

## Older Man 33

### Chapter 33: Back Her Up

“Alright, this matter is decided. Yu’er was originally the eldest daughter of the Jiang family. Now, I’m just restoring her identity!”

After Jiang Hai finished speaking, he looked at Mo Long in a fawning manner, “Mr. Mo, then I will hold a banquet in three days and announce Yu’er’s identity. What do you think?”

Wei Juan and Jiang Ran’s expressions changed immediately!

Jiang Ran was so angry that her eyes were red. She wanted to say something, but when Jiang Hai’s eyes glared at her, she suddenly dared to be angry but did not dare to say anything.

Father was too biased. Jiang Yu had become the eldest daughter. What about her reputation? Should she bear the reputation of an adopted daughter?

“It’s getting late. Mr. Mo, why don’t you rest here for the night? I’ll get someone to prepare the room?” Jiang Hai looked at Mo Long with a smile.

Mo Long nodded. Jiang Hai immediately got the servants to prepare the room. He even specially instructed them to arrange the room with the highest standards.

When Mo Long arrived, it was as if the whole family was circling around him.

Jiang Hai started to talk about company business.

“Mr. Mo, since we’re going to be a family in the future, we can also have some business dealings...”

Before Jiang Hai could finish, Mo Long interrupted impatiently, “I have been resting and not minding these matters recently. If there’s anything, go and talk to Teng Yi!”

Mo Long rubbed the space between his eyebrows.

Jiang Hai looked at Teng Yi and quickly smiled, “That’s good too. Yu’er, take Mr. Mo to the garden to relax. I will have a good chat with Mr. Teng.”

Teng Yi received Mo Long’s instructions and nodded.

Jiang Yu pushed Mo Long to the garden, went around the secluded path, and came to a quiet place.

Then, she couldn’t help but ask, “Why are you here all of a sudden?”

Didn’t they say that their matter had to be kept a secret first?

They would talk about it after they graduated from university.

Mo Long sighed. “Your mother went to catch you today?”

Why did the topic suddenly change to this?

Jiang Yu said in a normal tone, “She just made a mistake.”

“And your sister doesn’t like you very much?” Jiang Ran looked like she was hatefully trying to catch her. She really seemed to treat Jiang Yu as an enemy.

She didn’t look like a sister at all.

Mo Long knew that Jiang Yu wasn’t well-liked in the Jiang family, but he didn’t expect her to be in a situation where she was treading on thin ice.

After knowing this, how could he let her be bullied at home?

That was why he came.

Jiang Yu said indifferently, “My mother and my sister don’t like me and often target me, but I won’t let them take advantage of me!”

She was obviously targeted by her own mother, but when Jiang Yu said it out loud, it was as light as the wind.

Perhaps it was because she appeared to be calm on the surface.

Mo Long knew that children who grew up in orphanages yearned for family ties.

“In short, I will let everyone know that you are one of my people and I will not let them bully you anymore.”

At least on the surface, he had to be polite.

At least Jiang Hai had benefited and he could not let Jiang Yu suffer any more grievances in the Jiang family.

Under the night sky, specks of sparks shone. Jiang Yu pushed him forward and chatted with him. Suddenly, Jiang Yu felt that this family wasn’t as scary as usual.

She had been neglected for the past year but because Mr. Mo Long said that he wanted to be her backer, it made her heart sparkle with Starlight.

In fact, sometimes she had wondered if she wasn’t the daughter of the Jiang family.

Or perhaps, she was not cute enough to be doted on by her parents?

Jiang Yu thought of her adoptive parents before she was eight years old. They were also cold to her. They raised her only to extract her blood to earn money. However, she did not understand when she was young and thought that they were her biological parents.

It was not until she was eight years old that her adoptive parents were imprisoned for their crimes. She came to the orphanage and realized that she was only picked up by them.

A gust of wind blew and disrupted Jiang Yu’s thoughts.

Only then did she realize that she had brought Mo Long back to the hall.

Jiang Hai and Teng Yi were discussing matters in the study room.

Wei Juan and Jiang Ran walked out of the room one after the other.

When they saw Mo Long, their attitudes had changed. The dissatisfaction from before had changed and they had become amiable.

Wei Juan said, "Mr. Mo, Yu'er isn't sensible. She usually makes you worry a lot, right? She hasn't understood the rules since she was young and is very irritable. If you have anything to do, you can instruct Ran Ran to do it. She does everything well."

After she said that, Jiang Ran flicked her hair and revealed a smile that she thought was gentle. "Mr. Mo, it was my fault before. In the future, if you need anything, you can tell me."

Mo Long frowned and his cold gaze swept over the mother and daughter. A little displeasure flashed through his eyes.

"I do want to eat the pastry from pear garden.. Since that's the case, then I'll have to trouble Jiang Ran to make a trip!" Mo Long's voice was neither cold nor indifferent.
