

OFFICIAL SON-IN-LAW AND THE BEAUTIFUL LADY FRAGRANCE

Chapter 11: 011 Conspiracy Begins

The banquet ended, and many friends from the Lu Family and the Zhao family felt suffocated with frustration!

Damn Liu Zhizhong, luck really did favor him, and the Mayor even chose him!

Thinking back, everyone was cold and indifferent toward him, now all of them felt a shiver run down their spine.

Zhang Hongyang and his wife Zhao Han returned home. When he entered the master bedroom, he was walking behind and actually slammed the door with a bang.

Zhao Han, slightly drunk, turned around and was about to speak when Zhang Hongyang already started cursing.

"Damn Liu Zhizhong, where did this bastard get such dumb luck from? I don't accept this! Ma Xudong appointed him as his secretary, has he lost his mind? Does Yangzhou City lack secretaries?"

"Damn it all, the face of the Lu Family Members, my face, tonight was slapped resoundingly..."

"This bastard becoming the Mayor's favorite, now we all have to act according to his mood? No way, absolutely not!!!"

Finally, Zhang Hongyang, like a madman, collapsed on the sofa, heavily hitting the armrest, his face full of anger, eerily blue, his teeth grinding audibly.

Zhao Han leaned on him, her fragrant body quite tempting, she sneered, "Who knows what great luck Liu Zhizhong stumbled into! But, haha, think of a way, make my uncle unable to use him! Sabotage, you always say you're the best at it? Make it so he can't hold his head up high, to the extent that even my uncle can't protect him, but not so bad he dies. Just... hah, to live a life worse than death, you've boasted about this before!"

Zhang Hongyang coldly chuckled and nodded, hugging his sexy wife, suddenly a conspiratorial idea came to mind.

"Don't say, wife, I do have a rather ruthless strategy. If carried out successfully, my uncle will definitely not need him, and we could even kick him out of the Zhao family!"

"Oh? Really, husband? Let's hear it."

Zhang Hongyang, with a mischievous grin, leaned into Zhao Han's ear and whispered, "Men in officialdom fear seduction most! My wife is so beautiful and sexy, and also Liu Zhizhong's aunt, if we set a trap, you being the bait, if he bites, hey, can my uncle still use him? Can the Lu Family keep him? Hehe..."

Saying this, Zhang Hongyang let out a sinister and lewd laugh.

"You bastard Zhang Hongyang! Really evil, aren't you!" Zhao Han, her heart racing, her face even redder, snapped and slapped her husband on the shoulder, "You'd really use your wife, huh? Why not get someone else?"

"No pain, no gain. No baiting without my wife, I believe there's no better candidate than my wife."

"Get lost! Wait... Xue Yao could do it, right? She used to have feelings for Liu Zhizhong, but sadly, he never noticed her. And now, she is surpassed by Liu Zhizhong..."

Zhao Han, cunning indeed, actually didn't want to be the bait herself, feeling it beneath her, and somewhat unable to lower her dignity as a young lady.

After her analysis, Zhang Hongyang agreed, so let Zhang Xueyao handle it!

As a result, the couple analyzed the scheme, and the conspiracy began...

Meanwhile, Ma Xudong, a large and slightly overweight man, drank a lot and it was Liu Zhizhong who, helping his aunt, took him into the room.

As soon as Ma Xudong entered the room, he collapsed directly onto the bed, drunkenly telling Liu Zhizhong to go to sleep and just wait for the order.

Liu Zhizhong saw his closed eyes, his heavy breaths smelling of alcohol, realizing he was thoroughly drunk. Half a tranquilizer more, and he'd be dead asleep.

He glanced at Lu Yuqing, his aunt looking at him with tender eyes, stirring him almost to action.

Lu Yuqing was also excited, she took out her phone and motioned to Liu Zhizhong, who excitedly left.

Going back to his room to wash, waiting for his aunt's message then.

But he hadn't even reached his room yet, only descending from the third to the second floor, when he saw his attractive and sexy mother-in-law sitting in the second-floor living room, legs crossed, her face icy, glaring at him!

Not to mention, Lu Yumei had drunk quite a bit, her pretty face flushed, very tempting indeed!

Yet Liu Zhizhong secretly sneered, tonight she won't be comfortable, holding back her anger, but in front of the Mayor's brother-in-law, still having to congratulate me, right?

However, he wore a smile, "Mom, not yet..."

Before he could even say 'sleep,' Lu Yumei suddenly stood up, hands on her hips, fiercely said, "Liu, don't you dare smile, don't be too pleased with yourself! You think being a main division head leader, having unlimited glory tonight, means you can be lawless from now on? Let me tell you, in this house, I'm still the lady, still your mom and your elder! Don't get too arrogant, it won't end well!"

Liu Zhizhong just smirked as he sat down across from her, "Mom, don't be so angry! Your son-in-law getting promoted should make you happy! Besides..."

"I'm happy my ass! I really don't know what my brother-in-law was thinking, giving you a chance to freeload! But, you better behave, stay away from crossing my line, otherwise I'll make sure Zhao Yan divorces you and kicks you out of the house. Also, I know about the grievances between you and Hongyang. Best not show off in front of him, be careful or you won't be able to handle the consequences!"

Liu Zhizhong raised an eyebrow, a look of gratitude on his face, "Oh mom, you're worried about me, that's kind of touching..."
