

## Older Man 29

### Chapter 29: There Was No Man In The Room

Not long after, Wei Juan rushed over with a few of her subordinates.

The moment she saw Jiang Ran, she asked with murderous intent, "Which room is that girl in?"

Jiang Ran pointed to a room.

Immediately, Wei Juan walked to the door, and as expected, she heard a muffled groan coming from inside.

"Good, you b \* tch!"

Jiang Yu had already noticed her movements when Jiang Ran brought people over.

However, she continued to enjoy the masseuse's services with a calm expression.

Sure enough, the room was kicked open in a short while.

Wei Juan's exasperated voice sounded, "Jiang Yu, how could you be so shameless to have an affair with someone else!"

Wei Juan rushed in furiously but was stunned by the scene before her.

She only saw a few female masseuses looking at her in horror. Some of them were massaging Jiang Yu's feet, some were repairing her nails, and some were applying facial masks on Jiang Yu.

There was not a single man in the entire room.

Wei Juan was stunned, and the broom in her hand fell to the ground.

Jiang Ran also followed her in. "Sister, you're just waiting to be kicked out... Huh!" She said in puzzlement.

Why was it like this.

"Impossible!" Jiang Ran up and down, but she did not see any men.

"What? Are you looking for something?"

Wei Juan's face turned pale, and she hit Jiang Ran's face. "Nonsense! How dare you disturb your sister's peace! I'll beat you to death!"

Wei Juan quickly threw the blame on Jiang Ran.

She gave her two big slaps before she leaving immediately.

The servants outside were puzzled. "Madam, what adulterer?"

Wei Juan's face was livid. "What nonsense are you talking about? There is no adulterer! It's all a misunderstanding!"

This was the first time Jiang Ran was beaten by her mother, and her eyes were filled with tears.

“Don’t be so reckless in the future. You stay here and apologize to her. I’m leaving first!” After saying that, Wei Juan left in a hurry.

In the room, Jiang Yu was laughing her head off.

This Jiang Ran was too funny. She didn’t investigate anything and just rushed up to deliver herself an embarrassment.

Jiang Yu was so happy that she slept comfortably for a while.

Second Young Master Bai was on a mission to relieve Lu Qi’s boredom. When he heard that someone came to catch a cheater in a hurry and made a mistake and left, he immediately laughed his head off.

“I can’t take it anymore. Miss Jiang is really too interesting. I want to share this news with you.”

Second Young Master Bai took out his phone and quickly edited the message. He sent it to Mo Long, “Brother Mo, sister-in-law is too talented. Not only is her horsemanship amazing, but her family came to catch her cheating today and made a big mistake. It’s really funny!”

Lu Qi was also stunned for a moment and shook his head. Jiang Yu saw that Jiang Ran didn’t make any movements just now, so she changed her position. She didn’t expect that Jiang Ran would really be framed.

Mo Long quickly replied, “Horse farm?”

It was the first time second young master Bai received Mo Long’s instant reply. He quickly replied, “It’s at the horse farm.”

“I’ll be there soon,” Mo Long replied.

Second Young Master Bai looked at this message and was confused. “Brother Mo, aren’t you coming back tomorrow afternoon?”

“I’m early. I just got off the plane,” Mo Long simply replied a few words without much warmth.

However, second young master Bai came back to his senses. Could it be that brother Mo was in a hurry to see his sister-in-law.

Second Young Master Bai held Lu Qi’s hand and said, “Miss Lu, I have a suggestion. Let’s not be a third wheel here! Let’s go!”

Lu Qi was surprised. “You’re saying that Xiao Yu’s boyfriend is coming?”

Second Young Master Bai nodded. Lu Qi probed, “Is it related to the Mo Family?”

Second Young Master Bai said, “That’s him!” Second Young Master Bai pointed to the sky.

Lu Qi was dumbfounded.

Jiang Yu stretched herself.

She had just opened the room when she saw second young master Bai and Lu Qi walking over.

Lu Qi said apologetically, “Yu’er, I have to go.”

Second Young Master Bai also blinked. "I'll send Miss Lu Home. Also, I've already made arrangements. The hot spring here is very good. Miss Jiang, enjoy it slowly!"

Jiang Yu thought that the two of them were going on a date, so she waved her hand without hesitation. "Go!"

As expected, the two of them quickly ran away.

Jiang Yu shook her head. "When friends grow up, they can't stay!"

When Jiang Yu had just finished soaking in the hot spring and returned to her room to take a shower.

The door was suddenly opened by someone, and a tall and straight figure walked in with a cold air.

Jiang Yu was still in the bathroom, humming comfortably.

She was like a happy little bird.

Mo Long put down his coat and sat at the side, waiting. He smiled and shook his head, "This girl, she is quite happy without me."

Jiang Ran was slapped twice. She was very unwilling to accept it, but she refused to apologize to Jiang Yu.

Therefore, she decided to continue following Jiang Yu and vowed to find that old man.

As expected, a man entered Jiang Yu's room.

That man was in a wheelchair. Although his face could not be seen, he was definitely an extremely old man.. Otherwise, why would he not be able to stand up.
