Chapter 62 Albert Knowles

She was so used to calling her 'Iris' that the name almost slipped out again. Charli was still not used to calling her 'Elisa'.

Elisa nodded and walked into the room under the crowd's gaze.

Meanwhile, some of the guys were still looking at her back.

The man who replied to her just now tucked his hands into his pockets as he leaned on the computer desk. Even though he wore a formal suit, one could feel a mischievous air around him.

There was a mole on the right side of his good-looking face. However, not only did it not decrease his handsomeness, it actually had the opposite effect.

He had just turned 28 the day before, but he was still single. Yet, he liked to sleep around, and had had many girlfriends.
