

My Woman 54

You Cannot Afford To Offend My Woman

Chapter 54.1: Cannot become more beautiful anymore 1/2

Monday, Long'an City was enveloped by a bunch of black clouds, and soon after, it began raining. Ye Hua opened his eyes and subconsciously rubbed onto his chest, then let out a sigh of relief. Turning his head and looking at Qing Ya who was sleeping soundly, an arc appeared on the corner of his mouth as he stretched out his hand to caress onto Qing Ya's soft hair.

"Hmm~ Hmm~ Hmm~"

Seeing that Qing Ya had the trace of waking up, Ye Hua immediately withdrew his hand.

"What time is it?" Qing Ya asked.

"6 am."

"I will go and buy breakfast for you."

Ye Hua's heart trembled slightly as he said unhurriedly, "You don't have to, it's currently raining outside."

"En, I will sleep for a bit more then, wake me up at 7 am." While speaking, Qing Ya gradually fell back to sleep.

"Alright."

As for Ye Hua, he was unable to fall back to sleep anymore. If I didn't hear wrong, she said that she wants to go and buy breakfast for me just now. Ye Hua suddenly smiled, and this time, the arc on the corner of his mouth was much wider.

Is this the so-called mutual concern between humans? Is this what the so-called husband and wife is like? I remembered very very long ago, I had killed a few pairs of husband and wife. Even up till today, I still remember when that female human died, that male became particularly frantic afterward. Although, in the end, it was all futile, I remember that I was very curious as to why the male was feeling so sorrowful...

However, I finally understand now. If whoever dares to try take this woman's life, I will...

"Ye Hua, what time is it now?" Qing Ya who was still half asleep asked indistinctly. If it was up to Ye Hua to choose, he would hope that Qing Ya would be able to forever maintain in this state of being half awake and half asleep. At this time, she is just like a small kitten. Just that, when she fully wakes up, she would transform into a cat who would always go against me...

Ye Hua took a look at the clock, "It will be 7 am in 10 minutes."

Qing Ya opened her beautiful eyes, that soft appearance that she had just a while ago completely disappeared as she sat her body upright and took a stretch. Meanwhile, Ye Hua leaned on the bedhead and looked at Qing Ya's enchanting back. I have killed countless people, and never would I have thought that there would come a day where a human would actually be lying by my side.

Qing Ya paused for a moment, seemingly preparing to have a morning quarrel with Ye Hua. After waiting for a minute, she still did not hear Ye Hua speak. Qing Ya was extremely confused. Could it be that this fellow is using a new kind of tactic today?

Wearing onto her SpongeBob SquarePants slippers, Qing Ya decided to not say anything to Ye Hua. I will go wash up first, then go to work afterward. If he doesn't allow me to go to work, I will... I will... I will make a scene... I will cry...

"Ah!!!"

Right after Qing Ya entered into the bathroom, Qing Ya could be heard letting out a scream, seemingly as if she saw Ye Hua's true body.

Ye Hua thought that Qing Ya slipped and without any thought, his figure immediately appeared within the bathroom.

However, the scene that he imagined in his mind did not appear, and instead, he saw Qing Ya looking at the mirror while gently caressing onto her own face. That shocked look on her face was as if she saw her face became disfigured.

"Don't anyhow scream when there is nothing!" Ye Hua said in a deep voice, then opened the bathroom door and walked out.

Qing Ya totally did not notice that Ye Hua had entered into the bathroom and was completely astonished by her face. Why is my face much more beautiful compared to yesterday? This skin of mine has truly reached the point of looking both rosy and white at the same time. My god, how did my face become this beautiful!

No, this won't do, this won't do, I cannot become more beautiful anymore, if not it would be too good of a thing for that fellow. To have such a beautiful wife, and yet he still complains. If it was someone else, they would have treated me like an Empress Dowager, following and heading to whichever direction I point to.

After finish washing up, Qing Ya discovered that Ye Hua was not in the bedroom. This is a good chance! Immediately, she wore her western suit, took her bag, then walked slowly and carefully like a thief. However, the sound that was emitting out from the high-heeled shoes that she was wearing was a bit loud. Qing Ya's current action was but like covering one's ears while stealing a bell.

After walking down the stairs with no mishap happening, Qing Ya pat onto her chest. However, what if Ye Hua worry about me later on and then become angry again like during that day... Forget it, I will leave a note for him.

Placing the note onto the bar counter, Qing Ya secretly left Leisure Bar. Driving the Audi A8 that was parked outside of the bar, Qing Ya headed towards the subsidiary company that was located at Long'an City.

Chapter 54.2: Cannot become more beautiful anymore 2/2

Moments after Qing Ya left, Ye Hua walked out from one side of the hall. Actually, he saw everything, just that he didn't stop her only.

Looking at the small piece of paper in his hand, Ye Hua laughed lightly, and the piece of paper immediately turned into ashes.

"Ye Hua, I'm going to work, there is really something very important that I have to handle. After I handled it, I will begin working from home. Also, I hope that you will accompany me to go to tonight's banquet. If I don't go, we will really have to go and eat clay."

This foolish woman, being by my side, you can enjoy dragon meat any time you want, where would there ever come a time where we would have to eat clay.

My mood is not bad today, I will have something different today. I will go to the street and buy a Chinese crepe, and I will add an additional egg and also an additional ham. Just that, that human aunt is too stingy already, to actually have to pay extra money if I want to add ingredients. Does she not know that it is an honor for her that I the Supreme Overlord is willing to eat her food?

Moments after Ye Hua left, a loud scream came from Qing Yutong's bedroom. Qing Yutong was currently caressing her face in disbelief. I have look at this face for 20 years already, how was it able to become this beautiful today? Although the changes on my face is not big, but I can clearly see that I have become prettier. Even I myself also want to lick on this face of mine when I look at it.

"Xiao Guaiguai, did you do something to me yesterday night? Not bad~ With this face of mine, when I stand in front of brother-in-law, I don't believe that brother-in-law would be able to resist~" Huge confidence started inflating within Qing Yutong's heart. It is not that I am boasting, but with just a hook of my finger, I am able to push over my brother-in-law.

The system itself was currently in a daze, "Master... I..."

"Xiao Guaiguai, you don't have to say anymore, although you are indeed a bit miserly normally, you are still quite reliable during crucial moments." Qing Yutong lifted her hair, then bit onto her lips.

"My god, I wish I could eat myself up right now~ Why did I have to grow up so beautifully, I can't resist the look of me biting onto my lips~ I have to go in front of brother-in-law and boast about it for a bit.~" After finish speaking, Qing Yutong ran out of her room. Without knocking onto the door, she rushed into Ye Hua's bedroom.

Originally, she thought that there would be a fiery scene in the bedroom, but in the end, the bedroom was empty. Where did the two of them go to this early in the morning?

Coming downstairs, she still did not spot anyone. Qing Yutong who was bored sat at the bar counter and thought to herself happily. "Brother-in-law actually treated me like that yesterday, he will definitely regret it to death today, humph humph~"

Without long, Qing Yutong's objective appeared! Qing Yutong ran excitedly to the front of Ye Hua who was currently eating his Chinese crepe, "Brother-in-law, look at my face, do you feel if there is anything different about my face today?"

Ye Hua wrinkled his brows. This should be the effect of the gold delicate crane's meat. I didn't expect that the effect would be so good, this sister-in-law's entirety has indeed become perfect. Just that, this sister-in-law is still like a child, mischievous and unruly.

"Your face is indeed different today, there is an eye booger in your eye today." Ye Hua said calmly, then walked by Qing Yutong who was currently in a daze and head upstairs.

I am hearing wrong, I am definitely hearing wrongly! I won't say other things, but with this face of mine, I guarantee that I would be able to capture even the heart of a child. And yet, brother-in-law actually says that there is eye booger in my eye! How is it possible!

"Master, there is indeed a very tiny eye booger in the corner of your eye."

"Ah!!! Why didn't you tell me earlier!"

Qing Yutong felt that she had a bad teammate. Does this system not know how to at least remind me about it?

What's more, I'm beautiful to this point and yet I'm still not able to attract brother-in-law, could it be that brother-in-law is gay? That shouldn't be though... With this face of mine, even if it is a gay, the gay would also kneel down and fawn over me. And that's not even taking account of this fiery figure of mine...
