Chapter 10 Waylon Gray's Strong Kiss

Chapter 10 Waylon Gray's Strong Kiss

"Help!" Alena Wright was taken aback. When she was about to speak, she suddenly saw the man who had pressed her against the wall, and her eyes widened, "Mr. Gray, what are you doing?"

Waylon Gray looked at Alena Wright with interest. The corner of his lips curled, and a smile was shown at the corner of his eyes, "I finally caught you! You think that nothing will happen to you when you follow Christiano Cohen, huh?"

Alena Wright's heartbeat suddenly missed a beat. She had been in love with Waylon Gray for many years that she couldn't help but feel a little flustered. Fortunately, logic was able to take the upper hand.

She pursed her lips as she stared at Waylon Gray who had an unkind look, "You plan it all, didn't you? You had asked that waiter to pour the wine over me!"

"Yes, in order to talk to you alone, I did those silly things!" Waylon Gray said as she looked at Alena Wright with scorching eyes. He looked at her seductively as he continued to speak, "However, it's all worth it. You are really beautiful today!"

Alena Wright couldn't help but roll her eyes. If Waylon Gray knew that she was his wife for three years, then would he act like that?

"Thank you Mr. Gray for the compliment, but please let me go. After all, we are strangers!"

"We will get acquainted soon..." Waylon Gray laughed. "You are a seductive and charming little fox, I will never let you go if I catch you!"

Alena Wright was so angry, "What the hell do you want to do?"

Waylon Gray sniffed Alena Wright's slender and white neck. He felt her trembling and shaking slightly, and he suddenly chuckled.

"Didn't I say that I am very interested in you? I want you to leave Christiano Cohen and be my woman. I am willing to give you money, a house, and a career. I can buy you beautiful jewelry, and branded bags. Just tell me what you want, then I will give it to you," Waylon Gray said as he softly leaned against Alena Wright.

"Sorry, I'm not interested, go find someone else!" Alena Wright directly refused. She and Waylon Gray had been married for three years and she had had enough. She didn't think Waylon Gray's promises had any value.

"You were really stubborn, but there is no woman in this world that I can't conquer. Sooner or later you will cry and beg to be my woman," Waylon Gray said menacingly.

Alena Wright was about to speak, but Waylon Gray had suddenly leaned towards her face and his cool lips had touched hers.

Waylon Gray's kissing skills were really good. He was both domineering and gentle, that it could make anyone's knees melt.

Alena Wright closed her eyes as she was kissed by Waylon Gray. There was a faint mist in her eyes and there seemed to be an electric current passing by her body.

.

But that's not right, and she should not do that as they were already divorced!

She also vowed that she never wanted to have to do anything with Waylon Gray again.

Alena Wright immediately recovered her sanity, and she immediately bit down Waylon Gray's tongue as she moved away.

Waylon Gray took a sharp breath and she immediately let go of Alena Wright as she stared at her fiercely, "You are really stubborn, do you want to use force against you?"

Alena Wright suddenly looked wary, "No, don't mess around!"

She had no doubt that Waylon Gray would actually treat her with his cruel ways.

As Waylon Gray saw Alena Wright's horrified expression, he suddenly found her more interesting.

Although Waylon Gray was not a good person, he did not want to force a woman.

Just then, she heard some footsteps coming over.

"The toilet should be here."

"It should be, I have asked the waiter just now and he said it is here."

Alena Wright was overjoyed as she heard someone was coming over. Waylon Gray was a little lost because of the sound that Alena Wright was able to escape from his grasps.

After escaping from Waylon Gray, Alena Wright sneered, "Waylon Gray, you are a despicable bastard, I have seen you clearly! I will never be your woman!"
