

Older Man 25

Chapter 25: Catching A Cheater

“Yu’er, I’m here. Where are you?” It was a message from Lu Qi on wechat.

Jiang Yu said, “Qiqi, come and take a look. I’ll send you the address.”

After hesitating for a moment, Jiang Yu sent the photo over.

Soon, Lu Qi rushed over.

In the hall, Lu Qi said in disbelief, “When did they enter?”

“Half an hour ago,” Jiang Yu said.

At this moment, the elevator door opened and Lu Qi’s fiancé came out with a woman in his arms.

The woman was wearing a strapless dress and the man’s big hand was holding her shoulder.

“This time, if you don’t buy me a diamond ring, I won’t talk to you anymore.”

“Okay, okay, I’ll do whatever you want.”

As they spoke, they walked over to Jiang Yu.

Lu Qi was stunned on the spot. “Xue Dong!”

Xue Dong was only focused on sniffing the woman’s hair fragrance when he raised his head and saw Lu Qi.

“Lu Qi, why are you here?” A flash of uneasiness flashed across the man’s face, but he quickly calmed down.

He still held the woman in his arms and walked over by himself.

“Who is she?” Lu Qi gritted her teeth.

Xue Dong frowned and put down his hands, with both hands in his pockets, he said, “What are you saying? She is my cousin. It was not easy for her to come over to see me before I finally settled her down. Why are you here? Are you following me? Do you not trust me?”

The woman who was called ‘cousin’ pulled on Xue Dong’s sleeve coquettishly and called out to Lu Qi, “Hello, sister.”

Lu Qi was stunned. “She’s your cousin? Why didn’t I know?”

“I have many relatives in my family. I still have to take my cousin shopping. I also have to take her to the nearby area to play. If you have nothing to do, don’t bother me here.” Xue Dong pulled the woman swaggeringly and walked past them.

The woman looked at Lu Qi meaningfully, and her eyes were somewhat smug.

Seeing that the two were about to leave, Jiang Yu quickly tugged at Lu Qi. “Qiqi, if they really are cousins, why would they kiss in the car?”

“What?” Lu Qi’s eyes widened.

“I saw it with my own eyes.”

The next second, Lu Qi rushed out again.

“Stop!” This time, Lu Qi did not hesitate. She walked over and pointed at the woman. “If you really are cousins, why would you kiss in the car?”

Xue Dong’s eyes flashed with impatience.

“Lu Qi! I only gave you some face because of our parents, and now you want to tear it apart. Well, since you asked, then let me tell you, she is my real girlfriend. You are just my tool to deal with my family. We only meet a few times a year, and you always call yourself my fiancée. Do you think I want to have anything to do with you?”

“Then why did you go to my house for dinner last night?” Lu Qi could not believe it.

“That was just to brush you off! Besides the social events between the two families, have I ever met you in private? Stupid woman!” Xue Dong looked displeased. “Don’t bother me anymore!”

With that, the man pulled the woman into the car.

Lu Qi, who had a doubtful look on her face, was left behind.

The two of them had been married as children since they were young. When they grew up, they would go to their respective homes to have dinner as boyfriend and girlfriend.

Everyone thought that the two of them were a good match.

However, she did not expect that he was just dealing with her family members.

Lu Qi squatted on the ground in disappointment and hugged her head as she cried.

Jiang Yu did not know how to comfort her and just silently accompanied her. When she finally calmed down, she said, “Qiqi, what do you plan to do next?”

Lu Qi shook her head. “I don’t know. Last night, my family mentioned the marriage between, and they said they wanted us to get married as soon as possible.”

How was she going to explain this to the two parents now?

Jiang Yu was silent for a moment before she said, “He cheated on you first. We have nothing to be afraid of.”

“But I don’t have any concrete evidence.”

“We do,” Jiang Yu said. Then, she took out her phone and called Teng Yi, asking him to help her check the surveillance footage of this hotel.

Soon, Jiang Yu obtained the video of Xue Dong kissing that woman in the elevator.

“With this, the Xue family will have to think of how to apologize to you,” Jiang Yu said.

Lu Qi looked at the content and felt extremely disgusted. She nodded.

Jiang Yu was worried about Lu Qi, so she followed her home. The two of them handed the video to the two parents.

After the two parents saw it, they hugged Lu Qi with heartache. Her mother cried out, "Qiqi, you've been wronged these past few years! I must seek justice from the Xue family."

Father Lu almost flipped the table over. He cherished his precious daughter in time. How could he tolerate others to treat his daughter so badly? This is going too far!"

In fact, the Xue family had been in a bad financial situation for the past few years. They had asked Father Lu to invest quite a lot of money over the past few years. This time, he wanted father Lu to invest a large sum of money in order to win a huge project. Now, the Xue family had signed a contract with other people. They were only waiting for the Lu family's funds to arrive.

Father Lu did not plan to invest a single cent now.
