

Older Man 1071

Chapter 1071 An Unwilling Engagement

Kang Xue's vision blurred. In a daze, she seemed to hear footsteps. Then, Kang He's hand on her neck loosened, and she could finally breathe in fresh air.

"Cough cough!" Kang Xue knelt on the ground and coughed uncontrollably.

The nanny and the Butler held Kang He up and wanted to drag her into the room.

Mr. Kang, on the other hand, walked over with a dark expression and slapped Kang He.

"Kang He! It's not the time for you to be messing around!" He snapped, "Kang Xue is your sister! Even if you're not satisfied with my arrangements, you can't be so cruel to your sister!"

After being slapped, Kang He looked at her father in disbelief. However, after hearing what he said, she couldn't help but sneer, "You're pretending to be a good person now? You act as if you care about Kang Xue a lot, but you're just afraid that something will happen to her and you won't be able to answer to the Sun family, right? The person Sun You likes is me, but you're asking Kang Xue to marry him. What do you mean by this? You've abandoned my happiness, and you still have the face to call yourself my father?"

Mr. Kang said angrily, "Kang He, I think you're getting more and more confused! You two, lock her in the basement and let her reflect on her actions!"

"Wait!" Kang He's expression instantly changed to a pleading one, "Dad, I beg you, please don't let Kang Xue marry Sun You, okay? The person Sun You likes is me, and Kang Xue doesn't like Sun You either. If the two of them get married, you'll be ruining the happiness of the three of them! And, and Kang Xue had not graduated from university yet! They can't get married!"

The housekeeper and Butler didn't know what to do.

But Mr. Kang didn't pamper Kang He as much as before. Instead, he scolded, "So what if you didn't graduate? They were engaged and would not get married for the time being! They would have a wedding after snowy graduated! Before they get engaged, you'll reflect on yourself in the basement. Come out only when you've thought it through!"

With that, Mr. Kang asked the housekeeper and Butler to carry Kang He into the basement.

Kang He began to shout again, "Kang Xue! You won't be happy marrying Sun You! Sun You will never like you! He will never!"

Her voice grew smaller and smaller until it finally disappeared.

Mr. Kang wanted to leave, but he couldn't bear to see her sitting on the ground with no one to rely on. "Xiaoxue, are you okay? Your sister's mental state isn't good, don't take it to heart."

Kang Xue was silent for a while before asking, "Dad, can I not marry Sun You? Two people who don't like each other won't be happy when they get married."

Mr. Kang's face changed. "Don't talk nonsense. Feelings can be cultivated slowly. It's been decided. Once the sun family gives us a date, you and Sun You can have your engagement ceremony."

With that, Mr. Kang left without looking back.

Kang Xue felt the air around her turn cold. She took out her phone and called Jiang Yu, "Jiang Yu, my dad is forcing me to marry Sun You. What should I do? I rejected him, but he didn't listen to me...!"

Kang Xue cried out.

Jiang Yu was also very surprised when she heard the news.

It had only been four days since he last met Sun You. How could their parents have met in such a short time?

Jiang Yu, who had yet to figure out the whole story, could only advise Kang Xue not to be anxious. "Don't worry, there must be a way to solve this."

"Kang He was so angry that she wanted to kill me, but my dad only locked her up in the basement. After my engagement ceremony with Sun You is over, he will release her." Kang Xue said, sobbing.

"Didn't Kang He and Sun You express any objections?" Jiang Yu asked.

It would be understandable if Sun You didn't object. However, if Kang He didn't object, then this matter would be outrageous.

"They're all against it, but my dad and Sun You's parents have already discussed this." Kang Xue told him everything that had happened. "It's exactly as you thought. The Sun family wants me to be their daughter-in-law, and my dad wants to get rid of me. From the beginning to the end, only Kang He was against this marriage. Although Sun You was against it, he quickly accepted the arrangement."

"Of course he'll accept it. After all, it's not too different from what he thinks." Jiang Yu said.

"What do we do now? I don't want to marry Sun You! I don't want the rest of my life to end like this!" Kang Xue cried.

Chapter 1072 Imprisonment

"Kang Xue, don't be anxious. How about this, you go back to school first, and we'll think of a solution together." Jiang Yu didn't have any good ideas for the time being. After all, she couldn't interfere with other people's family affairs as a bystander, so she could only tell Kang Xue not to worry and to go back to school first.

"Alright," she said. Kang Xue nodded as she cried. "Jiang Yu, please save me. I really don't want to marry him."

"Well, don't be in a hurry. Pack your things and go back to school. Don't go home for the time being." Jiang Yu said.

"Alright, I'll go back now." With that, Kang Xue hung up the phone.

She simply packed her things and was about to leave. However, she was stopped by the Butler when she reached the door. "Second miss, where are you going?"

The Butler asked with a smile.

He'd been the Butler of house Kang for thirty years now, and he'd never seen the second miss being pampered ever since she was born. As time went by, even the old Butler's attitude towards Kang Xue gradually began to become perfunctory.

"I want to go back to school. I still have classes," she explained.

"Even if there's class, you don't need to carry such a big backpack, right?" The Butler looked at the backpack behind Kang Xue. "I've asked around. You don't have any urgent classes recently. You just have to tell the tutor and it's fine if you don't go to class. So you said you have class now. What class are you going to attend?"

"My backpack isn't big, it's just the normal size. I'll just be attending an ordinary elective class when I go back to school." Kang Xue was sweating.

She was worried that it would be too conspicuous to carry a suitcase, so she chose to use a backpack. There wasn't much inside, but she didn't expect this sly old Butler to have such sharp eyes and see through her thoughts.

"Don't even think about it. Master has already asked me to inform the tutor. You should stay at home for the time being and take the exam at the end of the term." The Butler smiled and reached out to take the backpack off Kang Xue.

"Wait!" Kang Xue took a step back. "What do you mean by this?"

"It means that you'll have to stay at home for the time being!" The Butler's smile changed. He grabbed the backpack from Kang Xue and called for the two bodyguards outside the door, "Quickly come in! The second miss is running!"

The bodyguards quickly rushed in and suppressed Kang Xue.

"Butler! What are you doing!" Kang Xue's eyes were red with anxiety.

The Butler didn't answer, but asked the bodyguard to send Kang Xue back to her room. He then said, "Before the engagement ceremony begins, she is not allowed to leave this room."

"Yes, sir!" The bodyguards replied.

Before leaving, the Butler did not forget to take away Kang Xue's phone.

"Second miss, you won't need to use this, so don't keep it."

Just like that, Kang Xue was locked in the room. She tried to escape through the window, but there were four or five bodyguards outside, so there was no way to escape.

This time, she was completely imprisoned.

Moreover, she did not have a cell phone and could not contact Jiang Yu at this time. She had no way to tell her about her current situation.

As time went by, the sky became darker and darker, and Kang Xue became more and more anxious.

On the other hand, Jiang Yu had been waiting in school for a long time, but Kang Xue did not come. She could not help but feel a little puzzled.

After she finished her work today, she went back to school just to discuss this with Kang Xue. However, she had been waiting in school for an entire afternoon, and there was no sign of Kang Xue.

Lu Qi and Dai Zhu were also waiting with her.

Lu Qi looked at the time and said, "Is Kang Xue not coming today?"

Jiang Yu frowned and replied, "I don't know. If she can't make it, she should have contacted me. However, I haven't received any news from her yet. She should be coming."

"Then why hasn't she arrived yet? Even if there's a traffic jam, she should have arrived. It's impossible that they haven't left the house yet." Dai Zhu was confused, but a bold idea suddenly came to her mind. "Heavens! Did Kang Xue get locked up by her family?"

The moment she said that, Jiang Yu and Lu Qi both felt that something was not right.

"It's not impossible for her family to lock her up because they're worried that she'll run away." Jiang Yu frowned and said, "They might have even confiscated Kang Xue's phone because they are worried that she would contact us.

"This, this is illegal, right?" Dai Zhu covered her mouth in horror.

Jiang Yu shook her head. "This is their family matter. Besides, we don't know how Kang Xue is doing."

[Chapter 1073 Engagement Ceremony](#)

As they could not contact Kang Xue, Jiang Yu and the rest did not dare to act rashly.

That was until the news of Sun You and Kang Xue's engagement came.

The news spread like wildfire in the media. After all, Sun You had been engaged to Jiang Yi before. But later, for some reason, the relationship between the two of them was over.

They couldn't find Jiang Yao, so they wanted to start from Sun You. But in the end, they didn't find anything useful.

Now that the sun and Kang families were connected by marriage, it could be considered to have set off a gust of wind in the media.

"The news got out so quickly?" Lu Qi and Dai Zhu had been paying attention to the news on the internet, so they had also noticed this.

Dai Zhu was furious. once this news spreads, the public will think that Sun You and Kang Xue are tied together.

"But we can't get in touch with Kang Xue right now, and there's no date of their engagement written on it." Lu Qi frowned. "This matter is really a little difficult to handle."

The two of them looked at Jiang Yu at the same time, not knowing what she was thinking.

Jiang Yu said without hesitation, "Let's go, we'll go to the Kang family,"

Lu Qi and Dai Zhu did not have much of an impression of Kang Xue's house in Hucheng, but Jiang Yu managed to find it based on her previous memory.

Usually, only Kang He and Kang Xue were here, but because of the marriage between the Kangs and the sun family, Mr. Kang had to come here temporarily. After Sun You and Kang Xue were done with their engagement, he would return to Shang Jing.

Lu Qi and Dai Zhu followed Jiang Yu to Kang Xue's house, but they were stopped by the bodyguards at the gate. "Who are you people?"

"We are Kang Xue's friends," Jiang Yu replied.

The bodyguard turned his face away and said in disdain, "I've never heard that our family's second miss had a group of friends like you."

Dai Zhu was furious. "You bastard, you don't even know our names and you dare to say such things?"

The bodyguard was even more disdainful, "I don't care what your names are. I advise you young ladies to leave this place as soon as possible. I've never hit a woman, so don't force me to fight you."

The bodyguard had a burly figure and was about 1.9 meters tall. Even if she were to take a light punch from him, she would not be able to get out of the hospital bed for at least ten days to half a month.

However, Dai Zhu was not afraid of him. She rolled up her sleeves and was ready to fight him. "You bastard! What, you're proud to be Kang family's guard, aren't you?"

"What did you say?!" The bodyguard could no longer keep his expression straight. He bared his teeth and was about to rush forward to punch Dai Zhu.

At this critical moment, someone shouted, "Wait! What are you guys doing?"

The bodyguard paused and retracted the ferocious expression on his face. He turned around and replied, "Mr. Butler, these people say that they are friends of the second miss."

The Butler glanced at the people at the door and walked over. He chuckled and said, "So you're the second miss' friend. I'm sorry, I'm sorry. However, second miss is not at home right now, so you should come back in a few days."

It had to be said that compared to bodyguards, butlers understood the ways of the world and knew how to conduct themselves better.

His smile was harmless and he hid his fox tail very well. No one could find fault with it.

Even someone as hot-tempered as Dai Zhu knew that one should not slap a smiling face. As such, she coughed awkwardly and obediently shut her mouth.

However, Jiang Yu did not intend to end the matter at the door. Instead, she said to the Butler, "Please tell your master Kang that Jiang Yu wants to see Kang Xue."

When the Butler heard the name " Jiang Yu, " the way he looked at Jiang Yu changed. After he carefully sized up Jiang Yu, he bowed and replied, "Alright," he said.

The Butler had always known that the old master of the Kang family had reunited with his long-lost granddaughter, and her name was "Jiang Yu". Although he had never met this person before, he had always known of the existence of 'Jiang Yu'.

Although there were many people with the same name in the world, it was rare to see someone with the same name who had the courage to come here. It seemed that Jiang Yu, who was standing at the door, was most likely the granddaughter of the Kang family's old master.

The Butler didn't dare delay and quickly entered the house to inform Mr. Kang.

Mr. Kang's expression changed slightly when he heard that Jiang Yu was looking for Kang Xue.

However, he still asked the Butler to invite Jiang Yu in. "Quickly let her in. Remember, she's the only one who entered."

"Yes," the Butler replied.

He went out and invited Jiang Yu into the house, but he stopped Lu Qi and Dai Zhu, who wanted to go in with him. "I'm sorry, but our old master only invited miss Jiang Yu."

[Chapter 1074 Binding](#)

Lu Qi and Dai Zhu could only stand at the door, staring at the arrogant bodyguard.

The Butler brought Jiang Yu into the house and Mr. Kang was already prepared to welcome her. However, in this huge house, he was the only one besides the Butler. It was a little too desolate.

Jiang Yu went straight to the point and stated her purpose, "Uncle Kang, I'm a friend of Kang Xue. I haven't been able to contact her for a few days and I'm a little worried, so I came over to see what happened."

"This kid just doesn't let us have peace of mind," Mr. Kang laughed. "She even made her friends worry about her. She's gone to her grandmother's house these few days, so she's not here for the time being."

Jiang Yu asked expressionlessly, "then where is Kang Xue's grandmother's house? Please give me an address so I can go and find her. "

"Her grandma's house is far from here, don't you have classes?" Mr. Kang was still smiling.

"I don't have many classes left." Jiang Yu said, "please give me an address. As long as I can confirm that she is safe with my own eyes, I will return to the school."

Mr. Kang couldn't maintain the smile on his face anymore. "Jiang Yu, I'm only telling you this because called me 'uncle Kang'. Don't push your luck. Kang Xue is my daughter, I know her situation better than anyone else. Even if you're from Kang family, you don't have the right to meddle in my family business."

"Uncle Kang, you've misunderstood. I'm just worried about her as her friend." Jiang Yu was not flustered at all. "There's even news on the internet that she's going to marry Sun You. I've known her for so long, but I've never heard of her having a boyfriend called Sun You. On the other hand, her sister Kang He's boyfriend should be Sun You, right?"

Mr. Kang paused and looked at Jiang Yu warily. "You must be mistaken. Kang He doesn't have a boyfriend. Sun You has always been Kang Xue's boyfriend,"

"No way..." Jiang Yu frowned and felt that something was wrong. But before she could finish, Mr. Kang called for the Butler. Butler, Jiang Yu is tired. Please send her back quickly.

"Yes, Master."

The Butler walked over and gestured for Jiang Yu to enter. please, miss Jiang Yu.

It was so obvious that he wanted to drive her away, so Jiang Yu could only follow the Butler out. Lu Qi and Dai Zhu were still waiting for her at the door. The bodyguard had also specially stood a few meters away from them.

Jiang Yu walked to the two of them and said in a low voice, "Let's go,"

"Alright," he said. "Lu Qi nodded as she sized Jiang Yu up. Xiao Yu, are you alright? That old man only let you in. He didn't do anything to you, right?"

"No, don't worry." Jiang Yu shook her head. he refused to let me see Kang Xue. He even said that Sun You has always been Kang Xue's boyfriend. This is enough to prove that he has a guilty conscience.

"Then what do we do?" Dai Zhu said worriedly, "if we don't see Kang Xue, aren't we going to watch her get engaged to Sun You? Then the two of them would be completely bound together! Kang He is also a brainless person. If she gets emotional and does something to Kang Xue, it'll be too late to regret it!"

As they walked back, they analyzed the current situation.

Jiang Yu said, "The Sun family and the Kang family both value this marriage very much. Therefore, the date of the engagement won't be too late. It's very likely that the engagement ceremony will be held in a few days. I didn't see Kang Xue today, so no matter how many times I come, I won't be able to see her. So the only chance we have to see her is on the day of the engagement ceremony."

"I'm just afraid that we won't be able to see Kang Xue on the day of the engagement." Lu Qi said worriedly, " I wonder if Mo Long can help me with this? House Kang isn't some ordinary Noble House. Other than Mo Long, I'm afraid no one else would be able to negotiate with them."

Jiang Yu had thought of asking Mo Long for help, but this was someone else's family matter. Furthermore, with the relationship between the mo and Kang family's ancestors, even if Mo Long was her fiancé, he didn't have the right to interfere with the Kang family's matters.

Therefore, Jiang Yu could only shake her head and explain, "this is Kang Xue's family matter. Even if Mo Long came, he wouldn't be able to solve it.

Lu Qi and Dai Zhu fell silent.

After a long time, Dai Zhu finally complained indignantly, "They don't even treat Kang Xue as a human? Those who don't know better would think that only Kang He is his daughter and that Kang Xue was picked up from the side of the road!"

Although Kang Xue wasn't picked up from the side of the road, the treatment she received was no different from that of someone who was picked up from the road.

Chapter 1075 Helpless

The date of the engagement was getting closer and closer, and the results of the international jewelry design competition were out.

Jiang Yu lived up to everyone's expectations and successfully advanced to the next round. Next, she would be going to the capital to participate in the preliminary round.

And this time, there was a new theme, which was The Princess and the Warrior.

While Jiang Yu was busy with the competition, she also had to pay attention to Kang Xue and Sun You's situation. Her body couldn't take it and she had a high fever.

Sister Xia was so frightened that her heart skipped a few beats. She quickly sent Jiang Yu to the hospital and contacted Mo Long.

Mo Long couldn't care less about the documents in his hands. After giving them all to Teng Yi, he drove to the hospital.

Although Jiang Yu had a high fever, sister Xia sent her over in time, so her fever went down after an IV drip.

When Mo Long rushed to the hospital, Jiang Yu was on an IV drip.

When she saw Mo Long enter, sister Xia quickly complained to him, "President Mo, you're finally here. Quickly help me talk to Jiang Yu. She has to be busy with the competition and also pay attention to Kang Xue's matters. How can her body take it? I told her to rest, but she didn't listen."

"What's the matter with Kang Xue?" Mo Long asked with a frown.

Jiang Yu originally did not intend to tell him about this. Other than adding to his helpless worries, it would be of no use at all. However, since sister Xia had already revealed it, she couldn't hide it anymore. Therefore, Jiang Yu had no choice but to tell Mo Long the whole story.

When Mo Long heard this, his brows furrowed even more. "Kangxue and Sun You's engagement is their family matter. Even if you're worried, you can't interfere in other people's family matters. Business marriages were common, and many people who got married because of this did not like their other half. However, for the sake of their family business, they had no other choice. If Kang Xue could understand this, she would accept this marriage. But even if she doesn't understand, this is someone else's family matter and we have no right to interfere."

Jiang Yu was silent for a long time before she said, "That Kang Xue is really pitiful."

"She's not favored at home and is destined to become a tool for business marriage." Mo Long consoled.

“Yes. Yes,” Jiang Yu replied softly, feeling an indescribable sourness in her heart.

Of course, she understood Mo Long’s intentions. Back when she hadn’t met him, Wei Juan had wanted to marry her off to an old man over 50 years old. Although it was not a business marriage, he wanted to “sell” her for two million Yuan.

Therefore, Jiang Yu felt that it was not worth it for Kang Xue, but she also felt lucky to have met Mo Long.

“I’ll go see her during the engagement ceremony.” Mo Long said.

“Yes.” Jiang Yu nodded gently.

The date of the engagement was soon announced on the internet. it was going to be in a week.

There were many people who went to the banquet, but they were all from the Sun family and Mr. Kang’s side. Other than Jiang Yu and the other two, no one came to congratulate Kang Xue.

Even when the news spread around the school, no one attended the engagement ceremony. The lackeys that were following behind Kang Xue were even gloating. “pfft, I knew that Kang Xue wouldn’t have a good ending. Look at how arrogant she was back then. Now, she’s getting her retribution, right? She deserves it!”

Kang Xue didn’t know how these people insulted her behind her back, but it didn’t matter to her anymore.

She was dressed in a simple and elegant gown, standing beside Mr. Kang like a puppet.

Mr. Kang was currently chatting with the other guests. The male lead, Sun You, was also greeting the guests with a smile. He then held Kang Xue’s hand and introduced her to the guests as if he was introducing a treasure, “This is my fiancée, Kang Xue.”

Most of the guests only had an impression of Kang He, because every time father Kang attended a banquet, it was always Kang He who followed him. As for Kang Xue, if it wasn’t for the news of her engagement, they wouldn’t have known about her existence.

However, they still had to put in enough effort on the surface. The guests smiled and said, “the young master of the Sun family is really young and promising. Not only has he made great achievements in business, but he has also married such a beautiful wife. Congratulations!”

“It’s only an engagement ceremony today, not a wedding,” Sun You said with a smile.

“What are you saying? we’re already engaged. How far away can the wedding be?”

Kang Xue only listened to the noise from the side. Her heart was like a pool of dead water, without any waves.

It wasn’t until Mr. Kang came over and asked her and Sun You to take a photo at the side that Kang Xue finally returned to normal. There was a slight change in expression on her face.

[Chapter 1076 An Unexpected Marriage](#)

Kang Xue didn't know why Mr. Kang asked her to take a photo, but she followed him to a place where no one was around and took a photo with Sun You.

At the photographer's request, she forced a smile.

After the photoshoot, Mr. Kang waved his hand. alright, after today's engagement ceremony is over, you'll be free to do whatever you want. You can go wherever you want, even if you want to go back to school.

Kang Xue's eyes lit up. "Really?" she asked in disbelief.

Mr. Kang's face fell. What do you mean 'real'? do you think I'd lie to you? "

"That's great! Thank you, dad!" Kang Xue was so excited that she was about to cry.

She dragged her long gown and wanted to go back to her room to change into something light, but she saw Jiang Yu and the others at the door.

So, Kang Xue ran over and said excitedly, " "My dad said that after today's engagement ceremony, I'll be free to do whatever I want! He won't care where I go!"

"Really?" Dai Zhu's eyes lit up. then what are you waiting for? hurry up and change your clothes and come with us!

"Good! The ceremony will be over in a few minutes!" kang xue cheered and ran back to her room to change into a light set of clothes.

However, while Dai Zhu was happy for Kang Xue, Jiang Yu and Lu Qi felt that there was something fishy about this.

"That old man from house Kang really dared to let Kang Xue out?" this is an engagement ceremony, not a wedding ceremony, " Lu Qi said suspiciously. If Kang Xue takes this chance to run away, then this marriage will never happen, and the Kangs and the sun family will become a joke."

Jiang Yu was also thinking about this matter.'What is that old fox planning again? Yingying, take Kang Xue away first. That's the most important thing.' We can talk about the other things when we get back to school."

"Yes." Lu Qi nodded.

Dai Zhu, on the other hand, was so immersed in her joy that she did not hear the conversation between Jiang Yu and Lu Qi.

Half an hour later, the engagement ceremony came to an end. Mr. Kang and Sun You were drinking with the guests, completely forgetting about the female lead, Kang Xue.

Kang Xue also changed her clothes and left with Jiang Yu and the others.

"After I leave this time, I'll never come back." Said Kang Xue.

"Right, don't come back. Let your father and sister confront each other about this matter. When the time comes, they will be the ones to kick up a fuss. It has nothing to do with you." Dai Zhu agreed.

At the mention of Kang He, Jiang Yu realized that she was not at the engagement ceremony today.

Jiang Yu voiced out her doubts, and Kang Xue replied, "A few days ago, she got into a fight with my dad because of this, so he locked her up in the basement. But because of this, she seemed to be on the verge of a mental breakdown. My dad was worried that letting her out would delay things, so he kept her locked up."

"It's best if she's locked up for a lifetime. Don't let her out to harm others." Dai Zhu said angrily.

I still hope that she can marry Sun You. After all, the two of them are the ones who like each other, Yingying. before Kang Xue could finish her sentence, her phone rang with a message notification.

She opened it and saw a photo Mr. Kang sent her.

After taking a closer look, Kang Xue's pupils lost focus and her phone fell to the ground.

"What's wrong?" Dai Zhu looked at Kang Xue's expression and asked in confusion.

Lu Qi had also noticed that something was wrong. She picked up her phone and looked at the screen. She immediately cursed, "That old fox! I was wondering why he dared to set Kang Xue free, so he had a trick up his sleeve!"

It was a photo of a marriage certificate. The two people in the photo were Kang Xue and Sun You, who had just been taken.

Kang Xue's mind went blank.

No wonder her father wanted her to take a photo with Sun You. It was to help her and Sun You get their marriage certificate.

"This is illegal!" When Dai Zhu saw the photo, she shouted, "The Civil Affairs Bureau won't agree to this, will they? The person didn't go to the Civil Affairs Bureau to take the photos, so this marriage certificate doesn't count at all!"

"I'm afraid that the person who took the photo is the photographer from the Civil Affairs Bureau," Jiang Yu frowned and said.

Dai Zhu was about to say that the photographer from the Bureau had no bottom line, but she remembered that house Kang was a rich family. As the saying goes, money can make the devil turn millstones, let alone a small photographer.

As long as the money was in place, anything could be done.

After a long time, Kang Xue trembled and said, "So... I'm really married to Sun You, right?"

The other three people were silent for a long time before Jiang Yu slowly replied, "Yes."

Chapter 1077 Make A Big Scene

Sun You and Kang Xue's marriage was set in stone, and no one could change that. plus, the marriage certificate was still in Mr.Kang's hands. even if Kang Xue wanted to divorce Sun You, she wouldn't be able to.

Furthermore, Sun You himself was unlikely to get a divorce.

Kang Xue was depressed the whole time. she didn't say a word until she went back to school and went back to her dormitory.

Jiang Yu and the rest wanted to comfort her, but they didn't have the chance to do so. they could only watch as Kang Xue returned to her dormitory.

"Sigh." Lu Qi sighed. "Doesn't that mean that Kang Xue will fall into Sun You's hands for the rest of her life?"

Dai Zhu could only force a smile and console her, "Take it easy, as long as Kang Xue doesn't go back to live with Sun You, everything will be fine."

"There's no point in not going back. the relationship between Sun You and Kang Xue is recognized by the law." Lu Qi sighed even more heavily. "If she doesn't go back, she and Sun You will never be able to get a divorce. even if Sun You had an affair, as long as one of them refused to give up, they would never divorce."

When Dai Zhu heard this, she lowered her head in silence.

Jiang Yu looked at Kang Xue's back as she left, and a sense of powerlessness rose in her heart.

he had thought that he would be fine as long as he didn't go back after successfully bringing Kang Xue out today. But now, it seemed that there was no need for her to go back.

After looking at it for a long time, Jiang Yu finally said, "Let her calm down. This kind of thing is too much of a blow to her."

"Yes." Lu Qi and Dai Zhu nodded. "Jiang Yu, you still have a competition to attend to, so you should focus on it first. we'll be here to comfort Kang Xue, so don't worry."

the corners of Jiang Yu's mouth twitched and she nodded gently. "I know."

Jiang Yu did not sleep well that night. When the sky was almost bright, she finally fell asleep in a daze, but she was suddenly woken up by a phone call.

Jiang Yu picked up her phone and saw that it was Lu Qi.

"Xiao Qi, what's up?" she answered the call.

"Xiao Yu!" Lu Qi's tone was very anxious. hurry up and come! That lunatic Kang He has come to the school!"

Jiang Yu was shocked. She couldn't care about sleeping anymore. She hurriedly changed her clothes and rushed to the school gate.

Kang He sat on the ground with disheveled hair and shouted hysterically, "Kang Xue, that Vixen! she seduced my boyfriend! You even married my boyfriend! I'm her sister, her biological sister! isn't what she's doing the same as marrying her own brother-in-law?"

The security guard stood beside Kang He helplessly, not knowing what to do. after all, he was a man, and it wasn't good for him to hit a little girl.

So after thinking for a long time, the security guard could only contact the school's instructors and ask them to come over to solve the problem.

A group of people surrounded her, and the person in question, Kang Xue, was standing not far from kang he. she lowered her head and endured the insults from the people around her.

"I knew that Kang Xue wasn't a good person. Look, she's even trying to steal her sister's boyfriend."

"How did someone like her get into this school? Does our school accept just anyone?"

"We don't need a Vixen like her. Maybe the family paid for her to come in."

"She even dares to snatch her sister's boyfriend. she must be a lawless young lady at home, right?"

"Why are you pretending to be wronged? you know you're in the wrong after snatching someone else's boyfriend? Bah, you're really shameless."

Dai Zhu and Lu Qi stood in front of Kang Xue. they wanted to rebut on her behalf, but there were too many people around. even if they wanted to rebut, they could not.

some people even laughed at them, thinking that those who could be friends with Kang Xue were not good people.

Jiang Yu squeezed through the crowd in a hurry and saw Kang Xue standing behind Lu Qi and Dai Zhu. She lowered her head, her long hair covering her face.

However, from the way she shrugged her shoulders, Jiang Yu knew that Kang Xue was crying.

Kang He had been sitting on the ground and crying. When she saw Jiang Yu, she immediately stood up and complained, "And this Jiang Yu! He stole someone else's original work and refused to admit it! the hundreds of thousands of bracelets I bought from her were all fake. I asked her to return them, but she rejected me! Tell me, how could a famous movie queen dare to sell fake goods?"

Jiang Yu's identity was more interesting than Kang Xue's, so many people immediately took out their mobile phones to record a video, planning to post the video on the internet after this farce was over.

At that time, he would use this video to become popular and Jiang Yu's reputation would also decline.

Chapter 1078 Slap Your Face Until It's Swollen

In the end, they were just jealous of Jiang Yu's current achievements. they were the same age and Jiang Yu had already won the best actress award twice, but they were still mediocre and accomplished nothing.

There were a lot of people recording the video, so Kang He shouted even harder, "Everyone, please be reasonable! can a movie queen be so lawless? In the end, we'll be the ones to suffer!"

The crowd immediately let out an "oh" sound, and even deliberately dragged out the tone, continuing to wait for a good show.

Jiang Yu ignored her for the time being and went straight to Kang Xue. she asked in a low voice, "Are you alright? Let's go back and leave Kang He alone."

Kang Xue nodded and decided to go back with Jiang Yu. But Kang He wasn't that easy to get rid of. She pulled on Jiang Yu's sleeve and wouldn't let her go no matter what.

she grabbed Jiang Yu's sleeve and shouted, "See that? Because I hit a sore spot, I can't wait to escape! Jiang Yu, are you still trying to quibble?"

Jiang Yu stopped in her tracks and asked Lu Qi and dai zhu to bring Kang Xue back, while she stayed behind.

Lu Qi was worried that Kang He would go crazy and do something harmful to Jiang Yu, so she stayed behind with Jiang Yu and asked Dai Zhu to send Kang Xue back to the dormitory.

Kang Xue was already physically and mentally exhausted from her marriage with Sun You, and now with kang he's disturbance, her mental state was on the verge of collapse.

In addition, the people around her had been insulting her, and she had long been unable to accept it. Now that Dai Zhu wanted to send her back, Kang Xue followed her back in a hurry.

Kang He wanted to stop Kang Xue from leaving, but she was stopped by Jiang Yu.

"Why are you stopping me?" kang he glared at Jiang Yu fiercely. "Kang Xue still hasn't given me a reasonable explanation! she's getting married to my boyfriend, isn't there even an explanation for that?"

"What do you mean your boyfriend? since you're married to Kang Xue, you're her husband!" Lu Qi said, "If he really likes you, why would he be willing to marry another woman? In the end, he doesn't like you at all!"

"You shut up! He loves me! he only loves me! The only reason he married Kang Xue was because of the damn business marriage! if it wasn't for the business marriage, Sun You would have married me!" Kang He went crazy again.

"I advise you to face reality. why are you still pestering Kang Xue for an explanation? She didn't want to marry Sun You, okay?" Lu Qi crossed her arms in front of her chest. "All of this is thanks to your good father! If he didn't insist on marrying her to Sun You and imprison her, how could all of this have happened?"

the expressions of the people who were watching the show changed, and even the whispers became softer.

"No, no! It's Kang Xue who stole my boyfriend!" Kang He shouted like a mad woman.

Lu Qi's head almost split open from her shouting, so she simply covered her ears and walked to the side.

kang he went crazy on her own and pointed the finger at Jiang Yu. "How about you? shouldn't you give me an explanation for not returning the goods? Also, shouldn't you explain the fake goods you sold?"

"What explanation do you want?" Jiang Yu looked at her coldly. "Didn't you read the Rules of the Shop when you bought it? It's only because you can't resell the bracelets you bought. Of course, I can't return them for you. as for the original and the stolen bracelet, anyone who has bought a bracelet before would know that Diana is the original and bubbles is the thief."

"You're talking nonsense!" Kang He shouted excitedly and immediately turned her eyes to the surrounding onlookers. "Jiang Yu is putting on airs just because she's the movie queen! He clearly bought a fake and was exposed by me, but he still refuses to admit it!"

Although she shouted like this, no one around her responded to her.

Jiang Yu continued. "You bought a large number of bracelets from me and then resold them at a high price. You even lied that the one you were selling was the original Kang He. I wanted to ask you. How could you ask me to explain it to you? Shouldn't you be the one giving me an explanation? You've ruined my reputation and deceived the consumers. Kang He, what you're doing is a business fraud. It's illegal, do you know that?"

After Jiang Yu said this, Kang He froze on the spot and couldn't say anything.

The people around originally wanted to see Jiang Yu make a fool of herself, but they didn't expect to see Kang He, who had come to make trouble, make a fool of herself.

As a result, the spearhead of their whispered discussion was pointed at Kang He. "So it's an unscrupulous merchant who deceives his customers."

"I'm starting to doubt if the man she's talking about is really her boyfriend."

"Even though Kang Xue isn't a good person, I don't think she's brave enough to steal her sister's boyfriend, right?"

Everyone's spearheads were pointed at Kang He, which made her panic for a moment.

She quickly calmed herself down and smoothed her hair with her hand before saying, "Don't be led by Jiang Yu! Since I'm Kang Xue's sister, I wouldn't frame her for no reason! It's a fact that she stole my boyfriend and married him! as for Jiang Yu, even if she wasn't selling fake goods, it was a fact that she didn't return them for me! Don't you care about this?"

The surrounding people were silent.

Jiang Yu crossed her arms and said coldly, "what else do you want everyone to care about? As her sister, you've been suppressing her at home. you think that since she's your sister, she shouldn't be living better than you. So regarding her marriage with Sun You, are you unwilling to let her steal your boyfriend, or are you in disbelief that she actually agreed to marry Sun You? also, regarding the refund, i'll tell you one last time. it's non-refundable unless it's a quality problem. If it wasn't for the quality issue with that batch of bracelets, I definitely wouldn't have returned them for you."

"Jiang Yu! you're really a stubborn person!" Kang He couldn't hold it in anymore. "Do you know how big of a loss I'll suffer if I store five hundred thousand bracelets in my warehouse? "

"You know that's 500000 bracelets? if I were to return the goods for you, how much would I lose?" Jiang Yu retorted.

"Jiang Yu, don't try to twist your words! I'm asking you, are you going to return the goods or not!"

"I won't." Jiang Yu's tone was very firm, and there was no room for negotiation.

"Jiang Yu! you!!!"

Before Kang He could finish her sentence, a middle-aged female teacher squeezed through the crowd and shouted, "Make way! what happened here?"

Someone briefly explained the matter, and the female teacher walked in front of Kang He and said, "Miss, if you have any disputes with the students from my school, please come with me to the office to discuss and resolve it."

"Alright." Kang He's face immediately changed into a smug expression. "Jiang Yu, come with me to my office to discuss and resolve this."

"No!" Jiang Yu refused decisively.

Kang He was anxious when she heard this and reached out to pull Jiang Yu. "Jiang Yu! Hurry up and...!"

Before she could finish speaking, Kang He's hand was slapped away by the female teacher.

"Miss, please control your emotions! You're already disrupting the school's order! If you don't stop now, I'm going to call the police!"

As she spoke, the female teacher took out her phone and was about to call the police.

"Didn't you say you'd go to the office to settle it?" Kang He was a little flustered, and her hair was unkempt.

"That's a peaceful solution, not a violent one!" the female teacher said.

Kang He was speechless. After a long time, she resentfully said, "I don't think your school is that good. A teacher would cover up for a student without even asking for a reason? How can people like you be teachers?"

Kang He's curses were getting more and more unpleasant. It didn't sound like something a rich young lady would say.

The female teacher couldn't take it anymore and called the police, asking them to teach this foul-mouthed woman a lesson.

Kang He was busy scolding others and didn't notice the female teacher's actions.

by the time she noticed it, the police sirens were already right in front of her.

"You really dare to call the police!" ah! Kang He screamed. She was completely flustered and wanted to run.

The female teacher tried to grab it but failed. Kang He ran all the way to the outside of the school. Just as she was about to bypass the police car, she was caught red-handed by the police who got out of the car.

"Let go! do you know who I am? I'm the young miss of house Kang, Kang He!" Kang He shouted.

But the police wouldn't listen to her. They took her into the police car.

"Stop! If you don't stop, I'll get my dad to come! You'll all be fired!" Kang He twisted her body, trying to break free from the police's grasp.

however, the police were very strong and Kang He couldn't break free. She could only use Mr. Kang's identity to try to get them to let her go.

But the police wouldn't listen to Kang He.

[Chapter 1080 Got Beaten Up](#)

Before getting into the police car, Kang He was still struggling. She turned her eyes to the school, hoping that a kind person would come to save her.

However, the people who had been watching had already been chased back to the classroom by the female teacher.

Just as Kang He was in despair, a "good person" walked over. she took a closer look and realized that the person was Jiang Yu.

"What are you doing here?" Kang He shouted in fear.

Jiang Yu ignored her and handed a name card to the police officer. She said with a smile, "This is her father's contact information. If there was a need, he could try to contact them. Her father is a prideful man. If he knew that his daughter was taken away by the police for a lesson, I don't know where he would put his face."

After the police took the business card, they took Kang He back to the police station.

The police began to question and record her statement for her disruption of the school's order.

"Your name."

"Kang He," Kang He said unwillingly.

The police officer who was taking down the statement looked up at her and continued to ask, "Tell me your purpose for going to green vine University. You can't just cause trouble for no reason, right?"

"I'm not that kind of person!" At the mention of this, Kang He got excited and quickly told everything with exaggerated details.

"So you went to pester her?"

"What are you saying? I have my reasons and evidence!" Kang He slammed the table and shouted, "the Vixen stole my boyfriend and I'm not allowed to say anything? So what if she's my sister? I can't spoil her!"

"I won't punish you this time. When you go back, be careful. Don't always be impulsive and do things without considering the consequences." The police officer warned.

"I know," Kang He replied impatiently. In this life, no one has ever dared to talk to me like that except for my dad."

"What's wrong with you, little girl?" The police officer frowned. if you don't listen to me, I'm going to call your father.

Upon hearing this, Kang He quickly restrained herself and said, "I'll listen, I'll listen, alright? By the way, police, how many years will my sister be sentenced to for snatching my boyfriend?"

"This isn't against the law. How many years do you want her to be sentenced to?" The police said helplessly. This isn't a crime at all. Do you even know the law, young lady?"

"She hurt me!" Kang He was unhappy again. "How is it not illegal? You even conspired with others to trick me and scammed 15% of my company's shares! That's fraud, how is it not illegal?"

"When did this happen? You're only bringing it up now. You don't even have enough evidence, so how can you break the law?" The police officer's face was serious. He didn't dare to think that this person in front of him, who knew nothing about the law, could actually have his own company?

The company would lose money sooner or later.

"I don't care. Help me think of a crime." Kang He pouted and decided to be a scoundrel.

"You ..." The police officer had no choice but to give Mr. Kang a call, telling him to come to the police station and take his daughter home.

Mr. Kang was a prideful person, and his face turned pale when he heard that his daughter was taken away by the police for causing a disturbance in society.

He rushed to the police station without stopping and saw Kang He cowering in a corner, as if she was afraid of him.

He first apologized to the police and then carried Kang He into the car. He asked the driver to drive to Kang He's company and planned to leave her there.

"How did I give birth to such a useless daughter like you!" Mr. Kang was heartbroken and didn't notice that Kang He's cowering behavior was completely different from usual.

"If I'm useless, then you can go find Kang Xue." Despite her cowardice, Kang He's mouth was as sharp as ever. "Isn't she married to Sun You? That's your good daughter."

"You're planning to spend the rest of your life in Sun You's body, aren't you?!" Mr. Kang was so angry that he slapped Kang He. "I've told you so many times, Sun You is not good enough for you!"

Kang He, who had been slapped, fell silent. after a long time, she said, "Oh, then forget it. I don't want a man who doesn't deserve me. Don't you think so, dad?"

The Kang He now was completely different from before. Not only did she look up at father Kang, but her expression was also very innocent.

"Dad, I'll listen to you from now on. Please don't lock me in the basement again, okay?"

Mr. Kang paused-he didn't recognize his daughter anymore.

Her appearance had not changed, but her mental state was different from before.
