

## Older Man 35

### Chapter 35: Dream To Study Medicine

Jiang Yu showed it to Mo Long. "This is something that I kept with me since I was young. It wasn't until I arrived at the orphanage that I realized that this bracelet didn't match with my adoptive parents' financial situation at all. It's very likely that it was there when I was born! So, I want to take it back now."

After Jiang Yu finished speaking, she pushed Mo Long out.

This place had only left her with trauma. She did not miss it at all.

When she was young, her parents had adopted her only because they wanted to sell her panda blood for money!

They fed her many things in order to drain her blood dry.

As a result, she had been very weak since she was young.

Mo Long could not help but clench his fists as he listened to Jiang Yu's story about his past.

Regarding Jiang Yu's investigation, they only found that she grew up in an orphanage. They did not know that she had adoptive parents before she was eight years old.

"These people deserve to die!" Mo Long said coldly.

"They got their serve of karma. After it was exposed, they were imprisoned for child abuse." Jiang Yu did not have much kinship with the two people.

She squatted down, she reached out and touched Mo Long's injured leg. "Did you know? I've always wanted to study medicine since I was young because I wanted to take care of my body and treat the orphanage principal who often gets sick. But now, I want to cure your leg after I study medicine!"

Jiang Yu studied medicine at Qing Teng University.

She had read medical books in the past few years, but she rarely practiced them, so she didn't know much about some things.

"Do you trust me?" Jiang Yu raised her head and looked at him. "Your leg will definitely recover in the future."

Mo Long looked at the serious expression on the woman's face, and a soft feeling flashed across his heart.

He had already asked many famous doctors to see his leg, and they all said that it could not be cured completely.

But now, he could not bear to let the hope in the girl's eyes fade away, so he nodded. "Yes, I trust you."

Jiang Yu smiled sweetly and handed the bracelet to him. "This is something that has been with me since I was young. I'll give it to you now. When I've finished studying, I'll help you heal your leg, and then I'll take it back!"

She said that she would give such an important thing to him, so she gave it to him.

Mo Long stretched out his hands and received the bracelet in his hands.

“Let’s go, let’s go somewhere else!”

There were only ten days left before Jiang Yu had to report to the university.

Jiang Yu had also planned today. She wanted to take Mo Long for a good walk and see the great rivers and mountains.

However, when they walked back and arrived at the fork in the road where they had ditched Jiang Ran, they found that Jiang Ran’s car was still parked there, stubbornly waiting.

Jiang Ran waited for a long, long time.

She called Jiang Yu, but she could not get through.

But she was not willing to go back like this.

She thought that she might as well wait for them to come back.

Last night, she had discussed it with Wei Juan.

The reason why her father was willing to publicly announce that Jiang Yu was her biological daughter was because of Mo Long.

But what if Mo Long took a liking to her in the end and took the initiative to ask to be engaged to her?

Then Jiang Yu would have nothing to do with it.

Therefore, in order to take down Mo Long, Jiang Ran was very determined.

Although he was a cripple, it was a good thing that he had a huge family fortune.

At this moment, Jiang Ran’s eyes suddenly lit up after waiting for a long time. She hurriedly said to the driver, “Quick, quickly follow them!”

Hence, when Jiang Yu and the others drove out, another small tail followed behind.

This time, Jiang Ran learned her lesson and followed them closely. She was unwilling to be shaken off no matter what.

When Jiang Ran followed them out of the car, she discovered that they had arrived at the top of the mountain. Right now, Jiang Yu was pushing Mo Long towards a marriage tree.

“I heard that the marriage tree here works very well. If we make a wish together, we can be together forever!” Jiang Yu said.

Jiang Ran followed up and said with some dissatisfaction, “Jiang Yu, what are you doing? Mr. Mo won’t play such a childish game with you.”

But who knew that Mo Long was very cooperative. “Then I’ll make a wish to be together with you till old age!”

“Okay!” Jiang Yu said and closed her eyes together with Mo Long.

They looked very loving.

Jiang Ran saw that the two of them were really so loving. She was so angry that she stomped her feet, but there was nothing she could do.

She could not interrupt the two of them at this time.

On the other side, Jiang Yu and Mo Long were showing off their love.

The two of them then took a rest on the spot.

Jiang Ran felt that she had a chance to show off, so she went over again. “Mr. Mo, I brought some pastries and tea.”

Jiang Yu said meaningfully, “You’re quite well prepared! But if you’re so free, shouldn’t you go look for Young Master Ye?”

Jiang Ran quickly said, “I already said that young master Ye and I have broken up. Mr. Mo Long, don’t misunderstand.”

“Oh, is that so?” Jiang Yu pursed her lips and looked at her with a smile.

Jiang Ran was a little scared from being looked at. It was at this moment that a car stopped nearby.

Young Master Ye got out of the car. “Ran Ran, why didn’t you answer my calls! ?”

Young master Ye came forward and looked at Jiang Ran unhappily.

He grabbed Jiang Ran’s hand and pulled her over.
