

Older Man 34

Chapter 34: Went To Fetch Something

Jiang Ran frowned. The pear garden was two to three hours away from home.

This was too far.

Jiang Yu smiled silently and liked Mo Long's suggestion. "Why? Sister doesn't want to go buy it?"

Jiang Ran said angrily, "Alright, I'll go buy it."

Wei Juan glanced at Mo Long awkwardly. She clearly felt sorry for her daughter, but she could only smile and say, "Then hurry back."

Jiang Ran left very quickly.

The servants had already prepared Mo Long's room.

Jiang Yu sent him into his room.

It was already late, so the two of them went back to their rooms.

By the time Jiang Ran finally finished buying the pastries, it was already midnight.

Jiang Ran was not in a hurry to send the pastries over. Instead, she went back to her room, dressed up, and changed into a sexy dress.

Only then did she carry the pastries to Mo Long's room with satisfaction.

However, she saw two bodyguards standing at the door of Mo Long's room.

When the bodyguards saw Jiang Ran coming over, they coldly stopped her. "What are you doing?"

Jiang Ran had an impression of these two bodyguards. Right now, her expression was not very good. "It was Mr. Mo who asked me to buy the pastries."

The two bodyguards looked at each other. One of the bodyguards stretched out his hand. "Give it to me. You can leave now!"

Jiang Ran was not willing to leave just like that. She gritted her teeth and said, "I have something to say to Mr. Mo Long. Can you let me in?"

The bodyguard was impatient. "Sir has instructed that apart from Miss Jiang Yu, no one can disturb his rest."

It was Jiang Yu again!

Jiang Ran's expression was very ugly. She could only pass the pastries to the bodyguard and leave reluctantly.

In the room, Mo Long listened to the commotion outside but had no intention of opening the door.

He was texting Jiang Yu. "Yu'er, do you have any places you want to go? I'll take you out for a walk tomorrow?"

Jiang Yu put on a face mask and replied, "Sure, I do have a place I want to take you to."

Mo Long was extremely curious. "Where is it?"

Jiang Yu paused for a moment before saying, "You will know once you get there."

A smile flashed across Mo Long's eyes. This girl was really good at keeping people guessing.

The next day.

When Jiang Hai found out that Jiang Yu was going out to play with Mo Long, he immediately smiled and said, "Alright, alright. This is also good. Yu'er, you must take good care of Mr. Mo. while Mr. Mo is recuperating. It is also good to go out and relax."

Jiang Hai had already learned from Teng Yi that ever since Mr. Mo long got into a car accident a year ago, he had very little to do with the company's matters. He usually let Teng Yi handle it while Mr. Mo long recuperated in peace.

When Jiang Ran heard that, she immediately seized the opportunity and said, "Dad, I'll go with my sister too. There will be some aspects that sister can't take care of. Moreover, I know many places that are suitable for relaxing. My sister has never been anywhere before, so she might not be able to arrange it well!"

Wei Juan heard this and quickly smiled. "Yes, let Ran Ran go too, so that we can take care of her!"

Jiang Yu looked in Jiang Ran's direction and asked, "Are you sure you want to go? The place we're going to is quite far away."

Jiang Ran immediately nodded and showed a very concerned look. "Sister, don't worry. I'll take good care of you."

Jiang Yu curled her lips silently.

After a while, they walked out of the Jiang residence.

There were a few cars parked outside the door.

One of them was Mo Long's special car and the other was a bodyguard's car.

Jiang Yu brought Mo Long to the special car.

Jiang Ran immediately opened the car door and wanted to follow them in.

However, she was stopped by Jiang Yu. "I'm sorry, this car can't sit too many people. You can go on the car behind!"

After saying that, she slammed the door shut.

Jiang Ran wanted to open the car door again.

Unexpectedly, the car door was locked from the inside.

The car behind was the car of the bodyguard. The bodyguard was fierce. She didn't want to get in that car.

However, before Jiang Ran could react, the two cars started at the same time.

No one paid attention to her and just drove away.

Jiang Ran gritted her teeth and quickly called her chauffeur over to follow.

In the car, Jiang Yu glanced at the mirror and was a little surprised. She was quite persistent. She was actually able to catch up with her like this.

The three cars drove on the highway just like that.

“Follow my instructions. I want to pick up something!” Jiang Yu said in a low voice.

Mo Long let her do what she wanted.

However, when they turned the corner, Jiang Yu deliberately made the car drive faster, completely shaking off Jiang Ran who was following behind.

The car became farther and farther away until they finally arrived at a small village.

The car stopped and Jiang Yu said to Mo Long, “This is where I lived before I was eight years old. My home is there!”

She pushed Mo Long towards a place that was no longer inhabited.

Jiang Yu followed her memory and entered the room.. She pulled out an iron box from under the bed, opened it, and took out an inconspicuous bracelet.
