

## Myth Beyond 531

### Chapter 531 - Performance

Ji Zhiyin saw Lei Feifei's puzzled expression. She was overjoyed in her heart. It seemed Lei Feifei didn't know about Yun Lintian's background. She could use this point to make Lei Feifei disgust Yun Lintian.

Ji Zhiyin pretended to put on a confused expression and asked. "You don't know this, Leader?"

"Know what?" Lei Feifei responded.

"Snow Maiden Mu is Mu Chen's master." Ji Zhiyin replied in a deep voice. "He actually interacts with his master's enemy. Don't Leader think he's ungrateful by doing this?"

A strange light flashed across Lei Feifei's eyes upon hearing this... Snow Maiden Mu? Master? Her body immediately relaxed, as she had figured out everything. It was impossible for Yun Lintian to have Snow Maiden Mu as his master because he clearly came from the Northern Continent. It must be his lies again.

Thinking of this, Lei Feifei didn't pay attention to Yun Lintian further and said. "Let's go back."

It was Ji Zhiyin's turn to be confused this time. She didn't understand why Lei Feifei was so calm, entirely different from her usual hot temper, but she didn't dare to say anything more and followed Lei Feifei behind.

In a luxury room, Du Huanfeng personally brewed a top-grade spirit tea and poured a cup of it for Yun Lintian. He motioned with his hand and lifted his own cup up, sipping a mouthful of it.

Yun Lintian also did the same. His eyes lit up slightly when he took a sip of tea. "This is the first time I taste the Westlake Dragon Tea. It is indeed extraordinary, as the rumor said."

Yun Lintian praised it from the bottom of his heart. He was originally a tea person and had studied a lot of famous tea in this world. The Westlake Dragon Tea was rumored to be produced on the Western Continent, where the ancient dragon died. Not only did it help nourish people's Profound veins and body, but also their souls. It could be considered one of the best teas in Azure World.

"Haha! I didn't expect Brother Mu to be this knowledgeable since a young age." Du Huanfeng praised with a smile. He poured Yun Lintian another cup and said. "This question may be rude, but I'm really curious. Where did Brother Mu come from? How could you join the Black Wing group?"

Yun Lintian didn't lift the cup immediately. He smiled and replied. "I was picked up by my master since I was young and lived secludedly on the mountain for all these years. My master sent me out to gain experience, and I happened to meet Brother Su. He introduced me to Leader Lei, and I decided to join her as a guest elder."

Du Huanfeng asked curiously. "Brother Su in your words should be Su Minghai. Am I correct?" Seeing Yun Lintian nodding his head, he said further. "It turns out to be like this... By the way, may I know your esteemed master's name? To be able to cultivate a young genius like Brother Mu, he must be a renowned figure. Perhaps I might have heard about him."

Yun Lintian replied in almost an instant. "To tell Young Master Du the truth, I don't know my master's name. I only know that her surname is Mu."

"Surname Mu?" Du Huanfeng's brows creased together, appearing trying to recall something.

Yun Lintian nodded. "I talked with other elders earlier, and they said my master is a well-known figure. She seems to have the title Snow Maiden Mu."

Du Huanfeng's pupils enlarged in shock upon hearing this, but he could control his facial expression exceptionally well. If Yun Lintian didn't pay attention closely to him, he would never notice this slight movement.

Du Huanfeng seemed to calm down and said as though he was talking to himself. "Snow Maiden Mu, Mu Qiuxue?"

"I'm not sure about that myself because Master never speaks about herself. This is the first time I have heard about this as well." Yun Lintian appeared as if he was in doubt.

Du Huanfeng stared at Yun Lintian attentively and believed that Yun Lintian didn't seem to know about his past with Mu Qiuxue. He asked curiously. "Snow Maiden Mu is a peerless genius who appears once in a thousand years. The rumor said she has offended a powerhouse and fled away afterward." He paused for a moment to observe Yun Lintian's expression and continued. "I didn't expect her to hide in a deep mountain for all these years."

He suddenly changed his tone after seeing no particular response on Yun Lintian's face. "Back then, Snow Maiden Mu was one of a few people I truly admired. She could bring herself to that high despite she has a commoner background. It could be seen how hard she worked. This made me, a someone growing up with a powerful background, in shame." He sighed softly and asked. "This may be too abrupt, but can Brother Mu tell me where your master is? I really want to see her once in my lifetime."

Du Huanfeng's face was full of endless admirations and sincerities to the point Yun Lintian couldn't even find a flaw. If he hadn't known about his past before, he would have believed Du Huanfeng's words by now.

Yun Lintian appeared troubled. He hesitated a long time and lowered his head apologetically. "Please forgive me, Young Master Du. My master doesn't like anyone to disturb her. I cannot reveal her whereabouts to you."

Du Huanfeng sighed regretfully and said. "I understand, Brother Mu. Since your master is like this, I won't insist further." He changed the topic. "May I ask how much Brother Mu gets from being a guest elder here?"

Yun Lintian was puzzled and asked. "Why did you ask this, Young Master Du?"

Du Huanfeng laughed slightly. "It's nothing. I feel that this is an arrangement of fate for us to meet here. I wonder whether Brother Mu is interested in joining my Myriad Pill Palace?"

"This..." Yun Lintian appeared stunned on the surface, but he laughed in his heart... What a terrific performance! If placing this Du Huanfeng on Earth, he will win the Oscar for sure.

#### Chapter 532 - Change The Route

"Brother Mu doesn't need to make a decision right now. You can think about it carefully. We have plenty of time here before we reach the Western Continent... Come, drink some more." Du Huanfeng said generously and refilled the cup for Yun Lintian.

Yun Lintian bottomed up the cup and said. "Then I'll consider about it... By the way, Young Master Du. I heard that your Myriad Pill Palace is known as the number one in terms of medical profound art. Can I ask Young Master Du for guidance?"

Du Huanfeng waved his hand and said. "What young master? Just call me Brother Du... Of course, you can ask me anything."

"Brother Du." Yun Lintian said politely. "I wonder if there is any way to prolong someone's lifespan?"

Du Huanfeng's brows raised slightly. "Hmm? Why did Brother Mu ask this?"

"It's like this. My master has been suffering a severe injury, and her lifespan is gradually decreasing day by day. I came out this time not because I want to gain experience, but rather find a way to help her." Yun Lintian replied. "I heard from Brother Su there are some treasures on the Western Continent that could increase one's lifespan. That's why I want to go there."

A thought flashed across Du Huanfeng's mind. He seemed to remember Mu Qiuxue was injured by him before slipping away. Perhaps this was the case.

He smiled and said. "You asked the right person, Brother Mu. Coincidentally, I am heading to the Western Continent with the same goal. How about we team up together? When we found that thing, I'll personally concoct the Heavenly Vitality Pill for Snow Maiden Mu."

A look of delight appeared on Yun Lintian's face as he hurriedly said. "Thank you, Brother Du. I am fortunate to meet you."

Du Huanfeng laughed heartily, and the two continued to chat for an hour before Yun Lintian excused himself and returned to his room.

Watching Yun Lintian leaving, Du Huanfeng put away the smile and asked the old man behind him. "What do you think of him?"

The old man, Du San, stroked his beard and said. "I can't see any flaw from his action. However, his story is too strange. We all knew that Mu Qiuxue had fled to the Western Continent and never heard about her again."

"So you are saying there's a possibility he isn't her disciple?" Du Huanfeng said calmly.

Du San shook his head. "It's difficult to confirm this. We have to observe him more. One thing that I am certain of, Lei Feifei should have checked his background before, and she seems to know something. Otherwise, she won't recruit him in this easily."

Du Huanfeng opened his fan and waved it slowly, falling into deep thought.

\*\*\*

"Big Brother Yun?" After returning to the room, Linlin couldn't help asking. She was puzzled by Yun Lintian's action.

"Are you curious why big brother does this?" Yun Lintian said with a smile. Seeing Linlin nodding her head, he said further. "We don't know much about the Western Continent. When we reach there, we have to gather a lot of information, and that will take a long time to locate Tree of Life's whereabouts. Since Du Huanfeng's goal is to find the Tree of Life, we can use this chance to follow him. We can take him as a free bodyguard."

Linlin tilted her head slightly and asked. "But we've lied to him. Wouldn't it be dangerous to stay with him?"

Yun Lintian shook his head. "It's certainly dangerous but compared to the unknown danger waiting for us on the Western Continent. Du Huanfeng isn't a threat at all. Moreover, he has nowhere to confirm my identity. Looking at his performance earlier, big brother can see that he's still having Snow Maiden Mu in his mind and won't give up easily. So, we are safe until he could see Snow Maiden Mu with his own eyes."

Linlin's eyes flashed with splendor. She was deeply admiring Yun Lintian's mind.

"Right, how much you could improve with that Abyssal Crest thing?" Yun Lintian asked curiously.

Linlin thought for a moment and said. "It should help me break through to the middle-level of Ruler Profound Realm."

"Really?" Yun Lintian was surprised. He sighed regretfully that the situation earlier did not allow him to make a move. Otherwise, he would undoubtedly try to snatch the Abyssal Crest from Yin Shang.

Knock! Knock!

"I'm sorry to disturb your rest, Elder Mu. Leader sent me to inform you that we are going to visit the Black Jade Island first." Xiao Lian's voice rang out from the outside.

"Black Jade Island?" Yun Lintian went to open the door and asked in confusion. He had no idea where this Black Jade Island was.

Xiao Lian observed Yun Lintian briefly and replied. "The Black Jade Island Master is our leader's friend. It will take around two days to reach there."

"I see. Anything else?" Yun Lintian nodded.

Xiao Lian hesitated slightly and asked. "Leader also let me ask Elder Mu this...."

Before she could finish her sentence, Yun Lintian interrupted first. "She wants to know what happened between Young Master Du and me?" Seeing Xiao Lian nodding her head, he continued. "Don't worry. There's nothing between us."

"I see. Then, I'll leave first." Xiao Lian saw that Yun Lintian didn't seem to lie. She quickly excused herself and walked away.

Yun Lintian looked around the hallway briefly before closing the door. The moment his door was closed, a shadowy figure appeared at the end of the hallway and stared at Yun Lintian's room for a moment before disappearing into thin air.

Yun Lintian sat on the bed and calmly pondered about his next move. Right now, he was like deceiving two sides at the same time. If any of them discovered he was lying to them, he had to leave them right away.

Naturally, Yun Lintian didn't concern much about how to escape from them. He could just flee into the Land of Beyond Heaven at any time. What he was concerned about was how to continue his journey.

"It would be good to have a Profound Sky Ship myself." Yun Lintian laid down on the bed and muttered to himself.. Looked like he had to find a way to get the Floating Metal in the near future.

Chapter 533 - Black Jade Island

"Is that so?" Lei Feifei was calm after hearing Xiao Lian's report. She motioned with her chin and said. "Go ahead. I am going to rest."

"Yes, Leader." Xiao Lian lowered her head and left the room.

"Hmph! Who would believe him? He didn't even try to help us earlier. He's clearly failed to perform his duty. Leader, I suggest that you expel him as soon as possible. Who knows if he would collude with Du

Huanfeng later?" Ji Zhiyin's words were full of gunpowder. No one knew why she hated Yun Lintian so much.

"All of you should also leave." Lei Feifei said expressionlessly as if she didn't care about Ji Zhiyin's words.

Ji Zhiyin wanted to say something further, but she held back in the end after seeing Lei Feifei look at her with dissatisfaction. She suppressed the fury in her heart and said. "I wish you a speedy recovery, Leader."

She turned around and left the room with a gloomy expression. Qin Wuji and others glanced at each other and followed Ji Zhiyin out.

Lei Feifei watched them leaving and turned to Lei Jin. "Uncle, what did he tell you?"

Lei Jin felt strange in his heart and began to narrate everything that had happened in the conference room.

After listening to the whole conversation, Lei Feifei suddenly burst into laughter, causing Lei Jin to confuse. "Miss, is there anything wrong with this?"

"There are many wrongs." Lei Feifei's pale face brushed a little after laughing for a while. She waved her hand, and a sound isolation barrier immediately appeared around the room. She smiled faintly and said. "I cannot tell Uncle right now, but I can only say that he has nothing to do with Mu Qiuxue."

Lei Jin's complexion changed slightly, and he asked with a frown. "He's dangerous, then?"

"Yes, he is." Lei Feifei's answer made Lei Jin frown deeper. However, her following sentence changed Lei Jin's face instantly. "He's dangerous to others, but not to us."

"Can you elaborate more, Miss?" Lei Jin asked in doubt. Why was Lei Feifei so sure Yun Lintian won't do anything to them?

Lei Feifei smiled mysteriously. "You'll know when the time comes."

\*\*\*

Two days later, the Black Wing ship gradually approached a vast island full of coconut trees around the shore. Several ships come and go, producing buzzing sounds, making the port lively.

Yun Lintian stood on the deck with Linlin on his shoulder, calmly watching the bustling scene. This was the first time he visited an island in this world. He felt so refreshed and looking forward to more to come.

"Come on, Brother Mu. I'll bring to you to see the island." Du Huanfeng walked up to Yun Lintian and said with a faint smile.

"I'll have to trouble Brother Du then." Yun Lintian replied politely and followed Du Huanfeng out of the ship.

"Heh, he still has the face to be our guest elder?" Ji Zhiyin saw this scene and snorted coldly.

Qin Wuji didn't say anything but stared at Yun Lintian thoughtfully. He tried to understand Yun Lintian's plan.

"Let's go. I haven't visited the Jade Pavilion for a long time." Song Cang didn't care much about Yun Lintian and quickly got off the ship with Bailu Jing, heading toward the city.

Meanwhile, Lei Feifei went straight to see her friend with Lei Jin after getting off the ship.

Yun Lintian followed Du Huanfeng toward a huge city and looked around with great interest. Before him were numerous unusually tall structures and buildings. The tall one was at most one hundred meters tall, and the shortest was close to thirty meters. They were all built with black jade and reflected warm light.

In this area, the earth element was so rich and active that it had reached its pinnacle. If he looked into the distance, he would see bustling moving crowds along the streets. They seemed to enjoy their life, giving off an atmosphere similar to the Blue Tide City.

"Have you felt the earth element here is unusually rich?" Du Huanfeng fanned his jade fan leisurely while looking at the scene.

"Yes. Is there a reason behind this?" Yun Lintian asked.

"This island is called Black Jade because there's a Black Jade mine under this place. The Black Jade is rich in earth elements and usually used for crafting a good cauldron. More than sixty percent of the Black Jade in the Central Continent comes from this place." Du Huanfeng explained casually.

"So, the island master must be very rich." Yun Lintian said with a smile.

Du Huanfeng laughed and said. "Indeed... My Myriad Pill Palace has established an exclusive channel with them. It could be said, their wealth is coming from us."

Yun Lintian smiled and said nothing more. He wasn't interested in listening to this young master bragging.

Du Huanfeng suddenly pointed at the fifty-story building at the end of the street and said. "That's Jade Pavilion, the most famous restaurant on this island. From time to time, there will be some disciples from the Red Lotus Dancing Hall come to perform here."

"Red Lotus Dancing Hall?" Yun Lintian pretended to ask in confusion. At the same time, he thought of Li Na and wondered how she was now. After Wang Jue died, she should have left the Northern Continent by now.

Du Huanfeng smiled slyly and drew himself closer. "Red Lotus Dancing Hall is one of the two most famous dancing halls in this world... I'll tell you something, Brother Mu. Their disciples are as beautiful as fairies. If Brother Mu is interested in them, I can arrange it for you. How about it?"

Yun Lintian pretended to step back in shock and said in a flustered manner. "No, no. Brother Du. I don't want it."

A strange light flashed across Du Huanfeng's eyes shortly. He let out a chuckle and said. "I forgot that this is the first time Brother Mu has left the mountain. Hehe. Let's go. I will show you the world today."

Yun Lintian scratched his head embarrassingly and followed Du Huanfeng toward the Jade Pavilion under Du San's doubtful gaze.

#### Chapter 534 - Unexpected Traitor

"It's good that you are safe." In a spacious room with walls made of Black Jade, a young woman in her twenties heaved a sigh of relief upon seeing Lei Feifei. She had a decent appearance with a pair of sharp eyes. Her name was Zhou Qingyu, the Black Jade Island Master.

"You are still overacting, as usual, Qingyu." Lei Feifei unceremoniously sat on a luxury sofa and said.

Zhou Qingyu was a little angry, as she said. "Isn't it because I'm worried about you?" She rolled her eyes and turned to Lei Jin, bowing respectfully. "Little Girl Qingyu greetings Uncle Jin."

Lei Jin stroked his beard and smiled warmly. "Your strength has improved again."

Zhou Qingyu replied with a smile and made an inviting gesture. "It's still far from Uncle Jin... Please take a seat."

Lei Jin didn't stand further and sat on a comfortable chair nearby Lei Feifei.

Zhou Qingyu served the guests a high-grade spirit tea and said. "I heard that you have recruited a guest elder. Why don't you tell me about it?"

Lei Feifei curled her lips and teased. "Are you a worm in my stomach? How did you know about this so fast?"

Zhou Qingyu covered her mouth and giggled. "There were several people at the scene when your newly recruited guest elder showed his might. Of course, I learned about it from them."

Lei Feifei took a sip of tea and said. "He's special. I can only tell you this. I suggest that you should befriend him. Trust me, he will bring you an unimagined benefit later."

Zhou Qingyu looked at her best friend weirdly and asked. "Feifei, don't tell me you are falling for him?"

Lei Feifei rolled her eyes annoyingly. "What nonsense are you talking about? He's just a little boy to me. How could I fall for him?"

Zhou Qingyu narrowed her eyes and smiled slyly. "Have you ever heard of this? They said eating a young boy will grant you immortality. I thought you wanted to gain immortality."

Lei Feifei laughed angrily. "I see. You didn't manage your island recently because you spent your time with this nonsense again."

Zhou Qingyu pouted. "It has nothing to do with this. I was busy with my practice, though."

Lei Feifei had an "I don't believe you" expression as she rolled her eyes.

Zhou Qingyu changed the topic. "Where is he now? Why don't you bring him here?"

"He's with Du Huanfeng." Lei Feifei replied casually.

Zhou Qingyu's complexion changed drastically. "What? How could he betray you like this?"

Lei Feifei leaned comfortably and said. "Who he wants to be with has nothing to do with me as long as he performs his duty as a guest elder. Our relationship is based on a mutual benefit, to begin with. So this isn't counted as a betrayal."

Zhou Qingyu looked at Lei Feifei in puzzlement. She felt that she didn't understand this best friend of hers anymore. According to Lei Feifei's personality, she would never tolerate anyone that interacted with the enemy's camp. How could she act so carefree like this?

This made Zhou Qingyu's curiosity toward Yun Lintian grow further. She wanted to see who this young man was to make her best friend become like this.

"Let's not talk about this. Have you investigated what I told you?" Lei Feifei asked.

Zhou Qingyu moistened her throat with the spirit tea and replied. "It's as you had expected. Someone had secretly sent your position to them. Unfortunately, this person didn't know that Du Huanfeng has come along."

A cold glint radiated from Lei Feifei's eyes as she asked. "Who is it?"

"Honestly, I'm actually surprised when I discovered him." Zhou Qingyu waved her hand, and a young woman immediately walked into the room while dragging a man behind. This man struggled fiercely, but he could not get rid of the young woman's grasp.

Lei Feifei glanced at the man, and her face was full of incredulity. "Lei Sushan?"

The man before her was Lei Sushan, one of her subordinates who left the Divine Thunder Palace with her several years ago. She didn't expect it was him who sold her.

Lei Sushan stopped struggling and tilted his head to look at Lei Feifei. His face instantly clouded with terror as he hurriedly said. "Young Miss, please help me. This is a misunderstanding."

Lei Feifei turned her head away and asked. "How did you find him?"

Zhou Qingyu glanced at Lei Sushan and explained. "At first, I had never suspected him, but who knew he would actually come to my Hundred Flower Restaurant and fall in my people's hands. Under their Hundred Flower Illusion, he had spilled everything by himself. This is truly coincident."

Hearing this, Lei Jin's eyes squinted slightly, and a killing intent immediately locked onto Lei Sushan. "You ungrateful thing! Miss always treats you as her trusted aide. How can you do this to her?" His voice was incomparably cold, easily making anyone shudder.

Layers of cold sweat appeared on Lei Sushan's forehead. He struggled to get up, but he was fiercely pressed to the floor by the young woman. He knew that he would definitely die if this continued. "Elder Lei, this is really a misunderstanding. I have nothing to do with this."

"Whether it is a misunderstanding or not, we will know it soon." Lei Jin did not waste his saliva with Lei Sushan further and pointed at the latter's head.

Lei Sushan shuddered violently as he shouted. "No! You can't do this to me!"

As his voice fell, his face suddenly became dull as an illusory human shape covered with a flash of golden lightning flew out of his body. This was called Divine Thunder Soul. Any disciple of the Divine Thunder Palace would possess the Divine Thunder Soul when they reached the Spirit Profound Realm. Similar to the Goddess of the Nine Heavens's soul that the disciples of the Misty Cloud Sect were practicing, the Divine Thunder Soul would increase their perception and aid in the training.

It could also be used as a substitute when the practitioner dies.. As long as the soul is alive, the practitioner would have a chance to construct their body and return to life.

Chapter 535 - Lei Feifei's Past

Lei Sushan's Divine Thunder Soul stood still in the air before his body without any sign of struggle.

Zhou Qingyu looked at the pale human shape occasionally flashed with golden lightning with great interest. She had long heard about the Divine Thunder Soul before, but this was the first time she saw it with her own eyes.

Lei Jin glanced at Lei Feifei and said. "Go ahead, Miss. Ask him whatever you wish to inquire."

Lei Feifei's eyes flickered with cold light. She stared at Lei Sushan's thunder soul for a while before asking. "Lei Sushan, who told you to do this?"

She didn't believe Lei Sushan would have the gut to betray her by himself. There must be a mastermind behind him.

Lei Sushan's dull voice resounded. "It is Third Master who told me to do this."

Lei Feifei and Lei Jin glanced at each other solemnly. The Divine Thunder Palace's hierarchy was started with the palace master on top. Below the palace master was four grand elders. The so-called Third Master was no other than the Third Grand Elder Lei Yubai. This person had another identity that was Lei Feifei's third uncle.

Lei Feifei and the current Divine Thunder Palace Master, Lei Zhenxiang, had the same father but different mothers. However, because Lei Feifei's mother came from a commoner background, both mother and daughter didn't have many rights in the palace and were overlooked most of the time.

After Lei Feifei's mother died mysteriously several years ago, Lei Feifei didn't hesitate to leave the Divine Thunder Palace and founded the Black Wing group.

As for Lei Jin, he was initially assigned to protect Lei Feifei since she was young. There were a lot of bonds and memories between them as he watched her grow up little by little. When she decided to leave, he didn't say anything and followed her out.

The Third Grand Elder, Lei Yubai, had rejected Lei Feifei and her mother's existence from the beginning. He often said that they didn't deserve the Divine Thunder Palace. Lei Feifei had been suspecting for all this time about the death of her mother, and she believed there must be something to do with Lei Yubai.

Lei Sushan's confession had confirmed all the doubts in Lei Feifei's heart. Her face turned resolute, and a deadly killing intent gradually seeped out of her body. She asked further. "How did you contact the Endless Sea Lord's side?"

"I only needed to report your progress through the transmission jade that Third Master gave me." Lei Sushan replied.

Lei Jin waved his hand, and the storage ring on Lei Sushan's finger immediately flew toward him. He broke the seal and looked at the content inside before taking a black transmission jade out.

Lei Feifei glanced at it and turned her gaze back to Lei Sushan's thunder soul. "Asides from you, is there anyone else?"

"There are Lei Fushan and Lei Mushan." Lei Sushan answered dully.

Lei Feifei's heart turned cold. These people were all her trust aides. They had been lurking around her for a long time without her knowing. This made her feel unacceptable.

She took a deep breath and said. "How did you contact Lei Yubai?"

"Third Master will send someone to contact us from time to time." Lei Sushan answered.

Lei Feifei didn't ask anything further and closed her eyes.

Lei Jin glanced at her briefly and waved his hand. Lei Sushan's soul immediately dissipated from this world in the next moment.

Silence blanketed the room. Zhou Qingyu signaled the young woman to take Lei Sushan's lifeless body out and said softly. "What are you going to do next?" She was aware that Lei Feifei would definitely go against Lei Yubai in the near future. As her best friend, she won't shy away if Lei Feifei asks for support.

Lei Feifei opened her eyes and said. "My current strength is not enough to do anything on him. Let's wait for a while."

Zhou Qingyu nodded and said. "You can tell me if you need anything. Going against the Divine Thunder Palace is a bit out of reach for me, but I'm not afraid of them."

"Thank you, Qingyu." Lei Feifei said gratefully.

On the side, Lei Jin hesitated for a moment before asking. "Miss, do we need to tell Palace Master about this?"

"Him? What can he do after knowing this? A coward like him won't dare to utter a word in front of those old fogies." Lei Feifei scoffed. Her resentment toward Lei Zhenxiang was beyond anything. She blamed him for not protecting her mother.

Lei Jin naturally knew this point. He could only sigh helplessly and said nothing further.

Lei Feifei suddenly asked. "Qingyu, can you find Du Huanfeng's whereabouts?"

Zhou Qingyu's slender eyebrows raised in puzzlement, but she still complied as Lei Feifei's wish. A brief moment later, she put the transmission jade away and said. "He's currently in the Jade Pavilion. He seems to entertain a young man... Is he your guest elder?"

Lei Feifei nodded. "It's him."

"What are you going to do?" Zhou Qing had a weird expression as she asked this.

"Of course. I will go over." Lei Feifei said with a smile, leaving Lei Jin and Zhou Qingyu confused.

\*\*\*

At this moment, Du Huanfeng and Yun Lintian were watching a few beautiful figures swaying their bodies according to the rhythm of the music. They would shoot a seductive glance at Du Huanfeng and Yun Lintian from time to time, expressing their clear intention.

Yun Lintian felt quite novel coming to this place. Compared to the typical bar on Earth with some noisy music, the atmosphere here was more peaceful, making everyone feel relaxed.

"Hehe. How is it, Brother Mu? These girls are not bad, right?" Du Huanfeng saw Yun Lintian watching the dancers in relish. He couldn't help teasing him a bit.

Yun Lintian retracted his gaze and pretended to touch his nose in embarrassment. "Yes."

Seeing Yun Lintian's embarrassing appearance, Du Huanfeng chuckled and leaned over. "You can choose anyone you are interested in.. I will arrange it for you."

Chapter 536 - Classic Beauty Trick

Yun Lintian hurriedly waved his hand. "No. No need, Brother Du."

Du Huanfeng pushed Yun Lintian's shoulder teasingly and said. "What are you shy about? Aren't you a man? Enjoying a woman is our nature. You should not suppress yourself. It will harm your body, don't you know?"

Yun Lintian was embarrassed, as he said. "Thank you for your concern, Brother Du. However, my master has told me to stay away from this. I cannot violate her teaching."

"Tsk. What kind of this teaching?" Du Huanfeng clicked his tongue in dissatisfaction. However, he thought of Mu Qiuxue in his heart. These words seemed to align with her character. Perhaps this Mu Chen was really her disciple?

Du Huanfeng waved his hand and said. "Alright. I won't force you."

At this moment, the dancers had completed their performance, and their leader came to Du Huanfeng with a pleasant smile. She bowed her head gently, revealing her white assets, and said. "Little Girl Yiyi welcomes Young Master Du to visit our Jade Pavilion."

"Little girl? You don't seem to be little at all." Du Huanfeng teased as he glanced at Yiyi's bountiful mounds.

Yiyi covered her mouth and laughed gently, causing her chest to tremble. "Young Master Du is funny as usual." She turned to look at Yun Lintian and asked. "May I know who this young master is?"

Before Yun Lintian could reply, Du Huanfeng spoke first. "His name is Mu Chen, my brother."

Yiyi's eyes flashed with splendor. To make Du Huanfeng call him a brother, this person was definitely not ordinary. She leaned over and said softly. "Greetings, Young Master Mu. This little girl's name is Yiyi. This must be your first time visiting our Jade Pavilion? If you want to ask anything, please feel free to call Yiyi... Yiyi is willing to serve you at any time."

A fragrant scent blew against Yun Lintian's nostrils as he listened to Yiyi. If Yun Lintian was an ordinary man, he would already lose his mind.

Yun Lintian pretended to be embarrassed and leaned backward slightly before saying. "Thank you, Miss Yiyi. I-I probably won't stay here for too long. No need to trouble Miss Yiyi."

A sly smile appeared on the corner of Yiyi's lips. She didn't expect Yun Lintian would be this "innocent." Looked like this "big fish" couldn't escape her palm tonight.

She lowered her head sadly. "What trouble? Yiyi doesn't mind about it as long as Young Master Mu doesn't hate me."

Yun Lintian became "panicked" and hurriedly said. "How could I hate Miss Yiyi? I just don't want to trouble you."

Yiyi raised her head to look at Yun Lintian with her watery eyes and said softly. "Really? Young Master Mu didn't hate me?"

Yun Lintian nodded his head vigorously and blurted out. "Miss Yiyi is so beautiful. How could I be willing to hate you?"

Yiyi suddenly grabbed Yun Lintian's hand and said happily. "Thank you, Young Master Mu. Yiyi is so happy to hear this."

Yun Lintian's face flushed red slightly. He appeared as if he didn't know what to do in this situation.

Meanwhile, the remaining dancers behind Yiyi secretly rolled their eyes at their leader's poor acting skills. At the same time, they shook their heads in pity to see a "big fish" like Yun Lintian fall into Yiyi's palm.

On the side, Du Huanfeng was snickered in his heart. Yun Lintian's superb acting made him believe entirely that he was someone who came out of the deep mountain recently. Yiyi didn't even do anything much, yet he had already fallen for her. This made Du Huanfeng both disappoint and rejoice at the same time. Disappointing that Yun Lintian was too weak and rejoicing that his background was likely true as he said. He couldn't wait to find Mu Qiuxue's whereabouts now.

Du Huanfeng laughed slightly and said. "I'll leave my brother to you. Don't disappoint me."

Yiyi hurriedly bowed her head and said. "Please rest assured, Young Master Du. This little girl will serve Young Master Mu well."

"That's good. Come, Brother Mu. Let's drink." Du Huanfeng smiled and poured another cup of wine for Yun Lintian.

Yun Lintian seemed drunk by Yiyi's charm and did not hold back further. He quickly drank the wine one after another until his face flushed red, and he began to talk loudly.

Du Huanfeng looked at the "drunk" Yun Lintian and shook his head slightly. He then sent a sound transmission to Yiyi. "Take him to the room and try to ask him about his master's whereabouts. I'll give you a huge reward."

Yiyi's eyes lit up. She nodded her head gently while hugging Yun Lintian. She sent a signal to her subordinates and let them bring Yun Lintian to the room.

Watching Yun Lintian being carried away, Du Huanfeng drank a mouthful of wine and said. "I had overestimated him."

"There's no need to feel bad, Young Master. It's better safe than sorry." Du San said calmly.

"You're right." Du Huanfeng chuckled. "How's the task I gave you?"

"It has been confirmed. There are traitors among Lei Feifei's group. They should have been dealt with by her already." Du San responded.

Du Huanfeng let out a soft hum. "This is interesting. I wonder what kind of reactions of those palaces if this matter goes out? I guess no one has ever expected the Divine Thunder Palace has actually colluded with Poison Valley."

Du San's eyes flashed with a strange light. He could feel the storm start to brew now.

Yun Lintian was brought into a spacious room decorated with red curtains. He was placed on a big bed, appearing unconscious.

"I envy you, Sister Yiyi. This Young Master Mu is so handsome. I secretly checked his assets earlier. I can tell you that it's not small at all. Sister Yiyi will definitely have a great time." The young woman, who carried Yun Lintian to this place, said enviously.

Yiyi rolled her eyes and said. "How dare you secretly check it before me? Are you looking for a beating?"

The young woman chuckled and hurriedly slipped away. "Have a good time, Sister Yiyi. Don't forget to tell us how it feels."

Watching her subordinates rush out of the room, Yiyi shook her head with a smile and turned to look at Yun Lintian's handsome face. She licked her lips gently and said.. "Do you know, little brother? You make this sister so wet already. How are you going to compensate me?"

Chapter 537 - Playing With Fire

"Welcome Island Master Zhou." On the first floor of the Jade Pavilion, a young receptionist hurriedly greeted Zhou Qingyu and invited her into the building.

Zhou Qingyu nodded and asked. "Where's Young Master Du?"

The young receptionist was taken aback for a moment and hurriedly replied. "Report Island Master, Young Master Du is on the top floor... May I know...."

Zhou Qingyu interrupted. "It's alright. I'll go by myself."

"Yes, Island Master." The young receptionist stepped aside and let Zhou Qingyu and Lei Feifei go in.

In the room, Yun Lintian was lying unconscious on the big bed while Yiyi slowly removed her clothes. Her eyes were red as she stared at Yun Lintian's features.

After removing her clothes, she stepped forward and sat beside Yun Lintian. She glided her finger from his head to his chest and down to his crotch. The moment she felt the size of his family member, Yiyi's eyes lit up, and her throat went dried instantly.

She leaned down and gently caressed that part of Yun Lintian while whispering. "Little brother, have you hidden something from this sister? Let this sister look at it, okay?"

Yun Lintian, who was pretending to be unconscious, felt itchy as hot air blew against his earlobe. When he heard Yiyi's playful words, he could help to laugh in his heart. This girl was sure interesting. He was looking forward to seeing what she was going to do next.

At this moment, a strand of red light appeared around Yiyi's hand, and Yun Lintian suddenly felt his body start heating. The certain part of his body instinctively erected, becoming a pole for Yiyi to grab.

"Hehe." Yiyi laughed happily as her eyes stared at the thing in her hand. She caressed gently and pried her hand into his pant. At the same time, she didn't forget to use another hand to remove Yun Lintian's robe.

Yun Lintian didn't mind Yiyi's action as he focused on the strange energy that tried to invade his body. This energy acted like a potent aphrodisiac that could easily make anyone lose their mind.

However, to Yun Lintian, who possessed the Beyond Heaven Profound Vein, this aphrodisiac-like energy could not do much to him. He gently circulated his profound energy to suppress the foreign energy and played along with Yiyi.

Yun Lintian reached his hand out to grab onto Yiyi's bountiful mound and kneaded it a few times.

"Ah~" Yiyi moaned softly upon being teased by Yun Lintian's hand. She turned her head to look at Yun Lintian's handsome face and pulled herself close to him, allowing him to grab her breast in a better position.

Yun Lintian was "aroused" by Yiyi's scent and quickly moved his other hand down to her crotch area that was already soaking wet. This action caused Yiyi to moan louder. She could not wait to eat Yun Lintian directly, but she tried her best to hold herself back in the end. Before she could have intercourse with him, she had to ensure that Yun Lintian was completely losing his mind. Otherwise, her seductive art might backfire on her.

"Why are you so hurry, little brother? Let this sister serve you first, alright?" Yiyi whispered softly and glided her face along Yun Lintian's chest to his crotch area.

Yiyi didn't hesitate to pull Yun Lintian's pants down, and the scene in front of her made her breath rapid. As a veteran in this area, she had seen a lot of these parts before, but none of them could make her have this strong urge to swallow it directly like this.

What she didn't know was that Yun Lintian had deliberately released a wisp of his Yang energy to arouse Yiyi's appetite. While she was trying to make him lose his mind, Yun Lintian also had the same goal.

Yiyi stroked the hot pole a few times before stretching her tongue out and licking it gently. Yun Lintian shivered slightly as he perceived a trace of his Yang energy was sucked away by her.

In the next moment, Yiyi could not control herself anymore. Her entire body was instantly shrouded with red light as she swallowed Yun Lintian's family member while moving her hand up and down.

"Mhm..." Yiyi let out a satisfied moan while moving her head swiftly.

Although Yun Lintian enjoyed her service, he didn't forget to pay attention to the amount of Yang energy that gradually left his body. At the same time, he carefully created a wisp of crimson energy and let it flow down toward Yiyi's mouth.

Yiyi, who was busy savoring the lollipop, had no idea was she was about to face next. Every time she sucked Yun Lintian's Yang energy, she could obviously feel her strength rising sharply. This had never happened before. It was no wonder why Du Huanfeng was paying attention to Yun Lintian. It turned out he was this powerful.

While Yiyi was losing in ecstasy, Yun Lintian carefully controlled the wisp of crimson flame toward her mouth. As Yiyi sucked hard, he didn't hesitate to move it into her mouth and enter her body directly.

Seeing this, Yun Lintian's eyes snapped open, and his profound energy surged violently, causing Yiyi to startle for a moment. Before she could react, she discovered that her Profound Vein had been completely sealed.

"You...!" Yiyi uttered in shock before powerlessly slumping down on the bed.

Yun Lintian slowly stood up and drew himself closer to Yiyi. A playful smile appeared on his face as he lifted her chin up. "How is it? Delicious?"

Yiyi's complexion was pale as a white sheet. She didn't understand how did it happen. She only knew that her life was in Yun Lintian's hand now.

Yun Lintian looked at her beautiful face and said with a chuckle. "Confused? Well, it's not that I am boasting, but you are still far from me in this kind of game." He grabbed Yiyi's breast and kneaded a few times. "Tsk. So elastic."

Yiyi bit her lips and said pitifully.. "What did I do wrong, Young Master Mu? Yiyi is willing to serve you wholeheartedly. There's no need to seal Yiyi's profound vein, right?"

Chapter 538 - Being Caught

Seeing her pitiful appearance, Yun Lintian laughed slightly and said. "Put away your poor acting. The situation has already reached this point. Do you think it is still useful by doing this?"

Hearing this, Yiyi gritted her teeth and said. "What do you want?"

Yun Lintian pinched her breast slightly and nodded in satisfaction. "Not bad. Your face-changing speed is fast enough. I don't know how many men had fallen in your hand." He chuckled and asked. "How long did you work in this place?"

Yiyi let out a soft moan before answering. "Ten years. I have been working here for ten years."

Yun Lintian nodded and asked further. "How did you know Du Huanfeng?"

Yiyi hesitated briefly and replied. "Everyone in the Red Lotus Dancing Hall knows him."

"Red Lotus Dancing Hall? Are you their disciple?" Yun Lintian was surprised.

"Yes. I am an outer disciple of the Red Lotus Dancing Hall." Yiyi answered while carefully observing Yun Lintian's expression. She wanted to see whether Yun Lintian has a trace of fear on his face as she mentioned this. Unfortunately, Yun Lintian didn't seem to fear the Red Lotus Dancing Hall at all.

"No wonder your profound art is similar to her, but this should be the inferior version one... Ah, it seems your dancing hall, and I have some fate." Yun Lintian said calmly. He suddenly thought of Li Na's seductive art.

"You... You have met someone from our dancing hall before?" Yiyi asked in surprise.

Yun Lintian nodded. "Yes." He didn't explain further and changed the topic. "Now I have two choices for you. One is working for me, and another is to die here."

Yiyi's pupils shrank, and she did not know what to say at the moment. What else could she choose? Wasn't it obvious?

"You should have felt it already. I have planted something called Eternal Flame in your body. As long as I move his mind, the flame will instantly turn you into ashes. Hehe. If you don't believe this, you can try it." Yun Lintian spoke calmly. His voice carried a chill, making Yiyi shiver in fright.

"W-what do you want me to do?" Yiyi asked cautiously.

"It's simple." Yun Lintian said. "Before coming here, Du Huanfeng probably told you to find out my master's whereabouts. You can tell him that my master lives on the Heavenly Cloud Mountain."

Heavenly Cloud Mountain was one of the mysterious places in the Central Continent. Yun Lintian remembered this because of its name. It was coincidentally similar to his restaurant's name. As for whether Du Huanfeng believe this, it didn't matter to him.

Yiyi nodded her head slowly. "Understood."

Seeing her tangled face, Yun Lintian said with a smile. "Don't worry. I will remove the flame in your body when I leave this place. After all, we don't have a deep grudge in the first place. Not to mention you did serve me well earlier."

Yiyi didn't know why her face suddenly turned red when Yun Lintian mentioned the serving part. She had done this countless times before, but somehow she felt different facing Yun Lintian. Thinking of this, she secretly glanced at Yun Lintian's lower part and subconsciously licked her lips.

"What? You want to do it again?" Yun Lintian noticed this and teased her a bit.

Surprisingly, Yiyi raised her head and said with her eyes shining. "Can I?"

Yun Lintian was taken aback for a moment. Before he could react, he suddenly felt a warm sensation wrapping around his younger brother. It turned out Yiyi had put it into her mouth.

"Mhm..." Yiyi moaned softly while casting a flirtatious glance at Yun Lintian.

Bang!

As Yun Lintian was about to enjoy Yiyi's service, the door was suddenly opened, revealing Zhou Qingyi and Lei Feifei behind it.

Yun Lintian and Yiyi stopped their activities and looked at the newcomers dumbfoundedly.

Zhou Qingyu and Lei Feifei were frozen on the spot as they stared at the ambiguous scene blankly.

Yun Lintian was the first to react. He moved away from Yiyi and pulled his pants up before coughing. "Cough! Hello, Sister Lei."

Lei Feifei regained her sense and quickly turned her head away. "This... I-I'm sorry. You two go ahead." Her face flushed red in shame, and she quickly slipped away from the scene.

Zhou Qingyu blinked her eyes a few times, and the earlier scene was still etched in her mind. As much as she wanted to forget it, she could not get rid of it. Especially the certain part of Yun Lintian.

"Little Girl Yiyi greets Island Master Zhou." Yiyi naturally knew Zhou Qingyu's identity. She quickly bowed and politely greeted her.

Zhou Qingyu's lips twitched slightly as she glanced at Yiyi's assets... Little girl? That part of yours isn't little at all.

She coughed slightly and pretended nothing had happened. "Put your clothes first and leave this place. I have a business with this man."

Yiyi glanced at Yun Lintian and saw the latter nod his head. She hurriedly put her clothes up and left the room. Before leaving, she didn't forget to send a sound transmission to Yun Lintian. "Young Master Mu, you can call Yiyi at any time. We can continue our unfinished business later."

Yun Lintian's face twitched slightly, and he did not say anything in the end. He turned to Zhou Qingyu and cupped his fists. "Greetings, Senior. May I know what business do you have with me?"

From Yiyi's words earlier, he was certain this person was the Black Jade Island Master. He had no idea why she came to him.

Zhou Qingyu scanned Yun Lintian from head to toe and paused at Yun Lintian's crotch area before raising her head and saying. "You must be Elder Mu, right? I'm confused. How did Feifei recruit you into the group?"

Yun Lintian spread his arms and said. "Senior should ask her, not me."

Zhou Qingyu frowned slightly and was about to say something. Suddenly, she caught a glimpse of a small figure that flashed past her and jumped into Yun Lintian's shoulders.

"Big Brother Yun, why didn't you call Linlin after fishing your business?... Hmm? What is this smell?" Linlin sat on Yun Lintian's shoulder and looked at him suspiciously.

Yun Lintian's body turned cramped, and he did not know how to answer Linlin at the moment.

Chapter 539 - Doubt

Before pretending to get drunk, Yun Lintian told Linlin to find a place to hide first as he had something to do. With her ability, Yun Lintian did not worry much. However, he did not expect she would come back at this critical moment and even started sniffing around.

"Cough! It's nothing, Linlin. Big brother drank too much earlier." Yun Lintian coughed embarrassingly while secretly circulating profound energy to get rid of the smell.

Zhou Qingyu's gaze was fixated on Linlin from the beginning she had appeared until now. She could feel this "snow tiger" was not simple as she seemed to be, but she couldn't think of anything for the time being.

Zhou Qingyu retracted her gaze and said. "You should clean yourself first. I'll wait for you in the private room at the end of the hallway." Following that, she turned around and left the room.

Yun Lintian frowned slightly, as he had no idea why Zhou Qingyu and Lei Feifei came to him at this moment. He put this matter aside and told Linlin. "Linlin, big brother will take a bath first. Do you want to go with me?"

"Mhm!" Linlin replied happily and walked into the bathroom with Yun Lintian. They would occasionally take a bath together when they had time. Hence, there was no shyness between them.

After cleaning himself up, Yun Lintian changed into a new dress and went to the appointed private room.

When he entered the room, he saw Zhou Qingyu and Lei Feifei sitting around a circular table with various dishes.

"Sit down." Zhou Qingyu glanced at Yun Lintian and said calmly. Meanwhile, Lei Feifei did not dare to look directly at Yun Lintian's face, as she felt ashamed. The earlier scene was still lingering in her mind. It was impossible to get rid of it in a short time.

Compared to her, Yun Lintian's skin was thicker. Although he was slightly embarrassed being seen by them, it didn't make him shy away in the slightest. After all, it was a woman that saw him, not a man.

Yun Lintian sat down and placed Linlin on his lap. He looked at Lei Feifei and then Zhou Qingyu before asking. "May I know what's the business Senior have with me?"

"There's nothing particularly. I just want to see a guest elder that my best friend has recruited recently." Zhou Qingyu took a sip of tea and continued. "Let me introduce myself first. My name is Zhou Qingyu, the master of this island."

Yun Lintian politely replied. "My name is Mu Chen."

Zhou Qingyu smiled faintly and asked. "Don't you feel it's inappropriate to use a fake name in front of me?"

Yun Lintian's facial expression did not change in the slightest as he responded. "It is indeed inappropriate. However, please forgive me, Senior Zhou. I cannot tell you my real name... Of course, if Senior Zhou wants to investigate me. I have no problem with that."

While he was speaking this, his mind spun rapidly. Since Zhou Qingyu could guess this, Lei Feifei could also figure out that he wasn't Mu Qiuxue's disciple. He wasn't sure about Lei Feifei's reaction about this, but judging from her look. She didn't seem to have the intention of exposing him... So, she wanted to befriend him?

Zhou Qingyu stared straight into Yun Lintian's eyes for a moment and said. "You are so confident?"

Yun Lintian laughed slightly. "I understand that there's no absolute in this world. It's a matter of time before Senior Zhou and Leader Lei find out about my identity. However, even so, I am certainly confident."

Hearing this, Zhou Qingyu didn't insist on this topic further. She asked directly. "What's your purpose in joining the Black Wing?"

Yun Lintian put the teacup down and replied. "Senior Zhou should be aware that I have no intention of joining the Black Wing group in the first place. If it wasn't because of Brother Su, I wouldn't accept Leader Lei's offer in the first place. So, to ask me this question, isn't it too strange?"

He said further. "As for the purpose of going to the Western Continent. I don't mind telling you two. I am looking for something that can extend one's lifespan."

Zhou Qingyu and Lei Feifei glanced at each other in surprise.

Lei Feifei thought for a moment and asked. "You are approaching Du Huanfeng because of this?"

Yun Lintian nodded admittedly. "This is the first time I visited the Western Continent. I don't have much information about that place. All I know is that the place is full of chaos. With Du Huanfeng around, I can at least have a free bodyguard while learning about the situation."

"You're playing with fire. Do you think your false identity can deceive him forever? The interaction time between you and him is too short. You have no idea how cunning he is." Zhou Qingyu frowned.

Yun Lintian smiled and said. "Thank you for your concern, Senior Zhou. Since I dare to do this, I naturally have my own idea."

Zhou Qingyu stared at Yun Lintian for a long time before sighing softly. "Fine. I wish you good luck then."

Yun Lintian only gave a smile without saying anything.

Lei Feifei seemed to have something on her mind. She kept hesitating a few times as she glanced at Linlin. A while later, she took a deep breath and asked. "Are you coming from the Northern Continent?"

Yun Lintian's brows raised slightly. Looked like Lei Feifei could connect the dot between Linlin and the Thunder Valley. However, it didn't matter to him anymore. Sooner or later, Linlin's identity would be exposed, anyway.

Meanwhile, Zhou Qingyu looked at her best friend in doubt. How could Lei Feifei come up with this?

Seeing Yun Lintian did not say anything, Lei Feifei said further. "In the Northern Continent, there was a place called Thunder Valley. It had existed for thousands of years until several months ago." She glanced at Linlin while clenching her fists, trying to suppress the fear in her heart, and continued. "The rumor said there's a legendary mythical beast resides in that place...."

As Lei Feifei spoke to this point, Zhou Qingyu subconsciously looked at Linlin, who was eating grilled meat heartily, in shock... Don't tell me...

Chapter 540 - The Shocked Zhou Qingyu And Lei Feifei

Watching their expressions, Yun Lintian knew they had already guessed about Linlin's identity. Therefore, he didn't intend to hide it further and admitted it directly. "Yes."

Zhou Qingyu and Lei Feifei's breaths became rapid. Their eyes had never left Linlin for a long time. Who would have thought the legendary White Tiger was standing before them right now?

Yun Lintian didn't explain anything further and continued to feed Linlin, waiting for the two women to recover from their shock.

Zhou Qingyu managed to calm herself down and said solemnly. "You... You aren't afraid we would do something?"

That was not an ordinary profound beast, but the mythical beast they talked about! How could Yun Lintian admit it just like that?

Yun Lintian raised his head and asked with a faint smile. "Will you?"

For some reason, Zhou Qingyu and Lei Feifei felt as though there was a sharp knife pressing on their necks as they looked at that smile on Yun Lintian's face. One had to know they were full-fledged monarchs, yet the Heaven Profound youth in front of them could actually make them feel like this. What was he exactly!?

Lei Feifei took a few deep breaths to totally calm down. Her face became solemn as she spoke. "You must not let Du Huanfeng discover this."

"Don't worry. If it wasn't because you had triggered Linlin back then, there are only a few people who can recognize her true identity." Yun Lintian wasn't blindly confident, but he had noticed this for a long time now. Whether Su Minghai, Lei Jin, and other monarchs. None of them could figure out Linlin's identity. It could be said Lei Feifei was the only exception. But how many people like her out there? He didn't believe there were many people who possessed some innate eyes technique similar to Lei Feifei.

"Speaking of this. I must say that I don't have a good impression of your Divine Thunder Palace. That young master of yours tried to kill me as soon as we met. If it wasn't because I was too weak at that time, I would have finished him long ago." Yun Lintian glanced at Lei Feifei and said.

Instead of getting angry as Yun Lintian had expected, Lei Feifei was smiling in a good mood. "You mean that bastard Lei Jun?"

Yun Lintian's brows raised in surprise... So, she left the Divine Thunder Palace in a bad way? Before this, Yun Lintian thought she wanted to prove herself or something. ;

"It would be great if you could kill him. He's not a good thing. Sometimes, I even doubt whether he's really my sister's son." Lei Feifei's face was full of contempt as she said this. ;

On the side, Zhou Qingyu had no comment about this. She obviously knew why Lei Feifei hated Lei Jun so much. It could be said a part of her mother's death was coming from him.

"You really did a good job. I can't imagine how it would be if... Lord White Tiger falls into his hand." Lei Feifei didn't know what to call Linlin at the moment. As someone who grew up in the Divine Thunder Palace and had been taught the White Tiger was the noblest and most prestigious mythical beast all the time. She didn't dare to disrespect Linlin in the slightest.

Linlin seemed to hear someone mention her. She licked the pork rib that Yun Lintian fed her while tilting her head to glance at Lei Feifei. ;

Seeing this, Lei Feifei immediately became difficult to breathe. The horror experience back then was still lingering in her mind.

Yun Lintian stroked Linlin's head and said. "No need to be nervous. Linlin is such a cute girl. She won't eat you, anyway."

As he spoke, Linlin flashed her sharp teeth at Lei Feifei, causing the latter to shudder.

Zhou Qingyu didn't understand what happened between Lei Feifei and Linlin, but she didn't think Linlin was scary as her best friend thought. On the contrary, Linlin's appearance was extremely adorable. If it wasn't because she knew her true identity, she would have pet her long ago.

"Lord White Tiger's name is... Linlin?" Zhou Qingyu asked cautiously.

"Mhm." Linlin's voice suddenly resounded in Zhou Qingyu and Lei Feifei's minds, causing them to startle for a moment and become excited in the next second. What does this mean? Was Lord White Tiger accepting them?

Yun Lintian and Linlin were naturally unaware of these two women's thoughts. They didn't think it was anything special. ;

"You can call her by her name directly. Otherwise, everyone would know her identity just by looking at your abnormal actions." Yun Lintian said. ;

"This..." Zhou Qingyu and Lei Feifei hesitated. Even though Yun Lintian said so, they did not dare to call Linlin directly.

"I will grant you two permission to call me by my name. Hmph! Remember that I allowed this because of Big Brother Mu. If I found out that you two try to harm him later. You will know the consequence." Linlin's voice was like a thunderclap resounded in the two women's minds.

Zhou Qingyu and Lei Feifei hurriedly nodded their heads and expressed their understandings. It was quite an unbelievable scene to see two peak monarchs lowering their posture in front of the cute tiger.

"Is there anything else?" Yun Lintian suddenly asked. He thought Lei Feifei and Zhou Qingyu had something important to talk about with him. It turned out there was nothing worth his time here.

Lei Feifei quickly spoke. "I'm sorry for disturbing Elder Mu's rest. I indeed have something to talk about with you. Before that, please take this first." She handed a storage ring to Yun Lintian.

Yun Lintian grabbed the ring and looked at the content inside. His face did not change as he saw one million high-grade Profound Stones and various precious herbs in it. He raised his head to look at Lei Feifei, waiting for her explanation.

"This is the benefit that I had promised Elder Mu. Please accept it at ease." Lei Feifei said calmly. She did not feel pity about losing her fortunes at all. On the contrary, she even thought it was too low for someone like Yun Lintian.

"I'll accept this then." Yun Lintian put the storage ring into his interspatial ring and said. "What's the other matter?"

"It's like this. I found the traitors among my group before coming here....." Lei Feifei began to tell Yun Lintian everything about the relationship between her and the Divine Thunder Palace.
