seven deadly sins! The most powerful subordinate of Ye Hua!

Jue Tian slowly raised his hand and stretched out his index finger!

The index finger reveals his cat's paw, which glowed like silver in the moonlight.

Ding!

The cat's paw and the Mound Pierce met, making a dull sound, which sounded particularly harsh, but this sound changed into a sharp noise, seemingly wanting to sweep all around, cutting all the trees in the process.

"This dagger doesn't even count as a nail clipper." Jue Tian said indifferently as he looked absent-minded.

Gui Chengren stared blankly at the man in front of him; this is impossible! His attack just surpassed the power of godly items; how could his fingernails block it?

'This is impossible; the protagonists in the novel are not so perverted!'[Perverted means overpowered.]

The Mound Pierce, in his hand, fell weakly on the ground. Jue Tian stretched out his palm, and Mound Pierce slowly descended into the palm of his hand.

Gui Chengren collapsed on the ground and asked absentmindedly, "Can you really clean up the grievances of the Dongfang family?"

"I never lie." Jue Tian said with his hands behind his back, his tone lowered a little, and he imitated Ye Hua again.

Gui Chengren seemed to be at ease, and said lightly: "Come on! End my life!"

"Okay."

The dagger slammed, pierced through Gui Chengren's heart, and returned to his hand.

Gui Chengren stared blankly at the bleeding from his chest; then looked at Jue Tian, and thought, why didn't this man follow the routine?

'Shouldn't he be curious? Shouldn't he ask first? Isn't he surprised by my expression at all? Why would he kill me without a thought?'

"Do you have anything else to say?"

Gui Chengren: "..."

MD, I'm going to die, and you ask this now?[MD-Fuck your mother's v***na.]

"I am also a member of the Dongfang Aristocratic Family. Back then, I was the guard beside the Patriarch. The Patriarch knew that something big was about to happen, so he ordered me to take away the real godly item and find a chance to take revenge. I thought the Tang family would be able to squeeze into the aristocratic family, but I didn't expect Bai Qi's death to let my plans go down the drain. Bai Cixin is so crazy; the Tang family is hopeless now." Gui Chengren said in a deep voice, clutching his chest.

After Jue Tian heard it: "Oh."

'Oh? You just oh? Shouldn't my actions move you? Then use the fastest method to cure me, and then join forces to deal with the five aristocratic families? Can't you follow the routine of the novel? I'm going to die!'

Jue Tian is not interested in such a thing, and he just took the dagger and turned around to support the two girls.

Gui Chengren was shocked; what does this mean?

"Hey, aren't you going to save me?" Gui Chengren couldn't believe it. In the novels, the other person will save such a person. After all, they all had the same goal!

Jue Tian said lightly, "Why?"

"I'm also a member of the Dongfang Family!"

"So?" Jue Tian asked curiously.

Puff.

Gui Chengren spat out a mouthful of blood.

"If she realizes that you killed a loyal guard of the Dongfang family; she will hate you for the rest of her life."

"Don't worry; she won't know." Jue Tian thought silently. He said the same thing to Guan Yanxin's brother.

Gui Chengren suddenly spits another mouthful of blood; 'this TMD is not human!' [TMD is a typical Chinese insult Tā Mā De, which literally means 'his mother's,']

'If he appears in a novel, he must be a big villain! And it's the kind of big villain that even the protagonist can't beat!'

Gui Chengren took a deep breath and wanted to take the phone out of his hand, but he had no strength.

"Can you do me a favor and take out my phone? I want to see if the novel has been updated."

Jue Tian thought this person was a little interesting and said lightly, "No help."

"..."

He struggled to take out his phone and opened the novel's last chapter.

'The author is working hard, so please look forward to the subsequent chapters.'

Chapter 367

Black lines appeared on Gui Chengren's forehead, his eyes wide open. He cursed: "CNM scumbag, I can't even enjoy my last moments to read the last chapter! Even if I become a ghost, I won't let you go." [CNM-F*** your mother]

With a roar, Gui Chengren's face became even paler; the blood in his chest seemed to have found an outlet and flowed out in great quantity.

Gui Chengren wrote a comment and posted it. Then he crushed his phone and looked at the dark sky.

"In the next life, I, your father, want to be the author and tease you all!"

Somewhere else.

A young man took out his mobile phone, glanced at the comment peacefully, and deleted it.

Taking a deep breath, he pushed the door in front of him.

The room layout was straightforward: bookshelves surrounded by the wall, and a faint scent of paper permeated the room.

A well-dressed man stood by the window, holding a book in his right hand, while the soft moonlight shone on his body, making him look extraordinarily mysterious.

"Mission failed."

After listening, the man continued to look at the book, stretched out his slender fingers, and flipped through it gently.

The slight sound of flipping the book sounded in the room, which was very ordinary, but in this environment, it made people feel pressured as if a big stone was pressing on their chest, and feel difficulty breathing.

The man did not leave, hunched over, waiting for orders.

The man in Chinese clothes continued to read the book. The sound of flipping books sounded from time to time in the room.

(After an incalculable period of time)

snap

The man closed the book, turned around slowly, frowning, and asked aloud, "Wu Liu, when did you come?"

"Two hours ago," Wu Liu said.

The man snorted and asked, "Why didn't you call me?"

"I dare not."

"Oh, you guys, you are so timid." The man seemed helpless.

While Wu Liu complained in his heart, 'if we don't act timidly in front of you, how will you act cool?'

The man sat at the desk, turned on the computer, logged into the game, and played Lianlian kan.[Chinese game]

"What's the matter so late?" the man asked, holding his chin.

“Gui Chengren failed.”

“I said earlier that your plan would not work. These three giants are not under our control; we can not interfere in their affairs.” The man said lightly.

Wu Liu lowered his head and said in panic: “I’m in the wrong!”

“It’s good that you understand. Our task is to monitor those reincarnates and regressors. In recent years, the Void has been unstable. Reincarnates and regressors have gathered together. It will make our work even more difficult.”

Thinking of this, the man seemed a little impatient: “F*ck, the workload has increased, yet the wages remain the same. This enterprise will close down sooner or later!”

“Boss, recently everyone complained that those reincarnates and transmigrates have decent strength. The unlucky ones are easy to catch before their skills are restored. But the lucky ones are the ones who are difficult to catch. Additionally, compensation for work-related injuries is not high. Everyone’s mood is a little fluctuating.”

“I have already reported this matter, but the General Administration has yet to reply.” The man said while looking at the computer screen.

“Boss, what are we going to do now?” Wu Liu asked tentatively.

The man raised his hand: “Let’s pick some unlucky ones first. Let’s monitor the powerful ones, and then we will catch them all.”

“Yes!”

“How is the situation in Long’an City?” The man asked curiously.

Wu Liu smiled confidently: “Don’t worry, boss, those people accidentally angered the child last time. I arranged for them to retreat overnight and then arranged some people to deceive them even further.”

The man nodded and said: “This man brought two people across five years ago, but he has been staying at home since. He even has connections with the Queen of Voidless Realm. This guy is really lucky.”

“There is also this Qing Ya, and even I’m amazed by her beauty.

Wu Liu said deeply, “Boss, although this boss has been staying at home, I think his hands are deep in the current scenario.”

The man sighed lightly: “Then raise his danger level by one level.”

The man opened the document and found the A-level personnel.

Ye Hua’s name is in it.

Copy.

Then paste it into the S level.

There were a few acquaintances in this S rank. For example, Xiao Yi, Chen Xuanzong, etc.

There are even SS and SSS levels of danger in the folder.

Spicy chickens like Wei Chang and Lie Gu have a risk factor of E.

Jue Tian's risk factor is only F-level.

The risk factor for Ye Zizi is a little higher, reaching the B level.

There is even Long Aotian's name; the risk factor is G-level, the last one.

"Recently, I asked the brothers to keep their spirits up. When the General Administration issues the equipment and funds, we will catch them one by one." The man yawned and looked at the time. It was three o'clock in the evening, and it was time to go to bed.

"Yes!"

"Go on."

"By the way, Nangong Xinyi, who was arranged by Xiao Yi's side, has not shown her face for a long time. Check on what happened."

"Yes!"

"Also, make some arrangements on Chen Xuanzong's side."

"Yes."

This group belongs to an official team, and this is just a branch.

Time and Space Bureau.

They specialize in arresting the reincarnates and regressors. As long as someone is reincarnated or regressed, they will send someone to arrest them. Most people who crossed over are weak, and their strength has not recovered to their peak.

Work is relatively easy.

But some people are lucky, such as Xiao Yi and Chen Xuanzong, who reincarnated with strength.

So these people need to be monitored and will be caught when the time is ripe. After that, they will be sent back after destroying their skills.

However, Ye Hua never imagined that his risk factor was only A-level, and he has only been upgraded to S-level until now.

You all are blind; this deity is a murderous demon!

If you want to evaluate the risk factor, the deity is definitely the first!

No need to argue on that!

Jue Tian sent the two girls back to the staff dormitory and went to report today's news.

Ye Hua had already slept, but when he knew Jue Tian came to report, he became an insomniac.

Because I wanted to teach them a lesson, and wait for them to come back with apologetic eyes.

Jue Tian reported the events one by one and expressed some of his thoughts.

“Good! Very good!” Ye Hua was delighted after hearing this. Job well done!

He messed up the family’s election and made the family’s relationship tenser.

“Jue Tian, they are guessing at best, but there is no evidence to prove that you are my subordinate.” Ye Hua was very excited, thinking they would surrender and return after a while.

I still have one more big move. The longevity fruit will make everyone crazy.

Although I’m still angry, I don’t want to expose everything at once. After all, this is a rare opportunity to teach them a valuable lesson.

“Don’t worry, Your Honor, the two Madams won’t find any evidence.” Jue Tian said confidently.

Chapter 368

“Very good! This deity is pleased.”

Jue Tian respectfully said: “Your Honor, it is important to respect your words. It is heaven’s will to do things for Your Honor. Your subordinates do not dare to take any credit.”

Ye Hua patted Jue Tian’s shoulder: “Okay, go back and comfort those women.”

“This subordinate understands.”

Ye Hua raised his hand, and Jue Tian disappeared from the office.

‘I can get a good night’s sleep tonight. It’s not that easy to be a good person.’

A good person has to go through ninety-nine-eighty-one(9981) hardships to become Buddha. And for bad people to become Buddhas, just put down the butcher’s knife.

It was morning in the Voidless Realm: The lingering fairy mist, an elegant environment; akin to a fairyland.

Donghuang Baizhi, in the bedroom, pursed her lips and turned over. Her jade arm seemed to want to hug someone, but the only thing she hugged was empty air.

Slowly opening her beautiful eyes, she found herself sleeping on the familiar imperial bed. She was used to Ye Hua sleeping beside her, but suddenly he was gone, making her a little unaccustomed.

“Your Majesty, the elders are already waiting in the hall.” A maid said behind the curtain.

Donghuang Baizhi stood up, while the four maids hurried forward, putting the royal robe on her delicate body. While the others immediately prepared clean water. The other two combed her hair in buns, and finally put on the crown.

Her Majesty is ready. Her pretty face was full of sublime majesty, and her beautiful eyes were calm but stern.

The maids around were hunched over, not daring to look directly at her face. Even still, they could also feel her majesty's aura.

Walking out of the dormitory, a group of people in golden robes and silver armor followed.

The brushing sound resounded through the Voidless Realm as if telling everyone in the Voidless Realm that the Queen woke up!

At this time, all the people looked at the highest mountain and immediately bowed.

Donghuang Baizhi has become accustomed to this way of life, striding towards the palace while enjoying the worship of everyone along the way.

She slowly stepped in front of the throne— not sitting down.

Yuan De and the others standing below shouted in unison: "Long live Your Majesty!"

"Stand up." Donghuang Baizhi raised her jade arm and sat down immediately.

"Thank you, Your Majesty." More than a dozen people stood up, bowed their heads slightly, and would not look directly at the Queen's face.

"What happened this early?" Donghuang Baizhi asked lightly.

Yuan De and the others were taken aback for a moment. Her Lady Queen would not have said this before. It's Ye Hua's fault for pampering her. These days, she slept with Ye Hua until 10 am, making her lazy. So now she wakes up very angrily.

Xing Han cupped his hands and said: "Your Majesty, last night, two major events happened in the north, and we hope that Your Majesty will take a look at this matter."

Donghuang Baizhi sighed slightly; 'what happened this time?'

'Why haven't there been so many things before? It's only been two days since I ran away from home!'

'Can I at least leave home peacefully?'

'It must be that cheap stake, Ye Hua.'

"What's wrong?" Donghuang Baizhi asked lightly.

He Xuan said respectfully: "Last night, the heir of the Guan family was assassinated at home! It just so happened that the heads of the five aristocratic families were at a party and found the murderers all chasing after them. Unexpectedly, they encountered a bloodbath between the two campaigning families. Both sides suffered heavy losses. Just before the murderer's death, he looked at the patriarchs of the four great families. Guan Tong thought that the murder must have been arranged by one of the other four families!"

Donghuang Baizhi: "..."

“Yuan De, tell me again! Be more detailed!” Donghuang Baizhi said coldly, ‘What is this? First, there is a murderer; secondly, there is a bloody fight between the two campaigning families.’ Donghuang Baizhi feels like her head is going to explode.

If Ye Hua could see Donghuang Baizhi like this, it would definitely be cool.

Isn’t it cool to run away? If you have the ability, stay outside for the rest of your life!

Yuan De told the detailed story once, which made Donghuang Baizhi very angry. The Tang and Bai family are really disobedient!

Even going against the words of this queen!

At this time, Yu Quan, who was standing at the end, cupped his hands and said, “Your Majesty, regarding the bloody fight against the family, it seems that Tang Wushuang sent people to the mourning hall to make trouble, and Bai Cixin led people to kill the Tang family.”

Donghuang Baizhi said in a deep voice after hearing this. : “Let’s rest for an hour first, and then continue the discussion!”

“Yes!”

The former Donghuang Baizhi was very decisive, but it changed since she had a man. It seemed that everything depended on Ye Hua. He does what he says!

‘Now that Ye Hua is gone, it seems weird, but I can still consult with Qing Ya; after all, such a thing has never happened.

~Ah Li’s courtyard.~

Qing Ya and Ah Li got up early. Ah Li was charmingly swaying a long sword.

“Mommy~” Ah Li shouted, and immediately jumped into her mother’s arms, kissing her.

Donghuang Baizhi stroked her daughter’s hair: “Ah Li, continue with your sword practice. Mommy wants to discuss something with mommy Qing.”

“Hey, mommy, go find daddy. Daddy is so smart that he can solve mommy’s trouble in one go.” Ah Li was always thinking about daddy’s and mommy’s reconciliation.

Donghuang Baizhi said angrily: “Ah Li only focuses on daddy, and doesn’t care about mommy anymore~”

“How come, Ah Li loves mommy, hum hum hum~”

After a moment of warmth with the child, Donghuang Baizhi walked towards the pavilion.

Qing Ya poured a glass of water for her with a smile: “What’s the matter? You look gloomy early in the morning.”

Donghuang Baizhi drank the Jade Immortal Dew in one gulp and sighed, “An accident happened yesterday!”

“What?”

Donghuang Baizhi told the whole story once. Qing Ya frowned after hearing it.

Qing Ya shook her head: "I don't know either. Logically speaking, the Tang and Bai family fight is normal. The suspicion is that the murderer seems to have deliberately brought the five great families to the scene and let people discover the Tang and Bai family fighting privately."

"Qing Ya, do you think this is Ye Hua's scheme behind the scenes?" Donghuang Baizhi asked curiously.

"Is such a move good or bad? The news would've eventually spread today even if the families didn't know about it." Donghuang Baizhi raised some doubts in her heart.

Qing Ya couldn't understand it either and said in a deep voice, "The most important thing now is to calm down. Don't let the aristocratic family fight. The Tang and Bai family should be punished."

Donghuang feels the same.

"I want to go and check the situation; maybe I can find some clues." Donghuang Baizhi snorted.

"Do you think it's Ye Hua?" Qing Ya asked with a smile.

Donghuang Baizhi gritted her teeth: "If it's Ye Hua, I'll have to kill him!"

"Baizhi, this is too light. Isn't this just biting to death?" Qing Ya teased and took a sip of tea.

"Then what do you say?"

Qing Ya said lightly, "Let Ye Hua kneel on the keyboard!"

"Okay! Just let Ye Hua see what we have done; we will not be easy to mess with if we do these things properly." Donghuang Baizhi vowed, her pretty face full of firmness.

Chapter 369

"I agree, Baizhi. Go now."

Donghuang Baizhi dragged Qing Ya up: "You're coming with me."

Qing Ya smiled: "No need."

"Anyway, we share weal and woe. Sister, let's join forces to deal with Ye Hua."

"But there are many people who know me." Qing Ya said. Ye Xiao and Chu He saw her that night.

"True."

Qing Ya smiled and said, "Let me pretend to be the maid next to you."

"Ah, is that okay? I'm afraid Ye Hua will teach me a lesson to use his beloved as a maid." Donghuang Baizhi smiled wickedly.

Qing Ya pinched her: "You dare to tease me."

The two women started making trouble.

On the side, Ah Li put down her long sword and sighed: "These adults are really naive."

The maids laughed softly. This was the first time they saw Her Majesty like this. She doesn't seem that different from them.

There was an uproar when the news of Her Majesty's visit came out from the Voidless Realm!

One must know that the last time they went on a tour was a hundred years ago. That time was because of the Dongfang family's private collection of godly items, and it was the father of Donghuang Baizhi who came.

After a hundred years, the ruler of Voidless Realm is on tour again!

The whole north suddenly filled with a serious atmosphere, especially the patriarchs of Zijin City. They were all worried, but also excited!

The Queen of Voidless Realm! OMG!

'I thought I would never see her in my life, but now I have the opportunity!'(Random person's thought)

In Zijin City's International Airport, a Boeing 747 luxury passenger plane landed, and passengers waiting for the plane stood up and looked at it.

Because the whole fuselage was graffitied with lifelike mythical beasts.[Fuselage: the main body of an aircraft.]

'It's the first time I saw a passenger plane with graffiti; it looks so weird.'(Random person's thought)

However, the passenger plane drove to the private tarmac, while some black vehicles drove in simultaneously.

Everyone is discussing, 'What kind of big man is coming? Is it the president of some country?

At this time, Qing Ya dressed as a maid next to Donghuang Baizhi. She changed her appearance; so nobody could recognize her.

Seeing the fleet of more than 20 Rolls-Royce Phantom parked next to her, Qing Ya smiled and said, "Baizhi, this formation is too big."

"Qing Ya, this formation is not too big; after all, I am the Queen. How can I come without such a formation?" Donghuang Baizhi smiled lightly, no longer wearing royal robes, and changed them into a professional and majestic-looking CEO outfit.

Qing Ya was like a little secretary, wearing black stockings.

This was the black stocking temptation that Ye Hua often dreamt of. It's a pity he can't see it.

Qing Ya nodded; with a giant like Voidless Realm, she must show off her demeanor when she goes out.

Thinking about Ye Hua's momentum when he went out was absolutely arrogant, like thunder piercing the ear.

The first to come down were the guards of Voidless Realm, wearing black suits to guard the side, and then came Yuan De and others!

Today, the entire Voidless Realm was dispatched! The scale was unprecedented!

When Donghuang Baizhi appeared at the door of the passenger plane, everyone felt pressured. This woman's aura is so powerful.

Qing Ya stood behind Donghuang Baizhi, playing the role of a little secretary, even wearing a pair of glasses.

If Ye Hua saw Qing Ya like this, he would be unable to bear it.

"Yu Quan, go and inform the Patriarchs of the families that the Voidless Realm has come to discuss the problems. Donghuang Baizhi had to make sure that it was handled perfectly, otherwise, these problems would appear again.

Yu Quan bowed and said, "Don't worry, Your Majesty. To not waste Your Majesty's time, I've already arranged everything. They all are waiting for Your Majesty's appearance!"

"Okay, let's go!"

"Yes!"

The convoy set off towards Zijin International Hotel, Guan Tong's site.

While driving, passersby curiously looked at the convoy. Zijin City has no shortage of local tyrants, but such a formation is still rare.

Half an hour later, the convoy stopped at the entrance of the Zijin International Hotel. The doorman immediately ran over to open the door but was blocked by the guards of the Voidless Realm. How can such a person open the door for the Queen?

Yuan De hurried over and opened the car door. Donghuang Baizhi got out of the car and took a look outside.

Qing Ya also got out of the car.

The beautiful face of Donghuang Baizhi made people stunned, and the coercion emanating from her body made people dare not look at her directly.

"Let's go!"

No one came to greet her, because today was not for a heart-to-heart talk, but the judgment. Yu Quan asked everyone to wait on the top floor.

The group took the elevator and reached the top floor!

The top floor was originally a banquet area, where some high-end banquets were held, but now all the luxurious facilities have been removed.

The only rostrum was placed by the throne, showing a solemn atmosphere, while about a hundred people were standing below, all of them were the owners of Zijin City and the surrounding urban areas. Yes, of course, the five aristocratic families were also present there.

Nobody dared to talk to each other or discuss anything. Their faces were sullen.

Of course, there was excitement as well. After all, the Queen can be seen upfront.

But for the Tang and Bai family, today was the day that decided the fate of their families.

Xiao Yi was also very nervous. He also participated in the bloody war last night, and he had no clue about the punishment whatsoever.

If Tang Wushuang was killed, he would have to accept the punishment. But now that he's still not killed, he will still have to bear the punishment.

He was not willing!

Tang Wushuang is still wearing a suit today, with a white ribbon tied around his head. Today, he will seek justice for his beloved wife no matter what!

Of course, Bai Cixin and Wang Dabao were also present. The couple didn't have much fear. Now that they have done it, they are ready to accept punishment!

The five Family Heads stood at the front of the line.

Guan Tong lost his beloved son last night. His hair had grown white, showing how sad and angry he was, and he even lost some weight.

When he looked at the other four Patriarchs, he had an unfriendly gaze.

Chen Xuanzong was also at the scene. He didn't know what happened last night but only heard about it this morning.

He was in a good mood because Xiao Yi was also on the spot. When Your Majesty arrives, this Xiao Yi will be unable to save his skin!

And there was a stranger in the crowd whom nobody knew, maybe not in Zijin City, so nobody didn't think much about it. After all, they all came here today to see Your Majesty.

However, this stranger is Ye Hua!

'I heard from Jue Tian's ears that Bai Zhi is going to preside over justice. As a husband, of course, I have to watch my wife perform, and maybe I can make a fool out of her.'

Hearing the elevator door slamming, Ye Hua suddenly looked around.

Tsk tsk tsk, look at this anxious appearance, in the name of punishing his wife, he is actually here to see his wife, and he misses her after not seeing her for a few days.

The sound of high heels suddenly sounded, echoing in this large banquet hall.

Although it was just a simple sound, it fell deep into the hearts of everyone, as if the foot was stepping on the top of everyone's heads. The sound of these footsteps made everyone lower their heads. Worthy of being the Queen of the Voidless Realm.

The corner of Ye Hua's formed a small arc; 'this Baizhi also likes to pretend.'

'This deity likes women who pretend to be pushy. After you admit defeat, this deity will let you live a life inseparable from the bed.'

The figure of Donghuang Baizhi gradually appeared in everyone's field of vision, and all the patriarchs couldn't help but take a deep breath.

This... is this a fairy??

No no no.

To say that she is a fairy is blasphemy to Your Majesty.

No words can justify the appearance of Your Majesty.

The word beauty is an insult to Your Majesty!

At this time, some family heads couldn't help but think of the woman at the auction. Her beauty is comparable with that of the Queen!

Donghuang Baizhi glanced coldly, making everyone bow their heads, not daring to look directly.

"The Queen is here!"

Everyone squatted down and shouted, "Long live Your Majesty!"

Ye Hua in the crowd had to squat down; otherwise, they would definitely despise him if they knew that he was here.

"Get up." Donghuang Baizhi said lightly.

Ye Hua stood up and looked at the woman beside Donghuang Baizhi, 'why does she feel so familiar?'

His eyes flashed red!

'It turned out to be my Qing Ya! This deity asks you to wear stockings, but you won't wear them even if you are beaten to death, but when the deity is no longer around, you are wearing stockings in front of so many people!'

'This account should be written down first. I will put stockings on your head in the future!'

'The pantyhose is so weird.'

Donghuang Baizhi walked up to the rostrum and sat on the throne. The guards were guarding all around, while Yuan De and others were guarding the place five meters away from Donghuang Baizhi to prevent anyone from attacking!

After all, as she is not in the Voidless Realm, her life can be at threat.

Xiao Yi felt that the Queen in front of him was pulchritudinous; even when he was an Immortal Emperor, he had never seen such a beautiful woman! [Pulchritudinous: Beautiful]

'It would be a beautiful thing to be able to be with her in the same room, but I only dare to think about it in my heart.' (Random person's thought)

Chen Xuanzong was also sighing, but he only had Qing Ya in his heart!

Tang Wushuang didn't have the heart to look at the Queen's face. He just wanted to get justice for his beloved wife.

Wang Dabao couldn't help but compare the Queen and his beloved wife. Although Your Majesty is prettier than his wife, his wife has unlocked many complex moves, so... wife is better~

If Ye Hua found out, he would definitely be disdainful.

'This deity will make them unlock any moves, and give the deity the most comfortable enjoyment!'

It was the first time that the five great family patriarchs saw the honor of Your Majesty face to face. She looks more beautiful than in the video!

When Qing Ya and Donghuang Baizhi fought against Jue Tian, someone took a video and posted it on the Cultivation Forum, causing a sensation! It's just that Qing Ya was wearing a set of ancient armor, so they couldn't see her appearance.

"This Queen is here today to solve what happened in the past few days!" Donghuang Baizhi's opening remarks were very concise, without any compliments, which got the approval of Ye Hua. What opening remarks? Might as well cut directly to the main issue!

The audience shouted: "Follow Your Majesty's holy words!"

Ye Hua suddenly had a bold idea, 'What if he rushed up, pressed Donghuang Baizhi under him, and kissed her wildly!'

'Let these people know that Your Majesty is the woman of this deity.'

'But I'll have to bear with it first and let this group of salted fish know about this later. I am looking forward to their surprised eyes.'

Donghuang Baizhi raised her hand; Yu Quan stepped forward and shouted: "Bai Cixin! Wang Dabao! Xiao Yi! Tang Wushuang!"

With Yu Quan's shouting, the four slowly walked out of the crowd and stood in the middle.

"Not kneeling yet!" Yu Quan shouted.

Tang Wushuang knelt decisively.

The other three also knelt slowly. Under the behemoth-like Voidless Realm, they only surrendered!

Donghuang Baizhi said lightly: "Giving each of you a chance to explain!"

The four people below lowered their heads, seemingly contemplating what to say.

“The Queen asks you to explain, then you explain!” Yu Quan shouted coldly. The consequences of pretending to be dumb are even more severe!

Tang Wushuang was the first to speak out, but everyone was shocked by his sound!

This is clearly that of a woman!

Thinking that Tang Wushuang was a handsome young man back then, he could be called a little man with a divine and jadelike face, but they didn’t expect it to be like this today... It’s so embarrassing!

“Your Majesty! Bai Cixin is ruthless. She, along with Wang Dabao and Xiao Yi, broke into my Tang family at midnight, and killed my Tang family’s people! Even my beloved wife wasn’t spared. I hope the Queen will give me justice. Even if I, Tang Wushuang, was in the wrong, why bring my wife in this ordeal!”

Bai Cixin snorted coldly: “Your wife is not guilty, but what about my brother? What wrongdoings did he do? Did you think about that when you killed my brother?”

“Bai Cixin! Your brother committed suicide by jumping off the building; how’s that my fault! Also, my wife was murdered by you; many people can prove it!” Tang Wushuang’s eyes were red at this moment, and his voice was hoarse, showing how much the death of his beloved wife had hit him.

“Don’t insult my brother; how can he commit suicide!”

“You are shoving false arguments down people’s throats!”

“Enough!” Donghuang Baizhi snorted coldly.

Tang Wushuang and Bai Cixin had their heads down.

“Have you forgotten my order? Or my words are worth nothing in your eyes!” Donghuang Baizhi exuded the power of blood on her body, instantly shocking everyone.

The patriarchs of the five aristocratic families stood shivering, not to mention the other small families.

Ye Hua appreciates Baizhi’s methods. Sometimes you’ve to suppress people through force.

Baizhi passed the exam, but Qing Ya did not make any evaluations.

“Don’t dare!” The four said in unison.

Donghuang Baizhi snorted coldly, and the killing intent was gradually released: “Don’t dare? But you dare!”

“Your Majesty, it was Tang Wushuang who provoked us first!” Bai Cixin hurriedly explained.

Tang Wushuang even said: “Your Majesty, although I am at fault, she killed my brother-in-law and my beloved wife because of some provocation? She is just making excuses!

“Tang shemale! Did you eat shit this morning! Your mouth stinks!” Wang Dabao couldn’t help shouting.

Yu Quan shouted in a deep voice: “Wang Dabao! Pay attention to your words, don’t be disgusting in front of Your Majesty!”

“Yes...Yes...” Wang Dabao panicked for a while, but he was also blunt just now.

Donghuang Baizhi sighed in her heart; both parties are at fault; the Bai family’s mistake is heavier; after all, she was the one who brought it up first!
