

O game 54

Chapter 54: Palace coup, Night Walker takes action!

Upon hearing these words.

The crowd in the hall revealed looks of astonishment.

Especially the Second Princess, Qing Fuyun, whose face immediately darkened.

The thing Leona promised was simply impossible to achieve.

Even if her father promised such benefits, what could she do? Could Leona obtain it?

She couldn't!!

On the contrary, Leona would lose her status as a candidate for the throne because of this.

"Yes, Father, I will certainly live up to your expectations."

Leona respectfully bowed.

Qing Fuyun sneered, "Third Sister, then I will congratulate you in advance on becoming the president of the Star Commerce Association."

Despite her words.

The mockery in Qing Fuyun's words was all too obvious.

"Thanks!"

Leona didn't even look at Qing Fuyun, bowing again to Abraham on the throne.

"Father, I will go and prepare now."

"Go then."

Leona bid farewell and left, heading straight for the respawn point of the Green Poison Spider.

Arriving there.

She saw Lin Tianhao effortlessly dodging the venom attacks of the Green Poison Spider King using his footwork.

Then, an arrow shot into the Green Poison Spider King's mouth, piercing through its chest.

"Ding, you have killed the Green Poison Spider King above your level, experience +17658, Lone Snow Guild achievement +200."

"Ding, you have leveled up to level 12, free attribute points +5."

"Ding, you have completed the first kill of the Green Poison Spider King, a server-wide announcement will be made, do you want to hide your name?"

"No."

"Server-wide announcement, congratulations to player Snow Emperor for completing the first kill of the Green Poison Spider King, hereby announced, hoping that all players will continue to work hard."

"Server-wide announcement, congratulations to player Snow Emperor for completing the first kill of the Green Poison Spider King, hereby announced, hoping that all players will continue to work hard."

... ..

The server-wide announcement rang out, Lin Tianhao was already used to it, he looted the corpse while asking:

"How is it?"

"I said it."

Leona answered concisely, "And I guaranteed it, if I can't do it, I will give up competing for the throne."

"One day."

"What one day?" Leona didn't quite react.

"Within one day, the Son of the Devil King, Grelolin Sen, will die, the sound of him being killed will resound throughout the entire Star Kingdom."

Lin Tianhao's tone was calm.

Leona widened her eyes, her face full of disbelief.

Within one day?

Kill the sealed Grelolin Sen.

She even increasingly felt that Lin Tianhao was deliberately playing with her.

But she couldn't think of Lin Tianhao's reason for playing with her.

"Okay, if you can do it, I will get a huge reward, and you will also get a huge reward because of it."

"Go back, and wait for the sound of Grelolin Sen being killed to resound throughout the Star Kingdom."

Leona nodded.

She chose Lin Tianhao instead of Village Chief Wang when she was in the novice village.

This time, with such a ridiculous matter, she also chose to believe in Lin Tianhao, that is, to bet everything on Lin Tianhao.

Now, she has no way out.

Or rather.

She stayed in the novice village for so long, to compete for the throne, she must go all in!

After Leona left.

Lin Tianhao silently took out the Book of Life and Death.

He wrote Grelolin Sen's name on the Book of Life and Death.

Star Kingdom, Well of Shattered Stars.

Below the Well of Shattered Stars, the Son of the Devil King, Grelolin Sen, is sealed.

Now the seal has cracks.

Two white-robed old men guard this place, they are the top array masters of the Star Kingdom.

They are constantly strengthening the seal here.

But it's all to no avail.

The original magic power from the Devil King's bloodline has been eroding the seal, it is already commendable that they have been able to hold on until today.

Leona came here after separating from Lin Tianhao.

She wanted to see what Lin Tianhao would do to kill Grelolin Sen in the sealed state.

She had just arrived here when Qing Fuyun was also nearby.

Seeing Leona's arrival.

Qing Fuyun walked over with a smile, "Third Sister, you're here? I really want to see how you kill Grelolin Sen."

"Then open your eyes wide and watch carefully."

Leona sat down to the side, closing her eyes to rest.

Seeing this.

Qing Fuyun snorted coldly, also sitting cross-legged not far away.

In the dark.

There are also pairs of eyes watching here.

Grelolin Sen.

Is a sharp sword hanging over the Star Kingdom's head.

What's more.

This time, Grelolin Sen's matter is related to the throne competition.

Anyone with a bit of brains knows.

Leona couldn't possibly be stupid enough to actively seek death and give up competing for the throne.

So, she must have some certainty.

It's just.

Even King Abraham could not imagine what means Leona could use to kill the sealed Grelolin Sen.

Therefore.

They are all watching.

Watching what methods Leona will use.

Suddenly!

The faces of the two white-robed old men suddenly changed, the sealing array actually began to tremble slightly!

An angry voice came from below the Well of Shattered Stars.

"Damn it, damn it, what have you done to me? Why is this happening!!"

Grelolin Sen in the seal was already in a weak state, with less than a third of his health compared to his peak.

And in the sealed state, skills cannot be used, and passive health regeneration cannot be triggered.

Originally, he thought that as long as he eroded the sealing array with his original magic power and broke through the seal, he could kill everyone.

But now.

He actually started losing health.

-14654.

-14654.

... ..

The health loss is very stable, more than 14,000 damage per second, more than 800,000 per minute, and 50 million per hour!!

With his current health bar, he wouldn't last even half an hour before he died.

"Ah ah ah!!"

"Who is it, come out, I will tear you to pieces!!"

Grelolin Sen roared repeatedly.

But he was in a sealed state and had no way to resist, he could only watch himself constantly losing health.

Grelolin Sen's roar.

Many people around heard it.

A large number of eyes gathered on Leona.

Shock, disbelief, and also, anger!!

As for those who were shocked and angry, of course, were those who had conflicts of interest with Leona, such as...Qing Fuyun.

Not only that, but also...Nightwalkers lurking in the palace.

They were shocked and angry when they heard the roar of their Devil King's son.

However.

Leona, as the center of attention, was trying to stay calm, pretending that she had everything under control.

But in reality, Leona's heart was already in turmoil.

She really couldn't imagine how Lin Tianhao did it!!

And Grelolin Sen, after roaring, began to panic.

He was angry, but helpless.

The health bar was still dropping.

"Damn it, what are you doing? Do something!!"

"If you wait any longer, I'm going to die!!"

Grelolin Sen couldn't bear it anymore and began to roar in panic.

There are Nightwalkers lurking in the palace.

After hearing Grelolin Sen's voice, they completely tore off their disguise and began to act.

Not far away, a soldier suddenly stabbed his companion in the kidney from behind with a sword, white blade in, red blade out.

The stabbed soldier widened his eyes, the injury and the sudden change shocked him.

But it was during this shock that the soldier chopped off his head with a sword!!
