

Read Novel No Way Back Chapter 71-80

No Way Back Chapter 71-Once she finished speaking, Luna Croft looked at Lila Sutton and Jane Fowler from head to toe with an expression of extreme disdain.

Having seized a weakness, she sneered.

“Truly, as expected of someone who mixes with Jane Fowler! A poor girl! Not a single piece of clothing on your body is branded. Pfft!”

Luna even showed off the clothes she was wearing.

“Look! Chanel’s latest limited edition haute couture pieces! The cheapest piece costs ninety thousand dollars! Can you even afford it?

“Not to mention the dress little ***is wearing today. It’s a Burberry high-end limited edition. It’s three hundred thousand. You can’t buy it even with money as only 100 pieces were sold! Aunt Anna specially ordered it from Burberry as a gift for little ****!

“Jane Fowler, didn’t you buy a Porsche Cayenne? Then why can’t you bear to spend some money to buy some decent clothes for yourself? You look. so poor, yet you still have the cheek to cut ties with the Fowler family! The clothes on us are more expensive than the car you bought. What’s there to be ****about?”

Jane and Lila were speechless.

For a moment, they really did not know what to say.

Luna was convinced that she had the advantage, and she was very pleased with herself.

Little did she know that even Madelyn’s expression had turned a little ***.

Because Chu Yue’s counterattack... was such a low ***!

It was so low that even Madelyn could not bear to watch any longer!

This was the perfect example of a bad teammate, one that causes more. problems than she solves!

“Janie, is this what the legendary hillbilly refers to? This is the first time I’ve met such an existence

“And ‘Little ****’? How **. She really makes me want to vomit!

“To even show off a piece of clothing. Hey, green tea *****, as someone

without the blood of a Fowler, aren't you only able to wear that because you occupied Janie's rightful position?"

Lila Sutton mercilessly went into taunting mode.

Originally, Lila was already a famous keyboard magician in the online world.

*To anyone who dared to ***Lila or her friends, she would mercilessly curse at them to the point where they would doubt themselves.*

But in the real world, she was much more reserved and would not speak. up.

There were countless people with personalities like Lila Sutton.

However, because Janie had recently encountered so many freakish and miserable events....

The switch in Lila Sutton's head was flipped.

As long as anyone hurt Janie, regardless of whether it was online or in reality, Lila would fight for Janie! She would curse them all to high heaven! "What... what did you say? How dare you call me a hillbilly?"

Ever since she was born, Luna had never been cursed to her face.

However...

Some passersby had heard Luna's earlier words.

Foolishly, their only thought was that Luna was both beautiful and rich.

Meanwhile, those with even the slightest bit of intelligence were given the impression that Luna was as uncivilized as a nouveau riche.

What sort of person would brag by pointing out how tattered others' clothing was and how much their dresses cost?

This was too unreasonable and it was as if she were promoting social

unrest.

However, everyone still stopped to watch as they were interested in how. the show would proceed.

Wasn't this even better than carousels and roller coasters?

This was especially so because the four of them were all beauties in their own right. A fight between beauties would definitely be exciting.

“Senior Lila, I. I didn’t... I really didn’t... If Janie is willing to return to the Fowler family, I’m willing to let go of everything and leave the Fowler family immediately. I’ll back out and return everything I have to Janie...”

Madelyn continued to cry, acting pitiful. She lowered her head, sniffled, and wiped her tears with her hand.

It immediately aroused the desire of the onlookers to protect her.

“Did they quarrel?”

“She looks so sad...”

“They’re all women. Why make things difficult for other women?”

“They’re all pretty. I didn’t expect them to be so hot-tempered.”

The onlookers began to point and comment.

Lila rolled her eyes in exasperation.

These people must be ****!

Don’t they know that they shouldn’t judge a man until they’ve walked a mile in his boots?

They didn’t even know Madelyn’s name or personality. Yet, just by crying, she instantly seized everyone else’s sympathy?

Couldn’t they tell that this ***was a typical green tea ***who cries. between every line and pretends to be pitiful?

All of their ****must have been flushed down the toilet!

No wonder the actor, Mr. Anderson, had said, “Toward those who don’t know anything yet advise you to be magnanimous the moment they get involved, you should stand further away. Otherwise, when karma inevitably punishes them, you might get caught up in the aftermath!”

It was a wise saying!

When Luna saw that Madelyn had been bullied to the point of tears, she glared fiercely at Lila. “Apologize to *****!”

Lila retorted bluntly, "Then why didn't you apologize to Janie? You even tried to frame Janie for hurting you and pretended to be hurt!"

Luna could not help but curse out loud, moving to throw a slap at Lila's face.

In all her years, no one had ever scolded Luna like that or even refuted her words.

This Lila Sutton truly didn't know that there were some people you just couldn't afford to offend! She decided to teach her a lesson!

And yet...

Her hand was accurately grabbed by Jane.

Jane's arm strength was very strong, and Luna could not break free at all. "Let go of me!"

"Sure."

Jane lightly pushed.

Luna was flung away by an irresistible force.

She fell hard on her ***.

"Ah!"

This time, Luna was in so much pain that her facial features twisted uncontrollably.

"Luna!"

Madelyn quickly went to help Luna up.

"Janie, you... you've gone too far. How could you ***Luna like this? I know that the person you ***is me. If you have any issues, just come at me..."

Aggrieved, Madelyn looked at Jane with red and swollen eyes.

At this moment, someone in the crowd recognized Jane.

*"No wonder she looks so ****. Isn't that the Jane Fowler who sued her biological father, Jack Fowler?"*

"Oh my, it's her. Oh my god, wasn't she on the news recently?"

*"Then is this the adopted daughter of the Fowler family, Madelyn Fowler? I didn't expect that even after severing ties with the Fowler family, Jane Fowler is still so ***and domineering, continuing to **the adopted daughter."*

"I was originally wondering why Jane Fowler broke off ties with the Fowler family. I didn't expect her to be such a vicious woman..."

Madelyn's lips curled into an arc when no one was looking.

*When Lila heard these comments, she was annoyed. "****up if you don't know anything! Otherwise, say it to our faces!"*

With Lila's roar, everyone instantly fell silent.

However, they became even more dissatisfied with Jane.

Luna was helped up from the ground by Madelyn. She shouted, "Jane

Fowler! How dare you push me! I'll call the police and have them arrest you! I'll sue you for intentional injury!"

"You said I hurt you. That was your side of the story.

"But everyone saw you try to attack Lila.

*"What I did is called self-defense. If this really ***up, who do you think will be in trouble?"*

Jane's indifferent words were like a bucket of cold water, instantly splashing on countless people's heads.

What Jane said... the situation just now was indeed as she had mentioned.

They had seen Luna raise her hand to slap Lila Sutton.

Jane grabbed Luna's hand and stopped the attack in time.

Even if Luna Croft was pushed down by Jane afterward, if they really

brought the matter to the police, Luna would still be at a disadvantage for having made the first move.

Madelyn did not expect that her trialed-and-tested move would be shattered by Jane's words.

Even Luna did not know what to say.

She was about to explode from anger.

Jane then pulled Lila and turned to leave.

Seeing that more and more people were arriving and that the situation had now been resolved by Jane, Madelyn did not want to attract any more attention lest it caused trouble for the Fowler family at this juncture.

Even if Madelyn did not understand the current situation, Jack, Anna, and Henry Fowler were all so busy handling the lawsuit in Fowler Corporation that they had been unable to return home for some time now.

Even Dwayne and Peter would leave home early and return late.

Madelyn was confused. Wasn't everything going to be resolved after the press conference? Why was the situation still so serious?

Madelyn wanted to help, but the Fowlers refused her help, telling Madelyn to have fun and not to worry.

Even if anything else happened, Jane was already notorious in the Fowler family's heart, but Madelyn Fowler was afraid that she would be affected.

However, although Madelyn wanted to let the matter go, Luna did not agree!

Luna even shook off Madelyn's hands and rushed towards Jane. Her angry voice was squeezed out from her gritted teeth.

*Jane Fowler, since you and I are not satisfied with how the situation turned out earlier, do you want to have a match? The ***will have to kneel down and bark like a dog!"*

Read Novel No Way Back Chapter 72

No Way Back Chapter 72-Luna was furious!

To let Jane Fowler and Lila Sutton go just like that!

Even before she had been able to vent her anger on them, she had been forced into a humiliating situation!

If she did not get her revenge, Luna wouldn't be herself any longer!

Jane Fowler paused her step.

She turned around and stared at Luna with a mocking gaze that was as shone with the darkness of the abyss.

"Are you sure?"

Jane even took out her phone in front of Luna and turned on the recording function.

When Luna saw this, she immediately asked, "Why did you start recording?"

"If Miss Croft wishes to play, I'll play with you to the end.

"It's just that, you can't judge a book by its cover. You look like the kind of person who would conveniently forget the bet."

"It's just a recording. If Miss Croft loses, at least I'll have a guarantee, right?"

Luna instantly went berserk at Jane's simple reply. Without thinking, she answered, "Then you've agreed!"

"Sure.

"Also, I'll take another step back. It's up to you to decide how we compete."

Luna was stunned when she heard these words.

Jane Fowler must have gone crazy!

She actually left the decision to Luna!

It was obvious that she wanted to lose!

"You... Are you really willing to..."

*"In any case, against a **like you, I can easily win."*

Jane's mocking tone almost caused Luna to go berserk.

*She was trembling with anger as she looked at Jane's ***face*

That was clearly an expression that only Luna was allowed to show.

What right did a piece of trash like Jane Fowler have to look down on Luna Croft?

The trash that the entire Fowler family threw away was not worthy!

“You have guts! When you lose later on and kneel down and bark like a dog, I’ll definitely let the entire world see the video!”

Madelyn, who was following behind, did not speak.

At the same time, she was puzzled.

Where did Jane Fowler get her confidence come from?

*She even handed the decision over the contents of the ****to Luna.*

No matter what, Luna Croft was a member of the Croft family.

No matter how useless she was, she had been incubated with money and given the best education since she was young.

Jane Fowler would definitely suffer a huge loss by underestimating her enemy like this!

“Janie...”

*Originally, even though Lila felt that Luna and Jane’s ****was just a waste of time, and that they should just ignore these ***...*

She still instinctively supported Jane’s decision and believed that Jane would definitely win.

*However, Jane left the choice of the ****to Luna.*

In such a situation, Luna would definitely choose what she was best at.

No matter how powerful Janie was, if Luna chose something that Janie wasn’t good at, Janie would suffer a huge loss!

Jane sensed Lila’s worry and sent her a comforting gaze, indicating that there was no need to worry

In her previous life, Jane had already interacted with Luna multiple times.

Luna was definitely the black sheep of the Croft family.

She ****in a “****” college that anyone could get into as long as they could pay for it, and had to spend money to buy a degree overseas

It could be said that Luna’s only redeeming features were her face and figure, and nothing else.

However, beauty was the most useless attribute in the Croft family.

If Raymond and Diane Croft had not spoiled Luna, she would still have some say in the Croft family.

In addition, she had a decent older brother, Layne Croft, to protect her.

Otherwise, a troublemaker like Luna Croft would probably have been chased out of the Croft family a long time ago.

For such a person, there were only a handful of things that she could be good at.

Jane was roughly able to guess what Luna would choose to compete in. How would she be able to catch a big fish if she didn’t give it some bait? Everything was in the palm of Jane Fowler’s hand.

“There’s an archery range in this amusement park. Let’s compete with that! A one-round ****! Whoever gets the most points will win!”

As expected.

Luna naturally chose her best skill, archery.

This was one of the few skills that Luna was proud of.

Jane switched to video mode, pointed her phone at Luna, and started recording before stating, “Whoever loses will have to kneel on the ground and bark like a dog.”

“Sure!”

Luna had already lost her senses in her rage. She was only thinking about winning the ****and giving Jane Fowler a tight slap in the face to vent her anger.

At that moment, Madelyn stuck her head out and pulled on Luna’s hand weakly. “Luna, let’s stop. We shouldn’t argue with Janie. Janie, Luna’s archery skills are amazing. You’ll definitely lose... We’re all family. Why do we have to go this far...”

Jane could not be bothered to watch Madelyn’s ***act. She pulled

Lila and walked directly towards the archery range.

Madelyn had put in a lot of effort in her act, but the two most important ***members were missing from her stage. It was extremely embarrassing for her

Luna furrowed her eyebrows imperceptibly before complaining, “Sister ***, whose side are you on? I’m defending you, and Jane Fowler was the one who allowed me to decide the contents of the ***. I didn’t force her or anything. We’ve already reached this stage, so how can we let Jane Fowler escape?! I have to make her admit her complete defeat!”

When she saw that Luna was slightly angry with her, Madelyn immediately ***her ***, lowered her head, and kept her silence.

After all, Madelyn had already spoken her words of dissuasion.

She had already fulfilled her duty as a so-called “sister”.

If anyone asked, Madelyn could naturally absolve herself of blame. In the end, when Jane had completely lost, knelt down in front of Luna, barked like a dog, and had her video taken and spread everywhere...

It would be none of Madelyn’s business.

Perhaps it would even help the Fowler family to better resolve this crisis. The Fowler family would also ***Jane Fowler even more. It would completely erase any possibility of Jane Fowler returning to the Fowler family!

At the archery range.

Lila secretly asked Jane, “Janie, do you know archery?”

Jane revealed a confident smile. “Watch closely.”

Seeing this, Lila finally felt relieved and no longer tried to stop her.

At this moment, Andy sent Lila a message on WeChat.

“Where are you, girls? Didn’t you go to ride the roller coaster? How did you end up disappearing?”

Few people knew that Andy actually had a moderate fear of heights.

When taking planes, he would ride in the first-class cabin where he would not feel any bumps. In this comfortable space, he would put on his earphones and go to sleep without much worry.

However, in front of a roller coaster ride, even if he closed their eyes, Andy would still be afraid

Hence, Andy chose to find a coffee shop and drink some coffee while waiting for Lila and Jane to finish their roller coaster ride.

Even so, these two had been gone for too long.

Andy realized that something was wrong.

“Andy, it’s hard to explain it on WeChat. Come here first.”

Lila quickly sent her location to Andy.

“Be right there.”

At this moment.

Luna had already picked up her bow.

Her gloves and professional tools had already been equipped.

Her gaze burned like a flame.

Whenever she shot an arrow, Luna would take a deep breath.

She concentrated.

Whoosh! Whoosh! Whoosh!

Ten arrows flew out.

It hit the target ten meters away.

Her statistical score was 96.

The center of the target was worth ten points. One point would be deducted for each small ring the arrow deviated from the bullseye.

Ten arrows meant that a perfect score was 100 points.

To be able to get 96 out of 100 points was already considered outstanding.

Luna clicked her tongue.

Even though Luna rarely managed to get 100 points in one go during training, Luna's average was still a score of 98.

Perhaps it was because she had been angered by Jane Fowler's **appearance earlier.

This must have affected her breathing and judgment.

96 points. Congratulations, Miss This is the first time someone has achieved such a good result at our archery range."

With a face of surprise, the staff of the archery range hurriedly handed over a small gift.

Luna did not even look at the staff. She stared at Jane Fowler provocatively. "It's your turn!"

Madelyn remained silent. She did not try to be manipulative or provide Jane Fowler with a way to back out of the ****.

She couldn't wait to see Jane Fowler kneeling on the ground and barking like a dog.

And yet.

Jane Fowler appeared extremely calm.

It wasn't just Jane Fowler.

Even Lila Sutton appeared at ease.

This calmness, as if victory was in their grasp, made Luna and Madelyn's hearts skip a beat.

Before they could convince themselves that Jane Fowler was just bluffing. In the next second.

Jane Fowler put on the protective archery gloves and pulled open the longbow.

Without hesitation, one arrow after another.

They flew out.

Their speed was extremely fast.

Ten arrows had flown from her hands, and it took Jane Fowler less than one-tenth of the time Luna took.

Everything happened without the slightest trace of nervousness or hesitation

It was as if she wasn't worried about her accuracy at all.

She did not do anything fancy as Luna did

It wasn't just the staff of the archery range

Even Luna and Madelyn were stunned.

This...

Jane Fowler was actually this strong?!

Eventually.

The scores were out.

An undeniable 100 points.

Jane placed down her bow and looked coldly at the dumbfounded Luna.

Her gaze was 70% mocking and 30% playful.

"Luna, kneel, bark!"

Read Novel No Way Back Chapter 73

No Way Back Chapter 73-Janie is indeed the best~ I believed you could do it!"

Lila leaped for joy.

She had especially played the role of cameraman for Jane earlier.

It was indeed the right choice

Jane Fowler appeared extremely valiant when she shot her arrows. Her nonchalant appearance was simply so handsome that no one could compare.

Not to mention the fact that every arrow landed on the bullseye, easily giving her full marks.

*Lila Sutton ** herself for not being male.*

If Lila was a man, even if everyone would disdain him for overestimating himself...

He would still do his best to pursue Janie.

Who wouldn't like such a beautiful, talented, and powerful girl?

"No... This is impossible..."

Cold sweat broke out on Luna's forehead.

*Her **opened and closed repeatedly, and she tried her best to deny reality.*

Her tongue was already beginning to dry.

Luna had been playing with arrows since elementary school.

In middle school, high school, and university, she had always participated in the archery club.

*She had even represented her club and participated in many cross-city ****and won multiple gold medals.*

This was one of the few things that Luna could confidently show off.

In the Croft Family, it was really very difficult to have a skill that people would praise her for.

Luna was also someone who cared about her reputation. She did not want others to say that she was a spoiled daughter. She wanted to have

something her parents and her brother could be proud of Hence, she practiced archery with all her might

Never in her wildest dreams would she have imagined

That she would lose to Jane Fowler.

This lowly person that Luna had always looked down on!

And she had even lost so badly!

Madelyn subconsciously took a few steps back.

She distanced herself from Luna Croft.

Fortunately, Madelyn did not make a bet with Jane.

Otherwise, she would also have a recording of herself kneeling down and barking like a dog.

She would have lost all her reputation!

“Jane Fowler, how could you be better than me? I’ve learned archery since I was young, and I’ve never stopped training...”

Luna felt like she was in a nightmare.

She even tried her best to convince herself of it, and she was unwilling to accept reality.

But.

Jane once again picked up her bow.

Without even looking at the bullseye.

She casually shot out three arrows.

The arrows landed perfectly on the bullseye.

It was as if she was a terrifyingly accurate machine.

Seeing this scene, Luna could no longer voice her denial.

*What could be more *****and unacceptable than the reality before her?*

There was nothing else...

“Looks like you’re quite proud of your archery skills.

“However, there are some people in this world who can easily trample on trash like you even if they don’t work hard.

“As for me, I’m one of them Luna, someone like you, who is smug about being just a little bit clever, can only become someone else’s stepping

stone”

*As Jane spoke, she took out her phone and aimed her camera at the pale-faced Luna. She clicked on the record ***.*

“Luna, please begin your performance.”

This was the most exciting and anticipated segment.

Luna, kneeling, and barking like a dog.

Luna began to tremble violently.

“No... I can’t! I absolutely can’t!”

If she really did such a thing, and her parents found out, even if they doted on Luna, they would still beat her to death.

This matter would not only affect Luna. It would also affect the Croft family!

Luna turned around and made to run.

However, Jane grabbed her first.

She placed a foot on Luna’s knee, forcing her to scream in pain and fall to her knees.

“I already knew that you were this sort of person. Luna, I don’t want you to waste too much of my time.

“***you owe me, you’ll have to fork it out, even if I have to collect it from your dead body’s bones.”

Jane easily restrained Luna with one hand while recording the scene of Luna kneeling.

She tapped one of Luna’s acupuncture points.

Luna suddenly couldn’t help but bark. “Arf! Arf! Arf!”

After the recording was over, only then did Jane release Luna.

All of this had happened so quickly that everyone was caught off guard.

Andy finally found the archery range and walked in.

Seeing the mess in front of him,

“Uh-huh? Did I miss something interesting?”

Andy displayed unhappiness on his face at the lack of a show

Perfect tuning Lets go, Andy, Lila’

Jane waved the phone in her hand at the two of them

Janie, what exactly happened? You have to tell me clearly later I don't want to miss anything interesting."

"Don't worry. If you want something to watch, I have it recorded for you"

Jane Fowler could not be bothered to pester the girls any longer, leaving behind Luna, who was kneeling on the ground in a daze, and Madelyn, and turning to walk away.

When Jane and her group were some distance away, Madelyn finally dared to move forward and help Luna up. "Luna, are you alright? Hurry up and get up..."

"No... No way! That video cannot be left to Jane Fowler! Little ****, help me get the video back and destroy it!

"If that video really **up and my parents find out, they'll be furious. What's even more terrifying is that Hugh Croft will find out..."

When she thought about this possibility, Luna's teeth chattered.

She was afraid of Hugh Croft from the bottom of her heart.

He was clearly a man who was as noble as a god.

However, after having interacted with Hugh a little, she knew that Hugh Croft was a complete demon.

To Hugh Croft, killing someone and dumping his corpse was a commonplace event.

That was before mentioning the ****of methods for torturing
someone.

Normally, no matter how much trouble Luna caused, Hugh would not care. After all, it was just a matter of someone else's family.

However, if Hugh found out that Luna had done something in public that would make the Croft family's reputation suffer...

Luna Croft would undoubtedly ****!

"L..."

But how could Madelyn get it back?

Luna was obviously scared out of her wits and desperately throwing her

lots

Heavens' Madelyn regretted believing in Luna. Luna had been so confident in her skills and was so sure that she could definitely humiliate Jane Fowler

But in the end, she lost out and was forced to kneel down, completely barking like a dog. Who else could she blame?

At this moment, Madelyn Fowler's phone rang.

When she saw the caller ID, Madelyn felt as if she had been thrown a lifebuoy and hurriedly pressed the answer ***...

Jane told Andy what had happened when they went towards the roller coaster ride.

"How unlucky! How could I have missed such an interesting thing?" Andy facepalmed.

"That's right, Andy. You didn't even see... how handsome Janie looked when she shot the target and humiliated the other party!

"I was completely mesmerized by Janie! Ahh! I'm becoming *****just for her! Janie, how about I pursue you? After meeting you, I can't fall for anyone else. Let's just become lovers."

Lila's voice was entirely serious, with not a trace of her joking.

As long as Jane agreed, Lila would truly change her sexual orientation.

Jane coughed lightly. "Sorry, Lila~ I still like men."

"Ah! I was rejected! My heart's bleeding!"

Lila truly felt as if she had been dumped after confessing.

It was extremely vexing.

"Cheer up, Lila. Let me tell you this, I've also pursued Janie before. I was completely rejected. Treat it as me comforting you."

Andy patted Lila's shoulder.

The rejected duo was formed.

"Boohoo... Even if you say that now, I still feel terrible."

It's normal to like Janie and want to pursue him Janie is just too outstanding, so it's very sad to be rejected so decisively"

Lila displayed a bitter expression on her crinkled face

Andy nodded empathetically. "Yes... That's true. When I was rejected after confessing to Janie, I had to drink a lot to get through my depression."

"You two... Don't speak nonsense. Come, let's go play at the 5D outer space together."

This was to prevent these two who had confessed to Jane from complaining.

It made Jane wonder if she had gone too far.

She had suffered humiliation from Luna in her previous life. Now that she had found an opportunity to take revenge, she was in a good mood. When Jane and the others finally had enough fun, dusk had arrived. They finally walked out of the amusement park.

*Lila smiled brightly. "I had a good time today. I witnessed Janie's powerful display and ruthlessly humiliated two green tea ***! I'm so happy! Come, Janie. I'll reward you with potato chips~"*

Jane held Lila's hand and chewed the snack that Lila's other hand fed her.

At their side, Andy was being very considerate as he helped Jane hold a cup of iced milk tea, occasionally moving the straw nearer for her to sip. Jane Fowler was being pampered like a princess.

It was as if she was the center of the world, enjoying all the warmth, happiness, and beauty that existed.

People passing by looked at Jane with gazes of envy.

When they were close to the bathroom near the entrance of the amusement park, Lila expressed that she wanted to go to the washroom and that she had been holding it in for a long time already.

However, the truth was that Lila found it really embarrassing to say that she wanted to go for a big one.

Ahhh! It was a little embarrassing to say this in front of Janie and Andy!

Why couldn't she be like the 2D beauties who didn't have any urgent needs in life? She cried inside her head.

Andy coincidentally received a call from Trois Zacks with regards to AD Law Firm in Rheinsville

After all, Andy was the boss of A.D. Law Firm and many important matters still had to go through Andy's decision.

Andy had been in Stormton City for so long that it was inevitable that his work efficiency would decrease.

Jane had no desire to go to the toilet, so she said that she would head to the cafe at the entrance of the amusement park to wait for Andy and Lila to be done.

When Jane arrived at the cafe, she ordered a warm latte and basked in the evening sun. The crimson shade of the setting sun was like a paintbrush, drawing the exquisite outline of Jane's breathtaking figure.

Jane sat in a seat outside the cafe. She held her cup in her hands and took a gentle sip.

Her eyes were narrowed, and she was like a cat that was lazing around, enjoying the warm time before sunset.

At this moment.

"Jane! Fowler!"

An untimely voice broke the beautiful drawing.

Hearing this voice, Jane's eyes suddenly turned frosty.

It was clearly such a happy moment for her.

Jane had been going crazy and having fun together with her two most important friends.

Why couldn't these parasites just let Jane Fowler go?

*Must they ***Jane Fowler's blood before they could be happy?*

Jane turned her head

She saw an angry Dwayne Fowler walking towards her.

*Behind him was Peter Fowler, a very **expression on his face.*

"Are you two perverts? Do you have to follow me wherever I go? Can't you understand the meaning of 'you go your way, I go mine'?"

“Security, there’s a stalker here! Help!”

Jane did not hesitate to call for the amusement park security guards near her.

Dwayne Fowler’s low and rough voice sounded as angry as an awakened lion. “Jane Fowler! Hand over the video you took and destroy it! Otherwise, I’ll teach you a lesson!”

If not for his remaining rationality restraining Dwayne Fowler...

Dwayne would have already charged forward and given Jane Fowler a harsh beating!

He would beat her until she found her teeth all over the ground, vomited blood crazily, and knelt down to beg for mercy!

Read Novel No Way Back Chapter 74

No Way Back Chapter 74-Jane couldn’t be bothered to argue with the hot-tempered and one-track-minded Dwayne Fowler.

She was still shouting for security.

*Seeing this, Dwayne grew even more furious. He rushed forward with the intention of blocking Jane’s **. “Stop shouting! Don’t you feel*

embarrassed?”

As the situation had mostly been resolved, Dwayne and Peter Fowler finally managed to squeeze out some free time.

Anna Fowler had been worried that these recent events would put an inexplicable amount of pressure on Madelyn. Even though Luna was accompanying Madelyn to the amusement park today, she was still worried.

Hence, she tasked Dwayne and Peter Fowler to come over and take a look.

Otherwise, they would not have known that the evil woman, Jane Fowler, had bumped into Madelyn and Luna at the amusement park, and had even bullied them unreasonably!

She had even forced Luna to kneel down and bark like a dog, and had caught it all on camera!

To Dwayne, Luna was like a younger sister. Even if she was not as close to him as Madelyn, she was still his younger sister.

She was Diane Croft's precious daughter and had played with Dwayne since they were young.

****Luna was equivalent to ***Dwayne Fowler!*

How could he swallow his anger?

"Dwayne, no!"

Peter quickly went up to hold Dwayne back.

Dwayne looked at Peter in disbelief. "Peter, why are you stopping me? Are you going to let her continue shouting?"

"Dwayne, don't take action..."

Peter bit his lips lightly and his eyes revealed a pleading look.

Peter was truly afraid With Dwayne Fowler's fiery temper and Jane Fowler's recent actions against the Fowler family

Dwayne would be unable to control himself and hold back from attacking Jane

Seeing Peter like this, the anger in Dwayne's heart slowly extinguished like a flame under a basin of cold water.

Peter, could it be that... you...

"Why did you stop him? Peter, were you worried that Dwayne would really beat me up and go to jail?"

*"Well, at least you have some brains. You know that Andy has a good relationship with me, and that if Dwayne attacks me, his ***as a WWE Tournament Champion would be replaced with prison convict!"*

Jane remained in her original position with her arms crossed and a mocking smile on her red lips.

"I... I didn't mean that... Jane..."

Peter was stunned.

Actually, Peter didn't think so much about the situation earlier.

He simply didn't want Dwayne to attack Jane.

However.

Would Jane Fowler believe in him now?

In Jane's mind, this self-proclaimed brother of hers had long been labeled with tags such as "trash", "****", and "****".

"Jane, don't be so harsh with your words! Peter only wanted to protect you!"

Dwayne felt indignant for Peter when he heard Jane's mocking words. He gritted his teeth and shouted back.

Peter, oh Peter. Was such a Jane Fowler worthy of you feeling guilty towards? Is she worthy of your protection?

It was clearly all Jane Fowler's fault. If it weren't for Jane being calculative and unable to accommodate Madelyn, severing ties with the Fowler family, and even backstabbing the Fowler family with a lawsuit....

How had things come to this?

Even if Peter had lied, it was for the Fowler family. It was also a disaster that Jane Fowler had brought over!

No one had the right to blame Peter!

Not even Jane!

"What happened?"

The security guards heard Jane Fowler's cry for help and rushed over.

Many people were also watching from the surroundings.

Jane immediately said, "Help! The two of them are stalkers. They even cursed at me! Help me call the police!"

"Ah... this..."

The security guard looked at Peter and Dwayne Fowler. Although he did not know who these two were, just from their clothes, looks, and presence... They didn't seem like stalkers?

"She's my younger sister. This is a family matter!"

Dwayne did not expect Jane to lie through her teeth like this. She didn't even blink or appear nervous in any way, simply acting in an unreasonable manner!

No wonder Henry had warned Dwayne to be careful when dealing with this manipulative and lying girl.

If it was Madelyn, she would never do such a ***or humiliating thing.

Gosh, the more Dwayne interacted with Jane, the better he understood how pure and beautiful Madelyn was.

In comparison, Jane Fowler was so unbearable and cheap.

And yet, Jane Fowler and Dwayne Fowler were blood-related siblings.

Madelyn was not!

This was simply the biggest joke crafted by the heavens!

"Family conflict?"

The security guard took another serious look at Dwayne and Jane Fowler.

He suddenly realized that Jane looked a little ***.

You guys aren't you from the Fowler family?"

Someone recognized Jane

I'm not from the Fowler family. They have nothing to do with me. Don't

*****nonsense. I've already cut ties with them.

"These two people are strangers. They wantonly stalked me!"

Jane immediately denied it multiple times.

Her gaze grew cold.

Right now, even being related to the Fowler family was enough for Jane to feel disgusted and want to vomit!

The security guard was in a dilemma.

No matter how one looked at it, this was still a family conflict.

There was no way for him to get involved.

“Jane Fowler, stop embarrassing yourself. As long as you delete the video of Luna, we’ll leave immediately!

“Are you trying to ruin Sister Luna with this video?!”

If it weren’t for Luna, Dwayne would not have bothered to speak with Jane. But now that he saw Jane, his eyes had turned red with rage, as if he had met an archenemy, especially since Jane’s ***was especially foul and she would always be able to say words that could anger a person to death. Dwayne truly did spend a lot of effort to resist the urge to strangle Jane to death right before him!

“Ruin? Sister Luna?”

“My... what an intimate name.”

Jane narrowed her eyes and exuded a threatening aura.

“So, in your eyes, in Dwayne Fowler’s eyes, even someone with a different surname from you can be considered a sister that you would cherish and protect...”

When she said this, Jane’s voice was extremely calm.

However, it carried with it a noticeable tone of self-mockery.

It was extremely heavy.

Jane, oh Jane From the looks of it, your previous life has really been a complete failure

Not to mention Madelyn Fowler, she could not even compare to Luna Croft

She should have recognized this fact a long time ago.

However, she still humiliated herself like this and ended up with not a single bone remaining.

There was one thing that the Fowlers were right about.

*Jane Fowler was a deplorable **.*

She was so deplorable for wanting these things that would never belong to her.

What was the point of having the same blood?

*The only person who really cared about such a thing was that lowly ***, Jane Fowler.*

Peter saw the expression on Jane's face.

He suddenly felt a sharp pain in his heart.

It was so painful that he felt like he was suffocating.

It was as if someone had stabbed Peter's heart with a needle.

Peter had never felt this way before.

However, too many things had happened recently.

His misunderstanding of Jane Fowler, the slandering, lying, and shifting of the blame...

Peter gradually began to reflect on what he had done to Jane Fowler.

About what the entire Fowler family had done to Jane Fowler.

In the past, in their hearts, Jane could never compare to Luna in terms of status.

Even though she was not as good as Madelyn, Luna often came to the Fowler family to play when she was young, and the seven brothers treated Luna and Madelyn equally.

The foundation of their relationship over the years was completely beyond the reach of Jane Fowler, a new "stranger" who only had blood relations with them.

And they took all these things for granted.

They treated Jane Fowler like a dead sister who shouldn't exist.

Disgust, indifference, disregard, and humiliation. Hypocritically.

Now that he stated it in his head, what a joke...

A blood-related sister who had been missing for 19 years could not compare to an outsider.

Peter felt that he had truly failed as a brother.

He was not worthy of being Jane Fowler's brother!

"Of course. Auntie Diane and Mom have such a good relationship. I've watched Luna grow up. How could I ignore you when you bullied her?!"

Dwayne did not care what Jane was thinking and spoke without hesitation. "Dwayne!"

Peter suddenly shouted at Dwayne.

Even Dwayne did not expect Peter to be so agitated.

For a moment, he was in a daze. Then, he finally spoke.

“Peter, what... what’s wrong?”

Peter’s face turned slightly red. He clenched and unclenched his fists over and over again. In the end, he endured his internal struggle and said, “Dwayne... Don’t speak to Jane like that. No matter what, she is still our biological sister.”

Dwayne was dumbfounded.

Jane fell into silence.

Read Novel No Way Back Chapter 75

No Way Back Chapter 75-In truth If not for the fact that there were too many people watching...

Dwayne would ask Peter if he had gone crazy.

How could Jane be their biological sister?

She was just an enemy who jeopardized the Fowler family’s safety, an enemy that he wished he could get rid of!

But looking at Peter’s eyes...

Dwayne couldn’t say anything.

It was because Dwayne could see guilt, heartache, and regret in Peter’s eyes.

What exactly had happened?

Why did Peter suddenly feel guilty about Jane Fowler?

“Hah hah hah...”

Jane reacted as if she had just heard a huge joke.

She could not help but laugh out loud.

Her laughter was filled completely with mockery.

Truly, she was laughing so hard that her stomach hurt and her tears fell.

‘Jane Fowler, that’s enough! You heard what Peter said and you still dare to laugh!’

Dwayne really believed that Peter’s regret was not worth it.

What was there to feel guilty about for a sister like this?

The Fowler family had done nothing wrong. They had never owed Jane Fowler anything!

Even if they did, because of this lawsuit, the humiliation and negative impact on the Fowler family had already paid off what they owed!

Peter didn’t even have the courage to look at Jane.

He had done so many things to hurt Jane Fowler.

*Now, no matter how much Jane ***Peter, no matter how much she mocked Peter it was all justified*

Peter did not have the strength nor the right to refute her

*He was too ***to show his face to her.*

I’m sorry. It’s because you guys were really too funny. Are you guys performing a play? One is playing the good cop, and the other is playing the bad cop?

*“Peter Fowler, are you ***ill? If that’s the case, hurry up and go to the hospital to check your brain. I’m not responsible for dealing with *****patients here.”*

Jane Fowler was their sister?

What a joke!

This was the funniest joke Jane had heard since she had been reborn!

*And such a joke had even come out of Peter Fowler’s ***.*

Jane had never expected such a thing.

How had she not seen Peter’s talent in playing a clown before now?

“I... I’m not... It doesn’t matter if you believe me or not. I was telling the truth.

“Jane, I’ve already thought it through. You are indeed my biological sister. This is an undeniable fact.

“I was serious about my apology at the press conference...”

Peter was still trying to explain himself in an unconfident tone.

“Peter Fowler, how dare you mention the press conference?

“It’s true that you apologized to Jack Fowler, but didn’t your manipulative actions and words continue to slander me time and time again?

“You organized your online army to crazily push the blame onto me. You said that I was petty and unreasonable. That I wasted the country’s resources for such a small matter and went to court just to waste everyone’s time.

“Those weren’t even the worst things you’ve said. You said that I’m ungrateful and stabbed my biological father in the back, that Jack Fowler might as well strangle me to death when I was born.

Jane carefully recounted the **and despicable actions of the Fowler family

Her face was expressionless.

Her voice was calm.

It was as if she was talking about someone else.

However, every word that came from Jane’s ****made Peter’s face turn even gloomier.

And when she finally finished talking, Peter was at a loss for words.

“No... That’s impossible... Why would Big Brother do that? He clearly said that it was just a distraction...”

When Peter went to the company to help, because the other rival companies and Hugh Croft personally stepped forward, all of the comments made by the Fowler Corporation had been bombed and erased.

He had no idea that such a thing had happened.

Jack Fowler and the others had clearly said that as long as Peter cooperated and put on a show, this storm would quickly subside.

However, the way they cooperated...

It was to allow the Fowler family to use such a ***method to slander Jane Fowler?

Peter gradually felt his blood run cold and began to doubt his actions.

In front of Jane Fowler, his legs began to turn soft, and he couldn't bare to look at her any longer.

"Whether or not it's true is something that you can find out once you put some effort into it. Peter Fowler, you've already cooperated with the rest of the Fowler family to attend the press conference to lie, yet you still pretend not to know. How **!

"What's more, you knew very well that you fainted because you're useless and couldn't take the ***. At that time, wasn't what you said at the conference just an advanced form of lying? Didn't you push the blame on me?"

Jane Fowler had never seen a man as ***and as useless as Peter

Fowler

if he already did it, why did he find it ***to admit it?

If he found it ***, then he shouldn't have done it from the start!

After doing such a despicable thing, he still wanted to maintain a good reputation in front of the victim, Jane Fowler, and pretended that he knew nothing?

Playing around?

Was he fooling around?

*How **!*

Why had Jane Fowler once been heartbroken, tortured, and shed countless tears for such a man...

When she thought about it, Jane wanted to strangle her past self!

*Too******

"Enough, Jane Fowler. Peter really didn't know about these things. These things... were thought up by Henry and me."

Dwayne also knew that it was embarrassing to voice out the truth, so he deliberately lowered his voice.

However, this was for the good of the Fowler family.

Dwayne Fowler did not believe that he had done anything wrong.

The only mistake was that he did not object to Anna Fowler getting Jane Fowler back.

If he had known that Jane was such an ungrateful ***** parasite, he would have rushed back to stop Jane Fowler from returning to the Fowler family even if he had to ****and give up the ****!

So what if he slandered Jane Fowler?

If not for Jane Fowler's unforgivingness and conniving nature, how could things have developed to this point?

The one she fought against was Jane Fowler's biological father! Jack Fowler!

Jack Fowler panicked because he was worried about Peter's injuries and misunderstood Jane Fowler.

Why couldn't Jane Fowler be more understanding?

Without Jack Fowler, Jane Fowler wouldn't exist!

Not to mention the various actions Jane Fowler had committed in her jealousy toward Madelyn Fowler...

Dwayne Fowler did not feel even the slightest shred of guilt toward Jane Fowler at all!

He would never!

"Dwayne, you..."

Peter looked at Dwayne in shock.

It was as if this was the first time he had met Dwayne.

Why...

Dwayne Fowler was clearly not such a person.

Although Dwayne had a fiery temper, his heart was extremely righteous.

Among the seven brothers, he was the one who disdained using such despicable methods the most.

Even for the sake of the Fowler family, Dwayne Fowler had gone too far. "Peter, you don't have to look at me like that. I've said it before. For my family, for the Fowler family, I'll do anything.

"Even if it costs me my life, I will hand it over without a frown.

"I didn't want to tell you about this because I was afraid that you would think too much. Even though you know it now, there's nothing you can do about it.

*"Also, Jane Fowler, don't forget what you did to our Fowler family. You collaborated with the Fowler family's enemies to spread the news in advance and got them to deal with Fowler Corporation together to lower the share price and affect public opinion. Don't pretend to be aggrieved. "We're just going ***for tat!"*

Dwayne did not feel as if he had done anything wrong.

At the same time, he felt that Peter was overreacting.

Peter's heart should be like Dwayne's. As long as it was for the Fowler family, he was willing to go to any distance, even go through hell or high water.

Before his family, any and all moral rules could be broken!

Dwayne Fowler, thank you for letting me watch a good show You've refreshed my worldview once again."

Jane could not resist applauding Dwayne Fowler.

Jane Fowler. I really didn't know... Big brother and the others would do this

Peter's voice began to tremble.

He felt as if the indestructible values and beliefs he had learned since he was young gradually collapsing.

Never in his wildest dreams... could he have imagined that his family would use such despicable methods on a woman.

Especially since this woman was not a stranger, nor an enemy to be killed.

Instead, she was Jack Fowler's biological daughter, the person who Anna Fowler had carried for nine months before giving birth to her under threat of death. She was their biological sister who had been missing for 19 years!

"Peter Fowler, don't you feel tired of acting like this? I'm beginning to feel tired for you.

"You didn't know? You had already considered all the consequences when you lied and slandered me. You're just unwilling to accept it.

"You're so wishy-washy. Did you learn Madelyn Fowler's manipulative skills? You can't even compare to Dwayne Fowler! At least he admits that he's a despicable person! You're more annoying than he is!"

Jane could tell that Peter Fowler really did not know what the Fowlers had done.

But even then, so what?

Peter Fowler had already predicted this from the beginning.

It was just that he pretended not to see, and used that fact to numb himself.

Jane's words exposed Peter's true thoughts.

In an instant, Peter's expression became extremely colorful and rich.

His clenched fists also began to lose strength.

It was as if Jane Fowler could read minds.

She would always read Peter Fowler's heart.

*Using the ****, most direct, and irrefutable words.*

She completely destroyed Peter Fowler's pretense.

Until there was nothing left...

*Peter felt as if he had been stripped *****and thrown onto the streets. Everything had been exposed.*

He did not have any privacy left remaining.

*Embarrassment, **, and unbearable guilt overwhelmed Peter like a tidal wave.*

"That's enough, Jane Fowler. We're not here to talk about these useless things. Hurry up and give me the video!"

*Dwayne did not want to continue fighting with Jane. If not for this **. video, Dwayne did not want to meet Jane at all.*

Every time he encountered Jane Fowler, nothing good would happen! What kind of biological sister was this? She was clearly a jinx!

"You want it? Then come."

After saying that, Jane turned around and ran.

Dwayne couldn't react.

Read Novel No Way Back Chapter 76

No Way Back Chapter 76-Dwayne Fowler Startled. Dwayne paused for a moment only to realize that Jane Fowler had run and was now more than ten meters away from Dwayne.

"She's so fast!" Dwayne thought.

"Stop right there!"

Dwayne Fowler shouted and immediately gave chase.

The crowd subconsciously stepped aside as they made way for Dwayne Fowler and Jane Fowler,

Shortly after, Peter Fowler broke out of his reverie.

"Jane Fowler... I'm really sorry..."

"What Jane Fowler said was absolutely right.. I'm such a ***..."

Peter Fowler muttered as he felt apologetic towards Jane Fowler.

Feeling sorry, Peter also chased after Jane and Dwayne.

At least this time, Peter Fowler didn't want to add to his guilt towards Jane Fowler and apologize once more to her

Peter Fowler felt that he had to protect Jane Fowler from any harm caused by Dwayne Fowler!

Barely able to catch up to Jane, Dwayne managed to follow Jane into a small alley.

There was no one around.

Dwayne Fowler did not feel tired from running after Jane. In fact, Dwayne felt that the distance that he had just ran was barely a warm-up exercise for him.

However...

Dwayne Fowler couldn't help but think that Jane Fowler was really fast.

There were several times when Dwayne Fowler almost lost Jane Fowler when Dwayne was chasing after Jane

Perhaps it was Dwayne Fowler's imagination.

Dwayne Fowler thought that Jane Fowler had deliberately slowed down to wait for him.

'Jane Fowler, there's no means of escape for you now. Hurry up and hand over the video!'

The alley only had a single entrance and there were no other exits.

Trapped in the alley, Jane Fowler was caught by Dwayne Fowler.

There was nowhere to run.

"Video? Oh, do you mean this?"

Jane Fowler took out her mobile phone and asked.

Jane Fowler then played the video right in front of Dwayne Fowler.

In the video, Luna Croft was forced to kneel and bark like a dog by Jane Fowler.

Jane Fowler even turned up the volume of the video to the maximum.

"What a masterpiece, isn't it?"

"I bet it will be very interesting if this video were to be uploaded online, Jane said.

"Don't you dare!" Dwayne shouted.

Dwayne Fowler did not even dare to think about how ashamed Luna Croft would feel if this video was uploaded online. Anxious, Dwayne rushed forward in an attempt to snatch the mobile phone from Jane.

With Dwayne's height of 6 feet 3 inches and coupled with his extremely trained physique, one could feel a sense of oppression when Dwayne pounced like a lion who was hunting its prey.

A huge shadow instantly engulfed Jane Fowler.

All that was on Dwayne Fowler's mind was to snatch the mobile phone back. Hence, Dwayne did not put up his guard when he approached Jane Fowler.

"Although Jane Fowler is like a clever fox, how is it possible that she could pose a risk to me who is the king of the forest?" Dwayne Fowler thought to himself.

However, Jane Fowler nimbly dodged Dwayne Fowler's pounce and lifted her foot in an attempt to kick Dwayne.

Jane's kick was aimed at Dwayne Fowler's lower body.

Dwayne Fowler's face fell when he saw where Jane was aiming and he was barely able to dodge Jane Fowler's kick.

The whooshing sound of Jane's kick cutting through the air could be heard.

The single kick from Jane Fowler made Dwayne Fowler feel that something was wrong

"What a ferocious kick!

"Jane Fowler had been trained in the past!"

Realization dawned on Dwayne Fowler as these thoughts ran through his mind.

However, it was too late.

Jane Fowler's left foot stepped onto the wall nimbly and her body spun in midair.

Making use of the momentum, Jane Fowler kicked Dwayne Fowler's face with her right foot.

At that moment, the rays from the setting sun which shone onto the dark alley illuminated Jane Fowler's pale face.

Jane Fowler's neat and tidy black hair swayed in the wind

Jane Fowler's body was bathed in light and it was as if Jane was part of the light too

Jane was like a female War God with wings on her back

It was as if Jane was unstoppable

Dwayne Fowler felt a blinding flash before his eyes.

Dwayne could not follow Jane Fowler's movements.

Caught off guard and unsteady on his feet, Dwayne could only rely on his many years of martial arts practice and gut instinct to defend

Dwayne positioned his right hand to defend against the direction where Jane Fowler's kick was aiming at

Fearless, Jane Fowler's solemn eyes narrowed and locked on to the weakest part of Dwayne Fowler's right arm.

It was the elbow joint, which was one of the most fragile joints in one's body!

When Jane's kick landed a hit on to the weakest part of Dwayne Fowler's right arm, the cracking sound of a broken bone could be heard "Ahh!"

With his right hand crippled from Jane's kick, Dwayne Fowler could not help but scream in pain.

Dwayne's face immediately flushed red, and his eyes turned bloodshot. At that moment, sweat could be seen dripping down from Dwayne's forehead and his body was drenched with sweat.

Covering his right arm, Dwayne bent over and howled continuously in pain.

"Is that what a World Wrestling Entertainment Tournament Champion can do? Ha, what a ****!"

Jane Fowler definitely would not give Dwayne Fowler a chance to catch his breath.

A clean left hook landed on Dwayne Fowler's face.

Bang

Dwayne Fowler, who weighed nearly 170 pounds, was actually smashed into the wall by Jane Fowler's left hook!

If anyone else were to witness this, they would definitely think that Jane Fowler had cheated.

Even though Jane Fowler was nearly 5 feet 7 inches in height, one could tell from her figure that she definitely did not weigh more than 100 pounds

It was basically impossible for someone who weighed 100 pounds to be able to smash a man who had a height of 6 feet 3 inches and weighed 170 pounds into the wall. This was especially so when the man was the World Wrestling Entertainment Tournament Champion with an almost perfect physique!

However, Jane Fowler had managed to do the unbelievable!

Dwayne Fowler even lost a tooth!

Blood flowed from the corner of Dwayne's ***and slowly, the sticky blood dripped to the ground.

Jane Fowler raised her foot and stepped on Dwayne Fowlers face.

"Did you think I really wanted to run away? I just wanted to find a place with nobody around and with no surveillance cameras so that I could beat you up."

"Do you really think you're superior just because you were from the Fowler family? Do you think that you're invincible just because you had received a gold medal?"

"In my eyes, you're just like a clown who's feeling smug in this glamorous world. However, what you do not know is that you're just a puppet on a string."

Jane Fowler disliked Peter Fowler's ****.

Jane Fowler disliked Dwayne Fowler's sense of self-righteousness.

However, it was Dwayne Fowler who chased after her this time.

Dwayne Fowler was also the person who initiated the fight by making the first move.

Therefore, Jane Fowler gave Dwayne a taste of his own medicine.

Dwayne Fowler had always presumed that his attacks were the most powerful. However, Jane Fowler used Dwayne's attacks against him. With Jane's attack, she shattered the pitiful shield that Dwayne had always assumed to be glamorous and invincible.

Jane Fowler broke Dwayne Fowler's pride and self-esteem!

Seeing how Dwayne Fowler was powerless to fight back, Jane Fowler couldn't help but think to herself.

"Hmm.

"How satisfying!"

Jane Fowler aimed at Dwayne's face and stomped down hard several more times.

It was as if Jane wanted to trample Dwayne Fowler's ***into pieces.

After all, Dwayne's foul **** had uttered countless insults to Jane Fowler.

Jane was also taking revenge for the cowardly Jane Fowler which she had been in her previous life

"Dwayne is really a ****! Was Dwayne really worthy of the heartfelt devotion of the former Jane Fowler? "No!

"It's totally not worth it!" Jane Fowler thought to herself.

Dwayne Fowler's **** was filled with the taste of blood from Jane's stomping

Dwayne's right hand and face were in great pain

However, as compared to the pain that he was currently feeling due to his broken pride, Dwayne felt that his heart ached more than his body

did

In his rage, Dwayne Fowler's face flushed red as he let out a deafening roar just like a wild beast.

Dwayne swung his uninjured left hand forward.

However, Dwayne could not catch Jane Fowler.

Jane Fowler had spun backwards and immediately pulled away from Dwayne Fowler.

"Jane Fowler!"

Dwayne Fowler roared. At that moment, Dwayne Fowler had already lost his mind and did not care if Jane Fowler was a woman or his biological

Sister

Right now, the only thought in Dwayne Fowler's mind was to crush the *** who had ambushed him into pieces.

The pain and humiliation on his body prompted Dwayne Fowler to get to his feet quickly. Dwayne then reached out his left hand and tried to punch Jane Fowler.

In his anger and pain, Dwayne Fowler used 120% of his strength in his punch.

Looking at the huge fist which was piercing through the air from the force of the punch, Jane Fowler had no doubt that if this punch hit any part of Jane Fowler's body, it would be a fatal hit.

However.

“Too slow.”

Jane Fowler smiled contemptuously

During the years after Jane was adopted and raised by the Teacher, Jane Fowler had learned Chi from the Teacher

In addition, after joining the Darknet, Jane Fowler had been preparing for a rainy day. Over the years, Jane Fowler had never dared to slack off in her cultivation of Chi

Jane knew that this was her trump card, and her life-saving skill.

Thanks to the talent that was brought about by her Type Omega blood, Jane Fowler had displayed an extreme speed in picking up skills. It was as if Jane was talented in everything that she was learning and would excel in it

If one could hone one's Chi to the point of perfection, it would bring about a qualitative change to one's body.

For someone like Dwayne Fowler who had only undergone strict physical training, it was a realm that they could never reach.

As Jane's Chi flowed through her body, Jane felt her body become incredibly light and Jane's eyes brimmed with radiance.

In Jane Fowler's eyes, it was as if Dwayne Fowler's movements were replayed in slow motion.

If one were to say that Dwayne Fowler was a venomous snake, then Jane Fowler would be a cat.

It did not matter how deadly the venom and fangs of a venomous snake were.

Jane Fowler could only make a single mistake.

If Jane were to make a mistake, it was for sure that Jane would be dead.

However, under the cat's reflexes and watchful gaze.

Not even once did the venomous snake's attack managed to touch the cat.

Absolute speed was definitely far superior to mindless violence!

Jane Fowler easily dodged Dwayne Fowler's furious and powerful punch.

Turning sideways, Jane circulated her Chi and unleashed a deadly uppercut.

The uppercut struck Dwayne Fowler's chin hard.

However, Dwayne Fowler was indeed the World Wrestling Entertainment Tournament Champion.

Even though he was blinded by anger, Dwayne Fowler managed to make use of his powerful sixth sense.

When ***with impending danger, Dwayne Fowler's sixth sense saved him.

Dwayne suddenly stopped his attacks and used his arm to block Jane Fowler's uppercut.

However, an irresistible force still blew Dwayne Fowler away.

Dwayne Fowler felt as if his jaw was about to break

Dwayne's body fell heavily to the ground.

It was so painful that even breathing became difficult for Dwayne.

With Dwayne's heavy weight, if he did not manage to control the angle of his landing when he fell heavily to the ground, Dwayne might be severely injured!

It was then that Dwayne Fowler calmed down.

The pain radiating through his entire body made Dwayne Fowler drenched in sweat. Coupled with the blood that was flowing out of his face, Dwayne's sight was blurry.

Dwayne Fowler could barely see Jane Fowler clearly.

Dwayne could only vaguely see Jane Fowler's figure who was looking down on him from above.

Jane's eyes were calm.

With eyes filled with extreme disappointment, disdain and scorn, Jane spoke lightly.

The fight just now did not affect Dwayne Fowler's hearing and the words that Jane spoke rang like a bell in his head.

"You're a ***."

With that, Jane Fowler turned and left without hesitation.

Jane had originally thought that she would have to spend more effort to deal with the so-called World Wrestling Entertainment Tournament Champion Dwayne Fowler.

However from what had happened just now.

“I’m utterly disappointed!

“The Fowlers, all of them are pretty but worthless baubles!

“Birds of the same feather flock together. This saying was indeed true!” Jane thought to herself.

Jane Fowler felt fortunate that she decided to run away from the Fowler Family. “If I had decided to stay with them, I would become a ***too!” Jane thought.

Dwayne Fowler opened his ***.

The moment Dwayne opened his ***, his ****was filled with blood.

Dwayne felt as if he was suffocating as there was something blocking his nose.

Dwayne couldn’t describe the feeling.

It was out of Dwayne Fowler’s expectations that the combat technique he was most proud of was simply as worthless as scrap metals in front of Jane Fowler.

Dwayne Fowler had always looked down on Jane Fowler in the past.

When the combat technique that Dwayne was so proud of and had always thought of as a dream, was easily trampled to pieces by Jane Fowler, Dwayne thought to himself.

“I’ve always looked down on Jane in the past. What does that make me?”

Even if Dwayne Fowler had underestimated his opponent.

However in a competition, there had never been any excuses of belittling or negligence.

There was only victory and failure,

Dwayne Fowler was almost beaten to death by Jane Fowler with no means of fighting back. Even the word “failure” could not easily describe how *****Dwayne Fowler was now.

Dwayne’s chest felt like it was about to tear apart.

Ever since Dwayne had become the World Wrestling Entertainment Tournament Champion, just as he had desired to.

Dwayne became the youngest person from his country in World Wrestling Entertainment Tournament history to win the championship belt.

Ever since Dwayne Fowler had thought that he was skilled enough to attempt to reach higher grounds and obtain the championship belt of various fighting techniques around the world, Dwayne was smug and was obsessed with everyone's flattery.

Dwayne Fowler could not remember when was the last time he felt like this.

It was a sense of burning rage that was formed from failure, feeling resigned, tears and humiliation.

'Jane Fowler!' Dwayne Fowler yelled.

It was then that Peter Fowler finally managed to catch up to Jane and Dwayne.

The main reason why Peter took so long was that Dwayne and Jane were running too fast.

In order to find them, Peter had spent a lot of time and effort.

"If I hadn't heard the voices of Dwayne Fowler and Jane Fowler..."

Peter Fowler's heart tightened as he thought to himself,

Peter was afraid that Jane Fowler would be hurt.

However, Peter saw Jane Fowler appear in front of him, safe and sound.

There was blood on Jane's ***sneakers.

*Jane Fowler, are you okay?"

Peter did not realize how nervous he was feeling right now!

Peter was afraid that Jane would be hurt by Dwayne.

Read Novel No Way Back Chapter 77

No Way Back Chapter 77-*Peter Fowler, do I look as if I need your hypocritical show of concern?"

Jane Fowler couldn't care less about Peter's concern.

“Get lost.”

After saying that to Peter, Jane Fowler walked past Peter Fowler and was about to leave.

*Jane Fowler, wait!

“I’m really worried about you. It doesn’t matter to me if you couldn’t care less about my concern. Just tell me if you are injured or not! “Did Dwayne do something to you...”

Peter Fowler knew that it was meaningless to say anything now.

However, Peter Fowler only wanted to know the answer to the question which was on his mind.

“Is Jane Fowler safe and sound?

Did Jane get injured when she was alone with Dwayne Fowler just now?

“If Dwayne Fowler really did something to hurt Jane Fowler...

Peter Fowler felt that if he did not stop Dwayne in time, Peter would *****of guilt!

Staring at Peter Fowler’s face which was full of worry, Jane Fowler’s lips curled up slightly into a disdainful smile.

“Peter Fowler, don’t you feel that you’re just like a puppy that is trying to please its owner?”

“Are you out of your mind? Where did the Peter Fowler, who is always acting disdainful, having double standards and always hurling insults at me, go?”

“Why are you putting up a pretense of being a good brother who is worried about me? What’s wrong? Is it because you wanted to reduce the psychological stress that you’re feeling due to the ***things that you had done?”

Jane Fowler had decided that she would never show mercy to the Fowlers again.

The sharp words that Jane hurled at Peter Fowler made him feel as if there were thousands of arrows piercing through his heart.

In the past...

Peter Fowler’s heart fell when he recalled the shameful and *****things he had done to Jane Fowler in the past.

“Why did I only come to my senses now?

“Why did I have to misunderstand Jane Fowler and hurt her so many times before I realize that I... was wrong.” Peter Fowler thought to himself. In the past, Peter had treated Jane Fowler coldly and even insulted her with harsh words. Thinking back on how he had treated Jane Fowler, Peter Fowler found it unbearable.

It made Peter Fowler feel that he was not worthy of being a brother, and even unworthy of being human!

No one would speak so harshly to their newly found younger sister who had been missing for 19 years and treat her unfairly. They would also not hurl insults at their younger sister whom they had finally manage to find after so many years!

“I don’t care what you think of me now. I know that you ***me, and I am also unable to provide any form of explanation on the harm that I have brought to you in the past.” Peter Fowler said to Jane Fowler.

“However, I’m only doing this because I want to. Jane Fowler, I want to know if you’re hurt or not!”

Peter Fowler felt that no matter what insults Jane Fowler was hurling at him, it didn’t matter at all.

Even if Peter Fowler was accused to be a ****, a despicable person or someone who had displayed a hypocritical show of concern just to ease the psychological stress that he was feeling. Peter Fowler felt that that didn’t matter too.

This was what Peter Fowler wanted to do the most now.

To show care and concern for Jane Fowler.

Perhaps what Jane Fowler said was right.

Peter Fowler was trying to lessen the guilt that he felt towards Jane Fowler, Peter was also trying to make up to Jane Fowler for all the bad things that he had done to Jane in the past, which went beyond the bottom line of his moral ethnics.

Peter Fowler no longer had high hopes that Jane Fowler would be able to understand that what he had done was just a normal behavior of a brother who is showing concern for his own biological sister.

After all, Peter Fowler had done too many harmful things to Jane Fowler in the past. Peter Fowler had deeply hurt Jane Fowler, and had broke her heart.

Even Peter Fowler felt that he did not have the right to admit this fact.

"Instead of worrying about me hypocritically, Peter Fowler, didn't you realize that someone is missing?"

"Are you so certain that the blood on my shoes, belongs to me?"

Jane Fowler said coldly.

Peter Fowler was taken aback by Jane's words and paused.

At that moment, Jane Fowler's mobile phone rang.

Jane glanced at the caller ID on her mobile phone.

Jane Fowler picked up the phone and left with an expressionless face, leaving behind Peter Fowler who stood alone by the alley lost in thought. "Yes Andy. I ran into a ***just now, so I did some warm up exercise and beat him up. I'm fine, I'll go and meet up with you guys night away."

After Jane Fowler had left, Peter Fowler broke out of his reverie,

Peter Fowler hurriedly made his way down the alley.

"There's no way..

"It's impossible...

"Dwayne's the World Wrestling Entertainment Tournament Champion! The strength that Dwayne possess is evident!

"Even if several extremely evil and vicious thieves were to surround Dwayne Fowler...

"As long as they did not use any weapons such as guns, with Dwayne Fowler's strength I'm sure he could easily subdue them.

'In the past, Dwayne Fowler had even received an Medal of Honor award for doing so.

"How could a weak woman like Jane Fowler possibly..."

However, when Peter Fowler saw Dwayne Fowler leaning against the wall with his face covered in blood and seemed to be unable to move, he couldn't help but cried.

"Dwayne!"

Peter Fowler immediately rushed towards Dwaynie Fowler and stopped beside him.

"Oh my god... Why are your injuries so severe?"

“Dwayne, are you alright? I’ll call an ambulance for you immediately.”

“Wait... Peter, don’t do that...”

Dwayne Fowler rested for a while and finally managed to recover some strength. Dwayne immediately tried to stop Peter Fowler.

“I don’t want my family to know about this incident... I don’t want them to worry about me’ Dwayne said slowly.

‘Send me to a private hospital. Ill receive some treatment from there for now... Dwayne continued.

“Dwayne... Alright, I’ll help you out. We’ll take a car to the hospital now.”

Peter Fowler helped Dwayne Fowler walked out of the alley.

Seeing that Dwayne Fowler’s face was contorted in pain and Dwayne kept gasping in pain, Peter Fowler finally could not help but ask Dwayne “Dwayne was it Jane Fowler who beat you up until you’re in such a state now?”

Up to this moment, Peter Fowler still found it hard to believe what had happened

“But besides Jane Fowler, there’s no one else in that alley... Peter thought to himself.

After a slight pause, Dwayne replied. “Yes...”

“Jane Fowler’s strength is far beyond our imagination. Jane doesn’t just have her hacking skills.

“Even her fighting techniques are top-notch. I’m not sure what technique Jane had used. Jane seemed to have mastered some unknown technique and managed to beat me up. Look at the state that I’m in now.”

Dwayne Fowler felt extremely ashamed when he told this to Peter.

This was also one of the reasons why Dwayne Fowler did not want to tell his family about what had happened.

It wasn’t just that Dwayne didn’t want his family to worry

It’s because Dwayne did not want his family to know that he had been defeated by Jane Fowler.

That would have been too embarrassing for Dwayne!

Peter Fowler was speechless

After hearing what Dwayne had said, Peter Fowler was so shocked that he was at a loss of words.

“When I recover from my injuries, I’ll definitely find Jane Fowler again and have a fair competition with her. This time, I won’t underestimate my opponent again!”

Dwayne Fowler’s competitive spirit was completely aroused by Jane Fowler

Now, Dwayne no longer cared about his family’s grudges with Jane Fowler

Instead, it was a challenge to Jane Fowler from Dwayne Fowler, who’s dream was to become the best professional fighter in the world.

if Dwayne Fowler could not regain his dignity after being beaten up so badly by Jane Fowler, Dwayne Fowler felt that he would not be able to face himself.

‘Jane Fowler, I will never let my guard down again next time! I will use all my strength to fight you’ Dwayne Fowler thought to himself.

“Ouch, it hurts...” Dwayne hissed in pain.

After Jane Fowler sent Lila Sutton home, she told Andy about what happened just now.

Jane told Andy about how Dwayne Fowler and Peter Fowler were picking a fight with her.

Jane did not mention to Andy about Peter Fowler’s hypocritical show of concern just now.

Jane Fowler only mentioned in passing about how she had beaten Dwayne Fowler up until he was severely injured

“Janie, you should have gave them a severe beating since a long time ago!

“After hearing what you had just said, I feel great! It’s awesome!” Andy exclaimed.

Andy had never seen Jane Fowler in a fight before

After all, Andy and Jane Fowler had only contacted each other through a hidden IP address

However, for someone who is in the Darknet, who wouldn’t learn some life-saving skills?

When one is ***with danger, even if one has nine lives, it wouldn't be enough.

The ability to hide one's aura and Jane's hacking skills were undoubtedly Jane Fowler's life-saving methods.

However, the most basic skills was actually combat, firearms, accuracy, and one's agility.

As Queen of the Darknet, the number of people who worshipped Jane Fowler was almost as much as the number of people who wanted Jane Fowler's head.

However, Jane Fowler's hacking skills were too good. For the people who wanted Jane Fowler's head, they did not know about Jane Fowler's real identity.

In reality, the Darknet's famous and all-powerful Queen was actually just an ordinary and harmless looking university student from Crucsia. "I'm just afraid that Dwayne Fowler will overestimate himself and join forces with the Fowler family to pick a fight with you again." Andy said.

Dwayne will not do that

Read Novel No Way Back Chapter 78

No Way Back Chapter 78-"Would someone as prideful as Dwayne Fowler admit and say that he had been badly beaten up by me?"

"Dwayne Fowler would rather jump off a building and commit suicide than to do so

Jane Fowler said mockingly

Jane had long understood the personality of people who are just like Dwayne Fowler

People like Dwayne has thought that they were morally upright with a sense of uprightness and justice

However, the fact is that it was easy to go beyond one's limits. Their so-called sense of uprightness and justice would disappear when they were facing the person that was closest to them.

They had no moral sense.

In addition, Dwayne Fowler's self comforting skills were also top-notch

Dwayne could think up of all sorts of excuses, such as being altruistic just for his family.

Jane felt that Dwayne Fowler was slightly better than Peter Fowler as he was willing to admit that he was a despicable person. On the other hand, Peter Fowler was acting coy and even after framing Jane Fowler, Peter tried to pretend that he was one of the good guys

However to Jane, both of them were equally bad

“You’re right.

“But what do you plan to do about Luna Croft’s video?

“If the video were to be posted online, I think that woman’s reputation would certainly be tarnished.” Andy commented

Andy would not let anyone get away with it if they had tried to ***Jane Fowler

Actually if one were part of the Darknet, the best solution would be to make a person completely disappear

This way, Jane Fowler’s peaceful life would never be disturbed.

However, since Jane Fowler did not propose this, Andy chose to keep quiet and would not try to change Jane’s mind. As Queen, Jane Fowler had the ability to protect herself. Jane also had the right to play with her prey

“Luna Croft will feel even more despair if I were to not post the video online

“It’s similar to the torture which uses water droplets, which doesn’t seem to hurt or one could even barely feel it.

“However, if the person was is in complete darkness with their senses blocked and unable to move, if one were to let the water droplet slowly dripped onto the person’s forehead...

“They would only be able to feel the presence of the water droplet. Sooner or later, the psychological pressure would cause the person to break down.” Jane explained.

It would be too easy to tarnish the reputation of someone like Luna Croft.

Since Luna Croft had deliberately provoked Jane Fowler, Jane Fowler would take revenge for what had happened in her past life and her current

Jane would let Luna live a life that was worse than death!

At this moment.

Luna Croft did not dare to return home.

Trembling and feeling uneasy, Luna followed Madelyn Fowler back to the Fowler family.

If Madelyn Fowler had not been by her side tonight, Luna Croft would have been scared out of her wits.

There was no other people in the Fowler family house besides the servants.

Jack Fowler, Anna Fowler, and Henry Fowler had to spend the night at the company again today. Madelyn Fowler first brought Luna Croft back to her room to comfort her. Then, Madelyn took out her others.

phone and called Dwayne Fowler and the

Ever since Madelyn told Dwayne Fowler about what happened to Luna Croft, Dwayne Fowler had said that he would take the video back from

Jane Fowler.

However, it's nine in the evening and there was still no news from Dwayne.

Madelyn Fowler couldn't get through to Dwayne no matter how hard she tried to call him.

Madelyn suddenly felt a sense of foreboding.

Finally!

Madelyn Fowler's call was answered

However, it was Peter Fowler who answered the call.

"Peter, what's wrong with you guys? Why didn't you pick up the phone? I was so worried!"

"I'm sorry. Maddie. There's an emergency and Dwayne and I had to deal with it now. For the time being. Dwayne would not be able to come home..."

Peter Fowler looked at Dwayne Fowler who was receiving treatment, and lied to Madelyn although it went against his conscience

"Oh my god, what happened? Why did Dwayne suddenly... Peter, about the video of Luna Croft..." Madelyn asked.

"We didn't manage to take the video back. I'm sorry"

Actually, Madelyn Fowler had roughly guessed what had happened when she did not receive a call from Peter Fowler after such a long time. Madelyn Fowler felt that this matter had nothing to do with her and had wanted to comfort and console Peter Fowler briefly before hanging up the phone call. Just when Madelyn was thinking about how to inform Luna Croft about this news, Luna Croft suddenly rushed towards her and said impatiently

“Little Maddie, is that Peter Fowler who had just called? Quick, pass me your phone!”

“Luna Croft...”

It was as if Luna Croft had gone mad. Before Madelyn Fowler could say anything, Luna Croft had snatched the phone from Madelyn’s hand Madelyn Fowler staggered and almost fell over.

However, Luna Croft couldn’t care less at that moment. With a trembling voice, Luna Croft asked, “Hello? Is this Peter Fowler? Did you manage to get the video back for me?”

“I’m sorry. Luna Croft. Jane Fowler was... There was nothing that we could do.” Peter replied.

“No! What should I do... What should I do... If this video were to be posted online, I would be doomed!”

Luna Croft could not help but begin to cry

There was a stark difference in the Luna Croft who is crying now as compared to the arrogance she had displayed when Luna ***Jane Fowler and Lila Sutton earlier today at the amusement park.

Peter Fowler was at a loss of words.

Peter did not know what to say to Luna Croft.

Peter Fowler was already feeling very annoyed by what had happened and was in low spirits.

When Peter Fowler was in front of Jane Fowler, he felt that he was always at a disadvantage. The words which Jane Fowler said to Peter Fowler had made him feel **and full of guilt

Not to mention the negative impact on the Fowler family and Dwayne Fowler’s injuries were all due to Jane Fowler too.

*is this...

*A punishment from the heavens for the Fowler family?

“Was the Fowler family being punished for abusing their biological sister and for all the cold treatment that they had given Jane in the past?” Peter Fowler thought to himself bitterly

Several days passed quickly

On this day, it was the date of the second trial of the court.

As Jack Fowler had already made a public apology, he had fulfilled Jane Fowler’s request.

Thus, it was easy for both parties to reach a consensus settlement.

Henry Fowler sat at the jury seat with an ashen face.

This time, Henry Fowler finally focused his attention on Jane Fowler and looked at her.

However, Henry’s gaze was not only filled with hatred.

There was also fear in Henry’s eyes.

Jane Fowler was not only close with Andy

Jane Fowler had even managed to contact Hugh Croft from D.Y. Group.

On that day when Henry Fowler knew that Hugh Croft was part of the group that had gone against the Fowler Corporation, Henry Fowler had Informed Jack Fowler and Anna Fowler about it

Henry Fowler also made a phone call to Hugh Croft

However, Hugh Croft did not pick up Henry Fowler’s call.

On the following day, Henry Fowler received news that the D.Y. Group were going to terminate all of their contracts with Fowler Corporation and cease to be business partners with them..

This also includes the several million dollars worth of project which the D.Y. Group had earlier showed interest in, and had wanted to be strategic partners with the Fowler Corporation.

The news shocked Henry Fowler so much that he was unable to think straight

Even though Henry Fowler knew that Hugh Croft and the D.Y. Group would not even bat an eyelid over several million dollars, Henry Fowler found it puzzling.

How could such a large corporation that had a high ranking as top 500 companies in the world, give up on a chance to gain profits?

That was unless the D.Y. Group had intentions to fall out with the Fowler Corporation and break all ties with them!

At the thought of being enemies with Hugh Croft who was unfathomable and extremely capable, Henry Fowler did not have any confidence in winning against Hugh.

That was the reason why Henry Fowler was so afraid of Jane Fowler now, and hated her,

If Jane Fowler's revenge really led to Hugh Croft and D.Y. Group becoming enemies with Fowler Corporation, the consequences would be catastrophic!

Henry Fowler decided that he had to find Jane Fowler once the trial has ended, and get to the bottom of this!

Nearing the end of the trial in court.

Andy suddenly spoke up

"Your Honor, my client here would like to apply for two legal rights before the end of this trial.

"Firstly, the Fowler family cannot take revenge on my two clients because of the loss of this lawsuit.

"Secondly, the Fowler family must provide compensation to my client for the loss of working time, and also compensation for emotional distress. That would be a total of 375 thousand dollars."

Rose's eyebrows furrowed as she frowned and said, "375 thousand dollars? Andy, this is just a simple lawsuit. How can it cost so much!" Instead of replying to Rose's question, Andy asked, "Why can't it cost so much? Janie asked me to be her lawyer for this lawsuit. Although! came over to help Janie because I'm friends with her, I should at least give her a discount and ask for a lower price. Am I right?"

After hearing Andy's reply, Rose immediately fell silent.

It was indeed true. If one were to ask Andy to be their lawyer for a lawsuit, even if the lawsuit was considered to be a simple case for Andy, 375 thousand dollars would not be enough to pay Andy for his service!

After all, Andy had once been offered 15 million dollars by a client to be his lawyer in a lawsuit!

However, Andy completely ignored him and asked him to join the queue!

To the Fowler family, 375 thousand dollars was nothing to them.

Although Jack Fowler was unhappy to give 375 thousand dollars to Jane Fowler, he had no choice.

In order to bring this lawsuit to an end as soon as possible, and to minimize the negative impact that was brought to the Fowler family, Jack Fowler agreed decisively to Jane Fowler's request.

Just as they were about to walk out of the courtroom.

Henry Fowler quickly caught up with Jane Fowler.

"Jane Fowler, stop right there." Henry said.
Jane Fowler ignored Henry Fowler. With Andy by her side, Jane Fowler and Andy both quickened their steps.
'Jane Fowler, I told you to stop. Didn't you hear me?' Henry Fowler repeated himself. Henry Fowler did not expect that Jane Fowler would dare to ignore him completely! Henry immediately quickened his pace and tried to catch up to Jane.
Once Jane Fowler steps out of the court and was surrounded by reporters, it would be difficult for Henry Fowler to talk to Jane Fowler then! Henry Fowler sprinted past Jane Fowler and whirled around, stopping in front of Jane and blocking her way.
"Henry Fowler, do you even have any ****? Can't you tell that I don't want to talk to you?"
"Who would have known that the president of the Fowler Corporation and the eldest son from the Fowler family which is known to be from one of the most prestigious families, is not only a peeping tom but also a ***bootlicker!"
Jane Fowler mocked Henry Fowler unreservedly.
Henry Fowler gritted his teeth. Resisting the urge to slap Jane Fowler, Henry Fowler asked. "Jane Fowler, there's only one thing that I want to ask you. What's your relationship with Hugh Croft?"
"What does my relationship with Mr. Croft have to do with you?"
"Why do you think I'll answer you just because you asked me a question? You're ****."
"Luckily, Hugh Croft had helped me out." Jane Fowler thought to herself.
If not, Henry Fowler would not look as nervous as he is right now.
Looks like Hugh Croft, who was also known as the King of Stormton City, had really put a lot of pressure on Henry Fowler. "Hehe"
"Look at Henry Fowler now! It's rare to see Henry so flustered and nervous!"
"How interesting!" Jane Fowler thought inwardly.

Read Novel No Way Back Chapter 79

No Way Back Chapter 79-Hearing what Jane had said, Henry Fowler was about to say something. However, Andy stepped forward and stopped Henry Fowler.

With Andy's tall height, he stared straight into Henry Fowler's eyes.

Although Andy was smiling, his jade-green eyes were cold and fathomless.

Andy's red lips parted slightly as he spoke in a genderless voice. However, Andy's words were filled with certainty and spoken with an authoritative tone.

"Mr. Henry Fowler, my client doesn't want to have any form of contact with you. Besides, did it slip your mind that...."

"Just now in court, both your father and the defense lawyer had agreed without hesitation that the Fowler family would not cause any trouble for my client."

"We're not even out of the court yet and you had already wanted to go against your promise? How could you be so ****?"

"I'm not causing any trouble..." Henry Fowler replied

At that moment, Jack Fowler's voice suddenly sounded. That's enough Henry Fowler."

Henry Fowler looked up to see Jack Fowler and Rose who were approaching him. Jack Fowler was shaking his head at Henry Fowler. Even though Jack Fowler knew that Henry Fowler was curious, he stopped him.

To be honest, Jack Fowler was extremely curious too.

Jack Fowler felt that he had never seen through Jane Fowler, his biological daughter.

Not only did Jane Fowler have connections with Andy

Jane Fowler was even able to win over someone as distinguished as Hugh Croft

Jane Fowler was able to make Hugh Croft forsake his business cooperation with the Fowler family willingly and side with her. Hugh Croft even helped Jane to deal with the Fowler family!

Jack Fowler was dying to know about the relationship between Jane Fowler and Hugh Croft.

However, Jack knew that now was not a good time to ask Jane Fowler,

Jack Fowler knew that Jane was stubborn, and had a terrible temper and a sharp tongue. There's just no way that Jane Fowler would be so nice as to answer their questions. Jack even felt that it would be fine as long as Henry Fowler did not suffer a heart attack from Jane's sharp tongue. Jane's bad temper was exactly the same as Jack Fowlers.

Henry Fowler could only give up reluctantly.

"At least you're using your brains this time, Jack Fowler"

Jane Fowler's lips curled upwards into a mocking smile.

Then, Jane left the court with Andy

There were a group of reporters who had been waiting outside the court for a long time.

Everyone knew that today was the day of the second trial.

The Fowler family was one of the parties in the trial, and that attracted a lot of attention from many people.

Even though many days have passed and the interest in this trial had dwindled, some were still interested in the result of the trial

The reporters knew that if they were to get a scoop, they would be able to gain profits. Nobody would give up a chance to earn money. Jane Fowler and Andy were surrounded by the reporters as they recounted today's lawsuit with ease.

Looking at the smug faces of Jane Fowler and Andy, Henry Fowler was so angry that he wanted to rush towards them and tear apart their facade!

"Why are they putting on an act?"

"In the first place, Jane had betrayed the Fowler family, betrayed the family who had brought her life, and had stabbed her biological father in the back!"

"How can Jane Fowler still behave so nonchalantly?"

"How is it that Jane is able to tell the reporters stuff that would tarnish the Fowler family's reputation, and still smile so happily?"

"It's clear that the blood of the Fowler family runs in Jane's veins!"

"If Jane had really got the guts, then she should give her life back to the Fowler family!" Henry Fowler thought angrily.

Jack Fowler walked towards Henry Fowler and stopped beside him, Patting Henry on the shoulder, Jack said. "Alright, Henry Fowler. Lets not stay here. We should head back first. There are some things that we need to settle today following the aftermath of the trial."

"Dad, I just feel that it's worth it. It's really not worth it. Why is Jane Fowler my sister, and your daughter...."

"If we weren't related to Jane Fowler in any way, the Fowler family's reputation would not have been severely damaged today. The D.Y. Group would also not cease to cooperate with the Fowler Corporation! All of these are brought about by Jane Fowler!" Henry Fowler exclaimed "Jane had really been a good sister! A good daughter!" Henry Fowler thought with sarcasm,

Jack Fowler could not help but fall silent after hearing Henry's words.

In the end, Jack sighed heavily

"Perhaps it's my family's misfortune..."

After Jane Fowler and Andy were done with the reporters, they got into the car.

“Andy regarding the 375 thousand dollars, please make an anonymous donation to an orphanage.”

Jane Fowler certainly didn't want the money from the Fowler family.

Jane found it ***and unbearable if she were to keep the money with her.

The reason why Jane had asked for money from the Fowler family was just to annoy them.

Jane could also use the money and do something good with it by repaying the favor of the orphanage where Jane Fowler had previously stayed

“Okay”

Night fell.

Lila Sutton and Jane Fowler held a farewell party for Andy at Nightshade Bar

Lila Sutton sipped at the glass of ****Mary and pouted. “Andy you're going to leave tomorrow. I really can't bear to part with you. Can't you stay a little longer?”

“I really can't. The people from Rheinsville are pressing me to head back. I've been staying here for almost 20 days to help Janie with her lawsuit. If the situation permits, I would want to stay a little longer too.” Andy replied.

Noticing that Lila Sutton's face was filled with reluctance, Andy patted Lila Sutton on the head gently and said. “It's alright Lila. It's not like we won't be able to see each other again in the future after this. The next time when both of you visit Rheinsville, IT be sure to set aside all of my work and be a good host. 11 bring both of you around Rheinsville.”

“Really? That's great Lila Sutton replied happily.

Jane Fowler listened quietly to the conversation between Andy and Lila and was not in a hurry to interrupt as she was enjoying the breeze by the river. As rays of the spinning neon lights landed on Jane Fowler, the flashing lights made the peerless beauty seem to be mysterious when she was illuminated briefly by the lights

“Good evening everyone.”

At this moment, Robert Shane walked over with a bottle of wine in his hands.

“As the owner of Nightshade Bar, this is a personal gift from me. Welcome to our Nightshade Bar, and I look forward to your frequent visits.” After saying that, Robert Shane winked at Lila Sutton,

Lila Sutton was speechless.

What Robert had said was so mushy that she felt goosebumps all over her body.

Although Lila Sutton acknowledged that Robert Shane was handsome.

But what was with that look?

Robert Shane wouldn't think that his gaze made him look dashing, would he?

The last time when they met at the Cloudnine Restaurant, Robert Shane had also looked at Lila Sutton the same way he just did.

Jane Fowler glanced at the wine Robert Shane brought over and identified it immediately. "Mr. Shane is really extravagant. It's a rare bottle of 1982 Whisky from the Isle of Loder from Luxury Beverage which costs 1.5 million dollars

"A distinguished guest deserves good wine"

Robert Shane did not care that he was an outsider to Jane Fowler's group. Pulling out a chair, Robert sat down.

Meeting Jane Fowler's probing gaze, Robert Shane smiled and said "Don't worry, Hugh isn't here. Hugh's on a business trip to Wetanean today as he had something to do there."

"Oh,"

Jane Fowler paused for a moment before forcing out a word.

Actually, Jane Fowler had wanted to eat the unknown black food again last night.

After chatting with Hugh Croft for a while, Jane told Hugh about it and Hugh Croft sent the food over without any hesitation

Last night, Jane Fowler asked Hugh Croft if he had been busy recently and if Hugh would be affected by the incident when he had gone against the Fowler family.

Hugh Croft said that he was fine, and mentioned that he had something to do tomorrow.

After accompanying Jane Fowler for two hours, Hugh Croft left.

However, Hugh Croft did not mention that he was actually going on a business trip to Wetanean.

Although Hugh Croft did not attempt to hide his desire to form a contract with Jane Fowler

Hugh was very gentlemanly and had never forced Jane Fowler to do anything.

Robert Shane's eyes sparkled as he said to Jane. "If Hugh knew that Miss Jane Fowler is paying so much attention to him, he would definitely be very happy"

"Mr. Robert, don't get it wrong. I'm just friends with Mr. Croft."

Although Jane Fowler knew and acknowledged that their relationship had recently progressed rapidly

They were far from being a couple.

"Yes, I know. Just because you are friends now with Hugh doesn't mean it will be the same in the future

"No one can be sure about what fate will bring, am I right?"

Robert Shane did not hold back and wanted to help Hugh Croft, who was trying to woo after Jane Fowler.

"Hugh Croft, as your brother, that's all that I can do for you! There's no need for you to thank me for what I had just done for you!" Robert thought to himself

Jane Fowler was at a loss for words

"Alright. Mr. Robert If you want to have a drink, you're welcome to join us.

"However, please don't talk about Janie's marriage so casually Janie's more suited to be beautiful and single, and she doesn't need anything else such as love. Okay?"

It was Andy who spoke up.

If not for the fact that Andy could tell that Robert Shane was not hostile and meant them no harm and that Nightshade Bar was true to Andy's liking. Andy would have asked Robert to leave.

If Andy were to offend Robert Shane and in turn, led to the end of his farewell party at Nightshade Bar, Andy felt that he would be very unhappy With various reasons in mind, Andy did not ask Robert to leave although he wanted him to

"I only want to spend time with my best friends for my farewell party!

"Outsiders should hurry and get lost!" Andy thought

“Okay, I’ll stop talking about it. Lawyer Andy, I’ve heard a lot about you. I’ve always wanted to get to know you. Let me give you a toast... At this moment, the dance floor music started.

Lila Sutton couldn’t stand Robert Shane so she offered to go dancing on the dance floor

Jane Fowler wanted to dance too. However, Jane’s phone pinged. The notification sound was special and indicated that there was a message from the Darknet.

There was only one possibility..

The message was from Jane Fowler’s apprentice, H.F.

Andy also noticed the notification and exchanged a look with Jane Fowler.

Then. Andy smiled at Lila Sutton and said, “Lila, I want to dance too. Let’s go and dance together”

“Sure!” Lila replied happily

Jane Fowler said calmly, “I’m going to pick up a call.”

After saying that, Jane Fowler rose to her feet and left.

Robert Shane was left alone at the table with a glass of wine in his hand.

Robert Shane was dumbfounded.

Coughing dryly, Robert thought to himself.

“Did I just got abandoned by them? They didn’t even hesitate to leave!

Every time Robert Shane appeared, he would be the center of attention

This was the first time that Robert had been completely ignored.

Robert felt a little sad.

Jane Fowler went to the ladies

She took out her mobile phone.

Sure enough, there was a message from the Darknet.

H.F. sent a message. [Master, I’m sorry. A lot of things have happened recently and I’ve finally managed to settle it. I can finally contact you now]

Queen replied [It must have been something serious that had happened if my heartless little apprentice did not contact me after such a long time]

H.F. sent a message. [That's not it Master... I've always missed Master dearly. Master is the only person in the world to whom I'm deeply indebted and is the most important person in my life. It's just that something happened to my family...]

Queen replied. [It's okay, I was just joking with you. Why did you suddenly contact me? Is there something wrong? It can't be that you just wanted to reminisce about the old days]

On the other side.

When Henry Fowler saw the message from Queen, he could not help but lower his head in an attempt to hide the sadness in his eyes From the beginning. Henry was fascinated by the legendary Queen and chose to enter the Darknet to become a hacker.

After becoming Queen's apprentice, Henry Fowler almost went crazy with happiness,

Even though Henry Fowler had never met Queen before.

To Henry Fowler, he was just like the crazy fans who adored and looked up to their idols.

It's true.

It was beyond anyone's Imagination that...

The president of the Fowler Corporation and the eldest son of the prestigious Fowler family Henry Fowler was actually a hacker on the Darknet

in secret!

And that Henry was Queen's apprentice.

The person that Henry admired the most was Queen.

Read Novel No Way Back Chapter 80

No Way Back Chapter 80-Henry had never mentioned this to anyone else Even Henry's own family members and parents did not know about it.

In the eyes of the outsiders and his family, Henry was the eldest son of the Fowler family

Henry had inherited Jack and Anna's good genes perfectly

At a young age, Henry had completed all of his courses at an overseas university. Henry had obtained his master's degree and returned to Crucia with glory

On the first day that Henry joined the Fowler Corporation, he became the president of the company. Through Henry's outstanding performance and capabilities, he managed to get the recognition and respect of everyone in the company.

For the tenured employees from the Fowler Corporation who had wanted to cause trouble for Henry and opposed him, Henry dismissed them. Henry's decisiveness and ruthlessness had even surpassed that of Jack Fowler!

Knowing Henry's capabilities and feeling assured, Jack handed over his position as president of the Fowler Corporation to Henry earlier than he had planned and let Henry manage the company. Jack then took early retirement and spent all of his time leisurely with Anna.

The seven sons of the Fowler family had always been the pride of Jack and Anna, and that was especially so for Henry.

Henry had never done anything that would make Jack and Anna feel worried. Henry had outstanding talents and a swift and decisive style of handling matters. Henry also had very good business acumen and a strong sixth sense. This is particularly important in the business world as Henry was able to smell a profit.

All of these skills were essential and crucial for Henry in order to become the unquestionable future leader of the Fowler Corporation! No one would have thought that Henry would come into contact with the Darknet, which was known to be a world of darkness.

No one would also have expected that Henry was actually H.F., the apprentice of Queen, the legendary hacker of the Darknet! The only reason why Henry was on the Darknet was because of Queen.

As for the excuse to hone his hacking skills, it was just the simplest and most effective method for Henry to get close to Queen. Therefore, after Queen had announced her withdrawal from the Darknet, Henry immediately announced his withdrawal from the Darknet as well.

However, Henry had been Queen's apprentice for three years now.

Every time when Henry contacted Queen, Queen would always assume that it was because Henry had something important to discuss with her.

In actual fact, Queen was Henry's master and they were supposed to be close to each other

Couldn't Henry contact Queen just because he wanted to chit chat with her and build a stronger master and apprentice relationship?

Apart from his family, Master Queen held a very special and important position in Henry's heart.

To Henry, Queen was as important as Jack and Anna were to him.

It was like a form of faith which Henry drew sustenance from

After all, Queen was Henry's idol!

Queen was the person whom Henry had worshipped, and had acknowledged as his Master!

Queen sent a message. [Why are you keeping silent for such a long while? Are you angry?]

H.F. replied. [No. Master is very powerful indeed as you were able to guess my thoughts. Master, I would like to seek your help regarding a matter. Can you conduct an investigation on Hugh Croft from the D.Y. Group for me?]

Jane's eyebrows furrowed when she saw the message from HLF.

Jane sent a message. (Why are you investigating Hugh Croft? Apprentice, are you someone from Stormton City?)

Henry was slightly taken aback when he saw Queen's message and subconsciously replied. [Master, you're in Stormton City too?]

At this moment.

A thought flashed in Henry's mind and he suddenly thought of someone.

It was Jane Fowler

After knowing that Jane might have powerful hacking skills and had connections with Andy and Hugh, Henry became fearful of Jane. Making use of his hacking skills, Henry tried to dig for information about Jane

For the past nineteen years when Jane was missing, who did she interact with, and what background did she have?

In the end, Henry found nothing about Jane just like he did several months ago

Even Henry who was ranked the eleventh hacker on the Darknet was unable to retrieve any detailed information regarding Jane.

This would mean that there was another hacker who was protecting Jane, and that hacker was even more skilled than Henry. The hacker had managed to conceal all traces and any information that was regarding Jane.

As Henry did not manage to obtain any information, he posted a mission anonymously on the Darknet. Henry hired the hacker who was ranked fifth on the Darknet and requested him to help to conduct an investigation on Jane

In the end, it still did not work.

It was at that moment that Henry really became fearful of Jane.

If the hacker who was ranked fifth on the Darknet was unable to retrieve any information on Jane, this would mean that the forces that were

backing Jane were so powerful that it was beyond his imagination

it was impossible for people like Andy and Hugh to not know of the Darknet's existence as the Darknet was a convenient tool to have

Jane also had a good relationship with Andy and Hugh

Queen is really in Stormton City, and has connections with Jane

"If the person who was protecting Jane and helping Jane conceal all of her traces on the net was actually Queen, the number one ranked hacker on the Darknet.

"Then everything would make sense!"

As soon as the thought popped up in his mind. Henry immediately shook his head

That's impossible!

"That's absolutely impossible!"

"There's no way that Master, who's noble and elegant, would be associated with someone as lowly and despicable as Jane! Henry thought to himself

Queen replied. [Hugh Croft is the president of the D.Y. Group and is also the youngest person who has ever taken charge of the Croft family in Stormton City. I'm aware of this]

Queen sent another message. [Since you mentioned that you wanted to conduct an investigation on Hugh Croft, the first thing that popped up in my mind was that you might be someone from Stormton City]

Jane did not answer H.F.'s question.

However, from HE's reply, Jane already knew the answer.

HF was in Stormton City.

Otherwise, H.F. wouldn't have used the word "too" in his message.

At the same time.

There's a possibility that HF might be a competitor of the DY Group.

Actually, Jane could vaguely sense that H.F. was definitely not an ordinary person

With the extraordinary talent of being a hacker and the way that HF presented himself, Jane could tell that H.F. had an excellent upbringing and might be from a prestigious family.

However, Jane did not expect that HF would meet up with Hugh

In addition, there seemed to be a conflict between them.

One was Jane's apprentice,

One was Hugh Croft, the person who had helped Jane earlier. Hugh Croft also had Type Omega blood, and as of now, Jane did not know how to define her relationship with Hugh,

Jane suddenly felt that she was caught in the middle, and was at a loss for what to do.

H.F. replied. (Master's guess is correct, I'm from Stormton City. In addition, a part of my recent worries was due to Hugh Croft. Master, can you help me with this? If there's anyone who is able to conduct an investigation on Hugh Croft it's got to be you, Master].

Queen sent a message. I'm sorry my little apprentice. I've actually investigated Hugh Croft a long time ago, but I didn't manage to find anything...]

Jane did not lie in her message to Henry in order to help Hugh Croft out.

After all, Hugh was very well known.

Jane lived in Stormton City and had long heard about Hugh

As Queen of the Darknet, the number one hacker, Jane didn't like things that were out of her control

It was only natural that Jane had issued a challenge to the King of Stormton City

Unfortunately, even with her capabilities, Jane could not find out more about Hugh Croft

Jane only managed to scratch the surface.

From this incident, one could tell just how terrifying the Craft family was, and they were backing Hugh Croft.

Hugh's confidentiality was well protected and it was almost watertight The security level was almost comparable to the firewall of the country. HF replied see... Then Master, are you someone from Stormton City?] When Henry raised this question, he suddenly felt his heartbeat quicken Henry's heart was thumping madly while he waited for Queen's reply

It was as if Henry was afraid that Queen would admit that she was from Stormton City.

However, Henry also felt that he was looking forward to hearing that Queen was from Stormton City.

Eventually, Queen replied. [Yes]

If Jane was in her previous life, she would definitely not expose her identity

Even when facing Jane was facing her most trusted apprentice, she would not expose herself.

After all, even Andy was unsure of Jane's true identity.

However after she had been reborn, Jane had planned to let go and set herself free, and completely cut off all ties with the Fowler family. Jane wanted to recover the things that she had once possessed, but nearly lost them when she was blinded by kinship.

Hence, Jane felt that there was no problem in being frank in front of her apprentice.

Henry did not expect Queen to reply but also felt that it was a reasonable answer.

Henry's hands were trembling.

For a moment, Henry didn't know how to reply to this message.

Finally, Henry took a deep breath.

Henry sent a message. Master, I still meant what I've always said. I want to meet you in person.]

Henry sent another message. [it's a coincidence that we are both in Stormton City. I apologize if my request would cause an inconvenience for Master, please ignore my request and pretend that I didn't say anything]

Henry sent another message. However, if Master is willing...]

Henry did not know how to continue the conversation anymore.

He had always wanted to meet his Master Queen in person.

"Queen must be a beautiful woman with an extraordinary temperament," Henry thought to himself.

Henry knew that Queen was a woman.

It was not just from her code name, Queen.

It was also Queen's style of doing things and the way she spoke.

Henry was extremely certain.

Henry wanted to meet her.

Henry wanted to see her.

Henry wanted to see Queen.

This was the only thought on Henry's mind when he first found out about Queen's existence and was almost obsessed to the point of madness with Queen after knowing about her extraordinary achievements.

Henry really wanted to see who Queen actually was!

Henry was no longer satisfied with the master and apprentice relationship that he had with Queen on the Darknet.

Offline, Henry also wanted to see Queen in real life.

Henry wanted to be just like a friend with Queen and to accompany Queen to do whatever she wanted to.

To take a stroll together, head to the amusement park, have tea together, go to the shopping mall with Queen, sit on a hot air balloon with her, party together, look at the Northern lights, go on a tour around the country and visit all the scenic spots...

There were so many things that Henry had never done before. However, all that Henry wanted was to do all that with Queen by his side.

With just the thought of Queen beside him, Henry knew that his life would become more colorful, vibrant, and rich and that he would be filled with happiness.

This was because Queen was the first person and the only person who was not part of the Fowlers who had given Henry the ability to change his values of life!
