

Older Man 1001

Chapter 1001: Eyes Red With Hatred

With Warren's wealth and power, what he said was definitely not a joke.

With the speed and amount of money he had invested into Revi, as long as he wanted to, he could completely suppress Leanne with money.

However, although he had a lot of money, he was not the kind of person who was rich and overbearing. Although he had always been looking for young and beautiful women, everything was with his daughter, Revi as top importance.

"Mr. Warren, why are you so angry for a person like Leanne?" Mo Long pretended to comfort him. "No matter how you look at it, she's just a small character. She can't achieve anything big."

"Mr. Mo Long, you can't underestimate Leanne!"

As they were talking, the person they were talking about, Leanne, walked over.

Leanne didn't want to come over either, but her script was here, and her manager went to the bathroom. She had no choice but to take it herself.

The moment Warren saw Leanne, the expression on his face became even more unsightly. He snorted coldly and said, "A woman who only knows how to play tricks!"

Leanne was so angry that her face turned red, but she really didn't pay any attention to that matter.

She originally wanted to send Jiang Yu into Warren's room, but in the end, something went wrong and she was the one who entered the room.

But every time she thought of this matter, Leanne felt very wronged. She originally planned to have a one-night stand with Mo Long, and then use this opportunity to push Jiang Yu out of the main seat. But she didn't expect it to be with a greasy man like Warren. Moreover, when this man woke up the next day, he actually looked at her with disdain!

This was the most intolerable thing!

But this matter couldn't be exposed to the public, so Leanne didn't dare to publicize it. Even her agent didn't dare to open her mouth, so she could only grit her teeth and swallow it.

So Leanne ignored Warren, hoping that after the filming of the movie was over, he could leave with Revi as soon as possible.

But in Warren's eyes, this behavior became Leanne's irrationality, so she didn't dare to argue.

Therefore, Warren's words became even more unpleasant. "Did I hit your sore spot? Aren't you a woman who only knows how to play tricks?"

"... Warren!" Leanne couldn't listen to it anymore. She didn't call her "Boss Warren" anymore, but Warren's name.

On the set, everyone's eyes were immediately attracted to her.

"What are you shouting for?!" Warren yelled back, "Do you dare to say that you didn't lie to me from the beginning?!"

"What did I lie to you about?" Leanne couldn't help but sneer, "Do you think that I would give myself up just because you have some stinky money? Look at yourself in the mirror! Do you think I would like a middle-aged man like you?"

"You!" Warren was so angry that his face bulged, "If you weren't lying to me, then why were you in my room?"

Seeing that he insisted on bringing this matter up, Leanne couldn't care less about losing face, she simply told him everything. "What? You thought it was Jiang Yu, didn't you? Do you know what kind of identity Mo Long is by your side? He's Jiang Yu's fiancé! You covet someone else's fiancée and say that you'll pursue her no matter what the price is. Do you think you're any better than this?"

"Shut up!" Warren argued while looking at Mo Long guiltily from the corner of his eyes. He noticed that Mo Long's expression was getting uglier and uglier. "I didn't say that!"

Leanne sneered, "So what if you admit it at this time? I'm not a good person. I helped you to complete this plan. So in the end, it's my own fault. I admit it. But what about you? You're already so old, and you're already halfway into the coffin, yet you're still going around making moves on beautiful women! You're really shameless. What do you want your daughter to think?"

"Shut up!" Warren was furious. He picked up a glass on the table and threw it at Leanne.

Then, he hurriedly explained to Mo Long, "Mr. Mo Long, you mustn't believe this bitch's words! I've never had such thoughts about Miss Jiang Yu!"

Mo Long gave him a cold glance, then stood up and went to the waiting room.

Warren could not guess Mo Long's thoughts, so he could only watch him turn around and leave.

Not long after, Mo Long returned with a glass of water.

He handed the water to Warren, and his attitude was very tough, "Mr. Warren, you must be thirsty after talking for so long. Drink some water."

For some reason, Warren only felt guilty and guilty towards Mo Long in the beginning. But now, seeing the dark expression on his face and feeling his cold aura, those feelings of guilt and guilt were long gone, replaced by endless fear.

Chapter 1002: Temporary Loss of Function

Seeing that Warren didn't take the water, Mo Long raised his eyebrows and looked at him calmly. "Why don't you drink it?"

"Yes, I'll drink it." Warren hurriedly took the glass of water.

However, the water inside was boiled at 100 degrees Celsius. As Warren took it, he let go of it because of the heat.

“Ah!” Warren cried out in pain, and his hands were also scalded in that instant.

The cup of water also accurately smashed into the middle of Warren’s legs.

“Ah!!” Warren howled again. Anyone who heard it felt the pain for him.

“I forgot to say, this is boiling water.” Mo Long said coldly, “But Mr. Warren is really careless. Didn’t you see that I was holding the edge of the cup just now? How dare you take the boiling water so directly? You are really brave.”

No matter how silly Warren was, he knew that Mo Long did it on purpose.

But he was in so much pain that he couldn’t make a sound.

Seeing this, Revi didn’t care about the rest of the scene. She quickly walked to Warren’s side and called the hospital.

“Dad! Hold on, the ambulance is coming!” Revi’s eyes were full of tears, a moment later, she stood up and questioned Mo Long, “Mo Long! What do you mean? My dad said that he doesn’t have such thoughts towards Jiang Yu. Why are you still doing this?”

“You really know how to defend him.” Mo Long frowned and his face was dark, “He was so angry that he hurt his ‘comrade and explained that he never had such thoughts... Miss Revi, would you believe me?”

“I...” Revi could not refute her. In the end, she looked at Jiang Yu for help. “Jiang Yu! Mind your fiancé!”

Jiang Yu’s heart was also filled with mixed feelings. She did not know what to say.

She and Revi were clearly friends, but her father, Warren, had been coveting her?

Seeing that Jiang Yu did not speak, Revi was a little anxious. She pointed her finger at Leanne. “Why did you make up such a lie to frame my father?”

Leanne covered her wound, she sneered. “What good will it do me to frame him? Do you really think that your family has a few stinky money and that everyone will revolve around you? As long as there is one sentence that says your family is not good, is that framing? Revi, don’t be silly. What I said is the truth. Other than you, no one will not believe it.”

“Nonsense! My father isn’t that kind of person!” Revi was so anxious that she almost cried.

Unfortunately, no one on set stood up for Revi.

Ten minutes later, an ambulance arrived and picked up Warren. Revi also left with him.

Revi went to the hospital, and Leanne was injured. So, they could only film Jiang Yu for the rest of the scene.

However, Jiang Yu was not in the mood to continue filming after such a thing happened.

Hebin could understand and was also worried that Jiang Yu would not be able to get over this matter, so she let her go back to rest first.

Jiang Yu nodded and thanked the director. "Thank you, Director."

However, she did not return to the studio. Instead, she went to the hospital with Mo Long.

By the time they reached the hospital, Warren had already been transferred from the emergency ward to the general ward.

The Doctor gave Warren a very thorough check-up. The final result was that Warren's life was not in danger.

"Doctor, did you check carefully?" Revi could not believe that her father was fine. "My father was scalded by boiling water. How could he be fine?"

As she said that, she glared at Mo Long angrily.

The doctor handed the results of the examination to Revi. "If you don't believe me, then look for yourself. Your father was only scalded by boiling water on a small area. Although that area is fragile, your father was also wearing pants. It's just that he won't be able to have sex for the past three years. It's not a disease that can't be cured."

"What?!" Upon hearing this news, Warren was so anxious that he almost fell off the hospital bed.

This was like a bolt from the blue to him!

"You're already so old, why are you still thinking about this kind of thing?" The doctor did not expect that someone would still want to have sex with a woman at such a critical moment.

"Can't you treat it?" Warren did not give up and still wanted the doctor to treat her.

The Doctor was speechless. "I say, what's wrong with you, patient? It's just a small burn. How do you want to treat it? It's neither a large area nor a serious burn. I'll give you some ointment at most, but you're still not allowed to have sex for three years."

"Doctor, think of something else." Warren was about to cry.

Chapter 1003: School Was About To Start

Three years. This time was enough to kill him!

The Doctor was speechless. He didn't want to spend any more time with Warren.

So he ignored Warren and turned around to leave.

"Dad, it's only three years. So what if you just endure it?" Revi was also angry, "Don't tell me you can't live without a woman? If my mom finds out about what you did, she'll be very angry!"

Hearing Revi mention his dead wife, Warren's face suddenly changed. He still had a heavy expression on his face. "I'm sorry. It's dad's fault."

Revi turned her face away and saw Mo Long standing at the door of the ward, looking like he was watching a good show. Beside him was Jiang Yu, who had an indescribable expression on her face.

She immediately lost her temper. "You still have the cheek to stand here? You burned my father with boiling water. Why aren't you apologizing?"

"He coveted my fiancée. I didn't take his life. I only gave him such a small punishment. You should feel lucky." Mo Long crossed his arms and looked sharply at Warren.

Warren was so scared that he didn't dare to breathe. He could only turn his head away and no longer look at Mo Long and Jiang Yu.

However, Revi didn't believe what Leanne said about Warren. She was also very unhappy with Mo Long's attitude. "You believe whatever Leanne said? Then why don't you believe what my dad said about him not having that kind of idea?"

"You're the only one who believes him." Mo Long mercilessly exposed Revi.

"So what? He's my dad. If I don't believe him, do I have to believe that Leanne? Besides, Jiang Yu is only your fiancée. She's not married to you! So what if my father really has such thoughts?" Rebutted Revi.

After hearing this, not only did Mo Long and Jiang Yu's expressions turn ugly, even Warren, who was lying on the hospital bed, felt embarrassed.

"Revi! What are you doing here? Don't you think this matter isn't big enough?!"

"Dad! I'm speaking up for you!" Revi looked at Warren in disbelief. "Is... is what Leanne said true? Are you really coveting someone else's fiancée?"

"Don't believe what Leanne said! Don't get too close to Leanne!" Warren's voice changed, "But this is not your business! Go back to your filming now and don't stay in the hospital!"

"Daddy!" Revi shouted.

"Go back!" It was the first time Warren spoke to Revi in such a heavy tone.

"... I got it!" Revi stomped her feet and glared at Mo Long before leaving the hospital and returning to the set.

After Revi left, Warren struggled to sit up, he kept apologizing to Mo Long, "Mr. Mo Long, I'm really sorry. "I really didn't know Miss Jiang Yu's identity at the beginning, so I had that dirty thought. If I had known that she was your fiancée, I wouldn't have dared to have such a thought!"

"So you still have this thought, right?" Mo Long's eyes reflected Warren's shivering look as she sat on the hospital bed, "When Leanne identified you, you refused to admit it. You were just worried that you would lose face in the eyes of others, right?"

He was right. Warren could only nod and admit, "Yes, that's right."

Mo Long was so angry that his teeth were chattering. He could not help but step forward and want to beat Warren up. He was afraid that this would not ease his anger.

Jiang Yu stopped Mo Long and shook her head at him. "According to the time, I'm going to start school soon. I need to finish shooting the movie here as soon as possible and then go back to school."

The implication was that she did not want to have a conflict with Revi because of Warren during this period of time because it would delay the progress of the shooting.

However, Mo Long still could not take it lying down. "Are we just going to let him go?"

"Didn't we make it impossible for him to have sex with a woman for three years?" Jiang Yu smiled slyly. "This punishment is much better than beating him up."

Mo Long could only put down his clenched fists when he heard that.

Warren heaved a sigh of relief at first because she had avoided a beating.

However, in the next second, she felt sad again.

Three years! How could she get through this period of time?

"Mr. Warren, let's put this matter behind us. No matter what you thought at that time, I hope you can restrain yourself in the future," Jiang Yu walked to Warren and said, she said very politely, "After all, you don't want to let Revi be disappointed with you after finding out about this, do you?"

Chapter 1004: Shoot Was Over

The moment Jiang Yu mentioned Revi, Warren's expression changed again.

Although he did not have much feelings for his wife, it was just a business marriage, but he was very fond of his daughter Revi.

Moreover, Warren had always shown that he liked his wife very much in front of Revi. Even when she passed away, he still pretended to be very sad.

After a long silence, Warren lowered his head and said slowly, "I'm sorry, Miss Jiang Yu. It's my fault. You and Mr. Mo Long can do whatever you want to me, but don't make things difficult for Revi."

"It won't happen. This is your problem, not Revi's problem. I still know who's right and who's wrong." Jiang Yu smiled slightly, as if she had really forgiven Warren.

"Thank you." Warren thanked her sincerely this time.

Jiang Yu and Mo Long returned to the set and planned to take the time to shoot before returning to China.

At first, Hebin was worried about Jiang Yu's condition. She was worried that she was acting tough, so she decided to give her a few more days off.

However, Jiang Yu insisted on shooting, and Hebin saw that her condition didn't seem to be problematic, so she agreed to continue shooting.

However, Leann needed a few days to recover from her injuries, so her scenes were arranged for later.

Because of Warren's matter, Revi's mood had been unstable, so Hebin arranged her scenes for later.

"Sigh, too many things have happened recently." Hebin sighed, "First, it's about Anna, and now it's about Leann and boss Warren. I really don't know when things will settle down and we can safely finish filming this movie."

"Don't worry, director," Jiang Yu comforted, "These things won't happen in the future. Aren't there only two weeks left until the estimated completion time? Two weeks will soon pass, so don't worry too much."

"I know you're comforting me, but I'm still very happy." Hebin smiled and said, "I heard that you're going to start school soon, right? Then when you graduate, I'll definitely invite you to act."

"It's my honor." Jiang Yu smiled politely.

As a supporting role, Jiang Yu didn't have many scenes to begin with, and there weren't many scenes left. There was still a week before school started. As long as they filmed quickly, there would be enough time.

Moreover, Leanne and Revi hadn't filmed recently, so Jiang Yu only used four days to finish filming the remaining scenes.

Although time was tight, the scenes that Jiang Yu performed still received Hebin's praise.

"Director, thank you for taking care of me during this period of time. I'll go back to school first. When I'm on vacation, I'll definitely come back to see you," Jiang Yu said with a smile.

"Okay." Hebin nodded with a smile. "Go back quickly. Don't be late for the start of school."

"Goodbye, Director."

Jiang Yu and Mo Long boarded the plane and returned to their country.

Mo Long had always felt that it would be too easy for Leanne to let her off just like that.

"Leanne is a bad person, but her brain isn't working properly," Jiang Yu said with a smile, "She helped Warren do bad things, but in the end, she suffered the consequences. This is also a lesson for her. She will remember this in the future. Moreover, Warren also hates this matter. Even if we don't do anything, he won't let Leanne off."

"It better be like that." Mo Long snorted. "To a certain extent, they are a good match."

"Leanne looks down on Warren, and Warren looks down on Leanne." Jiang Yu smiled even more happily. And Revi must be the first one to stand up and disagree with this matter."

"That's true." Mo Long couldn't help but laugh. "It's better to let Warren handle this matter himself. He said before that he would do everything he can to make Leanne lose her footing in the entertainment industry."

"Then we don't have to worry." Jiang Yu continued packing her luggage. "Moreover, with this matter, Leanne will definitely not be able to take the position of International Movie Queen."

Speaking of this, Mo Long became interested. "Yu'er, do you want to be an international movie queen?"

"Of course I do." Jiang Yu did not hide her yearning for that position at all, "But those who can sit in that position are all very outstanding actors. Although I have confidence in my own strength, I'm not at the point where I'm conceited. I'm already very satisfied with being able to get the position of best actress. Although I yearn for the position of International Movie Queen, I'm not so arrogant as to covet that position."

"But Yu'er is very outstanding. She can definitely get that position," Mo Long whispered into Jiang Yu's ear.

Chapter 1005: New Semester

Mo Long's warm breath reached Jiang Yu's ears, making her blush uncontrollably.

"Don't spout nonsense, I don't have the strength." Jiang Yu turned her face away, her hands still a little unsteady as she packed her luggage.

"Yu'er, don't be modest, you have the strength." Mo Long laughed out loud, reaching out to touch Jiang Yu's hair.

"Got it," Jiang Yu replied in a low voice.

At the beginning of the new semester, the weather was at its hottest. Jiang Yu was sweating all over just lying on the bed in the dormitory.

Even though she was blowing on the air conditioner, the heat in the air was still lingering.

Jiang Yu lay on the bed and made a team call with Lu Qi and the others.

"Isn't it too hot this summer?" Dai Zhu said, "It's never been so hot before!"

"The Sun will spit fire this year, Hahaha!" Kang Xue laughed loudly.

"Kang Xue, I haven't heard from you recently. How is it?" Jiang Yu asked, "Kang He didn't make things difficult for you, right?"

"No, she's been quite well-behaved recently. She doesn't even go home much anymore," Kang Xue replied, "But I heard from her secretary that she's been going out alone recently. She won't be back for a long, long time. I don't know what she's doing."

"What good can she do?" Dai Zhu smiled disdainfully. "When I first saw her, I knew she was not a good person!"

"But her whereabouts have been so mysterious recently. Is she planning to do something big?" Lu Qi guessed, "First, she disappeared for a few days. Then, when she came back, she suddenly became the wife or lover of some big boss?"

"Have you read too many novels?" Dai Zhu laughed mercilessly. "Even if Kang He really wants to do this, she has to have this opportunity."

"I don't know what's going on either... Let's not talk about her. Jiang Yu, where have you been recently?" Kang Xue's topic was directed at Jiang Yu, "The few of us who are single can only stay at home or at the company. But you must have gone out to play with your fiancé, right?"

Kang Xue could not help but laugh as she said this.

Jiang Yu smiled helplessly and told them all about her experiences in Malaysia and Hollywood.

"Oh my God, you're actually filming in Hollywood!" The other three cried out in surprise. "Are there many international stars? Did you work with them?"

"No." Jiang Yu smiled. "Actually, it's just a studio where a friend of mine works with Hollywood. Most of the actors there are only slightly famous. There aren't any big names like international stars."

"I see." The other three were a little disappointed, but they quickly returned to normal. "But this isn't a big problem. Since you've already gone to Hollywood to film, then you'll also enter the overseas market in the future! Maybe, Jiang Yu, you can even get an international movie queen!"

"I really yearn for that position, but I still know my own strength." Jiang Yu smiled embarrassedly.

"By the way, where's Jiang Ran? I heard that she didn't come to school. She skipped school for a period of time last semester. I didn't expect that she wouldn't come this semester." Dai Zhu mentioned Jiang Ran. "Jiang Yu, do you know what happened?"

Jiang Yu hesitated for a moment, but she still told her about how Jiang Ran went to prison.

After she finished speaking, there was silence on the other end of the phone.

After a long while, Dai Zhu sighed, "I didn't expect that Jiang Ran would throw away her future."

She had always had the temperament of a missy, but after hearing what Jiang Yu said, she also felt that Jiang Ran's stupid behavior was not worth it.

Lu Qi agreed, "It is indeed not worth it. If that's the case, the Jiang family will not tolerate her."

Although she hated Jiang Ran and had always hoped that she would pay the price for what she did, she had never thought of sending her to prison.

Kang Xue did not know much about Jiang Ran. The only impression she had was that she used to be a follower behind her back. Later on, she used the Kang family to become a "person above others."

Speaking of the Jiang family, Lu Qi had recently heard of something. "Xiao Yu, I heard that Jiang Hai has been working with other businesses recently and is planning to sell animal fur."

"Animal fur?" Jiang Yu was stunned. "Then is his jewelry company closed?"

"No, it's just that he has invested in a new industry," Lu Qi explained. "He's really not afraid of losing money. Animal fur isn't a profitable industry."

Chapter 1006: Illegal Industry

“Not only does it not make money, but it is also illegal to kill animals that are protected by the state!” Dai Zhu exclaimed, “Is Jiang Hai crazy? Moreover, there are only a few companies that sell animal fur, and they are all small companies. How much money can he earn from investing?”

After saying this, Dai Zhu remembered that Jiang Hai was Jiang Yu’s father. Would Jiang Yu be unhappy if she said that about her father?

Therefore, Dai Zhu softly called out Jiang Yu’s name, “Jiang Yu, Jiang Yu?”

“What’s wrong?” Jiang Yu asked in confusion, “Dai Zhu, what’s the matter?”

Hearing that Jiang Yu did not seem angry, Dai Zhu heaved a sigh of relief.

“Nothing much.”

Jiang Yu continued, “Jiang Hai is really not afraid of death. Back then, because of the fake jewelry, he was asked to pay off his debts. I didn’t expect that he would still dare to invest in such a dangerous industry.”

“And I heard that the money he invested was borrowed from usury.” Lu Qi told her what she knew, but there was one thing that she didn’t know how to say. “And... But this is just what I heard, I’m not sure.”

“What is it? Aiya, Lu Qi, just say it openly!” Dai Zhu’s curiosity was piqued, and she urged Lu Qi to quickly tell her about it.

Lu Qi took a few deep breaths and said, “Jiang Hai is holding Wei Juan at the loan sharks.”

“Huh!” Dai Zhu and Kang Xue Gasp. “Did he... put his wife there?”

Jiang Yu was also stunned. She didn’t expect Jiang Hai to do this for money.

“Xiao Qi, how did you know about this?” Jiang Yu asked, “Didn’t Jiang Hai or Wei Juan come forward to defend themselves?”

“That’s the weird part.” Lu Qi sighed, “This is a rumor without any evidence. Plus, Jiang Hai didn’t explain himself, and even Wei Juan didn’t come forward to explain, so no one could say anything. They could only ignore it.”

“What’s wrong with this Wei Juan? She was mortgaged by that shameless husband to a usurer. Isn’t she scared at all? Dai Zhu wanted to catch Wei Juan right now, she wanted to beat her up and see what was going on in her mind.

“Either it’s because this matter is fake, so Wei Juan is too lazy to come forward and explain. Or it’s actually true...” Kang Xue made a bold guess. “Wei Juan wanted to explain, but someone didn’t allow it.”

It went without saying who the “Person” in “Someone” was.

“But why didn’t Jiang Hai let Wei Juan come forward and explain? As long as he came forward to explain, wouldn’t it be fine if he said that there was no such thing? In that case, there wouldn’t be such groundless rumors on the Internet.” Dai Zhu didn’t understand.

Lu Qi also didn't understand. "Yeah, if the rumors develop, then it would be a fatal blow to Jiang Hai, right?"

"Then... maybe it's because this matter is fake? So the two of them are too lazy to explain?" Kang Xue could only think of this reason.

The three of them had been discussing this matter. Suddenly, they realized that Jiang Yu hadn't said anything. They couldn't help but ask, "Jiang Yu, are you still listening?"

Jiang Yu was silent on the other end of the phone. Finally, she asked, "Has Jiang Hai and Wei Juan quarreled recently? Or did they have any conflicts?"

"I haven't heard about that," Lu Qi answered truthfully. "And I heard from my father that the two of them were pretending to be very loving in front of others a while ago. But recently, the two of them haven't appeared at the banquet together. Even if they did, Jiang Hai was the only one. When others ask, Jiang Hai said that Wei Juan was sick and was recuperating at home."

"Recuperating?" Jiang Yu was stunned.

Wei Juan... Was she really sick?

The timing was too coincidental, so it was hard not to suspect her.

"Yeah, but I don't plan to visit her," Lu Qi said. "She is not my friend, and she treated you like that before. I Won't visit her."

Jiang Yu thought for a while and said, "I'm going to the Jiang family."

"Huh? Xiao Yu! Are you going to see that Wei Juan?!" Lu Qi shouted, but Jiang Yu didn't answer because she had already hung up.

The other three people were on the phone and didn't know what to say next, so the three of them agreed to go to the Jiang family as well.

Since school had just started and the new schedule was still being set, they had nothing to do, so they might as well go to the Jiang family to see what Jiang Hai was up to.

Chapter 1007: Felt Guilty

They didn't leave with Jiang Yu, but they arrived around the same time.

Jiang Yu was also surprised to see the three of them. "Why are you here?"

"To accompany you, of course." Lu Qi patted Jiang Yu's shoulder, "Who knows what happened to the Jiang family recently? Don't look at Jiang Hai's sanctimonious appearance in front of outsiders. Who knows if he's actually a lunatic? What if he goes crazy and hurts you? The four of us can at least subdue him."

"If he really goes crazy, the four of us might not be able to defeat him." Jiang Yu shook her head.

“Then we will stand at the door and not go in. When the situation is not right, we will run immediately,” Lu Qi added.

Seeing this, Jiang Yu also knew that they had to accompany her today, so she could only smile helplessly and say, “Got it.”

She walked up and knocked on the door of the Jiang family.

However, no one responded.

“Is there no one at home? But even if Jiang Hai isn’t here, Wei Juan should be here, right?” Jiang Yu knocked on the door several times, but still no one responded.

“It seems that there’s really no one. Let’s go first,” said Dai Zhu.

Just as they were about to turn around and leave, the door behind them suddenly opened. At the same time, a low male voice sounded, “Who is it?”

This voice sounded like Jiang Hai, but there were other strange voices mixed within, making it seem unfamiliar.

Jiang Yu turned around and saw the bearded Jiang Hai standing at the door. Half of his face was exposed, while the other half was hidden in the darkness.

When Jiang Hai saw Jiang Yu, he was stunned for a moment, but he quickly reacted, “What’s the matter?”

He didn’t have a good tone with Jiang Yu right now, because in his eyes, Jiang Yu was the ingrate who didn’t acknowledge her father after acknowledging her ancestors. And because of her, his last money tree, Jiang Ran, was also in prison.

Jiang Yu paused for a moment and put on a kind smile. “I heard that Auntie Wei is sick, so I came to take a look.”

“Auntie Wei? You went back to the Kang family and became a phoenix. You don’t even know the word ‘mother’?” Jiang Hai sneered.

“You’re joking.” Jiang Yu was still smiling. “Auntie Wei isn’t my mother to begin with. Then what’s wrong with me calling her auntie?”

Jiang Hai choked for a moment and said after a long while, “Go back. She’s not in good health and isn’t suitable to see others.”

“It is because she is sick that we came to see her.” As she said that, Jiang Yu was about to walk in.

However, Jiang Hai blocked the door and did not let Jiang Yu in.

“I told you, she is not in good health and is not suitable to see others.” Jiang Hai frowned and his tone became colder and colder.

Dai Zhu, who was at the side, could not help but walk over and ask, “We came to see her out of kindness. What is wrong with you? Are the rumors true? Did you kidnap your wife?”

“Don’t talk nonsense!” Jiang Hai’s face turned red. “She’s my wife. How could I possibly kidnap her?!”

Dai Zhu didn’t believe Jiang Hai’s words. “Who knows if you can do such a thing? If you really don’t have a ghost in your heart, then let us go in and take a look.”

As she said that, she took a step forward.

“Stop!” Veins popped up on Jiang Hai’s forehead. “This is my home, and this is also my family’s business. What do you think you are? Don’t tell me you can just enter as you wish? Don’t I care about my face?”

As he spoke, Jiang Hai slammed the door shut.

“Jiang Hai! Jiang Hai!” Dai Zhu, who had been rejected by the door, was furious. She stood at the door and shouted Jiang Hai’s name.

After shouting a few times, Dai Zhu felt that her anger was not vented. She knocked on the door again, but this time, no matter how hard she knocked, no one came out.

“This Jiang Hai! He must have a ghost in his heart!” Dai Zhu was so angry that she kicked the door hard. “If he didn’t feel guilty in his heart, why didn’t he let us in?”

Lu Qi was also puzzled. “Is it true that Jiang Hai mortgaged Wei Juan to a loan shark?”

Jiang Yu thought for a while and said, “Wei Juan should still be in the Jiang family, but something might have happened to her.”

“It can’t be?” Dai Zhu suddenly became afraid. “Does Jiang Hai really dare to do that?”

“There’s nothing he wouldn’t dare to do,” Jiang Yu said. “Xiao Qi, do you know where Jiang Hai borrowed money from?”

“I don’t know.” Lu Qi shook her head, “It’s something that can’t be seen in the light. How can Jiang Hai let others know? Although I know these things from my dad, my dad only heard it from other people’s gossip.”

Chapter 1008: Wait And Watch

“I’ll go back and check it out,” Jiang Yu said. “Alright, let’s go back first. If something really happened to Wei Juan, we have to call the police immediately.”

“Okay.”

The group of them returned to the school. Jiang Yu immediately went back to her dorm. She took out her computer and began to investigate Jiang Hai’s recent schedule and who he had contacted recently.

However, an hour later, Jiang Yu only found the merchant who sold animal fur.

Jiang Hai had only been in contact with this merchant recently, and he hadn’t been in contact with any so-called loan sharks. Including his recent schedule, which was to wander between the Jiang family and the jewelry company, he hadn’t gone to any unusual places.

“Could it be that... We guessed wrong?” Jiang Yu bit her index finger and checked Jiang Hai again.

However, the result of the reinvestigation was the same as the first time. It showed that Jiang Hai didn't borrow money from usury.

Jiang Yu pursed her lips and told Lu Qi and the others about this.

Lu Qi was also shocked when she found out. “How is it possible? If he didn't borrow money from usury, how could he have the money to invest?”

Dai Zhu also suspected that Jiang Yu's investigation was wrong. “Jiang Yu, did you make a mistake? Although the rumors were unreliable, they were not completely fabricated. It was because someone saw it or had evidence that it was leaked

“But I've already investigated twice, and there is indeed no indication that he went to borrow money from loan sharks.” Jiang Yu held her forehead helplessly, “Although I also feel that I made a mistake, the results were the same twice. I can't do anything about it.”

“So... Jiang Hai didn't borrow money from usury? Then what about Wei Juan?” Dai Zhu was brainstorming. “Is she really just sick? It can't be. There's nothing shameful about being sick, right?”

“Yeah. And we went to see her out of kindness. Jiang Hai didn't let us in, which means that he's guilty,” Kang Xue agreed.

Jiang Yu thought for a moment and said, “Let's wait and see. If Jiang Hai really didn't borrow money from usury, then Wei Juan should be safe now.”

“That's fine.” Lu Qi agreed, but she was still curious about one thing. “Xiao Yu, Wei Juan treated you so bad before, why are you still worried about her? It would be best if something really happened to her.”

Every time Wei Juan was mentioned, Lu Qi could recall her previous bitter and unkind face.

Jiang Yu paused for a moment and realized that she didn't know why she had to go to this extent.

It was impossible to say that she had feelings for Wei Juan. After all, Jiang Yu hadn't forgotten how she had treated Jiang ran and herself differently before.

So Jiang Yu thought for a long time before answering, “I don't know. I still hate the Jiang family. Even if Jiang ran went to prison, I didn't feel sorry for her. I just felt that she deserved it.”

“What about Wei Juan? She has done so many things to let you down. Compared to Jiang Ran, she deserves it more,” Lu Qi said angrily.

Dai Zhu also felt that what Lu Qi said made sense. “That's right, Jiang Yu. I heard from Lu Qi that Wei Juan treated you very badly before. Why are you still thinking of saving her now? In my opinion, we shouldn't care whether something happened to her or not!”

Kang Xue didn't agree with them, but she didn't stand on Jiang Yu's side either.

“It's probably because she wants to save Wei Juan,” Jiang Yu gave such an ambiguous explanation. “If I save Wei Juan, she and Jiang ran will have to be very grateful to me.”

“The mother and daughter wouldn’t do such a thing!” Lu Qi said, “Xiao Yu, don’t think too highly of Wei Juan and her son. They are ungrateful wretches. Even if you save her, she won’t thank you. She might even think that it’s only right for you to save her!”

“No matter what the reason is, Wei Juan must be saved. Even if I hate her, I can’t just watch her get into trouble in Jiang Hai’s hands,” said Jiang Yu, “No matter what, it’s still a human life. You can’t just give up.”

“You’re so kind!” Lu Qi was disappointed. “When the time comes to save Wei Juan, I want to see if she will thank you!”

Jiang Yu smiled helplessly. “You guys, if you didn’t know better, you would have thought that Wei Juan was the one who abused you. Alright, let’s not talk about this anymore. What we need to do now is to keep an eye on Jiang Hai’s every move.”

“But he doesn’t even leave his house. How are we supposed to keep an eye on him?” Dai Zhu was in a dilemma again. “We can’t sneak in, right?”

When Dai Zhu said this, Jiang Yu was also in a dilemma.

Chapter 1009: Found Something

“I feel like Jiang Hai is surrounded by darkness. He doesn’t look like a normal person anymore.” Dai Zhu was still scared when she thought of Jiang Hai’s face.

“I’ll think of something,” Jiang Yu said.

Kang Xue Sighed. “There are so many things going on. First, Kang He. I don’t know which man he is with. Now, it’s Jiang Hai and Wei Juan. I don’t know what kind of tricks they are playing.”

“I will find out about this. Don’t be anxious,” Jiang Yu said. She planned to tell Mo Long about this.

After hanging up the phone, Jiang Yu went online to check her class schedule. She found that the new class schedule could only be confirmed the next day. So, she packed up briefly and returned to Mo Garden.

!!

She couldn’t explain this matter over the phone. She had to tell it to Mo Long face to face.

At night, Mo Long came back from the company and saw Jiang Yu already sitting on the sofa.

“Is there no class today? Why are you back?” Mo Long hung his suit jacket on the shelf and walked to the sofa.

Jiang Yu told Mo Long everything she knew from Lu Qi.

After Mo Long heard it, he hesitated for a moment. “I’ve heard about this matter, but there’s no concrete evidence for the time being, so everyone’s attitude towards this matter is to turn a blind eye.”

“Xiao Qi also said that this matter is gossip and there’s no reliable evidence to prove it. However, I went to the Jiang family home with them during the day. Jiang Hai was very dispirited and refused to let us in. Therefore, I suspect that he has a guilty conscience and is worried that we will find something wrong. That’s why he has been stopping us.”

Mo Long thought for a moment and said, “If this matter is true, then Jiang Hai’s fate will be even worse.”

“That’s why I’m worried about Wei Juan.” Jiang Yu was worried about Wei Juan’s safety. “Even if I don’t have any feelings for them, I can’t let Jiang Hai destroy a life at will.”

“I’ll get Teng Yi to investigate this matter. Yu’er, don’t be anxious,” Mo Long comforted her. “Since Jiang Hai wants to use Wei Juan as collateral for the usury merchant, he won’t hurt Wei Juan for the time being. However, loan shark is an illegal business. Although some people break the law for money, they won’t put such things on the surface. Therefore, it will take some time to investigate it.”

“I know. I’ve done a simple check today. Jiang Hai’s schedule has been very regular recently. Other than the Jiang Jewelry Company and a few small companies that sell animal fur, he hasn’t been anywhere else.”

“He’s really smart at this time.” Mo Long snorted. “He knows to hide his schedule for fear of being discovered by others.”

Jiang Yu frowned. “Should we call the police about this? Let the police take Jiang Hai into custody first, and then slowly investigate it?”

“We can call the police, but we need to keep the news of this case under wraps as much as possible.” Mo Long also frowned, “This is a big case. If the police know about it, the investigation will definitely not be quiet. If that group of people knew about it, it was very likely that they would escape before the police found out about it. If that’s the case, even if Jiang Hai was in cahoots with the loan sharks, without evidence, the police will still close the case like this. Moreover, after the incident with Jing Chi last time, the position of deputy chief of the police station was still vacant, so we could only look for chief Luo Hao.”

However, this case was not a trivial matter. He did not know how Luo Hao would react if he heard about it.

It was still early. Although Mo Long had returned home from the company, it was still not time for the police station to get off work. Hence, he and Jiang Yu went to look for Luo Hao together.

Because the position of deputy chief was vacant, Luo Hao had been staying in the police station for a long time. He had also been interested in grooming Chang Kai and wanted him to be the next deputy chief.

However, Chang Kai was still too young. Luo Hao was worried that he wouldn’t be able to shoulder the heavy responsibility, so he thought of training him.

When Jiang Yu and Mo Long arrived at the police station, Chang Kai was reporting his work to Luo Hao.

Jiang Yu knocked on the door and asked, “Chief Luo, I’m Jiang Yu. Are you free now?”

Luo Hao raised his hand to signal Chang Kai to stop reporting to him. Then, he let Jiang Yu in.

“Miss Jiang Yu, President Mo, long time no see.” Luo Hao smiled. “After what happened last time, it seems that we haven’t seen each other for a few months.”

“It has indeed been a long time, but we’re not here to reminisce. We have something to tell you.” Mo Long went straight to the point.

Luo Hao raised his eyebrows. “What is it?”

Chapter 1010: Secret Investigation

Mo Long then told him everything about Jiang Hai and the loan shark.

After Luo Hao heard it, he muttered, “Do you have any evidence?”

“Not at the moment.” Mo Long shook his head. “It is precisely because there is no evidence that I said that I am suspecting Jiang Hai.”

“Loan shark is illegal. It is impossible for Jiang Hai not to know.” Luo Hao placed his hands on the table in front of him and looked at Jiang Yu.

Luo Hao said, “Miss Jiang Yu, I remember that Jiang Hai should be your father, right? The Jiang family jewelry that rose in the business world back then was built by your father, Jiang Hai. I think your father should know what he can and can not do.”

Jiang Yu pursed her lips and did not explain to Luo Hao that she had long cut off relations with the Jiang family.

It seemed that Luo Hao still trusted Jiang Hai, as a businessman.

However, Jiang Yu knew all the embarrassing things that Jiang Hai had done before. “If he really knew, he wouldn’t have sold fake jewelry. After the incident, he didn’t want to apologize or redeem himself. He only wanted to avoid it and exaggerate the amount of compensation, thus taking away a large amount of money from me.”

Jiang Yu said as she observed Luo Hao’s expression.

In fact, this wasn’t the only shameful thing that Jiang Hai had done. However, this was the only thing that was needed to change Luo Hao’s mind.

As expected, Luo Hao’s expression changed.

“It seems that most businessmen are black-hearted.” Luo Hao frowned. “But Jiang Hai is your father. Aren’t you afraid of public criticism if you stand out and identify your father?”

Luo Hao was indeed thinking for Jiang Yu when he said this.

If this case was finally investigated, then Jiang Hai’s confession would be the best outcome. However, there were many saints on the internet. Some people praised Jiang Yu for supporting justice and her righteousness, but there would also be people who would scold her for being an ungrateful wretch.

If he hadn't encountered such a thing a few years ago, Luo Hao wouldn't have believed that the internet would become like this.

However, Jiang Yu wasn't afraid of public opinion. "It's alright, Chief. I've been in the entertainment industry until today, so why would I be afraid of those superficial public opinions on the internet? Moreover, even if Jiang Hai really confessed to the crime because of my finger-pointing, I can be considered to have saved Wei Juan's life."

Luo Hao paused and couldn't help but laugh, "Alright. I'll send someone to investigate this case in secret, and I'll also keep an eye on Jiang Hai. But Miss Jiang Yu, you need to be careful in the near future because you've already met Jiang Hai, and he has already found out that you know the clues. I'm worried that he'll do something extreme in an extremely unstable situation, so I hope that you'll protect yourself well before this case comes to light."

"I understand." Jiang Yu nodded. "I'll be staying at the school for a while. I won't be going out."

"Okay." Luo Hao nodded, motioning for Chang Kai to pass down the orders for this case. He also requested that all the staff investigate it in secret. They must not alert the enemy.

"We've said what we needed to say, so we'll be going back first," Mo Long said. "Director Luo, I'll be waiting for your good news."

Luo Hao smiled. "Don't worry, President Mo... I won't let you down."

Mo Long left with Jiang Yu, but he didn't return to Mo Garden. Instead, he went to the school.

"Stay at the school for the time being. I'll also send people to secretly guard the vicinity of the school. If anything goes wrong, they'll come over to protect you," Mo Long said as he drove.

"Got it." Jiang Yu nodded. "But you have to keep a few people by your side. After all, Jiang Hai is now a madman. I don't know if he'll vent his anger on you."

"Yes, Teng Yi is by my side. Don't worry."

After returning to school, Mo Long was still worried. He kept sending Jiang Yu to the dormitory building without stopping.

In the end, Jiang Yu stopped him and said with a sly smile, "Wait, this is the female dormitory. Does great President Mo still want to go in?"

Mo Long paused and smiled helplessly. "Got it. I'll watch you go upstairs. I'll go back when you get to the dormitory."

"Okay." Jiang Yu knew that Mo Long had said so. If she didn't go upstairs obediently, he definitely wouldn't leave, so she went upstairs obediently.

When she reached the dormitory, Jiang Yu gave him a call. "I'm here. You should go back quickly."

Mo Long replied softly, "Okay."

After hanging up, Mo Long turned around and left, driving back to Mo Garden.

On the way back, he saw a man and a woman kissing passionately on the roadside, attracting countless people to watch.
