### **Chapter 610 The So-Called Water That Can't Be Reversed**

"Poor child, if I had known ... earlier, I would have inevitably not let Yu have her way." Mrs. Qi sighed after hearing this.

"At first also I was confused, listened to Yu's clever words, if not ... now ... now ... now ... "Mrs. Marquis Yongning sad even words can not go on, side head wipe up tears.

Qu Mo Ying remained speechless.

"Mother, don't be sad, things have passed." Xu Li Peng opened his mouth to persuade.

"In the past, I can't get over that hurdle in my heart, every time I sleep at night, I will see the second Mrs. Qu, all saying that I failed her, I ... how can I go to see her in the nine springs later!" Mrs. Yongning Marquis agitated, voice unconsciously enlarged a Xu, even with a tone of reproach.

"..." Xu Li Peng was unable to speak even when he was chastised.

His eyes looked towards Qu Mo Ying, as if he wanted to say something, but in the end, he didn't say anything and just let out a long sigh.

This kind of attitude of wanting to say something, let Qu Mo Ying inexplicably feel tired, things have come to this point, it is hard not to Xu Li Peng is still delusional what not?

Mrs. Qi waved her hand, "The past is the past, there is no need to mention it again, let me make a decision for your two families on this matter!"

Qu Mo Ying's heart jumped suddenly, and she suddenly raised her head and looked at Mrs. Qi.

Mrs. Qi continued, "Since the two families were a misunderstanding in the first place, this misunderstanding is resolved."

"But now ..." Mrs. Yongning Hou's face was greatly pleased, wiped a handful of tears and said.

"What's happening now can be dealt with now, I just don't know what your house's attitude is?" Mrs. Qi said with a straight face.

Lady Marquis of Yongning said in surprise, "If it can really be dealt with, naturally it would be the best, I will come to the nine springs and rejoice to see Second Lady Qu."

"What about the attitude of the world's son in your house?" Mrs. Qi looked at Xu Lipeng, "This matter, you were the one who made the decision in the first place, but it's actually wrong, so we always have to look at their own meanings."

This was said with great regard for Qu Mo Ying's meaning, which was to ask Xu Li Peng to make a statement in front of Qu Mo Ying's face, or it can also be said that Xu Li Peng has a guarantee for Qu Mo Ying.

Since this guarantee was given in front of Mrs. Qi, it also meant that if Xu Li Peng made any more trouble in the future, Mrs. Qi would be completely on Qu Mo Ying's side.

The same also represented that the Duke of Qi would be on Qu Mo Ying's side.

In Mrs. Qi's opinion, if Xu Lipeng says something today, he will certainly do it in the future, even if he is no longer there, there is still a granddaughter.

"Mrs. Tai, I will certainly be grateful." Xu Lipeng, like he had been asked, raised his eyes to look at Qu Mo Ying, then turned to the Dowager Lady, his face solemn as he stood up, and spoke in a deep voice towards Dowager Lady Qi.

Seeing him so solemn, Mrs. Qi was satisfied, turning to look at Qu Mo Ying, her tone was kind, "This matter must also be spoken to your grandmother, you can't be the master here either, the reason why I'm asking for you is also because of this matter, it must also be to your own satisfaction."

This is to think that Quemoy Ying should be satisfied.

Mrs. Yongning Marquis and Xu Lipeng still really have the face to do such things and say such things? This is really taking themselves as a three year old child, or a child who doesn't know what's going on.

This marriage has gone around in circles, and it's actually coming back?

"Mrs. Tai, this marriage should be dispensed with!" Qu Mo Ying blandly opened her mouth.

The words were direct, without a hint of euphemism.

Mrs. Marquis Yongning's expression of joyful tears froze, her fingers gripped her handkerchief fiercely, her eyes became stern, how could such a delicate and weak little girl dare to say such words in front of herself and Mrs. Qi?

Xu Li Peng frowned, he always felt that Qu Mo Ying's character was not very pleasing to the eye, look at what he said, how can any young lady of a family say something like this to her face, it was really not decent at all!

The one who also felt that Qu Mo Ying had no decency was Mrs. Qi, her originally smiling face sank, her heart unhappy.

Originally she is also a good intention, want to help the two families to follow the marriage, there are a lot of things, and not a sentence or two can finish.

Since he took over this matter, on behalf of this future trouble things, they will reach out, the heart even for this Qu four young lady think very far, even if he will not be in the future, but as long as their granddaughter in, Yongning Marquis House also dare not really treat her to go.

As for the past, the past was the past, and with this Fourth Miss Qu's condition, there was truly no better possibility.

Before going out, but also in front of their own old Duke of the country beat his chest, only said that must be this thing done properly, did not expect to imagine that the situation of Mrs. Qu does not agree did not appear, but the Qu Mo Ying this young lady boudoir young lady, actually dared to say this kind of unseemly words.

After all, it was the fact that no one taught her when she was young that made her say such things.

“Qu second miss, this matter ... is quite a lot of benefits to you, the two families originally have a relationship, renewing the previous relationship is a good story, these things, you are young may not understand, when I go to talk to your grandmother to make it clear, your grandmother at that time is bound to be happy to agree.”

Mrs. Qi did not move to persuade, the tone is gentle, in her thought, this is also the meaning of the implicit explanation, the two families of the matter, if it is not their own family affinity, who will be willing to get their hands on it.

The curved path here, Mrs. Qi was not willing to say it in front of Mrs. Yongning Hou's face.

“Many thanks, Mrs. Tai, let's leave this matter at that!” Qu Mo Ying slowly lowered her head and reiterated.

This time, not only the face of Mrs. Marquis Yongning's face ugly up, Mrs. Qi's face of mildness is also a bit hanging, to Qu Mo Ying's upbringing and temperament, really do not see.

But she was bound to be a warped one, and after the mildness on her face stiffened for a moment, she smiled again, “Well, well, well, for now.”

This perfunctory attitude makes it obvious that it's just not going to happen for a while.

Qu Mo Ying wouldn't really think that Mrs. Qi would stop there.

“Mrs. Tai and Mrs. Hou will sit for a while first, I will go to the main hall to check on my mother's incense and come back to accompany the two ladies in a while.” Qu Mo Ying softly said.

"It's about time, I'm going back too." Mrs. Qi stood up.

"I won't bother either." Mrs. Marquis Yongning also followed and stood up, reaching out to help Mrs. Qi sideways, looking cordial.

The group of people left directly from the side hall, Xu Li Peng walked at the end and gave a deep salute to Qu Mo Ying, who side-stepped to return the salute.

"Fourth Miss Qu, can I borrow a step to speak?" Xu Li Peng stood up straight and didn't walk away, instead asking in a warm voice.

Qu Mo Ying raised her eyes to look at him and said in a cold manner, "Shizi Xu, please speak."

Not far ahead, Mrs. Qi and Mrs. Marquis Yongning continued to walk forward, this so-called borrow a step to talk, is to stay and talk.

"Qu fourth miss ... really still so resentful of me?" Xu Li Peng's face revealed a trace of frustration, this will also no one else in, words extremely simple out of the mouth.

Qu Mo Ying felt really mocking, this Yongning Marquis Shi Zi said this, as if he really had something for him, when reborn in the cousin's body, recalling this Yongning Marquis Shi Zi saw Qu Mo Ying all kinds of things, the first time I felt that it was not right, she met a Pei Luo An in her last life, it is hard not to be in this life to marry another and Pei Luo An similar to Xu Lipeng does not?

This marriage, originally, was only solved by his own calculation.

"Shizi Xu is also a married man now, there are some things that should still not be said, nor should they be said." Qu Mo Ying said nonchalantly, without Mrs. Qi around, she didn't need to take too much into account.

"Fourth Miss Qu, I was wrong about what happened in the beginning, I was confused by Yu Qingmeng, but now that things have been uprooted, Yu Qingmeng is gone, I'm not married, and you're not married, all of that can be done over again, can't it?" Xu Li Peng said.

Qu Mo Ying was almost infuriated by Xu Li Peng's words, how thick should the Yongning Marquis' son's skin be to say such words.

"Shizi Xu, can this water be collected?" From the table on one side, she took a teacup over, and with a flip of her hand, the teacup was turned upside down and the water poured down.

"You ..." Xu Li Peng's face flooded with anger, and he glared at Qu Mo Ying in a somewhat wolfish manner.

In his opinion, for Qu Mo Ying he was also considered to be a good talker, and even gave Qu Mo Ying a guarantee, in this case, Qu Mo Ying still grasped the old things, it was really over the top.

This will even pour out the water, meaning the water can't be retrieved, more like a direct hit Xu Li Peng's face.

"Is it hard for Fourth Miss Qu not to know that your marriage is difficult?" The words rushed out.

"Thank you Xu Shizi concern, but I have my own want to marry people, can marry people, but not Xu Shizi." Xu Li Peng words without regard, Qu Mo Ying also the same, raised his eyes coldly looked at Xu Li Peng, the corner of the lips slightly hooked, even if the face wearing eye veil, can also see a trace of mockery at the bottom of her lips.

"You ... really don't know what you're talking about." Xu Lipeng was furious at her provocative attitude, his face turning blue as he fiercely flung his sleeve, "Fourth Miss Qu, are you still a lady of a family? Can you say something like that? It's true that you are uneducated, you dare to say anything, and you don't understand anything! Now that the two families are combining for two benefits, wouldn't Fourth Miss Qu not understand?"

"I just don't understand what my business has to do with World Prince Xu? Shizi Xu, please!" Qu Mo Ying coldly expelled her guests, she couldn't stand to hear what was said about no one's upbringing, if it wasn't Yu's fault, would she have been thrown to the manor with no one to protect her?

"Fourth Miss Qu ..." Xu Li Peng still wanted to speak, Yu Dong had already stepped forward and blocked Qu Mo Ying's face, smiling, "Shizi Xu, please."

"Qu Mo Ying, you will regret this." Xu Lipeng shook his sleeves and said, then turned around and left in large strides.

Raindon followed him and watched him leave before reentering.

"Miss, what do they want? Want to renew this marriage again?" Yu Chun stared at the doorway, exasperated, "It's not just Mrs. Marquis Yongning who's here, even Mrs. Qi has misunderstood, Miss, what can we do about this?"

"Let them go!" Qu Mo Ying said, her eyes dark, her affinity is now beyond their reckoning, only over, right now she has more important things ...
